

S&P BSE Oil & Gas

S&P BSE Indices is conducting a consultation with members of the investment community on the following methodology change:

S&P BSE Indices is reviewing the possibility of adding a constituent capping requirement for the S&P BSE Oil & Gas Index. Currently, there is no capping requirement. The proposed change adds a cap to ensure that the maximum weight of each constituent does not exceed 20%.

Your participation in this consultation is important as we gather information on your views and preferences. Your responses will be kept confidential. Please respond to this survey by **March 24, 2015**.

To participate in this consultation, please respond to S&P BSE Indices' at index_services@spdji.com.

Please be advised that all comments will be reviewed and considered before a final decision is made; however S&P BSE Indices makes no guarantees or is under any obligation to comply with any of the responses. The survey may result in no changes or outcome of any kind. If S&P BSE Indices decides to change the index methodology, an announcement will be posted on our Web site.

Thank you for taking the time to complete this survey.

Kind regards,

S&P BSE Indices
