Dear Member(s),

Invitation to attend the 7th Annual General Meeting on Friday, September 29, 2023.

I invite you all most cordially to attend the 7th Annual General Meeting (“AGM”) of CWD Limited (“the Company”) to be held on Friday, September 29, 2023 at 4.00 P.M. (IST) at the Registered Office of the Company situated at 101, 1st Floor, Plot No. 439, Hasham Premji Building, Kalbadevi Road, Mumbai – 400 002. In accordance with the permissible circulars issued by Ministry of Corporate Affairs and SEBI’s directive, we are furnishing Annual Report for FY 2022-23 and this Notice of AGM to our Members over the internet rather than in paper form. We believe this delivery process reduces both environmental impact and the costs of printing and distributing our documents without hindering our Members’ timely access to this important information. We hope you will be able to attend this year’s AGM. Our MD will report on fiscal 2023, and there will be an opportunity for Members to ask questions. As you plan to attend the meeting, please ensure that you are represented by voting in advance. You can vote through remote e-voting or may opt to vote at the AGM and Your vote is very important.

On behalf of the Board of Directors, I would like to express my gratitude for your continued support for the Company.

The Notice of the meeting, containing the businesses to be transacted, is enclosed herewith

DIN: 01308288
Mumbai
Tuesday, 5th September, 2023

NOTES:

1. A Member entitled to attend and vote at the annual general meeting is entitled to appoint a proxy to attend and vote on poll instead of himself and a proxy need not be a member of the company. A person can act as a proxy on behalf of members not exceeding fifty and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. A member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as a proxy and such person shall not act as a proxy for any other person or shareholder.
2. A proxy form is enclosed with this notice. Proxies, in order to be effective, should be deposited at the registered office of the Company not later than forty-eight hours before the commencement of the Annual General Meeting. Proxies submitted on behalf of limited companies, societies, etc. must be supported by appropriate resolution or authority, as applicable.
3. Corporate members intending to send their authorized representatives to attend the meeting in accordance with the terms of section 113 of the Companies Act, 2013 are requested to submit a certified copy of the Board Resolution authorizing such a representative to attend and vote on their behalf at the meeting.
4. In case of joint holders attending the AGM, only such joint holder who is higher in the order of names will be entitled to vote
5. Members/proxies/authorised representatives are requested to bring duly filled Attendance Slip, enclosed herewith, to attend the AGM along with a valid identity proof such as the PAN card/passport/aadhaar card/driving license etc.
6. The proxies will be open for inspection by the members from 24 hours prior to the time fixed for the commencement of the meeting until the conclusion of the meeting. The members may inspect the register by giving three days' advance notice of their intention to inspect the proxies.
7. The Register of Directors and Key Managerial Personnel and their shareholding maintained under section 170 of the Act, Register of Contracts or Arrangements in which directors are interested under section 189 of the Act, and other relevant documents referred to in the Notice and the accompanying statement are open for inspection at the Registered Office of the Company on all working days (Monday to Friday) between 11.00 a.m. to 1.00 p.m. up to and including the date of the AGM and will also be available for inspection at the venue of the AGM.
8. The Ministry of Corporate Affairs (MCA) has taken a 'Green Initiative in Corporate Governance' by allowing companies to send documents to their shareholders in electronic mode. To support this green initiative and to receive communications from the Company in electronic mode, members who have not registered their e-mail addresses and are holding shares in physical form are requested to contact the Share Transfer Agents of the Company and register their email-id. Members holding shares in dematerialised form are requested to contact their Depository Participant. Members may please note that notices, annual reports, etc. will be available on the Company's website – www.cwdin.com and the same shall also be available for inspection, from 11.00 a.m. to 1.00 p.m., at the Registered Office of the Company on all working days (Monday to Friday). Members will be entitled to receive the said documents in physical form free of cost at any time upon request.
9. The statement pursuant to section 102 of the Companies Act, 2013 (the Act) is annexed hereunder and forms part of the Notice. As required under Secretarial Standard – 2 and 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the relevant information of directors seeking appointment / reappointment forms the part of this notice.
10. The Register of Members and the Share Transfer Books of the Company will remain closed from Saturday, September 23, 2023 to Friday, September 29, 2023, both days inclusive
11. Pursuant to SEBI Circular No. SEBI/HO/MIRSD/ MIRSDPoD-1/P/CIR/2023/37 dated March 16, 2023, issued in supersession of earlier circulars issued by SEBI bearing nos. SEBI/HO/MIRSD/ MIRSD RTAMB /P/CIR/2021/655 and SEBI/HO/ MIRSD/MIRSD RTAMB/ P/CIR/2021/687 dated November 3, 2021 and December 14, 2021, respectively, SEBI has mandated all listed companies to record PAN, Nomination, Contact details, Bank A/c details and Specimen signature for their corresponding folio numbers of holders of physical securities. The folios wherein any one of the cited documents/details is not available on or after October 1, 2023, shall be frozen by the RTA.

The securities in the frozen folios shall be eligible:

- To lodge any grievance or avail of any service, only after furnishing the complete documents / details as mentioned above;

- To receive any payment including dividend, interest or redemption amount (which would be only through electronic mode) only after they comply with the above stated requirements.

The forms for updation of PAN, KYC, bank details and Nomination viz., Forms ISR-1, ISR-2, ISR-3, SH-13 and the said SEBI circular are available on the website of Share Transfer Agents of the Company at the following address:

**KFIN Technologies Limited
(Formerly known as “KFIN Technologies Private Limited”)**

Financial District, Nanakramguda, Serilingampally,
Hyderabad – 500 032,
Tel: +91-40 – 6716 2222,
E-mail: einward.ris@kfintech.com

In view of the above, we urge Members holding shares in physical form to submit the required forms along with the supporting documents at the earliest. Members who hold shares in dematerialised form and wish to update their PAN, KYC, Bank details and Nomination, are requested to contact their respective DPs.

Further, Shareholders holding shares in physical form are requested to ensure that their PAN is linked to Aadhaar to avoid freezing of folios. Such frozen folios shall be referred by RTA/Company to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and/or Prevention of Money Laundering Act, 2002, after December 31, 2025.

12. Members can nominate a person in respect of all the shares held by them singly or jointly. Members holding shares in physical form can avail the nomination facility by filling Form No. SH-13 in duplicate with the Share Transfer Agents which, on request will supply blank forms. Members holding shares in the dematerialized form may contact the Depository Participant for recording nomination in respect of their shares. Members who hold shares in the single name are advised, in their own interest, to avail of the nomination facility.
13. The format of the Register of Members prescribed by the MCA under the Act requires the Company/ Registrars and Share Transfer Agents to record additional details of Members, including their PAN details, e-mail address, bank details for payment of dividends, etc. Form No. ISR-1 for capturing additional details is available on the Company’s website. Members holding shares in physical form are requested to submit the filled-in Form No. ISR-1 to the RTA. Members holding shares in electronic form are requested to submit the details to their respective DP only and not to the Company or RTA.
14. In terms of Regulation 40(1) of the Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialised form with effect from April 1, 2019. Members may please note that SEBI vide its Circular No. SEBI/ HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the Listed Companies to issue securities in demat form only while processing service requests viz. Issue of duplicate securities certificate, claim from Unclaimed Suspense Account; Renewal/ Exchange of securities certificate; Endorsement, Sub-division/ Splitting of securities certificate, Consolidation of securities certificates/ folios, Transmission and Transposition. Accordingly, Shareholders are requested to make service requests by submitting a duly filled and signed Form ISR – 4. Members holding equity shares of the Company in physical form are requested to kindly get their equity shares converted into demat/electronic form to get inherent benefits of dematerialisation and also considering that physical transfer of equity shares/issuance of equity shares in physical form have been disallowed by SEBI. SEBI vide its earlier amendment notification dated January 24, 2022 has mandated that all requests for transfer, transmission and transposition requests shall be processed only in dematerialized form. Members can contact the Company or RTA, for assistance in this regard.
15. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), the Applicable Circulars, and in terms of SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 in relation to the ‘e-Voting Facility to be provided by Listed Entities’, the Members are provided with the facility to cast their vote electronically, through the e-voting services provided by Central Depository Services (India) Limited (CDSL) on all resolutions set forth in this Notice, from a place other than the venue of the Meeting (‘remote e-Voting’). Resolution(s) passed by Members through e-Voting is/are deemed to have been passed as if it/they have been passed at the AGM.
16. Any person holding shares in physical form and non-individual shareholders, who acquires shares of the Company and becomes Member of the Company after the dispatch of this Notice and holding shares as of the Cut-off Date i.e., September 22, 2023, may obtain the login ID and password by sending a request at www.evotingindia.com. However, if the person is already registered with CDSL for remote e-Voting, then the existing user ID and password of the said person can be used for casting vote. If the person forgot his/ her

password, the same can be reset by using 'Forgot user Details/Password' or 'Physical user Reset Password' option available at www.evotingindia.com. In case of Individual Members holding securities in Demat mode who acquire shares of the Company and becomes a Member of the Company after sending the Notice and holding shares as of the Cut-off Date i.e., September 22, 2023, may follow steps mentioned in the notes to Notice.

17. The Cut-Off Date for determining the eligibility of shareholders to cast vote through remote e-Voting is September 22, 2023. The remote e-voting period commences on Friday, June 02, 2023, at 9:00 a.m. (IST) and ends on Monday, June 05, 2023, at 5:00 p.m. (IST).
18. Members who have not already cast their vote by remote e-Voting, are eligible to exercise their right to vote at the AGM.
19. Mr. Dhrumil Shah, partner of Dhrumil M. Shah & Co. LLP, Practicing Company Secretaries (Membership No. FCS 8021 & CP No. 8798) has been appointed as the Scrutinizer by the Board for providing a facility to the Members of the Company to scrutinize the remote e-Voting process before the AGM as well as voting during the AGM in a fair and transparent manner.
20. The Scrutinizer will submit his report to the Chairman or any other person authorized by the Chairman after the completion of the scrutiny of the voting (votes cast during the AGM and votes cast through remote e-voting), not later than 2 working days from the conclusion of the AGM. The result declared along with the Scrutinizer's report shall be communicated to the stock exchanges on which the Company's shares are listed, CDSL, and RTA, and will also be displayed on the website of the Company's website.

21. THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- i. The voting period begins on <Date and Time> and ends on <Date and Time>. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of <Record Date> may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED MARCH 31, 2023

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the
Companies (Appointment and Remuneration of Managerial Personnel Rules, 2014)]

To,
The Members,
CWD LIMITED
101, 1st Floor, Plot No. 439, Hasham Premji Building,
Kalbadevi Road, Kalbadevi,
Mumbai - 400002

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by CWD LIMITED (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2023 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended March 31, 2023 according to the provisions of:

- i) The Companies Act, 2013 (the Act) and the rules made there under.
- ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made there under.
- iii) The Depositories Act, 1996 and the Regulations and Bye laws framed there under.
- iv) Foreign Exchange Management Act, 1999 ("FEMA") and the rules and regulations made thereunder to the extent of Foreign Direct Investment;
- v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

MANAGEMENT DISCUSSION & ANALYSIS REPORT

GLOBAL ECONOMY

The world economy is in the doldrums, with weak economic growth, stubborn inflation and rising interest rates in the major developed economies clouding the near-term economic outlook. Legacy effects of the COVID-19 pandemic, the protracted war in Ukraine, exacerbating effects of climate change are impeding a rebound of global growth. Fuel and food prices have increased rapidly, hitting vulnerable populations in low-income countries hardest. The slowdown in global growth in 2023 is likely to be less severe than previously expected, mainly due to resilient household spending in the developed economies and recovery in China. Global economic growth is now projected to reach 2.3 per cent in 2023, an upward revision by 0.4 percentage points from the January forecast. Through this year and the next, growth is expected to remain well below the average rate of 3.1 per cent registered during the two decades before the pandemic, underscoring challenges for meeting the SDGs. Anemic growth in investment, high external debt burdens and rising debt vulnerabilities, growing financing gaps and simmering geo-political and climate risks portend a prolonged period of subpar growth in the world. Global trade will continue to face strong headwinds, with growth projected at only 2.3 per cent in 2023. While easing of supply chain constraints, recovery in tourism and China's reopening will render some support, weakening consumer demand in the developed economies, tighter financing conditions and geopolitical tensions will continue to pose significant challenges to global trade.

Financial stability risks have increased rapidly as the resilience of the global financial system has faced a number of tests. Recent turmoil in the banking sector is a powerful reminder of the challenges posed by the interaction between tighter monetary and financial conditions and the buildup in vulnerabilities since the global financial crisis. The emergence of stress in financial markets complicates the task of central banks at a time when inflationary pressures are proving to be more persistent than anticipated. Large emerging markets have so far avoided adverse spillovers, but smaller and riskier economies continue to confront worsening debt sustainability trends.

INDIAN ECONOMY

India is expected to remain one of the fastest-growing major economies in the world. Pegged at USD 3.75 trillion in 2022, based on the current price in dollar terms, India is chasing a target of becoming a USD 5 trillion economy by 2025, as the government pushes ahead with various economic reforms to drive manufacturing capacity and domestic consumption. The global supply chain vacuum caused by geo-political changes work in India's favour and expected to add impetus to economic growth trajectory as India becomes a key natural choice for sourcing.

According to the second advanced estimates by the National Statistics Office (NSO), in FY23, GDP growth rate is estimated at 15.9% on the back of strong projected performance of major sectors including services, agriculture, manufacturing, mining, construction and energy. The Indian economy, along with other global economies, suffered many tribulations since the start of the pandemic. However, the economic rebound has been sharp post the second wave, and the GDP crossed the pre-pandemic levels in the second quarter of FY-22.

The Advance Estimates of National Income are compiled using the benchmark-indicator method i.e., the estimates available for the previous year referred to as the benchmark year (2021- 22 in this case) are extrapolated using the relevant indicators reflecting the performance of sectors. The First Advance Estimates (FAE) for 2022-23, based on very limited data and by using Provisional Estimates of 2021-22 (released on 31.05.2022) for the benchmark year, were earlier released on 06.01.2023

The total tax revenue used for GDP compilation includes non-GST revenue and GST revenue. The Revised Estimates of tax revenue for 2022-23, as available in the Annual Financial Statement of the Central Government for 2023-24, latest available information on the websites of Controller General of Accounts (CGA) and Comptroller and Auditor General of India (CAG) have been used for estimating taxes on products at Current Prices. For compiling taxes on products at constant prices, volume extrapolation is done using volume growth of taxed goods and services. The total product subsidies were compiled using the latest information on major subsidies viz. Food, Urea, Petroleum and Nutrient based subsidy as available on CGA website and the expenditure incurred on subsidies by most States up to December, 2022 as available on CAG website along with the RE and BE provision for 2022-23 for Centre and States. Information available on Revenue expenditure, Interest payments, Subsidies etc. based on detailed analysis of budget documents of Centre and States for 2022-23 were also put to use for estimating Government Final Consumption Expenditure (GFCE).

Improved data coverage, actual performance of various indicators, actual tax collections and expenditure incurred on subsidies in the following months and revision in input data made by source agencies would have a bearing on

subsequent revisions of these estimates. Estimates are, therefore, likely to undergo revisions for the aforesaid causes in due course, as per the release calendar. Users should take these into consideration while interpreting the figures.

BUSINESS OVERVIEW

CWD stands for Connected Wireless Devices. Our Company is an Information and Communication Technology (ICT) based company that designs, develops, manufactures, and sells integrated solutions combining the power of software and electronics. All products that are designed and developed in the company are focused on wireless technologies either on short range radio technology like NFC, Bluetooth BLE, WiFi, Zigbee; mid-range systems like LORA or long-range communication systems like 5G LTE, NB-IOT, LTE CAT M1 etc.

CWD operates mainly through the segments of Consumer Electronics and Design and Development of Technology Solutions for various Enterprises and Businesses. Our diversified product portfolio includes Smart Medical Consumer Electronics, Products for Vaccine Tracking and Delivery, Tracking devices for Farm Cattle that monitor both movement and health, Electronics for converting Electric Power meter into a Smart Power meter, Employee Safety and Identity Solutions, Electronics that once embedded provide Smart Lighting capabilities to enterprises and consumers reducing their costs, Bluetooth Low Energy Modules that can be used across various white goods and projects etc. Our comprehensive suite of innovative technology allows us to attract new customers and expand existing customer relationships.

Our Company is registered as a start-up with DIPP bearing certificate No. DIPP1963, with a focus to provide innovative, cost-effective, and comprehensive solutions, products with strategic partnerships for best engineering and support and distribution of our products.

We are a fully integrated end-to-end integrated solution provider and original equipment manufacturers (—OEMs) with capabilities ranging from global sourcing, manufacturing, quality testing, packaging, and logistics. We are an innovation-driven company with strong focus on research and development (“R&D”), which allows us to develop new products suited to customer requirements and helping them to stay ahead of the curve. We develop and design products in-house at our own R&D unit. We manufacture and supply these products to customers globally who in turn distribute these products under their own brands.

We have developed R&D capabilities that include electronics hardware designing, system architecture, mechanical and product designing, prototyping, and testing. Apart from undertaking designing, our company also assists our customers in cost reduction through product engineering.

To carry out businesses in different location within India and abroad, we have 3 subsidiaries namely CWD Manufacturing Pvt. Ltd. (“CMPL”) having its registered office in Mumbai, India, CWD Innovations HK Limited (“CIHKL”) having its registered office in Hong Kong and SDG Global Private Limited (“SGPL”) having its registered office in Mumbai, India.

The CWD group structure is as CWD Limited a Holding Company has a three Subsidiary Companies CWD manufacturing Private Limited (99.98% Subsidiary), CWD Innovations HK Limited (100% Subsidiary), SDG Global Private Limited (99.98% Subsidiary). Our Company is promoted by Mr. S. Siddhartha Xavier and Mr. Tejas Kothari who individually have approximate 20 years of experience. Having gained experience and worked with technology companies like Reliance Communications and Global Space Technologies Limited, Mr. S. Siddhartha Xavier ideated the incorporation of CWD Innovation and acquired control of our Company in 2016. He was aided by Mr. Tejas Kothari who has rich experience in setting up business, developing markets, managing customers and handling overall businesses. In addition, we also have an experienced management team, which is backed by a core technical team that has substantial experience in manufacturing and the technical know-how to manufacture niche engineering products.

INDUSTRY STRUCTURE OVERVIEW

The Indian electronics system design and manufacturing (ESDM) sector is one of the fastest growing sectors in the economy and is witnessing a strong expansion in the country. The ESDM market in India is well known internationally for its potential for consumption and has experienced constant growth.

The ESDM market in India is well known internationally for its potential for consumption and has experienced constant growth. Indian manufacturers are attracting the attention of multinational corporations due to shifting global landscapes in electronics design and manufacturing capabilities, as well as cost structures. Companies from all over the world are striving to develop local capacities in India not only to serve the domestic market but also to cater to international markets.

The Electronics System Design & Manufacturing (ESDM) industry includes electronic hardware products and components relating to information technology (IT), office automation, telecom, consumer electronics, aviation, aerospace, defence, solar photovoltaic, nano electronics and medical electronics. The industry also includes design-related activities such as product designing, chip designing, Very Large-Scale Integration (VLSI), board designing and embedded systems.

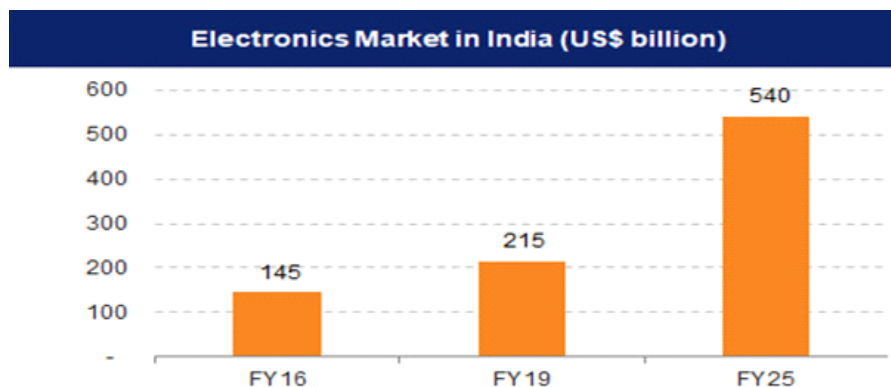

India witnessed a substantial spike in demand for electronic products in the last few years; this is mainly attributed to India’s position as second-largest mobile phone manufacturer worldwide and surge in internet penetration rate. The Government of India attributes high priority to electronics hardware manufacturing, as it is one of the crucial pillars of Make in India, Digital India and Start-up India programmes.

The Electronics System Design & Manufacturing (ESDM) sector plays a vital role in the government’s goal of generating US\$ 1 trillion of economic value from the digital economy by 2025. With various government initiatives aiming to boost domestic manufacturing, India has already started witnessing initial movement with increased production and assembly activities across products such as mobile phones and other consumer electronics.

INDUSTRY STRUCTURE - MARKET SIZE

The Indian electronics manufacturing industry is projected to reach US\$ 520 billion by 2025. The demand for electronic products is expected to rise to US\$ 400 billion by 2025 from US\$ 33 billion in FY20. Electronics market has witnessed a growth in demand with market size increasing from US\$ 145 billion in FY16 to US\$ 215 billion in FY19—the market witnessed a growth of 14% CAGR from 2016-19. Electronics system market is expected to witness 2.3x demand of its current size (FY19) to reach US\$ 160 billion by FY25. The top products under the ESDM sector with the highest CAGR include IT/OA at 54%, followed by industrial electronics at 38% and automotive electronics at 10%.

In India, smartphone shipments from India crossed 168 million units in CY 2021, and in 2022, smartphone shipments from India are expected to reach ~190 million. 5G device shipments are expected to increase by 129% YoY, from 28 million in CY 2021 to about 64 million in CY 2022. Electronics design segment, growing at 20.1%, was 22% of the ESDM market size in FY19; it is anticipated to be 27% of the ESDM market size in FY25.

India is one of the largest consumer electronics markets in Asia Pacific Region and is home to considerable talent for electronic chip design and embedded software. India has committed to reach US\$ 300 billion worth of electronics manufacturing and exports of US\$ 120 billion by 2025-26.

Major Government initiatives such as 'Digital India', 'Make in India' and supportive policies including favourable FDI Policy for electronics manufacturing have simplified the process of setting up manufacturing units in India.

India is the second fastest digitizing economy amongst the 17 leading economies of the world. The Government of India aims to make Electronics Goods amongst India's 2-3 top ranking exports by 2026. Electronics Goods exports are expected to increase from the projected US\$ 15 billion in 2021-22 to US\$ 120 billion by 2026.

INDUSTRY DEVELOPMENTS

Major Government initiatives such as 'Digital India', 'Make in India' and supportive policies including favorable FDI Policy for electronics manufacturing have simplified the process of setting up manufacturing units in India.

Post COVID, the Government of India aims to increase India's contribution by around US\$ 400 billion worth of electronics goods including exports worth US\$ 120 billion, which would account for 9-10% of the overall global value chains, from the current supply potential of 1-2%.

Union Budget 2023-24 has allocated Rs. 16,549 crore (US\$ 2 billion) for the Ministry of Electronics and Information Technology, which is nearly 40% higher on year. The budget for FY23 had allocated Rs. 14,300 crore (US\$ 1.73 billion) for the IT ministry.

The first-of-its-kind in India Electropreneur Park (EP) set up by MEITY and IESA started in 2016 and created 51 hardware products, 51 patents, and 23 startups were funded. The EP will grow to be a hub with 20 spoke centres aimed to promote innovation and create unicorns in ESDM by offering access to a holistic ecosystem to accelerate the government's flagship schemes like Startup India and Make in India.

STPI Signs MoUs to strengthen tech startup ecosystem: AIC STPINEXT Initiatives (STPINEXT), a special purpose vehicle of Software Technology Parks of India (STPI), an organisation under the Ministry of Electronics and Information Technology (MeitY) has signed two memorandums of understanding (MoUs), one with HDFC Bank, and another with Excelpoint Systems India Pvt. Ltd., a niche technology player for fostering entrepreneurship and nurturing tech startups in the country. These partners would play critical role in supporting and handholding the startups in the growth journey through technical guidance & assistance, mentoring, pitching to investors, funding support, and market connect & access etc.

Some of the investments/ developments in the Electronics System Design & Manufacturing (ESDM) sector in the recent past are as follows:

- The cumulative FDI equity inflow in the Electronics industry is US\$ 3.75 billion during the period April 2000-December 2022.
- In FY23, the exports of electronic goods were recorded at US\$ 23.57 billion as compared to US\$ 15.66 billion during FY22, registering a growth of 50.52%.
- Exports of electronic goods stood at US\$ 2.0 billion in September 2022.
- During April 2022-February 2023, the imports of electronics goods stood at US\$ 70.07 billion, whereas exports stood at US\$ 20.69 billion.
- Imports of electronics goods stood at US\$ 7.14 billion in September 2022.

A nine-member task force has been constituted by the Ministry of Electronics and Information Technology (MeitY) in March, 2023 with the primary goal of making India a 'product developer and manufacturing nation', as per a report. The members of task force are some of the veterans from the Indian electronic industry, including HCL Founder Mr. Ajay Chowdhary, Lava International Chairman Mr. Hari Om Rai, and Boat Lifestyle Co-Founder Mr. Aman Gupta, among others.

- In March 2023, the Government approved setting up of the Electronics Manufacturing Cluster (EMC) at Hubli-Dharwad in Karnataka, worth US\$ 22 million (Rs. 180 crore) and is expected to create about 18,000 jobs.
- As global companies are leveraging the well-developed manufacturing system in the State, Tamil Nadu has emerged as one of the major electronics hardware manufacturing and exporting States in the country. The state is well positioned to achieve a US\$ 100 billion ESDM industry in the next five years.
- The India Cellular and Electronics Association in February 2023 signed a memorandum of understanding with the Uttar Pradesh government to facilitate investments as the electronics manufacturing and skill hub to cater

to domestic demand and exports. The government has set a target to achieve US\$ 300 billion of electronics manufacturing by 2025-26, out of which US\$ 75-100 billion of electronics manufacturing is expected from UP.

- Mitsubishi Electric India would invest Rs. 1,891 crore (US\$ 230.9 million) to build an air conditioner and compressor factory in Tamil Nadu. This facility will generate over 2,000 jobs, 60% of which would be held by women.
- Vedanta Group signed memorandums of understanding (MoUs) with 20 Korean companies from the display glass industry for the development of an electronics manufacturing hub in India. The MoUs were signed at the 'Korea Biz-Trade Show 2023' event organised by KOTRA, in collaboration with Korea's Ministry of Trade, Industry, and Energy.
- In November 2022, Voltas entered into a technology license agreement with Denmark's Vestfrost Solutions to develop, manufacture, sell and service medical refrigeration and vaccine storage equipment including ice lined refrigerators, vaccine freezers and ultra-low temperature freezers to the India market.
- Voltas announced plans of Rs. 400 crore (US\$ 50.10 million) capex under PLI scheme to manufacture components for white goods in May 2022.
- In March 2022, Reliance announced that it would invest US\$ 220 million in a joint venture with Sanmina Corp, a US-listed company for making electronic products in the Asian countries.
- According to sources, Apple Inc. in 2021 manufactures 70% of mobile phones sold in India, a sharp increase from 30% recorded two years ago. This is a significant push towards the "Make in India" initiative, following the government's Production-linked Incentive (PLI) plan, which began in FY21.
- In September 2021, tech giant Lenovo announced plans to ramp up manufacturing capabilities in India across various product categories, such as PCs, notebooks and smartphones, due to rising consumer demand. However, details of the investment were not disclosed.
- In September 2021, PG Electroplast, a contract manufacturer of electronic goods, announced that it had applied for a PLI scheme and pledged to invest Rs. 300 crore (US\$ 40.47 million) towards the production of air conditioner components.
- Intel has invested over US\$ 7 billion in design and R&D facilities in the country to date.
- As of March 03, 2021, 19 companies have filed for the production-linked incentive (PLI) scheme for IT Hardware. The scheme was open for applications until April 30, 2021; its incentives will be available from April 01, 2021. Over the next four years, the scheme is expected to lead to total production of ~Rs. 160,000 crore (US\$ 21.88 billion). Of the total production, IT hardware companies have proposed production of >Rs. 135,000 crore (US\$ 18.46 billion); and domestic companies have proposed production of >Rs. 25,000 crore (US\$ 3.42 billion).
- The government has set a target to get ~Rs. 18,000 crore (US\$ 2.4 billion) investments in the electronics manufacturing segment by 2021-22.
- On February 16, 2021, Amazon announced that it will commence manufacturing of electronics products from India with Cloud Network Technology, a subsidiary of Foxconn in Chennai, later in the year. The device manufacturing programme will be able to produce 'Fire TV Stick' devices in large quantities every year, catering to demands of customers in India.

OPPORTUNITIES GOVERNMENT INITIATIVES

The Government of India has adopted few initiatives for the ESDM sector in the recent past, some of these are as follows:

- Union Budget 2023-24 has allocated Rs. 16,549 crore (US\$ 2 billion) for the Ministry of Electronics and Information Technology, which is nearly 40% higher on year. The budget for FY23 had allocated Rs. 14,300 crore (US\$ 1.73 billion) for the IT ministry.
- The Government attaches high priority to electronics hardware manufacturing, and it is one of the important pillars of both "Make in India" and "Digital India" programme of Government of India.
- The National Policy on Electronics (NPE) 2019 envisions to position India as a global hub for ESDM by encouraging and driving capabilities in the Country for developing core components, including chipsets and by creating an enabling environment for the industry to compete globally.
- By 2030, ADIF, a think tank for IT start-ups, aims to put India among the top three start-up ecosystems in the world, with emphasis on expanding the knowledge base, encouraging collaboration and outlining the best policies.

- As per Union Budget 2022-23, the Ministry of Electronics and Information Technology (MeitY) has been allocated Rs. 14,300 crore (US\$ 1.85 billion). In the allocated budget, revenue expenditure allocation is Rs. 13,911.99 crore (US\$ 1.8 billion) and capital expenditure allocation is Rs. 388.01 crore (US\$ 50.4 million).
- Ministry of Electronics & Information Technology (MeitY) has announced “Scheme for Promotion of Semiconductor Eco-System” in India with a massive outlay of Rs. 76,000 crore (US\$ 9.48 billion) in 2022.
- Under the production-linked incentive (PLI) scheme for IT Hardware Products, the Ministry of Electronics and Information Technology has approved 14 qualified applicants. To manufacture these products in India, the government will offer incentives of US\$ 983.76 million over the next four years. In this duration, production worth US\$ 21.62 billion and exports of US\$ 8.06 billion are expected.
- In September 2022, MeitY Startup Hub (MSH), an initiative of the Ministry of Electronics & Information Technology (MeitY), and Meta announced the launch of an accelerator programme to support and accelerate XR technology startups across India.
- Ministry of Electronics & Information Technology (MeitY) has announced “Scheme for Promotion of Semiconductor Eco-System” in India with a massive outlay of Rs. 76,000 crore (US\$ 9.48 billion) in 2022.
- As per Union Budget 2022-23, the Ministry of Electronics and Information Technology (MeitY) has been allocated Rs. 14,300 crore (US\$ 1.85 billion)..
- In the allocated budget, revenue expenditure allocation is Rs. 13,911.99 crore (US\$ 1.8 billion) and capital expenditure allocation is Rs. 388.01 crore (US\$ 50.4 million).
- About 80% of the Production-Linked Incentive scheme (PLI) to encourage manufacturing in the country, which covers 14 industries and has a total investment of Rs 3 lakh crore (US\$ 38.99 billion), is concentrated in only three sectors: electronics, automobiles, and solar panel production.
- PLI scheme for large scale electronics manufacturing launched by Ministry of Electronics and Information Technology (MeitY) in April 2020 has been extended from existing five years band (FY21-FY25) to six years (FY21-FY26).
- In September 2021, India started discussions with Taiwan to alleviate the global semiconductor chip shortage. According to an exclusive Bloomberg report, this may bring chip production to South Asia by end-2021, coupled with tariff reductions on components used to make semiconductors.
- Officials from New Delhi and Taipei recently negotiated a proposal to set up a semiconductor facility worth US\$ 7.5 billion in India; the facility will supply everything from 5G devices to electric cars.
- In September 2021, the Indian Institute of Technology Indore and the Confederation of Indian MSME in Electronics System Design and Manufacturing (ESDM) and Information Technology (CIMEI), signed a Memorandum of Understanding (MoU) to collaborate and share knowledge and best practices as well as offer technological support for the growth of Indian start-ups and SMEs.
- In May 2021, the cabinet, chaired by the Prime Minister Mr. Narendra Modi, approved a proposal by the Department of Heavy Industries and Public Enterprises to implement the production-linked incentive (PLI) scheme ‘National Programme on Advanced Chemistry Cell (ACC) Battery Storage’ to achieve manufacturing capacity of 50 GWh (Giga Watt Hour) of ACC and 5 GWh of ‘Niche’ ACC, with an outlay of Rs. 18,100 crore (US\$ 2.47 billion).
- The key government initiatives such as ‘Make in India’ and ‘Digital India’ improved the country’s EoDB. In 2021-22, the total budget allocation towards the ‘Digital India’ programme is Rs. 6,806.33 crore (US\$ 936.19 million).
- To accelerate quantum computing-led research & development and enable new scientific discoveries, the Ministry of Electronics and Information Technology (MeitY), in collaboration with Amazon Web Services (AWS), will establish a quantum computing applications lab in the country.
- On November 11, 2020, Union Cabinet approved the production-linked incentive (PLI) scheme in 10 key sectors (including electronics and white goods) to boost India’s manufacturing capabilities, exports and promote the ‘Atmanirbhar Bharat’ initiative.
- A fund of Rs. 3.2 crore (US\$ 433.46 thousand) for three years has been approved by the Department of Electronics, IT, BT, Science & Technology.
- Under the PLI scheme for IT Hardware, the approved enterprises are estimated to manufacture equipment worth >US\$ 21.62 billion over the next four years. Of the total production, foreign companies have suggested

production worth US\$ 11.38 billion, whereas domestic enterprises have planned a production of US\$ 10.20 billion.

ROAD AHEAD

Local electronics design and production are being positively influenced by ongoing domestic consumption, changing dynamics in the global supply chain, and a plethora of policy initiatives to assist indigenous manufacturing in the current period is most advantageous. The smooth implementation of new initiatives and the reversal of restrictive laws will go a long way toward boosting international business confidence in India's business environment and attracting manufacturing investments.

In India, Sony, Samsung, LG Electronics, Panasonic, and other companies are the market leaders in ESDM sector. Government efforts are concentrated on bridging the digital gap. Projects like "Digital India," "Smart Cities," "ePanchayats," "National Optical Fiber Network," etc. enhanced consumer demand for electronic goods around the nation. India's middle class is rapidly expanding, which has improved the affordability of electronics products. The demand for electronic goods has increased as consumers' preferences for products and devices with smart technology (like smart LED TVs) and inventive designs have changed and disposable incomes have increased. The personal disposable income in India increased at a CAGR of 15.6% between FY07 and FY11, which is directly correlated with consumers' desire to spend money on electronics.

Fueled by strong policy support, huge investments by public and private stakeholders and a spike in demand for electronic products, the ESDM sector in India has bright prospects ahead of it and is predicted to reach US\$ 220 billion by 2025, expanding at 16.1% CAGR between 2019-2025.

SEGMENT OR PRODUCT WISE PERFORMANCE

The Company is operating in only one segment. Therefore there is no requirement of Segment wise reporting.

OPPORTUNITIES

1. Low penetration of products; much lower than the global average
2. Huge push from the government to become self-reliant (reduce import dependency) and to increase exports by introducing various schemes
3. Consumption in India to be serviced through the direct manufacturing route
4. Focus of brands on Branding & distribution & manufacturing is getting outsourced
5. Favourable demographic indicators like urbanisation, nuclearisation of families, young aspirational population, increase in disposable income of individuals are expected to act as catalyst for growth.
6. Evolving of physical and social infrastructure, better logistics, and an expanding e-commerce industry

OUTLOOK

India witnessed a substantial spike in demand for electronic products in the last few years; this is mainly attributed to India's position as second-largest mobile phone manufacturer worldwide and surge in internet penetration rate. The Government of India attributes high priority to electronics hardware manufacturing, as it is one of the crucial pillars of Make in India, Digital India and Start-up India programmes.

The Electronics System Design & Manufacturing (ESDM) sector plays a vital role in the government's goal of generating US\$ 1 trillion of economic value from the digital economy by 2025. With various government initiatives aiming to boost domestic manufacturing, India has already started witnessing initial movement with increased production and assembly activities across products such as mobile phones and other consumer electronics.

CHALLENGES IN SECURING INTERNET OF THINGS

The rise in demand of Internet of Things-connected devices and Internet of Things app development comes with various security challenges. The whole security of an IoT network depends on a single device in the chain. If one of the

devices gets breached, it compromises the entire security of every other device connected to this chain. This could easily compromise the safety of the whole network.

In this IoT competition, very few manufacturers consider the security issues associated with data access & IoT devices. Data Security Council of India (DSCI) identifies following issues in securing IoT:.

- Weak authorization system and authentication model.
- Weak default passwords.
- AI-based tools and autonomous systems.
- Data integrity and interoperability.
- Malware and Ransomware : small scale and phishing attack

RISK CONCERN

Economic slowdown:

Slowdown in the Indian economy due to global developments could adversely impact growth in the short- term.

Commodity inflation:

Sharp increase in commodity prices could lead to increase in cost of finished goods impacting the affordability and consumer sentiment.

Pandemic:

Deterioration in supply chain and demand due to pandemic such as COVID-19 have emerged as a significant business risk

Experience:

Experience matters the most when it comes to identifying the right opportunities for business of the company. It is also important to work in a direction that will help to capture the opportunity available.

Industry Risk:

Industry risk is when the industry has a whole may reach at a stagnant or declining position. This risk will not only affect a particular company but it will also affect the industry in which company deals in.

Client Concentration Risk:

Depending on limited number of clients for a majority share of the revenue poses a risk to the company. This risk is in terms of the fact that company may lose any of its key customers or a problem in the customer's business may affect the company as well.

Technology Risk:

The business in which CWD deals in is affected with rapid change in technology. The company has to adopt dynamic changes in technology under electronics industry. The company has to be up to date with the rapidly changing technologies. CWD has installed measures which lead to a cost-effective way of production. Moreover, the company's aim to emerge as a cost-efficient player and attain cost leadership will help it mitigate any global economic risks. Company's senior management has an average experience of more than 20 years in the industry. This allows the company to capture the right opportunities at right time. CWD is in the industry of Information and Communication Technology (ICT). With rise in standard of living of people, and a change in lifestyle electronics industry is expected to grow in the years to come. The industry may face a change in preference but it will never cease to exist. CWD has successfully maintained a strong relationship with its key customers. Also, CWD is constantly expanding its customer base which will help it to deal with this risk. The company has always moved ahead with changing technology. Its R&D centers is equipped with the latest technology.

INDEPENDENT AUDITOR'S REPORT

TO MEMBERS OF
CWD LIMITED
(Formerly Known as CWD Innovation Limited)

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of CWD Limited (Formerly known as CWD Innovation Limited) which comprise the Balance Sheet as at 31st March, 2023, and the Statement of Profit and Loss (Including Other Comprehensive Income) and Cash Flow Statement and the statement of Changes in Equity for the period ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. (hereinafter referred to as the “standalone financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2015, as amended, (“AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit and Loss account and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder; and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, are not applicable to the Company as it is an unlisted company.

Information Other than the Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, but does not include the financial statements and our auditor’s report thereon. These reports are expected to be made available to us after the date of our auditor’s report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

Management’s Responsibility for the Financial Statements

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial

performance, and cash flows of the Company in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements, or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in "Annexure A", a statement on the matter specified in the paragraph 3 and 4 of the Order.
2. As required under provisions of section 143(3) of the Companies Act, 2013, we report that:

ANNEXURE "A"
TO THE INDEPENDENT AUDITOR'S REPORT
ON THE FINANCIAL STATEMENT OF CWD LIMITED FOR THE YEAR ENDED 31ST MARCH 2023

In terms of the information and explanations given to us and the books and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state as under:

(i) Property, Plant & Equipment and Intangible Assets:

- a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
- b) The Company has maintained proper records showing full particulars of intangible assets.
- c) Property, Plant and Equipment have been physically verified by the management at reasonable intervals; any material discrepancies were noticed on such verification and if so, the same have been properly dealt with in the books of account.
- d) According to the information and explanation given to us the title deeds of all the immovable properties. (Other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the company.
- e) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
- f) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

(ii) Inventory and working capital:

- a) The stock of inventory has been physically verified during the year by the Management at reasonable intervals, except stock lying with third parties. Confirmations of such stocks with third parties have been obtained by the Company in most of the cases. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventory.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets.

(iii) Investments, any guarantee or security or advances or loans given:

- a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year.
 1. The Company has not provided any loans or advances in the nature of loans or stood guarantee or provided security to any other entity during the year.
 2. In our opinion, the investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees provided are not prejudicial to the company's interest;
 3. In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest have generally been regular as per stipulation.
 4. In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
 5. No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
 6. The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(6) is not applicable.

(iv) Loan to directors:

- a) According to the information and explanations given to us and on the basis of our examination of the records, the Company has not given any loans, or provided any guarantee or security as specified under Section 185 of the Companies Act, 2013 and the Company has not provided any guarantee or security as specified under Section 186 of the Companies Act, 2013. ANNEXURE “B”
TO THE INDEPENDENT AUDITOR’S REPORT ON THE FINANCIAL STATEMENT OF CWD LIMITED
FOR THE YEAR ENDED 31ST MARCH 2023

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (‘the Act’)

We have audited the internal financial controls over financial reporting of CWD Limited (‘the Company’) as of 31st March, 2023 in conjunction with our audit of the AS financial statements of the Company for the year ended on that date.

Opinion

We have audited the internal financial control with reference to financial statement of CWD Limited (‘The Company’) as of 31st March 2023 in conjunction with our audit of the financial statement of the company at and for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the ‘Guidance Note’) issued by the Institute of Chartered Accountants of India (the ‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

INDEPENDENT AUDITOR'S REPORT

TO MEMBERS OF
CWD LIMITED

(Formerly Known as CWD Innovation Limited)

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of CWD Limited (Formerly known as CWD Innovation Limited) (hereinafter referred to as “the Holding Company”), and its subsidiaries SDG Global Private Limited, CWD Manufacturing Private Limited and CWD Innovation HK Limited (Holding Company and its subsidiaries together referred to as “the Group”), which comprise the Consolidated Balance Sheet as at 31st March, 2023, and the Consolidated Statement of Profit and Loss and Consolidated Cash Flow Statement and the Consolidated statement of Changes in Equity for the period ended, and a summary of significant accounting policies and other explanatory information. (hereinafter referred to as the “Consolidated Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2015, as amended, (“AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no Key Audit Matters Reportable as per SA 701 issued by ICAI.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the Consolidated Financial Statements and our auditor's report thereon. These reports are expected to be made available to us after the date of our auditor's report.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error; design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements, or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements/results of all three subsidiaries whose financial statements reflect total assets of Rs. 75.10 Lakhs as at March 31, 2023, total revenue of Rs. 0.001 Lakhs, total net profit after tax of Rs. -0.57 Lakhs for the year ended on that date is considered in consolidated financial statements. These financial statements have been furnished to us by the management and our opinion on the consolidated financial result in so far it relates to amounts and disclosure included in respect of its subsidiaries, is based solely on the financial information certified by the Board of Directors.

Report on Other Legal and Regulatory Requirements

1. As required under provisions of section 143(3) of the Companies Act, 2013, we report that:
 - a. We have obtained all the information and explanations which to the best of our knowledge and belief where necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - c. The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d. In our opinion, the aforesaid consolidated financial statements comply with the AS specified under Section 133 of the Act.
 - e. On the basis of written representations received from the directors as on March 31, 2023, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023, from being appointed as a director in terms of section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the company and operating effectiveness of such controls, referred to our separate report in "Annexure A".
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h. With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:
 - (a) The Company with its subsidiary/associates has disclosed the impact of pending litigations as at 31 March 2023 on its financial position in its Consolidated Financial Statements as below;
 - (b) The Company with its subsidiary/associates did not have any long-term and derivative contracts as at March 31, 2023.

- (c) There has been no delay in transferring amounts, required to be transferred, the Investor Education and Protection Fund by the Company during the year ended March 31, 2023.
- (d) The management has;
- (i) represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- (ii) represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall:
- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Party or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
- (iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (d) (i) and (d) (ii) contain any material mis-statement.
- (e) The dividend declared or paid during the year by the Company is in compliance with Section 123 of the Act.
- (2) With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor’s Report) Order, 2020 (the “Order”/ “CARO”) issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor’s report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiaries included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

ANNEXURE “A”**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of CWD Limited (Formerly known as CWD Innovation Limited) ('the Company') as of 31st March, 2023 in conjunction with our audit of the AS Consolidated Financial Statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate

because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.
