Industry Structure and Development

The Indian Paper Industry has played pivotal role in laying the foundation for economic growth. The century old Pulp and Paper industry occupies an important position in the Indian Economy for its extended role of early industrialization and social sector development. The emphasis on making India a knowledge-based economy after globalization perpetuated the importance of P&P sector. The liberalization of the sector seems to have had the desired effect on its growth performance and nature in a competitive paper sector. Analyzing the globalization of the sector suggests that the inward looking policy framework vigorously advanced by Government in the past has reduced the import dependency and improve the self-sufficiency.

Your company has a very strong pulping base having capacity to make sufficient agro waste pulp besides significant capacity to make deinked pulp. along with a Strong marketing network and loyal customer base to fulfill increasing market demand with increase in production and productivity. Three different machines that give your company flexibility to cater to a wider range of market are major strengths. At the same time, the major threat being faced by your company is the stringent environmental regulation being imposed by the government. Increasing competition with globalization

and emergence of new units with latest technology, threat of Zero import duty on paper inputs, raw material shortage and economy of scale.

Segmentation or product wise performance

Your company has introduced a premium quality paper 'super snow white paper' excelling in all qualities like brightness, formation, bulk and strength properties and its share in total production is increasing. This product has made a place for itself in the market. Plans to introduce photocopier paper under a brand name in near future are underway. There has been good demand for colored and azure laid paper made by your company. There has been more than full capacity utilization of manufacturing capacity of your company.

Internal Control Systems and their adequacy

There is adequate internal control system in the company through Internal Audit and regular operations review and efforts are being made to strengthen it.

Operating & Financial Performance

The net revenue from operation of the Company was Rs 45008.77 lacs as compared to Rs 39821.44 lacs during the corresponding period of the previous year 2014-15 and the net profit after tax of the Company was Rs 1331.62 lacs from Rs 784.12 lacs recorded for the previous year.

Development in Human Resources/Industrial Relations

The human capital of the company has been motivated and committed to bring good operating performance. The industrial relations are cordial. strives to provide the best work environment with ample

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SATIA INDUSTRIES LIMITED

We have audited the accompanying standalone financial statements of Satia Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, and the Statement of Profit and Loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical

requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March 2016, its profit/loss and its cash flows for the year ended on that date.

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure a statement on the matters Specified in paragraphs 3 and 4 of the Order.

2. As required by section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) the Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and
- e) On the basis of written representations received from the directors as on 31 March, 2016, and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2016, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - (ii) The Company has made provision, as

required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts – Refer Note 2.20 to the financial statements;

“Annexure B” to the Independent Auditor’s Report of even date on the Standalone Financial Statements of Satia Industries Limited, V.Rupana

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Satia Industries Limited, V. Rupana** (“the Company”) as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in

accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly

reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of financial statements

Corporate Information:-

Satia Industries Limited (herein after referred to as 'The Company') is presently dealing in the following business

a) Manufacturer of Writing and Printing Paper b) Generation of Power c) Trading activities in Cotton & Yarn d) Agricultural & Plantation Operations etc.

1. Significant Accounting Policies:-

1.1 Basis of Preparation:

The financial statements have been prepared to comply with all material aspects which are mandatory accounting standards issued by the The Institute of Chartered Accountants of India and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention, except where otherwise stated, and on an accrual basis. The accounting policies have been consistently applied by the Company and are consistent with those used in previous year, Except the change in application of method of depreciation from Straight Line Method to written down value method w.e.f 01.04.2014.

1.2 Fixed Assets:

Fixed Assets are shown at Historical Cost. Cost of the fixed assets comprises purchase price, duties, levies and direct indirect attributable cost of bringing the assets to its working condition for intended use. Borrowing cost related to acquisition or construction of the qualifying fixed assets for the period up to the completion of their acquisition and installation are included in the cost of the assets. Expenditure for addition, improvement and renewals are capitalized and expenditure for repair and maintenance are charged to statement of Profit & Loss Account.

1.3 Depreciation:-

1.3.1 There is a change in the method for providing of depreciation from Straight Line Method to Written Down Value

Method effective from April 1, 2014, Accordingly the company has computed the charge of depreciation keeping in view the remaining useful life of the assets as ascertained by the chartered engineer in accordance with the terms of Schedule II to the Companies Act,2013 and AS-6.

1.3.2 The management of the Company has considered it to be appropriate to seek the opinion of chartered engineer in order to ascertain the remaining useful life and residual value of the assets (existing as well as additions), as it may deem fit.

1.3.3 On the basis of technical advice the management of the company has considered it to be appropriate to keep the residual value of all the assets at 10% of the historical cost.

1.3.4 Depreciation on the amount of addition made to Fixed Assets due to exchange fluctuation is provided over the remaining useful life of the asset to which the fluctuation relates.

1.3.5 Patents and trademarks, etc are accounted at their cost of acquisition and amortized over their estimated economic life not exceeding 10 years. Leasehold improvements are charged to statement of the profit and loss account over the primary period of lease.

1.4 Investments

Investments are stated at cost less provision for permanent diminution in value of long term Investment and short term investments are carried out at net realisable value.

1.5 Impairment of Fixed Assets:

Consideration is given at each balance sheet date to determine whether there is any indication of impairment of the carrying amount of the Company's Fixed Assets. If any indication exists, an assets recoverable

amount is estimated. An impairment loss is recognized whenever the carrying amount of assets exceeds its recoverable amount. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use the estimated future cash flows are discounted to their present value based on an appropriate discount factor. Impairment loss is recognized in the Statement of Profit & Loss.

1.6 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

1.6.1 Sale of Goods

Revenue is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer. Sales are net of return, volume discount and sales tax but including excise duty.

1.6.2 Income from CER/VER

Income from Carbon Emission Reductions (CER)/ Voluntary Emission Reductions (VER) is recognized when the project is registered with the United Nations Framework Convention on Climate Change (UNFCCC).

1.6.3 Income from REC/Dividend/Interest

Income from Renewable Energy Certificate/Dividend on shares/ Interest on investment is recognized on receipt basis.

1.7 Insurance claims are shown separately under the head other income and corresponding expenses are shown under respective expense head in the Statement of Profit and Loss.

1.8 Valuation of Inventories:-

Raw Materials, Stores & Spares:

Lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products, in which they will be incorporated, are expected to be sold at or above cost. Cost of Raw materials is determined on a monthly moving weighted average basis and cost of chemicals, stores and spares is determined on transaction moving weighted average.

Work-in-Progress and Finished Goods:

Lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods except lying in the factory premises includes excise duty.

By Products and Waste:

Net realizable value

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and to make the sale.

Agriculture Operations

The amount spent on agriculture activities has been valued at cost and has been treated as the advance expenses against the future crop.

1.9 Foreign Currency Transactions

Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction;

Exchange Differences

Exchange differences arising on the settlement of monetary items or on restatement of reporting Company's monetary items at rates different from those at which they were initially recorded during the year or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

Forward Exchange Contracts

In respect of forward exchange contracts entered into by the Company, the difference between the contracted rate and the rate at the date of transaction is recognized as gain or loss over the period of contract except for difference in respect of liabilities incurred for acquiring fixed assets from a country outside India, in which case such difference is adjusted in the carrying amount of the respective fixed assets. Exchange differences on such contracts are recognized in the Statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or as expense for the year.

1.10 Borrowing Cost

Complying with the Accounting Standard -16, those borrowing costs, which are directly attributable to the acquisition, construction or production of qualifying asset, are capitalized in the books of accounts and the amount borrowed which is generally used for the purpose of obtaining qualifying assets is capitalized in the books on average weighted Cost. Capitalization of borrowing cost should cease when substantially all the activities necessary to prepare the qualifying assets for its intended use are completed.

1.11 Government Grants

Government grants received as capital incentives are credited to capital reserve. Government grants in other forms are credited to Statement of Profit & Loss. Government

grants relating to specific assets are disclosed as deduction from the gross value of the assets concerned.

1.12 Retirement Benefits

1.12.1 Retirement benefits in the form of Provident Fund and Pension Schemes are charged to the Statement of Profit & Loss of the year when the contributions to the respective funds are due.

1.12.2 Gratuity liability under the payment of Gratuity Act and provision for leave encashment is accrued and provided for on the basis of an actuarial valuation made at the end of each financial year.

1.12.3 The Company's gratuity benefit scheme is a defined plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any plan assets is deducted.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the projected unit credit method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on government securities as at the balance sheet date.

When the calculation results in a benefit to the company, the recognized assets is limited to the net total of any unrecognized actuarial losses and past service costs and the present value of any future refunds from the plan or reductions in future contributions to the plan.

Actuarial gains and losses are recognized immediately in the statement of profit & loss.

1.13 Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit & loss on a Straight-Line basis over the lease term

1.14 Accounting for taxes on income

Provision for tax on income is made after taking into consideration benefit admissible under the provisions of the Income Tax Act, 1961. Deferred tax resulting from 'Timing difference' between book & taxable profit is accounted for using the tax rates & laws that have enacted as on the balance sheet date. The deferred tax asset is recognized and carried forward only to the extent that there is a reasonable certainty that the assets will be realized in future.

1.15 Export incentive scrips in case of export are valued on the specific rates allowed on the relevant item of export.

1.16 Provisions

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best management

estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

2.36 Segment Reporting

A. Business Segments:

Based on the guiding principles given in AS-17 "Segment Reporting" issued by the

Institute of Chartered Accountants of India, the Groups business segment include: Writing & Printing Paper, Power Generation, Yarn Division & Agriculture Division.

B. Geographical Segments:

Since the Group activities/operations are primarily within the country and considering the nature of products it deals in, the risks and returns are same and as such there is only one geographical segment

C. Segment Accounting Policies:

In addition to the significant accounting policies applicable to the business segments as set out in note no.1 of “Notes to the accounts”, the accounting policies in relation to segment reporting are as under:

a) Segment Revenue and Expenses:

Segment revenue and expenses are directly attributable to the segments.

b) Segment assets and liabilities

Segment assets include all operating assets used by a segment and consist principally of operating cash, debtors, inventories and fixed assets, net of allowances and provisions which are reported as direct offsets in the balance sheet. Segment liabilities include all operating liabilities and consist principally of creditors and accrued liabilities.

c) Inter segment revenue:

Inter segment revenue between operating segments are accounted for at market price. These transactions are eliminated in consolidation.

d) Information about business segments:

The detailed reporting is as per annexure. During the year company has started a new segment for agriculture operations of plantation. The cost incurred in this segment has been treated as prepaid expenses and included in the inventories which will be set off against the future income under the segment.

2.37 Current Assets including advances are considered good and in view of the management of the company to be realizable within 12 months from the date of Balance Sheet.

2.38 Outstanding balances in sundry debtors, creditors & security deposits are subject to confirmation.

2.39 Figures in brackets represent figures of previous year.

2.40 Previous Year's figures have been regrouped and/or re-arranged wherever considered necessary.
