MESSAGE FROM MANAGING DIRECTOR

Dear Shareholders, Partners, and Stakeholders,

In the ever-evolving landscape of technology, we, at Response Informatics Limited, are thrilled to present our Annual Report for 2023, a testament to our commitment to pioneering innovation and shaping the future. As we reflect on the past year, one overarching theme emerges – the fusion of Automation, Artificial Intelligence, and Data Engineering is transforming industries and propelling us into a new era of possibility.

“In this year’s annual report, Response Informatics Limited proudly presents a comprehensive overview of our achievements, milestones, and strategic initiatives. Our commitment to innovation and excellence has driven our continued growth and success in the dynamic world of informatics. Within these pages, you will find valuable insights into our financial performance, market positioning, and sustainability efforts.

In an era defined by rapid technological advancement, our commitment to innovation remains unwavering. We recognize the transformative power of automation, artificial intelligence (AI), and data engineering, and we have harnessed these technologies to drive progress and growth within our organization. We are pleased to share that automation has streamlined our operations, enhancing efficiency and reducing costs, allowing us to focus more on strategic initiatives. As we move forward, we remain committed to harnessing the full potential of these technologies, continually pushing the boundaries of what’s possible. We believe that by embracing automation, AI, and data engineering, we are not just keeping pace with industry trends but actively shaping the future of our industry.

We extend our gratitude to our dedicated teams and partners who have played a pivotal role in implementing these technologies, and we look forward to a future characterized by innovation, progress, and sustained growth.”

Our company has always been committed to delivering exceptional value to our customers and stakeholders, and to ensure we remain at the forefront of our industry, we embarked on a journey to identify areas where innovation could drive strategic growth. As we examined operational challenges, it became clear that automation held the key to overcoming them. Automation could not only streamline our operations but also free up valuable human resources for more strategic and creative tasks. It was a pivotal moment where we recognized that automation was not just a technological upgrade but a strategic imperative.

We’ve witnessed significant improvements in efficiency, data utilization, and scalability. Most importantly, we are better positioned to fulfill our strategic goals and continue delivering exceptional value to our customers.

Our commitment to automation remains unwavering, as we continue to explore new ways to leverage technology to achieve strategic excellence. Together, we are not just adapting to change but leading it, ensuring a prosperous future for our organization and the industries we serve.

OUR JOURNEY

Embarking on our Domestic IT journey in 2019 with modest beginnings, where we successfully placed 25 individuals, we are delighted and immensely proud to announce that we have accomplished an extraordinary feat. Through dedicated efforts, unwavering commitment, and continuous growth, we have not only exceeded our own expectations but also the industry's standards. Today, we stand tall as a testament to our relentless pursuit of excellence, having surpassed the significant milestone of facilitating over 1000 placements per annum. This remarkable achievement is a testament to the hard work, resilience, and trust of our team, partners, and clients, and it reaffirms our position as a leader in the industry, poised for even greater accomplishments in the years to come.

MILESTONES

Response Informatics Limited has solidified its reputation as a trusted and enduring player in the highly competitive US Resource Management Market for two decades. This longevity is a testament to our unwavering dedication to delivering superior resource management solutions, fostering enduring client relationships, and staying at the forefront of innovation.

As we reflect on the achievements of Response Informatics Limited in the last few years, we take great pride in highlighting several significant milestones that have contributed to our growth, resilience, and commitment to excellence:

- **Acquisition of Technologia Corporation as a Subsidiary in 2023:** In a strategic move, we expanded our portfolio by acquiring Technologia Corporation, a move that bolsters our capabilities and enhances our service offerings to meet the evolving needs of our clients.
- **ESOPs Declaration in 2023:** In recognition of the invaluable contributions of our team members, we proudly announced our Employee Stock Ownership Program (ESOPs) in 2023. This initiative aligns our employees' interests with the company's success, fostering a shared sense of ownership and responsibility.
- **Established Player in the US Resource Management Market for Two Decades:** For over two decades, we have consistently demonstrated our capabilities and reliability in the highly competitive US resource management market. Our enduring success is a testament to our unwavering commitment to excellence and client satisfaction.
- **Commencement of Canada Operations in July 2023:** We extended our global footprint by launching Canada operations in July 2023. This expansion not only allows us to serve a broader client base but also reinforces our commitment to delivering world-class solutions and services on a global scale.
- **These accomplishments signify our dedication to growth, innovation, and excellence.** They serve as a testament to our ongoing commitment to providing exceptional value to our clients, partners, and stakeholders. As we move forward, we remain focused on these principles, driving our organization toward a future filled with even greater achievements and opportunities.

- By implementing this comprehensive strategy, we will drive the digital transformation of business enterprises, empower them to thrive in the digital marketplace, and ultimately help them secure their position as leaders in the digital age.

Automation: Fueling Efficiency and Precision

Automation has become the cornerstone of our operations, elevating the efficiency and precision of our processes. From streamlining supply chain logistics to enhancing customer support through chatbots, we have harnessed the power of automation to drive productivity, reduce costs, and elevate the customer experience.

Our automation initiatives have not only accelerated our internal workflows but have also empowered our clients to stay ahead in their respective markets. As we look forward, we see boundless opportunities to further automate routine tasks and free up human capital for creative and strategic endeavors.

Artificial Intelligence: Enabling Intelligent Decision-Making

Artificial Intelligence (AI) is the driving force behind our ability to make intelligent, data-driven decisions. Through machine learning algorithms and predictive analytics, we have empowered our clients with insights that were previously hidden in vast datasets. This has allowed for smarter marketing campaigns, more accurate financial forecasting, and personalized product recommendations, among other game-changing applications.

AI is not merely a tool; it's a transformational force. In the years to come, AI will continue

to evolve, enabling us to solve increasingly complex challenges and drive innovation in unexpected ways.

Data Engineering: Unleashing the Power of Data

In today's data-centric world, the value of data engineering cannot be overstated. Our data engineering team has been instrumental in architecting robust data pipelines, ensuring the integrity, security, and accessibility of data, and paving the way for advanced analytics.

We recognize that data is the lifeblood of modern business, and our investments in data engineering are a testament to our commitment to harness its full potential. With the right data infrastructure in place, we are poised to unlock even greater value for our clients in the years ahead.

A Synergy of Forces: Our Competitive Advantage

The convergence of automation, artificial intelligence, and data engineering is not just a technological trend; it's a competitive necessity. At Response Informatics Limited, we have embraced this synergy of forces, transforming our operations, elevating our services, and creating enduring value for our clients.

As we navigate the complexities of an ever-changing business environment, our ability to innovate and adapt will be crucial. We are excited about the opportunities that lie ahead, and we remain steadfast in our commitment to lead the way in automation, artificial intelligence, and data engineering.

Together, we are shaping a future where the possibilities are limitless, and the only constant is change. Join us on this exciting journey, as we continue to empower progress through automation, artificial intelligence, and data engineering

“Evolving Workforce Dynamics in Tech”

DIVERSITY, EQUITY, AND INCLUSION (DEI): A COMMITMENT TO PROGRESS

In our annual report, we are proud to underscore our steadfast commitment to Diversity, Equity, and Inclusion (DEI). At Response Informatics Limited we believe that embracing DEI isn't just a moral imperative; it's a strategic advantage that fuels innovation, fosters resilience, and strengthens our organization as a whole. In 2023, we continued our journey toward a more diverse, equitable, and inclusive workplace, recognizing that our collective success hinges on our ability to cultivate an environment where every individual can thrive.

Diversity: Celebrating Our Differences:

We are delighted to report that our workforce is becoming increasingly diverse in terms of gender, race, ethnicity, age, and more. Our recruitment strategies prioritize reaching a broad talent pool, and the results are evident in our vibrant, multicultural teams. In 2023, we exceeded our diversity targets, with [specific percentage] of new hires coming from underrepresented backgrounds. We are committed to continuing this positive trend and ensuring that diversity remains a cornerstone of our corporate identity.

Equity: Leveling the Playing Field:

Our dedication to equity encompasses a commitment to fair compensation, advancement opportunities, and a safe, respectful workplace for all. We conducted thorough pay equity audits to address any disparities and implemented measures to rectify them. Our promotion processes now emphasize transparent criteria and equal opportunities, and we've launched mentoring and leadership development programs to facilitate career advancement for all employees.

Inclusion: Fostering a Culture of Belonging:

Inclusion is at the heart of our DEI initiatives. We have focused on creating a culture where every voice is heard and valued. Employee resource groups (ERGs) have flourished, providing safe spaces for underrepresented communities to connect and contribute to our company's growth. Inclusion training and workshops have been integral in raising awareness and fostering empathy among our workforce. Employee engagement surveys show an increase in employees reporting a sense of belonging and inclusion.

Leadership Commitment:

Our leadership team plays a pivotal role in championing DEI. We are proud to report that our board of directors and executive leadership are more diverse than ever, with [specific percentage] of leadership positions now held by individuals from underrepresented backgrounds. This diversity in leadership not only reflects our commitment but also drives the inclusive decisions and strategies that guide our organization.

Community Engagement:

Our DEI efforts extend beyond our walls. We have actively engaged with local communities through partnerships, sponsorships, and volunteering initiatives, working to break down barriers and promote equity and inclusion at a broader level. Our impact on these communities underscores our commitment to being a responsible corporate citizen.

Measuring Progress:

Transparent measurement of our DEI efforts is vital. We regularly assess our progress

through key performance indicators, including workforce diversity metrics, pay equity analyses, and employee feedback. We also benchmark ourselves against industry standards and share our results with stakeholders.

Future Commitment:

While we are proud of our achievements in DEI in 2023, we recognize that our journey is ongoing. Our commitment to fostering a diverse, equitable, and inclusive workplace remains resolute. In the years to come, we will continue to:

- Enhance recruitment and retention strategies to further diversify our workforce.
- Expand training and development opportunities to nurture talent from all backgrounds.
- Forge partnerships with organizations that share our DEI vision.
- Continuously listen to our employees' feedback and adapt our policies and practices accordingly.
- In conclusion, our dedication to Diversity, Equity, and Inclusion is not just a part of who we are; it's an integral driver of our success. As we look ahead, we remain committed to embracing DEI as a guiding principle, ensuring that Response Informatics Limited is a place where every individual is valued, empowered, and inspired to achieve their full potential.

TALENT ACQUISITION: A TECHNOLOGICAL LEAP IN MANPOWER HIRING

We are pleased to spotlight a pivotal milestone in our journey toward operational excellence and efficiency. We have taken a significant leap in optimizing our manpower hiring processes by implementing Application Tracking System (ATS) a cutting-edge talent acquisition and management platform. This strategic adoption is emblematic of our commitment to harnessing technology to streamline our operations, enhance candidate experiences, and elevate our workforce to new heights.

The Tech Advantage:

Application Tracking System (ATS) a state-of-the-art, cloud-based talent management software, has revolutionized our hiring processes in several transformative ways:

- **Efficiency Enhancement:** Application Tracking System (ATS) automates and simplifies our end-to-end recruitment process, from requisition creation and job posting to candidate sourcing, assessment, and onboarding. This automation significantly reduces manual tasks and accelerates the hiring timeline.
- **Candidate Experience:** Our partnership with Application Tracking System (ATS) underscores our dedication to providing an exceptional experience for candidates. The platform offers an intuitive interface for applicants, enhancing engagement and satisfaction throughout the recruitment journey.
- **Unified Database:** Application Tracking System (ATS) centralizes candidate data, creating a comprehensive talent pool accessible to our hiring teams. This unified database enables us to identify top talent quickly and efficiently.
- **Analytics and Reporting:** The platform's robust analytics and reporting capabilities empower us with data-driven insights into our hiring performance. These insights inform our strategies, enabling continuous improvement and strategic decision-making.
- **Compliance and Consistency:** Application Tracking System (ATS) ensures compliance with relevant employment laws and regulations, mitigating potential risks. Moreover, it standardizes our recruitment processes, fostering consistency and fairness in candidate evaluations.

Success Metrics:

- **Reduced Time-to-Hire:** The automation and streamlining of our hiring processes have

led to a substantial reduction in time-to-hire, allowing us to secure top talent swiftly and efficiently.

- **Enhanced Quality of Hires:** The platform's assessment and matching algorithms have improved the quality of our hires, ensuring that candidates are not only qualified but also align with our organizational values and culture.
- **Cost Savings:** Application Tracking System (ATS)'s efficiency gains have resulted in cost savings, particularly in terms of reduced administrative overhead and more targeted candidate sourcing.

Future Outlook:

Incorporating AI into our manpower hiring process stands as a testament to our organization's adaptability and forward-thinking approach. It underscores our dedication to delivering value to our clients, candidates, and stakeholders by optimizing our recruitment efforts. With CEIPAL as a strategic ally, we are poised for a future where our talent acquisition practices are even more efficient, data-driven, and aligned with the dynamic needs of our organization and industry.

HYBRID WORK ARRANGEMENTS: NAVIGATING A NEW ERA OF WORK

In our annual report, we reflect upon the transformative shift that Hybrid Work Arrangements have brought to our organization and the broader landscape of work. The year 2023 has seen a paradigm shift in how we conceptualize work, with the adoption of hybrid models allowing us to redefine the traditional boundaries of the workplace. This report serves as a testament to our ability to adapt, innovate, and thrive in this new era of work.

A New Normal Emerges:

The global pandemic challenged organizations worldwide to reevaluate their approach to work. In response, we embraced hybrid work arrangements, recognizing that the future of work would be a dynamic blend of remote and in-office experiences. Our commitment to flexibility and adaptability became central to our strategy, as we sought to create an environment where work is an activity rather than a place.

Hybrid in Action:

Our transition to hybrid work was swift and comprehensive. It encompassed:

- **Technology Investment:** We invested in cutting-edge technology to facilitate seamless communication and collaboration among employees, whether they were working from home or in the office.
- **Flexible Schedules:** We introduced flexible work hours, allowing employees to structure their workdays around personal needs and commitments, fostering a healthier work-life balance.
- **Remote Work Support:** Robust remote work policies and guidelines were established to ensure that remote employees felt connected, engaged, and supported in their roles.

Employee Well-being at the Forefront:

Our commitment to hybrid work extends to employee well-being:

- **Mental Health Resources:** We expanded our mental health resources to address the unique challenges posed by remote work, including feelings of isolation and burnout.
- **Training and Development:** Employees were given access to training and development opportunities to empower them in their remote work environments and equip them with the skills needed for hybrid work success.

The Impact on Productivity and Satisfaction:

Our transition to hybrid work arrangements has yielded positive outcomes. Surveys and performance metrics indicate that employees have experienced improved job satisfaction, as the flexibility of hybrid work empowers them to manage their work and personal lives more effectively. Furthermore, productivity has remained robust, with employees reporting a sense of ownership and accountability.

The Path Forward:

As we look ahead, our commitment to hybrid work remains unwavering. We recognize that the hybrid model is here to stay, and we are poised to continue refining and adapting our strategies to ensure that it aligns with evolving employee needs and the future of work.

- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/ CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions.
Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the Demat accountholders, by way of a single login credential, through their Demat accounts/websites of Depositories/Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in Demat mode are allowed to vote through their Demat account maintained with Depositories and Depositor Participants. Our Innovative approach for a digital transformation platform aims at bringing most of the operational functions that happen in an IT landscape together under one roof and simplifying them by way of Automation. This Cloud Agnostic and Technology Agnostic has no limitations to the industry for which they could be adopted. Be it the healthcare industry where a lot of compliance policy regulations are to be followed or the banking industry where a lot of focus needs to be given to security or any other industry, this platform fits in seamlessly.

This sophisticated platform provides a lot of digital insights into any Software/ Technology initiatives at any atomic level in the organization, helps enterprises migrate from On-Premise to Cloud along with Cloud Managed Services, accelerates DevOps transformation Journey, Automates any kinds of Compliance/ Regulation policies and IT audit checklists, enables End to End services.

This Sophisticated, modular, and flexible platform is a One Stop solution for many digital initiatives that Organizations are embarking upon today. We provide multidisciplinary expertise in digital technology and consulting, talent, and skills services to enable digital transformation and accelerate innovation.

Our vision is to be the leader in creating and delivering innovative workforce solutions that enable our clients to succeed in the changing world of work. The purpose of our organization is to enable organizations to adapt to a dynamic world of work by providing our services, and to guarantee people's employability.

At Response Informatics, we're guided by our firm's key principles: Integrity, Innovation, Excellence, and Teamwork. We collaborate with organizations all across the world to improve their workforces, maximize talent, and increase employability. We leave a Trace and our milestones so far:

4. 1200+ Consultants
5. 180+ Developers
6. 64+ Clients
7. 60+ Contracts
26+ Years of experience

The recession that has set in had a separate set of challenges in terms of reduced demand for IT services, delayed IT projects, Job uncertainty, shift in priorities from growth oriented projects to cost saving initiatives. There has been a major thrust for mergers and acquisitions as a strategy to weather recession and that has led to changes in competitive landscape. Due to digital transformation, traditional technologies have given way to adapting to open source cost effective solutions thereby giving rise to cyber security that has become pivotal to protecting data and systems.

How did we anticipate and overcome the crisis:

8. Maintaining strong relationships with clients to retain business and also attract new clients
9. Invested in upskilling employees and invested in training and development programs
10. Supported talent acquisition teams of various clients in hiring niche resources
11. Brought increased savings to clients by staff augmentation from legacy to rebadging new talent
12. We are now well positioned in an attractive market with structural growth opportunities.
13. Talent scarcity being a major concern, companies are increasingly relying on us to help them build the high-quality, diverse, and agile workforces they need to run successful and dynamic businesses

1. Reshaping workforce:

While companies are reshaping their workforces to make them more agile and efficient, for talent, too much flexibility can feel short-term and insecure. In this new world of work, our role as an intermediary is therefore essential. We can give people confidence and help them see and believe in their futures, while also providing the support and security they need today. By seeing the possible in people, we can make flexibility work, enabling our clients to hire the best talent when they need them, and enabling talent to seize new opportunities, learn new skills, and take on various roles that suit their needs over time.

2. Encouraging Financial Results:

During the period under review, company has earned revenue of Nine crores in the form of revenue from its operations.

3. Opportunities and Threats:

Risk and opportunity management is essential to help us achieve our strategy. While entrepreneurship and innovation are stimulated throughout the organization, there are measures in place to define the risk boundaries and opportunities in steering our business in the right direction, especially in the recession set conditions in India and abroad. We are continuing initiatives to achieve seamless business processes, as well as robust IT systems and security capabilities that support our digital strategy. These efforts are changing our business models and impacting our risk profile. Initiatives are concentrated in areas where success is most likely.

4. Embracing new technologies

The digital world has changed the game in business. In order to stay competitive, you need to be able to adapt your operations and services to meet consumer demand—and today, that means embracing emerging technologies such as Data science to make informed decisions. Leading businesses are investing as much in upgrading the core of their business as they are in innovation, often by harnessing technology.

5. Digital transformation is the Key:

Response Informatics has embarked upon Digital Transformation initiatives with various clients. Digital transformation is the process of using digital technologies to create new – or modify existing – business processes, culture, and customer experiences to meet changing business and market requirements. This reimagining of business in the digital age is digital transformation.

It transcends traditional roles like sales, marketing, and customer service. Instead, digital transformation begins and ends with how you think about, and engage with, customers. As we move from paper to spreadsheets to smart applications for managing our business, we have the chance to reimagine how we do business – how we engage our customers – with digital technology on our side. For small businesses just getting started, there's no need to set up your business processes and transform them later. You can future-proof your organization from the word go. Building a 21st-century business on stickies and handwritten ledgers just isn't sustainable. Thinking, planning, and building digitally sets you up to be agile, flexible, and ready to grow.

As they embark on digital transformation, many companies are taking a step back to ask whether they are really doing the right things.

6. Building Strategic Resilience:

To meet the challenges posed by the pandemic, businesses around the world had to react in agile and decisive ways. As we move into the next phase, now is the time for businesses to seek out and seize the opportunities emerging in the recovery.

7. Human Assets:

At Response Informatics, HR Professionals try to prevent employee turnover by implementing effective retention strategies by adopting critical sustainable trends such as establishing a strategic plan, involving employees in the decision-making process, initiating personalized compensation plans, installing mechanisms for career planning, training, and development and building flexible work programs, especially for critical knowledge – employees. These will help to retain core employees that will competitively drive the production wheel in the organization.

Response Informatics practices the three-phrase mantra to sustain in the competitive business environment. "Attract – Develop – Retain".

8. Right hire for a right job:

The retention starts from the point where we hire the right candidate for the right profile. Employees get frustrated whenever there is a mismatch between their skill set and the job he does and definitely would end up looking for other job opportunities. Thorough research and background verification are done while hiring a new candidate and fitting him into the right job. Ensure every individual has been assigned responsibilities according to his specialization and interest. Employee recognition is one of the most important factors that go a long way in retaining employees. Nothing works better than appreciating the employees. Their hard work is acknowledged. Monetary benefits such as incentives, perks, and cash prizes are motivating instruments for the employees to a large extent and they prefer sticking to the organization. Send a mail wishing the employees on their birthdays or congratulating them when they perform exceptionally well make them feel special and attached to the Organization. The top performers have always an upper edge and get a special performance bonus at the end of each quarter apart from the salary hikes and promotions after the appraisal.

9. Transparency:

The team leads or the key managerial personnel are empowered and allowed to take critical decisions that make them feel important or valued by the company. It has greatly helped us in gaining the trust and confidence of the employees.

10. Benefits:

Employee benefits can impact a company's strategic advantage by positively influencing organizational outcomes through costs and affecting employee behaviors, including retention, attraction, and motivation, in a way that is uniquely effective for the company. Offering better health insurance and retirement benefits tends to experience better rates of employee retention.

11. Health Insurance:

The Employee Health Insurance Policy is a huge benefit, especially for those who cannot afford individual health insurance. The employees do not have to pay the premium for this plan. It is paid by the company on behalf of the employee. This way, the employees receive health insurance coverage free of cost from day 1 of their joining with no waiting periods and one such prominent example of it is the Maternity cover which was offered to many women employees in the organization. With such a policy, the employees feel that the company cares for their wellbeing and does not treat them as just a resource. It is one of the driving factors in creating a people-first company culture that is beneficial for both the employee and the company.

12. ESOPs:

The management has initiated a series of steps to retain talent and attract niche resources in to the company by offering ESOPs to all employees. The jubilant workforce was overwhelmed with the kind courtesies extended to them by making them owners to the company they work for. This initiative has not only built confidence in the corporate but also reiterated management commitment to the growth and sustenance of employee welfare.

STANDALONE INDEPENDENT AUDITOR'S REPORT

To The Members Of

Response Informatics Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of M/s. Response Informatics Limited ("the Company"), which comprises the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("IndAS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

Investments:

- (a) Acquisition of 1000 shares of USD 0.1 each valued at USD 300 (i.e.Rs.24,930 per share) in to Technologia Corporation, USA in Feb 2023, the carrying value of investments of Rs.249.30 lakhs, was based on valuation report (USD 3,00,000) of that company issued by Certified Public Accountants (CPA). Post this acquisition in February 2023, Technologia Corporation, which was earlier related party has now become a Wholly Owned Subsidiary of Response Informatics Ltd. This acquisition was partly funded by Preferential allotment of Equity Shares to Investors, during the Year.
- (b) Carrying value of investment Rs 99.99 lakhs (3836 shares of Rs 10 each valued at Rs.2606.74 per share) held in Unofin Technology solution private limited, South Delhi. This acquisition was fully funded by Preferential allotment of Equity Shares to Investors, during the Year.

We are unable to comment on carrying value of investment as the Books of accounts

of Unofin Technology are not made available for our verification or subject to confirmation of investment balance outstanding in Unofin Technology solutions private limited. (Refer Note No 36)

Unofin Technology is neither a Subsidiary nor Associate company of the Response Informatics Ltd.

c) Preferential allotment of Equity Shares to Investors, during the Year (Ref Note No 37).

Related Party Transactions:

(A) Acquisition of controlling interest in Technologia Corporation (from Mr. Subramaniyam Seetha Raman who was the 100% shareholder in Technologia Corporation) in February 2023 was partly funded by Ariston Tek Solutions private limited (related Party) by way of an advance given to Response Informatics.

Our opinion is not modified in respect of the above emphasis of matter paragraph.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Depending on the facts and circumstances of the entity and the Audit, there are no key audit matters to communicate in the Audit Report.

Information Other than the Financial Statements and Auditor's Report Thereon

- ▶ The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.
- ▶ Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- ▶ In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- ▶ If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the IndAS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the

Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ▶ Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ▶ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and content of the financial statements,

including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in:(i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the afore said financial statements comply with the Inda's specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules,2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over standalone financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best

of our information and according to the explanations given to us:

- i. The Company does not have pending litigations which would have impact on its standalone financial position.
 - ii The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - V The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - Vi Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations above (iv) and (v) under sub-clause (i) and (ii) of Rule 11(e) contain any material misstatement.
 - Vii The company has not declared or paid any dividend during the year, hence section 123 of the Act not applicable.
 - Viii Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.
2. As required by the Companies (Auditor's Report) Order, 2020("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Response Informatics Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over standalone financial reporting of M/s. Response Informatics Limited (“the Company”) as of March 31, 2023 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over standalone financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over to standalone financial statements

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes these policies and procedures that (1) pertain to the maintenance of records that, in reasonable detailed, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted principles, and that receipts and expenditures are being made only in accordance with authorization of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over standalone financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India(ICAI).

- (b) During the year, the Company has made preferential allotment of equity shares to investors, the details of said preferential allotment given in. Note No 37
- x. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) As represented to us by the management, there are no whistle blower complaints received by the company during the year. Hence, reporting under clause 3(xi)(c) is not applicable.
- xi. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in Note in 29 to the Financial Statements as required by the applicable accounting standards.
- xiii. In our opinion, the Company has its own internal audit system
- xiv. The company in the process of setting up its own internal audit dept, however on the basis of transactions of the company, size and nature of its business we have recommended to appoint an external auditor as internal auditor in order to comply with provisions of the companies Act 2013.

- xv. In our opinion, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The company has not incurred cash losses in the current financial year.
- xviii. There has been no resignation of the statutory auditors during the year. Hence, clause 3(xviii) of the Order is not applicable.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Standalone Financial Statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (a) The provisions of section 135 of Companies Act, 2013 for constitution of CSR committee does not apply for the company. Accordingly, reporting under clause 3(xx)(a) & (b) of the Order is not applicable for the year.

Note 1: Significant Accounting Policies

1. Corporate Information:

Response Informatics Limited is Public limited company incorporated in India with its registered and corporate office at Plot No-42, Nagarjuna Hills, Punjagutta, Hyderabad, Telangana-500082, India. The Company is listed on the BSE Limited. The company is engaged in providing software Staffing, Consultancy and allied services.

The financial statements for the year ended 31st March 2023 were approved by the Board of Directors on the 30th May 2023.

a. Basis of Preparation of Financial Statements:

Compliance with Ind AS

The Company has adopted Indian Accounting Standards (the "Ind AS") notified under Section-133 of the Companies Act, 2013 (the "Act"), read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act as applicable. The Standalone Financial Statements provide comparative information in respect of previous year.

(i) Historical cost convention:

These Financial Statements have been prepared under the historical cost convention on the accrual basis except for certain financial assets and liabilities (including derivative instruments) which are measured at fair value.

(ii) Current versus Non-Current Classification:

All assets and liabilities have been classified as current or non-current as per the company's operating cycle and other criteria set out in the schedule III to the Companies Act 2013. Based on the nature of products and services and their realisation in cash and cash equivalents the company has ascertained its operating cycle as 12 months for the purpose of current – noncurrent classification of assets and liabilities.

(iii) Functional and Presentation Currency:

The Financial Statements are presented in Indian Rupees (*) which is the Company's functional and presentation currency, and all amounts are rounded to the nearest rupee except as otherwise stated.

2. Summary of Significant Accounting Policies:

a. Property, Plant & Equipment:

(i) Recognition and measurement:

Property, Plant & Equipment are stated at cost less accumulated depreciation and impairment losses, if any.

Costs include costs of acquisitions or constructions including incidental expenses thereto, borrowing costs and other attributable costs of bringing the asset to its working condition for its intended use and are net of available duty/tax credits.

Subsequent expenditure relating to Property, Plant & Equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. All other repair and

maintenance costs are recognised in Statement of Profit & Loss as incurred.

Gains or losses arising from discard/sale of Property, Plant & Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of Profit & Loss when the asset is discarded/sold.

(ii) Depreciation:

The company depreciates property plant and equipment on straight-line-method (SLM) as per the useful life of assets, as estimated by the management/independent professional, which are generally in line with Schedule-II to the Companies Act, 2013.

b. Intangible Assets:

(i) Recognition and Measurement:

Intangible assets acquired separately are measured on initial recognition at cost.

Subsequent to initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. In case of internally generated intangible asset arising from development activity is recognised at cost only if its probable that the asset would generate future economic benefit and the expenditure attributable to said assets during its development can be measured reliably. Capital expenditure on purchase and development of identifiable on monetary assets without physical substance is recognised as Intangible Assets when:

It is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and the cost of the asset can be measure reliably.

(ii) Depreciation:

The company Amortises/Depreciates Intangible Assets on the basis of estimated useful lives of Intangible assets are as follows:

<u>Particulars</u>	<u>Useful life</u>
Computers & Accessories	3 years
Electronics	5 years
Furniture	10 years

c. Impairment:

The carrying amount of Property, Plant & Equipment, Intangible Assets and Investment Property are reviewed at each Balance Sheet date to assess impairment, if any based on internal/external factors. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is recognised as an expense in the Statement of Profit & Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed, if there has been an improvement in recoverable amount.

d. Foreign Currency Transactions:

(i) Functional and Presentation currency:

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates (“functional Currency”). The financial Statements are presented in Indian rupee (INR), which is the company’s functional and presentation currency.

(ii) Transactions and Balances:

Transactions in foreign currencies are translated into functional currency of the Company at rates prevailing at the date of the transaction. Foreign exchange gain or losses resulting from the settlement of such transactions and from translation of monetary assets and liabilities denominated in foreign currencies at the year-end exchange rates are generally recognised in Profit & Loss and reported with in foreign exchange gain/(losses), except when deferred in other comprehensive income as qualifying cashflow hedges.

Non-monetary items that are measured in times of historical cost in a foreign currency are translated using the exchange rates at the dates of the transaction. Non-monetary items (other than investment in shares of Subsidiaries, Joint Ventures, and Associates) carried at Fair Value that are denominated in foreign currencies are translated at the exchange rates prevailing at the date when the Fair Value was determined. Exchange component of the gain or loss arising on fair valuation of non-monetary items is recognised in line with the gain or loss of the item that gave rise to such exchange difference.

e. Revenue Recognition:

The Company derives revenue primarily from software Staffing, Consultancy and allied services.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold, and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

The Company recognised revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company’s activities as described below.

The Company computes its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

(i) Time and Material Contracts:

Revenues and costs relating to time and materials contracts are recognized as the related services are rendered.

(ii) Fixed – price contracts:

Revenues from fixed-price contracts, including IT Infrastructure development and integration contracts are recognized using the “percentage of-completion” method. Percentage of completion is determined based on efforts or costs incurred to date as a percentage of total estimated efforts or costs required to complete the project. The efforts or cost expended are used to measure progress towards completion as there is a direct relationship between input and productivity. If the Company does not have a sufficient basis to measure the progress of completion or to estimate the total contract revenues and costs, revenue is recognized only to the extent of contract cost incurred

for which recoverability is probable.

When total cost estimates exceed revenues in an arrangement, the estimated losses are recognized in the statement of income in the period in which such losses become probable based on the current contract estimates.

Advance payments received from customers for which no services have been rendered are presented as 'Advance from customers.

(iii) Services contracts:

Revenue from services contracts is recognized ratably over the period of the contract using the percentage of completion method. When services are performed through an indefinite number of repetitive acts over a specified period of time, revenue is recognized on a straight-line basis over the specified period unless some other method better represents the stage of completion. In certain projects, a fixed quantum of service or output units is agreed at a fixed price for a fixed term. In such contracts, revenue is recognized with respect to the actual output achieved till date as a percentage of total contractual output. Any residual service unutilized by the customer is recognized as revenue on completion of the term.

(iv) Sale of licenses & Subscriptions:

Revenue from sale of licenses and support are recognized when the significant risks and rewards of ownership have been transferred to the buyer, continuing managerial involvement usually associated with ownership and effective control have ceased, the amount of revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Revenues from Sale of Subscriptions shall be recognized linear to the period of the contract.

(v) Ecommerce/Retail:

Revenue from Ecommerce transactions i.e., sale of third-party products/applications/services shall be recognized on realization of the merchandise.

(vi) Other Income:

Profit on Sale of investments is recorded on transfer of title from the company and is determined as the difference between the sale price and the carrying amount of the investment.

Dividend income is recognized when the company's right to receive dividends is established.

Interest income on time deposits is recognized using time proportion basis taking into account the amount outstanding and applicable interest rates.

f. Income Tax:

Income Tax comprises current and deferred tax.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India and tax laws, prevailing in the respective tax, jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

The company offsets current tax assets and current tax liabilities, where it has legally enforceable right to set off the recognised amounts and where it intends to settle on net basis, or to realise the asset and liability simultaneously.

Deferred tax is provided on temporary difference arising between the tax bases of assets & liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax is measured using the tax rate that are expected to apply in the year when the asset is realized, or the liability is settled based on the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized directly in equity/other comprehensive income (OCI) is recognised in equity/ other comprehensive income (OCI) and not in the statement of Profit & Loss. Deferred tax asset is recognised to the extent that it is probable that sufficient future taxable profit will be available against which the deductible temporary differences and the carry forward unused tax credits and unused tax losses can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period.

g. Provisions, Contingent Liabilities, Commitments and Contingent

Assets:

Provisions are recognised for present obligations of uncertain timing or amount arising as a result of a past event where a reliable estimate can be made, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation.

Where it is not probable that an outflow of resources embodying economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability and commitments, unless the probability of outflow of resources embodying economic benefits is remote. Contingent assets are not recognised but disclosed in the Financial Statements when an inflow of economic benefits is probable.

h. Earnings per Share:

Basic earnings per share is computed using the net profit/(loss) for the year (without taking impact of OCI) attributable to the equity shareholders and weighted average number of shares outstanding during the year. The weighted average numbers of shares also include fixed number of equity shares that are issuable on conversion of compulsorily convertible preference shares, debentures, or any other instrument, from the date consideration is received (generally the date of their issue) of such instruments. The diluted EPS is calculated on the same basis as basic EPS after adjusting for the effect of potential dilutive equity shares unless impact is anti-dilutive.

i. Segment Reporting:

In accordance with the requirement of AS-108 on Segment reporting, the company has determined its business segment as Computer Programming Consultancy and related services. There are no other primary reportable segments. Thus, the segment revenue, segment result, total carrying amount of segment liabilities, total cost incurred to acquire segment assets, the total amount of charge for depreciation during the year are all reflected in the financial statement of the company for the year ended 31st March 2023.

There are no secondary reportable segments (Geographical Segments).

j. “Financial Assets:

i) Initial Recognition and Measurement: All financial assets are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price. “

ii) “Revenue Recognition: Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold, and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

“Financial asset at fair value through other comprehensive income:

A financial asset is subsequently measured at fair value through other comprehensive income which is held with objective to achieve both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an election for its investments which are classified as equity instruments (other than investment in shares of Subsidiaries, Joint Ventures, and Associates) to present the subsequent changes in fair value through profit and loss account.

Financial assets at fair value through profit or loss:

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. The Company has elected to measure its investments, which are classified as equity instruments (other than investment in shares of Subsidiaries, Joint Ventures, and Associates) at fair value through profit and loss account.

(iii) Impairment of financial assets:

The company assesses at each balance sheet date whether a financial asset is impaired. The company recognises the loss if any on such impairment in accordance with IND AS 109.

(iv) Financial Liabilities:

Financial liabilities are subsequently carried at amortized cost using the effective interest method. Financial liabilities at fair value through profit and loss includes financial liability held for trading and financial liability designated upon initial recognition as at fair value through profit and loss.

k. Investment in Subsidiaries, Associates and Joint Ventures:

Investment in equity shares of subsidiaries, associates and joint ventures is carried at cost in the standalone financial statements.

l. Earnings per share:

The basic earnings per share is computed by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The number of shares used in computing diluted

earnings per share comprises the weighted average shares considered for deriving basic earnings per share and also the weighted average number of equity shares which would have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period unless they have been issued at a later date.

m. Employee Benefits:

Contributions to Provident and Employee State Insurance etc. accruing during the accounting period are charged to the statement of Profit and Loss. Provision for liabilities in respect of gratuity are accrued and provided at the end of each accounting period. Gratuity liability towards existing eligible employees is being met as and when a claim arises as there are no eligible employees.

Critical Accounting – Estimates, Assumptions and Judgements:

The preparation of Financial Statements in conformity with Indian Accounting Standards (Ind AS) requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures at the date of the Financial Statements. The judgements, estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years and if material, their effects are disclosed in the notes to the Financial Statements. Actual results could vary from these estimates.

Estimates and underlying assumptions are reviewed on a regular basis. The following areas of revenues, expenses, assets, and liabilities are likely to be impacted by events which give rise to revision of estimates made.

(i) Revenue:

The company uses estimates for computation of costs and efforts as a proportion of total costs and efforts made. These estimates are then used to derive the progress made towards completion of the contract.

(ii) Provisions/Expenses:

Provision for future expenses, liabilities are made on some occasions on the basis of pending effort for completion.

(iii) Property, Plant & Equipment:

External advisor and/or internal technical team assesses the remaining useful life and residual value of property, plant & equipment. Management believes that the assigned useful lives and residual values are reasonable.

(iv) Intangibles:

Internal technical and user team assess the remaining useful lives of intangible assets. Management believes that assigned useful lives are reasonable. All intangibles are carried at net book value on transition.

(v) Income taxes:

The provision for income tax at the end of each period is made on the basis of estimates on revenues and the receivables.

(vi) Other Estimates:

The Company estimates the un-collectability of accounts receivables by analysing historical payment patterns, customer concentrations, customer creditworthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

Notes to Accounts.

23.Contingent Liabilities: There are no Contingent Liabilities for the company during the period ended 31st March 2023.

CONSOLIDATED INDEPENDENT AUDITOR'S REPORT

To The Response Informatics Limited

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

1. We have audited the accompanying consolidated financial statements of Response Informatics Limited (hereinafter referred to as the "Holding Company") and its subsidiary (Holding Company and its subsidiary together referred to as "the Group") (the attached consolidated financial statements), which comprise the consolidated Balance Sheet as at March 31, 2023, and the consolidated Statement of Profit and Loss including Other Comprehensive Income, the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March 31, 2023, and consolidated total comprehensive income (comprising of profit and other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Qualified Opinion

We refer to the accompanying consolidated Ind AS financial statements which include aggregate assets of Rs. 392.55 Lakhs as at 31st March 2023, aggregate revenues of Rs. 182.06 Lakhs and net profit after tax amounting to Rs. 3.73 Lakhs for year ended 31st March 2023 of wholly owned subsidiary, consolidated based on its unaudited financial statements. The accompanying consolidated Ind AS financial statements do not include adjustments, if any that may have been required had the audited financial statements of the subsidiary for the year ended March 31, 2023, been available and accordingly we are unable to comment on the unaudited subsidiary financials.

Emphasis of Matter Paragraph:

- 1)**Acquisition:** – Acquisition of 1000 shares of USD 0.1 each valued at USD 300 (i.e.Rs.24,930 per share) in to Technologia Corporation, USA, aggregating to Rs.249.30 lakhs, was based on valuation report (USD 3,00,000) of that company issued by Certified Public Accountants (CPA). Calculation for Goodwill was based on pre-acquisition profits up to February 2023 and capital.
- 2)**Related Party:** – Technologia Corporation, which was earlier related party of Response Informatics Limited, has now become a Wholly Owned Subsidiary (100%) of the Response Informatics limited. (Ref Note No30)
- 3)**Consolidation:** – This is the first year of consolidation of financial statements and hence previous year's figures are not applicable as the acquisition of Subsidiary completed in Feb 2023. For the current year profit and Loss account for the period March 2023(one month only) has been adopted for the purpose of consolidation.

Our report on the statement is not modified in respect of these matter.

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Group, in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the

Code of Ethics issued by the Institute of Chartered

Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained, and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph 15 of the Other Matters section below, other than the unaudited financial statements as certified by the management and referred to in sub-paragraph 14 of the Other Matters section below, is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period.

These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

5. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does

not include the consolidated financial statements and our auditor's report thereon. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and the reports of the other auditors as furnished to us (Refer paragraph 15 below), we conclude that there is no material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements: –

6. The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows, and changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.
7. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management

either intends to liquidate the Group or to cease operations or has no realistic alternative but to do so.

8. The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually

or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also: –

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate
- to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of
- internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding
- Company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

11. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

14. We did not audit the financial statements of one subsidiary located outside India, (Technologia Corporation, only one Subsidiary i.e., wholly owned) whose financial statements reflect total assets of Rs 392.55 lakhs and net assets of Rs 392.55 lakhs as at March 31,2023, total revenue of Rs 182.06 lakhs, Net Profit after taxes Rs 3.73 lakhs and total comprehensive income Nil, as considered in the consolidated financial statements. These financial statements are unaudited and have been furnished to us by the Management, and our opinion on the consolidated financial statements in so far as it relates to the amounts and disclosures included in respect of this subsidiary is based solely on such unaudited financial statements certified by the Management and on the additional information and explanations provided by the Management.
15. The financial statements of one subsidiary located outside India, included in the consolidated financial statements, which constitute total assets of Rs 1097 lakhs and net assets of Rs 1097 lakhs as at March 31, 2023, total revenue of Rs 1123 lakhs, total comprehensive income Rs Nil, and Net profit after taxes Rs 61.79 lakhs for the year then ended have been prepared in accordance with accounting principles generally accepted in its country. The Holding Company's management has converted the financial statements of such subsidiary located outside India from the accounting principles generally accepted in its country to the accounting principles generally accepted in India. We have considered these conversion adjustments made by the Holding Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiary located outside India, including other information, is based on the subsidiary financials certified by the management and the conversion adjustments prepared by the management of the Holding Company and audited by us. Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the unaudited information furnished by the management.

Report on Other Legal and Regulatory Requirements

16. As required by paragraph 3(xxi) of the Companies (Auditor's Report) Order, 2020 ("CARO 2020"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we report that there are no qualifications or adverse remarks included in the CARO 2020 report issued in respect of the standalone financial statements of the Holding Company which are included in these Consolidated Financial Statements.

In our opinion, and according to the information and explanations given to us, CARO 2020 is not applicable to the subsidiary companies included in these Consolidated Financial Statements, hence, this report does not contain a statement on the matter specified in paragraph 3(xxi) of CARO 2020 in relation to the subsidiary companies.

17. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

(a) We have sought and obtained all the information and explanations which to the best of our

knowledge and belief were necessary for the purposes of our audit of the foresaid consolidated financial statements

- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account and records maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2023 taken on record by the Board of Directors of the Holding Company, none of the directors of the Holding Company is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of internal financial controls with reference to consolidated financial statements of the Group and the operating effectiveness of such controls, refer to our separate report in Annexure A.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Group does not have pending litigations which would have impact on its consolidated financial position of the Group.
 - ii. The Group was not required to recognise a provision as at March 31, 2023 under the applicable law or accounting standards, as it does not have any material foreseeable losses on long-term contract. The Group did not have any derivative contracts as at March 31, 2023.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company during the year.
 - iv. (a) The Management of the Holding Company has represented to us that, to the best of their knowledge and belief, as disclosed in the notes to the accounts, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiaries to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 31(16)(ii) to the consolidated financial statements).
 - (b) The Management of the Holding Company has represented to us that, to the best of their knowledge and belief, as disclosed in the notes to the accounts, no funds (Which is material either individually or in the aggregate) have been received by the Holding Company or any of such subsidiaries from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 31(16)(ii) to the consolidated financial statements).
- (c) Based on the audit procedures, that has been considered reasonable and appropriate in the circumstances, performed by us, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material misstatement.

- v. No dividend declared and paid during the year by the Holding Company is in compliance with Section 123 of the Act not applicable.
18. The Group has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
19. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 (as amended), which provides for the feature of recording of audit trail (edit log) facility in the accounting software used by the Group, for maintenance of books of account and related matters, is applicable for the Holding Company only with effect from financial year beginning April 1, 2023, the reporting under clause (g) of Rule 11 is currently not applicable.

6. Summary of Significant Accounting Policies:

a. Property, Plant & Equipment:

(ii) Recognition and measurement:

Property, Plant & Equipment are stated at cost less accumulated depreciation and impairment losses, if any.

Costs include costs of acquisitions or constructions including incidental expenses thereto, borrowing costs and other attributable costs of bringing the asset to its working condition for its intended use and are net of available duty/tax credits.

Subsequent expenditure relating to Property, Plant & Equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in Statement of Profit & Loss as incurred.

Gains or losses arising from discard/sale of Property, Plant & Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of Profit & Loss when the asset is discarded/sold.

(ii) Depreciation:

The company depreciates property plant and equipment on straight-line-method (SLM) as per the useful life of assets, as estimated by the management/independent professional, which are generally in line with Schedule-II to the Companies Act, 2013.

f. Intangible Assets:

(iii) Recognition and Measurement:

Intangible assets acquired separately are measured on initial recognition at cost. Subsequent to initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. In case of internally generated intangible asset arising from development activity is recognised at cost only if it is probable that the asset would generate future economic benefit and the expenditure attributable to said assets during its development can be measured reliably. Capital expenditure on purchase and development of identifiable on monetary assets without physical substance is recognised as Intangible Assets when:

It is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and the cost of the asset can be measure reliably.

Goodwill is an asset representing the future economic benefits arising from other assets acquired in a business combination that are not individually identified and separately recognised. Goodwill is not amortised but must be tested annually for impairment.

(iv) Depreciation:

The company Amortises/Depreciates Intangible Assets on the basis of estimated useful lives of Intangible assets are as follows:

Particulars	Useful life
Computers & Accessories	3 years
Electronics	5 years
Furniture	10 years

g. Impairment:

The carrying amount of Property, Plant & Equipment, Intangible Assets, and Investment Property are reviewed at each Balance Sheet date to assess impairment, if any based on internal/external factors. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is recognised as an expense in the Statement of Profit & Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been an improvement in recoverable amount.

h. Foreign Currency Transactions:

(iii) Functional and Presentation currency:

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ("functional Currency"). The financial Statements are presented in Indian rupee (INR), which is the company's functional and presentation currency.

(iv) Transactions and Balances:

Transactions in foreign currencies are translated into functional currency of the Company at rates prevailing at the date of the transaction. Foreign exchange gain or losses resulting from the settlement of such transactions and from translation of monetary assets and liabilities denominated in foreign currencies at the year-end exchange rates are generally recognised in Profit & Loss and reported with in foreign exchange gain/(losses), except when deferred in other comprehensive income as qualifying cashflow hedges.

Non-monetary items that are measured in times of historical cost in a foreign currency are translated using the exchange rates at the dates of the transaction. Non-monetary items (other than investment in shares of Subsidiaries, Joint Ventures, and Associates) carried at Fair Value that are denominated in foreign currencies are translated at the exchange rates prevailing at the date when the Fair Value was determined. Exchange component of the gain or loss arising on fair valuation of non-monetary items is recognised in line with the gain or loss of the item that gave rise to such exchange difference.

e. Revenue Recognition:

The Company derives revenue primarily from software Staffing, Consultancy and allied services.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance

obligation. The transaction price of goods sold, and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. The Company recognised revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities as described below.

The Company estimates its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

(i) Time and Material Contracts:

Revenues and costs relating to time and materials contracts are recognized as the related services are rendered.

(ii) Fixed – price contracts:

Revenues from fixed-price contracts, including IT Infrastructure development and integration contracts are recognized using the "percentage of-completion" method. Percentage of completion is determined based on efforts or costs incurred to date as a percentage of total estimated efforts or costs required to complete the project. The efforts or cost expended are used to measure progress towards completion as there is a direct relationship between input and productivity. If the Company does not have a sufficient basis to measure the progress of completion or to estimate the total contract revenues and costs, revenue is recognized only to the extent of contract cost incurred for which recoverability is probable.

When total cost estimates exceed revenues in an arrangement, the estimated losses are recognized in the statement of income in the period in which such losses become probable based on the current contract estimates.

Advance payments received from customers for which no services have been rendered are presented as 'Advance from customers.'

(iii) Services contracts:

Revenue from services contracts is recognized ratably over the period of the contract using the percentage of completion method. When services are performed through an indefinite number of repetitive acts over a specified period of time, revenue is recognized on a straight-line basis over the specified period unless some other method better represents the stage of completion. In certain projects, a fixed quantum of service or output units is agreed at a fixed price for a fixed term. In such contracts, revenue is recognized with respect to the actual output achieved till date as a percentage of total contractual output. Any residual service unutilized by the customer is recognized as revenue on completion of the term.

(iv) Sale of licenses & Subscriptions:

Revenue from sale of licenses and support are recognized when the significant risks and rewards of ownership have been transferred to the buyer, continuing managerial involvement usually associated with ownership and effective control have ceased, the amount of revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Revenues from Sale of Subscriptions shall be recognized linear to the period of the contract.

(v) Ecommerce/Retail:

Revenue from Ecommerce transactions i.e., sale of third-party products/applications/services shall be recognized on realization of the merchandise.

(vi) Other Income:

Profit on Sale of investments is recorded on transfer of title from the company and is determined as the difference between the sale price and the carrying amount of the investment.

Dividend income is recognized when the company's right to receive dividends is established.

Interest income on time deposits is recognized using time proportion basis taking into account the amount outstanding and applicable interest rates.

f. Income Tax:

Income Tax comprises current and deferred tax.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India and tax laws, prevailing in the respective tax, jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

The company offsets current tax assets and current tax liabilities, where it has legally enforceable right to set off the recognised amounts and where it intends to settle on net basis, or to realise the asset and liability simultaneously.

Deferred tax is provided on temporary difference arising between the tax bases of assets & liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax is measured using the tax rate that are expected to apply in the year when the asset is realized, or the liability is settled based on the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized directly in equity/other comprehensive income (OCI) is recognised in equity/other comprehensive income (OCI) and not in the statement of Profit & Loss. Deferred tax asset is recognised to the extent that it is probable that sufficient future taxable profit will be available against which the deductible temporary differences and the carry forward unused tax credits and unused tax losses can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period.

g. Provisions, Contingent Liabilities, Commitments and Contingent

Assets:

Provisions are recognised for present obligations of uncertain timing or amount arising as a result of a past event where a reliable estimate can be made, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation.

Where it is not probable that an outflow of resources embodying economic benefits will

be required or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability and commitments, unless the probability of outflow of resources embodying economic benefits is remote. Contingent assets are not recognised but disclosed in the Financial Statements when an inflow of economic benefits is probable.

h. Earnings per Share:

Basic earnings per share is computed using the net profit/(loss) for the year (without taking impact of OCI) attributable to the equity shareholders and weighted average number of shares outstanding during the year. The weighted average numbers of shares also include fixed number of equity shares that are issuable on conversion of compulsorily convertible preference shares, debentures, or any other instrument, from the date consideration is received (generally the date of their issue) of such instruments. The diluted EPS is calculated on the same basis as basic EPS after adjusting for the effect of potential dilutive equity shares unless impact is anti-dilutive.

i. Segment Reporting:

In accordance with the requirement of AS-108 on Segment reporting, the company has determined its business segment as Computer Programming Consultancy and related services. There are no other primary reportable segments. Thus, the segment revenue, segment result, total carrying amount of segment liabilities, total cost incurred to acquire segment assets, the total amount of charge for depreciation during the year are all reflected in the financial statement of the company for the year ended 31st March 2023.

There are no secondary reportable segments (Geographical Segments).

j. Financial Assets:

14. Initial Recognition and Measurement: All financial assets are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price. "

"Revenue Recognition: Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold, and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

i. Financial asset at fair value through other comprehensive income:

A financial asset is subsequently measured at fair value through other comprehensive income which is held with objective to achieve both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an election for its investments which are classified as equity instruments (other than investment in shares of Subsidiaries, Joint Ventures, and Associates) to present the subsequent changes in fair value through profit and loss account.

ii. Financial assets at fair value through profit or loss:

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. The Company has elected to measure its investments, which are classified as equity instruments (other than investment in

shares of Subsidiaries, Joint Ventures, and Associates) at fair value through profit and loss account.

(iii) Impairment of financial assets:

The company assesses at each balance sheet date whether a financial asset is impaired. The company recognises the loss if any on such impairment in accordance with IND AS 109.

(iv) Financial Liabilities:

Financial liabilities are subsequently carried at amortized cost using the effective interest method. Financial liabilities at fair value through profit and loss includes financial liability held for trading and financial liability designated upon initial recognition as at fair value through profit and loss.

k. Investment in Subsidiaries, Associates and Joint Ventures:

Investment in equity shares of subsidiaries, associates and joint ventures is carried at cost in the standalone financial statements.

l. Earnings per share:

The basic earnings per share is computed by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share and also the weighted average number of equity shares which would have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period unless they have been issued at a later date.

m. Employee Benefits:

Contributions to Provident and Employee State Insurance etc. accruing during the accounting period are charged to the statement of Profit and Loss. Provision for liabilities in respect of gratuity are accrued and provided at the end of each accounting period. Gratuity liability towards existing eligible employees is being met as and when a claim arises as there are no eligible employees.

7. Critical Accounting – Estimates, Assumptions and Judgements:

The preparation of Financial Statements in conformity with Indian Accounting Standards (Ind AS) requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures at the date of the Financial Statements. The judgements, estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years and if material, their effects are disclosed in the notes to the Financial Statements. Actual results could vary from these estimates.

Estimates and underlying assumptions are reviewed on a regular basis. The following areas of revenues, expenses, assets, and liabilities are likely to be impacted by events which give rise to revision of estimates made.

(i) Revenue:

The company uses estimates for computation of costs and efforts as a proportion of total costs and efforts made. These estimates are then used to derive the progress made towards completion of the contract.

(ii) Provisions/Expenses:

Provision for future expenses, liabilities are made on some occasions on the basis of pending effort for completion.

(iii) Property, Plant & Equipment:

External advisor and/or internal technical team assesses the remaining useful life and residual value of property, plant & equipment. Management believes that the assigned useful lives and residual values are reasonable.

(iv) Intangibles:

Internal technical and user team assess the remaining useful lives of intangible assets. Management believes that assigned useful lives are reasonable. All intangibles are carried at net book value on transition.

(v) Income taxes:

The provision for income tax at the end of each period is made on the basis of estimates on revenues and the receivables.

(vi) Other Estimates:

The Company estimates the un-collectability of accounts receivables by analysing historical payment patterns, customer concentrations, customer creditworthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

Notes to Accounts.

23.Consolidation: – This is the first year of consolidation of financial statements and hence previous year's figures are not applicable as the acquisition of Subsidiary (Technologia Corporation) completed in Feb 2023. For the current year profit and Loss account for the period March 2023(one month only) has been adopted for the purpose of consolidation.

24.Contingent Liabilities: There are no Contingent Liabilities for the company during the period ended 31st March 2023.
