

PROCUREMENT SEEN AT 13-YEAR LOW OF 19.5 MT

No plan to curb wheat exports yet: Govt

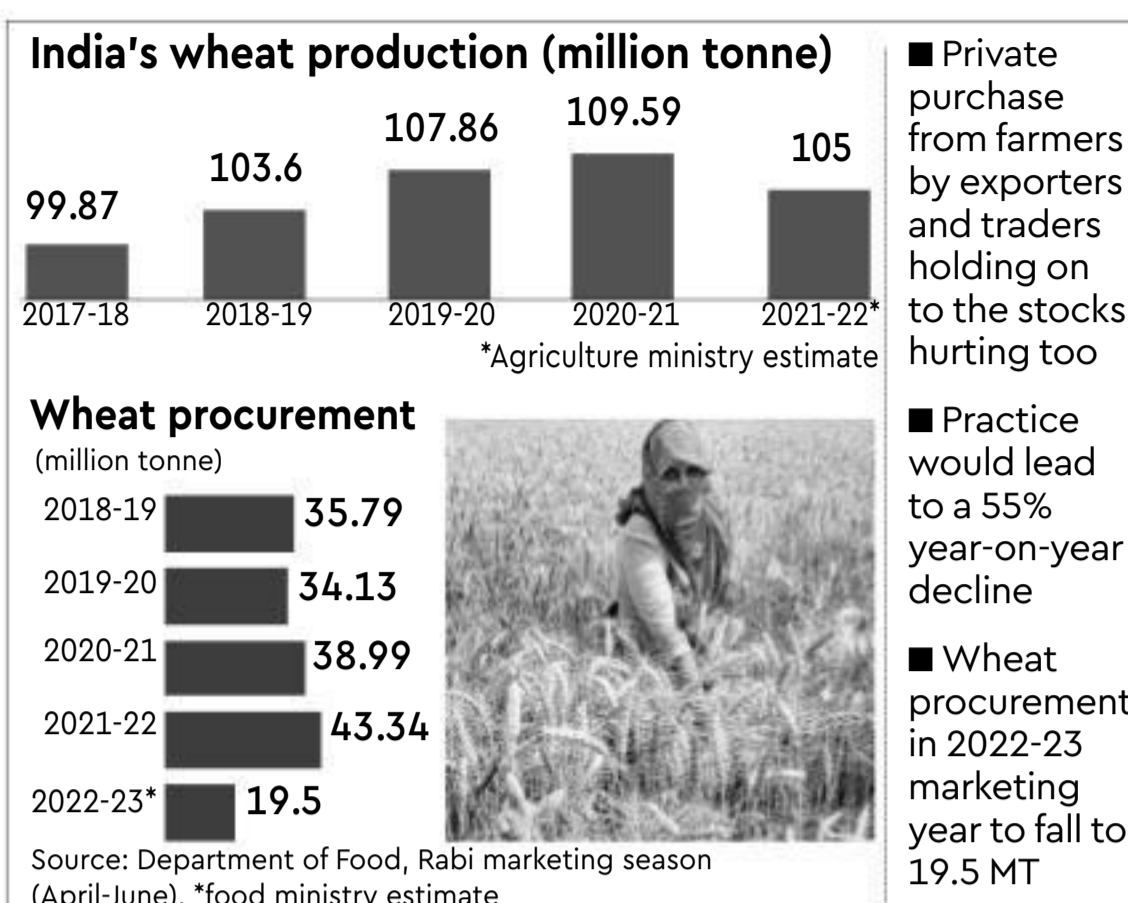

Grain output to decline about 6% to 105 MT in 2021-22 crop year as early onset of summer adversely impacted yield

SANDIP DAS
New Delhi, May 4

THE GOVERNMENT HAS revised the estimate of wheat production in the 2021-22 crop year (July-June) to 105 million tonne (MT), down from its February projection of 111.32 MT, based on reports that the early onset of summer in March has adversely impacted crop yield. India's wheat production was a record 109.59 MT in 2020-21 crop year.

However, official sources told FE that they are keeping a close watch on wheat exports and will take a call on if the exports need to be curbed later this month. "There is no case for controlling exports of wheat at present," sources said.

Food secretary Sudhanshu Pandey said the lower output, coupled with private purchase from the farmers by exporters and traders holding on to the stocks would lead to a 55% year-on-year decline in wheat procurement in the 2022-23

marketing year to 19.5 MT. This means the purchases of the cereal by the government at minimum support prices (MSP) would hit a 13-year low this year.

The agriculture ministry will soon announce the third advance estimate of the country's food grains output for crop year 2021-22, which will include the estimate of wheat output.

In 2010-11, wheat procurement was 22.5 MT and in 2016-17, it was

22.96 MT. MSP purchases of wheat stood around 17 MT as on Tuesday, down 42% from the year-ago level.

On the lower volume of wheat procurement, the food ministry has cited factors such as farmers in Madhya Pradesh, Uttar Pradesh and Gujarat selling to traders and exporters at around ₹2,100-2,400 a quintal against the MSP of ₹2,015 a quintal, and they are also holding some quantities, expecting higher prices of wheat after some months.

Free ration scheme: Additional 5.5 MT rice allocated to fill wheat gap

The government on Tuesday has revised the grain allocation under the Pradhan Mantri Garib Kalyan Anna Yojana (PMGKAY) during May-September, 2022, because of a sharp fall in wheat stocks held with Food Corporation of India (FCI).

As per the revised guideline, during the remaining five months of phase VI of PMGKAY, FCI will allocate 3.5 million tonne (MT) of wheat to states against the earlier communication to supply 9 MT of grain.

This move to allocate more rice than wheat came after the latter's stock held with FCI as of May 1 dropped to a five-year low of 31 MT on May 1. "In order to mitigate scarcity-like situation and to ensure availability of sufficient stocks as per stocking norms, it has been decided to revise allocation during May-September 2022," the food ministry wrote to states recently.

The food secretary said the government has allocated 5.5 MT of additional rice in place of wheat to states for distribution under the government's free ration scheme PMGKAY.

Launched in 2020, as part of the Covid-19 relief measure, 5 kg of grain under PMGKAY is provided free each month besides highly subsidised foodgrain to more than 81 beneficiaries under the National Food Security Act. While India is aiming at exporting more than 10 MT of wheat in 2022-23, given the lower level of procurement and stocks held with FCI, the government is likely to regulate exports to avoid domestic supply constraints.

Steel PLI deadline extended till May 31 now

PRESS TRUST OF INDIA
New Delhi, May 4

THE GOVERNMENT HAS extended the deadline to submit applications under the production-linked incentive scheme for speciality steel till May 31, according to an official notification.

The deadline has been extended for the second time. Initially, March 29 was the last date for manufacturers to apply for the benefits under the PLI (production-linked incentive) scheme for speciality steel. It was later extended till April 30.

"...the application window (for scheme) will be kept open up till May 31, 2022," according to the steel ministry notification dated April 28.

Earlier, an official in the ministry had told PTI that the government was considering modifications in the PLI scheme for speciality steel after steel makers raised certain concerns.

The government is working on a uniform incentive on the production of speciality steel and considering inclusion of more grades, especially those used in the defence sector, to the scheme, the official had said.

On July 22 last year, the Union Cabinet chaired by Prime Minister Narendra Modi had approved a ₹6,322-crore PLI scheme to boost the production of speciality steel in the country. The move is expected to attract an additional investment of about ₹40,000 crore and create 5.25 lakh job opportunities.

Russia oil: India trying to get deeper discounts of below \$70 per barrel

DEBJIT CHAKRABORTY
May 4

INDIA IS TRYING to get deeper discounts on Russian oil to compensate for the risk of dealing with the OPEC+ producer as other buyers turn away, according to people with knowledge of the matter.

New Delhi is seeking Russian cargoes at less than \$70 a barrel on a delivered basis to compensate for additional hurdles, such as securing financing for purchases, in high-level talks between the two countries, said the people, asking not to be identified as discussions are confidential. Global benchmark Brent is currently

Tax reassessment: SC sets aside HC orders, revives show-cause notices

INDU BHAN & PRASANTA SAHU
New Delhi, May 4

THE SUPREME COURT on Wednesday held that the reassessment notices issued under the unamended Section 148 of the Income Tax Act or after April 1, 2021, will not be deemed to be invalid just because they were issued under the old law.

While modifying the relevant orders of various high courts that quashed the reassessment notices issued under the Section after the cut-off date, the SC said that these notices will be deemed as show-cause notices issued to the respective assessee under the new Section 148A of the Act.

The SC order would mean that the change in law can't be an alibi for taxpayers to escape the proceedings initiated via the notices. The rare step taken by the apex court invoking the Constitution will help clear the backlog of over 9,000 appeals filed by the finance ministry in this connection. The apex court ruled that its order shall also govern the relevant pending cases before various HCs.

A Bench led by Justice MR Shah passed the judgment in a batch of cases led by Union of India vs Ashish Agarwal. In this batch of 24 cases, the high courts had ruled in favour of the assessee by quashing several

Govt: Oil imports from Moscow minuscule

trading near \$108 a barrel. State-owned and private refiners in the world's third-biggest oil

importer have bought more than 40 million barrels of Russian crude since the invasion of Ukraine in late February, the people said. That's 20% more than Russia-to-India flows for the whole of 2021, according to Bloomberg calculations based on trade ministry data.

India, which imports over 85% of its oil, is among the few remaining buyers of Russian crude, a key source of revenue for Vladimir Putin's regime. Evaporating European demand is putting severe pressure on Russia's oil industry, with the government forecasting output could drop by as much as 17% this year.

reassessment notices issued by the department under Section 148 on the ground that the same were bad in law in view of the amendment by the Finance Act, 2021.

Partly allowing the appeals filed by the government, the apex court said that the requirement of conducting an enquiry, if required, with the prior approval of specified authority under section 148A(a) is hereby dispensed with as a one-time measure vis a vis those notices which have been issued under section 148 of the unamended Act from April 1, 2021 till date, including those which have been quashed by the HCs.

"All defences which may be available to the assessee, including those available under Section 149 of the IT Act, and all rights and contentions which may be available to the concerned assessee and the Revenue under the Finance Act, 2021, and in law shall continue to be available," the

judgment stated.

The assessing officer has to provide respective assessee information and material relied upon by the Revenue within 30 days from today so that the latter can respond to the show-cause notices within two weeks thereafter, the top court ruled.

Welcoming the SC decision, Rakesh Nangia, chairman, Nangia Andersen India, said while reversing/modifying the orders the SC has acknowledged that the HC orders on this issue was correct, based on interpretation of statutory provisions. "However, the SC has also noted that while change in law for reassessment has been made by the legislature for the benefit of taxpayers and department cannot be left remediless due to a bona-fide mistake of extending time limits by extension notification and issuing such reassessment notices on/ after 01.04.2021 under old reassessment law, when new law had become applicable."

Nangia added that the apex court has struck a balance between the rights of the department and taxpayers and taken care to prevent the loss to public exchequer. According to the tax expert, till now, the SC had been refraining from invoking extraordinary constitutional power in tax matters and interpreting tax laws based on statute book, as it stands.

IITs, NITs may be roped in for chip-making

KIRAN RATHEE
New Delhi, May 4

THE MINISTRY OF electronics and IT (MeitY) is aiming that at least 175 semiconductor chips should be designed and fabricated by students at premier institutes like IITs in the coming five years.

In order to make that happen, the government has widened the infrastructure by allowing students to remotely access high-tech tools for chip-making. Earlier, to access chip-making tools, students of the selected institutes, had to go to college lab, which limited the availability due to pandemic. But now, a central design facility has been enabled for remote access.

As per a MeitY official, in the last three years, students have designed and fabricated 150 chips, of which 110 chips were fabricated at SCL (Semi-Conductor Laboratory)

MeitY is aiming that at least 175 semiconductor chips should be designed and fabricated by students at premier institutes like IITs in the coming five years

Chandigarh and 40 at global makers like TSMC, UMC and Global Foundries. But in the coming five years, the government is planning

that more chips should be fabricated at global firms because students would be encouraged to work on high-tech chipsets.

"With the access to the tools, chips up to 7 nm can be designed and fabricated," said the official. The MeitY has partnered with 120 premier institutes across the country including IITs, NITs, etc, for the chip-making initiative. It is part of MeitY's special manpower development programme for chips to system design (SMDP-C2SD), wherein a centralised design facility at C-DAC has been enabled for remote access by students.

For making available the chip design infrastructure, leading industry vendors from EDA (electronic design automation), electronic computer-aided design (ECAD), IP core and design solutions industry are being partnered with. Specific collaborative arrangements are being

made available with Synopsis, Cadence Design Systems, Siemens EDA, Silvaco and other leading tool vendors, IP and design solution providers and fab aggregators.

While the government wants to promote semiconductor manufacturing in India, it also wants to strengthen the design capabilities of Indian engineers. During the three-day Semicon India 2022 conference, which concluded last week, most of the global semiconductor leaders (like Intel, Micron, Qualcomm, LAM Research, etc) had highlighted the contribution of their Indian R&D centres.

Ashwini Vaishnav, electronics & information technology minister, envisions making available a design talent pool of highly skilled engineers for turning India into a semiconductor hub through the chips to startup (C2S) programme and other initiatives in semiconductor policy.

मिजोरम में कोविड-19 के 44 नए मामले

आइजोल, 4 मई (भाषा)।

मिजोरम में पिछले 24 घंटे में कोविड-19 के 44 नए मामले सामने आने के बाद राज्य में संक्रमितों की संख्या बढ़कर 2,27,600 हो गई है।

स्वास्थ्य विभाग के एक अधिकारी ने बताया कि राज्य में कोविड-19 से अभी तक 697 लोगों की मौत हुई है। राज्य में संक्रमण दर घटकर 7.57 फीसद हो गई है, जो एक दिन पहले मंगलवार को 10.96 फीसद थी। मंगलवार को राज्य में 581

नमूनों की कोविड-19 संबंधी जांच की गई।

उन्होंने बताया कि मिजोरम में अभी 433 लोगों का कोरोना विषाणु संक्रमण का इलाज चल रहा है, जबकि 2,26,470 लोग संक्रमण मुक्त हो चुके हैं।

खूंटी में सुरक्षा बलों से मुठभेड़ में पीएलएफआइ कमांडर ढेर

खूंटी, 4 मई (भाषा)।

खूंटी में सुरक्षा बलों ने 40 से अधिक अपराधिक वारदात में शामिल उग्रवादी संगठन पीपुल्स लिबरेशन फ्रंट आफ इंडिया (पीएलएफआइ) के सबजोनल कमांडर लाका पाहन को बुधवार तड़के भीषण मुठभेड़ में मार गिराया।

खूंटी के पुलिस अधीक्षक अमन कुमार ने बताया कि मुरहू थाना क्षेत्र के कोटा इंडीपीडी जंगल में तड़के पीएलएफआइ के दस्ते के साथ सुरक्षा बलों की हुई मुठभेड़ में यह सफलता मिली।

अमन कुमार ने एजेंसी को बताया कि पीएलएफआइ उग्रवादियों की संदिग्ध गतिविधियों की गुप्त सूचना पर जब सुरक्षा बल कोटा इंडीपीडी जंगल पहुंचे तो पीएलएफआइ उग्रवादियों ने उन पर गोलीबारी शुरू कर दी। इसके बाद सुरक्षा बलों की जवाबी कार्रवाई में पीएलएफआइ का यह सबजोनल कमांडर मारा गया।

उन्होंने बताया कि गोलीबारी थमने के बाद जब पुलिस टीम ने मौके पर तलाशी अभियान चलाया तो वहां से एक उग्रवादी का शव मिला। जिसकी पहचान बाद में पीएलएफआइ सबजोनल कमांडर लाका पाहन के रूप में हुई। मुठभेड़ में उसके अन्य सहयोगी जंगल का फायदा उठाकर भाग निकले।

अमन कुमार के अनुसार लाका पाहन पर 40 से ज्यादा नक्सली कांड दर्ज थे। फिलहाल पुलिस का तलाशी अभियान जारी है। उन्होंने बताया कि लाका पाहन पूर्व में 2012 में जेल जा चुका था और 2020 में जेल से छूटने के बाद वह फिर से संगठन में शामिल होकर उग्रवादी गतिविधियों को अंजाम देने लगा था। संगठन के पूर्व सब जूनल कमांडर जीवन गुडिया के पुलिस मुठभेड़ में पिछले वर्ष मारे जाने के बाद संगठन में लाका पाहन को सब जूनल कमांडर बनाया गया था। पुलिस अधीक्षक ने बताया कि मारे गए लाका पाहन पर पांच लाख रुपए की इनामी राशि का प्रस्ताव पुलिस मुख्यालय को भेजा गया था जिसपर गृह विभाग का फैसला आना शेष था। हालांकि हाल ही में जब नक्सली संगठन का विस्तार हुआ था और दक्षिणी छोटानागपुर जूनल कमिटी बनाई गई थी तो उसमें लाका पाहन को सचिव बनाया गया था। ऐसे में उसके खिलाफ इनामी राशि के बढ़ने की भी संभावना थी।

राष्ट्रपति कोविंद ने बोडो भाषा के प्रचार-प्रसार और विकास का आह्वान किया

तमुलपुर (असम), 4 मई (भाषा)।

राष्ट्रपति रामनाथ कोविंद ने बुधवार को असम सरकार से बोडो भाषा और साहित्य के प्रचार-प्रसार तथा विकास के लिए हर संभव प्रयास करने का आह्वान किया। उन्होंने यहां बोडो साहित्य सभा (बीएसएस) के 61वें वार्षिक सम्मेलन को संबोधित करते हुए कहा कि इस सम्मेलन ने यह सुनिश्चित करने में महत्वपूर्ण भूमिका निभाई है कि बोडो भाषा को स्कूल और उच्च शिक्षण संस्थानों, दोनों में शिक्षा के माध्यम के रूप में शामिल किया जाए।

राष्ट्रपति ने कहा कि बोडो को राज्य की आधिकारिक भाषा घोषित किया गया है और एक भाषा का संरक्षण तथा प्रचार-प्रसार समाज व सरकार दोनों की जिम्मेदारी है। मुख्यमंत्री हिमंत त्रिवा सत्ता से इस दिशा में हर संभव प्रयास करने का आह्वान करता हूँ। उन्होंने जोर देकर कहा कि शांति व सद्भाव और केंद्र तथा असम सरकार द्वारा की गई विकास पहलों के चलते 'बोडोलैंड भूभागीय क्षेत्र' (बीटीआर) में और अधिक शैक्षणिक संस्थानों की स्थापना हुई है।

उन्होंने कहा कि पूर्वोत्तर क्षेत्र में केंद्र और राज्य सरकारों के संयुक्त प्रयासों से क्षेत्र से सद्भाव और शांति का माहौल मजबूत होता जा रहा है। इस बदलाव में विकास कार्यों की महत्वपूर्ण भूमिका है। मैं क्षेत्र के लोगों और सरकारों की सकारात्मक भूमिका की सराहना करता हूँ। कोविंद ने 2004 में बोडो को संविधान की आठवीं अनुसूची में शामिल करने के प्रयासों के लिये पूर्व प्रधानमंत्री अटल बिहारी वाजपेयी के योगदान को भी याद किया।

पश्चिम बंगाल, मेघालय, अरुणाचल प्रदेश, त्रिपुरा, सिक्किम, नागालैंड और बांग्लादेश और नेपाल सहित 35 लाख से अधिक लोग बोडो बोलते हैं। उन्होंने कहा कि मुझे खुशी है कि आज सभा के सम्मेलन में इन राज्यों और देशों के प्रतिनिधि मौजूद हैं। साथ ही उन्होंने कहा कि कई विद्वानों तथा लेखकों ने बोडो भाषा और साहित्य को समृद्ध किया है। और अब तक 17 लेखकों को बोडो भाषा में उनके कार्यों के लिए साहित्य अकादमी पुरस्कार से सम्मानित किया गया है। कोविंद ने अन्य भाषाओं के बोडो में अनुवाद कार्यों पर भी प्रशंसा व्यक्त की। कोविंद पूर्वोत्तर भारत की तीन दिवसीय यात्रा के दौरान मंगलवार को यहां आए थे।
