18. Since the AGM will be held through VC / OAVM, the Route Map is not annexed to this Notice.

THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
- i) The voting period begins on 27th September 2023 10.00 AM and ends on 29th September 2023, 5.00 PM. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 22nd September 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
 - ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
 - iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has

been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants.** Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated September 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Annual Report 2022-23

Chairman's Letter

Dear Shareholders,

At the outset, I wish to extend warm greetings to you all, both personally and on behalf of the Board of Directors.

Presently holding the Presidency of the G20 nations, India is hopeful about exporting the Social Stock Exchange as a success story to the world. There have been numerous initiatives over the past several months by various stakeholders to raise awareness and provide training, aiming to onboard more individuals, including potential investors and non-profit organizations, onto the exchange thus adding the much needed gains momentum to it.

Being in line with these efforts, I appreciate EQUIPPP's initiative for being at the forefront of empowering social impact players through cutting-edge digital platforms, knowledge sessions and human resources.

As this year's theme " Incubating, Innovating, Impacting" outlines, significant strides have been made especially with the IP development resulting in improved product utility and enabling EQUIPPP to receive wide acclaims and testimonials from industry leaders, policy makers and think tanks. As revenue streams for the company began as well, I am hopeful about EQUIPPP's growth trajectory.

I thank the Directors and the management for their cooperation and look forward to the exciting journey ahead.

In closing, I want to convey my warmest wishes to the esteemed shareholders, management, and directors of EQUIPPP for a year ahead filled with prosperity and good health.

Thank You,
Dr Narendra Mairpady

Managing Director's Letter

Dear Shareholders,

I trust, this message finds you all in good health and fine spirit.

At EQUIPPP Social Impact Technologies Ltd., efforts have been underway to grow the business of the Company, both organically and inorganically, to enhance the Shareholders' value.

The Company has entered into a few more strategic partnership arrangements during FY 2022-23, which is expected to help diversify and improve the currently modest revenue streams.

Progress is likely to be made on the pending matters, during the current Financial Year, 2023-24, to register better results going forward.

We thank you, for all your support during these challenging times and look forward to your continued support and understanding, to take the Company to the next level.

For greater success

Thank You,
Mahesh Ramachandran

No fraud has been reported by the Secretarial Auditor during the period under the review.

C. Cost Audit:

During the year under review, maintenance of cost records and requirements of cost audit as prescribed under the provisions of Section 148 (1) of the Companies Act, 2013 are not applicable to the Company.

D. Internal Auditors:

Your Company has robust Internal Audit Team for carrying out Internal Audit. Pursuant to the provisions of Section 138 of the Companies Act and the Companies (Accounts) Rules, 2014, M/s. GBM & ASSOCIATES Chartered Accountants, Hyderabad, was appointed as the Internal Auditors of the Company for the F.Y 2022-23 to perform the duties of Internal Auditors of the Company. The report submitted by the Internal Auditors gets reviewed by the Audit Committee from time to time.

26. BUSINESS RISK MANAGEMENT:

Your Company periodically assesses the risk elements, mitigates the different kinds of risks which the Company faces in its day-to-day operations and incorporates such risk mitigation plans in its business operational plans. As on date of this report, your Company does not foresee any critical risk, which threatens its existence.

27. CORPORATE SOCIAL RESPONSIBILITY:

The provisions of Corporate Social Responsibility are not applicable to the Company as the Company does not come under the ambit of Section 135 of the Companies Act, 2013 read with Companies (Corporate Social Responsibility Policy) Rules, 2014.

28. PUBLIC DEPOSITS:

The Company has not accepted any deposits from the public under Chapter V of the Companies Act, 2013 during FY 2022-23 and, as such, no amount on account of principal or interest on public deposits was outstanding as on March 31st, 2023.

- (a) accepted during the year: NIL
- (b) remained unpaid or unclaimed as at the end of the year: NIL
- (c) whether there has been any default in repayment of deposits or payment of interest thereon during the year and if so, number of such cases and the total amount involved-

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Directors take pleasure in presenting the Management Discussion and Analysis Report for the year ended March 31st, 2023.

(a) Industry structure and developments

As per the findings of the NASSCOM Report, FY 2022 emerged as a Year characterized by remarkable achievements and a resurgence, standing out as an anomaly within the Indian Technology Industry. In contrast, FY 2023 has been marked by sustained revenue growth, coupled with a deliberate emphasis on fortifying the industry's foundational elements and bolstering trust and competencies. The global economic landscape's inherent volatility and the impending specter of a recession have continued to amplify the demand for technological adoption and the rapid pace of digital advancement. Consequently, technology remains entrenched as a strategic necessity, playing a pivotal role not only in catalyzing business innovation and transformation but also in enhancing operational efficiency and costeffectiveness.

During FY 2023, it is projected that India's technology industry revenue, inclusive of the hardware sector, is on track to exceed \$245 billion, reflecting an impressive Year-on-Year Growth of 8.4%. This signifies an incremental increase of \$19 billion when compared to the previous year. Exports, constituting a substantial portion at \$194 billion, are anticipated to expand by 9.4% in terms of reported currency, and by 11.4% when measured in constant currency terms. On the domestic front, the technology sector is slated to attain a valuation of \$51 billion, showcasing a Year-on-Year Growth of 4.9%. When denominated in rupee terms, the domestic technology revenues are projected to experience a substantial 13% year-on-year expansion, a result attributed to sustained investments by both enterprises and the government.

Furthermore, the industry's momentum as a major workforce generator remains unshaken, with the addition of nearly 300,000 employees, contributing to a cumulative employee base of approximately 5.4 million. This robust Year-on-Year Growth of 5.7% serves to reinforce India's standing as a global hub for digital talent, solidifying its position as the 'Digital Talent Nation' on the global stage.

(b) Opportunities and Threats

Presently holding the esteemed Presidency of the G20 nations, India has transitioned from its position as the tenth largest economy a decade ago to its current status as the fifth largest.

With an unbroken three-year streak as the fastest growing major economy, India is positioned for continued expansion. This growth is largely propelled by a dynamic and varied technology ecosystem, which stands out as a potent driving force.

Anchoring this ecosystem are two key elements that are Environmental, Social & Governance (ESG) goals, & Corporate Social Responsibility (CSR). Accordingly, CSR and ESG considerations have grown exponentially over the past decade. Thus there is a huge growth potential and opportunity for EQUIPPP Social Impact Technologies Limited for the ESG and CSR Technology solutions market.

REPORT ON CORPORATE GOVERNANCE

[Pursuant to Regulation 34(3) read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015]

The compliance with the corporate governance provisions as specified in regulations 17, 17A, 18, 19, 20, 21, 22, 23, 24, 24A, 25, 26, 27 and clauses (b) to (i) and (t) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V shall not apply, in respect of -

(a) a listed entity having paid up equity share capital not exceeding rupees ten crore and (b) net worth not exceeding rupees twenty five crore, as on the last day of the previous financial year.

Since the net worth of the company as on March 31, 2022, continues to be less than Rs.25 Crores, the above-mentioned provisions are not applicable to the Company. However, out of abundant caution when the Company had furnished the Corporate Governance Reports to the NSE & BSE for all quarters of F.Y. 2022-23, the NSE had held that the Company had to comply with the CG provisions and imposed penalties for non-compliance/delayed compliance under Listing Agreements and SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015. The Company is contesting the aforesaid issue of applicability of provisions relating to Corporate Governance.

Though, the applicability of LODR for the F.Y.2022-23 is in question, the Company has decided to implement certain of Corporate Governance provisions as a good practice, on a best endeavor basis.

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE:

Corporate Governance reflects the efficient conduct of affairs of the Company in a transparent manner, which help in maximizing the stakeholder's value. The essence of Corporate Governance lies in promoting and maintaining integrity, transparency and accountability in the management's higher echelons. The Company believes that good governance practices contribute to superior long-term performance of the Company. The Company will continue to strive to be a wealth creator to meet stakeholders' expectations.

2. BOARD OF DIRECTORS:

The Company recognizes and embraces the importance of a diverse Board in its success and it believes that a truly diverse Board would leverage differences in thought, perspective, knowledge, skill and industry experience, which will enrich Board discussions and enable effective decision making. Your Company actively seeks to adopt best practices for an effective functioning of the Board and believes in having a truly diverse Board whose wisdom and strength can be leveraged for earning higher returns for its shareholders and better Corporate Governance. Therefore, the Board is an ideal mix of Knowledge, perspective, professionalism, divergent thinking and experience.

In line with the applicable provisions of the Companies Act, 2013 (the Act") and the SEBI Listing Regulations, your Company's Board has an optimum combination of Executive and NonExecutive Directors. The Board effectively separates the functions of governance and management and balances deliverables.

Apart from any specific matter, the Board periodically reviews routine business items which includes approval of financial results along with Auditors Review Report, operational performance of the Company, minutes of committee meetings, quarterly corporate governance report, statement of investor complaints, shareholding pattern, compliance report on all laws applicable to the Company, annual financial statements, annual budget, capital expenditure and other matters placed before the Board pursuant to Part A of Schedule II of Listing Regulations.

The Board periodically reviews the compliance reports of all laws applicable to the Company.

Mr. Balarama Krishna Desina, Practicing Company Secretary, has issued a certificate as required under the SEBI Listing Regulations, confirming that none of the Directors on the Board of the Company have been debarred or disqualified for being appointed or continuing as Directors of companies by the Securities and Exchange Board of India/ Ministry of Corporate Affairs or any such statutory authority. The certificate is enclosed as “**Annexure A**” with this report and forms an integral part of this report.

Code of Conduct

Pursuant to Regulation 17(5)(a) of SEBI Listing Regulations, the Board of Directors of the Company has adopted and laid down the Code of Conduct for all Directors and Senior Management Personnel of the Company (“Code”), The Code is posted and available at the website of the Company <https://equippp.in/wp-content/uploads/2022/07/Code-of-Conductfor-directors-and-senior-management.pdf>. All Directors and Senior Management personnel have affirmed the compliance with the Code applicable to them during the year ended on 31st March, 2023. A declaration by Mr. Mahesh Ramachandran, Managing Director of the Company in terms of Para D of Schedule V of the SEBI Listing Regulations on the affirmation on compliance with the Code for the year ended 31st March 2023, based on the compliance declarations received from the Board and Senior Management, is enclosed as “**Annexure B**” with this report and forms an integral part of this report.

INDEPENDENT AUDITORS' REPORT

To
The Members of
EQUIPPP SOCIAL IMPACT TECHNOLOGIES LIMITED
(Formerly Proseed India Limited)

REPORT ON AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

OPINION

We have audited the accompanying standalone Financial Statements of EQUIPPP SOCIAL IMPACT TECHNOLOGIES LIMITED (Formerly Proseed India Limited) (“the Company”), which comprise of the Balance Sheet as at 31st March 2023, the Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the statements of changes in equity for year then ended and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the state of affairs (financial position) of the Company as at March 31, 2023 and its loss (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs) as specified under Section 143(10) of the Companies Act 2013. Our responsibilities under those standards are further described in the Auditors Responsibilities for the Audit of the Financial Statements Section of our report. We are independent of the company in accordance with the code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the companies act 2013 and the Rules there under, and we have fulfilled our ethical responsibilities in accordance with those requirements and the code of Ethics. We believe that the audit evidence we have obtained is Sufficient and appropriate to provide a basis for our audit opinion on the Standalone Ind AS Financial Statements.

EMPHASIS OF MATTER PARAGRAPH

During the year under consideration, the management of the company has received the estimated useful life of its intangible assets from the existing 11 years to 34 & 40 years, as in the opinion of the management, the ESG, CSR, Social Technology space are expected to have a long useful life. Accordingly, the depreciation for the financial year was calculate from the beginning of the year on balance useful life of the said intangible assets. This change has resulted into lower charge of depreciation to the extent of Rs.46.99 Lakhs during the year and higher statement of profit to that extent during the year.

Our opinion on the Statement is not modified in respect of the above matter.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

OTHER INFORMATION

The Company's management and board of directors are responsible for the preparation of the other information. The other information comprises the information included in the company's annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income) cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial Reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

ANNEXURE “B” To the Independent Auditor’s Report of even date on the Financial Statements of EQUIPPP SOCIAL IMPACT TECHNOLOGIES LIMITED (Formerly known as Proseed India Limited)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of EQUIPPP SOCIAL IMPACT TECHNOLOGIES LIMITED (Formerly known as Proseed India Limited (“the Company”)) as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

OPINION

In our opinion, the company has, in all material aspects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal financial controls over financial reporting criteria established by the company considering essential components of internal control stated in the Guidance Note on Audit of Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR’S RESPONSIBILITY

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

The Company offers high degree of skills, IPs and domain expertise across in areas like Digital Transformation, Enterprise Solutions, Tech platforms for ESG, CSR and Public Private Partnership (PPP) projects.

BASIS OF PREPARATION OF FINANCIAL STATEMENTS

a) Compliance with Ind AS

The Financial Statements comply in all material respects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI), read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter. The presentation of the Financial Statements is based on Ind AS Schedule III of the Companies Act, 2013.

b) Use of Estimates

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and judgements that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised, and future periods are affected. Key sources of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment of investments, useful lives of property, plant and equipment, valuation of deferred tax assets, provisions and contingent liabilities and fair value measurement of financial instruments have been discussed below. Key source of estimation of uncertainty in respect of revenue recognition and employee benefits have been discussed in their respective policies.

c) Basis of measurement

The financial statements have been prepared on the historical cost basis except certain financial assets and liabilities that are measured at fair value or amortized cost.

d) Functional currency

The financial statements are presented in Indian Rupees, which is the functional currency of the Company. The Functional currency of an entity is the currency of the primary economic environment in which the entity operates. All amounts are in Indian Rupees INR except share data, unless otherwise stated.

e) Operating cycle

All the assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

I. Assets: An asset is classified as current when it satisfies any of the following criteria:

- i. It is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle.
- ii. It is held primarily for the purpose of being traded.
- iii. It is expected to be realized within 12 months after the reporting date; or
- iv. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

II. Liabilities: A liability is classified as current when it satisfies any of the following criteria:

- i. It is expected to be settled in the company's normal operating cycle.
- ii. It is held primarily for the purpose of being traded.
- iii. It is due to be settled within 12 months after the reporting date; or
- iv. The company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities. All other liabilities are classified as non-current.

f) Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, the management of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the areas of estimation uncertainty and critical judgements that the management has made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognized in the financial statements:

Provision and contingent liability

On an ongoing basis, Company reviews pending cases, claims by third parties and other contingencies. For contingent losses that are considered probable, an estimated loss is recorded as an accrual in financial statements. Loss Contingencies that are considered possible are not provided for but disclosed as Contingent liabilities in the financial statements. Contingencies Liabilities likelihood, which is remote are not disclosed in the financial statements. Gain contingencies are not recognized until the contingency has been resolved and amounts are received or receivable.

Useful lives of depreciable assets

Management reviews the useful lives of depreciable assets at each reporting date. As at March 31, 2023 management assessed that the useful lives represent the expected utility of the assets to the Company. Further, there is no significant change in the useful lives as compared to previous year.

g) Property, Plant and Equipment and Intangible assets

I. Tangible asset and capital work-in-progress

Tangible assets are stated at cost, less accumulated depreciation and impairment loss, if any. Direct costs are capitalized until such assets are ready for use. Capital work-in-progress comprises the cost of fixed asset that are not yet ready for their intended use at the reporting date.

Property, plant & equipment is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss. The cost of the tangible assets not ready for their intended use at the Balance Sheet date together with all related expenses are shown as Capital Work-in-Progress.

II. Intangible asset

Intangible assets are recorded at the consideration paid for acquisition of such asset under carried at cost less accumulated amortization and impairment loss (if any).

III. Depreciation and Amortization

Depreciation and amortization for the year is recognized in the Statement of Profit and Loss. Depreciation on Property, Office Equipment are provided on straight line method over the useful lives of assets, at the rates and in the manner specified in Part C of Schedule II of the Act. Freehold land is not depreciated.

h) Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as non-current investments. Non-current Investments are carried at cost less diminution in value other than temporary diminution determined separately for each individual investment. Current investments are carried at the lower of cost or fair value. The comparison of cost and fair value is done separately in respect of each category of investment.

i) Measurement of fair values

Number of Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

I. SIGNIFICANT ACCOUNT POLICIES

a) Revenue Recognition

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- Sales are recognized on transfer of significant risks and rewards of ownership of the goods to the buyer as per the terms of contract and no uncertainty exists regarding the amount of consideration that will be derived from sales of goods. It also includes goods and services tax and price variation based on the contractual agreement. It is measured at fair value of the consideration received.
- Income from services is recognized as they are rendered, based on agreement/arrangement with the concerned customers.
- Dividend income is accounted for when the right to receive the income is established.

b) Provision for Current and Deferred Tax:

Current tax is measured on the basis of estimated taxable income for the current accounting period in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961, and the rules framed there under.

Deferred tax is recognized using the Balance Sheet approach on the temporary differences between the carrying amounts of assets and liabilities in the financial statements and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset, if there is a legally enforceable right to offset current tax liabilities and assets, and these relate to income taxes levied by the same tax authority and are intended to settle current tax liabilities, and assets on a net basis or such tax assets and liabilities will be realized simultaneously.

In the event of unabsorbed depreciation or carry forward of losses under tax laws, deferred tax assets are recognized to the extent that it is probable that sufficient future taxable income will be available to realize such assets.

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the assets to be recovered.

Current and deferred tax are recognized in the statement of profit and loss, except when the same relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax relating to such items are also recognized in other comprehensive income or directly in equity respectively.

Income tax expense consists of current and deferred tax. Income tax expense is recognized in the income statement except to the extent that it relates to items recognized directly in equity, in which case it is recognized in equity.

c) Earnings per Share

The basic EPS is computed by dividing the profit after tax for the year attributable to the equity shareholders by the weighted average number of Equity shares outstanding during the year.

For the purpose of calculating diluted EPS, profit after tax for the year attributable to the equity shareholders and the weighted average number of Equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

d) Leases**i). Finance Lease: as a Lessee:**

Leases, where substantially all the risks and benefits incidental to ownership of the leased item are transferred to the Lessee, are classified as finance lease. The assets acquired under finance lease are capitalized at lower of fair value and present value of the minimum lease payments at the inception of the lease and disclosed as leased assets. Such assets are amortized over the period of lease or estimated life of such asset, whichever is lower. Lease payments are apportioned between the finance charges and reduction of the lease liability based on implicit rate of return. Lease management fees, lease charges and other initial direct costs have been capitalized.

ii). Operating Lease: as a Lessee:

Leases, where significant portion of the risks and rewards of ownership are retained by the lessor, are classified as operating leases and lease rentals thereon are charged to the Statement of Profit and Loss on a straight-line basis over the lease term.

e) Foreign Currencies

In preparing the financial statements of the Company, transactions in currencies other than the company's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. Exchange differences on monetary items are recognized in profit or loss in the period in which they arise.

f) Property, Plant and Equipment**Tangible asset and capital work-in-progress**

Tangible assets are stated at cost, less accumulated depreciation and impairment, if any. Direct costs are capitalized until such assets are ready for use. Capital work-in-progress comprises the cost of fixed asset that are not yet ready for their intended use at the reporting date.

Property, plant & equipment is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss. Cost of the tangible assets not ready for their intended use at the Balance Sheet date together with all related expenses are shown as Capital Work-in-Progress.

Subsequent costs

Subsequent costs are included in the asset's carrying amount or recognized as separate assets, as appropriate, only when it is probable that the future economic benefits associated with expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to Statement of Profit and Loss at the time of incurrence.

g) Depreciation and Amortization

Depreciation and amortization for the year is recognized in the Statement of Profit and Loss. Depreciation on Property, Office Equipment are provided on straight line method over the useful lives of assets, at the rates and in the manner specified in Part C of Schedule II of the Act. Freehold land is not depreciated. Depreciation on additions is provided on a pro-rata basis from the month of installation or acquisition and in case of Projects from the date of commencement of commercial production. Depreciation on deductions/disposals is provided on a pro-rata basis up to the date of deduction/disposal.

h) Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment loss (if any). Intangible assets are amortized over their respective estimated useful lives on a straight-line basis, from the date that they are available for use.

Amortisation

The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

Computer software is amortized on straight line basis over a period of:

(a) The EQUIPPP Trademark's useful life is expected to be forty years from 2015, hence for the Company EQUIPPP Social Impact Technologies Limited, introduced this Asset into the company in Jun 2021, hence it can use the said assets for next 34 yrs.

(b) The Newly trademarked EQUIPPP ix IP's useful life is expected to be forty years from 2022, hence for the Company EQUIPPP Social Impact Technologies Limited, it can use the asset for next 40 yrs.

The estimated useful life of the intangible assets and the amortization period are reviewed at the end of each financial year and the amortization period is revise to reflect the changes pattern, if any.

i) Cash and Cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank and in hand and short-term deposits with banks that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

j) Cash flow statement

Cash flows are reported using the indirect method, whereby profit or loss before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, investing and financing activities of the Company are segregated and ultimately reconciled to the Closing cash and bank balance.

k) Employee benefits

i. Short-term Employee Benefits:

Short-term employee benefits are recognized as an expense on accrual basis.

ii. Defined Contribution Plan:

Contribution payable to recognized provident fund and approved superannuation scheme, which are substantially defined contribution plans, is recognized as expense in the Statement of Profit and Loss, as and when, they are incurred. The provident fund contribution (when applicable) as specified under the law is paid to the Provident Fund to the Regional Provident Fund Commissioner.

iii. Defined Benefit Plan:

The Company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/ termination/resignation is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of completed years of service. The gratuity plan is a funded plan and Company makes annual contributions to the Group Gratuity cum Life Assurance Schemes administered by the LIC of India, a funded defined the most recent actuarial valuation of plan assets and the present value of the defined benefit obligation for gratuity has not been carried out as at March 31st, 2023. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method.

l). Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

A present obligation that arises from past events, where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability.

Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non- occurrence of one or more uncertain future events not wholly within the control of the Company.

Claims against the Company, where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and is recognized.

m). Financial instruments

i. Recognition and Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issues of financial assets and financial liabilities that are not at fair value through profit or loss, are added to the fair value on initial recognition. A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii. Classification and Subsequent measurement

Financial Assets

On initial recognition, a financial asset is classified as measured at

- amortized cost.
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

- The asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All financial assets not classified as measured at amortized cost as described above are measured at FVTPL. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortized cost at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Company makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realizing cash flows through the sale of the assets.

- How the performance of the portfolio is evaluated and reported to the Company's management.
- The risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed.
- How managers of the business are compensated – e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- The frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for de-recognition are not considered sales for this purpose, consistent with the Company's continuing recognition of the assets. Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- Contingent events that would change the amount or timing of cash flows.
- Terms that may adjust the contractual coupon rate, including variable interest rate features.
- Pre-payment and extension features; and
- Terms that limit the Company's claim to cash flows from specified assets (e.g. non-recourse features).

A pre-payment feature is consistent with the solely payments of principal and interest criterion if the pre-payment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract.

Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL: These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in profit or loss.

Financial assets at amortized cost:

These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in profit or loss. Any gain or loss on de-recognition is recognized in profit or loss.

Financial liabilities:

Classification, Subsequent measurement and gains and losses financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on de-recognition is also recognized in profit or loss.

iii. Derecognition

Financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not de-recognized.

Financial liabilities

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire. The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognized in profit.

iv. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

v. Impairment

The Company recognizes loss allowances for expected credit losses on financial assets measured at amortized cost.

At each reporting date, the Company assesses whether financial assets carried at amortized cost and debt securities at fair value through other comprehensive income (FVOCI) are credit impaired. A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit impaired includes the following observable data:

- Significant financial difficulty of the borrower or issuer.
- The restructuring of a loan or advance by the Company on terms that the Company would not consider otherwise.
- It is probable that the borrower will enter bankruptcy or other financial reorganization; or
- The disappearance of an active market for a security because of financial difficulties.

The Company measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- debt securities that are determined to have low credit risk at the reporting date; and
- Other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition. Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.
- Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument. 12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward looking information.

Measurement of expected credit losses

Expected credit losses are a probability weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the trade receivable does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

n) Estimation of uncertainties relating to the global health pandemic from COVID-19

The Company has made detailed assessment of its liquidity position for the next year and the recoverability and carrying value of its assets comprising property, inventory and trade receivables. Based on current indicators of future economic conditions, the Company expects to recover the carrying amount of these assets. The Company continues to evaluate them as highly probable considering the orders in hand. The situation is changing rapidly giving rise to inherent uncertainty around the extent and timing of the potential future impact of the COVID-19 which may be different from that estimated as at the date of approval of the financial results. The Company will continue to closely monitor any material changes arising of future economic conditions and impact on its business.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
EQUIPPP SOCIAL IMPACT TECHNOLOGIES LIMITED
(Formerly Proseed India Limited)

Report on Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated Financial Statements of EQUIPPP SOCIAL IMPACT TECHNOLOGIES LIMITED (Formerly Proseed India Limited) (“the Company”), which comprise of the Balance Sheet as at 31st March 2023, the Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the statements of changes in equity for year then ended and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the state of affairs (financial position) of the Company as at March 31, 2023 and its loss (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs) as specified under Section 143(10) of the Companies Act 2013. Our responsibilities under those standards are further described in the Auditors Responsibilities for the Audit of the Financial Statements Section of our report. We are independent of the company in accordance with the code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the companies act 2013 and the Rules there under, and we have fulfilled our ethical responsibilities in accordance with those requirements and the code of Ethics. We believe that the audit evidence we have obtained is Sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS Financial Statements.

EMPHASIS OF MATTER PARAGRAPH

During the year under consideration, the management of the company has received the estimated useful life of its intangible assets from the existing 11 years to 34 & 40 years, as in the opinion of the management, the ESG, CSR, Social Technology space are expected to have a long useful life. Accordingly, the depreciation for the financial year was calculate from the beginning of the year on balance useful life of the said intangible assets. This change has resulted into lower charge of depreciation to the extent of Rs.46.99 Lakhs during the year and higher statement of profit to that extent during the year.

Our opinion on the Statement is not modified in respect of the above matter.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

OTHER INFORMATION

The Company's management and board of directors are responsible for the preparation of the other information. The other information comprises the information included in the company's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income) cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial Reporting process.

OTHER MATTERS

We did not audit the financial statements of its wholly owned subsidiary M/s. Equivas Tech Innovation Limited included in the consolidated financial results; whose financial statements reflect total assets of Rs.1.37 Lakhs as at March 31, 2023 and total revenues of Rs. Nil Lakhs, total net profit/(loss) after tax of Rs.(0.97) Lakhs and total comprehensive income / (loss) of Rs.(0.97) Lakhs for the quarter and year ended March 31, 2023 as considered in the consolidated financial results. These financial statements and other financial information have been audited by other auditor whose report dated 17.05.2023 have been furnished to us by the Management and our opinion on the Statement, in so far as it relates to the amounts and disclosures included in respect of said subsidiary is based solely on the report of the other auditor and the procedures performed by us as stated above.

Our opinion on the Statement is not modified in respect of the above matters.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free

from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors Report) Order, 2020 ("the order") issued by the Central Government in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraph 3 and 4 of the said order.

ANNEXURE “B” To the Independent Auditor’s Report of even date on the Financial Statements of EQUIPPP SOCIAL IMPACT TECHNOLOGIES LIMITED (Formerly known as Proseed India Limited)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of EQUIPPP SOCIAL IMPACT TECHNOLOGIES LIMITED (Formerly known as Proseed India Limited (“the Company”)) as of March 31, 2023 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

OPINION

In our opinion, the company has, in all material aspects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal financial controls over financial reporting criteria established by the company considering essential components of internal control stated in the Guidance Note on Audit of Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR’S RESPONSIBILITY

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.
