Trading Members shall have a facility for on-line real-time give-up of bids/orders to Custodians for their confirmation by entering the Client/ CP Code and Custodian Clearing Code at the bid entry level on T day. Online give up can be done for both 100% margin and 0% margin Bids.

**Please note that for 0% margin bids, Trading Members are mandatorily required to enter Client/ CP Code and Custodian Clearing Code at the bid entry level on T day.**

The following orders shall be valid in the OFS window:

- A. Orders with 100% of margin paid upfront by Institutional Investors and non-institutional investors. Such orders can be modified or canceled at any time during the Trading Hours.
- B. Orders without paying upfront margin (0% margin) by Institutional Investors only. Such orders cannot be modified or cancelled by the investors or stock brokers, except for making upward revision in the price or quantity.

The 100% margin bids awaiting Custodian confirmation will be treated as incomplete/provisional bids and will be given temporary bid ids till they are confirmed by the Custodian(s) till the close of session. Once these bids are accepted by Custodian(s) via RTRMS, the bids will be treated as confirmed bids and would be considered for the display for indicative price on the Exchange website. If such 100% margin on-line given-up bids are either rejected by the Custodians or not confirmed by the Custodians within OFS session hours, then such bids will be treated as cancelled and will be accordingly lapsed.

If Non Retail Investors' bids (which have been confirmed by the Custodians') opt to carry forward the unallocated bids to T+1 Day then such bids will again be required to be confirmed by the Custodians.

The 0% margin bids that are both awaiting custodial confirmation or approved by custodian will be considered as normal bids, since such orders cannot be cancelled by Trading Members. Upward revision in Price and/or Quantity for 0% margin bids are allowed.

Such bids will be considered normal i.e. valid bids. Trading Member(s) can give-up such bids through OFS module and Custodian(s) can take up such offline bids through RTRMS only.

Margin Type	Offline Give up Day	Offline Take up Day
