ECONOMIC OUTLOOK

India's GDP grew by 7.6% in 2015-16, making it one of the fastest growing major economies in the world. India is today one of the most vibrant global economies on the back of robust finance sectors. Indian economy is on the brink of a major transformation, with several policy initiatives set to be implemented shortly. The International Monetary Fund (IMF) predicts Indian GDP to grow at 7.5% for the years 2016 and 2017. As inflation eased sharply, the Reserve Bank of India (RBI) was able to cut interest rates four times this year. Notwithstanding unexpected delays in enacting some economic reform, the prospects for continued rapid growth are undiminished. It is projected that Economic growth hovering around 7.5% and Investment will pick gradually. The government's continuing efforts to ease doing business in India is attracting foreign direct investments into the country. FDI into the country has increased by 37% after the launch of 'Make in India' programmed in the 17-month period from October 2014 to February 2016.

COMPANY OVERVIEW AND PERFORMANCE

The Union Budget for 2016-17 has allocated a sum of 3,02,885 crore to the MSME sector. The government is making efforts through projects such the PradhanMantri MUDRA Yojana to make financing more easily available to micro enterprises. Public sector banks have provided the majority of finance to MSMEs, but now private sectors are also eyeing the opportunity in financing small businesses within the MSME segment to drive their business growth.

The Business of finance is always attractive domain as there is no inventory to maintain, supply-chain to worry about, warehouses to upkeep, delivery to process etc. It is an inherently scalable business that can be run with technology and a relatively lean staff. However such an opportunity also comes with major challenges. In the current scenario one of the major tasks is regulatory changes and compliances and another inherent challenge is to deal with bad loans. We need to look into the facts that how quickly the unrecoverable lending by public sector banks rose in the last few years. Between 2004-2012, bad debts rose by about 4% while they rose by a staggering 60% between 2013-2015. There is no doubt about India's economic growth and growth on the financial sector. Reforms, however SMEs need to be extraordinary cautious involved in lending business.

Management is envisaging about the possibility of moving towards low risk financial business particularly financial and investment consultancy. In the option of prudent and successful policy adoption your company has approached various NBFCs and Banks to offer expertise we have in the sector. We believe

22nd Annual Report of Natco Economicals Limited

that in the coming years the company will certainly show better picture of overall performance.

OPPORTUNITIES & THREATS:

The governments acknowledging the importance of this sector in recent months has taken steps to liberalize, regulate, and enhance the sector. Greater financial inclusion is being encouraged with schemes such as the 'Jan Dhan' and issuing new licenses to Small Finance Banks The Government and Reserve Bank of India (RBI) have taken various measures to facilitate easy access to finance for Micro, Small and Medium Enterprises. These measures include launching Credit Guarantee Fund Scheme for Micro and Small Enterprises, issuing guideline to banks regarding collateral requirements and setting up a Micro Units Development and Refinance Agency. The vibrant reforms like allowing foreign investment in the insurance and pension sectors in the automatic route up to 49 per cent, 'Jan Dhan' initiative for financial inclusion is gaining momentum. Under PradhanMantri Jan DhanYojna, 217 million accounts have been opened and 174.6 million RuPay debit cards have been issued. With a combined push by both government and private sector, India is undoubtedly one of the world's most vibrant capital markets.

Any changes in the regulatory environment could affect the performance of the Company. Bad loans at Indian banks have jumped an unprecedented. For all the past few years of growth and reform, banks in India have continued rolling over troubled loans or restructured them to make terms favorable to borrowers. Uncertainty in global economy and high volatility in financial markets are prominent risk confronting the emerging market economy.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has established its internal control system commensurate with the requirement of its size. The Company has proper and adequate system of internal controls to ensure that all its assets are safeguarded and protected against loss from unauthorized use or disposition of assets and that the transactions are recorded and reported.

The Company's well defined organization structure, documented policy guidelines, predefined authority levels, and an extensive system of internal controls ensure optimal utilization and protection of resources, IT security, accurate reporting of financial transactions and compliance with applicable laws and regulations.

Independent Auditor's Report

To the Members of
Natco Economicals Limited

Report on the Financial Statements

We have audited the accompanying financial statements of Natco Economicals Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and Cash Flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with

22nd Annual Report of Natco Economicals Limited

ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016 and its Profit and its cash flows for the year ended on that date.

NOTE – P SIGNIFICANT ACCOUNTING POLICIES

a) System of Accounting:

- i) The books of accounts are maintained on mercantile basis except where otherwise stated.
- ii) The financial statements are prepared under the historical cost convention in accordance with the applicable Accounting Standards issued by The Institute of Chartered Accountants of India and as per the relevant representational requirements of the Companies Act, 2013.
- iii) Accounting policies not specifically referred to are consistent with generally accepted accounting practices, except where otherwise stated.

b) Revenue Recognition:

- i) Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.
- ii) Interest income is recognized on time proportion basis.
- iii) Dividend income is recognized when right to receive is established.
- iv) Profit / Loss on sale of investments is accounted on the trade dates.

c) Investment:

Investments are classified into noncurrent investments and current investments. Noncurrent investments are stated at cost and provisions have been made wherever required to recognize any decline, other than temporary, in the value of such investments. Current investments are carried at lower of cost and fair value and provision wherever required, made to recognize any decline in carrying value.

d) Retirement Benefits:

- i) Leave encashment benefits are charged to Profit & Loss account in each year on the basis of actual payment made to employee. There are no rules for carried forward leave.
- ii) No provision has been made for the retirement benefits payable to the employees since no employee has yet put in the qualifying period of service and the liability for the same will be provided when it becomes due.

e) Inventories

Inventories are valued at cost (using FIFO method) or net realizable value, whichever is lower.

f) Impairment of Assets:

The carrying amounts of assets are reviewed at the balance sheet date to determine whether there are any indications of impairment. If the carrying amount of the fixed assets exceeds the recoverable amount at the reporting, the carrying amount is reduced to the recoverable amount. The recoverable amount is the greater of the assets net selling price and value in use, the value in use determined by the present value estimated future cash flows. Here carrying amounts of fixed assets are equal to recoverable amounts.

g) Earnings per Share

i) Earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

ii) For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all diluted potential equity shares.

h) Provisions,

Contingent Liabilities and Contingent Assets Provisions are recognized when there is a present obligation as a result of past events and when a reliable estimate of the amount of the obligation can be made.

Contingent liability is disclosed for: i) Possible obligations which will be confirmed by future events not wholly within the control of the company, or ii) Present obligation arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized.

i) Accounting for Taxes on Income

i) Current tax is determined as the amount of tax payable in respect of taxable income for the year.

ii) Deferred Tax is recognized subject to the consideration of prudence on timing difference, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods and measured using relevant enacted tax rates.
