Company business

Informed Technologies India Ltd ('ITIL') is a subsidiary of Khandelwals Ltd, established in 1958. The company is based in Mumbai and engaged in the BPO and KPO business. The company collects and analyses data on financial fundamentals, corporate governance and capital market for the financial sector in United States. Its outsource services comprise financial databases and back office activities for research/advisory reports. ITIL has been promoted by Gautam Khandelwal, his family members and associates. Gautam Khandelwal is the non-executive chairman of the company.

Recent updates

Gradual shifting of Indian BPO industry to BPM: New entities like business process management (BPM) and SMAC – social, mobility, analytics and cloud are the emerging trends in the current business application. Indian BPO practice is moving away from voice based services and concentrating on the non-voice services for global clients. The industry is now calling it BPM and shifting in that direction.
