INDEPENDENT AUDITOR'S REPORT

To,
The Members,
Aartech Solonics Limited
Bhopal (Madhya Pradesh)
(CIN No.: L31200MP1982PLC002030)

Report on the Audit of the Standalone Financial Statements

We have audited the accompanying financial statements of **Aartech Solonics Limited**. ("A Company") Registered Address E-2/57, "Ashirvad" Arera Colony, Bhopal - 462016, M.P. which comprise the Balance Sheet as at March 31, 2023, and the Statement of Profit and Loss and Cash Flow Statement for the year ended March 31, 2023 and a summary of significant accounting policies and other explanatory information of the company.

Unqualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) In the case of the Balance Sheet, of the state of affairs of the company as at March 31, 2023;
- (b) In the case of the Statement of Profit and Loss of the profit, for the year ended on that date; and
- (c) In the case of the Cash flow Statement, for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There is no key audit matter to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report and Business Responsibility Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, prescribed under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercised professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from

error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT**Report on the Internal Financial Controls under Clause (i) of subsection 3 of the section 143 of the Companies Act, 2013**

We have audited the internal financial controls over financial reporting of **Aartech Solonics Limited**. ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes on Financial Statements for the Year ended 31st March, 2023

1. SIGNIFICANT ACCOUNTING POLICIES

1.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The financial statements have been prepared to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006, (as amended and as applicable from time to time) and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on an accrual basis and under the historical cost convention on Going Concern basis.

The accounting policies and estimates adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below (if any).

1.2 PRESENTATION AND DISCLOSURE OF FINANCIAL STATEMENTS:

The Schedule III notified under the Companies Act, 2013, has become applicable to the Company, for preparation and presentation of its financial statements. The adoption of Schedule III does not impact recognition and measurement principles followed for preparation of these financial statements. However, it has significant impact on presentation and disclosures made in the financial statements. The Company has also reclassified the previous year figures in accordance with the requirements applicable in the current year.

The previous year's figures have been reworked, regrouped, rearranged and reclassified wherever necessary. Amounts and other disclosures for the preceding year are included as an integral part of the current year financial statements and are to be read in relation to the amounts and other disclosures relating to the current year.

1.3 USE OF ESTIMATES:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Difference between the actual results and estimates are recognised in the period in which the results are known / materialised.

1.4 REVENUE RECOGNITION:

Revenue on sale of goods is recognized when property in the goods is transferred to the buyer for a price, or when all significant risks and rewards of ownership have been transferred to the buyer and no effective control is retained by the Company in respect of the goods transferred, to a degree usually associated with ownership, and no significant uncertainty exists regarding the amount of consideration that will be derived from the sale of goods.

Revenue on transactions of rendering services is recognized under the completed service contract method. Contract is regarded as completed when no significant uncertainty exists regarding the amount of consideration that will be derived from rendering the services.

Notes on Financial Statements for the Year ended 31st March, 2023

1. SIGNIFICANT ACCOUNTING POLICIES

1.5 INVENTORIES:

(i) Finished goods and work in progress are valued at lower of historical cost or net realizable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing them to their respective present location and condition. By products are valued at net realizable value. Cost of finished goods and by-products includes excise duty. Cost is determined on a weighted average basis.

(ii) Stores, Spares and Raw Materials are valued at lower of historical cost or net realizable value. However materials & other items held for use in the production of inventories are not written below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on a weighted average basis.

(iii) Historical cost is determined on the basis of weighted average method.

(iv) Obsolete stocks are identified once every year on the basis of technical evaluation and are charged off to revenue.

(v) Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

1.6 INVESTMENTS:

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value. Long-term investments are carried at cost individually. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments in case of long term investments.

1.7 PROPERTY, PLANT & EQUIPMENTS:

Property, Plant and Equipment are stated at historical cost less accumulated depreciation and impairment loss if any. While arriving at the historical cost, all costs, including net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the fixed assets, and including financing costs till commencement of commercial production or the date the asset is put to use or bringing the asset to its working condition for intended use, are capitalized.

Capital Expenditure on purchase and development of identifiable non-monetary assets without physical substance is recognized as Intangible Assets in accordance with principles given under AS-26 – Intangible Assets issued by the Institute of Chartered Accountants of India. These are grouped and separately shown under the schedule of Fixed Assets. These are amortized over their respective expected useful lives. Intangible assets are stated at cost less accumulated amortization and impairment loss, if any.

1.9 EXPENSES INCURRED DURING CONSTRUCTION PERIOD:

The progress / milestone based payments made under the contracts for projects and assets under construction or development and other capital advances are considered as advances on capital account until the same are allocated to fixed assets, capital work-in-progress, and expenditure during construction and other relevant accounts, as applicable. Expenditure incidental to the construction of projects or assets under construction or development that take substantial period of time to get ready for their intended use is accumulated as expenditure during construction, pending allocation to fixed assets and other relevant accounts, as applicable.

Notes on Financial Statements for the Year ended 31st March, 2023

1. SIGNIFICANT ACCOUNTING POLICIES

1.10 DEPRECIATION & AMORTISATION:

Depreciation on fixed assets is provided as per straight line method. Depreciation is computed as per Part "C" of Schedule II of The Companies Act 2013. Depreciation on additions / deductions to fixed assets made during the year is provided on a pro-rata basis from / up to the date of such additions / deductions, as the case may be. Intangible assets are amortized over the best estimate of their useful lives; subject to a rebuttable presumption that such useful lives will not exceed ten years.

1.11 IMPAIRMENT OF ASSETS:

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss.

If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount but limited to the carrying amount that would have been determined (net of depreciation/amortization) had no impairment loss been recognized in prior accounting periods.

1.12 FOREIGN CURRENCY TRANSACTIONS:

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction. Monetary items denominated in foreign currencies at the year-end are restated at year end rates. In case of items which are covered by forward exchange contracts, the difference between the year-end rate and rate on the date of the contract is recognized as exchange difference and the premium paid on forward contracts is recognized over the life of the contract. Non-monetary foreign currency items are carried at cost. Any income or expense on account of exchange difference either on settlement or on translation is recognized in the Profit and Loss account except in case of long term liabilities, where they relate to acquisition of fixed assets, in which case they are adjusted to the carrying cost of such assets.

1.13 RESEARCH AND DEVELOPMENT:

The Company maintains an in house Research & Development Facility which has been recognized by the Department of Scientific & Industrial Research, Ministry of Science & Technology, and Government of India during the current financial year. The Company accounts for the Revenue Expenditure on research and development facility including salaries, consumables and power & fuel separately and the same is disclosed separately under respective heads of expenditure in the Statement of Profit and Loss. Capital expenditure to the research & development facility is shown as addition to fixed assets and disclosed separately.

1. SIGNIFICANT ACCOUNTING POLICIES

1.14 EMPLOYEES BENEFITS:

Expenses and liabilities in respect of employee benefits are recorded as under:

(i) Provident Fund & ESI

The Company makes contribution to statutory provident fund and Employee State Insurance in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 and Employee State Insurance Act, 1948 which is a defined contribution plan and contribution paid or payable is recognized as an expense in the period in which services are rendered by the employee.

(ii) Gratuity

Gratuity is a post-employment benefit. The Company has formed a gratuity trust with Life Insurance Corporation of India during the year ending March 31, 2013. The annual provision is determined by the Life Insurance Corporation and the same is paid by the Company to be used as Gratuity Fund. Before April 1, 2012, the Company did not make any provisions in the books of accounts for future liability on account of gratuity payable in the event of retirement of any of its employees or directors. The amount of gratuity due and payable was recorded as an expense in the year in which the liability to pay the same arises.

(ii) Leave Encashment

Leave encashment is a post-employment benefit. The Company has taken a Leave encashment policy with Life Insurance Corporation of India during the year ending March 31, 2023. The annual provision is determined by the Life Insurance Corporation and the same is paid by the Company. Before April 01, 2022, the company did not make any provisions in the books of accounts for future liability on account of leave encashment payable in the event of retirement of any of its employees or directors. The amount of leave encashment due and payable was recorded as an expense in the year in which the liability to pay the same arises.

(iv) Short-term employee benefits are recognized as an expense at the undiscounted amount in the profit and loss account of the year in which the related service is rendered.

(v) Post-employment and other long term employee benefits are recognized as an expense in the Profit and Loss account in the year in which the employee has retired / resigned and the amount has become payable.

Tax expense comprises of current and deferred. Provision for Current Tax is made in accordance with the provisions of Income Tax Act, 1961. In accordance with Accounting Standard AS-22 'Accounting for Taxes on Income' as notified by Companies Accounting Standard Rules, 2006, Deferred Tax Liability/ Asset arising from timing differences between book and income tax profits is accounted for at the current rate of tax to the extent these differences are expected to crystallize in later years. However, deferred Tax Assets are recognized only if there is a reasonable/ virtual certainty of realization thereof. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

1.15 LEASE:

Leases, where the lessor effectively retains substantially all the risks and benefits of the ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

In case of finance leases, the lower of the fair value of the assets and present value of the minimum lease rentals is capitalized as fixed assets with corresponding amount shown as lease liability. The principal component in the lease rental is adjusted against the lease liability and the interest component is charged to Profit and Loss account.

1. SIGNIFICANT ACCOUNTING POLICIES

1.16 TAXES ON INCOME:

Tax expense comprises of current and deferred. Provision for Current Tax is made in accordance with the provisions of Income Tax Act, 1961.

In accordance with Accounting Standard AS-22 'Accounting for Taxes on Income' as notified by Companies Accounting Standard Rules, 2006, Deferred Tax Liability/ Asset arising from timing differences between book and income tax profits is accounted for at the current rate of tax to the extent these differences are expected to crystallize in later years. However, deferred Tax Assets are recognized only if there is a reasonable/ virtual certainty of realization thereof.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date

1.17 GOVERNMENT GRANTS AND SUBSIDIES:

Grants and subsidies from the government are recognized when there is reasonable assurance that the grant/subsidy will be received and all attaching conditions will be complied with.

When the grant or subsidy relates to an expense item, it is recognized as income over the periods necessary to match them on a systematic basis to the costs, which it is intended to compensate. Where the grant or subsidy relates to an asset, its value is deducted from the gross value of the asset concerned in arriving at the carrying amount of the related asset.

1.18 BORROWING COST:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

1.19 PROVISIONS AND CONTINGENCIES:

A provision is recognized when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provisions are not discounted and are determined based on best estimate required to settle the obligation at each balance sheet date. Provisions are reviewed at each balance sheet date and are adjusted to effect the current best estimation.

A contingent liability is recognized for:

A present obligation that arises from past events but is not recognized as a provision because either the possibility that an outflow of resources embodying economic benefits will be required to settle the obligation is remote or a reliable estimate of the amount of the obligation cannot be made.

A possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent assets are neither accounted for nor disclosed in the financial statements.

1. SIGNIFICANT ACCOUNTING POLICIES

1.20 EARNINGS PER SHARE:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events of bonus issue, bonus element in a rights issue to existing shareholders, share split, and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Current investments are carried at lower of cost and quoted/fair value, computed category wise. Long Term Investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary. Any loss or gain on sale / redemption of investments is recognized in the profit and loss account.

INDEPENDENT AUDITOR'S REPORT

To,
The Members,
Aartech Solonics Limited
Bhopal (Madhya Pradesh)
(CIN No.: L31200MP1982PLC002030)

Report On the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial Statements **Aartech Solonics Limited** (here in after referred to as the 'Holding Company') and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), and its associates; (refer attached consolidated financial statements), which comprise the consolidated Balance Sheet as at March 31, 2023, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), and the consolidated cash flow statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information prepared based on the relevant records (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, and its associates as at March 31, 2023, of consolidated total income (comprising of profit), and its consolidated cash flows for the year then ended.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its associates in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by ICAI and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports, referred to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We do not have anything to report under Key Audit Matters for the Company relating to financial year ended March 31, 2023.

Information other than the Financial Statements and Auditor's Report Thereon

- The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated financial statements and our auditor's report thereon.
- Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and the reports of the other auditors as furnished to us, referred to in Other Matters paragraph below, we conclude that there is a material misstatement of this other information, we are required to report that fact.
- We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows, and changes in equity of the Group including its associates in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates are responsible for overseeing the financial reporting process of the Group and of its associates.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other

auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with statement that we have complied with relevant Ethical requirements regarding independence, and to communicate with them all relationships and other Matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- a. We did not audit the financial statements of the subsidiary's, AIC-Aartech Solonics Private Limited & Faradigm Ultracapacitors Private Limited, whose financial statements reflect total assets of Rs. 419.12 Lakhs as at March 31, 2023, total revenue of Rs 116.68 Lakhs, net cash flows amounting to Rs. 7.28 Lakhs for the year ended, as considered in the consolidated financial statements. The share (30%) of profit of associate company Enerqual Technology Private Limited amounting to Rs.1.62 Lakhs has been included in the consolidated financial statement; the amount has not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements insofar as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.
- b. The consolidated financial results include the audited financial results of Subsidiary's AIC-Aartech Solonics Private Limited & Faradigm Ultracapacitors Private Limited whose financial statements reflect Group's share of consolidated total assets of Rs. 3660.94 Lakh as at March 31, 2023, Group's share of consolidated total revenue of Rs. 1448.72 Lakh and Group's share of consolidated total net profit after tax of Rs. 176.95 Lakh for the year ended on that date, as considered in the consolidated financial results, which have been audited by us.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we report that:

- a. We have sought obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- c. In our opinion the Balance Sheet, Statement of Profit and Loss and cash flow statement, dealt with by this Report are in agreement with the books of account;
- d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, with the rule of the Companies (Accounts) Rules, 2014;

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of subsection 3 of the section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of **Aartech Solonics Limited**. ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group and its associates, which are companies incorporated in India, have, maintained in all material respects, adequate internal financial controls with reference to Consolidated Financial Statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

AARTECH SOLONICS LIMITED

Notes on Consolidated Financial Statements for the Year ended 31st March, 2023

1. SIGNIFICANT ACCOUNTING POLICIES

1.1 CORPORATE INFORMATION:

The Consolidated Financial Statements comprise financial statements of "Aartech Solonics Limited" ("the Holding Company") and its subsidiaries "AIC- Aartech Solonics Private Limited & Faradigm Ultracapacitors Private Limited (collectively referred to as "the Group") for the year ended 31st March 2023. AIC-Aartech Solonics Private Limited & Faradigm Ultracapacitors Private Limited is wholly owned subsidiaries of Aartech Solonics Limited.

1.2 BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

The Consolidated Financial Statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The Consolidated Financial Statements have been prepared to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006, (as amended and as applicable from time to time) and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on an accrual basis and under the historical cost convention on Going Concern basis.

The accounting policies and estimates adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below (if any).

1.3 PRINCIPLES OF CONSOLIDATION:

The financial statements of the Holding Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.

Profits or losses resulting from intra-group transactions that are recognised in assets, such as Inventory and Property, Plant and Equipment, are eliminated in full.

The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.

The carrying amount of the parent's investment in each subsidiary is offset (eliminated) against the parent's portion of equity in each subsidiary.

Minority Interest's share of profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to shareholders of the Company.

1.4 PRESENTATION AND DISCLOSURE OF FINANCIAL STATEMENTS:

The Schedule III notified under the Companies Act, 2013, has become applicable to the Company, for preparation and presentation of its financial statements. The adoption of Schedule III does not impact recognition and measurement principles followed for preparation of these financial statements. However, it has significant impact on presentation and disclosures made in the financial statements. The Company has also reclassified the previous year figures in accordance with the requirements applicable in the current year.

The previous year's figures have been reworked, regrouped, rearranged and reclassified wherever necessary. Amounts and other disclosures for the preceding year are included as an integral part of the current year financial statements and are to be read in relation to the amounts and other disclosures relating to the current year.

AARTECH SOLONICS LIMITED

Notes on Consolidated Financial Statements for the Year ended 31st March, 2023

1. SIGNIFICANT ACCOUNTING POLICIES

1.5 USE OF ESTIMATES:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Difference between the actual results and estimates are recognised in the period in which the results are known / materialised.

1.6 REVENUE RECOGNITION:

Revenue on sale of goods is recognized when property in the goods is transferred to the buyer for a price, or when all significant risks and rewards of ownership have been transferred to the buyer and no effective control is retained by the Company in respect of the goods transferred, to a degree usually associated with ownership, and no significant uncertainty exists regarding the amount of consideration that will be derived from the sale of goods.

Revenue on transactions of rendering services is recognized under the completed service contract method. Contract is regarded as completed when no significant uncertainty exists regarding the amount of consideration that will be derived from rendering the services.

1.7 INVENTORIES:

(i) Finished goods and work in progress are valued at lower of historical cost or net realizable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing them to their respective present location and condition. By products are valued at net realizable value. Cost of finished goods and by-products includes excise duty. Cost is determined on a weighted average basis.

(ii) Stores, Spares and Raw Materials are valued at lower of historical cost or net realizable value. However materials & other items held for use in the production of inventories are not written below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on a weighted average basis.

(iii) Historical cost is determined on the basis of weighted average method.

(iv) Obsolete stocks are identified once every year on the basis of technical evaluation and are charged off to revenue.

(v) Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

1.8 INVESTMENTS:

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value. Long-term investments are carried at cost individually. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments in case of long term investments.

1. SIGNIFICANT ACCOUNTING POLICIES

1.9 PROPERTY, PLANT & EQUIPMENTS:

Property, Plant and Equipment are stated at historical cost less accumulated depreciation and impairment loss if any. While arriving at the historical cost, all costs, including net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the fixed assets, and including financing costs till commencement of commercial production or the date the asset is put to use or bringing the asset to its working condition for intended use, are capitalized.

Capital Expenditure on purchase and development of identifiable non-monetary assets without physical substance is recognized as Intangible Assets in accordance with principles given under AS-26 – Intangible Assets issued by the Institute of Chartered Accountants of India. These are grouped and separately shown under the schedule of Fixed Assets. These are amortized over their respective expected useful lives. Intangible assets are stated at cost less accumulated amortization and impairment loss, if any.

1.10 EXPENSES INCURRED DURING CONSTRUCTION PERIOD:

The progress / milestone based payments made under the contracts for projects and assets under construction or development and other capital advances are considered as advances on capital account until the same are allocated to fixed assets, capital work-in-progress, and expenditure during construction and other relevant accounts, as applicable. Expenditure incidental to the construction of projects or assets under construction or development that take substantial period of time to get ready for their intended use is accumulated as expenditure during construction, pending allocation to fixed assets and other relevant accounts, as applicable.

1.11 DEPRECIATION & AMORTISATION:

Depreciation on fixed assets is provided as per straight line method. Depreciation is computed as per Part "C" of Schedule II of The Companies Act 2013. Depreciation on additions / deductions to fixed assets made during the year is provided on a pro-rata basis from / up to the date of such additions / deductions, as the case may be. Intangible assets are amortized over the best estimate of their useful lives; subject to a rebuttable presumption that such useful lives will not exceed ten years.

1.12 IMPAIRMENT OF ASSETS:

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss.

If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount but limited to the carrying amount that would have been determined (net of depreciation/amortization) had no impairment loss been recognized in prior accounting periods.

1.13 FOREIGN CURRENCY TRANSACTIONS:

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction. Monetary items denominated in foreign currencies at the year-end are restated at year end rates. In case of items which are covered by forward exchange contracts, the difference between the year-end rate and rate on the date of the contract is recognized as exchange difference and the premium paid on forward contracts is recognized over the life of the contract. Non-monetary foreign currency items are carried at cost. Any income or expense on account of exchange difference either on settlement or on translation is recognized in the Profit and Loss account except in case of long term liabilities, where they relate to acquisition of fixed assets, in which case they are adjusted to the carrying cost of such assets.

1.14 RESEARCH AND DEVELOPMENT:

The Company maintains an in house Research & Development Facility which has been recognized by the Department of Scientific & Industrial Research, Ministry of Science & Technology, and Government of India during the current financial year. The Company accounts for the Revenue Expenditure on research and development facility including salaries, consumables and power & fuel separately and the same is disclosed separately under respective heads of expenditure in the Statement of Profit and Loss. Capital expenditure to the research & development facility is shown as addition to fixed assets and disclosed separately.

1.15 EMPLOYEES BENEFITS:

Expenses and liabilities in respect of employee benefits are recorded as under:

(i) Provident Fund & ESI

The Company makes contribution to statutory provident fund and Employee State Insurance in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 and Employee State Insurance Act, 1948 which is a defined contribution plan and contribution paid or payable is recognized as an expense in the period in which services are rendered by the employee.

(ii) Gratuity

Gratuity is a post-employment benefit. The Company has formed a gratuity trust with Life Insurance Corporation of India during the year ending March 31, 2013. The annual provision is determined by the Life Insurance Corporation and the same is paid by the Company to be used as Gratuity Fund. Before April 1, 2012, the Company did not make any provisions in the books of accounts for future liability on account of gratuity payable in the event of retirement of any of its employees or directors. The amount of gratuity due and payable was recorded as an expense in the year in which the liability to pay the same arises.

(ii) Leave Encashment

Leave encashment is a post-employment benefit. The Company has taken a Leave encashment policy with Life Insurance Corporation of India during the year ending March 31, 2023. The annual provision is determined by the Life Insurance Corporation and the same is paid by the Company. Before April 01, 2022, the company did not make any provisions in the books of accounts for future liability on account of leave encashment payable in the event of retirement of any of its employees or directors. The amount of leave encashment due and payable was recorded as an expense in the year in which the liability to pay the same arises.

(iv) **Short-term employee benefits** are recognized as an expense at the undiscounted amount in the profit and loss account of the year in which the related service is rendered.

(v) **Post-employment and other long term employee benefits** are recognized as an expense in the Profit and Loss account in the year in which the employee has retired / resigned and the amount has become payable.

Tax expense comprises of current and deferred. Provision for Current Tax is made in accordance with the provisions of Income Tax Act, 1961. In accordance with Accounting Standard AS-22 'Accounting for Taxes on Income' as notified by Companies Accounting Standard Rules, 2006, Deferred Tax Liability/ Asset arising from timing differences between book and income tax profits is accounted for at the current rate of tax to the extent these differences are expected to crystallize in later years. However, deferred Tax Assets are recognized only if there is a reasonable/ virtual certainty of realization thereof. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet

1.16 LEASE:

Leases, where the lessor effectively retains substantially all the risks and benefits of the ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

In case of finance leases, the lower of the fair value of the assets and present value of the minimum lease rentals is capitalized as fixed assets with corresponding amount shown as lease liability. The principal component in the lease rental is adjusted against the lease liability and the interest component is charged to Profit and Loss account.

1.17 TAXES ON INCOME:

Tax expense comprises of current and deferred. Provision for Current Tax is made in accordance with the provisions of Income Tax Act, 1961.

In accordance with Accounting Standard AS-22 'Accounting for Taxes on Income' as notified by Companies Accounting Standard Rules, 2006, Deferred Tax Liability/ Asset arising from timing differences between book and income tax profits is accounted for at the current rate of tax to the extent these differences are expected to crystallize in later years. However, deferred Tax Assets are recognized only if there is a reasonable/ virtual certainty of realization thereof.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date

1.18 GOVERNMENT GRANTS AND SUBSIDIES:

Grants and subsidies from the government are recognized when there is reasonable assurance that the grant/subsidy will be received and all attaching conditions will be complied with.

When the grant or subsidy relates to an expense item, it is recognized as income over the periods necessary to match them on a systematic basis to the costs, which it is intended to compensate. Where the grant or subsidy relates to an asset, its value is deducted from the gross value of the asset concerned in arriving at the carrying amount of the related asset.

Notes on Consolidated Financial Statements for the Year ended 31st March, 2023

1. SIGNIFICANT ACCOUNTING POLICIES

1.19 BORROWING COST:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

1.20 PROVISIONS AND CONTINGENCIES:

A provision is recognized when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provisions are not discounted and are determined based on best estimate required to settle the obligation at each balance sheet date. Provisions are reviewed at each balance sheet date and are adjusted to effect the current best estimation.

A contingent liability is recognized for:

A present obligation that arises from past events but is not recognized as a provision because either the possibility that an outflow of resources embodying economic benefits will be required to settle the obligation is remote or a reliable estimate of the amount of the obligation cannot be made.

A possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent assets are neither accounted for nor disclosed in the financial statements.

1.21 EARNINGS PER SHARE:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events of bonus issue, bonus element in a rights issue to existing shareholders, share split, and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Current investments are carried at lower of cost and quoted/fair value, computed category wise. Long Term Investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary. Any loss or gain on sale / redemption of investments is recognized in the profit and loss account.
