This is with reference to your mail to us dated December 05, 2018 regarding significant movement in the price of our security.

We would like to clarify that there has been no announcement, of any sort from our end in the immediate past which could have any impact on the Price of our security. Also, at the moment there is no impending announcement that we would like to make to the exchange which would have a material impact on the price/trading volumes in our scrip.

We believe that the increase in the price / volume may be purely due to the market conditions and absolutely market driven.
