*For Bauji life always existed in full colours. Not only because he saw the brighter side of it but he had the conviction to fill vibrant colours in it. 'No matter how much risk, hard-work or energy it takes, the expedition will be a success if you make it one', he proved this through his 'stainless' conquest. From steel buckets to pipes to a fully integrated stainless steel unit, there has always been more to stainless steel that he explored. In this journey, he unravelled layers after layers to realise it completely; to make it an empire.*

*The stainless legacy, worth mentioning, has now been handed over to his people, to us, to explore it further and derive new meanings and new experiences from it; and the journey goes on...*

At Jindal Stainless (Hisar) Limited (JSHL) we are committed to doing business in a sustainable manner with a focus on the concept of 'Shared Value'. Our core approach towards addressing the social & development issues is to encourage all stakeholders to undertake sustainable interventions with the aim of achieving the overarching vision of the company, 'To be admired as a Socially Responsible Corporate.'

I am happy to note that JSHL, despite having many challenges, continues to serve the society at large and support the development agenda of the country by undertaking a number of community development projects in the vicinity of the plant location. I am sanguine with the effort directed towards projects on empowering women, because I continue to believe that empowering a woman is to empower a family and in turn empower a community. With the innovative projects around education and skill development, I feel extremely encouraged to see how communities over a short span of five to seven years have transformed their lives, which lend towards the indicator, improvement in the quality of life of the socially deprived community. I am also happy to note that through the Company's CSR initiatives, the women have moved towards financial literacy and now they have their own bank accounts, which is a good indicator of a robust and an effective community governance structure. The women self help groups, which have been created in the remote areas of Hisar, primarily because of their empowerment are now engaged in micro credit activities and are taking loans from large and small banks. The livelihood generation programs in the villages especially in projects linked to farmers and women SHGs seem very

rewarding and the small steps taken towards livelihood generation activities in supporting projects like poultry and goatery are very encouraging.

The steady growth of 'ASMITA' project by having given a voice to the rural women and showcase their prowess in entrepreneurial development is very impactful. Such case studies and stories need to be shared and replicated across geographies. This project, with a small number of women, has trained women in various technical processes from sourcing; product design and product development to marketing. Such processes are great indicators in explaining project outcomes. It is also rather encouraging to be informed that women have now opened their own boutiques and shops and make good business with the skill sets acquired.

Towards education and health care, JSHL is engaged with children out of schools and addressing their health-care through various programs. It is equally rewarding to note that mobile clinics visit villages everyday of the week, with a large number of people benefiting from these facilities. In addition, the specialized health camps conducted periodically are making a difference to the lives of people. I am also happy to note that camps are held for cancer detection and other health related innovative methods are being undertaken to address the issue of eradicating the problem.

JSHL has been engaged in creating integrated and sustainable models of growth and development and linking up hardcore business strategies with the community outreach work, thereby strengthening inclusivity. With the support of all stakeholders, I am sure that the vision of Mr. Ratan Jindal, Chairman JSHL, "To be admired as a socially responsible Corporation", will be achieved and demonstrated for others to emulate.

Chairman

### Dear Shareholders,

With immense delight I wish to inform you that this year has not only marked the beginning of Jindal Stainless (Hisar) Limited by listing on bourses, but it also bore witness to improved performance despite taxing business environment.

India has again emerged as one of the fastest growing economies of the world amid global economic stagnation. International Monetary Fund (IMF) and the World Bank have reiterated that India would be one of the brightest spots with a growth rate of 7.4% among emerging economies. A negative economic trend in Euro Zone has outweighed positive signals in US. In contrast, Indian economy showed resilience in the financial year 15-16 and growth stood at 7.6% highest among all BRICS economies.

The global stainless steel industry was impacted by the prevailing global economic scenario. The stainless steel industry has been facing hardship owing to oversupply and continuous fall in commodity prices. As a result, the year 2015 showed a decline of 0.3% YoY in global melt shop production. Oversupply from China continued to deluge the global markets.

However, you would be happy to note that your Company's standalone profit before depreciation,

interest, exceptional item and tax (EBIDTA) stood at ₹ 800.72 crore in FY 15-16 as against ₹ 712.89 crore in FY 14-15, showing a growth of 12.32%.

### Global Stainless Steel Scenario

The global stainless steel meltshop production as per the International Stainless Steel Forum (ISSF) for year 2015 saw a dip of 0.3% YoY to 41.5 MT from 41.7 MT in year 2014. Noticeably, the production increased in Asia by 1.4% whereas production in China stagnated. The Chinese economy grew at 6.9%, the lowest in 25 years. The weakness in global economy is also reflected on the demand side. CRU estimates that the consumption of cold-rolled flat products would increase by barely 1% in 2016 globally. Major quantum of the growth will come from matured markets in Western Europe and North America, as well as India. Declining Nickel prices contributed to a fall in the prices of Nickel bearing Stainless Steel. Nickel prices saw a decline of almost 32% since April 2015. Buyers were forced to reassess the inventory holding strategy and had to push back their buying decisions.

### Indian Stainless Steel Scenario

Domestic Stainless Steel production continues to grow steadily on back of demand from Architecture,

Building & Construction (ABC) and Automotive, Road & Transport (ART) segments. The total stainless steel melt production in India was 3.3 MT registering a growth of 1.4% as compared to last year. India continues to be the fourth largest producer and third largest consumer of stainless steel. The demand for industrial grade Stainless Steel products was reduced during FY 15-16 due to moderate Industrial activity which is likely to pick up this year on back of improved industrial production. Railways is likely to be one of the key sectors for the growth of stainless steel consumption in India. Indian Auto Sector is also expected to contribute to the stainless steel growth as Auto Majors expect a double digit growth with key players lining up their new production facilities. Infrastructure sector will also be a big propeller of stainless steel demand as the government plans to invest USD 7.34 billion for the development of 100 smart cities across the country. Other sectors including construction equipment, power etc. will also drive stainless steel usage in India.

Introduction of Quality Control Order this year will ensure the availability of quality products in the market and phase out substandard goods. Unwarranted imports from China and ASEAN countries continue to remain a challenge for domestic stainless steel industry. Highest ever imports of 5,32,033 MT flat products were registered in 2015-16. Imports from China increased by nearly 20% over last year and constituted over 50% of the total imports into India. While trade remedial measures in the form of Anti dumping Duties have been imposed, these have been largely ineffective due to circumvention. Countervailing duty investigation against imports from China is underway and industry expects a prompt remedial action. An increase in Basic Customs Duty on Finished goods and lowering of duties on inputs would provide a significant relief to the industry. We are proactively working with various sections of government to ensure level playing field for the domestic industry and also to increase the usage of stainless steel in India.

### Business Highlights (Standalone)

JSHL's (Standalone) gross revenue for the financial year ended on 31st March, 2016 stood at ₹7091 crore as against ₹8145 crore for the financial year ended on 31st March 2015. Profit before depreciation, interest, exceptional item and taxes (EBIDTA) stood at ₹800.72 crore as against ₹712.89 crore in FY 14-15. Net profit/ (loss) stood at ₹14.59 crore as compared to ₹12.32 crore of last year. The Company incurred Interest cost of ₹470.78 crore in comparison to

₹447.24 crore in FY 14-15 and Exceptional loss of ₹44.96 crore as against gain of ₹15.97 crore in FY 14-15. During the first quarter of the current year, the gross revenue, EBIDTA and Profit after Tax of the Company was ₹1497.09 Crore, ₹237.76 Crore and ₹49.43 Crore respectively.

### Way Forward

Stainless steel demand is primarily driven by Cold Rolled products and the average global consumption and production pattern is about 70 to 75 % in Cold Rolled category, while the balance is in Hot Rolled products form. Same ratio is applicable for Indian markets as well. Your company's Cold Rolled capacity is in the range of 40% and we are enhancing this capacity to about 50% of the Hot Rolled in the coming financial year. Our efforts are directed towards further capacity enhancement in order to match it with the domestic consumption patterns in the years to follow.

We are also investing in the Special Products category and Precision Strips division including capacity enhancement and technological upgradation to add new product range. We will continue our efforts for further value addition to our products and diversify our portfolio in newer segments like defence, space, shipping; other areas of consumer goods and the newly driven smart city concept.

Being committed to efficiency and product innovation through sustained R&D efforts, Jindal Stainless (Hisar) Limited is dedicatedly working towards making Stainless Steel the most popular amongst all the metals. Service levels are being raised through production planning and by increasing number of distribution centres in order to improve availability and reduce lead time. Sustained efforts are being made to promote the usage of stainless steel in newer and wide ranging applications through educative seminars and workshops across various segments. Your company is committed to support government's initiatives towards 'Swachh Bharat' by introducing Stainless Steel for health and hygiene, and also by contributing towards development of the country through 'Skill India' programme.

I remain confident that Jindal Stainless (Hisar) Limited with its excellent talent pool led by the most competent management team will take the company to new heights.

I would like to appreciate and acknowledge the efforts of all my employees, lenders, shareholders, customers and other stakeholders who have consistently supported us at all times. I look forward for your continuous support in future.

#### **Item No. 8**

Pursuant to Section 148 of the Companies Act 2013 read with Companies (Cost Records and Audit) Rules, 2014 as amended and Rule 14 of the

Companies (Audit and Auditors) Rules, 2014, the remuneration payable to Cost Auditors should be ratified by the shareholders of the Company. The Board of Directors, in its meeting held on 27th May, 2016, on the basis of recommendations of the Audit Committee appointed M/s Kabra & Associates, Cost Accountants, 552/1B, Arjun Street, Main Vishwas Road, Vishwas Nagar, Delhi – 110032, as Cost Auditors to conduct audit of cost records of the Company for the financial year 2016-17 in respect of business activities relating to Steel business and subject to ratification by shareholders, fixed their remuneration at Rs.1,30,000 (Rupees One Lakh Thirty Thousand only).

The Board recommends the resolution set out at Item No. 8 as an Ordinary Resolution to the shareholders for their approval.

None of the Directors, Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise in this resolution.

**Item No. 9**

The Company in the ordinary course of its business sells goods to Jindal Stainless Steelway Limited ("JSSL"), its subsidiary and Jindal Stainless Limited and also purchases goods from them, besides allocating common corporate expenditure.

JSSL is subsidiary of the Company and is a 'Related Party' of the Company within the meaning of Section 2(76)(viii) of the Companies Act, 2013 ("the Act") and JSL is 'Related Party' of the Company within the meaning of Section 2(76)(v) and 2(76)(viii)(A) of the Act. JSSL and JSL are also related parties as per provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("LODR").

The explanation to Regulation 23(1) of the LODR, provides that a transaction with a related party shall be considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds ten percent of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity. Further, Regulation 23(4) provides that all material related party transactions shall require approval of the shareholders through a resolution.

The contracts / arrangements / transactions relating to sale or purchase of products, goods, materials or services besides common corporate expenditure envisaged during the Financial year 2016-17 with JSSL and JSL are likely to exceed the thresholds prescribed under explanation to Regulation 23(1) of the LODR.

Approval of the Shareholders is therefore being sought in terms of explanation to Regulation 23(1) of the LODR. The Board recommends the resolution set out at Item No. 9 as an Ordinary Resolution to the shareholders for their approval.

None of the Directors, Key Managerial Personnel or their relatives, except Mr. Ratan Jindal, who is also Director of Jindal Stainless Limited and Maj. Gen. Kanwaljit Singh Thind, VSM (Retd.), who is also Director of Jindal Stainless Steelway Limited, are in any way, concerned or interested, financially or otherwise, in this resolution.

**Item No.10**

Jindal Stainless Limited (JSL), an Associate Company, had availed External Commercial Borrowings (ECBs) of USD 200 million in terms of Facilities Agreement dated 16<sup>th</sup> August, 2007 entered into amongst Jindal Stainless Limited, as Borrower, Axis Bank Limited, Hong Kong Branch, as Agent of the Lenders and the Financial Institutions named therein as Lenders, as amended and restated from time to time. The above said ECBs were availed by JSL before demerger of the Ferro Alloys Division and Mining Division and slump sale of manufacturing facilities and vesting

of the same with Jindal Stainless (Hisar) Limited (JSHL), pursuant to the Composite Scheme of Arrangement which became part effective from 1<sup>st</sup> November, 2015 post filing of the High Court order with the office of Registrar of Companies, NCT of Delhi & Haryana.

Since the assets of the Ferro Alloys Division, Mining Division and the Hisar manufacturing facilities were also part of the security for securing the above ECBs, few ECB lenders did object to the Scheme of Arrangement in the meeting of the Secured Creditors held on 16<sup>th</sup> May, 2015 pursuant to the High Court order. The matter was later discussed with the ECB lenders, who asked JSL to arrange to a Corporate Guarantee from JSHL to secure the ECBs. After prolonged discussions, it was agreed by JSL to arrange for the Corporate Guarantee from JSHL and accordingly, JSL approached the Company to extend the required guarantee.

Since the aforesaid guarantee would be given by the Company to secure the ECBs availed by JSL, in which the Company holds more than 20% equity, it will be covered under related party transactions.

The Audit Committee of Directors in its meeting held on 12<sup>th</sup> August, 2016 approved the aforesaid guarantee, in terms of the provisions of Section 177 of the Companies Act, 2013.

The Board of Directors of the Company recommends passing of the resolution as set out at Item No.10 relating to creation of security in the notice as an Ordinary Resolution.

The disclosures prescribed under Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014 in respect of the Resolution proposed at Item No. 10 are as follows:

- a) Name of the related party: Jindal Stainless Limited;
- b) Nature of relationship: Jindal Stainless Limited is a public limited company in which a director of JSL, is a director and holds more than 2% of its paid up share capital. Further, the Company holds more than 20% shareholding of Jindal Stainless Limited and therefore, it is an Associate Company of Jindal Stainless (Hisar) Limited
- c) Nature, duration and particulars of the contract: The Company is to give guarantee to Axis Bank Limited, Hong Kong Branch, acting as Agent of the Lenders of Jindal Stainless Limited;
- d) The material terms of the contract including the value, if any: As defined in the Guarantee Agreement.
- e) Any advance received for the contract, if any: Not applicable
- f) The manner of determining the pricing and other commercial terms, both included as part of contract and not considered as part of contract: Not applicable as the transaction involved guarantee with no consideration.
- g) Whether all factors relevant to the contract have been considered, if not, the details of factors not considered with the rationale for not considering those factors: All factors relevant to the Guarantee Agreement have been considered.
- h) Any other relevant information for the Board to take a decision on the proposed transaction: NIL

Mr. Ratan Jindal, Chairman, Mr. Abhyuday Jindal, Vice Chairman and Mrs. Deepika Jindal, Director and their relatives being part of promoter/promoter group are concerned or interested in the above referred resolution to the extent of their shareholding in the Company.

None of the other Directors or Key Managerial Personnel of the Company or their relatives is in any way concerned or interested, financially or otherwise, in the above referred resolution except to the extent of their individual shareholding in the Company.

### Financial Highlights

During financial year ended 31<sup>st</sup> March 2016, the Gross Revenue from operations of your Company on standalone basis was Rs.7,091 Crore as compared to Rs.8,145 Crore during previous financial year 2014-15. Total Income from Operations (net) for the financial year ended 31<sup>st</sup> March, 2016 is Rs.6,417 Crore. EBIDTA for the financial year ended 31<sup>st</sup> March 2016 stood at Rs.801 Crore.

Further, during financial year ended 31<sup>st</sup> March 2016, consolidated total Income from Operations (net) and EBIDTA stood at Rs.7,287 Crore and Rs.858 Crore respectively. The consolidated Profit after Tax stood at Rs.28 Crore as compared to the loss of Rs.6 Crore during the previous financial year.

Despite reduction in the production and sales volume, the Company is able to achieve substantial improvement in the EBIDTA margins. EBIDTA % margin has increased to 12.32% in financial year 2015-16. Improvement in EBIDTA margin was on account of the various steps taken up by the Company including the change in the product mix by increasing volume of high margin products. In addition to this, Profit after Tax has improved by 25% with reported profit of Rs.15 Crore in FY 2015-16 as against Rs.12 Crore in FY 2014-15.

Indian Stainless steel industry continues to suffer from surge in imports forcing capacities to remain idle. Import prices are significantly lower than domestic prices, especially from countries like China and Korea. Measures such as Anti Dumping have failed to guard the domestic industry from unwarranted imports because of wide spread circumvention of anti-dumping duties. We anticipate Stainless steel demand to grow steadily in tune with the GDP growth, however, infrastructure spending would be instrumental to drive stainless steel demand in coming time.

## Operations

Your Company has been able to sustain its performance in financial year 2015-16 despite the adverse global position of stainless steel industry. Your Company has sold 6,22,682 MT stainless steel products during the financial year 2015 -16. There was a reduction in sales in comparison to previous year, however, the focus to increase the share in value added products and cost reduction initiatives resulted in higher EBITDA margins.

Your Company continued to focus on value added products and successfully stabilised its productions for wider plates, bright bars & rounds etc. During past one year, your Company has focused on to develop and produce various new and special steel grades, majority import substitutes, to meet country's requirements in Defence and Strategic sectors. Your Company is quite hopeful to increase its shares in these critical sectors with help of Govt. new schemes like "Make in India". During the year also the Company was awarded with various awards on account of excellent performance in manufacturing sector. The National "PAR EXCELLENCE AWARD" was given to your Company in Quality circle front by NCQC(National Convention on Quality Circles). The Company is very much focussed on its systems and processes and improving it to further level every year. During the year FICCI has also awarded your Company "QUALITY SYSTEMS EXCELLENCE AWARD FOR MANUFACTURING FOR 2015". Your Company has acclaimed COMMENDATION CERTIFICATE" for its continuous energy saving initiatives.

## Vizag Division:

The Vizag Plant produces High Carbon Ferro Chrome (HCFC) with annual capacity of 40,000 tons per annum. Vizag Unit uses Chrome Ore supplied from captive Sukinda Mines and transfers the output to Hisar Plant. Due to low demand of High Carbon Ferro Chrome the Vizag Unit operated one furnace of 16MVA capacity out of 2 Nos. furnaces during the F.Y.2015-16. The Vizag Unit run the plant till September 12, 2015 and shut down the plant's all operation w.e.f. September 13, 2015 onwards due to workers problem. The Unit could produce 9,974 tons of HCFC during the year 2015-16 due to shut down of operation as compared to 28,587 tons during the last year 2014-15.

Further the Vizag Division could despatch 11,825 ton of HCFC to Hisar plant during the year 2015-16 as compared to 28,646 ton during 2014-15.

**CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO PURSUANT TO PROVISIONS OF SECTION 134 OF THE COMPANIES ACT , 2013 READ WITH THE COMPANIES (ACCOUNTS) RULES, 2014.**
**(A) CONSERVATION OF ENERGY**
**(a) The steps taken or impact on conservation of energy**

- Preheating Furnace in Annealing and pickling lines tuned to use of dual fuel, to optimize fuel consumption in various grades.
- Running of DG Sets on FO Fuel to optimize power cost.
- Further optimization of compressed air use and redesign of pipe line for the same.
- Optimization of rolling companion in hot Steckle mill & cold rolling mills to reduce energy consumption.
- Procurement of Energy efficient LED lights to replace conventional lights.
- Optimization of Water pumps.

**(b) The steps taken by the Company for utilising alternate sources of energy**

- Modification in preheating furnace burner system to switch the same on cheaper fuel for some of the steel grades.
- Solar Energy plant to be installed in steps, to cater emergency supply.

**(c) The capital investment on energy conservation equipments**

- Invest in modification of dual fuel burner at AP2 and AP1 line was Rs 95 Lakh.
- Investment of Rs.2.5 Lakh in pump optimization.

**(B) TECHNOLOGY ABSORPTION**
**(i) The efforts made towards technology absorption; and the benefits derived like product improvement, cost reduction, product development or import substitution**
**Development of new products to diversify product mix:**
**1) Wider Width Plates (Width>1600mm)**

There is an increased demand of wider width plates among Atomic energy sector, pipe manufacturing, chemical & process industries to avoid the number of weld joints in the end products thus minimizing the cost, improving safety of the product. The Indian markets of such products have been matured and demand is growing stronger day by day in stainless steel as well. To cater this demand the Company has developed wider plates in association with Jindal Steel & Power Limited (JSPL). The basic casting has done in Jindal Stainless Limited (JSL), Jajpur followed by rolling, annealing at JSPL Angul and rest of the processes like pickling, passivation , ultrasonic testing, other testings & dispatch from JSHL, Hisar.

**2) Alloy Steel (Grade 15CDV6)**

Alloy 15CDV6 is a chromium-molybdenum-vanadium heat treatable steel which combines outstanding yield strength with good toughness & weldability. It can be readily welded with very little loss of properties during welding without the further need of heat treatment. This alloy finds many applications in the aerospace & motor sports industries.

The Company has developed this grade with low inclusions level & stringent requirements of ultrasonic soundness for defence sector.

**Benefits derived:**

- Enhancement in cold rollability of X2CrNi12/ EN 1.4003 grade by modification in annealing cycle.
- Reduction in grinding loss in ferritic grades
- Rolling of slabs in warm condition in As-cast condition to reduce the cost of fuel as well as improvement in material yield by elimination of slab grinding.

**Development of customized & value added products:**

- Improvement of surface luster in Grade 430 with introduction of 2BB – Extra Bright finish for Washing Machine Drum application.
- Replacement & Stabilization of Grade 441-2B finish for Submersible Pump towards cost benefit.
- Development of Grade 304 - Hardened finish for Submersible Pump & Grade 430-2B finish for Bus Body application to get rid of dependency from import.
- Stabilization of grade EN1.4116-2B at Kangaroo for Knife & Scissors for domestic manufacturer for better quality & durability.
- Development of Grade JT through BA route for Pipe & Tube segment, a big leap to avoid much hazardous metal polishing activity.
- Development of pattern finishes like Box Finish, Lenin etc towards better society in Building & Construction business & Approval of various tempers of Grade 301L by Alstom for Metro application with much important Indigenization.

**Benefits derived:**

- Improvement of hardness of 430Mint for better blanking quality & cost reduction.
- Quality improvement of for critical grades for Auto applications.
- Served grade 304/L with lower hardness to USA market offering better customized solution.
- Improvement in productivity of 300Series & 409L in HRAP stage towards cost reduction.
- Quality Improvement of Grade IRSM44-97 for Railways.

**(ii) in case of imported technology (imported during the last three years reckoned from the beginning of the financial year)**

- Laser Welding Machine from T.H.E. of Switzerland installed in SPD. This ensures Globally First for supplying Laser weld buildup Coils for double edge razor blades. Our Coil Wt increased to 120kgs up from 80 kgs ensuring higher productivity and seamless operations during Razor Blade Mfg.
- We have commissioned an Imported Slitting Line for CR Products. This has enabled us to tap ever growing SS CRAP market. This also means our Customers getting customised slits as per their specific needs.
- The Company is in process of installation of Horizontal BA Lines to provide SS CR Coils for Utensils mfg. The process is cost effective and environmental friendly as it eliminates pickling process employed for conventional SS CRAP products.

### Global Economic Outlook

According to International Monetary Fund's latest report on World's Economic Outlook in April 2016, the global growth is estimated at 3.2% in 2016. The recovery is projected to strengthen in 2017 and beyond, driven by emerging markets and developing economies as conditions in distressed economies start to normalize. While growth in emerging market and developing economies still accounts for the major share of projected world growth in 2016, but the prospects across countries remain uneven. Growth in China and India has been broadly in line with projections and in 2016 growth is projected at 6.5% and 7.5% respectively. Advanced economies are projected to have modest growth, in line with 2015 outcomes. Growth in US is estimated at 2.4% which was in line with 2015 while in the euro area the growth is projected at 1.5%. However an update on World Economic Outlook released in July 2016, post outcome of the U.K. vote, which surprised global financial markets and with "Brexit" still very much unfolding, the baseline global growth forecast has been revised down modestly relative to the April 2016 WEO (by 0.1 percentage points for 2016)

### Indian Economy

The International Monetary Fund projects India's growth at 7.5% for FY2017. In the IMF's recent surveys of the World economy, advanced and emerging countries alike have seen their prospects downgraded thanks to aging populations, large piles of debt and productivity enhancements that have reached a saturation point. However, the state of affairs of Indian Economy are better placed. Numerous policy measures by the Government of India coupled with the decline in commodity prices especially oil prices have enabled India to become one of the fastest-growing large economies in the world. Consumption growth remains strong and will continue to be the key driver of economic growth in the near term (given the tailwinds from a normal monsoon this year, pay commission awards and lower interest rates). India's growth, even though it is below normal, remains in a recovery mode and significantly higher than peers. Although the global environment remains challenging and fraught with event risks.

### Global Stainless Steel scenario

As per, the International Stainless Steel Forum (ISSF) Stainless Steel melt shop production for Year 2015 has decreased by 0.3% YOY to 41.5 million tons. Production has increased in Asia (w/o China) by 1.4% and there is a marginal decrease in China's production by 0.6%, as compared to last year same period.

As per CRU, consumption of cold-rolled flat products will increase globally by less than 1% in 2016. The bulk of this growth will be accounted for, by increases in 'matured' markets in Western Europe and North America, as well as India. Chinese apparent demand will act as a drag on the rate of global growth in 2016 due to country's prolonged process of downstream inventory correction continues.

Global Stainless Steel Market in FY 2015-16 has been in tremendous pressure with Ni falling continuously from 12,800 USD/MT (Apr'15) to 8,700 USD/MT (Mar'16) i.e. 32% reduction. This has led to the fall of Ni bearing Stainless Steel (304SS) prices on regular basis. Stainless Steel buyers were forced to review their inventory holding strategy and

some of them kept postponing their buying decision. In the USA & Western Europe overhanging stocks built up in 2014, due to nickel price surge, adversely effected demand growth in 2015. As a result, demand was supplied from inventory rather than new production and apparent demand for cold-rolled flat products fell by around 7% and 3% in the USA and Western Europe, respectively.

In February 2016, US Stainless Steel producers collectively have filed antidumping and countervailing duty petitions against Chinese importers. The petition has been filed with a view from China and form a basis for a more level playing field in the US.

### Indian Stainless Steel Scenario

Total stainless steel production in India was 3.1 million tonnes and registered a growth of 1.4% as compared to last year. India continues to be the fourth largest producer and third largest consumer of stainless steel. Though industrial activity continued to be moderate- thereby limiting demand for Industrial grade Stainless Steel products like Plates- during FY 15-16, the same is showing signs of picking up in FY 16-17. The growth in Stainless Steel demand continues to be increasing in segments like Architecture, Building & Construction (ABC) and Automotive, Road & Transport (ART).

With the drive to convert all fresh Coaches production in Stainless Steel (SS), initiatives like fitting SS toilets in Coaches with retention tanks, Railways emerges as one of the key sectors for growth of Stainless Steel Consumption in India.

As per SIAM's Automotive Mission Plan 2016-2026, Automobile Industry in value terms is expected to grow around 4 times, from current Rs. 72 Billion to about Rs. 300 Billion, which is 15% CAGR for next 10 Years. In FY 16-17, the Indian Auto sector is expected to grow in double digits. Major Auto players are commissioning new production facilities and increasing exports from their India Plants.

Due to safety norms for 2-wheeler from Apr'17 onwards, the SS Usage will increase due to usage in disk brake for motorcycle with 125CC and above. Similarly, BS IV which is expected to be launched on all India basis from Apr'17 will further increase the SS usage.

As per IBEF, Infrastructure sector which includes power, bridges, dams, roads and urban infrastructure is a key driver for the Indian economy. The Government of India has earmarked USD 7.34 billion for development of 100 smart cities across the country and has released the list of 98 cities. Airports Authority of India (AAI) have planned city-side infrastructure at 13 regional airports across India, with help from private players for building of hotels, car parking and other facilities. The Indian construction equipment industry which is reviving after a gap of four years is expected to grow to US\$ 5 billion by FY2019-20 from current size of US\$ 2.8 billion. The Indian power sector itself has an investment potential of US\$ 250 billion in the next 4-5 years. With about US\$ 24.18 billion FDI in construction development sector 2000 to 2015 there is huge potential for Stainless Steel industry.

### Way Forward

Jindal Stainless (Hisar) Limited has increased efforts in making Stainless Steel popular amongst both B2C & B2B segments. While end user is being made aware of the various benefits of Stainless Steel as compared

to other materials; manufacturers and fabricators are being provided training to make many more products with a better quality.

### **Domestic Market**

Sales in Domestic Segment posted impressive QoQ growth trends. The overall growth of 16% was registered in FY 15-16 as compared to FY 14-15 with Cold Rolled products accounting for major portion of the volume growth. Service levels are being increased through inventory management, process planning and improved internal processes. New distribution centers are being opened to increase availability and reduce lead times. Customers are divided into different segments including Railways, Auto, Nuclear, Mint, Pipe & Tubes etc to bring further focus in sales at small segment levels and to find out business trends to address the concerns of individual segments. Further efforts are being made to promote the usage of stainless steel via educative seminars and workshops across various segments.

### **Export Market**

Due to continuous fall in Nickel prices and sale prices being under pressure, JSHL focused on low Nickel bearing grades, whose prices were not much impacted by prices of Nickel. The Bright Annealing (BA) and Polishing facilities for 400 series were utilized to create a strong market for BA finish and No.4 finish material in export markets. For FY16-17 there is a strong focus towards further strengthening 400 series market.

The emphasis is also laid on increasing the share of Value Added Products and sale of thinner gauge material within the Export portfolio. The focus is also on approvals from OEM's, Oil & Gas companies and strengthening of business relations with long term contracts with key customers.

The ongoing initiatives like commercial discipline on credit checks, documentation, delegation of authority implementation have fortified the internal processes. Further, sales focus is on expanding distribution channels, providing on time delivery with reduced lead time and on working capital management by reduction in inventory and receivables.

### **Business Highlights (Standalone)**

A Composite Scheme of Arrangement (here-in-after referred to as the 'Scheme') amongst Jindal Stainless Limited (JSL) and its three wholly owned subsidiaries namely Jindal Stainless (Hisar) Limited (JSHL/the Company), Jindal United Steel Limited (JUSL) and Jindal Coke Limited (JCL) under the provisions of Section 391-394 of the Companies Act, 1956 and other applicable provisions of the Companies Act, 1956 and / or Companies Act, 2013 has been sanctioned by the Hon'ble High Court of Punjab & Haryana, Chandigarh (High Court) pursuant to its order dated 21st September 2015 (as modified on 12th October, 2015 by the High Court). Section I and Section II of the Scheme became effective on 1st November, 2015, operative from the 'Appointed Date 1' specified in the Scheme for Section I and II i.e. close of business hours before midnight of March 31, 2014' Pursuant to the Section I and Section II of the Scheme becoming effective, the Demerged Undertakings (comprising of FA Division and Mining Division) and the Business Undertaking 1 (comprising of Hisar Unit including investments in the domestic subsidiaries as

listed in Part B of Schedule 2 of the Scheme) has been transferred to and vested in JSHL with effect from the Appointed Date 1 i.e. close of business hours before midnight of March 31, 2014; accordingly the same has been given effect to in the financial statements (Post Scheme) for the year ended 31st March 2015 JSHL's (Standalone) gross revenue for the financial year ended 31st March, 2016 at Rs 7091 crore as against Rs 8145 crore for the financial year ended 31st March 2015. Profit before depreciation, interest, exceptional item and taxes stood at Rs. 800.73 crore as against Rs. 712.88 crore in FY 14-15. Net profit/ (loss) stood at Rs. 14.59 crore as compared to Rs. 12.32 crore in FY 14-15. The Company incurred Interest cost of Rs. 470.78 crore in comparison to Rs. 447.24 crore in FY 14-15 and Exceptional loss of Rs 44.96 crore as against gain of Rs 15.96 crore in FY 14-15.

### **Integrated management system**

#### **Quality Management System (ISO 9001)**

In today's scenario, where the customer demands nothing less than excellence, successful companies are driven to deliver quality - from the way they operate, to the customer service standards they establish and the products they deliver. This is a strategic vision to improve brand equity and image and ensure that the organizations are better equipped to win new opportunities in an increasingly competitive global marketplace. To gain this competitive edge, JSHL has adopted the Internationally recognized quality management system (ISO 9001) that not only ensures that the customer's requirements are fulfilled across each stage of processing but also aids the organization to compete globally both in product and process quality. The processes and products at JSHL undergo strict internal and third party audits at regular intervals by a team of competent personnel that ensure the requirements are thoroughly and regularly followed. The results range from improved consistency in operations to improved customer satisfaction to international recognition and improved revenue & business from new customers, to name a few.

#### **Environmental Management System (ISO 14001)**

The advent of globalization in the last two decades has led to rapid industrialization across the globe. But this fast development has taken a toll on the environment that has degraded at a pace never seen before. There are many ways for corporations and businesses to show the public that they are environmentally conscious, and doing everything they can to make sustainability a major part of their practice. For the past one decade, JSHL has been very particular about sustainability and going green by following a number of initiatives and ISO 14001 certification is one of them. ISO 14001 certification encourages JSHL to put an Environmental Management System (EMS) in place to identify impacts and adopt policies, plans and actions to drive continuous improvement pertaining to environment friendly work practices. Being ISO 14001 compliant serves the dual purpose of ensuring that processes are functioning in an environmentally friendly manner and at the same time it also ensures that new processes are designed in such a way as to cause minimum environment degradation, thus making JSHL a better corporate citizen, having reduced wastes, proper utilization of resources and improved carbon footprint as well.

#### **Occupation Health and Safety Management System (OHSAS 18001)**

Any organization is as healthy as the workforce running it. Employees can remain motivated if they feel safe and happy at their workplace. Workplace safety is important for the very reason of improved productivity. It is only when the employees feel safe at work that they can invest the fullest of their capacities and exploits the best of their potentials to work. In this direction, JSHL has obtained OHSAS 18001 certification, which is internationally accepted as a method of assessing and auditing occupational health and safety management systems. By having a clearly defined management system in place to identify and control health and safety risks, JSHL is able to minimize risks to its workforce and visitors or external contractors at its premises. Cost savings and a reduction in accidents are just two of the many benefits accrued. Adoption of OHSAS 18001 provides JSHL with a host of benefits to customers and gives a competitive advantage by minimizing the risks of production delays, providing a safe environment to do business, ability to meet the legal requirements and help to improve staff moral by making the workplace a safer environment to work in.

Besides being an Integrated Management System (ISO 9001, ISO 14001 & OHSAS 18001) organization, the products of JSHL are also certified for Pressure Equipment Directive (PED-97/23/EC) and AD 2000 W0 and for Construction Product Regulation (0045-CPD-0896) for using "CE" marking. These certifications demonstrate the capability of our product to meet the stringent requirements of the European Union for Pressurized Vessel applications like boilers, pressure vessels, valves etc. and for being used in Architecture, Building and Construction (ABC) Sector.

Another feather in JSHL's crown is the NABL accreditation for the Chemical Labs. NABL accreditation demonstrates JSHL's technical competence in the field of chemical testing, raises customer confidence in the test results issued by the laboratory with universal acceptability in the open market which provides greater access for their products, in both domestic and international markets.

### **Environment, Health & Safety**

At every stage of operations, JSHL strives for sustainable excellence through value creation for all stakeholders and an emphasis on Environment, Health & Safety. Our prime concern is to ensure that business is carried out with the least harm to the environment in which it operates and this has led to several initiatives to an environmentally friendly business operation. The JSHL has setup norms beyond the statutory requirements and has put up in place the systems and process to continuously monitor the effectiveness of such initiatives.

#### **Environment**

In its pursuit of sustaining and green environment alongside its business development, JSHL has established and implemented Environmental Management System (EMS) as per ISO 14001:2004

The strategic focus areas to improve and enhance our resource efficiency include:

- Adopting 3R philosophy of Reduce, Reuse and Recycle
- Mitigation of climate change through process optimization, energy conservation, efficiency enhancement and R&D
- Reduction of overall environmental footprint

JSHL has made substantial capital investments to ensure proper treatment of generated effluents to meet all relevant regulatory requirements. JSHL ensures that environmental objectives are

established at relevant functions and levels within the production centers. When establishing & reviewing its objectives, JSHL considers its legal & other requirements, its significant environmental aspects and commitment to prevention of pollution. The progress on these objectives is monitored in several forums that are directly looked after by the Top Management, thus ensuring a continual improvement in the overall Environmental Performance

JSHL is fully compliant with various environmental protection and health and safety laws and regulations. In its constant endeavor to be fully compliant with all regulatory standards, JSHL has instituted a compliance management system, which ensures that unit is in full compliance to all applicable legal requirements.

To be in harmony with nature, JSHL continues its efforts such as tree plantation, maintenance of green belts and gardens in and around our manufacturing, vermi-compost of waste and its use as manure, recycling of treated water in cooling water system and in horticulture activities, etc to maintain its Zero Discharge. Following are the salient features

1. Continuous Monitoring of Water and Waste Water, Ambient Air Quality, Stack Gas, Noise, Shop Floor & Lux Level & other parameters
2. Waste Water Treatment Facility & its recycling
3. Air Pollution Control Systems
4. Environmental Awareness & Training Programs

#### **Health**

JSHL has a strong commitment towards creating and providing a safe working environment for all its employees and other stakeholders. Unit has setup a well equipped OHC (Occupational Health Centers) at the plant itself to meet the requirements of proper occupational health of employees. The OHC are fully equipped to provide basic diagnostic and therapeutic treatment and are manned by qualified occupational health specialists.

JSHL is managing a state of art hospital which caters to the complete requirement of health needs of employees and their family members and also to the larger community of Hisar and its adjoining areas.

The JSHL also offers a Medclaim policy that provides for healthcare expenses and other benefits to employees and their family members. Following are the salient features

1. Health check-up of every employees
2. Free Vaccination scheme for employees children
3. Welfare amenities like water cooler, clean Toilets inside plant premises
4. Sports activities for good health
5. Providing Healthy and Hygienic food in the canteen
6. Cold, sweet and salted water in the summer

#### **Safety**

Safety is the top most priority across the JSHL and we aspire to set the benchmark on this front within our unit. JSHL is committed to ensuring zero harm to its employees, contractors and the communities in which it operates. This is integral to the business process and is laid down in the health and safety (H&S) policies, standards and working procedures.

We focus on the areas of Behavioral Safety, Process Safety, Ergonomic and General Safety. Focused campaigns have been carried out in the areas of Gas Safety, Material Handling, Emergency Management Plan

and Road Safety. We evaluate potentially hazardous conditions, unsafe acts and coordinate the implementation of solutions to reduce work-related injuries and illnesses. In partnership with other departments and management, EHS develops, monitors, and updates policies, programs, and procedures mandated by various regulatory agencies and statutory agencies.

JSHL continues to pursue world class operational excellence through the HSE Management System initiatives and its manufacturing divisions at Hisar undertook a rigorous self-assessment of operational discipline and they have implemented improvement measures with total employee involvement. Provision of appropriate protective equipments and gears to all the employees is being strictly monitored to ensure their safety. The Safety, Health and Environment Committees have been established across different functions to ensure Safe and Environmental working atmosphere inside the plant.

JSHL's central HSE audit program is a critical component of the HSE governance process, which has been specifically designed to ensure that stakeholder expectations, HSE Policy and HSE Management Standards are being effectively implemented across the plant.

### Quality

Developments in Testing, Certifications & Approvals:

Being the largest SS supplier of state it has been our utmost necessity to get ourselves graduated for the Indian SS standard. Towards the objective this was our proud achievement to get ourselves approved with BIS License for IS6911 & IS 5222 specification for manufacturing of stainless steel. This will boost the brand image to identify our organization as an integral state body thereby increasing customer satisfaction and confidence in us.

The Chemical Analysis Laboratories of Jindal Stainless Limited, Hisar has been conferred NABL (National Accreditation Board for Testing and Calibration Laboratories) accreditation. This accreditation confirms that Testing procedures adopted by our Chemical Labs is authentic and is based on recognized procedures laid by International or National Standards such as ASTM, EN, BIS etc.

With expanding business and keeping in pace with JIT requirements of our various customers now Product Certification has been extended to the various Stock Yards across various parts of India. This will on one hand help towards a better timely dispatches and providing more customized solution to customer.

For better versatility of our Product, our customers had been pursuing us since long to validate wider range of products against CPR/89/106/EEC regulation for Building Construction Applications. This is almost on the verge of receiving approval from European Authority. This will certainly increase flexibility in our downstream distributors and presence in export market thereby generating more revenue for India inc.

### Market Development:

Being one of the largest domestic stainless steel manufacturers, JSHL had always appreciated the single most responsibility to cater and cover entire domestic market segment seamlessly. Incessant efforts are being put forth for developing stainless steel base for products intended for defense, space, shipping, submarines and other areas of consumer goods, building and the newly driven smart city concept.

Significant development has been made for supplying Stainless Steel material for majors in Lifts & Elevators and White Goods Manufacturers apart from the critical products in defense & shipping segments.

Customer Support Systems:

For a speedier resolution of problems, complaint resolution and for providing faster Technical Support to the Customers the technical persons with QA background are posted at Gurgaon, Mumbai, Vadodara & Chennai. They are under continual training for faster & effective resolution of customer's glitches.

In our SAP system Window for Complaint closure as per the Customer satisfaction is created. This is to ensure the Customer grievance has been closed as per their satisfaction. Our Marketing Key account Managers (KAMs) are closing this after discussing with Customers, besides, constant review & modification of internal norms of customer handling has been made a part of the system.

Frequent visits to customers by apex management have been initiated to understand customer requirements & feedbacks. This has provided excellent results in terms of customer-supplier relationship & bonding.

### Research & Development

During the financial year 2015-16, JSHL has exhibited special attention on customer satisfaction and development of new value added stainless steel grades which are best suited to meet customer requirements. Simultaneously several measures were undertaken to reduce cost at different production lines.

The wide spectrum of products from JSL encompasses lean austenitic to super-austenitic, lean duplex to super-duplex, low cost ferritic to high chromium ferritic, stabilized austenitic to stabilized ferritic and lean martensitic to highly alloyed martensitic grades. These products cover widespread requirements of customers seeking materials which are lustrous, resistant to corrosion, withstand high as well as cryogenic temperatures with excellent toughness, drawability and weldability.

### Specific areas in which company carried out research work:

#### Development of New Products:

- Development of low alloy grade 15CDV6 for defense applications.
- Development of Super-duplex ring using UNS S32750 grade for defense applications, first time in India.
- Development of lean duplex UNS S32101 with high surface roughness for specific application.
- Development of EN 1.4539 grade for precision tube (0.15 mm thickness) application
- Development of lean duplex 32304 grade in CRAP finish.
- Development of 432 grade for automotive exhaust application.
- Development of 204Cu-M grade for white good application
- Development of EN 1.4828 for flexible hose (0.15 mm thickness) application
- Development of 216L grade for precision strip application as a cost effective alternative to 316L.

#### Process Improvement:

- Elimination of quality problem in X2CrNi12 grade by modifications of annealing parameters

- Improvement in surface luster of low Ni grades being manufactured for cutlery application.
- Improvement in yield of electrode quality grades through process optimization

**Cost Reduction:**

- Warm charging of slabs of different grades at WBF to reduce fuel consumption
- Modification in grinding practice of martensitic grades leading to cost saving.

**Benefits derived:**

- More value added products in JSHL basket
- Improvement in product quality for customized applications
- Increase in supply to auto manufacturers for customized applications.
- Cost reduction through different initiatives

**Future plan of action:**

- Development of more value added and customized products
- Input cost reduction by optimizing addition of fluxes, deoxidisers and scraps.
- Improvement in yield of different grades at various production lines.

**Awards & Accolades**

1. "CCQC (Chapter Convention on Quality Circles) 2015 (Delhi Chapter, Faridabad)"  
"Gold Award" won by Quality Circle Teams
2. "NCQC (National Convention on Quality Circles) 2015, Chennai"  
"PAR EXCELLENCE" Award won by Quality Circle Teams
3. "FICCI Quality System Excellence Award 2015"  
"Certificate of Appreciation"
4. "National Energy Conservation Award 2015"  
"Commendation Certificate"

**Company CSR Vision:**

Aligned to its vision, "To be admired as a Socially Responsible Corporate and a Sustained Value Creator for all its Stakeholders", the company has been initiating a wide range of social development programmes through JSL Foundation with the aim of empowering communities and bringing succor to their woes. In addition, efforts are being made to get the employees sensitized on social issues and get them engaged in community work through volunteering programmes. This has given all stakeholders i.e. the employees; the community and others in the supply chain an opportunity to get connected with each other especially in the immediate operational space. Jindal Stainless (Hisar) Limited has established links with various National/International CSR initiatives and stressed upon participatory approach of programme development and design.

**'Enabling Success through our Employees'-Jindal Stainless (Hisar) Limited**

Times are changing and becoming ever more challenging and demanding. In this complex and rapidly changing business dynamics, talented & committed workforce is one of the key tools to make a difference in the present competitive scenario. In view of the same, JSHL builds a platform

of countless opportunities that offers individual growth, open culture, and freedom to showcase Creativity & Innovation. In the FY 2015-16, various HR initiatives were rolled out which encompasses digitization of HR processes, enhancing employee knowledge and creating avenues for sustaining the critical talent pool and outstanding performers.

For meeting the business requirements, Talent Acquisition drive of Hisar Unit continues. Total no. of 67 employees were recruited during the year including 15 GETs (Graduate Engineer Trainees) from the premier engineering colleges. JSHL recognizes that the key success to business is to maintain a vibrant workforce and leverage its collective intelligence effectively. The employee strength of JSHL stood at 2324 as on 31st March 2016.

Enhancing leadership potential and talent sustainability has always been on priority at JSHL which is reflected through various Training & Development initiatives rolled out throughout the year and overall training man days stood at 7025.

There are number of Training programs that are conducted with the objective of developing our employees such as:

- (1) Accelerated Capability Enhancement (ACE) – for senior management team for strategic and leadership role.
- (2) Train the Trainers
- (3) EHSMS Internal Auditor Course
- (4) IT & Computer Proficiency
- (5) Wellness Programs etc.

These training programs are about Career Development, Building Organisation Capability & Performance Management.

As part of our continuous endeavor to simplify and automate the HR Process & systems, SARATHI – "Systematic Advancement of Resources by Application based Technical & HR Interface" has been introduced. It is the digitalization of HR Systems. It has been introduced to enable complete and holistic development of the employees. It is an in-house HR portal developed by JSHL IT & HR Team. Initially, it was introduced as a training portal which will support the developmental plans for all employees. But now in association with our IT Function, next stage of automation has been introduced i.e. online PMS process for executive and below. It has made complete PMS process (executive & below) simple, seamless and user friendly. Being an in-house developed platform, SARATHI, keeps upgrading its features by adding new processes.

JSHL's effort to bring in a working environment where women employees are provided with equal opportunities, International Women's Day was celebrated at Hisar unit followed by specialized sessions on Women Empowerment.

**Cautionary Statement**

The Management Discussion and Analysis describe the Company's projections, expectations or predictions and are forward looking statements within the meaning of applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand and supply and price conditions in domestic and international market, changes in Government regulations, tax regimes, economic developments and other related and incidental factors.

**To The Members of Jindal Stainless (Hisar) Limited  
Report on the Standalone Financial Statements**

We have audited the accompanying standalone financial statements of JINDAL STAINLESS (HISAR) LIMITED ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information in which are incorporated the RETURN for the year ended on that date audited by the branch auditor of the Company's branch at Kothavalasa in Vizianagaram district, Andhra Pradesh.

**Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

**Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and its cash flows for the year ended on that date.

**Emphasis of Matters:**

We draw attention to the following matters:

- a) Pending Confirmation of Balances of Certain borrowings as stated in footnote (\*) of Note 7 read with note no. 26 of the financial statements.
- b) Loan & advances to certain subsidiary companies, considered as good and fully realizable/recoverable and no provision for diminution in value is considered necessary in the opinion of the management as stated in Note 36(B) of the financial statements.

**ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF JINDAL STAINLESS (HISAR) LIMITED****Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of JINDAL STAINLESS (HISAR) LIMITED ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date in which are incorporated the RETURN for the year ended on that date audited by the branch auditor of the Company's branch at Kothavalasa in Vizianagaram district, Andhra Pradesh.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial

statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Note No. - 1**
**Significant Accounting Policies**
**i) Basis of Preparation of Financial Statements**

The financial statements are prepared under the historical cost convention, on accrual basis of accounting, in accordance with the generally accepted accounting principles in India as applicable, accounting standards notified under section 133 of the Companies Act, 2013 read together with Rule 7 of the Companies (Accounts) Rules, 2014 and the other relevant provisions of the Companies Act, 2013.

**ii) Use of Estimates**

The preparation of financial statements requires use of estimates and assumptions to be made that affect the reported amounts of assets, liabilities and disclosure of contingent liabilities on the date of financial statements and the reported amounts of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

**iii) A) Fixed Assets & Depreciation**
**a) Fixed Assets**

Fixed Assets are stated at their cost of acquisition / construction less accumulated depreciation and impairment losses. Cost comprises of all cost, net of income (if any), incurred to bring the assets to their present location and working condition and other related overheads till such assets are ready for intended use. Assets vested under slump sale in the company pursuant to the Composite Scheme of Arrangement are stated at their fair market values based on the valuation report of technical valuer.

**b) Depreciation**

Depreciation on Fixed Assets is provided on Straight Line Method over their useful lives and in the manner specified in Schedule II of the Companies Act, 2013, other than certain assets vested under slump sale in the company pursuant to the Composite Scheme of Arrangement, depreciation is provided as per their useful lives assessed on the basis of technical evaluation by the an expert. The details of estimated life are as under:

Buildings	ranging from 12 to 50 years
Plant & Machinery	ranging from 3 to 45 years
Electric Installation	ranging from 11 to 24 years

c) Assets not owned by the Company are amortised over a period of ten years.

d) Lease Hold Assets are amortised over the period of lease.

e) Classification of plant & machinery into continuous and non-continuous is made on the basis of technical assessment and depreciation is provided for accordingly.

**B) Intangible Assets**

Intangible Assets are stated at cost which includes any directly attributable expenditure on making the asset ready for its intended use. Intangible Assets are amortized over the expected duration of benefit or 10 years, whichever is lower.

**C) Impairment**

Impairment loss is recognized wherever the carrying amount of an asset is in excess of its recoverable amount and the same is recognized as an expense in the statement of profit and loss and carrying amount of the asset is reduced to its recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the asset over its remaining useful life

Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the asset no longer exist or have decreased.

**iv) Revenue Recognition**

Revenue is recognized when it is earned and no significant uncertainty exists to its realization or collection.

**Revenue from sale of goods:** is recognized on delivery of the products, when all significant contractual obligations have been satisfied, the property in the goods is transferred for a price, significant risks and rewards of ownership are transferred and no effective ownership is retained.

**Revenue from other activities:** is recognized based on the nature of activity, when consideration can be reasonably measured. Certain claims like those relating to Railways, Insurance, Electricity, Customs, and Excise are accounted for on acceptance/when there is a reasonable certainties.

**v) Borrowing Costs**

Borrowing costs attributable to the acquisition /construction of qualifying assets are capitalized as part of cost of such assets and other borrowing costs are recognized as expense in the period in which these are incurred.

**vi) Foreign Currency Transactions**

Foreign currency transactions are recorded at the rate of exchange prevailing on the date of the transactions. Monetary assets and liabilities related to foreign currency transactions remaining unsettled are translated at year end rate.

The difference in translation of Monetary assets and liabilities and realized gains and losses on foreign exchange transaction are recognized in statement of profit & loss except of loan/liability related with acquisition of depreciable fixed asset where the same is treated as cost of the asset.

Foreign currency gain/loss relating to translation of net investment in non-integral foreign operation is recognized in the foreign currency translation reserve.

Premium/Discount on forward foreign exchange contracts are pro-rated over the period of contract.

**vii) Investments**

Long term investments are carried at cost. When there is a decline other than temporary in their value, the carrying amount is reduced on an individual investment basis and decline is charged to the statement of Profit & Loss. Appropriate adjustment is made in carrying value of investment in case of subsequent rise in value of investments.

Current Investments are carried at lower of cost or market value.

**viii) Valuation of Inventories**

Inventories are valued at the lower of cost and net realisable value except scrap which is valued at net realisable value. The cost is computed on Weighted Average basis. Finished goods and Work in Progress includes cost of conversion and other overheads incurred in bringing the inventories to their present location and condition.

**ix) Employee Benefits**

**a) Short term Employee Benefits**

Short term employee benefits are recognized during the year in which the services have been rendered and are measured at cost.

**b) Defined Contribution Plans**

The Provident Fund and Employee's State Insurance are defined contribution plans and the contributions to the same are expensed in the statement of Profit and Loss during the year in which the services have been rendered and are measured at cost.

**c) Defined Benefit Plans**

The Provident Fund (Funded), Leave Encashment and Gratuity are defined benefit plans. The Company has provided for the liability at year end based on actuarial valuation using the Projected Unit Credit Method. Actuarial gains and losses are recognized as and when incurred.

**x) Miscellaneous Expenditure**

a) Preliminary expenses are written off over the period of ten years.

b) Bonds issue expenses and premium on redemption are written off over the expected duration of benefit or life of the bonds, whichever is earlier.

c) Mines development expenses incurred for developing and preparing new mines are written off over the period of expected duration of benefits or ten years, whichever is earlier.

**xi) Taxation**

Provision is made for income-tax liability in accordance with the provisions of Income-Tax Act, 1961.

Deferred tax resulting from timing differences between book profits and tax profits is accounted for applying the tax rates and laws that have been enacted or substantively enacted till the Balance Sheet date.

Deferred Tax Assets arising from timing differences are recognized to the extent there is a reasonable/virtual certainty that the assets can be realized in future.

**xii) Management of Metal Price Risk/ Derivatives**

Risks associated with fluctuations in the price of the raw material metal are mitigated by hedging on futures/option market. The results of metal hedging contracts/transactions are recorded upon their settlement as part of raw material cost.

Risk of movements in the interest rates, foreign currencies are hedged by derivatives contract such as Interest Rate Swaps, Currency

Swaps, Forward Contracts and Currency Options.

All outstanding derivative instruments at year end are marked-to-market by type of risk and the resultant losses, if any, are recognized in the statement of Profit & Loss /Pre-operative expenses, gains are ignored.

**xiii) Government Grants**

Government Grants are recognized when there is a reasonable assurance that the same will be received. Revenue grants are recognized in the Statement of Profit and Loss. Capital grants relating to specific fixed assets are reduced from the gross value of the respective fixed assets. Other capital grants are credited to Capital Reserve.

**xiv) Earnings Per Share**

The Company reports basic and diluted earnings per share (EPS) in accordance with Accounting Standard 20 "Earnings per Share". Basic EPS is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, except where the results are anti-dilutive.

**xv) Leases**

**a) Finance Leases**

Assets acquired under finance leases are recognized as an asset and a liability at the commencement of the lease at the lower of the fair value of the assets and the present value of minimum lease payments. The finance expense is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability. Assets given under finance leases are recognized as receivables at an amount equal to the net investment in the lease and the finance income is based on a constant rate of return on the outstanding net investment.

**b) Operating Leases**

Operating lease receipts and payments are recognized as income or expense in the statement of profit and loss on a straight-line basis over the lease term.

**xvi) Contingent Liabilities**

Contingent liabilities, if material, are disclosed by way of notes.

**26. Composite Scheme of Arrangement**

1. A Composite Scheme of Arrangement (here in after referred to as ‘Scheme’) amongst Jindal Stainless Limited (JSL) and its three wholly owned subsidiaries namely Jindal Stainless (Hisar) Limited (the Company/Transferee/Resulting Company), Jindal United Steel Limited (JUSL) and Jindal Coke Limited (JCL) under the provision of Sec 391-394 read with 100-103 of the Companies Act, 1956 and other relevant provision of Companies Act, 1956 and / or Companies Act, 2013 has been sanctioned by the Hon’ble High Court of Punjab & Haryana, Chandigarh vide its Order dated 21<sup>st</sup> September 2015, modified by order dated 12<sup>th</sup> October, 2015.

Pursuant to the Section I and Section II of the Scheme becoming effective on 1<sup>st</sup> November, 2015 w.e.f. appointed date i.e. close of business hours before midnight of March 31, 2014:

- On 21<sup>st</sup> November, 2015 the Company has allotted 23,11,85,445 equity shares of ₹ 2/- each (other than in cash) to the equity shareholders of Jindal Stainless Limited (JSL) in the ratio of one equity share of the company for every one equity share held in JSL.
  - The Authorised share capital of the company has been enhanced to ₹ 50,00,00,000 (Rupees Fifty Crore) divided into 24,00,00,000 (Twenty Four Crore) equity shares having face value of ₹ 2 (Two) each and 1,00,00,000 (One Crore) preference shares having face value of ₹ 2 (Rupees Two) each.
  - Out of ₹ 260,000.00 lacs payable to JSL, ₹ 235,924.00 lacs has been paid till date (including ₹ 118,493.00 lacs paid upto 31<sup>st</sup> March 2016).
  - Against amount of ₹ 36,618.67 Lacs, JSL is required to issue and allot equity shares to the company at a price to be determined in accordance with chapter VII of SEBI (ICDR) Regulations 2009, with the record date jointly decided by the board of directors of JSL and the company being considered as relevant date as specified in the scheme. As specified in the Scheme, the Board of Directors of the Company in the meeting held on 27<sup>th</sup> May, 2016 have, subject to approval by the Board of Directors of JSL, proposed to fix 8<sup>th</sup> June, 2016 as the record date for determination of price for allotment of the above said shares. Accordingly, pending allotment by JSL of the aforesaid equity shares to the company, the same has been shown as investment (pending allotment) under “Non-Current Investment”.
  - In terms of the Scheme, all the business and activities of Demerged Undertakings and Business Undertaking 1 (as referred in the Scheme) carried on by JSL on and after the appointed date, as stated above, are deemed to have been carried on behalf of the Company. Accordingly, necessary effects have been given in these accounts on the Scheme becoming effective.
  - The necessary steps and formalities in respect of transfer of and vesting in the properties, licenses, approvals and investments in favor of the Company and modification of charges etc. are under implementation.
  - The actual transfer of the leasehold rights of the company in the chromite-ore mine at Orissa (“Mining Rights”), forming a part of the Demerged Undertakings (as defined in the Scheme), to Jindal Stainless (Hisar) Limited (“JSHL”), is subject to receipt of necessary approvals from the concerned authorities and compliance with the applicable conditions as prescribed under the Mines and Minerals (Development and Regulation) Act, 1957 (as amended) and as may be prescribed under the final Mineral (Transfer of Mining Lease Granted Otherwise than through Auction for Captive Use) Rules, 2016 and/or any other applicable rules/regulations.
2. Pending actual transfer of the Mining Rights (as stated in Note 26(1)(g) above) to JSHL in accordance with the Scheme, since 1st November 2015 (i.e. effective date of Sections I and II of the Scheme):- (i) all mining activities in relation to the Mining Rights continue to be carried out by JSL; and (ii) all assets (excluding fixed assets) and liabilities (including contingent liabilities) in relation to the Mining Rights continue to be recorded in the books of JSL. Accordingly, effect of mining operations carried out by JSL as above included in the financial statement of JSL as on 31st March 2016 is summarized as below:

38. The Haryana Government levied w.e.f. 05.05.2000 a Local Area Development Tax (the LADT Act) on the Manufacturing units in the State of Haryana on the entry of goods for use and consumption which has been challenged in the Hon'ble Punjab and Haryana High Court. The Hon'ble Punjab and Haryana High Court disallowed the petition in December, 2001 and the company had by a Special Leave Petition challenged the Order of High Court in the Hon'ble Supreme Court. The Hon'ble Supreme Court referred the matter to a 'five judges' Constitutional Bench, which laid certain parameters to examine the Act on those lines. On the basis of these parameters the Hon'ble High Court have declared the Act to be ultra virus on 14th March, 2007. Since, this issue was being canvassed by various High Courts, the Hon'ble Supreme Court gave an Interim Order that those states where the High Courts have given judgment in favour of the petitioner, no tax would be collected. In the mean time the Haryana Government has repealed the LADT Act and introduced another Act by the name of 'Entry Tax' on the same lines. That Act was also been held ultra vires by the High Court. The order of Punjab and Haryana High Court and other judgements of all the Courts of India have been long pending. The State Governments have requested the Hon'ble Supreme Court that it is very difficult for them to run the Government. So at least till the pendency of the cases in the Hon'ble Supreme Court they may be allowed to charge from past liability and also from the future liability to be accrued. On 30th October, 2009, the Hon'ble Supreme Court have directed that 1/3rd of the liability is to be paid by all the assesses whose cases are pending in the High Courts. As, at present, there is no Act either LADT/Entry Tax prevalent in Haryana State, no tax is being collected from the assesses however undertaking have given by assesses that in case they lose they will make the payment. As such on prudence basis, full liability had been provided for. In the meantime, i.e. on 16.04.2010 the Entry Tax matters of the states have been referred to a larger 9-Judges Constitutional Bench of the Supreme Court, where the judgement of 7-Judges Constitutional Bench passed 49 years ago would be revisited. Constitution Bench has not been constituted as yet and the status of the case is as it is and at present no tax is being collected/paid in Haryana.

Mortality	<b>Indian Assured Lives Mortality (2006-08) Ultimate</b>	

The expected return on the plan assets is determined considering several applicable factors mainly the composition of plan assets held, assessed risk of assets management, historical results of returns on the plan assets and the policy for the management of plan assets management.

The estimates of future salary increase, considered in actuarial valuation, taking into account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

- f) The company makes monthly contributions to Provident Fund managed by Trust for qualifying employees. Under the scheme, the company is required to contribute a specified percentage of the payroll costs to fund the benefits.

In keeping with the Guidance on Implementing Accounting Standard (AS) 15 (Revised) on Employee Benefits notified by the companies (Accounting Standards) Rules, 2006, employer established provident fund trusts are treated as Defined Benefit Plans, since the Company is obliged to meet interest shortfall, if any, with respect to covered employees. Accounting to the actuarial Valuation, the Defined Benefit Obligation of Interest Rate Guarantee on exempted Provident Fund in respect of employees of the company as on 31<sup>st</sup> March, 2016 works out of ₹ Nil (₹ Nil) and hence no provision is required to be provided for in the books of account towards the guarantee for notified interest rates.

Actuarial assumptions made to determine Interest Rate Guarantee on Exempt Provident Fund Liabilities are as follows:

Particulars	For the year ended 31.03.2016
Rate of Discounting	7.80% (7.88%)
Rate of return on assets	8.80% (8.94%)
Guaranteed Rate of Return	8.89% (8.75%)

#### 40. Finance Lease

Assets acquired under leases where the company has substantially all the risks and rewards of ownership are classified as finance lease. Such assets are capitalized at inception of the lease at the lower of the fair value or net present value if minimum lease payments and a liability is created for an equivalent amount.

Lease interest charged to profit & loss for right to use of CTL Machine (Cut to length) for the services regarding cutting of Stainless Steel sheets.

	For the year ended 31.03.2016	For the year ended 31.03.2015
Lease Interest	8.76	34.60

The agreements are executed for a period of 60 months with the clause that the ownership of the CTL shall be automatically transferred to lessee on the zero value.

The breakup of total minimum lease payments under finance lease are as follows:

**To the Members of JINDAL STAINLESS (HISAR) LIMITED****Report on the Consolidated Financial Statements**

We have audited the accompanying consolidated financial statements of JINDAL STAINLESS (HISAR) LIMITED (herein after referred to as "the Holding Company") and its subsidiaries ("the Holding Company & its subsidiaries" together referred as "the Group") and its associate, comprising of the Consolidated Balance Sheet as at 31<sup>st</sup> March 2016, the consolidated statement of profit and loss, the consolidated cash flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

**Management's Responsibility for the Consolidated Financial Statements**

The Holding Company's Board of Directors is responsible for the preparation of the consolidated financial statements in terms of the requirements of the Companies Act, 2013 (herein after referred as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group and its associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the Companies included in the Group and its Associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its Associate and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment,

including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their report referred to in the other matter below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

**Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at 31<sup>st</sup> March 2016, and their consolidated Profit and their consolidated cash flows for the year ended on that date.

**Emphasis of Matters:**

We draw attention to the following matters:

- Pending Confirmation of Balances of Certain borrowings as stated in footnote (\*) of Note 7 of the financial statements.
- Transfer of Mining Rights pursuant to the Scheme in favour of the Company is subject to necessary approvals of the concerned authorities as stated in Note 26 (1)(g) of the financial statements; and pending the same, effect of mining operations carried out by JSL as above included in the financial statement of JSL as stated in Note 26 (2) of the financial statements.
- Pending allotment of equity shares against amount of Rs. 36,618.67 Lacs by JSL of the aforesaid equity shares to the company shown as investment (pending allotment) under non-current investment for the reasons as explained in note no. 26 (1) (d) of the financial statements.
- Note no. 34, regarding loss of Intangible Assets not provided for pending decision of Arbitration proceedings.

Our opinion is not modified in respect of these matters.

**Other Matters**

- We did not audit the financial statements of four subsidiaries, namely, Jindal Stainless Steelway Limited, JSL Lifestyle Limited, JSL Media Limited and Green Delhi BQS Limited; whose financial statements reflect total assets of Rs. 60,535.26 Lacs as at 31<sup>st</sup> March, 2016, total revenues of Rs. 147,268.67 Lacs and net cash outflows of Rs. 763.15 Lacs for the year ended on that date, as

considered in the consolidated financial statements. We did not audit the financial statement of one associate, namely Jindal Stainless Corporate Management Services Pvt. Limited; in whose financial statements the Company's share of profit is Rs. 2.55 lacs for the year ended on 31st March, 2016. These financial statements have been audited by other auditors, whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and associates, is based solely on the report of the other auditors.

Financial statements of a subsidiary namely JSL Logistic Limited; which reflect total assets of Rs. 85.68 Lacs as at 31st March, 2016, total revenue of Rs. 73.87 lacs and total cash outflows of Rs. 2.72 Lacs for the year then ended have been audited by one of the joint auditors of the company.

- (b) We have relied on the unaudited financial statements of associate of a subsidiary, namely J.S.S. Steelitalia Limited; in whose financial statements the Company's share of loss is Rs. 94.84 lacs for the year ended on 31st March, 2016. These financial statements/ financial information are unaudited and our opinion on the consolidated financial statements, in so far as it relates to the amounts included and disclosure included in respect of this associate and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid associate is based solely on such unaudited financial statements/ financial information.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

**Report on Other Legal and Regulatory Requirements**

As required by sub-section 3 of Section 143 of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.

- (c) The consolidated balance sheet, the consolidated statement of profit and loss, and the consolidated cash flow statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31 March 2016 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditors of its subsidiary companies and associate company incorporated in India, none of the Directors of the Group and its Associate incorporated in India is disqualified as on 31 March 2016 from being appointed as a Director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group (Holding and Subsidiary Companies incorporated in India) the operating effectiveness of such controls, refer to our separate report in "Annexure - A"; and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and its Associate- Refer Note 25, 33 &34 to the consolidated financial statements.
  - ii. Provision has been made in the consolidated financial statement, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivatives contracts.
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the holding company and its subsidiaries companies, Associate Company incorporated in India.

**ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS OF JINDAL STAINLESS (HISAR) LIMITED****Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2016, we have audited the internal financial controls over financial reporting of JINDAL STAINLESS (HISAR) LIMITED ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries (incorporated in India) together referred to as "the Group") which are companies incorporated in India, as of that date.

**Management's Responsibility for Internal Financial Controls**

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over

financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

We did not audit the financial statements of the subsidiaries namely, Jindal Stainless Steelway Limited, JSL Lifestyle Limited, JSL Media Limited and Green Delhi BQS Limited; whose financial statements have been audited by other auditors, whose reports have been furnished to us by the Management and our opinion, in respect of these subsidiaries under sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries as at 31<sup>st</sup> March 2016, is based solely on the report of the other auditors.

Financial statements of a subsidiary namely JSL Logistic Limited have been audited by one of the joint auditors of the company.

**Meaning of Internal Financial Controls Over Financial Reporting**

A Group's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Group's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Group; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the companies are being made only in accordance with authorizations of management and directors of the Group (Holding Company and its subsidiary companies, which are companies incorporated in India); and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Group's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper

management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal

control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

**26. Composite Scheme of Arrangement**

1. A Composite Scheme of Arrangement (here in after referred to as 'Scheme') amongst Jindal Stainless Limited (JSL) and its three wholly owned subsidiaries namely Jindal Stainless (Hisar) Limited (the Company/Transferee/Resulting Company), Jindal United Steel Limited (JUSL) and Jindal Coke Limited (JCL) under the provision of Sec 391-394 read with 100-103 of the Companies Act, 1956 and other relevant provision of Companies Act, 1956 and / or Companies Act, 2013 has been sanctioned by the Hon'ble High Court of Punjab & Haryana, Chandigarh vide its Order dated 21st September 2015, modified by order dated 12th October, 2015.

Pursuant to the Section I and Section II of the Scheme becoming effective on 1st November, 2015 w.e.f. appointed date i.e. close of business hours before midnight of March 31, 2014:

- a) On 21st November, 2015 the Company has allotted 23,11,85,445 equity shares of ₹2/- each (other than in cash) to the equity shareholders of Jindal Stainless Limited (JSL) in the ratio of one equity share of the company for every one equity share held in JSL.
- b) The Authorised share capital of the company has been enhanced to ₹ 50,00,00,000 (Rupees Fifty Crore) divided into 24,00,00,000 (Twenty Four Crore) equity shares having face value of ₹ 2 (Two) each and 1,00,00,000 (One Crore) preference shares having face value of ₹ 2 (Rupees Two) each.
- c) Out of ₹ 260,000.00 lacs payable to JSL, ₹ 235,924.00 lacs has been paid till date (including ₹118,493.00 lacs paid upto 31st March 2016).
- d) Against amount of ₹ 36,618.67 Lacs, JSL is required to issue and allot equity shares to the company at a price to be determined in accordance with chapter VII of SEBI (ICDR) Regulations 2009, with the record date jointly decided by the board of directors of JSL and the company being considered as relevant date as specified in the scheme. As specified in the Scheme, the Board of Directors of the Company in the meeting held on 27th May, 2016 have, subject to approval by the Board of Directors of JSL, proposed to fix 8th June, 2016 as the record date for determination of price for allotment of the above said shares. Accordingly, pending allotment by JSL of the aforesaid equity shares to the company, the same has been shown as investment (pending allotment) under "Non-Current Investment".
- e) In terms of the Scheme, all the business and activities of Demerged Undertakings and Business Undertaking 1 (as referred in the Scheme) carried on by JSL on and after the appointed date, as stated above, are deemed to have been carried on behalf of the Company. Accordingly, necessary effects have been given in these accounts on the Scheme becoming effective.
- f) The necessary steps and formalities in respect of transfer of and vesting in the properties, licenses, approvals and investments in favor of the Company and modification of charges etc. are under implementation.
- g) The actual transfer of the leasehold rights of the company in the chromite-ore mine at Orissa ("Mining Rights"), forming a part of the Demerged Undertakings (as defined in the Scheme), to Jindal Stainless (Hisar) Limited ("JSHL"), is subject to receipt of necessary approvals from the concerned authorities and compliance with the applicable conditions as prescribed under the Mines and Minerals (Development and Regulation) Act, 1957 (as amended) and as may be prescribed under the final Mineral (Transfer of Mining Lease Granted Otherwise than through Auction for Captive Use) Rules, 2016 and/or any other applicable rules/regulations.

2. Pending actual transfer of the Mining Rights (as stated in Note 26(1)(g) above) to JSHL in accordance with the Scheme, since 1st November 2015 (i.e. effective date of Sections I and II of the Scheme):- (i) all mining activities in relation to the Mining Rights continue to be carried out by JSL; and (ii) all assets (excluding fixed assets) and liabilities (including contingent liabilities) in relation to the Mining Rights continue to be recorded in the books of JSL. Accordingly, effect of mining operations carried out by JSL as above included in the financial statement of JSL as on 31st March 2016 is summarized as below:

<b>Particulars</b>	<b>(₹ in Lacs)</b>
Assets	6,062.82
Liabilities	2,789.24
Total Revenue	2,842.48
Total Expenses	1,868.33
Profit before tax	974.15

27. Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances) **₹4,357.42 Lacs** (₹2,476.33 Lacs).
28. Certain balances of trade receivable, loan & advance, trade payable and other liabilities are subject to confirmation and/or reconciliation.
29. Exceptional items includes Gain/(Loss) (net) of **₹(3,588.45) Lacs** {₹ 692.17 Lacs} on translation/settlement of foreign currency monetary items (including borrowing), gain / (loss) of **₹ 316.62 Lacs** {₹ (22.32 Lacs)} upon marked to market of derivatives contracts, gain/(loss) of **₹ 1,323.70 Lacs** {₹ 998.75 Lacs} on forward cover cancelation and also includes amount written off/provided for of **₹ 1,839.95 Lacs** (including provision of **₹ 32.91 Lacs**)(₹ Nil) being non recoverable from certain parties.
30. On 30th March, 2016, the Company has issued and allotted 12,50,00,000 number Compulsory Convertible Warrants (CCW) of ₹2/- each to promoter group entities on preferential basis for the purpose to infuse funds by promoters in terms of sanction letter dated 23rd November 2015 by State Bank of India. The CCW are convertible into equity shares at any time after 5 months but not later than 18 months from the date of allotment of CCW at a price to be determined in accordance with the pricing formula provided under chapter VII of the SEBI (ICDR) Regulations, 2009 and computed on the relevant date i.e. thirty days prior to the date on which the allottee(s) will become entitled to apply for equity shares.
- As the conversion price for CCW is not yet ascertained and will be ascertained only when the holder of the CCW becomes entitled for conversion, it would presently not be possible to calculate the number of shares to be allotted, till the price of conversion is fixed.
31. (a) The Term Loan Facility and Working Capital Facility (including Buyers' Credit) of the Company are/will also be secured by the following additional securities:
- Unconditional & irrevocable personal guarantee of Mr. Ratan Jindal;
  - Unconditional & irrevocable corporate guarantee of Jindal Stainless limited (JSL);
  - Pledge of 87.7% of Promoter's shareholding, as determined on the basis of the filings of the Borrower with the Securities Exchange Board of India (SEBI);
  - Pledge of such number of shares of JSL as are held by it other than shares pledged/to be pledged by the Company in favour of lenders of JSL as required under the asset monetisation plan approved by the empowered group of corporate debt restructuring lenders of JSL vide their letter dated December 26, 2014
  - Pledge over investments of the Company in subsidiaries as listed below:
    - JSL Lifestyle Limited; and
    - JSL Logistics Limited
  - Certain conditions, modification and creation of security of the Term Loan Facility are in process of compliance.
- (b) The security is to be created by the company over its immovable properties and movable fixed assets, current assets and shares of JSL Lifestyle limited in favour of SBICAP Trustee Company Limited (security Trustee) for lenders of Corporate Term Loan (CTL) of JSL of amounting to ₹95,800.00 lacs and CDR lenders of JSL.
- (c) Term Loan and Working Capital Facilities of Jindal Stainless Limited continue to have security on the assets transferred in pursuant to Composite Scheme of Arrangement (Read with note no. 26). Pending requisite no-objection certificates from the JSL lenders, the necessary steps and formalities in respect of satisfaction/modification of these charges are under implementation.
32. The operations of Ferro alloys unit of the Company situated at Kothavalasa in Vizianagaram district, Andhra Pradesh has been temporarily shut down due labour problems. Management is hopeful to resolve the issue in near future enabling it to resume operations.
33. The Haryana Government levied w.e.f. 05.05.2000 a Local Area Development Tax (the LADT Act) on the Manufacturing units in the State of Haryana on the entry of goods for use and consumption which has been challenged in the Hon'ble Punjab and Haryana High Court. The Hon'ble Punjab and Haryana High Court disallowed the petition in December, 2001 and the company had by a Special Leave Petition

challenged the Order of High Court in the Hon'ble Supreme Court. The Hon'ble Supreme Court referred the matter to a 'five judges' Constitutional Bench, which laid certain parameters to examine the Act on those lines. On the basis of these parameters the Hon'ble High Court have declared the Act to be ultra virus on 14th March, 2007. Since, this issue was being canvassed by various High Courts, the Hon'ble Supreme Court gave an Interim Order that those states where the High Courts have given judgment in favour of the petitioner, no tax would be collected. In the mean time the Haryana Government has repealed the LADT Act and introduced another Act by the name of 'Entry Tax' on the same lines. That Act was also been held ultra vires by the High Court. The order of Punjab and Haryana High Court and other judgments of all the Courts of India have been long pending. The State Governments have requested the Hon'ble Supreme Court that it is very difficult for them to run the Government. So at least till the pendency of the cases in the Hon'ble Supreme Court they may be allowed to charge from past liability and also from the future liability to be accrued. On 30th October, 2009, the Hon'ble Supreme Court have directed that 1/3rd of the liability is to be paid by all the assesses whose cases are pending in the High Courts. As, at present, there is no Act either LADT/Entry Tax prevalent in Haryana State, no tax is being collected from the assesses however undertaking have given by assesses that in case they lose they will make the payment. As such on prudence basis, full liability had been provided for. In the meantime, i.e. on 16.04.2010 the Entry Tax matters of the states have been referred to a larger 9-Judges Constitutional Bench of the Supreme Court, where the judgement of 7-Judges Constitutional Bench passed 49 years ago would be revisited. Constitution Bench has not been constituted as yet and the status of the case is as it is and at present no tax is being collected/paid in Haryana.

34. In the case of Green Delhi BQS Limited (GDBQS) the Company has Concession Agreement with Delhi Transport Corporation (DTC) for BOT Project of Bus-Q-Shelter (BQS) wherein the Company is to pay ₹ 93,800/- per BQS per month as concession fee. However, DTC did not hand over some of the premium sites at Airport area of Delhi for construction of BQS as per the agreed Contract and breached the terms of Concession Agreement. The advertisement revenue of the aforesaid sites is much higher than the sites proposed to be handed over, The Company has approached, Hon'ble Delhi High Court, to resolve the dispute for the injustice done to the Company in non allotment of the premium sites. Meanwhile, DTC has terminated the contract because of nonpayment of full concession fee to DTC. However, Hon'ble Delhi High Court vide order dated 31st March, 2011 upheld the decision of termination of contract by DTC wherein the Hon'ble Court had given the order that as per the contract agreement, the matter is to be contemplated in Arbitration Proceedings. BQS were handed over to DTC. Case is being heard in the Arbitration Proceedings. One of the outcomes of Arbitration could be that GDBQS may get back all the shelters and will resume the business. Hence pending decision of Arbitration proceedings, loss of Intangible Assets of Bus-Q-Shelters (Concession rights) of ₹ 7,75,33,306/- has not been provided for.
35. Green Delhi BQS Limited has taken Unsecured Loan from certain Inter Corporate Companies aggregating to ₹ 410,498,532/- outstanding as on March 31, 2016 ( inclusive of interest credited till March 31, 2012 ). The Company is not able to service interest liability due to insufficient cash flow / -ve net worth of the company. The Company has negotiated said companies for waiver of interest liability with an assurance to pay the principal liability after the outcome of the Arbitration proceedings, which is likely to be decided during the next financial year.
36. In case of Green Delhi BQS Limited and JSL Media Limited, in view of non availability of convincing evidence as to the certainty of the future taxable profit, no deferred tax has been created for the current year.

## Corporate Social Responsibility

Corporate Social Responsibility (CSR) is the strategic approach towards sustainable community development and the key to inclusive growth. With that as a focus, JSHL's Corporate Vision is "To be admired as a Socially Responsible Corporate and a Sustained Value Creator for all its Stakeholders".

Aligned to its vision, JSHL through its Foundation has a wide range of social development programs initiated near its Corporate Head office, Plant locations and factories with the aim of empowering communities and bringing succour to their woes. In addition, efforts are being made to get the employees sensitized on social issues and get them engaged in community work through volunteering programs. This has given all stakeholders i.e. the employees; the community and others in the supply chain an opportunity to get connected with each other especially in the immediate operational space. Jindal Stainless (Hisar) Limited has established links with various National/International CSR initiatives and stressed upon participatory approach of program development and design.

### PROMOTING GENDER EQUALITY AND EMPOWERMENT OF WOMEN

#### International Women's Day Celebration

The guest speakers spoke on the UN Theme "Pledge for Parity - Planet 50-50 by 2030: Step It Up for Gender Equality." The message was on empowering women through skills and education for development, health for vitality and strength, safety for living a safe and happy life. Videos showcased messages by mothers to their daughters and stories related to women of yesterday and today who stood against exploitation to bring change in society. Ten women achievers from CSR projects were felicitated.

## Save the Girl child

The project team regularly visits 300 married women during door-to-door visits and besides giving awareness on immunization, safe deliveries, educating girls, skill development, also encourages them to invest in Government schemes for girls, adopting family planning methods etc.

### Details of the New Born Babies:

Child Delivery Status	Govt. Hosp.	Pvt. Hosp.	Home	Total
Male Child	20	23	-	43
Female Child	18	24	-	42

## Celebration of National Nutrition Week

Celebration of the National Nutrition Week saw events such as short films on nutrition, lectures by ASHA workers and awareness session for adolescent girls. The girls were informed about the general health and hygiene, body development and changes, importance of education, nutritious food and safety etc.

## PROMOTING EDUCATION

## Hole in the Wall – HIWEL

HIWEL offers a joyful learning experience to children from Class I up to Class XII. Breaking the traditional confines of a school, HIWEL takes the Learning Station to the playground, employs a unique collaborative learning approach and encourages children to explore, learn and just enjoy. It facilitates learning for the marginalized children, by providing unconditional and public access to computers through its Learning Stations installed in the community. JSL's programs in the education sector ranged from setting up village libraries, running

non-formal education programs to bridging the gap between children who are out of school and enroll them to formal education set-ups to computer education.

### Impact:

- The open space and peer group learning works naturally for the kids.
- 90% of students don't have computers at home and access the learning station to study. Minimally invasive learning methodology is very useful for students and the assessment has shown tangible impact in acquisition of academic and computing skills.

Parents and teachers have shown a positive response from both the communities towards the usage of Hole-in-the-Wall learning system.

## HEALTH

## Mobile Health Van Dispensary

Mobile Health Van Integrated Health Care programs have been designed to address both preventive and curative health. Ten villages are touched every fortnight by the medical team from N.C. Jindal Hospital and Research Centre (NCJH). The health van reaches out to communities, which have little or no access to healthcare facilities. The medical outreach program for the rural communities has rendered medical services to patients besides giving awareness sessions on various diseases. The mobile health van has reached 6930 OPD patients and sensitized 2742 people.

## HIV/AIDS Volunteer Program

The Master Trainers (MTs) disseminated information pertaining to the spread of this epidemic, safe

practices, myth and misconceptions, support system at Civil Hospital etc in a participatory manner. The MTs reach out to new people at various locations such as hospital parks, canteens, shops, cab centers, villages, companies etc. World AIDS Day designated on 1st December was celebrated by the Company with tying of red ribbons by CSR Volunteer MTs.

### NGO Partner Cancer Roko: Cancer Detection and Awareness Camp

To spread awareness among the community about cancer, its early detection and treatment, Cancer camps were organized in association with NGO partner Cancer Roko for screening of Breast, Cervical and Oral Cancer at different villages in the vicinity of Hisar. During the first two camps conducted this year, there were 348 registrations and 34 were tested for pap smear, 50 for mammography and 11 for oral cancer. Doctors of Cancer Wing NCJH shared their expertise with the villagers and apprised them of the facilities and treatment at NCJH at nominal costs. This is a great initiative, which is providing succour to the many unserved.

### ENVIRONMENT CONSERVATION

#### Organic Farming Project

There are over 275 farmers who are continuing the practices of organic farming covering an area of approx 268.5 acres. Besides building capacities of farmers, the team facilitates the farmers in getting inputs on land preparation, soil enriching techniques, treatment of seeds, crop rotation, mixed cropping etc.

The farmers were linked to the Vital Organics and Organic Outlets for the supply of vegetables, groceries and milk. Organic vegetable stalls were organized at HRD and CRD Division of the Jindal Stainless (Hisar) Limited. In addition to holding discussions with the community on organic farming, our resource persons have motivated the local to adopt dairy farming and shared information on animal breeds, milk production, costing, disease management common amongst buffaloes/cows.

### SKILL DEVELOPMENT

#### Dress Designing and Fashion Technology

Stainless Steel Skill Training Institute (SSTI) in

collaboration with USHA International Ltd trains women and girls in Sewing, Design and Embroidery courses. Two exhibitions were organized to showcase the dresses and handbags in the month of May and August 2015. Mrs. Deepikka Jindal, Chairperson, Jindal Stainless Foundation visited the exhibition. Exposure visits were organized for students at Shiv Kripa Trading Company, a unit manufacturing school uniforms and T-shirts, ITI (Women) Hisar and a boutique. Usha International Limited displayed the latest Sewing machines at SSTI.

#### Launching of Asmita Project for Skill Enhancement

Asmita project with partner NGO Earthly Goods Foundation was launched in September 2015 at Stainless Skill Training Institute, Hisar. The project was initiated with the objective to assess current level of women in stitching and tailoring, provide intensive skills training, conduct workshop to develop sample of products and explore marketing linkage to sell these products.

#### Beauty Culture Basic and Advance course at Stainless Skill Training Institute

A one year beauty culture and wellness program is being carried out at the SSTI, where students besides the theory component of the course are also engaged in practical training at various JSL colonies. The highlights of the program are mehandi, hair cutting and threading. Awareness programs on Skin and Hair and exposure visits to ITI (Women) Hisar were organised.

#### Diploma in Industrial Electrical Course

The students, besides the theory and practical training imparted, are taken on visits to various companies

including an exposure visit to our own power plant at Hisar. The final assessment for students of Diploma in Industrial Electrical by Schneider Electric India Foundation was held in the first week of September 2015.

### Jindal Skill Development Center

As part of our Skill training program the SSTI in partnership with Sambhav Foundation (Labornet), started multi layered programs on 16th March 2016 for the youth around Hisar, with the purpose of providing gainful employment opportunities.

The courses offered are Domestic BPO (Non voice), Training in Banking, Financial Services and Insurance (BFSI) and Beauty & Wellness trainings.

### Skill Enhancement and Livelihood Promotion on Paper Re-cycling Art

The Skill enhancement and economic empowerment project with the partner NGO Action Centre for Transformation (ACT) started on 3rd Aug 2015 with the aim of training women to make products from newspapers. After a 10 days training workshop, the women were facilitated in marketing their products like bookmarks, paper bags, rakhis, keyring, eco candle, paper bowls, pen stands, baskets, square baskets, dustbins, mats, runner, tea coaster, door decorative strings, jewellery, photo frames, hair bands and earrings etc.

### OTHER PROGRAMS

#### Ashlesha Welfare Society

The Ashlesha Welfare Society, formed by the local women made crochet earrings and other products and supplied to the Delhi Corporate Office and other marketing outlets like the Army Welfare

Wives Association (AWWA) Centres located at the CSD canteens. Exhibition cum sale of eco friendly rakhis, jute envelopes, jute table runners, door bells, bags etc was organized in the company premises for Ladies Club Members and employees of HRD and CRD.

### CSR Exposure Visit for GET's 2015

The fresh JSHL GET batch 2015 visited various CSR Initiatives at the village and centers to learn about JSL community connect. Information was shared about Jindal Stainless Foundation that works for the wellbeing of the community and its involvement in multiple community development activities such as development of employable skills among youth, improvement in quality of education and healthcare, creation of livelihood opportunities for the poor, empowerment of women etc.

### Student Internship Programs

Jindal Stainless (Hisar) Limited offered internship programs to a number of institutions including IIM, Indore, India Today Institute of Management, BULMIM, O.P. Jindal Global University etc. The program is designed to provide interns an opportunity to be exposed to the social sector and increase their awareness on the problems and limited opportunities available to the communities at the bottom of the pyramid. They are attached to various CSR projects and engage with women, youth, farmers, children and other stakeholders. After having worked on defined projects, the interns submit a report, which captures the essence of the projects. They are also encouraged to prepare case studies, carry out impact analysis and make progressive suggestions for improvement.
