

Rupee-denominated green bonds to have long tenure

PRESS TRUST OF INDIA
New Delhi, February 6

ASSERTING THAT THE issuance of sovereign green bonds is part of the government's overall borrowing programme, Economic Affairs Secretary Ajay Seth has said these rupee-denominated papers will have long tenure to suit the requirement of green infrastructure projects.

Finance Minister Nirmala Sitharaman in her Budget Speech announced that the government proposes to issue sovereign green bonds to mobilise resources for green infrastructure.

"The proceeds will be deployed in public sector projects which help in reducing the carbon intensity of the economy," she said in the Budget 2022-23.

In a post-Budget interview with PTI, Seth said this is part of the overall borrowing for the next financial year.

"At this point of time, we are looking at the domestic markets and rupee-denominated...the tenure would be normal like any G-sec tenure. It would be medium to long term but not short term. Fund mobilised will

be used in the infrastructure sector, which has a requirement of long-term finances," Seth said.

Before taking a decision on quantum, Seth said the RBI will come out with a framework, which will have details about projects or sectors that would qualify for funding under the sovereign green bonds.

Besides, he said the guidelines will have details related to the monitoring of fund usage in green or less carbon-emitting areas and assurances for investors.

"This is not a general-purpose borrowing. These are going to be purpose-oriented borrowing. We will come out with a framework in the coming months. It's not a one year instrument but there will be more need for such an investment, and more eagerness of the

investors in the area in the coming years," he said.

During 2022-23, the government plans to borrow a record ₹11.6 lakh crore from the market to meet its expenditure requirement to prop up the economy hit by the Covid-19 pandemic.

Seth, however, assured that the government will execute the market borrowing programme in the next financial year in a non-disruptive manner without crowding out the private sector.

This is nearly ₹2 lakh crore higher than the current year's Budget estimate of ₹9.7 lakh crore.

Even the gross borrowing for the next financial year will be the highest-ever at ₹14,95,000 crore as against ₹12,05,500 crore Budget Estimate (BE) for 2021-22.

However, the gross borrowing has been revised downwards by nearly ₹2 lakh crore to ₹10,46,500 crore for the current financial year helped by an improvement in revenues.

Gross borrowing includes repayment of past loans. The government raises money from the market to fund its fiscal deficit through dated securities and treasury bills.

Production activity likely to pick up in Q4: MSI

PRESS TRUST OF INDIA
New Delhi, February 6

THE COUNTRY'S LARGEST carmaker Maruti Suzuki India is expecting production activity to improve in the current quarter with gradual improvement in the supply of critical electronic components, a senior company official has said.

The auto major is also looking at ways, including bolstering its SUV portfolio, in order to get back to 50% market share in the domestic passenger vehicle segment in the years ahead.

The company's cumulative market share currently hovers around 44% as it continues to struggle in the mid-size SUV segment, which has been growing at a fast clip.

"An estimated 90,000 vehicles could not be produced during the third quarter owing to the global shortage of electronics components mostly corresponding to the domestic models. Though still unpredictable, the electronics supply situation is improving gradually. The company hopes to increase production in Q4, though it will not reach full capacity," Maruti Suzuki India (MSI) CFO Ajay Seth said in an analyst call.

At present, MSI has a cumulative production capacity of around 5.5 lakh units per quarter or about 22 lakh units per annum across its manufacturing plants in Haryana and Gujarat.

IPO-bound LIC ropes in six independent directors on its board

PRESS TRUST OF INDIA
New Delhi, February 6

AHEAD OF INITIAL public offering (IPO), Life Insurance Corporation (LIC) has last month appointed six independent directors on its board to meet regulatory norms of corporate governance.

LIC appointed former financial services secretary Anjuly Chib Duggal, ex-Sebi member G Mahalingam, former SBI Life managing director Sanjeev Nautiyal, sources said.

Besides, chartered accountant MP Vijay Kumar, Raj Kamal, and V S Parthasarathy are roped in as independent directors on LIC's board.

With the appointment, the total number of independent directors goes up to 9 and all vacancies are filled.

Fulfilling corporate governance norms is an important element for filing Draft Red Herring Prospectus (DRHP) with the Securities Exchange Board of India (Sebi).

The central government is expected to file draft papers for the mega initial public offering of LIC with market regulator Sebi by this week, Department of Investment and Public Asset Management (DIPAM) Secretary Tuhin Kanta Pandey had said.

The embedded value of LIC has been arrived at and it is over ₹5 lakh crore. The size of the issue would be mentioned in the DRHP.

The issue, after approval of Sebi, is likely to hit the market in March, Pandey said.

Up to 10% of the LIC IPO issue size would be reserved for policyholders.

LIC's listing is crucial for the government to meet the lowered revenue estimates of ₹78,000 crore for the current financial year.

Till now, the Centre has raised around ₹12,000 crore from privatisation of Air India and stake sale in other PSUs.

To facilitate smooth listing of the insurance behemoth, the government last week extended the tenure of LIC chairman M R Kumar for one year.

Besides, the government has also extended the tenure of one of the managing directors, Raj Kumar, for 12 months.

This is the second extension for the LIC chairman. Last year in June, he was given a nine-month extension in a view of LIC's proposed initial public offering towards the end of the current financial year.

पारदर्शिता के लिए वापस लिए गए पदों का विज्ञापन फिर जारी होगा

जम्मू, 6 जनवरी (भाषा)।

जम्मू-कश्मीर प्रशासन ने रविवार को कहा कि पारदर्शी तरीके से भर्ती के लिए वापस लिए गए पदों का विज्ञापन फिर से जारी किया जाएगा। 31 अक्टूबर, 2019 से पहले के जम्मू-कश्मीर लोक सेवा आयोग (पीएससी) और सेवा चयन आयोग (एसएसबी) को संदर्भित रिक्तियों को वापस लिए जाने से प्रशासन को आलोचना का सामना करना पड़ रहा है।

एक आधिकारिक प्रवक्ता ने कहा कि प्रशासनिक परिषद के हालिया निर्णय द्वारा वापस ली गई सभी रिक्तियों को फिर से भर्ती एजेंसियों को भेजा जाएगा ताकि जल्द से जल्द भर्ती की जा सके। प्रवक्ता ने कहा, 'नई भर्ती नए अधिवास, आरक्षण और भर्ती नियमों के अनुसार होगी और सभी को समान अवसर प्रदान किया जाएगा। एक स्वतंत्र, निष्पक्ष

प्रवक्ता ने बताया कि विभिन्न विभागों के भर्ती नियमों में बदलाव किया गया है, जबकि कई पदों के लिए जरूरी योग्यता और अनुभव में बदलाव किया गया है। यह भी बताया कि 31 अक्टूबर, 2019 के बाद कुछ पदों को केंद्र शासित प्रदेश लद्दाख को स्थानांतरित किया गया था। प्रवक्ता ने कहा कि लद्दाख में स्थानांतरित पदों का विज्ञापन अब भर्ती नहीं की जा सकती, इसलिए इन पदों को वापस लेना जरूरी था। उन्होंने कहा कि हाल ही में विज्ञापित लगभग 3,000 चतुर्थ श्रेणी के पदों के लिए भर्ती जल्द ही पूरा कर ली जाएगी।
