INDEPENDENT AUDITOR'S REPORT:

To The Shareholders of Nam Securities Limited

Report on the Financial Statements

I have audited the accompanying financial statements of Nam Securities Limited regd. Office: LGF, Plot No. 410, Sector-31, Gurugram – 122001, (HR), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss and Cash Flow Statement for the year ended on that date, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The company's Board of Directors Management is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (the Act), with respect to preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standard specified u/s 133 of the Act, also includes maintenance of adequate Accounting records in accordance with provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate Accounting Policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the Accounting records relevant to the preparation and presentation of the financial statements that give a true and fair view & are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

I have taken into Account the provisions of the Act, the Accounting and Auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under

I conducted our audit in accordance with the standards on auditing specified under section 143(10) of the Act. Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend upon the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation and of the financial statements that give true and fare view in order to design audit procedures that are appropriate in the circumstances, An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company Directors, as Ill as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for our audit opinion in the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Accounting Standards and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its Profit and its Cash Flows for the year ended on that date.

Other Matters

In our opinion there is no other matter which needs any qualification.

Report on Other Legal and Regulatory Requirements

1.As required by the Companies(Auditor's Report) Order,2016("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, I give in the Annexure A, a statement on the matters specified in Para(s) 3 & 4 of the Order, to the extent applicable.

2. As required by section 143(3) of the Act, I report that:

- a) I have sought and obtained all the information and explanations which to the best of our knowledge and belief are necessary for the purpose of our audit;
- b) In our opinion, Proper books of accounts as required by law have been kept by Company so far as appears from our examination of books.
- c) The Balance sheet, Statement of Profit and Loss, & Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- d) In our opinion, the Balance sheet, Statement of Profit and Loss, and Cash Flow Statement comply with the Accounting Standards specified under section 133 of the Act, read with applicable Rule of the Companies (Accounts) Rules, 2014;
- e) On the basis of written representations received from the directors as on 31.03.2018, and taken on record by the Board of Directors, I report that none of the directors are disqualified as on March 31, 2018, from being appointed as a director in terms of section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operation effectiveness of such controls, refer to our separate Report in "Annexure B"
- g) With respect to the other matters to be included in the Auditors Report in accordance with the Rule 11 of the Companies (Audit and Auditors), Rules 2014 in our opinion and to the best of our information and according to the explanations given to us :

To the Independent Auditor's Report of even date to the members of Nam Securities Ltd. on Financial Statements for the year ended March 31, 2018.

Independent Auditor's report on the internal Financial Controls under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

In conjunction with our audit of the financial statements of Nam Securities Limited ("the Company") as of and for the year ended March 31, 2018, I have audited the internal financial controls over financial reporting of the Company as of that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountant of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that are operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's Policies, the safeguarding of assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls over Financial Reporting based on our audit. I conducted our audit in accordance with the guidance note on audit of Internal Financial Controls Over Financial Reporting and Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an Audit of Internal Financial Controls both applicable to an audit of Internal Financial Controls and both issued by the ICAI. Those Standards and the Guidance Note require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over Financial Reporting are established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls over Financial Reporting and their operating effectiveness. Our audit of Internal Financial Controls over Financial Reporting included obtaining an understanding of Internal Financial Controls over Financial Reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material mis-statement of the financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls over Financial Reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's Internal Financial Controls over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A Company's Internal Financial Controls over Financial Reporting includes those policies and procedures that (1) pertain to the maintenance of records that in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial

statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the company are being made only in accordance with authorization of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of Internal Financial Controls over Financial Reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of The Internal Financial Controls over Financial Reporting to future provides are subject to the risk that Internal Financial Controls over Financial Reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting are operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

- v. **Fixed Assets & Depreciation**
Fixed assets are carried at cost less accumulated depreciation / amortisation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use. Subsequent expenditure on property, plant and equipment after its purchase / completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance. Property, plant and equipment retired from active use and held for sale are stated at the lolr of their net book value and net realisable value and are disclosed separately. Advances paid towards the acquisition of fixed assets, outstanding at each balance sheet date are shown under advances for capital goods. The cost of the

property, plant and equipment not ready for their intended use before such date are disclosed under capital work-in-progress.

(b) Depreciable amount for assets is the cost of an asset, less its estimated residual value. Depreciation on property, plant and equipment has been provided under the straight-line method as per the useful life as estimated by management. Management estimates the useful life for the property, plant and equipment as per the guidelines stated in the Act.

vi. **Revenue Recognition:**

Brokerage income is recognized on the trade date of transaction upon confirmation of the transaction by the stock exchange. Income from depository services, penal charges are recognised on the basis of actual receipts. Commission income from financial products distribution is recognised on the basis of agreements entered into with principals and when the right to receive the income is established. Interest income from margin funding business is recognised on loans given to clients on time proportion basis.

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive the income is established. Shared services cost is recognised based on agreements entered into with the parties. Capital Gain/ Loss on sale of Investment is recognized on the date of trade.

vii. **Stock In Trade:**

a) Shares are valued at cost price. Cost is considered on lighted Average Basis.

b) Units of Mutual Funds (Exchange traded funds) are valued at cost or market value whichever is lolr.

viii. **Investments:**

Investments are classified into long-term investments and current investments. Investments that are intended to be held for one year or more are classified as long-term investments and investments that are intended to be held for less than one year are classified as current investments. Long term investments are valued at cost. Provision for diminution in value of long term investments is made if in the opinion of management such a decline is other than temporary. Current investments are valued at cost or market/fair value, whichever is lolr. Cost of investments includes acquisition charges such as brokerage, fees and duties.

Units of Mutual Funds (Non - Exchange traded funds) are valued at cost or market value whichever is lolr. Net asset value of units declared by mutual funds is considered as market value for non-exchange traded Mutual Funds.

ix. **Employment Benefits**

None of the employees is covered under the provisions of the provident Fund, Family Pension Fund, or the Payment of Gratuity Act, and there are Employee Share based payments during year.

x. **Taxation:**

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or

substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their reliability. Current and deferred tax relating to items directly recognised in reserves are recognised in reserves and not in the Statement of Profit and Loss.

xi. Provisions and Contingencies:

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the notes. Contingent assets are not recognised in the financial statements.

xii. Impairment of Assets:

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists. If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount in the statement of profit and loss. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the statement of profit and loss, to the extent the amount was previously charged to the statement of profit and loss.

xiii. Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

xiv. Derivative Financial Instruments

As per the institute of Chartered Accountants of India(ICAI) announcement , accounting for derivative contracts , if any, other than those covered under AS 11 , are marked to market on a portfolio basis, and the loss is charged to income statement. Net gains are ignored.

- xv. **Operating Cycle**
Based on the nature of products / activities of the Company and the normal time betlen acquisition of assets and their realization in Cash or Cash equivalent, the company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.
- xvi. **Sundry Debtors/Loans and Advances**
Sundry Debtors and Loans and advances are stated after making adequate provisions for doubtful balances.
- xvii. **Foreign Currency**
There is no business in the company involving foreign currency.
- xviii. **Lease**
There is no business in the company involving Lease taken or given.
- xix. **Expenditure**
Expenses are accounted on accrual basis and provision is made for all known losses and liabilities.
- xx. **Segment Reporting**
The company is principally engaged in a single business segment viz: Broking & Trading in Shares, Mutual Funds & Depository services. Accordingly there are no separate reportable segments as per Accounting Standard 17 on "Segment reporting".
