**EXPLANATORY STATEMENT PURSUANT TO SECTION 102
OF THE COMPANIES ACT, 2013**

ITEM NO: 3 and 4

Keeping in view the Company's existing and future financial requirements to support its business operations, the Company needs additional funds. For this purpose, the Company is desirous of raising finance from various Banks and/or Financial Institutions and/or any other lending institutions and/or Bodies Corporate and/or such other persons/ individuals as may be considered fit, which, together with the moneys already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in ordinary course of business) may exceed the aggregate of the paid-up capital and the free reserves of the Company. Your consent is therefore sought, to authorize the Board to borrow up to Rs. 150 crores/- (Rupees One Hundred and Fifty crores only) (apart from temporary loans obtained from the Company's bankers in the ordinary course of business) as outstanding, at any time as set out in the resolution.

In order to facilitate securing the borrowing made by the Company, it would be necessary to create charge on the assets or whole or part of the undertaking of the Company. Section 180(1)(a) of the Companies Act, 2013 provides for the power to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company subject to the approval of members in the General Meeting.

In order to facilitate securing the borrowing made by the Company, it would be necessary to create charge on the assets or whole or part of the undertaking of the Company. Section 180(1)(a) of the Companies Act, 2013 provides for the power to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company subject to the approval of members in the General Meeting.

The members are requested to approve item No. 3 and 4 by way of passing a Special Resolution.

None of the persons specified in Section 102 of the Companies Act, 2013 namely the Promoters, Directors, Key Managerial Personnel, Relatives of Promoters, Directors and Key Managerial Personnel or the entities comprising the interest of Promoters, Directors or Key Managerial Personnel, are concerned or interested in the above resolution.

ITEM NO: 05

In order to make optimum use of funds available with the Company and also to achieve long term strategic and business objectives, the Board of Directors of the Company proposes to make use of the same by making investment in other bodies corporate or granting loans, giving guarantee or providing security to other persons or other body corporate or as and when required.

Pursuant to the provisions of section 186(3) of the Companies Act, 2013 and rules made there under, the Company needs to obtain prior approval of shareholders / members by way of special resolution passed at the General Meeting in case the amount of investment, loan, guarantee or security proposed to be made is more than the higher of sixty percent of the paid up share capital, free reserves and securities premium account or one hundred percent of free reserves and securities premium account.

Accordingly, the Board of Directors of the Company proposes to obtain approval of shareholders by way of special for an amount not exceeding INR 50.00 Crores (Indian Rupees Fifty Crores Only) outstanding at any time notwithstanding that such investments, outstanding loans given or to be given and guarantees and security provided are in excess of the limits prescribed under Section 186 of the Companies Act, 2013.

The Directors therefore, recommend the Special Resolution for approval of the shareholders.

None of the Directors, Key Managerial Personnel of the Company or their relatives or any of other officials of the Company as contemplated in the provisions of Section 102 of the Companies Act, 2013 is, in any way, financially or otherwise, concerned or interested in the resolution.

ANNEXURE IV

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENT

The Gems and Jewellery sector plays a significant role in the Indian economy, contributing around 7 per cent of the country's GDP and 15 per cent to India's total merchandise exports. It also employs over 4.64 million workers and is expected to employ 8.23 million by 2022. One of the fastest growing sectors, it is extremely export oriented and labour intensive.

Based on its potential for growth and value addition, the Government of India has declared the Gems and Jewellery sector as a focus area for export promotion. The Government has recently undertaken various measures to promote investments and to upgrade technology and skills to promote 'Brand India' in the International market.

India is deemed to be the hub of the global jewellery market because of its low costs and availability of high-skilled labour. India is the world's largest cutting and polishing centre for diamonds, with the cutting and polishing industry being well supported by government policies. Moreover, India exports 75 per cent of the world's polished diamonds, as per statistics from the Gems and Jewellery Export promotion Council (GJEPC). India's Gems and Jewellery sector has been contributing in a big way to the country's foreign exchange earnings (FEEs). The Government of India has viewed the sector as a thrust area for export promotion. The Indian government presently allows 100 per cent Foreign Direct Investment (FDI) in the sector through the automatic route.

The Company's growth considering the past few years' performance has increased. The Company is taking necessary steps for increasing profits from year to year. The total revenue from the operations for the year ended March 31, 2019 amounted to Rs. 806.83 (In Crores) as against Rs. 548.86/- (In Crores) in the previous Financial Year 2017-18.

OUTLOOK

India is the largest consumer of gold in the world. Rising middle class population and increasing income levels are the key drivers for the demand of gold and other Jewellery in India. Gold demand in India rose 11 per cent year-on-year to 523.93 tonnes during January to September 2018. Also, the Government of India has permitted 100 per cent Foreign Direct Investment (FDI) in the sector under the automatic route. As of January 2018, the Reserve Bank of India (RBI) has increased the scope of the gold-monetization scheme by allowing charitable institutions and government entities to deposit gold, which is expected to boost deposits over the coming months. The Bureau of Indian Standards (BIS) has revised the standard on gold hallmarking in India from January 2018, to include a BIS mark, purity in carat and fitness as well as the unit's identification and the jeweller's identification mark on gold jewellery. The move is aimed at ensuring a quality check on gold Jewellery. The outlook for industry growth is bright and likely to grow in the future.

Market size

Gold demand in India rose to 760.40 tonnes between January to December 2018. India's gems and jewellery exports stood at US\$ 4.99 billion between Apr 2019 –May 2019*. During the same period, exports of cut and polished diamonds stood at US\$ 3.52 billion, thereby contributing about 76.96 per cent of the total gems and jewellery exports in value terms. Exports of gold coins and medallions stood at US\$ 686.51 million and silver jewellery exports stood at US\$ 765.98 million between April 2018 - March 2019.

The gems and jewellery market in India is home to more than 300,000 players, with the majority being small players. Its market size is about US\$ 75 billion as of 2017 and is expected to reach US\$ 100 billion by 2025. It contributes 29 per cent to the global jewellery consumption.

India is one of the largest exporters of gems and jewellery and the industry is considered to play a vital role in the Indian economy as it contributes a major chunk to the total foreign reserves of the country. The Goods and Services

Tax (GST) and monsoon will steer India's gold demand going forward.

INVESTMENTS/ DEVELOPMENTS

The Gems and Jewellery sector is witnessing changes in consumer preferences due to adoption of western lifestyle. Consumers are demanding new designs and varieties in jewellery, and branded jewellers are able to fulfil their changing demands better than the local unorganised players. Moreover, increase in per capita income has led to an increase in sales of jewellery, as jewellery is a status symbol in India.

The cumulative Foreign Direct Investment (FDI) inflows in diamond and gold ornaments in the period April 2000 – March 2019 were US\$ 1.16 billion, according to Department for Promotion of Industry and Internal Trade (DPIIT).

Some of the key investments in this industry are listed below:

Deals worth Rs 8,000 crore (US\$ 1.19 billion) were made at the Indian International Jewellery Show held in August 2018.

RISKS AND CONCERNS

The cost of borrowing for the industry has gone up in the last few months which is nothing but direct risk-and-reward relationship at which banks do the pricing. The more important aspect is the perception of risk which has a bearing of past experience.

Improvement in the profile of the sector — financial, conduct and practices - will have to be seen on ground, and only then will the banks get the confidence to provide further support to the sector

It is essential to correctly assess the risk in each segment so that the risk is mitigated before it becomes a possible threat. General risk segments are statutory compliances, economy, nancials, Government policies, market related, operational, products and technology etc

OPPORTUNITIES & THREATS

Opportunities

1. Growing preference for online platform
2. Rural development
3. Customer's preference in choosing hallmarked products over products made by un-organized manufacturers.
4. Concentrating in one sector makes the company mature in the industry and gain efficiency in operations.
5. Scaling of economy resultant out of Brand/ Advertisement & Publicity / Procurement of Gold, Product Mix, designs, etc.
6. Increasing disposable income in Tier II and III locations as well as growing consciousness of branded jewellery in these locations which is shifting demand toward organized players.

Threats

1. Presence of Small and un-organized industry players affects a sustained growth in the industry.
2. Depending on bank finance and customer advances.
3. Existing competitors.
4. Penetration of large corporates jewellery traders cutting down margins.
5. Macro-economic factors such as Rupee fluctuations, enactment of new laws such as GST, KYC norms and global demand.
6. Recession affects the industry growth in general.
7. Acute shortage of skilled labour increases the production cost significantly.
8. Highly fluctuating gold price movement acts as a damper.

- Increasing duties and cess following GST implementation.

SEGMENT WISE OPERATIONAL PERFORMANCE

It is single segment and the product is gold jewellery - performance depends upon the competition, gold price movement, customer satisfaction and the general demand and supply position and also government regulations.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has in place adequate system of internal control. It has documented procedures covering all financial and operating functions. These controls have been designed to provide a reasonable assurance with regard to maintaining of proper accounting controls, monitoring of operations, protecting assets from unauthorized use or losses, compliances with regulations and for ensuring reliability of financial reporting. The Company has continued its efforts to align all its processes and controls with global best practices in these areas as well.

Some significant features of the internal control systems are:

INDEPENDENT AUDITORS' REPORT

To the Members of **SKY GOLD LIMITED (Formerly known as Sky Gold Private Limited)**,

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **SKY GOLD LIMITED (Formerly known as Sky Gold Private Limited)** (“the Company”), which comprise the Balance Sheet as at March 31, 2019 and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2019, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit Matter - Accuracy in movement of Inventories:

<p><u>Movements of Inventories:</u></p> <p>The company is engaged in manufacturing of Gold Jewellery business. Since Company's sale has increased substantially in the current year, Company's all activity including purchase, casting, designing, marketing etc. has increased substantially.</p> <p>Considering that this substantial Increase in all major activity, errors in recording movement of inventories can lead to material impact on carrying amount of Inventory as well as profit for the year hence we have considered this as a key audit matter.</p>	<p><u>How our audit addressed the key audit matter :</u></p> <ul style="list-style-type: none">➤ Obtained an understanding of management's process and evaluated design and tested operating effectiveness of controls around recording of Inventories.➤ Selected sample of transactions which leads to movement of Inventories and tested with the records maintained by the company.➤ We undertook substantive audit procedures to test whether management process for recording inventories are effectively followed during the year.
---	---

Management's Responsibility for the Financial Statements

The Management is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give true and fair view of the financial position, financial performance and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2016. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that

includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor report) Order, 2016 ("The Order") Issued by the Central Government of India in terms of Section 143(11) of the Act, we give the "Annexure – A" statement on the matter specified in paragraph 3 & 4 of the order.

SKY GOLD LIMITED

Annexure “B” Auditors’ Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls over financial reporting of SKY GOLD LIMITED (Formerly known as Sky Gold Private Limited) (“the Company”) as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- c) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SKY GOLD LIMITED

(Previously known as SKY GOLD PVT. LTD.)

NOTE : 1

SIGNIFICANT ACCOUNTING POLICIES

- 1. Basis of Presentation of Financial Statements:** The Financial Statements are prepared in accordance with the Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention (except in case of assets for which provision for impairment is made), on the accrual basis of accounting and complying with the provisions of the Companies Act, 2013. Accounting policies not specifically referred to otherwise, are in consonance with accounting principles generally accepted in India and Accounting Standards issued by The Institute of Chartered Accountants of India (ICAI) to the extent applicable. The accounting policies adopted in preparation of financial statements are consistent with those of previous year.
- 2. Use of Estimates:** The preparation of financial statements in conformity with Indian GAAP requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Although, these estimates are based upon management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amount of assets & liabilities in future period.
- 3. Inventories:** Inventories are valued at cost or net realizable value, whichever is lower. The cost includes all costs incurred in bringing the inventories to their present location and condition. In the case of work-in-progress and finished goods, cost also include costs of conversion. Net realizable value is the estimated selling price in ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

SKY GOLD LIMITED **(Previously known as SKY GOLD PVT. LTD.)**

- 4. Cash Flow Statement:** The company reports cash flow from operating activities using Indirect Method, where by net profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments, and items of income or expense associated with investing or financing cash flows. Cash & cash equivalents for the purpose of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of 3 months or less.
- 5. Revenue Recognition:** Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received net of discounts, rebates, and sales taxes or duty. Export Sales are booked at the rate on the date of transaction and the resultant gain or loss on realization or on translation is accounted as "Foreign Exchange Fluctuation" and is dealt with in the statement of Profit and Loss Account. Other Income is accounted on accrual basis except where receipt of income is uncertain. Interest is recognised on a time proportion basis considering the amount outstanding and the applicable rate of interest. Dividend is recognised when company's right to receive dividend is established by the reporting date.
- 6. Property Plant and Equipment:** An item of property, plant and equipment measured at cost, net of recoverable indirect taxes, less accumulated depreciation. Cost comprises the purchase price and directly attributable cost of bringing the asset to its working condition for its intended use. All costs, including financial costs till commencement of commercial production or use are capitalized to the cost of qualifying assets. Recoverable Indirect Taxes credits on capital goods are accounted for by reducing the cost of capital goods. Gains & losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognised in the Statement of Profit & Loss when the asset is derecognised. The amount of depreciation is reduced from the carrying amount of asset. Depreciation has been charged on Fixed Assets as per Written Down Value Method, based on useful life of the assets and in the manner as prescribed in Schedule II of the Companies Act, 2013. In respect of additions or extensions forming an integral part of existing assets, depreciation is provided as aforesaid over the residual life of the respective assets.

SKY GOLD LIMITED
(Previously known as SKY GOLD PVT. LTD.)

- 7. Foreign Exchange Fluctuation:** Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction. Monetary items denominated in foreign currencies at the year-end are restated at year end rates. Any income or expense on account of exchange difference either on settlement or on translation is recognised in the Profit and Loss account except in case of long term liabilities, where they relate to acquisition of fixed assets, in which case they are adjusted to the carrying cost of such assets.
- 8. Investment Accounting:** Investments are classified as Non-Current and Current Investments. Investments, which are readily realizable and intended to be held for not more than 1 year from the date on which investments are made, are classified as Current Investments. All other investments are classified as Non-current investments. Non-current investments are carried at cost. However, provision is made for any diminution in the value of the Non-Current Investments, if such decline is other than temporary. Current investments are carried at lower of cost and quoted/fair value, computed category wise.
- 9. Employee Benefits:** Defined Contribution plans and short term employee benefits such as salary, bonus, provident fund, etc. are charged to Profit & Loss account as incurred. The employees' gratuity scheme is a defined benefit plan. The present value of the obligation under such defined benefit plan is determined at each Balance Sheet date based on actuarial valuation carried out by an independent actuary using Projected Unit Credit (PUC) method. Actuarial gains and losses are recognized immediately in the Statement of Profit and Loss. Past service cost is recognized as an expense on a straight-line basis over the average period until the benefit becomes vested. To the extent the benefits are already vested past service cost is recognized immediately.

The Company does not have any system of accumulation of unutilized privilege leave applicable to its employees and no provision is made for the same.

SKY GOLD LIMITED **(Previously known as SKY GOLD PVT. LTD.)**

10. Segment Reporting: Segment accounting policies are the accounting policies adopted for preparing and presenting the financial statements of the enterprise as well as those accounting policies that relate specifically to segment reporting. It may be based on Business segments or Geographical segments. A geographical segment is a distinguishable component of an enterprise that is engaged in providing products or services within a particular economic environment and that is subject to risks and returns that are different from those of components operating in other economic environment based on the specific factors. The Company is engaged in the business of Gold Jewellery manufacturing. There is no separate reportable segment in terms of Accounting Standards 17.

11. Earnings per Share: Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders & weighted average number of shares outstanding during the year is adjusted for the effect of all dilutive potential equity shares.

12. Accounting for Taxes: Provision for current tax is made and retained in the accounts on the basis of estimated tax liability as per the applicable provisions of the Income Tax Act, 1961. As required by "Accounting Standard 22 - Accounting for Taxes on Income", the company has provided for Deferred Taxes. The tax effect of timing differences originating and reversing during the year has been reflected in the current year's Profit & Loss Ac.

SKY GOLD LIMITED
(Previously known as SKY GOLD PVT. LTD.)

13.Provisions, Contingent Liabilities & Contingent Assets: A provision is recognised when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Where no reliable estimate can be made, a disclosure is made as Contingent Liability. A disclosure for contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not; require an out flow of resources. Contingent Assets are neither recognized nor disclosed in the financial statements. When there is a possible or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.
