Dear Sirs,

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate governance practice by **M/s. Oyeeee Media Limited**, (here in after called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's Books, Papers, Minutes Books, Forms and Returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the financial year ended 31st March, 2016, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company, for the financial year ended on 31st March, 2016, according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made there under;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment and Overseas Direct Investment and External Commercial Borrowings (**not applicable to the Company**);
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

OYEEEE MEDIA LIMITED

MANAGEMENT DISCUSSION AND ANALYSIS

Statements in this Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be 'forward looking statements' within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include cyclical demand and pricing in the Company's principal markets, changes in government regulations, tax regimes, economic developments in India and other incidental factors. The Company undertakes no obligation to publicly update or revise any forward looking statements, whether as a result of new information, future events, or otherwise. Readers are cautioned not to place undue reliance on these forward looking statements.

MEDIA INDUSTRY STRUCTURE AND DEVELOPMENTS

The World Economic Outlook released in April 2016 by the IMF lowered the global growth estimate to 3.1% in 2015, 3.2% in 2016 and 3.5% in 2017 from 3.5% in 2015 and 3.8% for 2016 projected in April 2015.

In advanced economies, there has been a deceleration in growth momentum with growth projected to increase now by 1.9% in 2015 and 2016 and by 2% in 2017 compared to 2.4% in both 2015 and 2016 forecast last year. This deceleration can be attributed to the very real threat from global terrorism, the ongoing refugee crisis and the fluid political situation in the US and Europe (which is a result of an increasing economic inequality that has created a chasm between the elite and 'the others'). Another cause for weakening global growth is the weakening of investment demand leading to slower growth in international trade. As in previous years, the US is likely to grow the fastest amongst advanced economies with growth forecast at 2.4% in both 2015 & 2016 and 2.5% in 2017. The outlook for the Euro area is more subdued – at 1.6% in 2015, 1.5% in 2016 and 1.6% in 2017.

In emerging markets and developing economies, growth is projected to slow down to 4.0% in 2015, 4.1% in 2016 and increase to 4.6% in 2017 from 4.3% in 2015 and 4.7% in 2016 forecast earlier. Among the emerging markets, although China and India continue to grow approximately in line with earlier projections, trade growth has slowed down considerably. Growth in China is projected to sharply slow down to 6.9% in 2015, 6.5% in 2016 and 6.2% in 2017.

INDIAN ECONOMY

Although there seems to be a global economic slowdown, the Indian economy is expected to rebound in 2016. The IMF, that has hailed India as a "bright spot" in a muted global economy, forecasts that growth in India is likely to be 7.5% in 2016-17 – well ahead of China. Lower energy prices and higher real incomes have benefited private consumption which in turn will fuel growth. Inflation has decreased unexpectedly fast due to lower crude and commodity prices, a range of supply side measures, and a relatively tight monetary

stance. However, the report stresses that “upside risks to inflation could necessitate a tightening of monetary policy”. A slowdown in trade growth is being seen which could be a cause for concern. Additionally, according to the IMF, for India’s growth story to be sustained over the medium term, the need of the hour is continued fiscal consolidation, revenue reforms, and further reductions in subsidies, labor market reforms and dismantling of infrastructure bottlenecks, especially in the power sector.

The IMF’s forecasts are broadly in line with those of other international agencies including the World Bank and the Asian Development Bank. In fact the World Bank’s South Asia Economic Focus Spring 2016 report states that India “... remains the leading force for sustained regional growth” in South Asia. However, the World Bank also warns that the overall trends which seem to be favorable mask important underlying divergences – between urban and agricultural households; between domestic and external demand; and between public and private capital expenditure, which need to be addressed.

RISKS AND CONCERNS

1. Macroeconomic Risks

Since the media and entertainment industry depends on various factors, thus its fortunes are not certain. In periods of slowdown, the media and entertainment industry faces headwinds. In such times, it is difficult for the Company to fully overcome the effects of the slowdown.

2. Operational and Financial Risks

The Risk Management Framework of the Company is the basis on which your Company manages its risks. The Board monitors the risks on a regular basis. Risks are reviewed, added and deleted with time. Process owners assume the risks and brief management and the Board about the same.

3. Retaining Talent

While all industries depend on talented teams, this is especially true in the Media & Entertainment industry. More than a quarter of our costs are people costs. In fact, they are one of the biggest cost items (the other being Marketing) in the Company's P&L. The secret sauce of your Company's success is that it has been able to attract the best talent available and keep them happily engaged.

PERFORMANCE OF THE COMPANY

The Company has reported profits during the year under review. The operational performance of the Company is on the growth path. The Financial & operational details are mentioned in the financial statement.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company's internal control systems are commensurate with the nature of its business and the size and complexity of operations. These systems are routinely tested and certified by Statutory as well as Internal Auditor and cover all offices, factories and key business areas. Significant audit observations and follow up actions thereon are reported to the Audit Committee. The Audit Committee reviews adequacy and effectiveness of the Company's internal control environment and monitors the implementation of audit recommendations, including those relating to strengthening of the Company's risk management policies and systems.

HUMAN RESOURCES

Human Resource is one of the most important key to success of any Company. Your Company business critically depends on quality of manpower. Your Company possesses unique challenges to the Human Resource function. The HR function of your Company has been structured and aligned in line with the business needs and requirements. The Company business is managed by a team of competent and passionate leaders, capable of enhancing your company standing in the competitive market. The Company employees have a defining role in significantly accelerating its growth and transformation, thereby enhancing its position as one of the largest corporate houses. The Company has a structured recruitment process; the focus is on recruiting people who have the right mindset for working, supported by structured training programmes and internal growth opportunities. The Company consistently invests efforts in training and developing its employees, which in turn leads to sustained growth.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF OYEEEE MEDIA LIMITED**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Oyeeee Media Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

OYEEEE MEDIA LIMITED

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- i. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- ii. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- iii. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Notes: Forming Part of the Financial Statements:

1 Significant Accounting Policies:

1.1 Basis of Accounting:

The Financial Statements are prepared under the historical cost convention, on accrual basis of accounting, in accordance with the generally accepted accounting principles in India and the applicable Accounting Standards referred to under section 133 of the Companies Act, 2013 read with rule 7 of the Companies (Accounts) Rules, 2014.

1.2 Use of Estimates:

The preparation of Financial Statements requires use of estimates and assumptions to be made that affect the reported amount of assets, liabilities and disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Differences between the actual results and estimates are recognized in the period in which the results are known / materialized.

1.3 Fixed Assets

Fixed Assets are stated at cost inclusive of installation and attributable expenses less accumulated depreciation/ amortization thereon and impairment losses, if any.

1.4 Depreciation:

Depreciation on fixed assets is provided on written down value method (WDV) at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013.

Intangible assets are amortized over their estimated useful life on written down value method.

1.5 Revenue Recognition:

Income and expenditure are recognized and accounted on accrual basis as and when they are earned or incurred. Revenue from sales transaction is recognized as and when the significant risk and reward attached to ownership in goods is transferred to the buyer. However leave with wages and bonus is accounted on cash basis.

Prompt payment rebate and overdue charges are determined and accounted for on termination of the contracts.

1.6 Inventories

Inventories are carried at cost or net realizable value whichever is lower.

1.7 Investments

Long Term Investments are stated at cost net of provision against diminution, if any, in carrying cost of investment other than decline of temporary nature. Non Current investments are carried at lower of cost and market price.

1.8 Impairment

The carrying amounts of assets are reviewed at each balance sheet date for any indication of impairment based on internal/external factors. Where the carrying value exceeds the estimated recoverable amount, provision for impairment is made to adjust the carrying value to the recoverable amount. The recoverable amount is the greater of the assets estimated net realizable value and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using an appropriate discounting rate. If at the Balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to maximum of depreciable historical cost.

1.9 Borrowing Costs:

Borrowing costs attributable to the acquisition or construction of qualifying assets are capitalized as part of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

1.10 Cash Flow Statement:

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

1.11 Employee Benefits:

Short term benefits and post employment benefits are accounted in the period during which the services have been rendered.

1.12 Taxation:

Current tax is determined as the amount of tax payable in respect of taxable income for the year computed in accordance with relevant provisions of Income Tax Act, 1961.

OYEEEE MEDIA LIMITED

In accordance with the guidance note issued by the Institute of Chartered Accountants of India ('ICAI') on accounting for credit available in respect of Minimum Alternate Tax (MAT) under the Income Tax Act, 1961, the Company recognizes MAT credit as an asset only when and to the extent there is convincing evidence that the Company will be liable to pay normal income tax during the specified period.

Deferred tax charge or credit and correspondingly deferred tax liability or asset is recognized using tax rates that have been enacted or substantively enacted at the balance sheet date. Deferred tax is recognized, subject to the consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. In the event of unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are reviewed at each balance sheet date and written down or written up to reflect the amount i.e. reasonable/virtually certain (as the case may be) to be realized.

1.13 Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognized only when there is a present obligation as a result of past events; it is more likely than not that an outflow of resources will be required to settle the obligation and when a reliable estimate of the amount of the obligation can be made.

Contingent Liability is disclosed for (i) Possible obligation which will be confirmed only by future events not wholly within the control of the company or (ii) Present obligations arising from the past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent Assets are not recognized in the financial statements.

1.14 Earnings per Share:

The basic earnings per share are computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the reporting period. Diluted EPS is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except where the results would be anti-dilutive.

1.15 Segment Reporting:

The generally accepted accounting principles used in the preparation of the financial statements are applied to record revenue and expenditure in individual segments.

Segment revenue and segment results include transfers between business segments. Such transfers are accounted for at the agreed transaction value and such transfers are eliminated in the consolidation of the segments.

Expenses that are directly identifiable to segments are considered for determining the segment result. Expenses, which relate to the company as a whole and are not allocable to segments, are included under unallocated corporate expenses.

Segment assets and liabilities include those directly identifiable with the respective segments. Unallocated corporate assets and liabilities represent the assets and liabilities that relate to the company as a whole and not allocable to any segment.

1.16 Amortisation Expenditure

Preliminary Expenses is adjusted with the Security Premium Account.
