

**INDIA INTERNATIONAL EXCHANGE (IFSC)
LIMITED**

**ANNUAL ACCOUNTS
FY 2019-2020**

Independent Auditor's Report

To the Members of India International Exchange (IFSC) Limited

Report on the audit of Consolidated Ind AS financial statements

Opinion

We have audited the accompanying consolidated Ind AS financial statements of **India International Exchange (IFSC) Limited** ("the Company") and its subsidiary **India Inx Global Access Limited (IFSC) Limited** (the Company and its subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2020, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2020, the consolidated loss, consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated Ind AS financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Information Other than the Consolidated Ind AS financial statements and Auditor's Report Thereon

The holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Ind AS financial statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India . The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not

detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary company which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the consolidated Ind AS financial statements of such entities included in the consolidated Ind AS financial statements.

Materiality is the magnitude of misstatements in the consolidated Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated Ind AS financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated Ind AS financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.
 - d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors of the Company as on March 31, 2020 taken on record by the Board of Directors of the Company and its subsidiary incorporated in India and the reports of the statutory auditors of its subsidiary company incorporated in India, none of the directors of the Group company incorporated in India is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) In terms of Notification No G.S.R. 08(E) dated January 4, 2017 issued by the Ministry of Corporate Affairs under section 462 of the Act, the provisions of section 197 in respect of the remuneration paid by the Company to its directors are not applicable to the Company and its subsidiary. Hence reporting under section 197(16) of the Act is not applicable to the Company.
 - g) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditor's reports of the Company and its subsidiary company incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. There are no pending litigations against the Company and its subsidiary company
 - ii. There are no material foreseeable losses on long term contracts including derivative contract where provision is required to be made by the Company and its subsidiary company under any law or accounting standards.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company and its subsidiary company.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of India International Exchange (IFSC) Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended March 31, 2020, we have audited the internal financial controls over financial reporting of India International Exchange (IFSC) Limited (hereinafter referred to as "Company") and its subsidiary company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company and its subsidiary company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (" the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary company, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its subsidiary company, which are companies incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

1. General Information

India International Exchange (IFSC) Limited was incorporated in September 2016, to carry on business as a stock exchange and to assist, regulate, control and/or otherwise associate with the business of buying, selling and dealing in debt securities, currency derivatives, Equity and index based derivatives, commodities derivatives, and such other securities/derivatives/products of any kind as may be permitted by Securities and Exchange Board of India or any other concerned authorities from time to time in primary as well as secondary market, to facilitate investment, hedging, trading and other related requirements to the community at large as may be permitted under the applicable Law, to facilitate and regulate financial services relating to securities and capital market in International Financial Services Centers, set up under Special Economic Zones Act, 2005, and to provide specialized, advanced, automated and modern facilities and mechanism for trading and settlement of securities/ derivatives/products/instruments to ensure trading and to facilitate, promote, assist, regulate and manage dealings in securities, derivatives, products and instruments in accordance with the framework/business manual.

The consolidated financial statements were authorized for issuance by the Parent Company's Board of Directors on April 17, 2020.

2. Significant Accounting Policies

2.1 *Basis of preparation of financial statement*

2.1.1 *Statement of compliance*

The consolidated financial statements as at and for the year ended March 31, 2020 have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

2.1.2 *Basis of Consolidation*

The Company consolidate entities which it owns or controls. The consolidated financial statements comprise the financial statements of the Company, its subsidiary ("the Group"). Control exists when the Parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases.

All intragroup assets and liabilities, equity, income, expenses, and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

Particulars of subsidiaries and associate:

Name of the Company	Principal Activity	Country of Incorporation	Percentage of Voting Power as at March 31, 2020
India INX Global Access IFSC Limited (w.e.f. April 5, 2018)	Intermediary for trading in overseas Exchanges	India	100%

2.2 *Functional and presentation currency*

United State Dollars (USD) is the functional currency of the Group and the currency of the primary economic environment in which the Group operates. The financial statements are presented in Indian rupees. The presentation currency is different from functional currency to comply with Income tax and other statutory law.

2.3 *Foreign exchange Translation Reserve*

For the Purpose of Preparation of consolidated financial statements in Indian rupees, income and expenses are translated at average rates and the assets and liabilities except equity share capital are stated at closing rate. The net impact of such changes is presented under foreign exchange translation reserve.

2.4 *Use of Estimates and judgment*

The preparation of consolidated financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

- a. *Income taxes:* The Group's tax jurisdiction is in India. Significant judgments are involved in determining the provision for income taxes, including the amount expected to be paid or recovered in connection with uncertain tax positions. Company is eligible to claim deduction of income, an amount equal to one hundred per cent of the income for any ten consecutive assessment years, out of fifteen years as per section 80LA of Income tax Act, 1961.
- b. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Group will pay normal income tax. Accordingly,

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Group.

- c. Defined employee benefit obligation determined based on the present value of future obligations using assumptions determined by the Group with advice from an independent qualified actuary.
- d. *Other estimates:* The preparation of financial statements involves estimates and assumptions that affect the reported amount of assets, liabilities, disclosure of contingent liabilities at the date of financial statements and the reported amount of revenues and expenses for the reporting period. Specifically, the Group estimates the probability of collection of accounts receivable by analyzing historical payment patterns, customer status, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

2.5 *Financial instruments*

Financial assets and financial liabilities are recognised when Group becomes a party to the contractual provisions of the instruments.

All financial instruments are recognised initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are included in the fair value of the financial assets. Purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trade) are recognised on trade date. While, loans and borrowings and payable are recognised net of directly attributable transactions costs.

For the purpose of subsequent measurement, financial instruments of the Group are classified in the following categories: financial assets comprising amortised cost, financial assets (debt instruments) at fair value through Other Comprehensive Income (FVTOCI), equity instruments at FVTOCI and fair value through Profit and Loss account (FVTPL), financial liabilities at amortised cost or FVTPL.

The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.

Financial assets

- a. Financial assets at amortised cost: A financial asset shall be measured at amortised cost if both of the following conditions are met:
 - i. The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

- ii. The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding (SPPI).

They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment loss.

Amortised cost are represented by investment in interest bearing debt instruments, trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets.

Cash and cash equivalents comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal.

- b. Equity instruments at FVTOCI and FVTPL:

All equity instruments are measured at fair value other than investment in subsidiaries, joint venture and associate. Equity instruments held for trading is classified as FVTPL. For all other equity instruments, the Group may make an irrevocable election to present subsequent changes in the fair value in OCI. The Group makes such election on an instrument-by-instrument basis.

If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividend are recognised in OCI which is not subsequently recycled to statement of profit and loss.

- c. Financial assets at FVTPL :

FVTPL is a residual category for financial assets. Any financial asset which does not meet the criteria for categorization as at amortised cost or as FVTOCI, is classified as FVTPL. In addition the Group may elect to designate the financial asset, which otherwise meets amortised cost or FVOCI criteria, as FVTPL if doing so eliminates or significantly reduces a measurement or recognition inconsistency. The Group has not designated any financial asset as FVTPL. Financial assets included within the FVTPL category are measured at fair values with all changes in the statement of profit and loss.

Financial liabilities

- (a) Financial liabilities at amortised cost:

Financial liabilities at amortised cost represented by trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest method.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

(b) Financial liabilities at FVTPL:

Financial liabilities at FVTPL represented by contingent consideration are measured at fair value with all changes recognised in the statement of profit and loss.

2.6 *Property, plant and equipment*

- a. *Recognition and measurement:* Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset.
- b. *Depreciation:* The Group depreciates property, plant and equipment over the estimated useful life on a Straight Line method basis from the date the assets are ready for intended use. Assets acquired under finance lease and leasehold improvements are amortized over the lower of estimated useful life or lease term. The estimated useful lives of assets of significant items of property, plant and equipment are as follows:

Category	Useful life
Leasehold premises	30 years
Plant and Equipments	15 years
Electrical installations	10 years
Networking Equipments – Owned	6 years
Computers Hardware – Owned	3 years
Furniture, fixtures	10 years
Office equipments	5 years
Motor vehicles	8 years

Depreciation methods, useful lives and residual values are reviewed at each reporting date, with the effect of any changes in estimate accounted for on a prospective basis.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Group and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of profit and loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or disposition of the asset and the resultant gains or losses are recognized in the statement of profit and loss.

Amounts paid towards the acquisition of property, plant and equipment outstanding as of each reporting date and the cost of property, plant and equipment not ready for intended use before such date are disclosed under capital work- in-progress.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

2.7 Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective estimated useful lives on a "Straight Line method", from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

The estimated useful lives of intangibles are as follows:

Category	Useful life
Computer software	6 years

Derecognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognised in profit or loss when the asset is derecognised.

2.8 Leases

Assets leased by the Group in its capacity as a lessee, where substantially all the risks and rewards of ownership vest in the Group are classified as finance leases. Such leases are capitalised at the inception of the lease at the lower of the fair value and the present value of the minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as an operating lease. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis except where the lease payments are structured to increase in line with expected general inflation.

2.9 Impairment

a. Financial assets carried at amortised cost and FVTOCI

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss. The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivable.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL. Lifetime ECLs are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12 month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- i. All contractual terms of the financial instrument (including prepayment, extension etc.) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.
- ii. Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

The Group has used a practical expedient by computing the expected credit loss allowance for trade receivable based on a detailed analysis of trade receivable by individual departments. ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/expense in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:

Financial assets measured at amortised cost, contractual revenue receivable: ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write off criteria, the Group does not reduce impairment allowance from the gross carrying amount.

b. Non-financial assets

The Group assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets is impaired. If any such indication exists, the Group estimates the amount of impairment loss. An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in profit or loss and reflected in an allowance account. When the Group considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through profit or loss.

The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the “cash-generating unit”).

2.10 Employee benefit

The Group participates in various employee benefit plans. Post-employment benefits are classified as either defined contribution plans or defined benefit plans.

Defined Contribution Plan

Under a defined contribution plan, the Group’s only obligation is to pay a fixed amount with no obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits. The related actuarial and investment risks fall on the employee. The expenditure for defined contribution plans is recognized as expense during the period when the employee provides service.

Defined benefit Plan

Under a defined benefit plan, it is the Group’s obligation to provide agreed benefits to the employees. The related actuarial and investment risks fall on the Group. The present value of the defined benefit obligations is calculated using the projected unit credit method.

The Group has the following employee benefit plans:

a. Gratuity

In accordance with the Payment of Gratuity Act, 1972, the Group provides for a lump sum payment to eligible employees, at retirement or termination of employment based on the last drawn salary and years of employment with the Group. The Group’s obligation in respect of the gratuity plan, which is a defined benefit plan, is determined using the projected unit credit method, with actuarial valuations being carried out at each balance sheet date.

Actuarial gains or losses are recognized in full in the other comprehensive income for the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested, and otherwise is amortised on a straight-line basis over the average period until the benefits become vested.

The retirement benefit obligation recognised in the balance sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

b. Compensated absences

The employees of the Group are entitled to compensated absences. The employees can carry forward a portion of the unutilised accumulating compensated absences and utilise it in future periods or receive cash at retirement or termination of employment. The Group records an obligation for compensated absences in the period in which the employee renders the services that increases this entitlement. The Group measures the expected cost of compensated absences as the additional amount that the Group expects to pay as a result of the unused entitlement that has accumulated at the end of the reporting period. The Group recognizes accumulated compensated absences based on actuarial valuation. Non-accumulating compensated absences are recognized in the period in which the absences occur. The Group recognizes actuarial gains and losses immediately in the Other Comprehensive Income.

2.11 Provisions and Contingent liabilities

Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset, if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Group from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. Provisions for onerous contracts are measured at the present value of lower of the expected net cost of fulfilling the contract and the expected cost of terminating the contract and is adjusted to the cost of such assets.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Contingent liabilities are disclosed in the notes. Contingent assets are not recognised in the financial statements.

Provisions are reviewed at each balance sheet date adjusted to reflect the current best estimates.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

2.12 *Revenue Recognition:*

The Group derives revenue primarily from Services to Corporate and Securities Services. The Group recognizes revenue when the significant terms of the arrangement are enforceable, services have been delivered and the collectability is reasonably assured. The method for recognizing revenues and costs depends on the nature of the services rendered:

a. Time and service contracts

Revenues and costs relating to time and service contracts are recognized as the related services are rendered.

b. Annual / monthly Fee contracts

Revenue from Annual / monthly fee contracts is recognized ratably over the period of the contract using the percentage of completion method. When services are performed through an indefinite number of repetitive acts over a specified period of time, revenue is recognized on a straight line basis over the specified period or under some other method that better represents the stage of completion.

c. Execution and clearing commissions, which are recognized on a trade date basis.

d. Desk facilities, license and software fees, and market data fees which are recognized on an accruals basis; and

The Group accounts for volume discounts and pricing incentives to customers by reducing the amount of revenue recognized at the time of sale. Revenues are shown net of applicable discounts and allowances.

The Group has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue. The Company has adopted Ind AS 115 using the cumulative effect method. The effect of initially applying this standard is recognised at the date of initial application (i.e. April 1, 2018). There was no impact on the adoption of the standard on the financial statements of the Group.

2.13 *Dividend Income*

Dividend income is recognized in the statement of profit and loss on the date that the Group's right to receive payment is established.

2.14 *Finance income and expense*

Finance income consists of interest income on funds invested, dividend income and gains on the disposal of FVTPL financial assets. Interest income is recognized as it accrues in the statement of profit and loss, using the effective interest method.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

Finance expenses consist of interest expense on loans, borrowings and finance lease. Borrowing costs are recognized in the statement of profit and loss using the effective interest method.

2.15 *Taxation*

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

a. Current income tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the period. The Group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.

b. Deferred income tax

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax asset are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred income tax liabilities are recognized for all taxable temporary differences.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized. Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

The Group recognises interest levied and penalties related to income tax assessments in income tax expenses.

2.16 *Earnings per share*

The Group reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share. Basic earnings per share is computed using the weighted average number of equity shares outstanding during the period.

Diluted EPS is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares, as appropriate.

2.17 *Current and Non-current classification*

The Group present assets and liabilities in the balance sheet based on current/non-current classification

Assets: An asset is classified as current when it satisfies any of the following criteria:

- a. it is expected to be realised in, or is intended for sale or consumption in, the entity's normal operating cycle;
- b. it is held primarily for the purpose of being traded;
- c. it is expected to be realised within twelve months after the balance sheet date; or
- d. it is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the balance sheet date

All other assets are classified as non-current.

Liabilities: A liability is classified as current when it satisfies any of the following criteria:

- a. It is expected to be settled in, the entity's normal operating cycle;
- b. It is held primarily for the purpose of being traded; it is due to be settled within twelve months after the balance sheet date; or
- c. The Group does not have an unconditional right to defer settlement of the liability for at least twelve months after the balance sheet date.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

Operating Cycle

Based on the nature of products / activities of the Group and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2.18 Government grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income over the periods and in the proportions in which depreciation expense on those assets is recognised.

2.19 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

2.20 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and net of outstanding bank overdrafts that are repayable on demand, book overdraft and are considered part of the Group's cash management system.

Liquidity Enhancement Scheme (LES) Reserve				
Pursuant to SEBI Circular SEBI/HO/MRD/DSA/CIR/P/2017/95 dated August 10, 2017 (INDIA INX Circular no-20171017-1, dated October 17, 2017), the Company had launched Liquidity Enhancement Scheme (LES) to enhance liquidity in INDIA INX's derivatives contracts traded in the Exchange. LES was launched on November 01, 2017 and which was further extended and amended from time to time. An expense of Rs 1562.20 Lakhs (USD 2204.04 thousand) (Previous period: Rs 1298.05 Lakhs (USD 1857.30 thousand)) has been incurred towards the Scheme for the year ended March 31, 2020.				
Further Pursuant to SEBI Circular SEBI/HO/MRD/DSA/CIR/P/2017/95 dated August 10, 2017, during the year ended March 31, 2020, The Company has created additional LES reserve of Rs 1592.82 lakhs (USD 2247.24 thousand) and incurred an expense of Rs 1562.20 Lakhs (USD 2204.04 thousand) during the year ended March 31, 2020 , accordingly LES reserve balance as on March 31, 2020 is Rs 38.38 Lakhs (USD 81.37 thousand) (Previous year: Rs 7.76 Lakhs (USD 38.17 thousand)). The LES reserve as on March 31, 2020 will not form part of net worth of the Exchange.

22. Disclosure as required on “Employee Benefits” is as under:

22.1 Defined Benefit Plan – Gratuity

The Group offers its employees defined-benefit plans in the form of a gratuity scheme (a lump sum amount). Benefits under the defined benefit plans are typically based on years of service and the employee’s compensation (generally immediately before retirement). The gratuity scheme covers substantially all regular employees.

Such plan exposes the Company to actuarial risks such as: investment risk, interest rate risk, demographic risk and salary risk.

Investment risk	The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to market yields at the end of the reporting period on government bond yields; if the return on plan asset is below this rate, it will create a plan deficit. Currently the plan is managed by the insurer.
Interest risk	A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan’s debt investments.
Demographic risk	This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, medical cost inflation, discount rate and vesting criteria.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan’s liability.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

Particulars	For the Year Ended March 2020	For the Year Ended March 2020	For the Year Ended March 2019	For the Year Ended March 2019
	(Rs)	(USD)	(Rs)	(USD)
Amount recognised in the Other Comprehensive Income	10,15,272	14,324	(2,58,309)	(3,696)

iv. Principle actuarial assumption

Assumptions	March 31, 2020	March 31, 2019
Discount Rate	6.85%	7.75%
Salary escalation	7.50%	7.00%

- Discount Rate: The discount rate is based on the prevailing market yields of Indian government securities as at the balance sheet date for the estimated term of the obligations.
- Salary Escalation Rate: The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors.
- The Company has considered past service on account of benefit amendment.

v. **Sensitivity Analysis:** The following table summarizes the impact in percentage terms on the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 50 basis points:-

Particulars	For the Year ended March 31, 2020		For the Year ended March 31, 2019	
	Discount rate	Salary escalation rate	Discount rate	Salary escalation rate
Impact of increase in 50 bps on defined benefit obligation	(6.37)%	5.57%	(5.47%)	5.89%
Impact of decrease in 50 bps on defined benefit obligation	5.64%	(6.37)%	5.88%	(5.53)%

Sensitivity for the significant actuarial assumptions is computed by varying one actuarial assumption used for the valuation of the defined benefit obligation by 50 basis points, keeping all other actuarial assumption constant.

Total	100%	100%

Actual return on the assets for the period ended March 31, 2020 ₹ 4,80,690 (2019: ₹ 1,14,376)

There is no compulsion on the part of the Company to fully pre fund the liability of the Plan. The Company's philosophy is to fund the benefits based on its own liquidity and tax position as well as level of underfunding of the plan.

The plan assets in respect of gratuity represent funds managed by the India International Exchange (IFSC) Limited Employee's Group Gratuity Fund. The Employer's best estimate of the contributions expected to be paid to the plan during the next year is ₹ 15,10,277

vii. **Maturity profile of defined benefit obligations**

Maturity Profile	March 31, 2020	March 31, 2019
Expected benefits for year 1	1,49,275	1,48,879
Expected benefits for year 2	1,60,118	1,57,872
Expected benefits for year 3	1,73,610	1,65,608
Expected benefits for year 4	1,87,720	1,78,883
Expected benefits for year 5	1,99,189	1,93,189
Expected benefits for year 6 to year 10	13,49,995	23,18,639
Above 10 year	2,20,46,735	1,83,48,615

The weighted average duration to the payment of these cash flows is 12.15 years (previous period 11.34 years).

22.2 **Defined Benefit Plan – Compensated absence**

The liability for compensated absences as at the year ended March 31, 2020 is March 31, 2020 is Rs 50,46,709 (USD-66,945) (2019 : Rs 74,79,700 (USD-1,08,133)) as shown under current other financial liabilities and Rs. 31,04,768 (USD-41,185) shown under non current other financial liabilities. During the current year, provision for compensated absence amounting to Rs 55,51,960 (USD- 78,330) (2019: Rs 55,79,091 (USD-79,828)) have been charged to the Statement of Profit and Loss, under Compensated absence in note 18 "Employee benefits expense".

For Principle actuarial assumption refer above iv table of assumption.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

22.3 Defined Contribution Plan – Provident Fund, Pension Fund and National Pension Scheme (NPS)

These are plans in which the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. The Company offers its employees defined contribution plan in the form of provident fund and family pension fund. Provident fund and family pension fund cover substantially all regular employees. While both, the employees and the Company pay predetermined contributions into the provident fund and National Pension Scheme, contributions into the family pension fund are made by only the Company. The contributions are based on a certain proportion of the employee's salary.

During the current year, provident fund contributions amounting to Rs 21,73,295 (USD- 30,662) (2019: Rs 21,12,839 (USD-30,231) have been charged to the Statement of Profit and Loss, under Contributions to provident, gratuity and other funds in note 18 "Employee benefits expense".

During the current year, National pension scheme contributions amounting to Rs 12,14,301(USD17,132) (2019: Rs 10,79,334 (USD- 15,444) have been charged to the Statement of Profit and Loss, under Contributions to provident, gratuity and other funds in note 18 "Employee benefits expense".

23 Segment Reporting

The Chief Executive Officer & Managing Director of the Parent Company has been identified as the Chief Operating Decision Maker (CODM) as defined by Ind AS 108, Operating Segments. The CODM evaluates the Group's performance and allocates resources based on an analysis of various performance indicators by industry classes. Accordingly, segment information has been presented for industry classes. The "Group" or the "Exchange" operates only in one Business Segment i.e. "Facilitating Trading in Securities and other related ancillary Services", hence does not have any reportable Segments as per Indian Accounting Standard 108 "Operating Segments". The reportable business segments are in line with the segment wise information which is being presented to the CODM.

24 Financial Instruments

The significant accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial asset, financial liability and equity instrument are disclosed in note 2.5 to the financial statements.

Fair value hierarchy:

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

- Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 — Inputs are not based on observable market data (unobservable inputs).

The carrying value of financial instruments by categories as at balance sheet date is as follows and the directors consider that the carrying amounts of below mentioned financial assets and financial liabilities recognised in the balance sheet approximate their fair values.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

29 Financial Risk Management:

The Group's principal financial liabilities, comprise trade and other payables. The main purpose of these financial liabilities is to support its operations. The Group's principal financial assets includes Cash and cash equivalents.

The Group's activities expose it to a variety of risks: Regulatory risk, Liquidity risk, Foreign Currencies risk, Interest rate risk.

Regulatory risk:

The Group requires a number of regulatory approvals, licenses, registrations and permissions to operate our business, including at a corporate level as well as at the level of each of its components. For example, the Company have licenses from SEBI in relation to, among others, introducing derivatives contracts on various indices of the exchange, introduction of futures and options contracts on various indices of the exchange. Some of these approvals are required to be renewed from time to time. The Company's operations are subject to continued review and the governing regulations may change. The Company's regulatory team constantly monitors the compliance with these rules and regulations.

Foreign currency risk

United State Dollars (USD) is the functional currency of the Group, thus the Group's exchange risk arises from its foreign currency expenses. Currency other than USD is considered as foreign currency. Company is using Special Non-Resident Rupee account for discharging the liability of INR.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Interest rates are sensitive to many factors, including governmental, monetary and tax policies, domestic and international economic and political considerations, fiscal deficits, trade surpluses or deficits, regulatory requirements and other factors beyond the Company's control.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

30 Capital management:

The group's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Company's objective when managing capital is to maintain an optimal structure so as to maximize shareholder value.

The Company is predominantly equity financed which is evident from the capital structure table. Further, the company has always been a net cash company with cash and bank balances along with investment which is predominantly investment in fixed deposit being far in excess of financial liabilities.

Compliance with externally imposed capital requirements:

In accordance with SEBI (International Financial Services Centre) Guidelines, 2015, The Company shall have a minimum net worth equivalent of twenty five crore rupees initially and it shall enhance its net worth to a minimum equivalent of one hundred crore rupees over the period of three years from the date of approval i.e. December 28, 2019. Further SEBI has relaxed the net-worth requirement of Rs 100 crores for India International Exchange (IFSC) Limited for 1 year i.e. December 28, 2020 subject to maintenance of minimum net-worth of Rs 25 crores at all times as mandated under SEBI (International Financial Services Centre) Guidelines, 2015. The Company has maintained the Net worth at all times as per the relaxation granted by SEBI.

- 31** The Group has not created any deferred tax provision. Deferred tax provision will be recognised based on the reasonable certainty.
- 32** India INX Global Access IFSC Limited has received the in-principle approval vide letter dated March 11, 2020 from Director IT & e-Governance, Government of Gujarat for claiming assistance under IT/ITES policy 2016-21. Accordingly, Company is in process of claiming assistance under IT/ITES policy 2016-21.
- 33** The management of Company is seized of the evolving situation pertaining to the COVID 19 pandemic and continues to closely monitor it to ensure safety of all its staff members, the normal conduct of the market operations and prompt identification and resolution of issues, if any. Company continues to operate normally, Accordingly there is no significant impact considered in the financial statement.

Independent Auditor's Report

To the Members of India International Exchange (IFSC) Limited

Report on the audit of the Ind AS financial statements

Opinion

We have audited the accompanying standalone financial statements of **India International Exchange (IFSC) Limited** (herein after referred to as 'the Company') which comprise the balance sheet as at 31st March 2020, the statement of profit and loss (including other comprehensive income), the cash flow statement and the statement of changes in equity for the year then ended and a summary of significant accounting policies and other explanatory information (herein after referred to as 'Ind AS financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, the loss including total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independence requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone Ind AS financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone Ind AS financial statements.

We also communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) the balance sheet, the statement of profit and loss, the statement of cash flow and the statement of changes in equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) on the basis of the written representations received from the directors as on 31 March 2020 taken on record by the Board of Directors, none of the director is disqualified as on 31 March 2020 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) In terms of Notification No G.S.R. 08(E) dated January 4, 2017 issued by the Ministry of Corporate Affairs under section 462 of the Act, the provisions of section 197 in respect of the remuneration paid by the Company to its directors are not applicable to the Company. Hence reporting under section 197(16) of the Act is not applicable to the Company
 - (g) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure B. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's Internal financial control over financial reporting.; and
 - (h) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, to the best of our information and according to the explanations given to us we state that:
 - (i) there is no pending litigation against the Company
 - (ii) there are no material foreseeable losses on long term contracts including derivative contract where provision is required to be made by the Company under any law or accounting standards
 - (iii) there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure - A to the Independent Auditors' Report

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone Ind AS financial statements for the year March 31, 2020, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
(b) The Company has a programme of physical verification of its fixed assets by which fixed assets are verified once every year which, in our opinion, is reasonable having regard to the size of the Company and the nature of its asset. Pursuant to the program, the fixed assets were verified during the year. In our opinion and according to information and explanation given to us no material discrepancies were noticed on such verification.
(c) According to the information and explanation given to us and based on the examination of registered lease deed provided to us in respect of immovable property of office premise that has been taken on lease and disclosed as fixed asset, the lease agreement is in the name of the Company.
- (ii) The Company is a service company, primarily in the business of stock exchange. Accordingly, it does not hold any physical inventories. Hence reporting under paragraph 3 (ii) of the Order is not applicable to the Company.
- (iii) To the best of our knowledge and according to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the register maintained under Section 189 of the Companies Act, 2013. Accordingly, paragraph 3 (iii) of the Order is not applicable.
- (iv) To the best of our knowledge and according to the information and explanations given to us, the Company has not made any investment or provided any guarantee or security in terms of provisions of section 185 and 186 of the Act. Hence reporting under paragraph 3 (iv) of the Order is not applicable.
- (v) To the best of our knowledge and according to the information and explanations given to us, the Company has not accepted deposits from public and therefore, reporting under paragraph 3 (v) of the Order is not applicable.
- (vi) To the best of our knowledge and according to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act in respect of rendered by the Company. Hence reporting under clause 3(vi) of the order is not applicable to the Company.

- (vii) According to information and explanations given to us and on the basis of our examination of the books of account, and records, in respect of statutory dues:
- (a) The Company has generally been regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Excise duty, Cess and other material statutory dues as applicable with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2020 for a period of more than six months from the date on when they become payable.
 - (b) There were no material dues of Income Tax, Goods and Service Tax, Duty of customs, Duty of Excise as applicable that were not deposited by the Company on account of dispute.
- (viii) To the best of our knowledge and according to the explanations given to us, the Company has not taken any loans or borrowings from any financial institution, banks, government or has not issued any debentures. Hence reporting under paragraph 3 (viii) of the Order is not applicable to the Company.
- (ix) To the best of our knowledge and according to the information and explanations given to us, the Company has not raised monies by way of initial public offer or further public offer (including debt instruments) and term loans and hence reporting under clause paragraph 3 (ix) of the Order is not applicable to the Company.
- (x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- (xi) In terms of Notification No G.S.R. 08(E) dated January 4, 2017 issued by the Ministry of Corporate Affairs under section 462 of the Act, the provisions of section 197 in respect of payment of managerial remuneration are not applicable to the Company. Hence reporting under clause paragraph 3 (xi) of the Order is not applicable to the Company.
- (xii) To the best of our knowledge and according to the information and explanations given to us, the Company is not a nidhi company. Hence reporting under the paragraph 3(xii) of the Order is not applicable.
- (xiii) In terms of Notification No G.S.R. 08(E) dated January 4, 2017 issued by the Ministry of Corporate Affairs under section 462 of the Act, the provisions of section 177 are not applicable to the Company. To the best of our knowledge and according to the information and explanations given to us, the Company is in compliance with Section 188 of the Act, as applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone Ind AS financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and based on our examination of the records of the company, the company has preferential allotment or private placement of shares or fully or partly convertible debentures during the year and in respect of which the Company complied with section 42 of the Act and amount raised have been applied for the purposes for which the funds are raised.

- (xv) To the best of our knowledge and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and thus provisions of section 192 of the Companies Act, 2013 are not applicable to the Company. Hence reporting under paragraph 3(xv) of the Order is not applicable.
- (xvi) The Company is not required to be registered under section 45 -IA of the Reserve Bank of India Act 1934.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of India International Exchange (IFSC) Limited (Formerly known as BSE International Exchange (IFSC) Limited) ("the Company") as of 31 March 2020 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

1. General Information

India International Exchange (IFSC) Limited was incorporated in September 2016, to carry on business as a stock exchange and to assist, regulate, control and/or otherwise associate with the business of buying, selling and dealing in debt securities, currency derivatives, Equity and index based derivatives, commodities derivatives, and such other securities/derivatives/products of any kind as may be permitted by Securities and Exchange Board of India or any other concerned authorities from time to time in primary as well as secondary market, to facilitate investment, hedging, trading and other related requirements to the community at large as may be permitted under the applicable Law, to facilitate and regulate financial services relating to securities and capital market in International Financial Services Centres, set up under Special Economic Zones Act, 2005, and to provide specialized, advanced, automated and modern facilities and mechanism for trading and settlement of securities/ derivatives/products/instruments to ensure trading and to facilitate, promote, assist, regulate and manage dealings in securities, derivatives, products and instruments in accordance with the framework/business manual.

The financial statements were authorized for issuance by the Company's Board of Directors on April 17, 2020.

2. Significant Accounting Policies

2.1 *Basis of preparation of financial statement*

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments), the provisions of the Companies Act, 2013 ('Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The Company has adopted all the Ind AS standards on date of incorporation i.e. September 12, 2016. The company has commenced its operation from January 16, 2017.

2.2 *Functional and presentation currency*

United State Dollars (USD) is the functional currency of the Company and the currency of the primary economic environment in which the Company operates. The financial statements are presented in Indian rupees. The presentation currency is different from functional currency to comply with Income tax and other statutory law.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

2.3 *Foreign exchange Translation Reserve*

For the Purpose of Preparation of financial statements in Indian rupees, income and expenses are translated at average rates and the assets and liabilities except equity share capital are stated at closing rate. The net impact of such changes is presented under foreign exchange translation reserve.

2.4 *Use of Estimates and judgment*

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

- a. *Income taxes:* The Company's tax jurisdiction is in India. Significant judgments are involved in determining the provision for income taxes, including the amount expected to be paid or recovered in connection with uncertain tax positions. Company is eligible to claim deduction of income, an amount equal to one hundred per cent of the income for any ten consecutive assessment years, out of fifteen years as per section 80LA of Income tax Act, 1961.
- b. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.
- c. Defined employee benefit obligation determined based on the present value of future obligations using assumptions determined by the Company with advice from an independent qualified actuary.
- d. *Other estimates:* The preparation of financial statements involves estimates and assumptions that affect the reported amount of assets, liabilities, disclosure of contingent liabilities at the date of financial statements and the reported amount of revenues and expenses for the reporting period. Specifically, the Company estimates the probability of collection of accounts receivable by analyzing historical payment patterns, customer status, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

2.5 *Financial instruments*

Financial assets and financial liabilities are recognised when company becomes a party to the contractual provisions of the instruments.

All financial instruments are recognised initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are included in the fair value of the financial assets. Purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trade) are recognised on trade date. While, loans and borrowings and payable are recognised net of directly attributable transactions costs.

For the purpose of subsequent measurement, financial instruments of the Company are classified in the following categories: financial assets comprising amortised cost, financial assets (debt instruments) at fair value through Other Comprehensive Income (FVTOCI), equity instruments at FVTOCI and fair value through Profit and Loss account (FVTPL), financial liabilities at amortised cost or FVTPL.

The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.

Financial assets

- a. Financial assets at amortised cost: A financial asset shall be measured at amortised cost if both of the following conditions are met:
 - i. The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
 - ii. The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding (SPPI).

They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment loss.

Amortised cost are represented by investment in interest bearing debt instruments, trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets.

Cash and cash equivalents comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

b. Equity instruments at FVTOCI and FVTPL:

All equity instruments are measured at fair value other than investment in subsidiaries, joint venture and associate. Equity instruments held for trading is classified as FVTPL. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in OCI. The Company makes such election on an instrument-by-instrument basis.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividend are recognised in OCI which is not subsequently recycled to statement of profit and loss.

c. Equity investments in Subsidiary:

All equity investment in subsidiary is measured at cost.

d. Financial assets at FVTPL:

FVTPL is a residual category for financial assets. Any financial asset which does not meet the criteria for categorization as at amortised cost or as FVTOCI, is classified as FVTPL. In addition the Company may elect to designate the financial asset, which otherwise meets amortised cost or FVOCI criteria, as FVTPL if doing so eliminates or significantly reduces a measurement or recognition inconsistency. The Company has not designated any financial asset as FVTPL. Financial assets included within the FVTPL category are measured at fair values with all changes in the statement of profit and loss.

Financial liabilities

(a) Financial liabilities at amortised cost:

Financial liabilities at amortised cost represented by trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest method.

(b) Financial liabilities at FVTPL:

Financial liabilities at FVTPL represented by contingent consideration are measured at fair value with all changes recognised in the statement of profit and loss.

2.6 Property, plant and equipment

- a. *Recognition and measurement:* Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

- b. Depreciation: The Company depreciates property, plant and equipment over the estimated useful lives on a Straight Line method basis from the date the assets are ready for intended use. Assets acquired under finance lease and leasehold improvements are amortized over the lower of estimated useful life or lease term. The estimated useful lives of assets of significant items of property, plant and equipment are as follows:

Category	Useful lives
Leasehold premises	30 years
Plant and Equipments	15 years
Electrical installations	10 years
Networking Equipments – Owned	6 years
Computers Hardware – Owned	3 years
Furniture, fixtures	10 years
Office equipments	5 years
Motor vehicles	8 years

Depreciation methods, useful lives and residual values are reviewed at each reporting date, with the effect of any changes in estimate accounted for on a prospective basis.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of profit and loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or disposition of the asset and the resultant gains or losses are recognized in the statement of profit and loss.

Amounts paid towards the acquisition of property, plant and equipment outstanding as of each reporting date and the cost of property, plant and equipment not ready for intended use before such date are disclosed under capital work- in-progress.

2.7 Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective estimated useful lives on a “Straight Line method”, from the date that they are available for use. The estimated useful lives of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

The estimated useful lives of intangibles are as follows:

Category	Useful lives
Computer software	6 years

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

Derecognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognised in profit or loss when the asset is derecognised.

2.8 Leases

Assets leased by the Company in its capacity as a lessee, where substantially all the risks and rewards of ownership vest in the Company are classified as finance leases. Such leases are capitalised at the inception of the lease at the lower of the fair value and the present value of the minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as an operating lease. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis except where the lease payments are structured to increase in line with expected general inflation.

2.9 Impairment

a. Financial assets carried at amortised cost and FVTOCI

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivable.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL. Lifetime ECLs are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12 month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

- i. All contractual terms of the financial instrument (including prepayment, extension etc.) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.
- ii. Cash flows from the sale of collateral held or other credit enhancements that are integral - to the contractual terms.

The Company has used a practical expedient by computing the expected credit loss allowance for trade receivable based on a detailed analysis of trade receivable by individual departments. ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/expense in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:

Financial assets measured at amortised cost, contractual revenue receivable: ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

b. Non-financial assets

The Company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets is impaired. If any such indication exists, the Company estimates the amount of impairment loss. An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in profit or loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through profit or loss.

The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

2.10 Employee benefit

The Company participates in various employee benefit plans. Post-employment benefits are classified as either defined contribution plans or defined benefit plans.

Defined Contribution Plan

Under a defined contribution plan, the Company's only obligation is to pay a fixed amount with no obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits. The related actuarial and investment risks fall on the employee. The expenditure for defined contribution plans is recognized as expense during the period when the employee provides service.

Defined benefit Plan

Under a defined benefit plan, it is the Company's obligation to provide agreed benefits to the employees. The related actuarial and investment risks fall on the Company. The present value of the defined benefit obligations is calculated using the projected unit credit method.

The Company has the following employee benefit plans:

a. Gratuity

In accordance with the Payment of Gratuity Act, 1972, the Company provides for a lump sum payment to eligible employees, at retirement or termination of employment based on the last drawn salary and years of employment with the Company. The Company's obligation in respect of the gratuity plan, which is a defined benefit plan, is determined using the projected unit credit method, with actuarial valuations being carried out at each balance sheet date.

Actuarial gains or losses are recognized in full in the other comprehensive income for the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested, and otherwise is amortised on a straight-line basis over the average period until the benefits become vested.

The retirement benefit obligation recognised in the balance sheet represents the present value of the defined benefit obligation as adjusted for unreognised past service cost.

b. Compensated absences

The employees of the Company are entitled to compensated absences. The employees can carry forward a portion of the unutilised accumulating compensated absences and utilise it in future periods or receive cash at retirement or termination of employment. The Company records an obligation for compensated absences in the period in which the employee renders the services that increases this entitlement. The Company measures the expected cost of compensated absences as the additional amount that the Company expects to pay as a result of the unused entitlement that has accumulated at the end of the reporting period. The Company recognizes accumulated compensated absences based on actuarial valuation. Non-accumulating compensated absences are recognized in the period in which the absences

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

occur. The Company recognizes actuarial gains and losses immediately in the Other Comprehensive Income.

2.11 Provisions and Contingent liabilities

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset, if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. Provisions for onerous contracts are measured at the present value of lower of the expected net cost of fulfilling the contract and the expected cost of terminating the contract and is adjusted to the cost of such assets.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Contingent liabilities are disclosed in the notes. Contingent assets are not recognised in the financial statements.

Provisions are reviewed at each balance sheet date adjusted to reflect the current best estimates.

2.12 Revenue Recognition:

The Company derives revenue primarily from Services to Corporate and Securities Services. The Company recognizes revenue when the significant terms of the arrangement are enforceable, services have been delivered and the collectability is reasonably assured. The method for recognizing revenues and costs depends on the nature of the services rendered:

a. Time and service contracts

Revenues and costs relating to time and service contracts are recognized as the related services are rendered.

b. Annual / monthly Fee contracts

Revenue from Annual / monthly fee contracts is recognized ratably over the period of the contract using the percentage of completion method. When services are performed through

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

an indefinite number of repetitive acts over a specified period of time, revenue is recognized on a straight line basis over the specified period or under some other method that better represents the stage of completion.

The Company accounts for volume discounts and pricing incentives to customers by reducing the amount of revenue recognized at the time of sale. Revenues are shown net of applicable discounts and allowances.

The Company has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue. The Company has adopted Ind AS 115 using the cumulative effect method. The effect of initially applying this standard is recognised at the date of initial application (i.e. April 1, 2018). There was no impact on the adoption of the standard on the financial statements of the Company.

2.13 Dividend Income

Dividend income is recognized in the statement of profit and loss on the date that the Company's right to receive payment is established.

2.14 Finance income and expense

Finance income consists of interest income on funds invested, dividend income and gains on the disposal of FVTPL financial assets. Interest income is recognized as it accrues in the statement of profit and loss, using the effective interest method.

Finance expenses consist of interest expense on loans, borrowings and finance lease. Borrowing costs are recognized in the statement of profit and loss using the effective interest method.

2.15 Taxation

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

a. Current income tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the period. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

b. Deferred income tax

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax asset are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred income tax liabilities are recognized for all taxable temporary differences.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized. Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

The Company recognises interest levied and penalties related to income tax assessments in income tax expenses.

2.16 Earnings per share

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share. Basic earnings per share is computed using the weighted average number of equity shares outstanding during the period.

Diluted EPS is computed by dividing the net profit/loss after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares, as appropriate.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

2.17 *Current and Non-current classification*

The company present assets and liabilities in the balance sheet based on current/non-current classification

Assets: An asset is classified as current when it satisfies any of the following criteria:

- a. it is expected to be realised in, or is intended for sale or consumption in, the entity's normal operating cycle;
- b. it is held primarily for the purpose of being traded;
- c. it is expected to be realised within twelve months after the balance sheet date; or
- d. it is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the balance sheet date

All other assets are classified as non-current.

Liabilities: A liability is classified as current when it satisfies any of the following criteria:

- (a) It is expected to be settled in, the entity's normal operating cycle;
- (b) It is held primarily for the purpose of being traded; it is due to be settled within twelve months after the balance sheet date; or
- (c) The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the balance sheet date.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2.18 ***Government grants***

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

2.19 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.20 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and net of outstanding bank overdrafts that are repayable on demand, book overdraft and are considered part of the Company's cash management system.

Liquidity Enhancement Scheme (LES) Reserve				
Pursuant to SEBI Circular SEBI/HO/MRD/DSA/CIR/P/2017/95 dated August 10, 2017 (INDIA INX Circular no-20171017-1, dated October 17, 2017), the Company had launched Liquidity Enhancement Scheme (LES) to enhance liquidity in INDIA INX's derivatives contracts traded in the Exchange. LES was launched on November 01, 2017 and which was further extended and amended from time to time. An expense of Rs 1562.20 Lakhs (USD 2204.04 thousand) (Previous period: Rs 1298.05 Lakhs (USD 1857.30 thousand)) has been incurred towards the Scheme for the year ended March 31, 2020.				
Further Pursuant to SEBI Circular SEBI/HO/MRD/DSA/CIR/P/2017/95 dated August 10, 2017, during the year ended March 31, 2020, The Company has created additional LES reserve of Rs 1592.82 lakhs (USD 2247.24 thousand) and incurred an expense of Rs 1562.20 Lakhs (USD 2204.04 thousand) during the year ended March 31, 2020, accordingly LES reserve balance as on March 31, 2020 is Rs 38.38 Lakhs (USD 81.37 thousand) (Previous year: Rs 7.76 Lakhs (USD 38.17 thousand)). The LES reserve as on March 31, 2020 will not form part of net worth of the Exchange.

23. Disclosure as required on “Employee Benefits” is as under:

23.1 Defined Benefit Plan – Gratuity

The Company offers its employees defined-benefit plans in the form of a gratuity scheme (a lump sum amount). Benefits under the defined benefit plans are typically based on years of service and the employee’s compensation (generally immediately before retirement). The gratuity scheme covers substantially all regular employees.

Such plan exposes the Company to actuarial risks such as: investment risk, interest rate risk, demographic risk and salary risk.

Investment risk	The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to market yields at the end of the reporting period on government bond yields; if the return on plan asset is below this rate, it will create a plan deficit. Currently the plan is managed by the insurer.
Interest risk	A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan’s debt investments.
Demographic risk	This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, medical cost inflation, discount rate and vesting criteria.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan’s liability.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

iv. Principle actuarial assumption

Assumptions	March 31, 2020	March 31, 2019
Discount Rate/Rate of Return on plan asset	6.85%	7.75%
Salary escalation	7.50%	7.00%

- Discount Rate: The discount rate is based on the prevailing market yields of Indian government securities as at the balance sheet date for the estimated term of the obligations.
 - Salary Escalation Rate: The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors.
 - The Company has considered past service on account of benefit amendment.
- v. **Sensitivity Analysis:** The following table summarizes the impact in percentage terms on the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 50 basis points:-

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

Particulars	For the Year ended March 31, 2020		For the Year ended March 31, 2019	
	Discount rate	Salary escalation rate	Discount rate	Salary escalation rate
Impact of increase in 50 bps on defined benefit obligation	(6.37)%	5.57%	(5.47%)	5.89%
Impact of decrease in 50 bps on defined benefit obligation	5.64%	(6.37%)	5.88%	(5.53%)

Sensitivity for the significant actuarial assumptions is computed by varying one actuarial assumption used for the valuation of the defined benefit obligation by 50 basis points, keeping all other actuarial assumption constant.

vi. Composition of Plan Assets

Particulars	March 31, 2020	March 31, 2019
Policy of insurance	99.97%	99.64%
Other investment	0.029%	0.356%
Total	100%	100%

Actual return on the assets for the year ended March 31, 2020 ₹ 4,80,690 (2019 : 1,14,376)

There is no compulsion on the part of the Company to fully pre fund the liability of the Plan. The Company's philosophy is to fund the benefits based on its own liquidity and tax position as well as level of underfunding of the plan.

The plan assets in respect of gratuity represent funds managed by the India International Exchange (IFSC) Limited Employee's Group Gratuity Fund. The Employer's best estimate of the contributions expected to be paid to the plan during the next year is ₹ 15,10,277

vii. Maturity profile of defined benefit obligations

Maturity Profile	March 31, 2020	March 31, 2019
Expected benefits for year 1	1,49,275	1,48,879
Expected benefits for year 2	1,60,118	1,57,872
Expected benefits for year 3	1,73,610	1,65,608
Expected benefits for year 4	1,87,720	1,78,883
Expected benefits for year 5	1,99,189	1,93,189
Expected benefits for year 6 to year 10	13,49,995	23,18,639
Above 10 year	2,20,46,735	1,83,48,615

weighted average duration to the payment of these cash flows is 12.15 years (previous year 11.34 years).

The

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

23.2 Defined Benefit Plan – Compensated absence

The liability for compensated absences as at the year ended March 31, 2020 is Rs 49,12,598 (USD-65,166) (2019 : Rs 74,79,700 (USD-1,08,133)) as shown under current other financial liabilities and Rs 31,04,768 (USD 41,185) as shown under non current other financial liabilities. During the current year, provision for compensated absence amounting to Rs 55,04,613(USD- 77,662) (2019: Rs 55,79,091 (USD-79,828)) have been charged to the Statement of Profit and Loss, under Compensated absence in note 19 “Employee benefits expense”.

For Principle actuarial assumption refer above iv table of assumption.

23.3 Defined Contribution Plan – Provident Fund, Pension Fund and National Pension Scheme (NPS)

These are plans in which the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. The Company offers its employees defined contribution plan in the form of provident fund and family pension fund. Provident fund and family pension fund cover substantially all regular employees. While both, the employees and the Company pay predetermined contributions into the provident fund and National Pension Scheme, contributions into the family pension fund are made by only the Company. The contributions are based on a certain proportion of the employee’s salary.

During the current year, provident fund contributions amounting to Rs 21,38,777 (USD- 30,175) (2019: Rs 21,12,839 (USD-30,231) have been charged to the Statement of Profit and Loss, under Contributions to provident, gratuity and other funds in note 19 “Employee benefits expense”.

During the current year, National pension scheme contributions amounting to Rs 12,14,301 (USD17,132) (2019: Rs 10,79,334 (USD- 15,444) have been charged to the Statement of Profit and Loss, under Contributions to provident, gratuity and other funds in note 19 “Employee benefits expense”.

24. Segment Reporting

The Chief Executive Officer & Managing Director of the Company has been identified as the Chief Operating Decision Maker (CODM) as defined by Ind AS 108, Operating Segments. The CODM evaluates the Company’s performance and allocates resources based on an analysis of various performance indicators by industry classes. Accordingly, segment information has been presented for industry classes. The "Company" or the "Exchange" operates only in one Business Segment i.e.

"Facilitating Trading in Securities and other related ancillary Services", hence does not have any reportable Segments as per Indian Accounting Standard 108 "Operating Segments". The reportable business segments are in line with the segment wise information which is being presented to the CODM.

25. Financial Instruments

The significant accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

class of financial asset, financial liability and equity instrument are disclosed in note 2.5 to the financial statements.

Fair value hierarchy:

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

- Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 — Inputs are not based on observable market data (unobservable inputs).

The carrying value of financial instruments by categories as at balance sheet date is as follows and the directors consider that the carrying amounts of below mentioned financial assets and financial liabilities recognised in the balance sheet approximate their fair values.

INDIA INTERNATIONAL EXCHANGE (IFSC) Limited

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

30. Financial Risk Management:

The Company's principal financial liabilities, comprise trade and other payables. The main purpose of these financial liabilities is to support its operations. The Company's principal financial assets includes Cash and cash equivalents.

The Company's activities exposes it to a variety of risks: Regulatory risk, Liquidity risk, Foreign Currencies risk, Interest rate risk.

Regulatory risk:

The Company requires a number of regulatory approvals, licenses, registrations and permissions to operate our business, including at a corporate level as well as at the level of each of its components. For example, the Company have licenses from SEBI in relation to, among others, introducing derivatives contracts on various indices of the exchange, introduction of futures and options contracts on various indices of the exchange. Some of these approvals are required to be renewed from time to time. The Company's operations are subject to continued review and the governing regulations may change. The Company's regulatory team constantly monitors the compliance with these rules and regulations.

Foreign currency risk

United State Dollars (USD) is the functional currency of the Company, thus the Company's exchange risk arises from its foreign currency expenses. Currency other than USD is considered as foreign currency. Company is using Special Non-Resident Rupee account for discharging the liability of INR.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Interest rates are sensitive to many factors, including governmental, monetary and tax policies, domestic and international economic and political considerations, fiscal deficits, trade surpluses or deficits, regulatory requirements and other factors beyond the Company's control.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

The table below provides details regarding the contractual maturities of significant financial liabilities as follows.
