During this period, Members holding shares either in physical form or in dematerialised form, as on Friday, 22<sup>nd</sup> September, 2023 i.e. Cut-off Date, may cast their vote electronically. Person who is not a Member as on the Cut-off Date should treat this Notice for information purpose only. Those Members, who will be present at the 29th AGM through VC/OAVM facility and have not cast at their vote on the resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e-voting system at the 29th AGM.

**THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:**

**Step 1** : Access through Depositories CDSL/NSDLe-Voting system in case of individual shareholders holding shares in demat mode.

**Step 2** : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on 26<sup>th</sup> September 2023 at 9:00 AM and ends on 28<sup>th</sup> September 2023 at 5:00 PM. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 22<sup>nd</sup> September, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

**Step 1** : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

**INSTRUCTIONS FOR SHAREHOLDERS ATTENDING THE AGM/EGM THROUGH VC/OAVM & E-VOTING DURING MEETING ARE AS UNDER:**

1. The procedure for attending meeting & e-Voting on the day of the AGM/ EGM is same as the instructions mentioned above for e-voting.
2. The link for VC/OAVM to attend meeting will be available where the EVSN of Company will be displayed after successful login as per the instructions mentioned above for e-voting.
3. Shareholders who have voted through Remote e-Voting will be eligible to attend the meeting. However, they will not be eligible to vote at the AGM/EGM.
4. Shareholders are encouraged to join the Meeting through Laptops / IPads for better experience.
5. Further shareholders will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
6. Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to Fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
7. Shareholders who would like to express their views/ask questions during the meeting may register themselves as a speaker by sending their request in advance at least **5 days prior to meeting** mentioning their name, demat account number/folio number, email id, mobile number at ([info@abhinavcapital.com](mailto:info@abhinavcapital.com)). The shareholders who do not wish to speak during the AGM but have queries may send their queries in advance **5 days prior to meeting** mentioning their name, demat account number/folio number, email id, mobile number at ([info@abhinavcapital.com](mailto:info@abhinavcapital.com)). These queries will be replied to by the company suitably by email.
8. If the number of speaker's shareholders registering is considerably more, the Chairman should put a cut-off as it may not be feasible to allow all the registered speakers due to time constraints. For e.g., giving 3 minutes each to 50 registered speakers in a meeting held through VC or OAVM will prolong the meeting with 150 minutes. Therefore, it is at the discretion of Chairman to decide the order (first come first serve, etc.) and the cut-off depending on the situation and time availability.
9. Those shareholders who have registered themselves as a speaker will only be allowed to express their views/ask questions during the meeting.
10. Only those shareholders, who are present in the AGM/EGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system available during the EGM/AGM.
11. If any Votes are cast by the shareholders through the e-voting available during the EGM/AGM and if the same shareholders have not participated in the meeting through VC/OAVM facility, then the votes cast by such shareholders may be considered invalid as the facility of e-voting during the meeting is available only to the shareholders attending the meeting.

### **Management Discussion and Analysis Report**

#### **GLOBAL ECONOMY**

The beginning of 2022 was marked by optimism, driven by pent-up demand and the expanding reach of vaccinations. However, in February, Russia's attack on Ukraine caused an unprecedented humanitarian and economic crisis. Driven by both the pandemic recovery and the Ukraine conflict, prices of both fuel and non-fuel commodities significantly rose, leading to an inflation rate of 8.7%. To combat inflation, central banks around the world raised policy rates. However, commodity prices eventually stabilised as growth slowed. Additionally, the Chinese economy reopening after strict lockdowns brought about a sense of optimism, as it was expected to alleviate disruptions in the global supply chain. The global economy reported a growth of 3.4% in 2022, from 6.1% in 2021. Economic damage from the conflict is expected to contribute to a significant slowdown in global growth in 2022 and add to inflation. Fuel and food prices have increased rapidly, hitting vulnerable populations in low-income countries hardest. As per IMF, global growth is projected to slow from an estimated 6.1 percent in 2021 to 3.6 percent in 2022 and 2023. This is 0.8 and 0.2 percentage points lower for 2022 and 2023. On the monetary policy front there were multiple rate hikes by various central banks however, the Nominal policy rates increased less than near term inflation and as a result real ex post policy rate actually fell in most countries from levels that were exceptionally low.

#### **INDIAN ECONOMY**

The RBI has projected India's GDP growth at 6.5% for FY24 and has predicted inflation to subside at 5.2% with governments focus on capital expenditure, better capacity utilisation, and moderate commodity prices. As per the latest Monetary Policy, quarterly inflation for FY24 is projected for Q1 at 5.1%, Q2 at 5.4%, Q3 at 5.4% and Q4 at 5.2%. The wide pipeline laid down by the Government of India in the FY24 budget for capital spending will encourage project commissioning and will assist investment demand. The quarterly GDP growth projections for FY24 is Q1 at 7.8%, Q2 at 6.2%, Q3 at 6.1% and Q4 at 5.9%.

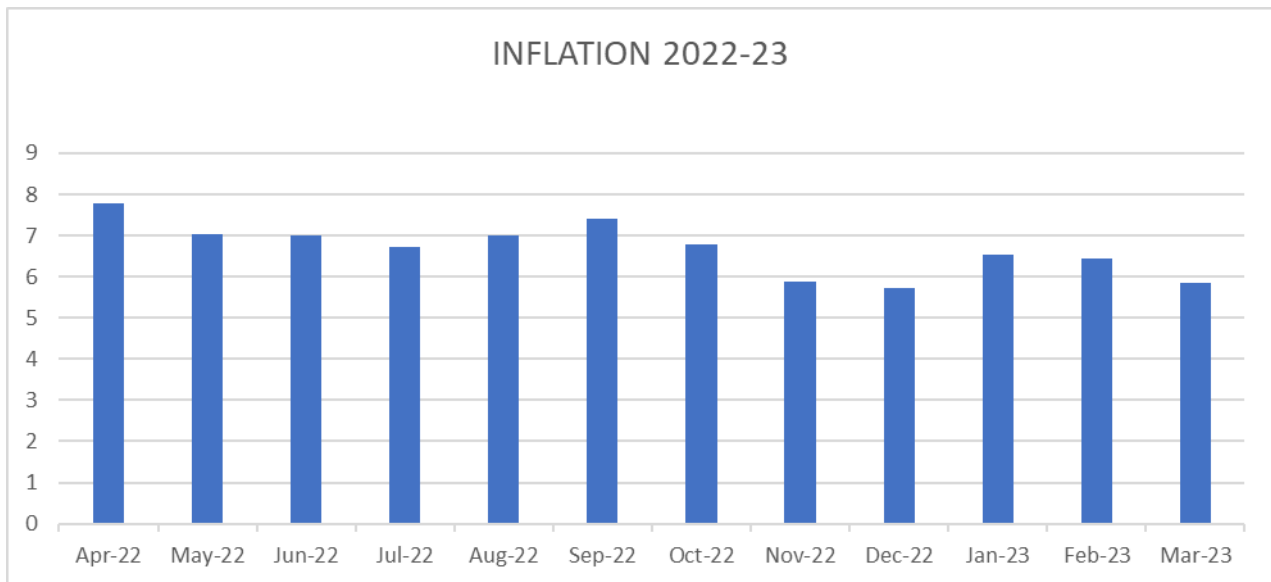

The quarterly trend of GDP growth in FY2023 pegs the year-on-year growth of 5.1% in Q4 FY2023, 4.4% in Q3 FY2023, 6.3% in Q2 FY2023 and 13.2% in Q1 FY2023. Private consumption showed some signs of a slowdown. A weaker trend in government final consumption expenditure is understandable as the spending on welfare schemes has moderated in comparison to what was spent during the pandemic. Government-led capital expenditure has continued to be an important driver of the economy with gross fixed capital formation (GFCF) expected to contribute to 34.0% of the GDP in FY2023 versus 32.7% of the GDP in FY2022.

FY24 is expected to see higher growth in investment, due to supportive government policies, sound macroeconomic fundamentals, improved asset quality, and strong growth in credit among the private and MSME sectors.

India is expected to achieve its fiscal deficit target of 5.9% (of GDP) against 6.4% for FY23 and stabilise the debt to GDP ratio. The Government aims to bring down the fiscal deficit below 4.5% by FY26. Export of services has been a stronghold and will continue to grow robustly and strengthen India's overall balance of payments position.

#### **INFLATION RATES**

The annual inflation rate in India fell to 4.25% in May of 2023 from 4.7% in the previous month, the lowest since April 2021 and firmly below market forecasts of 4.42% amid a fresh slowdown in inflation for food. The result drove inflation closer to the RBI's target of 4% and extended the decline past the central bank's upper limit of 6%, paring concerns of an eventual resumption of its tightening cycle. Consumer food inflation fell to 2.91% from 3.84% in the previous month, amid significant deflation for oils and fats (-16.01% vs -12.33% in April), vegetables (-8.18% vs -6.5%), and meat and fish (-1.29% vs -1.23%). In the meantime, inflation slowed for transport and communication (1.1% vs 1.17%), housing (4.84% vs 4.91%), and fuel and light (4.64% vs 5.52%). On a monthly basis, consumer prices rose at a steady pace from the previous month at 0.51%.

**NBFC SECTOR**

The financial institutions have a vital role in promoting stability and implementing regulatory measures to support households and businesses, especially amid economic crises. At present, the geopolitical conflicts have slowed down countries’ post-pandemic recoveries, hastening the normalisation of monetary and fiscal policies. In India, NBFCs have emerged as the principal institutions providing credit financing to the unorganised and underserved sectors. NBFCs have revolutionised the lending system in India by providing financial inclusion for those who lack easy access to credit. They offer a range of services, including MSME financing, home finance, microfinance, gold loans and other retail segments. On the back of digitalisation and technology, NBFCs are further offering quick and convenient customer financing experiences, especially for low-income and untapped segments of the creditworthy population. These companies have unlocked industrial opportunities by leveraging a hybrid model of physical and digital delivery.

Despite facing competition from banks in traditional segments, NBFCs have raised Rs. 700 Billion in equity over the past 3.5 years, improving their gearing levels. With more robust balance sheets, lower leverage and steadily improving funding access, NBFCs are well-positioned to capitalize on credit demand. This could lead to an increase in Assets Under Management (AUM) by 13-14% in FY 2023-24, with a strategic focus on non-traditional segments such as unsecured loans, used vehicles and the MSME sector.

**OUTLOOK FOR NBFC SECTOR**

According to the Reserve Bank of India (RBI) data, outstanding bank credit to NBFCs has significantly increased from Rs. 3.68 Lac crore in 2017 to Rs. 13.20 Lac crore as of December 2022. NBFCs are expected to play a crucial role in financing India’s transition from the world’s fifth-largest to the third-largest economy by the end of this decade. The Government is also focusing on developing NBFCs with high emphasis on driving quality corporate governance across these entities. Following sluggish years amid liquidity stress, NBFCs have bounced back strongly with higher capital levels, reasonable stability in delinquency accounts, better asset quality and larger balance sheets. Stronger risk assessment frameworks, Government support such as debt moratorium and liquidity enhancement measures and broader economic revival have helped them tide through these challenges and pursue innovative strategies to meet evolving opportunities.

NBFCs are collaborating with various dealers, and vendors in the ecosystem to provide finance beyond asset purchases, such as fuel and tyre credit, repairs and annual maintenance of vehicles and leveraging third-party providers for insurance and security needs. The growth momentum of CV industry in India remains intact owing to Government's push on infrastructure development and improvements in economic activities.

**INDEPENDENT AUDITOR'S REPORT ON IND AS FINANCIAL STATEMENTS**

To  
The Members of  
Abhinav Capital Services Limited

**Opinion**

We have audited the standalone financial statements of **Abhinav Capital Services Limited** ("the Company"), which comprise the balance sheet as at 31<sup>st</sup> March 2023, and the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and profit/loss, and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matter described below to be key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis of our audit opinion on the accompanying standalone Ind AS financial statements.

<b>Key Audit Matter</b>	<b>How our audit addressed the key audit matter</b>
<p><b>1) Impairment of financial assets (expected credit losses) :-</b></p> <p><i>Ind AS 109 requires the Company to recognize impairment loss allowance towards its financial assets (designated at amortised cost and fair value through other comprehensive income) using the expected credit loss (ECL) approach. Such ECL allowance is required to be measured considering the guiding principles of Ins AS 109 including :-</i></p> <p><i>Unbiased , probability weighted outcome under various scenarios;</i></p> <p><i>Time value of money;</i></p> <p><i>Impact arising from forward looking macro-economic factors and;</i></p> <p><i>Availability of reasonable and supportable information without undue costs;</i></p> <p><i>Applying these principles involves significant estimation in various aspects , such as;</i>  <i>Grouping of borrowers based on homogeneity by using appropriate statistical techniques;</i></p> <p><i>Staging of loans and estimation of behavioral life;</i></p> <p><i>Determining macro-economic factors impacting credit quality of receivables;</i></p> <p><i>Estimation of losses for loan products with no/minimal historical defaults.</i></p> <p><i>Considering the significance of such allowance to the overall financial statements and the degree of estimation involved in computation of expected credit losses, this area is considered as a key audit matter.</i></p>	<p><i>We read and assessed the Company’s accounting policies for impairment of financial assets and their compliance with Ind AS 109</i></p> <p><i>We tested the criteria for staging of loans on their past due status to check compliance with requirements of Ind AS 109 . Tested a sample of performing (stage 1) loans to assess whether any loss indicators were present requiring them to be classified under stage 2 or 3 and vice versa.</i></p> <p><i>We have evaluated the reasonableness of the Management estimates by understanding the process of ECL estimation ad tested the controls around data extraction and validation</i></p> <p><i>Tested the ECL model, including assumptions and underlying computation</i></p> <p><i>Assessed the floor/minimum rates of provisioning applied by the Company for loan products with inadequate historical defaults</i>  <i>Audited disclosure included in the Ind AS financial statements in respect of expected credit losses.</i></p>

**Information other than the Financial Statements and Auditors’ Report thereon**

The Company’s Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Board’s Report including Annexure(s) to Board’s Report, but does not include the Financial Statements and our auditor’s report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the standalone Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. (Refer appendix to our report of even date)

**Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure - 1** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only with effect from 1 April 2023 reporting under Rule 11(g) of the Companies reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is not applicable.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, we report that section 197 is not applicable on private company. Hence reporting as per section 197(16) is not required
- h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv. **Re: Abhinav Capital Services Limited (“the company”)**

In our opinion, and on the basis of such checks of the books and records as we considered appropriate and according to the information and explanations given to us during the normal course of audit, which were necessary to the best of our knowledge and belief, we report that:

- (1)
  - a) The Company has maintained proper records showing full particulars including quantitative details and situation of its fixed assets.
  - b) The Management has physically verified certain assets during the year in accordance with a program of verification, which in our opinion provides for physical verification of the fixed assets at reasonable intervals. According to the information and explanations given to us no material discrepancies were noticed on such verification. During the year, Company has not disposed of any substantial / major part of fixed assets.
  - c) There is no immovable properties are held by the company hence this clause is not applicable.
- (2)
  - a) The Company is registered non banking financial company and main business is to grant and obtain loans and advances and apart from this company invest surplus funds in shares and securities and in view of the same there is no trading activity carried on during the year, hence there is no closing stock as on 31st March 2023.
  - b) As company does not deal in trading activity, therefore procedures of physical verification of inventory by the management is not required.
  - c) As company does not deal in trading activity, therefore maintaining proper records of inventory is not required.
- (3) According to the information and explanation given to us, the company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. As the company is NBFC, Loan and advances given in the normal course of business have not been considered here for reporting. Accordingly, the provision of clause 3(iii)(a), (b) and (c) of the order are not applicable to company and hence not commented upon.
- (4) In our opinion and according to the information and explanations given to us, the company has wherever applicable complied the provisions of Section 185 and Section 186 of the Companies Act, 2013 in respect of loans, investments, guarantees and security.
- (5) According to the records of the company and information and explanations given to us, the company has not accepted any deposit as per directive issued by Reserve Bank of India and the provision of the section 73 to 76 or any other relevant provision of the Companies Act 2013 and rules framed there under.
- (6) To the best of our knowledge and as explained, the company is engaged in Non Banking Financial Company and not dealt in any sale of goods, hence the Central Government has not prescribed the maintenance of cost records by the company under sub - section (1) of section 148 of the Companies Act, 2013 for any of its products.
- (7)
  - a) According to the records of the company and information and explanations given to us in respect of statutory dues and other dues, the company has been generally regular in depositing undisputed statutory dues including Income Tax, sales tax, goods & services tax , wealth tax, service tax, duty of custom, duty of excise, value added tax, cess and any other statutory dues with the appropriate authorities during the year.

- b) According to the information and explanation provided by the management and the records examined by us, there are no dues of Sales tax, Wealth tax, Goods & Service tax, Customs duty, Excise duty, Value Added Tax, Cess which have not been deposited on account of any dispute except the following Income Tax Dues:

<b>Nature of Demand</b>	<b>Demand Raised</b>	<b>Amount Paid</b>
Income Tax Demand F.Y 2006-07	6.39	NIL
Income Tax Demand F.Y. 2010-11	4.78	NIL

- (8) According to records of the company, the company has not borrowed funds from financial institutions, banks, government or issued debentures till 31st March 2023. Hence, in our opinion, the question of reporting on default in repayment of dues to financial institutions or banks or debenture holders does not arise.

- (9)
- a) In our opinion and according to the information and explanation provided by the management and the records examined by us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- b) According to the information and explanation provided by the management and the records examined by us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or any other lender.
- c) According to the information and explanation provided by the management and the records examined by us, the Company has not obtained any term loans during the year. Hence, reporting under clause 3(ix)(c) of the said Order is not applicable to the Company.
- d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- e) According to the information and explanation provided by the management and the records examined by us, the Company does not have any subsidiaries, associates or joint ventures. Hence reporting under clause 3(ix)(e) of the said Order pertaining to meeting the obligations of the subsidiaries, joint ventures and associate companies is not applicable to the Company.
- f) According to the information and explanation provided by the management and the records examined by us, the Company does not have any subsidiaries, associates or joint ventures. Hence reporting under clause 3(ix)(f) of the said Order pertaining to raising of loans on the pledge of securities held in its subsidiaries, joint ventures and associate companies is not applicable to the Company.

- (10)
- a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under paragraph 3(x)(a) of the Order is not applicable.
- b) The Company has not made preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) during the year under review and hence reporting under paragraph 3(x)(b) of the Order is not applicable to the Company.

- (11)
- a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

- b) No report under section 143(12) of the Companies Act, 2013, has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- c) We have taken into consideration the whistle blower complaints received by the Company during the year (and up to the date of this report), while determining the nature, timing and extent of our audit procedures.
- (12) According to records of the company, the company is not covered under the category of Nidhi company, therefore provision of clause 3(xi) of the order are not applicable to the company and hence not commented upon.
- (13) According to the information and explanations given to us, the company has complied with Section 177 and 188 of Companies Act, 2013 in respect of transactions with related parties and details have been disclosed in the financial statements as required by the applicable accounting standards.
- (14) To the best of our knowledge and belief and according to information and explanations given to us the company has not made any preferential allotment or private placements of shares or fully or partly convertible debentures during the year. Hence the provisions of Section 42 of the Companies Act, 2013 do not apply.
- (15) To the best of our knowledge and belief and according to the information and explanations given to us, the company has wherever applicable complied with provisions of Section 192 of the Companies Act, 2013 in respect of any non cash transactions entered with directors or persons connected with him.
- (16) The company is registered Non Banking Financial Company and the company is holding certificate of registration vide registration number 13.00685 under Section 45-IA of the RBI Act, 1934.
- (17) The Company has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year
- (18) There has been no resignation of the statutory auditors of the Company during the year.
- (19) On the basis of the financial ratios, aging and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report, that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due
- (20)
- a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of section 135 of the said Act. Accordingly, reporting under paragraph 3(xx)(a) of the Order is not applicable for the year.
- b) In respect of ongoing projects, the Company has transferred unspent Corporate Social Responsibility (CSR) amount as at the end of the previous financial year, to a special account within a period of 30 days from the end of the said financial year in compliance with the provision of section 135(6) of the Act.
- c) In respect of ongoing projects, the Company has not transferred the unspent Corporate Social Responsibility (CSR) amount as at the balance sheet date out of the amounts that was required to be spent during the year, to a special account till the date of our report. However, the time period for such transfer i.e. 30 days from the end of the financial year as permitted under section 135(6) of the Act, has not elapsed till the date of our report.

- d) Based on the review of the audit reports issued by the respective statutory auditors of the subsidiaries, which are companies incorporated in India and to which CARO is applicable, included in the consolidated financial statements, we report that none of these auditors have reported any qualifications or adverse remarks in their CARO report of the respective companies

**Annexure - 2 to our report of even date****Re: Abhinav Capital Services Limited (“the company”)****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **Abhinav Capital Services Limited** (“the Company”) as of 31<sup>st</sup> March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls:**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors’ Responsibility:**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting:**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

**Inherent Limitations of Internal Financial Controls over Financial Reporting:**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion:**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Explanatory Paragraph:**

We also have audited, in accordance with the standard on Auditing issued by the Institute of Chartered Accountants of India, as specified under section 143(10) of the Act, the financial statement of Abhinav Capital Services Limited, which comprises the Balance Sheet as at 31<sup>st</sup> March 2023, and the related statement of Profit & Loss and Cash Flow Statement for the year then ended, and summary of significant accounting policies and other explanatory information, and our report dated 27<sup>th</sup> May 2023 and expressed an unqualified opinion thereon.

**Appendix to our report of even date****Re: Abhinav Capital Services Limited (“the company”)**

---

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**ABHINAV CAPITAL SERVICES LIMITED****CIN : L65990MH1994PLC083603****Notes to Financial Statements for the Year Ended 31<sup>st</sup> March 2023.****1. Corporate information**

ABHINAV CAPITAL SERVICES LIMITED is a company limited by shares, listed public company, incorporated on 8th December 1994 and domiciled in India. The Company is engaged in the business of lending and is a Non-Deposit Accepting Non-Banking Finance company (NBFC-ND-NSI) registered with the Reserve Bank of India (RBI) with effect 20th April 1998 from, with Registration No.13.00685 and having registered office at B 709, Express zone, Western Express Highway, Opp Adani Electricity, Malad (East) Mumbai 400097.

The audited financial statements were subject to review and recommendation of Audit Committee and approval of Board of Directors. On 29<sup>th</sup> May 2023 the Board of Directors of the Company approved and recommended the audited financial statements for consideration and adoption by the shareholders in its annual general meeting.

**2. Basis of preparation**

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act and the Master Direction– Non-Banking Financial Company–Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 (‘the NBFC Master Directions’) issued by RBI. The financial statements have been prepared on a going concern basis. The Company uses accrual basis of accounting except in case of significant uncertainties.

**2.1 Presentation of financial statements**

The Company presents its Balance Sheet in order of liquidity.

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognized amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS specifically unless they are material in nature.

**Critical accounting estimates and judgments**

In the application of accounting policy, the management is required to make judgment, estimates and assumptions about the carrying amount of assets and liabilities, income and expenses, contingent liabilities and the accompanying disclosures that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant and are prudent and reasonable. Actual results may differ from those estimates. The estimates and underlying assumptions are reviewed on ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised if revision affects only that period or in the period of revision and future periods if the revision affects both current and future periods.

The few critical estimations and judgments made in applying accounting policies are:

**i. Property, Plant and Equipment:**

Useful life of Property, Plant and Equipment and Intangible Assets are as specified in Schedule II to the Companies Act, 2013.

**ii. Income Taxes:**

Significant judgment is required in determining the amount for income tax expenses. There are many transactions and positions for which the ultimate tax determination is uncertain during the ordinary course of business. Where the final tax outcome is different from the amount that were initially recorded, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made.

**iii. Impairment of Non-financial Assets:**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is higher of asset's fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other asset or group of assets. Where carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered as impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flow are discounted to their present value using pre-tax discount rate that reflects current market assessment of the time value of money and the risks specific asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples or other available fair value indicators.

**iv. Impairment of Financial assets**

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

**v. Fair Value Measurement of Financial Instruments**

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

### **3. Summary of significant accounting policies**

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### **3.1 Revenue Recognition**

##### **(i) Interest income**

The Company recognizes interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortized cost or fair value through other profit & loss account (FVOCI). EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortized cost of a financial liability.

The Company recognizes interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. In case of credit-impaired financial assets regarded as 'stage 3', the Company recognizes interest income on the amortized cost net of impairment loss of the financial asset at EIR. If the financial asset is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis. Delayed payment interest (penal interest) levied on customers for delay in repayments/nonpayment of contractual cash flows is recognized on realization.

Interest on financial assets subsequently measured at fair value through profit or loss (FVTPL) is recognized at the contractual rate of interest.

##### **(ii) Dividend income**

Dividend income on equity shares is recognized when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

##### **(iii) Other revenue from operations**

The Company recognizes revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognizes revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

###### **(a) Fees and commission**

The Company recognizes service and administration charges towards rendering of additional services to its loan customers on satisfactory completion of service delivery. Fees on value added services and products are recognized on rendering of services and products to the customer. Distribution income is earned by selling of services and products of other entities under distribution arrangements. The income so earned is recognized on successful sales on behalf of other entities subject to there being no significant uncertainty of its recovery. Foreclosure charges are collected from loan customers for early payment/closure of loan and are recognized on realization.

(b) Net gain on fair value changes

Financial assets are subsequently measured at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI), as applicable. The Company recognizes gains/losses on fair value change of financial assets measured as FVTPL and realized gains/losses on recognition of financial asset measured at FVTPL and FVOCI.

(c) Sale of services

The Company, on de-recognition of financial assets where a right to service the derecognized financial assets for a fee is retained, recognizes the fair value of future service fee income over service obligations cost on net basis as service fee income in the statement of profit or loss and correspondingly creates a service asset in Balance Sheet. Any subsequent increase in the fair value of service assets is recognized as service income and any decrease is recognized as an expense in the period in which it occurs. The embedded interest component in the service asset is recognized as interest income in line with Ind AS 109 'Financial instruments.

Other revenues on sale of services are recognized as per Ind AS 115 'Revenue from Contracts with Customers' as articulated above in 'other revenue from operations.

(d) Recoveries of financial assets written off.

The Company recognizes income on recoveries of financial assets written off on realization or when the right to receive the same without any uncertainties of recovery is established.

**(iv) Taxes**

Incomes are recognized net of the Goods and Services Tax (GST) wherever applicable.

**3.2 Expenditures**

**(i) Finance costs**

Borrowing costs on financial liabilities are recognized using the EIR

**(ii) Fees and commission expenses**

Fees and commission expenses which are not directly linked to the sourcing of financial assets, such as commission/incentive incurred on value added services and products distribution, recovery charges and fees payable for management of portfolio etc., are recognized in the Statement of Profit and Loss on an accrual basis.

**(iii) Taxes**

Expenses are recognized net of the Goods and Services Tax/Service Tax, except where credit for the input tax is not statutorily permitted.

**3.3 Cash and cash equivalents**

Cash and cash equivalents include cash on hand, other short term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**3.4 Financial instruments**

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments.

All the financial instruments are recognized on the date when the Company becomes party to the contractual provisions of the financial instruments. For tradable securities, the Company recognizes the financial instruments on trade date.

**(I) Financial assets**

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.

**Initial recognition and measurement**

All financial assets are recognized initially at fair value including transaction costs that are attributable to the acquisition of financial assets except in the case of financial assets recorded at FVTPL where the transaction costs are charged to profit or loss.

**Subsequent measurement**

For the purpose of subsequent measurement, financial assets are classified into four categories:

- (a) Debt instruments at amortized cost
- (b) Debt instruments at FVOCI
- (c) Debt instruments at FVTPL
- (d) Equity instruments designated at FVOCI

**(a) Debt instruments at amortized cost:**

The Company measures its financial assets at amortized cost if both the following conditions are met:

The asset is held within a business model of collecting contractual cash flows; and Contractual terms of the asset give rise on specified dates to cash flows that are Sole Payments of Principal and Interest (SPPI) on the principal amount outstanding. To make the SPPI assessment, the Company applies judgment and considers relevant factors such as the nature of portfolio and the period for which the interest rate is set.

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios. If cash flows after initial recognition are realized in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model but incorporates such information when assessing newly originated financial assets going forward.

The business model of the Company for assets subsequently measured at amortized cost category is to hold and collect contractual cash flows. However, considering the economic viability of carrying the delinquent portfolios in the books of the Company, it may sell these portfolios to banks and/or asset reconstruction companies.

After initial measurement, such financial assets are subsequently measured at amortized cost on effective interest rate (EIR). The expected credit loss (ECL) calculation for debt instruments at amortized cost is explained in subsequent notes in this section.

**(b) Debt instruments at FVOCI**

The Company subsequently classifies its financial assets as FVOCI, only if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

Debt instruments included within the FVOCI category are measured at each reporting date at fair value with such changes being recognized in other comprehensive income (OCI). The interest income on these assets is recognized in profit or loss. The ECL calculation for debt instruments at FVOCI is explained in subsequent notes in this section.

Debt instruments such as long-term investments in Government securities to meet regulatory liquid asset. Requirement of the Company's deposit program and mortgage loans portfolio where the Company periodically resorts to partially selling the loans by way of assignment to willing buyers are classified as FVOCI.

On DE recognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified to profit or loss.

**(c) Debt instruments at FVTPL**

The Company classifies financial assets which are held for trading under FVTPL category. Held for trading assets are recorded and measured in the Balance Sheet at fair value. Interest and dividend incomes are recorded in interest income and dividend income, respectively according to the terms of the contract, or when the right to receive the same has been established. Gain and losses on changes in fair value of debt instruments are recognized on net basis through profit or loss.

The Company's investments into mutual funds, Government securities (trading portfolio) and certificate of deposits for trading and short-term cash flow management have been classified under this category.

**(d) Equity investments designated under FVOCI**

All equity investments in scope of Ind AS 109 'Financial Instruments' are measured at fair value. The Company has strategic investments in equity for which it has elected to present subsequent changes in the fair value in other comprehensive income. The classification is made on initial recognition and is irrevocable.

All fair value changes of the equity instruments, excluding dividends, are recognized in OCI and not available for reclassification to profit or loss, even on sale of investments. Equity instruments at FVOCI are not subject to an impairment assessment.

**Derecognition of Financial Assets**

The Company derecognizes a financial asset (or, where applicable, a part of a financial asset) when:

- The right to receive cash flows from the asset have expired; or
- The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under an assignment arrangement and the Company has transferred substantially all the risks and rewards of the asset. Once the asset is derecognized, the Company does not have any continuing involvement in the same.

**Impairment of financial assets**

ECL are recognized for financial assets held under amortized cost, debt instruments measured at FVOCI, and certain loan commitments.

Financial assets where no significant increase in credit risk has been observed are considered to be in 'stage 1' and for which a 12-month ECL is recognized. Financial assets that are considered to have significant increase in credit risk is considered to be in 'stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'stage 3'. Lifetime ECL is recognized for stage 2 and stage 3 financial assets.

At initial recognition, allowance (or provision in the case of loan commitments) is required for ECL towards default events that are possible in the next 12 months, or less, where the remaining life is less than 12 months.

In the event of a significant increase in credit risk, allowance (or provision) is required for ECL towards all possible default events over the expected life of the financial instrument ('lifetime ECL').

Financial assets (and the related impairment loss allowances) are written off in full, when there is no realistic Prospect of recovery.

**Treatment of the different stages of financial assets and the methodology of determination of ECL**

(a) Credit impaired (stage 3)- Put as per RBI

The Company recognizes a financial asset to be credit impaired and in stage 3 by considering relevant objective evidence, primarily whether:

- Contractual payments of either principal or interest are past due for more than 90 days.
- The loan is otherwise considered to be in default.

Restructured loans, where repayment terms are renegotiated as compared to the original contracted terms due to significant credit distress of the borrower, are classified as credit impaired. Such loans continue to be in stage 3 until they exhibit regular payment of renegotiated principal and interest over a minimum observation period, typically 12 months– post renegotiation, and there are no other indicators of impairment. Having satisfied the conditions of timely payment over the observation period these loans could be transferred to stage 1 or 2 and a fresh assessment of the risk of default be done for such loans.

Interest income is recognized by applying the EIR to the net amortized cost amount i.e., gross carrying amount less ECL allowance.

**b) Significant increase in credit risk (stage 2)**

An assessment of whether credit risk has increased significantly since initial recognition is performed at each reporting period by considering the change in the risk of default of the loan exposure. However, unless identified at an earlier stage, 30 days past due is considered as an indication of financial assets to have suffered a significant increase in credit risk. Based on other indications such as borrower's frequently delaying payments beyond due dates though not 30 days past due are included in stage 2 for mortgage loans.

The measurement of risk of defaults under stage 2 is computed on homogenous portfolios, generally by nature of loans, tenors, underlying collateral, geographies and borrower profiles. The default risk is assessed using PD (probability of default) derived from past behavioral trends of default across the identified homogenous portfolios. These past trends factor in the past customer behavioral trends, credit transition probabilities and macroeconomic conditions. The assessed PDs are then aligned considering future economic conditions that are determined to have a bearing on ECL.

**(c) Without significant increase in credit risk since initial recognition (stage 1)**

ECL resulting from default events that are possible in the next 12 months are recognized for financial instruments in stage 1. The Company has ascertained default possibilities on past behavioral trends witnessed for each homogenous portfolio using application/behavioral score cards and other performance indicators, determined statistically.

**(d) Measurement of ECL**

The assessment of credit risk and estimation of ECL are unbiased and probability weighted. It incorporates all information that is relevant including information about past events, current conditions and reasonable forecasts of future events and economic conditions at the reporting date. In addition, the estimation of ECL takes into account the time value of money. Forward looking economic scenarios determined with reference to external forecasts of economic parameters that have demonstrated a linkage to the performance of our portfolios over a period of time have been applied to determine impact of macro-economic factors.

The Company has calculated ECL using three main components: probability of default and amount of default.

**(ii) Financial liabilities**

Financial liabilities include liabilities that represent a contractual obligation to deliver cash or another financial asset to another entity, or a contract that may or will be settled in the entities own equity instruments. Few examples of financial liabilities are trade payables, debt securities and other borrowings and subordinated debts.

**Initial measurement**

All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade payables, other payables, debt securities and other borrowings.

**Subsequent measurement**

After initial recognition, all financial liabilities are subsequently measured at amortized cost using the EIR.

**Derecognition**

The Company derecognizes a financial liability when the obligation under the liability is discharged, cancelled or expired. Any gains or losses arising on DE recognition of liabilities are recognized in the Statement of Profit and Loss.

**Offsetting of financial instruments**

Financial assets and liabilities are offset and net amount is reported if there is currently enforceable legal right to offset the recognized amounts and there is intention to settle on a net basis, to realize assets and settle the liabilities simultaneously.

**3.5 Taxes****(i) Current tax**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current tax relating to items recognized outside profit or loss is recognized in correlation to the underlying transaction either in OCI or directly in other equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

**(ii) Deferred tax**

Deferred tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized for deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets, if any, are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized either in OCI or in other equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

**3.6 Property, plant and equipment**

Property, plant and equipment are carried at historical cost of acquisition less accumulated depreciation and impairment losses, consistent with the criteria specified in Ind AS 16 'Property, Plant and Equipment'.

**Depreciation on property, plant and equipment**

- (a) Depreciation is provided on a pro-rata basis for all tangible assets on written down value method over the useful life of assets.
- (b) Depreciation is charged so as to allocate the cost of assets less their residual values, if any, over their estimated useful lives, using the written down value method except intangible assets. Depreciation on intangible assets is provided on straight line basis. The following useful lives are considered for the depreciation of property, plant and equipment:

<b>Description of the Asset</b>	<b>Estimated Useful Life</b>
Furniture & fixtures	10 Years
Vehicles	8 Years
Office Equipment	5 Years
Computers	3 Years

- (c) Useful lives of assets are determined by the Management by an internal technical assessment except where such assessment suggests a life significantly different from those prescribed by Schedule II – Part C of the Companies Act, 2013 where the useful life is as assessed and certified by a technical expert.
- (d) Depreciation on addition to assets and assets sold during the year is being provided for on a pro rata basis with reference to the month in which such asset is added or sold as the case may be.
- (e) An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized as income or expense when the asset is derecognized.
- (f) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

**3.7 Provisions and contingent liabilities**

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources, and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

**3.8 employee benefits**

Liabilities for salaries and wages, including non-monetary benefits if any, are recognized as liabilities (and expensed) and are measured at the amounts expected.

### **3.9 Fair value measurement**

The Company measures its qualifying financial instruments at fair value on each Balance Sheet date.

Fair value is the price that would be received against sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place in the accessible principal market or the most advantageous accessible market as applicable.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy into Level I, Level II and Level III based on the lowest level input that is significant to the fair value measurement as a whole.

For assets and liabilities that are fair valued in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

### **3.10 Statement of Cash Flows**

Statement of Cash flows are reported using the indirect method, whereby the net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The statements of cash flows from operating, investing and financing activities of the Company are segregated.

### **3.11 Earnings Per Share (EPS)**

The basic EPS is computed by dividing the profit after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted EPS, profit after tax for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

### **3.12 Nature and purpose of other equity**

#### **(i) Retained earnings**

Retained earnings represent the surplus in profit and loss account and appropriations.

#### **(ii) Reserve fund in terms of section 45-IC (1) of the Reserve Bank of India Act, 1934**

Reserve fund is created as per the terms of section 45-IC (1) of the Reserve Bank of India Act, 1934 as a statutory reserve. Appropriation from this Reserve Fund is permitted only for the purposes specified by RBI.

**(iii) Other comprehensive income****On equity investments**

The Company has elected to recognize changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated in the FVOCI equity investments reserve. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognized.

**On debt investments**

The Company recognizes changes in the fair value of debt instruments held with a dual business objective of collect and sell in other comprehensive income. These changes are accumulated in the FVOCI debt investments reserve. The Company transfers amounts from this reserve to profit or loss when the debt instrument is sold. Any impairment loss on such instruments is reclassified to Profit or Loss.

**4. Recent accounting pronouncements**

Indian Accounting Standard (Ind AS) 1 – Presentation of financial statements – This amendment aims to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant accounting policies' with a requirement to disclose their 'material accounting policy information' and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures

The Company is currently assessing its accounting policy information disclosures to ensure consistency with the amended requirements. The Company does not expect this amendment to have any material impact in its financial statements.

Indian Accounting Standard (Ind AS) 8 – Accounting Policies, Changes in Accounting Estimates and Errors – This amendment has changed the definition of a “change in accounting estimates” to a definition of “accounting estimates”. The amendment clarifies how companies should distinguish changes in accounting policies from changes in accounting estimates. It also, explains the difference between estimation techniques and valuation techniques by way of examples to provide clarity. The Company does not expect this amendment to have any material impact in its financial statements

**(a) Indian Accounting Standard (Ind AS) 12 – Income taxes**

This amendment narrows the scope of the initial recognition exception under Ind AS 12, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences. The amendments should be applied to transactions that occur on or after the beginning of the earliest comparative period presented. In addition, at the beginning of the earliest comparative period presented, a deferred tax asset (provided that sufficient taxable profit is available) and a deferred tax liability should also be recognized for all deductible and taxable temporary differences associated with leases and decommissioning obligations

This amendment has done away with the recognition exemption on initial recognition of assets and liabilities that give rise to equal and offsetting temporary differences.

The Company does not expect this amendment to have any material impact in its financial statements has context menu.

**26. Events after reporting date**

There have been no events after the reporting date that requires adjustment/disclosure in these financial statements.

**27. Fair values**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique.

To show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques.

This note describes the fair value measurement of both financial and non-financial instruments.

**Valuation framework**

The Company has an internal fair value assessment team which assesses the fair values for assets qualifying for fair valuation.

The Company's valuation framework includes:

- Benchmarking prices against observable market prices or other independent sources.
- Development and validation of fair valuation models using model logic, inputs, outputs, and adjustments.

These valuation models are subject to a process of due diligence and validation before they become operational and are continuously calibrated.

**Valuation methodologies adopted.**

Fair values of financial assets, other than those which are subsequently measured at amortized cost, have been arrived at as under:

- Fair values of investments held for trading under FVTPL have been determined using quoted market prices of the underlying instruments.
- Fair values of strategic investments in equity instruments designated under FVOCI have been measured.

The Company has determined that the carrying values of cash and cash equivalents, bank balances, trade receivables, short term loans, floating rate loans, investments in equity instruments designated at FVOCI, trade payables, short term debts, borrowings, bank overdrafts and other current liabilities are a reasonable approximation of their fair value and hence their carrying value are deemed to be fair value.
