Similarly, SEBI vide Circular No. 79 dated May 12, 2020, Circular No. 11 dated January 15, 2021 and Circular No. 62 dated May 13, 2022 granted certain relaxations pertaining to dispatch of hard copies of Annual Reports and Proxy Forms to listed entities who conduct their AGM through electronic mode till December 31, 2022. Further, MCA vide General Circular No. 10/2022 dated December 28, 2022, extended the option to conduct the AGM through VC till September 30, 2023. Similarly, SEBI vide Circular No. 4 dated January 5, 2023 extended the relaxations pertaining to dispatch of hard copies of Annual Reports and Proxy Forms to listed entities who conduct their AGM through electronic mode till September 30, 2023 subject to certain conditions, in light of same notice of the AGM along with the Annual Report for the Financial Year 2022-23 are being sent only through electronic mode to all the Members of the Company whose email addresses are registered with the Company and whose names appear in the register of members.
3. In compliance with the MCA Circulars, SEBI Circulars, and applicable provisions of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the 32nd AGM of your Company is being convened and conducted through VC/ OAVM.
4. In terms of the MCA Circulars, physical attendance of members has been dispensed with and, therefore, there is no requirement of appointment of proxies. Accordingly, the facility of appointment of proxies by members under Section 105 of the Act will not be available for the 32nd AGM. However, in pursuance of Section 112 and Section 113 of the Act, representatives of the members may be appointed for the purpose of voting through remote e-Voting through Board Resolution/ Power of Attorney/ Authority Letter, etc., for participation in the 32nd AGM through VC/ OAVM facility and e-Voting during the 32nd

AGM and since the 32nd AGM is being held through VC/ OAVM facility, the Route Map is not annexed in this Notice.

5. **The Register of Members will remain closed from Wednesday, August 30, 2023, to Saturday, September 09, 2023 (both days inclusive) and Tuesday August 29, 2023 shall be the cut-off date as on which the right of voting of the Members shall be reckoned and a person who is not a Member as on the cut-off date should treat this Notice for information purposes only.**
6. Members who have not yet registered their email addresses are requested to register the same with their Depository Participants in case the shares are held by them in dematerialized form and with the Company in case the shares are held by them in physical form.
7. As per Regulation 40 of the SEBI Listing Regulations, securities of the listed companies can be transferred only in dematerialized form with effect from April 01, 2019, and with effect from January 24, 2022 the request for effecting transfer of securities shall not be processed unless the securities are held in the dematerialised form with a depository and the transmission or transposition of securities held in physical or dematerialised form shall also be effected only in dematerialised form. Members holding shares in physical form are requested to consider converting their holdings to dematerialized form.
8. Pursuant to Section 124 of the Companies Act, 2013, the amount of dividend remaining unpaid or unclaimed for a period of seven years from the date of transfer to the Unpaid Dividend Account is required to be transferred to the Investor Education and Protection Fund (IEPF). Accordingly, the Company would be transferring the seven years' unpaid/unclaimed Dividend with respect to the dividend declared in the Financial Year 2015-16 within 30 days from the cut-off date i.e., 18th July 2023. As per the provisions, the 3 (Three) months' prior intimation to the eligible shareholders via Newspapers advertisement has given and the same has been updated on the website of the Company www.elnettechnologies.com. Such Members are requested to ensure their claim before it is transferred to the said Fund.

As on March 31, 2023, following number of dividends remained unclaimed.

9. TDS on Dividend:

According to the Finance Act, 2020, dividend income will be taxable in the hands of the Shareholders w.e.f. April 1, 2020, and the Company is required to deduct tax at source (TDS) from the dividend paid to the Members at prescribed rates in the Income Tax Act, 1961 ('the IT Act'). In general, to enable compliance with TDS requirements, Members are requested to complete and/ or update their Residential Status, PAN, and Category as per the IT Act with their Depository Participants ('DPs') or in case shares are held in physical form, with the Company by sending documents by September 04, 2023 (upto 5:00 pm) to enable the Company to determine the appropriate TDS / withholding tax rate applicable, verify the documents and provide exemption. For resident shareholders, taxes shall be deducted at source under Section 194 of the IT Act as follows:

Members having valid PAN	10% or as notified by the Government of India
Members not having PAN / valid PAN	20% or as notified by the Government of India

However, no tax shall be deducted on the dividend payable to a resident individual if the total dividend to be received by them during Financial Year 2022-23 does not exceed Rs. 5,000/- and also in cases where members provide Form 15G / Form 15H (applicable to individuals aged 60 years or more) subject to conditions specified in the IT Act. Resident shareholders may also submit any other document as prescribed under the IT Act to claim a lower / Nil withholding tax. Registered members may also submit any other document as prescribed under the IT Act to claim a lower / Nil withholding tax. PAN is mandatory for members providing Form 15G / 15H or any other document as mentioned above.

For non-resident shareholders, taxes are required to be withheld in accordance with the provisions of Section 195 and other applicable sections of the IT Act, at the rates in force. The withholding tax shall be at the rate of 20% (plus applicable surcharge and cess) or as notified by the Government of India on the amount of dividend payable. However, as per Section 90 of the IT Act, non-resident shareholders have the option to be governed by the provisions of the Double Tax Avoidance Agreement (DTAA) between India and the country of tax residence of the member if they are more beneficial to them.

For this purpose, i.e., to avail the benefits under the DTAA, non-resident shareholders will have to provide the following:

- i. Copy of the PAN card allotted by the Indian Income Tax authorities duly attested by the member.
- ii. Copy of Tax Residency Certificate (TRC) for the FY 2023-24 obtained from the revenue authorities of the country of tax residence, duly attested by member.
- iii. Self-declaration in Form 10F.
- iv. Self-declaration by the shareholder of having no permanent establishment in India in accordance with the applicable tax treaty.
- v. Self-declaration of beneficial ownership by the non-resident shareholder.
- vi. Lower withholding Tax certificate, if any, obtained from the Indian Tax Authorities.
- vii. Any other documents as prescribed under the IT Act for lower withholding of taxes if applicable, duly attested by member.

In case of Foreign Institutional Investors / Foreign Portfolio Investors, tax will be deducted under Section 196D of the IT Act @ 20% (plus applicable surcharge and cess).

10. Members holding shares in physical form and desirous of making/updating Nomination in respect of their shareholdings in the Company, as permitted under Section 72 of the Companies Act, 2013 and Rules made thereunder, are requested to submit the prescribed Form No. SH-13 and SH-14, as applicable for this purpose to the Company's Registrar & Transfer Agents, Cameo Corporate Services Ltd. These forms are also available on the Company's website www.elnettechnologies.com under Investor Relations section. Members holding shares in dematerialised form should make/update their nomination with their Depository Participants.
11. The Members can join the AGM in the VC/OAVM mode 30 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice.

12. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 Members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors, etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
13. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
14. Instructions for Shareholders for Remote E-Voting and Joining Meeting through VC/OAVM are as under:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- i. The voting period begins on Monday, September 04, 2023, at 9.00 A.M. and ends on Friday, September 08, 2023, at 5.00 P.M. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Tuesday, August 29, 2023, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the DEMAT account holders, by way of

a single login credential, through their DEMAT accounts/ websites of Depositories/ Depository Participants. DEMAT account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in DEMAT mode are allowed to vote through their DEMAT account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL Depository	<p>1) Users who have opted for CDSL Easi/Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. The users to login to Easi/Easiest are requested to visit CDSL website www.cdslindia.com and click on login icon & New System Myeasi Tab.</p> <p>2) After successful login the Easi / Easiest user will be able to see the e-Voting option for eligible companies where the e-Voting is in progress as per the information provided by company. On clicking the e-Voting option, the user will be able to see e-Voting page of the e-Voting service provider for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2023

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To.

The Members,

Elnet Technologies Limited,

TS 140, Block 2 & 9, Taramani,

Rajiv Gandhi Salai, Chennai 600113, Tamil Nadu.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by ELNET TECHNOLOGIES LIMITED (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Elnet Technologies Limited's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the company, its officers, agents and authorised representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has during the audit period covering the financial year ended on 31st March, 2023 generally complied with the statutory provisions listed hereunder and also that the company has proper board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records made available to us and maintained by Elnet Technologies Limited for the financial year ended on 31st March, 2023 according to the applicable provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii. The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
- a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 and amendments from time to time;

TRANSFERS TO THE INVESTOR EDUCATION AND PROTECTION FUND (IEPF)

Pursuant to Section 124 of the Companies Act, 2013 (“the Act”) read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 (“The Rules”), all unpaid or unclaimed dividends are required to be transferred by the Company to the Investor Education and Protection Fund (IEPF) established by the Central Government, after completion of seven consecutive years from the date of transfer to unpaid dividend account. Further, according to the Rules, the shares in respect of which dividend has not been paid or claimed for seven consecutive years or more shall also be transferred to the demat account of IEPF Authority.

Transfer of Unpaid/ Unclaimed Dividend Amount/ Shares pertaining to the dividend declared during the financial year ended March 31, 2016, to Investor Education and Protection Fund (IEPF)

The due date for transfer of unpaid/unclaimed dividend amount and corresponding shares for the dividend declared during the financial year ended March 31, 2016, is July 18, 2023.

In compliance with the provision, during the Financial Year 2023-2024 the Company will send individual notices to the eligible shareholders and will also issue advertisement in the newspapers (Business standard - Leading English Newspaper All India edition and Makkal Kural- Regional language newspaper) seeking action from the shareholders who have not claimed their dividends for seven consecutive years or more for the dividend declared during the financial year ended March 31, 2023. Accordingly, after the expiry of due date for claiming the unpaid/ unclaimed dividend, the Company has transferred such unpaid or unclaimed dividends and also the corresponding shares for the Financial Year ended March 31, 2023, to IEPF authority.

Details of shares/shareholders in respect of which dividend has not been claimed, will be provided on the website of the company www.elnettechnologies.com. (Investors/Compliances/Unpaid Dividend Data/Year 2023). Members are requested to ensure that they claim the dividends and shares referred above before they are transferred to the said Fund.

Members/claimants whose shares, and/or unclaimed dividend, have been transferred to the IEPF Demat Account or the Fund, as the case may be, may claim the shares or apply for refund of dividend by making an application to the IEPF Authority in Form IEPF-5 (available on <http://www.iepf.gov.in>) along with requisite fee as decided by the IEPF Authority from time to time. The Member/claimant can file only one consolidated claim in a Financial Year as per the IEPF Rules.

INDEPENDENT AUDITOR'S REPORT

To the Members of Elnet Technologies Limited

Opinion

We have audited the accompanying Financial Statements of Elnet Technologies Limited (“the Company”), which comprise the Balance sheet as at March 31, 2023, the Statement of Profit and Loss, the Cash Flow Statement for the year ended and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013, as amended (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian accounting standards prescribed under section 133 of the act read with companies (Indian accounting standards) Rules, 2015 as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Financial Statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Recognition, Valuation and Presentation of provision and contingent liabilities:

Refer Note 35 to financial statement for the year ended March 31, 2023 for the following:

The claims made by Electronics Corporation of Tamilnadu Limited (ELCOT) against the Company towards interest on delayed payments for lease deposits relating to the years from 2000-01 to 06th Aug 2021, have been disclosed as Contingent Liability by the Company which amounts to Rs 1,273.50 Lakhs.

The Company has received a service tax demand from Additional Commissioner of GST and Central Excise for Rs. 136.59 Lakhs on considering reimbursement of electricity charges as taxable charges for period October 2015 to June 2017, have been disclosed as Contingent Liability by the Company.

Since there are potential exposure of the Company, on the above contingent liabilities, the assessment of the probability of occurrence, outflow, if any, and adequate disclosure requirements involves significant judgment by the management.

Due to the significance of amounts involved and the level of judgments relating to recognition, valuation and presentation of provision and contingent liabilities, this has been considered as a key audit matter.

How the Key Audit Matter was addressed in our audit

Our audit procedure in respect of this area included the following:

Tested the design, implementation and operative effectiveness of controls with respect to identification and monitoring of significant developments in relation to the litigations, including completeness thereof.

Engaged in discussion with legal and finance departments of the Company on the status of ongoing and potential legal matters and its possible outcome and valuation as assessed by the management.

Evaluated the management's assessment about the outcome of the dispute.

Reviewed the legal opinion obtained, third party correspondence and reports with respect to these matters.

Assessed the reasonableness of management's judgment with respect to the likelihood of outflow.

Assessed the adequacy of the disclosures made in the notes to financial statement.

Information Other than the Financial Statements and Auditors' Report Thereon

THIRTY SECOND ANNUAL REPORT 2022-23

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management report, Chairman's statement, Board's report including the Annexures to Board's report and Director's report along with annexures but does not include the Financial Statements and our auditors' report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting standards prescribed under section 133 of the act read with companies (Indian accounting standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, Board of directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

A further description of the auditor's responsibilities for the audit of the financial statements is included in "Annexure A". This description forms part of our auditor's report.

Emphasis of Matter

We draw attention to Note No. 6 in the Financial Statements of the company wherein the Unquoted equity shares of IG3 Infra Ltd had to be valued at fair value as at the end of each financial year.

These shares were not revalued for this year and the same FMV was adopted from the FY 21-22. There will be no substantial effect that cause the financial statements to be materially misstated due to this non-compliance and our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:

ANNEXURE A

Responsibilities for Audit of the Financial Statement:

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE C

Referred to in paragraph 2(f) under “Report on Other Legal and Regulatory Requirements” section of our report of even date to the Members of ELNET TECHNOLOGIES LIMITED for the year ended 31st March 2023.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial statements of ELNET TECHNOLOGIES LIMITED (“the Company”) as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’) (‘the Guidance Note’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of Company’s business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining and understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

THIRTY SECOND ANNUAL REPORT 2022-23

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention (or) timely detection of unauthorised acquisition, use, (or) disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error (or) fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, (or) that the degree of compliance with the policies (or) procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on "the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

Notes to Financial Statements for the year ended March 31, 2023

1 Corporate Information

Elnet Technologies Limited (ETL) was incorporated in August 1990 as a Public Limited Company which is situated in the IT corridor, Rajiv Gandhi Salai, Taramani, Chennai. ETL's core competence is to develop and manage Software Technology Park. ETL has pioneered the concept of Software Technology Park in India and also providing infrastructure to Information Technology and Information technology enabled services industry companies.

2 Basis of preparation of financial statements

Statement of compliance

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Section 133 of the 2013 Act read with the Companies (Indian Accounting Standards) Rules 2015 and other relevant provisions of the 2013 Act.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Basis of preparation and presentation

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value or revalued amount:

- a) Derivative financial instruments
- b) Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments)

Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognised prospectively in current and future periods.

Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest lakhs (up to two decimals).

The financial statements are approved for issue by the Company's Board of Directors on 29th May 2023.

2.1 Critical accounting estimates and management judgments

The management believes that the estimates used in the preparation of financial statements are prudent and reasonable.

Information about significant areas of estimation, uncertainty and critical judgements used in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the following notes:"

Property, Plant and Equipment (PPE)

The residual values and estimated useful life of PPE are assessed by the technical team at each reporting date by taking into account the nature of asset, the estimated usage of the asset, the operating condition of the asset, past history of replacement and maintenance support. Upon review, the management accepts the assigned useful life and residual value for computation of depreciation/amortisation. Also, management judgement is exercised for classifying the asset as investment properties or vice versa.

Current tax

Calculations of income taxes for the current period are done based on applicable tax laws and management's judgment by evaluating positions taken in tax returns and interpretations of relevant provisions of law.

Deferred Tax Assets

Significant management judgment is exercised by reviewing the deferred tax assets at each reporting date to determine the amount of deferred tax assets that can be retained / recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Fair value

Management uses valuation techniques in measuring the fair value of financial instruments where active market quotes are not available. In applying the valuation techniques, management makes maximum use of market inputs and uses estimates and assumptions that are, as far as possible, consistent with observable data that market participants would use in pricing the instrument. Where applicable data is not observable, management uses its best estimate about the assumptions that market participants would make. These estimates may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

Impairment of Trade Receivables

The impairment for trade receivables are done based on assumptions about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgment considering the past history, market conditions and forward looking estimates at the end of each reporting date.

Impairment of Non-financial assets (Property, Plant and Equipment)

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a DCF model. The cash flows are derived from the budgets. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes. These estimates are most relevant to goodwill and other intangibles with indefinite useful lives recognised by the Company.

Defined Benefit Plans and Other long term benefits

The cost of the defined benefit plan and other long term benefits, and the present value of such obligation are determined by the independent actuarial valuer. An actuarial valuation involves making various assumptions that may differ from actual developments in future. Management believes that the assumptions used by the actuary in determination of the discount rate, future salary increases, mortality rates and attrition rates are reasonable. Due to the complexities involved in the valuation and its long term nature, this obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

3 Significant Accounting Policies

a) Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set-out in the Act. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

b) Fair value measurement

The Company has applied the fair value measurement wherever necessitated at each reporting period.

Fair value is the price that would be received to sell an asset or paid to transfer a

liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- i) In the principal market for the asset or liability;
- ii) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non - financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and the best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 : Quoted (unadjusted) market prices in active market for identical assets or liabilities;

Level 2 : Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and

Level 3 : Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company has designated the respective team leads to determine the policies and procedures for both recurring and non - recurring fair value measurement. External valuers are involved, wherever necessary with the approval of Company's board of directors. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained.

For the purpose of fair value disclosure, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risk of the asset or liability and the level of the fair value hierarchy as explained above. The component wise fair value measurement is disclosed in the relevant notes.

c) Revenue Recognition

Sale of services

Income from sale of services, which comprise of providing complete infrastructure services required to run, maintain, manage and administer software technology park housing sophisticated modules with infrastructure facilities required for Information Technology / Information technology enabled service industry, is recognised when the services are rendered as per the terms of the agreement and when no significant uncertainty as to its determination or realisation exists.

The modules are provided with complete facilities like air conditioning, uninterrupted power supply, generators etc. internet connectivity to offer seamless end to end infrastructure facility required by an Information Technology / Information technology enabled service industry Company to run its business. Elnet has also set up a permanent establishment to maintain these facilities for its customers to ensure uninterrupted business activities.

Rental income from operating leases is generally recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the company's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue.

Interest Income

Interest income is recorded using the effective interest rate (EIR) method. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Power Generation

Income from Windmill is taken on a monthly basis upon credit given by Tamil Nadu Electricity Board for units generated and Supplied.

Dividend income

Dividend income is recognized when the company's right to receive dividend is established by the reporting date, which is generally when shareholders approve the dividend.

d) Property, plant and equipment and capital work in progress

Property, plant and equipment and capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs of a qualifying asset, if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in profit or loss as incurred.

Advances paid towards the acquisition of tangible assets outstanding at each balance sheet date, are disclosed as capital advances under other non-current assets and the cost of the tangible assets not ready for their intended use before such date, are disclosed as capital work in progress."

Derecognition

Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

e) Depreciation on property, plant and equipment

Depreciation is the systematic allocation of the depreciable amount of an asset over its useful life on a straight line method. The depreciable amount for assets is the cost of an asset, or other amount substituted for cost. Residual value for all assets is considered as NIL.

Depreciation is provided on straight line method, over the useful lives specified in Schedule II to the Companies Act, 2013 except for the following items, where useful life estimated on technical assessment, past trends and differ from those provided in Schedule II of the Companies Act, 2013.

Assets Category	Estimated useful life (in years)
Fit outs	4.00
Furniture and Fixtures	4.00
Multi Level Car Park	13.50
Office Equipments	4.00
Vehicle – Car	4.00

Depreciation for PPE on additions is calculated on pro-rata basis from the date of such additions. For deletion/disposals, the depreciation is calculated on pro-rata basis up to the date on which such assets have been discarded/sold. Additions to fixed assets, costing 5000 each or less are fully depreciated retaining its residual value.

The residual values, estimated useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

f) Financial Instruments

Financial assets

Financial assets and financial liabilities are recognised when an entity becomes a party to the contractual provisions of the instruments.

Initial recognition and measurement

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities is described below:

Non-derivative financial assets

Subsequent measurement

Financial assets carried at amortised cost

A financial asset is measured at the amortised cost, if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

For purposes of subsequent measurement, financial assets are classified on the basis of their contractual cash flow characteristics and the entity's business model of managing them.

Investments in equity instruments of subsidiaries, joint ventures and associates

Investments in equity instruments of subsidiaries, joint ventures and associates are accounted for at cost in accordance with Ind AS 27 Separate Financial Statements.

Investments in other equity instruments

Investments in equity instruments which are held for trading are classified as at fair value through profit or loss (FVTPL). For all other equity instruments, the Company makes an irrevocable choice upon initial recognition, on an instrument by instrument basis, to classify the same either as at fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL). Amounts presented in other comprehensive income are not subsequently transferred to profit or loss. However, the Company transfers the cumulative gain or loss within equity. Dividends on such investments are recognized in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment.

Derecognition of financial assets

A financial asset is primarily de-recognized when the contractual rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at FVTPL and as at amortised cost.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

The measurement of financial liabilities depends on their classification, as described below:

Derecognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference

in the respective carrying amounts is recognized in the statement of profit or loss.

Derivative financial instruments

The Company does not hold any derivative financial instruments such as foreign exchange forward and options contracts.

Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities could not be measured based on quoted prices in active markets, management uses valuation techniques including the Discounted Cash Flow (DCF) model, to determine its fair value. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is exercised in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

g) Foreign currency transactions and translations

Transactions and balances

Transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the

transactions. However, for practical reasons, the Company uses an average rate, if the average approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

h) Taxes

Current income tax

Tax expense recognized in statement of profit and loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

Current tax assets and liabilities are measured at the amount expected to be recovered or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the year end date. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Minimum alternate tax ('MAT') credit entitlement is recognized as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

Deferred tax is recognized in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets on unrealised tax loss are recognized to the extent that it is probable that the underlying tax loss will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and

specific limits on the use of any unused tax loss. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized outside statement of profit and loss is recognized outside statement of profit or loss (either in other comprehensive income or in equity).

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

i) Retirement and other employee benefits

Short-term employee benefits

A liability is recognised for short-term employee benefit in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Defined contribution plans

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund and super annuation fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Defined benefit plans

The Company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Compensated absences

The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using projected unit credit method on the additional amount expected to be paid / availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non-accumulating compensated absences is recognized in the period in which the absences occur.

Other long term employee benefits

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by the employees up to the reporting date.

j) Leases

The Company as a Lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

The Company as a lessee

The Company's lease asset classes primarily consist of leases for Land. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases)

and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

k) Impairment of non financial assets

The Company assesses at each year end whether there is any objective evidence that a non financial asset or a group of non financial assets is impaired. If any such indication exists, the Company estimates the asset's recoverable amount and the amount of impairment loss.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognized in Statement of Profit and Loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through Statement of Profit and Loss.

The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash in flows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

l) Provisions, contingent liabilities and contingent asset

Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are discounted, if the effect of the time value of money is material, using pre-tax rates that reflects the risks specific to the liability. When discounting is used, an increase in the provisions due to the passage of time is recognised as finance cost.

These provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Necessary provision for doubtful debts, claims, etc., are made if realisation of money is doubtful in the judgement of the management.

Contingent liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. Contingent liabilities are disclosed separately.

Show cause notices issued by various Government authorities are considered for evaluation of contingent liabilities only when converted into demand.

Contingent assets

Where an inflow of economic benefits is probable, the Company discloses a brief description of the nature of the contingent assets at the end of the reporting period, and, where practicable, an estimate of their financial effect. Contingent assets are disclosed but not recognised in the financial statements.

m) Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances with original maturity of less than 3 months, highly liquid investments that are readily convertible into cash, which are subject to insignificant risk of changes in value.

n) Cash Flow Statement

Cash flows are presented using indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.

Bank borrowings are generally considered to be financing activities. However, where bank overdrafts which are repayable on demand form an integral part of an entity's cash management, bank overdrafts are included as a component of cash and cash equivalents for the purpose of Cash flow statement.

o) Earnings per share

The basic earnings per share are computed by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted EPS is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares, as appropriate.”

3.1 Recent accounting pronouncements

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1st, 2023, as below:

Ind AS 1 - Presentation of Financial Statements: This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and the impact of the amendment is insignificant in the standalone financial statements.

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors: This amendment has introduced a definition of ‘accounting estimates’ and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its standalone financial statements.

Ind AS 12 - Income Taxes: This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its standalone financial statement.

a. Note:

IND AS 116 - Right to use assets:

Effective April 1, 2019, the Company adopted IND AS 116 "Leases" and applied the standard to the lease contract existing on April 1, 2019 using the modified retrospective method. Under this method, the right-of-use of assets equal to the lease liability and lease liability is measured at the present value of the lease payments discounted at the incremental borrowing rate at the date of initial application.

The company has a lease arrangement for land for a period of 90 year at a lease rental of Rs. 1 per year. Transition of the new standard resulted in recognition of Right-of-Use asset (ROU) and lease liability for Rs.1, respectively. The effect of the same on the profits and earnings per share for the year ended March 31, 2023 is Rs. Nil.

Financial risk management objectives

The Company's activities expose it to a variety of financial risks, credit risks, liquidity risks and market risks.

The Company's board of directors has overall responsibility for the establishment and oversight of the risk management framework.

The Risk management policies are established to identify and analyse the risks faced by the company, to set appropriate risk limits and controls and to monitor risks and adhere to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and company's activities. The company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

Market risk

Market risk is the risk of any loss in future earnings, in realizable fair values or in future cash flows that may result from a change in the price of a financial instrument. The Company's activities do not have any exposure to such risks.

Foreign currency risk management & Sensitivity Analysis

The Company's operations do not involve transactions denominated in foreign currencies; consequently, exposure to exchange rate fluctuations does not arise. Accordingly, the Company does not have any exposure to such risks.

There are no hedged or unhedged foreign currency exposure outstanding as at March 31, 2023 & March 31, 2022.

Interest rate risk management & Sensitivity Analysis

The Company has only interest free short term borrowings and accordingly is not exposed to interest rate risk.

THIRTY SECOND ANNUAL REPORT 2022-23

(All amounts are in lakhs of Indian Rupees, unless otherwise stated)

Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company is not subject to major credit risk as the majority of its trade receivables are covered by means of interest free security deposit taken at the inception of the agreement.

Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure is the total of the carrying amount of balances with banks, short term deposits with banks, trade receivables, margin money and other financial assets excluding equity investments.

(a) Trade Receivables

Trade receivables are consisting of a large number of customers. The Company has credit evaluation policy for each customer and, based on the evaluation, credit limit of each customer is defined. Wherever the Company assesses the credit risk as high, the exposure is backed by security deposits taken at the time of entering into agreement with the customers.

The Company does not have higher concentration of credit risks to a single customer. As per simplified approach, the Company makes provision of expected credit losses on trade receivables using a provision matrix to mitigate the risk of default in payments and makes appropriate provision at each reporting date wherever outstanding is for longer period and involves higher risk.

(b) Investments, Cash and Cash Equivalents and Bank Deposits

Credit Risk on cash and cash equivalents, deposits with the banks/financial institutions is generally low as the said deposits have been made with the banks/financial institutions, who have been assigned high credit rating by international and domestic rating agencies.

Investments of surplus funds are made only with approved Financial Institutions/Counterparty. Investments primarily include investment in units of quoted Mutual Funds, etc. These Mutual Funds and Counterparties have low credit risk.

Liquidity risk management

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company invests its surplus funds in bank fixed deposit and mutual funds, which carry minimal mark to market risks.

(All amounts are in lakhs of Indian Rupees, unless otherwise stated)

The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility.

Liquidity tables

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

39 Operating Segments

The company is engaged in the business of 'Developing and maintaining integrated software technology parks' and therefore, has only one reportable segment in accordance with Ind AS 108 'Operating Segments'. The Company's revenue is generated only within India and all operating assets are also located only in India. Accordingly, no disclosure relating to geographical location is applicable.

40 Employee benefit obligation

The Company has in accordance with the IND AS -19 'Employee Benefits' calculated various benefits provided to employees as under:

Defined contribution plans

The total expense recognised in profit or loss of Rs.12.57 lakhs (for the year ended March 31, 2022: Rs. 12.15 lakhs) represents contribution paid to these plans by the Company at rates specified in the rules of the plan.

Defined benefit plans

In respect of Gratuity plan and Compensated absences plan, the most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out as on March 31, 2023. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit cost method. The following table sets forth the status of the Gratuity Plan & Compensated absences plan of the Company and the amount recognised in the Balance Sheet and Statement of Profit and Loss. The Company provides the gratuity benefit through annual contributions to insurer managed funds.

These plan typically expose the Company to actuarial risks such as: investment risk, interest rate risk, demographic risk and salary risk.

Risk exposure

Through its defined benefit plans, the company is exposed to a number of risks, the most significant of which are detailed below:

The Gratuity scheme is a Defined Benefit Plan that provides for a lump sum payment made on exit either by way of retirement, death, disability or voluntary withdrawal. The benefits are defined on the basis of final salary and the period of service and paid as lump sum at exit. The Plan design means the risks commonly affecting the liabilities and the financial results are expected to be.

Interest rate risk:

The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

Demographic risk:

The company has used certain mortality and attrition assumptions in valuation of the liability. The company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

(All amounts are in lakhs of Indian Rupees, unless otherwise stated)

Salary risk:

The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

In respect of the plan in India, the most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out as at March 31, 2023 by Mr.Srinivasan Nagasubramanian, Fellow of the Institute of Actuaries of India. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

No other post-retirement benefits are provided to these employees.

(a) Gratuity

Gratuity is payable as per Payment of Gratuity Act, 1972. In terms of the same, gratuity is computed by multiplying last drawn salary (basic salary including dearness Allowance if any) by completed years of continuous service with part thereof in excess of six months and again by 15/26. The Act provides for a vesting period of 5 years for withdrawal and retirement and a monetary ceiling on gratuity payable to an employee on separation, as may be prescribed under the Payment of Gratuity Act, 1972, from time to time. However, in cases where an enterprise has more favourable terms in this regard the same has been adopted.

The principal assumptions used for the purposes of the actuarial valuations were as follows:

Particulars	March 31, 2023	March 31, 2022
Mortality Table	Indian Assured Lives (2006-08) Ultimate	Indian Assured Lives (2006-08) Ultimate
Discount Rate	7.55% p.a.	7.10% p.a.
Rate of increase in compensation level	10.00% p.a.	10.00% p.a.
Employee Attrition rate	10.00% p.a.	10.00% p.a.
Rate of Return on Plan Assets	7.10% p.a.	7.16% p.a.

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Sensitivity Analysis

Sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet. There was no change in the methods of assumptions used in preparing the sensitivity analysis from prior years.

(b) Compensated absences

The compensated absences scheme is a final salary defined benefit plan, that provides for a lumpsum payment at the time of separation; based on scheme rules the benefits are calculated on the basis of last drawn salary and the leave count at the time of separation and paid as lumpsum.

The principal assumptions used for the purposes of the actuarial valuations were as follows:

Particulars	March 31, 2023	March 31, 2022
Mortality Table	Indian Assured Lives (2006-08) Ultimate	Indian Assured Lives (2006-08) Ultimate
