2. NECESSITY FOR THE BUYBACK AND DETAILS THEREOF

The Buyback is being undertaken by the Company after taking into account the strategic and operational cash requirements of the Company in the medium term and for returning surplus funds to the shareholders in an effective and efficient manner. The Board, at its meeting held on February 15, 2021, considered the accumulated free reserves as well as the cash liquidity reflected in the latest available standalone and consolidated audited financial statements as on March 31, 2020 and also as on the date of the Board Meeting and considering these, the Board decided to allocate up to INR 99,99,99,550/- (Indian Rupees Ninety Nine Crores Ninety Nine Lakhs Ninety Nine Thousand Five Hundred and Fifty Only) excluding the Transaction Costs for distributing to the shareholders holding Equity Shares of the Company through the Buyback. The Buyback will help the Company achieve the following objectives: (i) optimize returns to shareholders; and (ii) enhance overall shareholders' value.

After considering several factors and benefits to the shareholders holding Equity Shares of the Company, the Board decided to approve Buyback of up to 18,18,181 Equity Shares at a price of INR 550/- (Indian Rupees Five Hundred Fifty Only) per Equity Share for an aggregate amount not exceeding INR 99,99,99,550/- (Indian Rupees Ninety Nine Crores Ninety Nine Lakhs Ninety Nine Thousand Five Hundred and Fifty Only). The Buyback is being undertaken, inter-alia, for the following reasons:

- The Buyback will help the Company to return surplus cash to its shareholders holding Equity Shares broadly in proportion to their shareholding, thereby, enhancing the overall return to shareholders;
- The Buyback, which is being implemented through the tender offer route as prescribed under the SEBI Buyback Regulations, would involve allocation of number of Equity Shares as per their entitlement or 15% of the number of Equity Shares to be bought back whichever is higher, reserved for the small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder" as per Regulation 2(i)(n) of the SEBI Buyback Regulations;
- The Buyback may help in improving its return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders' value; and
- The Buyback gives an option to the shareholders holding Equity Shares of the Company, who can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback offer or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post the Buyback offer, without additional investment.

The Buyback may lead to reduction in outstanding Equity Shares, improvement in earnings per equity share, and enhanced return on invested capital. The Buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations and for continued capital investment, as and when required.

3. MAXIMUM AMOUNT REQUIRED UNDER THE BUYBACK AND ITS PERCENTAGE OF THE TOTAL PAID UP CAPITAL AND FREE RESERVES & SOURCES OF FUNDS FROM WHICH BUYBACK WILL BE FINANCED

3.1. The maximum amount required for the Buyback will not exceed INR 99,99,99,550/- (Indian Rupees Ninety Nine Crores Ninety Nine Lakhs Ninety Nine Thousand Five Hundred and Fifty Only) excluding the Transaction Costs.

3.2. The Buyback Offer Size represents 14.13% and 7.47% of the aggregate of the Company's total paid-up capital and free reserves based on the standalone and consolidated financial statements of the Company as on March 31, 2020, respectively, which is not exceeding 25% of the aggregate of the total paid-up capital and free reserves of the Company as per latest available standalone and consolidated audited financials of the Company as on March 31, 2020, and is in compliance with Regulation 4(i) of the SEBI Buyback Regulations and Section 68(2) of the Companies Act.

3.3. The funds for the implementation of the proposed Buyback will be sourced out of the free reserves of the Company (including securities premium account) or such other source as may be permitted by the SEBI Buyback Regulations or the Companies Act. The funds borrowed, if any, from banks and financial institutions will not be used for the Buyback.

3.4. The Company shall transfer from its free reserves and/ or securities premium account a sum equal to the nominal value of the Equity Shares bought back through the Buyback to the capital redemption reserve account and details of such transfer shall be disclosed in its subsequent audited financial statement.

4. BUYBACK PRICE AND BASIS OF ARRIVING AT THE BUYBACK OFFER PRICE OF THE BUYBACK

(i) The Equity Shares of the Company are proposed to be bought back at a price of INR 550/- (Indian Rupees Five Hundred Fifty Only) per Equity Share. - The Equity Shares bought will be extinguished in the manner and following the procedure prescribed in the SEBI Buyback Regulations.

13. RECORD DATE AND SHAREHOLDER ENTITLEMENT

- As required under the SEBI Buyback Regulations, the Company has fixed Friday, April 9, 2021, as the Record Date for the purpose of determining the entitlement and the names of the Eligible Shareholders.
- As per the SEBI Buyback Regulations and such other circulars or notifications, as may be applicable, in due course, each shareholder as on the Record Date will receive a Letter of Offer along with a Tender Form (including Form SH-4 as applicable) indicating the entitlement of the shareholder for participating in the Buyback.
- The Equity Shares to be bought back as a part of the Buyback is divided in two categories:
 - Reserved category for small shareholders (as defined in Regulation 2(i)(n) of the SEBI Buyback Regulations, a "small shareholder" is a shareholder who holds Equity Shares having market value, on the basis of closing price on stock exchanges in which the highest trading volume in respect of such Equity Shares as on Record Date, is not more than INR 2,00,000/- (Indian Rupees Two Lakh Only); and
 - General category for all other shareholders.
- In accordance with the proviso to Regulation 6 of the SEBI Buyback Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to buyback or number of Equity Shares entitled as per the shareholding of small shareholders as on the Record Date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder".
- Based on the shareholding on the Record Date, the Company will determine the entitlement of each shareholder including small shareholders to tender their shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs.
- In order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios does not receive a higher entitlement under the Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common PAN shall be clubbed together for determining the category (Small Shareholder or General Category) and their entitlement under the Buyback. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding physical shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/ foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/ sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar to the Buyback as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body – broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.
- Shareholders' participation in Buyback will be voluntary. Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Shareholders holding Equity Shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any. If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback.
- The maximum tender under the Buyback by any shareholder cannot exceed the number of Equity Shares held by the shareholder as on the Record Date.
- The Buyback from shareholders who are persons resident outside India, including the foreign portfolio investors, erstwhile overseas corporate bodies and non-resident Indian, etc., shall be subject to such approvals, if any and to the extent required from the concerned authorities including approvals from the Reserve Bank of India under Foreign Exchange Management Act, 1999, as amended, and the rules and regulations framed there under, and such approvals shall be required to be taken by such non-resident shareholders.
- Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent through email along with the tender form in due course to the shareholders holding Equity Shares of the Company as on the Record Date, who have their email IDs registered with the Company/Registrar and transfer agent/depository. However, on receipt of a request by the Manager to the Buyback or Link Intime India Private Limited to receive a copy of Letter of Offer in physical form from such Shareholder (to whom Letter of Offer and tender form were emailed), the same shall be sent physically.
