State of Affairs & Operations

During the year under review, the gross revenue of the company has decreased to Rs.731.53 Crores as compared to Rs. 755.84 Crores in 2015-16. The profit before depreciation has decreased from Rs. 1400.81 Lakhs to Rs. 1047.51 Lakhs.

Consolidated financials

In the Financial Year 2016-17, income from operations was Rs. 744.92 crores, as compared to Rs.762.18 Crores in the previous year 2015-16. The profit before depreciation has decreased from Rs. 1299.98 Lakhs to Rs. 962.47 Lakhs.

Revenue of wholly owned subsidiary i.e. Hindusthan Speciality Chemicals Limited was Rs. 1350.59 Lacs (Previous year Rs.635.90 Lakhs) and net profit after tax was Rs. (56.16) Lakhs [Previous year Rs. (178.97) Lakhs].

Your Directors are pleased to inform that the Company booked new orders worth 603.43 Cr in 2016-17. However due to deferment of order execution by several customers, the commercial production for aluminium Conductors could not be taken during the year for some of these orders.

The availability of our prime raw material for conductor division i.e. aluminum remained satisfactory. However, due to upward swing of LME from USD 1713 in December 2016 to LME USD 1955 in March 2017, there were increase of prices of aluminium forcing the customers to defer the orders.

The availability of power was comfortable except Mandideep Works. The company has been able to keep the factories running with the help of captive power generating capacity wherever it was required.

There has been slow down in the issue of new tenders by major Power utility Power Grid Corporation of India during the year but Efforts were being made to secure more orders from private sector as well as state utilities.

During the year the company executed export orders (including Domestic sales in foreign currency) worth Rs. 4165 lakhs as compared to Rs.8896 lakhs during the financial year 2015-16. The Company is continuously striving to increase its export order book and add many more private and export markets.

DIRECTORS' REPORT (Contd.)

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. Industry Structure and Developments

Power being one of the components of infrastructure crucial for the economic growth of nations, the existence and development of adequate infrastructure is essential for sustained growth of the Indian economy.

Electricity demand in the country has increased rapidly and is expected to rise further in the years to come. In order to meet the increasing demand for electricity, massive addition to the installed generating capacity is required.

India ranks third among 40 countries in EY's Renewable Energy Country Attractiveness Index, on back of strong focus by the government on promoting renewable energy and implementation of projects in a time bound manner.

Indian power sector is undergoing a significant change that has redefined the industry outlook. The Government of India's focus on attaining 'Power for all' has accelerated capacity addition in the country. Total installed capacity of power plants in India stood at 315,426.32 Megawatt (MW) as of February 28, 2017. The Ministry of Power has set a target of 1,229.4 billion units (BU) of electricity to be generated in the financial year 2017-18, which is 50 BU's higher than the target for 2016-17.

2. Opportunities & Threats

There are opportunities for more Porcelain Insulators sales due to higher investment planned in power sector resulting into subsequent higher demand. We are also roping in new buyers.

The CRU Summary report published in March 2017 states that as part of promise to provide electricity to all its citizens, government of India is garnering investments through a mix of higher budgetary allocations to various related schemes and by boosting private sector funding through Public Private Partnership (PPP). The increased funds have accelerated project activity and led to a higher consumption of aluminium conductor.

The Power Grid Corporation of India (PGCIL) operates 95% of the country's transmission network and almost all aluminium conductor demand in India is for Bare Overhead Conductors (BOHCs). Since the start of 2016, PGCIL invested INR 370 billion (\$5.7 billion) in expanding and modernising the grid. By the end of 2018 the administration is seeking to add a further 84,500 km to PGCIL's existing network of 130,000 km, with efforts to expand the transmission network centred on improving links to north, east and northeast India. The government is also focused on electrifying the whole of rural India and set a 1,000-day target to achieve this goal. This is also expected to provide demand support for aluminium conductors.

With the more and more TBCB (Tariff based competitive bidding) and also turnkey route of projects rather than direct purchase by user, prices are going to push further down ward leading to erosion of bottom line for the product manufacturer.

3. Segment-wise or Product-wise Performance

During the year revenue from operations of Insulator Division has increased by 16.22% from Rs.191.63 crs in FY 2015-16 to Rs.222.72 Crs. in FY 2016-17 and profit before Interest & Tax has grown 37.62% from Rs.12.12 Crs. in FY 2015-16 to Rs.16.68 Crs in FY 2016-17.

During the year revenue from operations of Conductor Division has decreased by 10.12% from Rs.556.69 crs to Rs.500.35 Crs. while profit before Interest & Tax has fallen to Rs.11.02 Crs. as compared to Rs.19.15 Crs in previous financial year. We are hopeful that our performance in coming year shall improve with our own strengths of lower costs in logistics, packing and higher volume procurement strategy for Aluminium ingots and to convert the same into rods in our rolling mill at a lower cost to cater our needs.

4. Future Outlook

The government's immediate goal is to doubling the current production of energy by 2019 to provide 24x7 electricity for residential, industrial, commercial and agriculture use.

For which number of steps and initiatives like 10-year tax exemption for solar energy projects, etc. are being taken. The government has also sought to restart the stalled hydro power projects and increase the wind energy production target to 60 GW by 2022 from the current 20 GW.

The Government of India plans to start as many as 10,000 solar, wind and biomass power projects in next five years, with an average capacity of 50 kilowatt per project, thereby adding 500 megawatt to the total installed capacity.

Minister of State for Power outlined Government of India's goal to provide electricity to every home in India by 2020, while also focusing on ensuring the cost of power is affordable to everyone. The Government of India announced a massive renewable power production target of 175,000 MW by 2022; this comprises generation of 100,000 MW from solar power, 60,000 MW from wind energy, 10,000 MW from biomass, and 5,000 MW from small hydro power projects.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT (Contd.)

Insulator division is maintaining sustained service level to its existing customers. Insulators with 245kv, 400kv & 765 kv for Circuit Breakers have been developed in order to have part of the business from Circuit Breaker Manufacturers. However, future market is not looking good seeing the immense pressure on prices and high degree of competition.

5. Risk and Concerns

In spite of significant investments in the power sector, electricity prices have come down on account of more tariff-based competitive bidding projects coupled with the increase in aluminium prices has led conductor manufacturer to adopt a wait-and-watch attitude. Conductor manufacturer are hoping to prevent a build-up of working capital as the same volume of material purchased would lead to a higher portion of cash being blocked. Consequently lower trading and buying activity in the market resulting to reduction in demand of your products. This is primarily from those projects where a bid has been awarded to a winning manufacturer but the manufacturer is still going through their own ordering cycle.

Recent solar auction prices have seen tariff prices declining. In order to keep the projects viable, solar plant developers are negotiating lower prices, in turn putting pressure on EPC contractors and equipment suppliers. Consequently transmission and distribution pricing has yet to see any significant improvement and demand continues to be weak.

6. Internal control systems and their adequacy

The company is having adequate internal control systems and procedures commensurate with the size of the company. The company has successfully implemented SAP in key functions to improve operational efficiency and faster management reporting system. The company is implementing a Legal Compliance Tracker Soft to ensure robust compliance and governance system. The Company has appointed an external CA Firm as Internal Auditors, which is supplemented by in-house internal audit team which ensures that the internal control systems and standard operating systems are properly followed and no room is left for any fraud or embezzlement. The Audit Committee is regularly reviewing the Internal Audit Reports for the audit carried out in all the key areas of the operations. All Internal Audit Reports are regularly placed before the Audit Committee for their approval and advising appropriate action, wherever required.

7. Human Resources/Industrial Relations

It is the company's belief that the Human Resource is the driving force towards progress and success of a Company. In order to bring focus in HR Systems, Company has implemented system and procedures in HR system in line with the industry standards. The company seeks to motivate and retain its professional by offering reasonable compensation and opportunity to grow in the organisation by systematic training for all employees and with career and succession plans in place. The total permanent employee's strength of the company was 613 as on 31.03.2017. The industrial relations in all Works remained cordial during the year.

8. Financial/ Operational performance:

The total standalone revenue from operations has decreased by about 3.29% mainly due to lower order delivery resulting in lower overall profit after taxation and before depreciation of Rs.13.67 Crores.

9. Cautionary Statement

This report to the Shareholders is in compliance with the Corporate Governance Standard incorporated in the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 with the Stock Exchange and as such cannot be construed as holding out for any forecast, projection, expectation, invitation, offer, etc. within the meaning of applicable Securities' Laws and Regulations.

Actual results could differ materially from those expressed or implied. Significant factors that could make a difference to Company's operations include domestic and international economic conditions affecting demand, supply and price conditions, changes in government regulations, tax regimes and other statutes. Readers are cautioned not to place undue reliance on the forward looking statements.

INDEPENDENT AUDITOR'S REPORT (Contd.)

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF HINDUSTHAN URBAN INFRASTRUCTURE LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Hindusthan Urban Infrastructure Limited** ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to Obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial Controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India"

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Preparation of Financial Statements

The accounts of the Company are prepared under the historical cost convention except for certain fixed assets which are revalued on the accrual basis of accounting in accordance with the accounting principles generally accepted in India ("GAAP") and comply with the Accounting Standards specified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, the other relevant provisions of the Companies Act, 2013, pronouncements of the Institute of Chartered Accountants of India, and the guidelines issued by the Securities and Exchange Board of India ("SEBI"), to the extent applicable. The Financial Statements are presented as per Schedule III to the Companies Act, 2013.

B. Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets and liabilities, the disclosure of contingent liabilities at the date of financial statements and the results of operations during the reporting periods. Examples of such estimate include future obligations under employee benefit plans, income taxes, useful lives of tangible assets and intangible assets, impairment of assets, valuation of derivatives, provision for doubtful debts, etc. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could vary from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Appropriate changes in estimates are made as the management becomes aware of the changes in circumstances surrounding the estimates. Any revision to accounting estimates is recognized prospectively in current and future periods. Effect of material changes is disclosed in the notes to the financial statements.

C. Current & non-current classification:

The assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- a) it is expected to be realised in, or is intended for sale or consumption in, the company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is expected to be realised within 12 months after the reporting date; or
- d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the portion of non current financial assets. All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- a) it is expected to be settled in the company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is due to be settled within 12 months after reporting date; or
- d) the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

Current liabilities include current portion of non-current financial liabilities. All other liabilities are classified as non-current.

D. Revenue Recognition

Revenue from sale of products is recognized when the significant risks and rewards of ownership of the products are transferred to the buyer, recovery of the consideration is reasonably assured and the amount of revenue can be measured reliably. Revenues include excise duty and are shown net of sales tax, value added tax and discounts, if any.

Receipt of subsidy, disbursed by the Governments is included in other operating income. The subsidy amount is recognized only to the extent that the realization is reasonably assured.

Dividend income is recognized when the right to receive the income is established. Income from interest on deposits

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

and loans is recognized on time proportionate basis. Export incentives/ benefits are accounted for on accrual basis in the year in which exports are made and are included in other operating income.

E. Employee Benefits

- (i) Expenses and Liabilities in respect of employee benefits are recorded in accordance with Accounting Standard 15 - Employee Benefits (Revised 2005) issued by the ICAI.
- (ii) Short-term employee benefits are recognised as an expense at the undiscounted amount in the profit and loss account of the year in which the related service is rendered.
- (iii) Post employment and other long term employee benefits are recognised as an expense in the Profit and Loss account for the year in which the employee has rendered services. The expense is recognised at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial gains and losses in respect of post employment and other long term benefits are charged to the Profit and Loss account.

F. Excise Duty

The excise duty liability in respect of closing inventory of finished goods is provided for and included as part of inventory. The amount of CENVAT credits in respect of materials consumed for sales is deducted from cost of materials consumed. Amount of custom duty paid on raw materials (including in transit) is included in the value thereof.

G. Research & Development

Revenue expenditure on Research and Development is charged to the Profit and Loss account in the year in which it is incurred. Capital expenditure is shown as depreciable fixed asset.

H. Tangible Fixed Assets

Fixed Assets are stated at cost net of recoverable taxes and includes amounts added on revaluation, less accumulated depreciation and impairment loss, if any. All costs, including finance costs till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the fixed assets are capitalised.

Expenditure incurred on start up and commissioning of the project and/or substantial expansion, including the expenditure up to the date of commencement of commercial production are capitalised. Subsequent expenditures related to an item of fixed asset are capitalised to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

With effect from the current year, pursuant to the amendment in AS -10, Property, Plants & Equipment, spare parts having life more than 12 months are capitalised at their respective carrying amount with the main assets and are being depreciated over remaining useful life of the main assets prospectively.

I. Intangible Fixed Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortisation / depletion. All costs, including financing costs till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets are capitalised.

J. Depreciation and Amortisation

Depreciation is provided on straight line method as follows:-

- (i) On the original cost of fixed assets as per the useful lives and in the manner prescribed under Part C of Schedule II of The Companies Act, 2013.
- (ii) On increase in value due to revaluation on the basis of remaining useful life as estimated by the valuer, the corresponding amount is directly transferred to General Reserve from Revaluation Reserve.
- (iii) Leasehold land is amortized over the lease period.
- (iv) Intangible Fixed Assets like Product development, Software systems etc. are being amortized over a period of five years.

K. Impairment of Assets

The Company assesses at each Balance Sheet date whether there is any indication that an asset/cash generating unit may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset/cash generating unit. If such recoverable amount of the asset or the recoverable amount of the cash generating unit is less

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

than the carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss.

An assessment is also done at each balance sheet date whether there is any indication that an impairment loss recognized for an asset/cash generating unit in prior accounting periods may no longer exist or may have decreased. If any such indications exists, the asset's/ cash generating unit's recoverable amount is estimated. The carrying amount of the fixed asset/ cash generating unit is increased to the revised estimate of its recoverable amount but only to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset in previous periods. A reversal of impairment loss is recognized in the Statement of Profit and Loss.

L. Foreign Currency Transactions and Translations

- (a) Initial Recognition: Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on/or closely approximating to the date of the transaction.
- (b) Conversion: Foreign currency monetary items, if any are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.
- (c) Exchange Difference: Exchange differences arising on the settlement of monetary items, if any or on reporting such monetary items of the Company at rates different from those at which they were initially recorded during the year or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise
- (d) Foreign Exchange Forward Contracts: Monetary Assets and Liabilities, if any are restated at the rate prevailing at the period end or at the spot rate at the inception of forward contract where forward cover for specific asset/ liability has been taken and in respect of such forward contracts the difference between the contract rate and the spot rate at the inception of the forward contract is recognized as income or expense in Statement of Profit and Loss over the life of the contract. All other outstanding forward contracts on the closing date are mark to market and resultant loss is recognized as expense in the Statement of Profit and Loss. Mark to market gains, if any, are ignored. Any profit or loss arising on cancellation or renewal of such a forward exchange contract is recognized as income or as expense for the period.

M. Investments

Investments that are readily realizable and are intended to be held for not more than one year from the date, on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. Current Investments are carried at cost or fair value, whichever is lower. Long-term investments are carried at cost. However, provision for diminution is made to recognize a decline, other than temporary, in the value of the investment, such reduction being determined and made for each investment individually.

N. Inventories

Inventories are stated at lower of cost or net realisable value. The cost for the purpose of valuation is computed on the basis of weighted average price in case of Conductors and in case of Insulators Division on the basis of First-in-First out (FIFO). The cost of work-in-progress and finished goods comprises of raw materials, direct labour, other direct costs, cost of conversion and appropriate portion of variable and fixed production overheads and such other costs incurred as to bring the inventory to its present location and condition inclusive of excise duty wherever applicable. Net realisable value is the estimate of the selling price in the ordinary course of business, less the estimated costs of completion/reprocessing and the estimated cost necessary to make the sale.

O. Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to Profit and Loss account.

P. Government Grants

Grants received from the government agencies for the specific fixed assets are shown as deduction in the year

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

of receipt from the Gross value of the asset concerned and thus recognized over the remaining useful life of the depreciable asset by way of reduced depreciation charge. Revenue grants are recognised as Other operating Income where it is certain that ultimate realisability is certain.

Q. INCOME TAX

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period.

CURRENT TAX

Current tax expenses is based on the provisions of Income Tax Act, 1961 and judicial interpretations thereof as at the Balance Sheet date and takes into consideration various deductions and exemptions to which the Company is entitled to as well as the reliance placed by the Company on the legal advices received by it. Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

DEFERRED TAX

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the current year and reversal of timing differences for earlier years. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed at each Balance Sheet date and are written-down or written-up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realized. Deferred tax assets and deferred tax liabilities are offsets when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing tax laws.

R. Earnings Per Share

Basic Earnings per share is calculated by dividing the net profit for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

S. PROVISIONS AND CONTINGENT LIABILITIES

The Company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Contingent liabilities are disclosed in respect of possible obligations that may arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent Assets are neither recognized nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the assets and related income are recognized in the period in which the change occurs.

T. SEGMENT REPORTING

The accounting policies adopted for segment reporting are in line with accounting policies of the Company. Revenue, Expenses, Assets and Liabilities have been identified to segments on the basis of their relationship to operating activities of the segments and Internal Management Information Systems and the same is reviewed from time to time to realign the same to conform to the Business Units of the Company. Revenue, Expenses, Assets and Liabilities, which are common to the enterprise as a whole and are not allocable to segments on a reasonable basis, has been treated as "Common Revenue/Expenses/Assets/Liabilities", as the case may be.

U. CASH & EQUIVALENT:

Cash & cash equivalent comprise cash balances in hand, Cash balance with bank, and highly liquid investment with original maturity, at the date of purchase/investment of three months or less.

NOTE 28: - Employee Benefits

As per Accounting Standard 15 (Revised) on "Employee Benefits" (AS-15), the disclosures of Employee Benefits as defined in the Accounting Standard are given below:

a) Defined Contribution Scheme

	2016-17 (₹)	2015-16 (₹)
Contribution to Defined Contribution Plan, recognized for the year are as under:		
Employer's Contribution to Provident Fund	6,672,470	7,115,570
Employer's Contribution to Pension Fund	5,212,593	5,597,520
Employer's-ESI Contribution	3,092,265	3,334,006
Labour Welfare Fund	-	24,600
Total	14,977,328	16,071,696

The guidance on implementing Accounting Standard-15 (Revised 2005) on Employee Benefits issued by Accounting Standard Board (ASB) states that benefits involving employer's established provident funds, which require the interest shortfall to be recompensated are to be considered as "Defined Benefit Plans". The Actuarial Society of India has issued the final guidance for measurement of provident fund liabilities during the quarter ended December, 2011. The actuary has accordingly provided a valuation and based on the below provided assumptions there is no shortfall as at March 31, 2017.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF HINDUSTHAN URBAN INFRASTRUCTURE LIMITED REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

We have audited the accompanying Consolidated financial statements of **Hindusthan Urban Infrastructure Limited** ('the Company'), (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at 31st March, 2017, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "the Consolidated Financial Statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of the consolidated financial statements in terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of these consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal financial control relevant to the holding company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the holding company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, their consolidated loss and their consolidated cash flow for the year ended on that date.

INDEPENDENT AUDITOR'S REPORT (Contd.)

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF HINDUSTHAN URBAN INFRASTRUCTURE LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2017, we have audited the internal financial controls over financial reporting of **Hindusthan Urban Infrastructure Limited** ("the Holding Company") and its subsidiary company which is company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary company incorporated in India, are responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company and its subsidiary company incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the Company and its subsidiary company incorporated in India, have, in all material respects, an adequate internal financial Controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on "the internal control over financial reporting criteria established by the Company and its subsidiary company incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to one unit of holding company and one subsidiary company, incorporated in India, is based on the corresponding reports of the auditors of such unit/company incorporated in India.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

NOTE 1: - SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Preparation of Consolidated Financial Statements

The accounts of the group are prepared under the historical cost convention except for certain fixed assets which are revalued on the accrual basis of accounting in accordance with the accounting principles generally accepted in India ("GAAP") and comply with the Accounting Standards specified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, the other relevant provisions of the Companies Act, 2013, pronouncements of the Institute of Chartered Accountants of India, and the guidelines issued by the Securities and Exchange Board of India ("SEBI"), to the extent applicable. The Consolidated Financial Statements are presented as per Schedule III to the Companies Act, 2013

B. Use of Estimates

The preparation of consolidated financial statements in conformity with GAAP requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets and liabilities, the disclosure of contingent liabilities at the date of consolidated financial statements and the results of operations during the reporting periods. Examples of such estimate include future obligations under employee benefit plans, income taxes, useful lives of tangible assets and intangible assets, impairment of assets, valuation of derivatives, provision for doubtful debts, etc. Management believes that the estimates used in the preparation of the consolidated financial statements are prudent and reasonable. Actual results could vary from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Appropriate changes in estimates are made as the management becomes aware of the changes in circumstances surrounding the estimates. Any revision to accounting estimates is recognized prospectively in current and future periods. Effect of material changes is disclosed in the notes to the consolidated financial statements.

C. Current & non-current classification:

The assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- it is expected to be realised in, or is intended for sale or consumption in, the group's normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is expected to be realised within 12 months after the reporting date; or
- it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the portion of non current financial assets. All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- it is expected to be settled in the group's normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is due to be settled within 12 months after reporting date; or
- the group does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

Current liabilities include current portion of non-current financial liabilities. All other liabilities are classified as non-current.

D. Principles of Consolidation:

The consolidated financial statements have been prepared on the following basis:

- The financial statements of the Company and its Subsidiary Companies have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, incomes and expenses, after eliminating intra-group balances, intra-group transactions and unrealized profits.
- The Consolidated Financial Statements have been prepared in accordance with the Accounting Standard 21 (AS-21), "Consolidated Financial Statements" and using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements.

The subsidiary companies considered in the consolidated financial statements are as under:

Name	Country of Incorporation	Percentage of Ownership
Hindusthan Speciality Chemicals Ltd.	India	100%
Hindusthan Vidyut Products Ltd.	India	100%
Hindusthan Projects Ltd.	India	100%

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

- iii. The excess of cost to the Company of its investments in the subsidiary Company over its share of the equity of the subsidiary Company, at the date on which the investment in the subsidiary Company is made, is recognized as 'goodwill' in the consolidated financial statement. The parent company's portion of equity in the subsidiary is determined on the basis of the book value of assets and liabilities as per the financial statements of the subsidiary on the date of investment.
- iv. Goodwill in the Balance Sheet represents goodwill arising on consolidation of subsidiaries. Goodwill on consolidation is tested for impairment at each Balance Sheet date and the impairment loss, if any, is provided for.
- v. Minority Interest in the net assets of consolidated subsidiaries consists of the amount of equity attributable to the minority shareholders at the dates on which investments are made by the Company in the subsidiary companies and further movements in their share in the equity, subsequent to the dates of investments as stated above. The excess of loss over the minority interest in the equity is adjusted against General Reserve of the Company.

E. Revenue Recognition

Revenue from sale of products is recognized when the significant risks and rewards of ownership of the products are transferred to the buyer, recovery of the consideration is reasonably assured and the amount of revenue can be measured reliably. Revenues include excise duty and are shown net of sales tax, value added tax and discounts, if any.

Receipt of subsidy, disbursed by the Governments is included in other operating income. The subsidy amount is recognized only to the extent that the realization is reasonably assured.

Dividend income is recognized when the right to receive the income is established. Income from interest on deposits and loans is recognized on time proportionate basis. Export incentives/ benefits are accounted for on accrual basis in the year in which exports are made and are included in other operating income.

F. Employee Benefits

- (i) Expenses and Liabilities in respect of employee benefits are recorded in accordance with Accounting Standard 15 - Employee Benefits (Revised 2005) issued by the ICAI.
- (ii) Short-term employee benefits are recognised as an expense at the undiscounted amount in the profit and loss account of the year in which the related service is rendered.
- (iii) Post employment and other long term employee benefits are recognised as an expense in the Profit and Loss account for the year in which the employee has rendered services. The expense is recognised at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial gains and losses in respect of post employment and other long term benefits are charged to the Profit and Loss account.

G. Excise Duty

The excise duty liability in respect of closing inventory of finished goods is provided for and included as part of inventory. The amount of CENVAT credits in respect of materials consumed for sales is deducted from cost of materials consumed. Amount of custom duty paid on raw materials (including in transit) is included in the value thereof.

H. Research & Development

Revenue expenditure on Research and Development is charged to the Profit and Loss account in the year in which it is incurred. Capital expenditure is shown as depreciable fixed asset.

I. Tangible Fixed Assets

Fixed Assets are stated at cost net of recoverable taxes and includes amounts added on revaluation, less accumulated depreciation and impairment loss, if any. All costs, including finance costs till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the fixed assets are capitalised.

Expenditure incurred on start up and commissioning of the project and/or substantial expansion, including the expenditure up to the date of commencement of commercial production are capitalised. Subsequent expenditures related to an item of fixed asset are capitalised to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

With effect from the current year, pursuant to the amendment in AS -10, Property, Plants & Equipment, spare parts having life more than 12 months are capitalised at their respective carrying amount with the main assets and are being depreciated over remaining useful life of the main assets prospectively.

J. Intangible Fixed Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortisation / depletion. All costs, including financing costs till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets are capitalised.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

K. Depreciation and Amortisation

Depreciation is provided on straight line method as follows:-

- (i) On the original cost of fixed assets as per the useful lives and in the manner prescribed under Part C of Schedule II of The Companies Act, 2013.
- (ii) On increase in value due to revaluation on the basis of remaining useful life as estimated by the valuer, the corresponding amount is directly transferred to General Reserve from Revaluation Reserve.
- (iii) Leasehold land is amortized over the lease period.
- (iv) Intangible Fixed Assets like Product development, Software systems etc. are being amortized over a period of five years.

L. Impairment of Assets

The group assesses at each Balance Sheet date whether there is any indication that an asset/cash generating unit may be impaired. If any such indication exists, the group estimates the recoverable amount of the asset/cash generating unit. If such recoverable amount of the asset or the recoverable amount of the cash generating unit is less than the carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss.

An assessment is also done at each balance sheet date whether there is any indication that an impairment loss recognized for an asset/cash generating unit in prior accounting periods may no longer exist or may have decreased. If any such indications exists, the asset's/ cash generating unit's recoverable amount is estimated. The carrying amount of the fixed asset/ cash generating unit is increased to the revised estimate of its recoverable amount but only to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset in previous periods. A reversal of impairment loss is recognized in the Statement of Profit and Loss.

M. Foreign Currency Transactions and Translations

- (a) Initial Recognition: Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on/ or closely approximating to the date of the transaction.
- (b) Conversion: Foreign currency monetary items, if any are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.
- (c) Exchange Difference: Exchange differences arising on the settlement of monetary items, if any or on reporting such monetary items of the group at rates different from those at which they were initially recorded during the year or reported in previous consolidated financial statements, are recognized as income or as expenses in the year in which they arise.
- (d) Foreign Exchange Forward Contracts: Monetary Assets and Liabilities, if any are restated at the rate prevailing at the period end or at the spot rate at the inception of forward contract where forward cover for specific asset/ liability has been taken and in respect of such forward contracts the difference between the contract rate and the spot rate at the inception of the forward contract is recognized as income or expense in Statement of Profit and Loss over the life of the contract. All other outstanding forward contracts on the closing date are mark to market and resultant loss is recognized as expense in the Statement of Profit and Loss. Mark to market gains, if any, are ignored. Any profit or loss arising on cancellation or renewal of such a forward exchange contract is recognized as income or as expense for the period.

N. Investments

Investments that are readily realizable and are intended to be held for not more than one year from the date, on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. Current Investments are carried at cost or fair value, whichever is lower. Long-term investments are carried at cost. However, provision for diminution is made to recognize a decline, other than temporary, in the value of the investment, such reduction being determined and made for each investment individually.

O. Inventories

Inventories are stated at lower of cost or net realisable value. The cost for the purpose of valuation is computed on the basis of weighted average price except in case of Insulators Division of the parent company on the basis of First-in-First out (FIFO). The cost of work-in-progress and finished goods comprises of raw materials, direct labour, other direct costs, cost of conversion and appropriate portion of variable and fixed production overheads and such other costs incurred as to bring the inventory to its present location and condition inclusive of excise duty wherever applicable. Net realisable value is the estimate of the selling price in the ordinary course of business, less the estimated costs of completion/reprocessing and the estimated cost necessary to make the sale.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

P. Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to Profit and Loss account.

Q. Government Grants

Grants received from the government agencies for the specific fixed assets are shown as deduction in the year of receipt from the Gross value of the asset concerned and thus recognized over the remaining useful life of the depreciable asset by way of reduced depreciation charge. Revenue grants are recognised as Other Operating Income where it is certain that ultimate realisability is certain.

R. INCOME TAX

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period.

CURRENT TAX

Current tax expenses is based on the provisions of Income Tax Act, 1961 and judicial interpretations thereof as at the Balance Sheet date and takes into consideration various deductions and exemptions to which the group is entitled to as well as the reliance placed by the group on the legal advices received by it. Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

DEFERRED TAX

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the current year and reversal of timing differences for earlier years. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed at each Balance Sheet date and are written-down or written-up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realized. Deferred tax assets and deferred tax liabilities are offsets when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing tax laws.

S. Earnings Per Share

Basic Earnings per share is calculated by dividing the net profit for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

T. PROVISIONS AND CONTINGENT LIABILITIES

The group recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Contingent liabilities are disclosed in respect of possible obligations that may arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the group. Contingent Assets are neither recognized nor disclosed in the consolidated financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the assets and related income are recognized in the period in which the change occurs.

U. SEGMENT REPORTING

The accounting policies adopted for segment reporting are in line with accounting policies of the group. Revenue, Expenses, Assets and Liabilities have been identified to segments on the basis of their relationship to operating activities of the segments and Internal Management Information Systems and the same is reviewed from time to time to realign the same to conform to the Business Units of the group. Revenue, Expenses, Assets and Liabilities, which are common to the enterprise as a whole and are not allocable to segments on a reasonable basis, has been treated as "Common Revenue/Expenses/Assets/Liabilities", as the case may be.

V. Cash & Cash Equivalent:

Cash & cash equivalent comprise cash balances in hand, Cash balance with bank, and highly liquid investment with original maturity, at the date of purchase/investment of three months or less.

NOTE 29: - Employee Benefits

As per Accounting Standard 15 (Revised) on "Employee Benefits" (AS-15), the disclosures of Employee Benefits as defined in the Accounting Standard are given below:

a) Defined Contribution Scheme

Contribution to Defined Contribution Plan, recognized for the year are as under:

Particulars	2016-17 (₹)	2015-16 (₹)
Employer's Contribution to Provident Fund	6,672,470	7,305,844
Employer's Contribution to Pension Fund	5,212,593	5,683,164
