IMPORTANT NOTES:

1. In view of the outbreak of Covid-19 pandemic, The Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020, General Circular No. 02/2021 dated 13th January 2021 and General Circular No. 02/2022, dated 05th May, 2022, General Circular No.10/2022 dated 28th December, 2022 and General Circular No.11/2022 dated 28th December, 2022, respectively, and other circulars issued in this respect ("MCA Circulars") has allowed, inter-alia, conduct of AGMs through Video Conferencing/ Other Audio-Visual Means ("VC/ OAVM") facility on or before 30th September, 2023, in accordance with the requirements provided in paragraphs 3 and 4 of the MCA General Circular No. 20/2020. The Securities and Exchange Board of India ("SEBI") also vide its Circular No. SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated 5th January, 2023 ("SEBI Circular") has provided certain relaxations from compliance with certain provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). Accordingly, in compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and MCA Circulars, the AGM of the Company is being held through VC / OAVM, without the physical presence of the members at a common venue.

The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.

2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 and General circular no. 02/2021 dated 13th January 2021, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 30 minutes before and 15 minutes after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the EGM/AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. Hence, Attendance Slip and Proxy Form including Route Map are not annexed to this notice. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at <https://www.neerajpaper.com/notices>. The Notice can also be accessed from the websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020, General Circular No. 02/2021 dated 13th January 2021 and [General Circular No. 02/2022, dated 05th May, 2022, General circular 10/2022 dated 28th December, 2022 and General Circular No.11/2022 dated 28th December, 2022.](#)
8. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. 1. Voting through electronic means

- a. In compliance with provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014, the Company is pleased to provide members facility to exercise their right to vote at the **28th Annual General Meeting (AGM)** by electronic means and the business may be transacted through e-Voting Services provided by Central Depository Services (India) Ltd.
- b. The instructions for e-voting are as under:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on 26th September, 2023 at 10.00 A.M and ends on 28th September, 2023 at 5.00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 22nd September 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed

Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

FUTURE PROSPECTS

The Indian paper and paperboard packaging market is projected to grow at a CAGR of 6.6 per cent until 2027. The industry witnessed a rise in sales volumes, higher production, and a remarkable 45 per cent growth in sales revenues in FY23.

Paper industry is expected to grow in sync with economic growth recording 6-8% growth per annum.

Paper Industry in India is exhibiting one of the fastest growths being witnessed anywhere in the world and is most likely to continue this growth trajectory in the years to come as Indian economy is better placed to weather the storm caused by global upheavals, said A S Mehta, President, Indian Paper Manufacturers Association (IPMA).

The Global Indian Paper & Pulp Market is growing at a CAGR of 13.4% during forecasting period 2022-2029.

The global paper and paperboard packaging market size was worth around USD 203 billion in 2021 and is predicted to grow to around USD 243 billion by 2030 with a compound annual growth rate (CAGR) of roughly 2.25% between 2022 and 2030.

The packaging paper segment has grown quickly, thanks partly to the [flourishing e-commerce sector](#), particularly after the Covid-19 pandemic. According to one estimate, India's e-commerce business is expected to grow from \$29 billion in 2020 to just over \$100 billion by 2025. This trend has led to a growing need for packaging materials, including corrugated boxes, cartons, and wrapping papers.

Effective and efficient packaging solutions have become paramount as more consumers turn to online shopping for their daily needs. In addition, packaging paper and paperboard provide an eco-friendly solution for businesses seeking to deliver their products safely and efficiently.

Rising income has boosted consumer spending, with more people buying products with high-quality packaging solutions. The Indian paper industry has tapped into this opportunity by capitalizing on the growing demand for high-quality paperboard and packaging paper.

The increasing demand for high-quality paperboard and packaging paper has encouraged paper manufacturers to introduce innovative products and expand their distribution channels. In addition, increasing consumer demand has allowed them to cater to a broader range of consumers who demand safe and secure packaging solutions.

Consumer preferences are also undergoing a significant transformation, as 60% of consumers indicate that socially responsible or sustainable products constituted at least half of their most recent purchases. Moreover, almost 50% of global consumers have [acknowledged paying a premium](#), averaging 59%, for sustainable or socially responsible products.

The market shift towards sustainable and environmentally friendly products, combined with the upsurge in e-commerce and rising income levels, has created a favourable environment for paper manufacturers to invest in paperboard and packaging paper.

INDUSTRY STRUCTURE AND DEVELOPMENT

OUTLOOK OF PAPER INDUSTRY:

The Indian paper industry has experienced a significant improvement in operating margins for top 10 listed companies in FY23, driven by a 45 per cent revenue growth and a surge in net realisation. However, the industry showed signs of stabilisation in Q4FY23 due to factors like China's ban on paper waste and supply disruptions from the Russia-Ukraine war.

Looking ahead to FY24, a moderation in top-line and operating margins is anticipated. The Indian paper and paperboard packaging market is projected to grow at a CAGR of 6.6 per cent until 2027. The industry witnessed a rise in sales volumes, higher production, and a remarkable 45 per cent growth in sales revenues in FY23. Supply-demand disruptions led to higher realisations, while imports of raw materials and uncertainty in the industry pose challenges for future growth.

Paper is a versatile and widely-used material made from cellulose fibers, usually derived from wood pulp. It has been an integral part of human society for over two thousand years, with a vast range of applications including writing, printing, packaging, and more.

The importance of paper lies in its ability to convey information and ideas, as well as its convenience and accessibility. Paper is lightweight, easy to transport, and can be produced in large quantities at a relatively low cost. It has played a critical role in the development and dissemination of knowledge, allowing for the spread of ideas and information across vast distances and time periods.

In addition to its communicative and informational properties, paper also has practical applications in everyday life. It is used in packaging for products ranging from food to electronics, providing protection and stability during transportation and storage. Paper products such as tissues and hygiene products are also an essential part of personal care and hygiene.

Overall, paper's versatility and accessibility have made it a fundamental material in modern society. While digital technology has led to a decline in certain paper products, such as newspapers and magazines, it remains a crucial component of many industries and will continue to be so for the foreseeable future.

SCOPE AND DEMAND OF PAPER INDUSTRY IN INDIA

The Paper and Paperboard Packaging market size was worth around US\$ 203 billion in 2021 and is estimated to hit approximately US\$ 243 billion by 2030. Due to a variety of driving factors, the market is predicted to rise at a significant rate.

The global paper and paperboard packaging market is projected to grow owing to increasing strictness adopted by government and international environmental bodies against the use of single-use plastic in the packaging industry compelling market players to opt for more sustainable forms of material to use.

The growing demand for paperboard packaging in the healthcare segment is expected to help the global market generate high revenue. Some of the most commonly used materials in the pharmaceutical and healthcare sectors are metals and plastics. Since there are growing concerns about using plastics for packaging medicines, providers of paper and paperboard packaging solutions have increased investment in research to develop better solutions using less harmful materials.

Other factors like the reusability of paper packaging may help generate more consumers as the general population has become aware of the direct consequences consumer shopping patterns have on the environment. There is a growing set of people who prefer to shop or purchase products only from companies that support environmental sustainability. Such moves are projected to drive the demand for paper packaging solutions. The food & beverages industry is one of the highest consumers of paper and paperboard for packaging and as the industry grows, the demand will increase.

The growth in the sector is being driven by a surge in e-commerce, food processing, pharmaceuticals, FMCG, the manufacturing industry, and the healthcare sector. The significant upsurge is fuelled by a growing demand for paper-based products, evolving consumer preferences, and increasing emphasis on sustainable packaging solutions. This industry has become a cornerstone of India's manufacturing and logistics sectors, contributing to both domestic consumption and export markets

The growing e-commerce industry may provide growth opportunities while managing paper quality is expected to act as a challenge for the

market players.

Firstly, the rapid expansion of the e-commerce sector has created a massive demand for packaging materials such as corrugated boxes, cartons, and envelopes.

As online shopping continues to flourish, the need for safe, durable, and eco-friendly packaging solutions has skyrocketed. This trend has presented significant opportunities for the industry to innovate and cater to the evolving demands of modern consumers.

Furthermore, the increasing awareness about environmental sustainability has driven the shift towards eco-friendly packaging alternatives. With a growing emphasis on reducing plastic waste and carbon emissions, paper-based packaging solutions have gained immense popularity. From recycled paper packaging to biodegradable materials, the Indian paper and packaging industry has been at the forefront of providing sustainable options to meet consumer expectations and comply with regulatory requirements.

Additionally, the rising literacy rates, expanding education sector, and government initiatives promoting education for all have resulted in a surge in demand for paper products. From textbooks and notebooks to stationery and printing papers, the Indian paper industry plays a vital role in supporting the education system and knowledge dissemination. This growing demand for paper-based educational materials has contributed significantly to the industry's expansion.

Moreover, technological advancements and investments in advanced machinery and equipment have enhanced production capabilities, efficiency, and product quality in the industry. The adoption of cutting-edge technologies has not only improved manufacturing processes but also enabled customization and specialization, allowing the industry to cater to diverse customer needs effectively. Additionally, numerous government initiatives including 'Make in India' had a positive impact on the packaging industry.

There is a high demand for palpable wood for paper manufacturing, and the requirement is about 11 million tonnes per annum, which is further expected to increase. Hence, this has led to the development of the Indian Handmade Paper Industry and increased paper production from recycled waste. Due to the scarcity of wood raw material, handmade paper units are becoming increasingly popular. Due to a shortage of raw materials, the handmade paper industry relies on secondary resources.

The estimated annual turnover of the paper industry in India is INR 70,000 crore, with a domestic market size of INR 80,000 crores. The contribution of the paper industry towards the exchequer is INR 5,000 crore,

The overall consumption of paper is expected to hit 24 million tonnes in 2024 – 25. In the past 5 to 7 years, more than 5 USD billion investment has been made towards the paper industry for setting up state of the art infrastructure.

As per the geographical location, Maharashtra is the major paper producing state. Maharashtra consists of the largest number of paper mills and produces the majority percentage of paper in India.

Paper consumption worldwide from 2021 to 2032*(in million metric tons)

Independent Auditor's Report

To,
The Members of
Neeraj Paper Marketing Limited

Financial Statements Opinion

We have audited the accompanying standalone financial statements of **Neeraj Paper Marketing Limited** (“the Company”), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the standalone financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Standalone Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexure to Board’s Report, Business Responsibility Report, Corporate Governance and Shareholder’s Information, but does not include the standalone financial statements and our auditor’s report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1 As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The balance sheet, the statement of profit and loss, the statement of cash flow and the statement of changes in equity dealt with by this report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Standalone Ind AS financial statements comply with the Accounting Standards prescribed under section 133 of the Act, read with relevant rule issued thereunder.
 - e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act;

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- g) With respect to the matter to be included in the Auditor’s Report under section 197(16), In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii) There were no amounts required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv) (a) The management has represented that, to the best of it’s knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
(b) The management has represented, that, to the best of it’s knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
(c)Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement;
 - v) No dividend have been declared or paid during the year by the company.
 - vi) As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the company w.e.f. April, 12023, hence reporting this clause is not applicable.
2. As required by the Companies (Auditor’s Report) Order, 2016 (“the Order”) issued by the Central Government in terms of section 143(11) of the Act, we give in “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order.

“Annexure A” To the Independent Auditor’s Report

(Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”) as referred to in paragraph 1(f) of ‘Report on Other Legal and Regulatory Requirements’ section)

We have audited the internal financial controls over financial reporting of **Neeraj Paper Marketing Limited** (“the Company”) as of March 31, 2023 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE “B” REFERRED TO IN PARAGRAPH 2 UNDER THE HEADING “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF NEERAJ PAPER MARKETING LIMITED FOR THE YEAR ENDED MARCH 31, 2023

(i)	(a)	(A)	The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
		(B)	The Company does not have any intangible assets.
	(b)		The Company has a regular programme of physical verification of its Property, Plant and Equipment by which Property, Plant and Equipment are verified in a phased manner over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and nature of its Property, Plant and Equipment. As per the programme certain Property, Plant and Equipment have been verified during the year, based on information provided to us, no material discrepancies were noticed on such verification.
	(c)		According to the information and explanations given to us and on the basis of our examination of the of the registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title deeds of all the immovable properties, (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in property, plant and equipment, are held in the name of the Company as at the balance sheet date.
	(d)		The Company has not revalued any of its property, plant and equipment (including Right of Use assets) and intangible assets during the year.
	(e)		According to the information and explanations given to us and records provided, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
(ii)	(a)		As per the physical verification program, the inventories were physically verified during the year by the Management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancy of 10% or more in the aggregate for each class of inventory were noticed on physical verification of stocks by the management as compared to book records.
	(b)		The company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets during any point of time of the year. Further we have been informed by the company that no quarterly return or statement is required to be filed with banks or financial institutions. Company is only required to submit monthly statement of stocks and book debts, which is in agreement of books of accounts of the company.
(iii)			During the year the company has not made investments in, nor provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. viii.	There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.					
ix.	(a)	In our opinion and according to the information and explanations given by the management, we are of the opinion that the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender;				
	(b)	The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority				
	(c)	To the best of our knowledge and belief, in our opinion, term loans availed by the Company were, applied by the Company during the year for the purposes for which the loans were obtained				
	(d)	On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long term purposes by the Company				
	(e)	On an overall examination of the financial statements of the Company and based on the representations of the Company, we report that the Company has neither taken any funds from any entity or person during the year nor it has raised funds through issue of shares or borrowings on account of or to meet the obligations of its subsidiaries, associates or joint ventures				
	(f)	The Company has not raised loans during the year on the pledge of securities held in its Subsidiaries or joint ventures or associate companies				
x.	(a)	The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable				

	(b)	During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.
xi.	(a)	Based on the audit procedures performed and on the basis of information and explanations provided by the management, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year
	(b)	No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government;
	(c)	As represented to us by the Management, there were no whistle blower complaints received by the Company during the year Government, during the year and up to the date of this report.
xii.		In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company and hence reporting under clause 3(xii) of the Order is not applicable
xiii.		According to the information and explanations and records made available by the management of the Company and audit procedures performed, the Company is in compliance with Section 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable Indian accounting standards
xiv.	(a)	In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
	(b)	We have considered, the internal audit reports issued to the Company during the year and till date in determining the nature, timing and extent of our audit procedures
xv.		On the basis of records made available to us and according to information and explanations given to us, the Company has not entered into non-cash transactions with the directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
xvi.		The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934 and hence reporting under clause 3(xvi)(a), (b) (c) and (d) of the Order is not applicable.
xvii.		The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
xviii.		There was no resignation of the statutory auditors of the Company during the year.
xix.		On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company and/or certificate with respect to meeting financial obligations by the Company as and when they fall due. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
xx.		Based on our examination, the provision of section 135 are not applicable on the company. Hence this clause is not applicable on the company
xxi.		The reporting under Clause 3(xxi) of the Order is not applicable in respect of audit of the standalone financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

Note 1**Company Overview**

NEERAJ PAPER MARKETING LIMITED is having its Registered Office at 218-222, AGGARWAL PRESTIGE MALL, PLOT No.2, ALONG ROAD No.44, PITAMPURA, NEW DELHI-110034. The company is engaged in Trading & Marketing Business.

These financial statements were approved and adopted by Board of Directors of the Company in their meeting held on May 30th, 2023.

Note 2**Basis of Preparation of Financial Statements****2.1 Statement of Compliance:**

The Financial Statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 and as amended time to time and relevant provisions of the Companies Act, 2013.

2.2 Basis of Preparation:

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The financial statements are presented in INR and all values are rounded to the nearest INR Lakhs, except when otherwise indicated.

2.3 Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in Note.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Note 3**Significant Accounting Policies****3.1 Property, Plant and Equipment (PPE)**

These tangible assets are held for use in production, supply of goods or services or for administrative purposes. These are recognized and carried under cost model i.e. cost less accumulated depreciation and impairment loss, if any.

· Cost includes freight, duties, taxes and other expenses directly incidental to acquisition, bringing the asset to the location and installation including site restoration up to the time when the asset is ready for intended use. Such Costs also include Borrowing Cost if the recognition criteria are met.

· When a major inspection/repair occurs, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. Any remaining carrying amount of the cost of previous inspection/repair is derecognized.

· Depreciation has been provided on straight line method in terms of expected life span of assets as referred to in Schedule II of the Companies Act, 2013.

S.No.	Description of Assets	Useful life
1	Office building	60
2	Furniture and fixture	10
3	Vehicle	8
4	Air Conditioner	10
5	Computer	3

- Components relevant to Property, plant and equipment, where significant, are separately depreciated on straight line basis in terms of their life span assessed by technical evaluation in item specific context.
- Sales of Property, plant and equipment any profit earned/loss sustained towards excess/shortfall of sale value vis-a-vis carrying cost of assets is accounted for in statement of profit & loss.

3.2 Impairment

The carrying amount of Property, plant and equipment, Intangible assets and Investment property are reviewed at each Balance Sheet date to assess impairment if any, based on internal / external factors. An asset is treated as impaired, when the carrying cost of asset exceeds its recoverable value, being higher of value in use and net selling price. An impairment loss is recognized as an expense in the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed, if there has been an improvement in recoverable amount.

3.3 Inventory Valuation

Inventories are valued at the lower of cost or net realizable value. Cost includes purchase price, duties, transport & handing costs and other costs directly attributable to the acquisition and bringing the inventories to their present location and condition.

The basis of determination of cost remains as follows:

- Raw material, Packing Material: Moving Weighted Average Basis;
- Stores & spares: at standard cost which approximates the cost;
- Work-in-progress: Cost of input plus overhead up to the stage of completion;
- Finished Goods: Cost of input plus appropriate overhead.

3.4 Financial Assets & Liabilities

A Financial Instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

3.4.1 Financial Assets

At initial recognition, all financial assets are measured at fair value. Such financial assets are subsequently classified under following three categories according to the purpose for which they are held. The classification is reviewed at the end of each reporting period.

3.4.1.1 Financial Assets at Amortized Cost

At the date of initial recognition, are held to collect contractual cash flows of principal and interest on principal amount outstanding on specified dates. These financial assets are intended to be held until maturity. Therefore, they are subsequently measured at amortized cost by applying the Effective Interest Rate (EIR) method to the gross carrying amount of the financial asset. The EIR amortization is included as interest income in the profit or loss. The losses arising from impairment are recognized in the profit or loss.

3.4.1.2 Financial Assets at Fair value through Other Comprehensive Income

At the date of initial recognition, are held to collect contractual cash flows of principal and interest on principal amount outstanding on specified dates, as well as held for selling. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognized in Other Comprehensive Income (OCI). Interest income calculated using the effective interest rate (EIR) method, impairment gain or loss and foreign exchange gain or loss are recognized in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognized in Other Comprehensive Income is reclassified from the OCI to Statement of Profit and Loss.

3.4.1.3 Financial Assets at Fair value through Profit or Loss

At the date of initial recognition, financial assets are held for trading, or which are measured neither at Amortized Cost nor at Fair Value through OCI. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognized in the Statement of Profit and Loss.

· Investment in Equity Shares

Investments in Equity Securities are initially measured at cost.

· Trade Receivables

A Receivable is classified as a 'trade receivable' if it is in respect to the amount due from customers on account of goods sold or services rendered in the ordinary course of business. Trade receivables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. For some trade receivables the Company may obtain security in the form of guarantee, security deposit or letter of credit which can be called upon if the counterparty is in default under the terms of the agreement.

· Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand, cash at bank and demand deposits with banks with an original maturity of three months or less which are subject to an insignificant risk of change in value.

· Other Bank Balances

Deposits with banks with an original maturity of more than three months but subject to 12 months are shown under this head.

· De-recognition of Financial Assets

Financial Asset is primarily derecognized when:

- The right to receive cash flows from asset has expired, or
- The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a " pass-through" arrangement.

3.4.2 Financial Liabilities

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and derivative financial instruments.

3.4.2.1 Financial Liabilities at Fair Value through Profit or Loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial measurement recognition at fair value through profit or loss. Financial liabilities at fair value through profit or loss are at each reporting date with all the changes recognized in the Statement of Profit and Loss.

3.4.2.2 Financial Liabilities measured at Amortized Cost

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the effective interest rate method ("EIR") except for those designated in an effective hedging relationship. The carrying value of borrowings that are designated as hedged items in fair value hedges that would otherwise be carried at amortized cost are adjusted to record changes in fair values attributable to the risks that are hedged in effective hedging relationship.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the Statement of Profit and Loss.

Loans and Borrowings

After initial recognition, interest-bearing borrowings are subsequently measured at amortized cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

Trade and Other Payables

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

De-recognition of Financial Liability

A Financial Liability is derecognized when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in profit or loss as other income or finance costs.

Offsetting of Financial Instruments

Financial Assets and Financial Liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

3.5 Revenue Recognition

The Company earns revenue primarily from manufacturing of duplex board..

Effective April 1, 2018, the Company has applied Ind AS 115 "Revenue from Contracts with Customers" which establishes a comprehensive framework to depict timing and amount of revenue to be recognized. The Company has adopted Ind AS 115 using cumulative effect method, where any effect arising upon application of this standard is recognized as at the date of initial application (i.e. April 1, 2018). The standard is applied retrospectively only to contracts that are not completed as at the date of initial application and the comparative information in the interim statement of profit and loss is not restated – i.e. the comparative information continues to be reported under previous standards on revenue i.e. Ind AS 18 and Ind AS 11. There was no impact on adoption of Ind AS 115 to the financial statements of the Company.

Revenue is recognized when the Company satisfies the performance obligation by transferring the promised services to the customers. Services are considered performed when the customer obtains control, whereby the customer gets the ability to direct the use of such services and substantially obtains all benefits from the services. When there is uncertainty as to measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved.

In order to determine, if it is acting as principal or as an agent, the entity shall determine whether the nature of its promise is a performance obligation to provide the specified services itself (i.e. the entity is a principal) or to arrange for those services to be provided by the other party (i.e. the entity is an agent) for all its revenue arrangements.

3.6 Employee Benefits

· Defined Benefit Plan

Gratuity liability is defined benefit obligation and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each reporting period. The plan is not funded by the Group. Such liability is included in salaries, wages and bonus.

The Company's Liabilities on account of Gratuity of employees are determined at the end of each financial year on the basis of actuarial valuation certificates obtained from Registered Actuary in accordance with the measurement procedure as per Indian Accounting Standard (INDAS)-19., 'Employee Benefits'. The costs of providing benefits under these plans are also determined on the basis of actuarial valuation at each year end. Actuarial gains and losses for defined benefit plans are recognized through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

The Defined Benefit Plan can be short term or long terms which are defined below:

i) Short-term Employee Benefit

All employees' benefits payable wholly within twelve months rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognized during the period in which the employee renders related service.

ii) Long-term employee Benefits

Compensated absences which are not expected to occur within 12 months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation at the balance sheet date.

3.7 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

3.8 Income Tax

· Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

· Deferred tax

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

· Minimum Alternate Tax

Minimum Alternate Tax credit is recognized, as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period.

3.9 Earnings per Share (EPS)

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period.

Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

3.10 Provisions and Contingent Liabilities /Assets

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent Liability is disclosed after careful evaluation of facts, uncertainties and possibility of reimbursement. Contingent liabilities are not recognized but are disclosed in notes.

Contingent Assets are not recognized in financial statements but are disclosed, since the former treatment may result in the recognition of income that may or may not be realized. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and its recognition is appropriate.

3.11 Leases

Ind AS 116, Leases (new standard on lease) is effective for the financial year beginning from 1st April, 2019. The new standard has a significant impact on the Lessee accounting and it prescribes a single lease model which requires capitalization of Right of Use (ROU) assets on the basis of future lease rentals and creations of leasehold obligation in the books of the lessee. The standard provides short term exemption and low value exemption wherein the assets and liability accounting may not be required and the lessee can record rental expenses in profit and loss. Other than these two exemptions there will not be any rent in the profit and loss and instead of rent there will be depreciation and interest cost will arise. There is no impact due to notification of this standard as the company has availed short term exemption and rent expense is reflecting in the statement of profit and loss.

3.12 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

3.13 Classification of Assets and Liabilities as Current and Non-Current

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading

- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as noncurrent.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

3.14 Fair value Measurement

The Company measures financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability.
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measure using the assumptions that market participants would used when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non financial asset takes into account a market participant's ability to generate economic benefits by using the assets in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure the fair value, maximizing the use of relevant observable inputs and maximizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured and disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level inputs that is significant to the fair value measurement as a whole:

1. Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities.
2. Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices)
3. Level 3 – Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorization at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

FAIR VALUES

Set out below is the comparison by class of the carrying amounts and fair value of the Company's financial instruments that
(Rs. in Lakhs)

PARTICULARS	Carrying Amount		Fair Value	
	March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2022
Financial Assets				
- At amortised cost				
Trade receivables	4,899.54	4,340.16	4,899.54	4,340.16
Cash and cash equivalents	29.51	12.04	29.51	12.04
Bank balances other than covered above	18.27	17.38	18.27	17.38
Financial Liabilities				
- At amortised cost				
Borrowings (non-current)	739.77	571.20	739.77	571.20
Borrowings (current)	1,913.18	1,672.79	1,913.18	1,672.79
Trade payables	1,109.87	732.07	1,109.87	732.07
Other Non Current Liability	101.31	126.41	101.31	126.41

The following methods / assumptions were used to estimate the fair values:

- (i) The carrying value of cash and cash equivalent, other bank balances, trade receivables, short term borrowings, other financial liabilities and trade payables approximate their fair value mainly due to the short-term maturities of these instruments.
- (ii) The fair value of non current borrowings is estimated by discounting future cash flows using rates applicable to instruments with similar terms, currency, credit risk and remaining maturities. The fair values of non current borrowings is assessed by the management to be same as their carrying value and is not expected to be significantly different if estimated by discounting future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities.

There are no significant unobservable inputs used in the fair value measurement.
