We refer to our earlier disclosure dated January 1, 2021, regarding Intellectual Property Appellate Board (IPAB) Order dated December 31, 2020 ('Order'). The IPAB's Order dealt with the ten applications filed by major FM Radio Broadcasters for fixation of royalty rates to be paid to the owners of the sound recordings under a Statutory License. Vide Order, IPAB has determined multiple rates based on the time slots Based on the Company's assessment of the Order, we believe, post the IPAB Order, which is effective from October 1, 2020, the Company's royalty cost in the current financial year would be lower than its royalty cost in the previous financial year (2019-20) by approximately Rs. 5.50 Crores to 5.75 Crores. The above quantification is based on certain assumptions regarding music playouts in the radio stations currently run by the Company and accordingly may change at the end of the current financial year (2020-21).
