10. **The instructions of shareholders for e-voting and joining virtual meetings are as under:**

Step 1 : Access through Depositories CDSL/NSDLe-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Monday, 11th September 2023, 09.00 a.m. to Wednesday, 13th September 2023, 5.00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 7th September 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

MANAGEMENT OUTLOOK FOR THE YEAR 2023-24

This year began with the anticipation that runaway inflation, aggressive policy rate hikes, and high commodity prices might topple a few major economies into recession in 2023. We are halfway past 2023 and, while the world is still in the woods, the probability of a recession this year has trimmed.

As predicted during the last year, the Company touched the figure of Rs. 80 Crores turnover during the year 2022-23. The growth story is expected to continue and the Company is expected to post a turnover of more than 100 Crores for the upcoming years.

EXPO GAS CONTAINERS LTD.

FUTURE OUTLOOK

India's oil and gas production is expected to achieve a mid-decade peak between 2023 and 2032, around 2027, driven by the KG-Basin projects operated by Reliance Industries Limited and Oil and Natural Gas Corporation (ONGC), according to a report released by S&P Global Commodity Insights.

India is expected to be one of the largest contributors to non-OECD petroleum consumption growth globally. India's consumption of petrol products stood at 183.32 MMT in April-January, 2023. High Speed Diesel was the most consumed oil product in India and accounted for 38.84% of petroleum product consumption in FY22.

The Government continued to tap the opportunity of availability of cheap crude from Russia arising out of Russia – Ukrain confrontation and aims to building additional storage tanks to offset high oil prices.

- The Indian Oil Corporation Limited (IOCL), Chennai, has committed to invest Rs 54,000 crore in various projects in Tamil Nadu in the next few years, including a 9 MMTPA (million metric tonnes per annum) grass-root refinery at an estimated cost of Rs 35,580 crore.
- This new refinery, which will come up on about 1,300 acres of land in Nagapattinam, will produce petrol and diesel for BS-VI specification and also polypropylene.

Indian Oil Corp to set up aviation fuel plant with LanzaJet in Haryana.

Indian Oil Corp will set up an 80,000 tonnes sustainable aviation fuel plant with LanzaJet in Haryana, the refiner's chairman said recently.

The company is looking at an investment of about 23 billion rupees (\$280.1 million). The refiner is also running a pilot project for green fuel in association with Praj Industries in the western state of Maharashtra.

India plans to fill Mangalore SPR with 5.5 mln barrels of oil after Oct: source.

India plans to import about 5.5 million barrels of crude oil after October to fill part of its Mangalore strategic petroleum reserve (SPR) in southern Karnataka state and may change the crude grade at another facility.

EXPO GAS CONTAINERS LTD.

The oil imports are needed because one of the Mangalore reserve tanks is currently empty.

India, the world's third-biggest oil importer and consumer, has built strategic storage at three locations - Mangalore, Padur and Vizag - in southern India to store up to 5 million tonnes of crude (37 million barrels) that could be tapped on in case of supply disruption.

The Company is aggressively participating in all the Government/ PSU tenders as well as exploring new possibilities with private players in this Sector. Few of them are :

M/s. Nayara Energy Limited (NEL) – VGOMHC (Vacuum Gas Oil - Mild Hydrocracker) Revamp Project located at Vadinar, Gujarat Refinery, India.

GNFC – Weak Nitric Acid (WNA) and Ammonium Nitrate (AN) Projects located at Bharuch, Gujarat, India.

IOCL –CPCL Nagapatnam Project.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

The Indian Economy

India, enjoys a Goldilocks moment as it sees its economic activity gaining momentum amid continuing global uncertainties. The last quarter's GDP data was pleasantly surprising but not completely unexpected. The GDP growth in the fourth quarter has pushed up the full-year GDP growth of FY2022-23 to 7.2%, 200 basis points (bps) higher than the earlier estimate. The recently released *Annual Economic Review* for the month of May 2023 highlighted that the post pandemic quarterly trajectories of consumption and investment have crossed pre-pandemic levels.

Evidently, economists and analysts are bullish about the Indian economy. Higher than expected growth in FY 2022-23 has raised the base for comparison but trading cautiously, Indian economy is expected to grow between 6% and 6.7% in FY2023-24.

Industry Structure and Development :

According to Shri Pankaj Jain, Secretary, MoP&NG (Ministry of Petroleum & Natural Gas), in his keynote address on IEA (International Energy Agency) event held in Delhi on 17th July, 2023 "India's demand for energy is growing faster than any other major economy and the same trend is expected to continue. Growth will come in all sectors due to favorable demographics supported by urbanization and industrialization."

Talking about the consumption of petroleum products in FY 2022-23, the Petroleum Secretary said, "Last year the overall consumption of petroleum products was at 223 MMT, with a growth of about 12% over the previous year. This growth in the petroleum products has been driven by growth in HSD at 12.1%, the largest contributor with 85.9 MMT and MS with 34.9 MMT consumption during 2022-23 at a growth rate of 13.4% over the previous year."

Speaking further, Shri Jain said, in both cases, volumes not only crossed pre-covid consumption by a margin but are also highest consumption in history, till date. The growth momentum continues in current year too. Secretary Petroleum also mentioned that India is the World's 4th largest refiner, has the 4th largest LNG terminal capacity, 4th largest Auto market and also 3rd largest bio fuels producer. "India's focus is on decarbonization and it has already achieved 12% ethanol blending in Petrol and has targeted for 20% blending by 2025", he added.

The launch report of IEA finds that growth of global oil demand is set to slow down, almost coming to a halt by 2028. This is due to hastened shift towards cleaner energy technologies for energy security concerns. Despite robust demand from the petchem and aviation, annual demand growth is expected to decline from 2.4 mb/d in 2023 to just 0.4 mb/d in 2028, putting a peak in demand in sight. In particular, the use of oil for transport is set to decline after 2026 as the expansion of electric vehicles, the growth of biofuels and improving fuel economy reduce consumption. **However, some economies, notably China and India, will continue to register growth throughout the forecast.**

Commenting on India's growth forecast on oil, Toril Bosoni, head of the oil industry and markets division at the IEA said, "Around three-quarters of the 2022-28 increase will come from Asia, with India surpassing China as the main source of growth by 2027".

MARKET SIZE:

The India Oil And Gas Market size is expected to grow from 36.24 billion cubic meter in 2023 to 46.69 billion Cubic Meter by 2028, at a CAGR of 5.20% during the forecast period (2023-2028).

India third-biggest oil consumer

- India — the world’s third biggest oil-consuming and importing nation — is looking to raise domestic output to help cut down reliance on costly imports
- India imports 85% of its crude oil, which is converted into petrol and diesel, and roughly half of its natural gas is converted to CNG and used in industries

Refinery:

- India’s refining capacity stands at ~251 MMTPA as of October 2022, comprising 23 refineries.
- Refinery capacity utilization is about 96% for the year 2021-22. Indian Oil Corporation (IOC) is the largest domestic refiner with a capacity of 70.1 MMTPA.
- Crude oil processing increased by 9% from 221.77 MMT in 2020-21 to 241.7 MMT in 2021-22.
- Petroleum product production saw an increase of 8.9% in FY 2021-22 vis-à-vis FY 2020-21. The production of petroleum products stood at 254.3 MMT in FY 2021-22.
- India aims to increase its refining capacity to 450 MMTPA by 2030.

Investments:

According to Oil Minister Shri Hardeep Puri, India will likely see an investment of \$58 billion in finding and producing oil and gas resources by 2023, adding global energy majors Chevron Corp, ExxonMobil and Total Energies are keen to invest.

India — the world’s third biggest oil-consuming and importing nation — is looking to raise domestic output to help cut down reliance on costly imports. India imports 85% of its crude oil, which is converted into petrol and diesel, and roughly half of its natural gas is converted to CNG and used in industries.

Speaking at the Voice of Global South Summit, Puri said the government has targeted to increase the geographical area under exploration and production to 0.5 million sq km or 15% by 2025 from the current 0.25 million sq km.

“We are expecting an investment of around \$58 billion in exploration and production (of oil and gas) by 2023,” he said. “Several multinational corporations such as Chevron, ExxonMobil and TotalEnergies are showing keen interest to invest in Indian E&P sector.” India, he said, is ready to “explore opportunities for joint development and production of oil and gas assets for mutual benefit and also invite investment in our domestic E&P sector”.

EXPO GAS CONTAINERS LTD.

Puri said the world is facing an unprecedented crisis of 3Fs - 'food, fuel and fertiliser'. "We are witnessing extreme price volatility in energy molecules. The most acute impact of this is felt in the global south." Despite these challenging circumstances, the government has taken several measures to maintain energy security for its citizens.

These include diversification of supplies, an increase of alternate energy sources like bio-fuels, ethanol, and compressed biogas and increasing E&P footprint among others.

The Indian Oil Corporation Limited (IOCL), Chennai, has committed to invest Rs 54,000 crore in various projects in Tamil Nadu in the next few years, including a 9 MMTPA (million metric tonnes per annum) grass-root refinery at an estimated cost of Rs 35,580 crore, according to its executive director and state head (TN & Puducherry) V C Asokan.

This new refinery, which will come up on about 1,300 acres of land in Nagapattinam, will produce petrol and diesel for BS-VI specifications and also polypropylene.

The world's second-largest integrated lubes complex at Ammullaivoyal village for Rs 1,398 crore apart, the IOCL has planned to lay product pipelines (Rs 2,600 crore), gas pipelines including LPG (Rs 2,225 crore), CGD projects (Rs 7,570 crore), open new retail outlets and launch a modernisation programme (Rs 2,500 crore), build a captive POL/LPG jetty at Kamrajar port (Rs 921 crore), establish a terminal at Vallur (for Rs 724 crore) and set up a new terminal at Asanur (for Rs 466 crore), he said.

Haldia Petrochemicals Cuddalore Complex, T.N.

Haldia Petrochemicals Cuddalore Complex is an upcoming petrochemical complex located in Tamil Nadu, India. **According to GlobalData, who tracks more than 13,000 active and developing petrochemical plants worldwide, the complex is expected to commence commercial operations in 2028. The complex will use naphtha as its key feedstock. The plants in this complex are operated by Haldia Petrochemicals**

The complex is set to add capacity with some of the key upcoming plants including Haldia Petrochemicals Cuddalore Benzene Plant, Haldia Petrochemicals Cuddalore Ethylene Glycol Plant, Haldia Petrochemicals Cuddalore Ethylene Plant, Haldia Petrochemicals Cuddalore Purified Terephthalic Acid (PTA) Plant, and Haldia Petrochemicals Cuddalore Xylene Plant.

The complex also includes Haldia Petrochemicals Cuddalore Butene-1 Plant, Haldia Petrochemicals Cuddalore Ethylene Oxide Plant, Haldia Petrochemicals Cuddalore Hexene Plant, and Haldia Petrochemicals Cuddalore Propylene.

The complex is expected to produce key products such as ethylene, xylenes, polyethylene, purified terephthalic acid (PTA), ethylene glycol (EG) etc.

Threats:

While the overall unpredictable geo-political scenario world-wide like prolonged Russia-Ukraine confrontation, a belligerent neighbor China are a concern, the Company needs to pay attention to the following continued challenges, in order to remain in doing business in Oil, Gas and Petroleum Sector:

1. Reducing costs to remain competitive.
2. Improving performance
3. Improving the environmental footprint.

The rapid expansion of green technologies like electrical energy sources and biofuel has decreased the use of Oil and Gas Industry. However, it is still difficult to replace liquid fuels and it will take time to phase out completely. Even though, the Oil and Gas industry is facing many challenges, that will continue to be the most dynamic and important industries in the world.

Material Developments in Human Resources/ Industrial Relations:

The management has focused on improving its quality systems by bringing in specialized human resources and strengthening its quality department. Quality/ Safety Certifications :

Your Company has obtained the prestigious OHSAS 45001:2018 certification. Your Company is also ISO 9001& 14001 certified by URS.

Internal Control System :

The Company maintains adequate internal control systems, which provide among other things, reasonable assurance of recording the transactions of its operations in all material respects and of providing protection against significant misuse or loss of company assets. Moreover, the Management team regularly meets to monitor expectations and budgeted results and scrutinizes reasons for deviations in order to take necessary corrective steps. The Audit Committee, which meets at regular interval, also reviews the internal control systems with the Management and the Internal Auditors.

EXPO GAS CONTAINERS LTD.

There are clear demarcation of roles and responsibilities at various levels of operations. The Company's internal control system is further strengthened by continuous periodical internal audit system and Review at the Board level. The specific appointment of internal auditor would further strengthen the existing system. The internal audit is conducted at regular intervals at various locations of the Company and covers all the key areas. All audit observations and follow up actions are discussed with the Management as also the Statutory Auditors and the Audit Committee reviews them regularly.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF EXPO GAS CONTAINERS LIMITED.

I. Report on the Audit of the Standalone Financial Statements

1. Opinion

- A. We have audited the accompanying Standalone Financial Statements of EXPO GAS CONTAINERS LIMITED (“the Company”), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the Standalone Financial Statements”).
- B. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

4. Information Other than the Standalone Financial Statements and Auditor’s Report Thereon

EXPO GAS CONTAINERS LTD.

- A. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Standalone Financial Statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon
- B. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

5. Management's Responsibility for the Standalone Financial Statements

- A. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- B. In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

6. Auditor's Responsibilities for the Audit of the Standalone Financial Statements

- A. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.
- B. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - i) Identify and assess the risks of material misstatement of the standalone financial

EXPO GAS CONTAINERS LTD.

statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls
 - iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
 - iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern
 - v) Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation
- C. Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in
- i) planning the scope of our audit work and in evaluating the results of our work; and
 - ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.
- D. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- E. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- F. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter

EXPO GAS CONTAINERS LTD.

should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

II. Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of 143 of the Act, we give in "Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **EXPO GAS CONTAINERS LIMITED**. ("The Company") as of 31 March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

EXPO GAS CONTAINERS LTD.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

EXPO GAS CONTAINERS LTD

1) **BACKGROUND**

The Company is a public limited company, incorporated in 1982 under the Companies Act, 1956, having its registered office in Mumbai and is listed on Bombay Stock Exchange. The Company is engaged in manufacturing of Pressure Vessels, Columns & Towers, etc and is also involved in site engineering projects.

2) **SIGNIFICANT ACCOUNTING POLICIES**

1.1 **Basis of preparation of financial statements: -**

The financial statements are prepared under the historical cost convention on accrual basis of accounting and comply with the Indian Accounting Standards ("Ind AS") including the rules notified under the relevant provisions of the Companies Act, 2013 amended from time to time.

The financial statements are presented in Indian Rupees and all values are considered in full except otherwise indicated.

1.2 **Use of estimates:**

The preparation of financial statements requires the management of the Company to make estimates and assumptions that affect the reported balances of assets, liabilities, income and expenses and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expense during the year. Future results could differ due to changes in these estimates and the difference between the actual result and the estimates are recognised in the period in which the results are known / materialise. Estimates and underlying assumptions are reviewed on an ongoing basis.

1.3 **Revenue Recognitions:**

- A) Revenue from sale of goods in the ordinary course of business is recognised when the property in the goods or all significant risk and reward of their ownership are transferred to the customer and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of the goods and regarding its collection. Revenue from Services are considered on the basis of completion of work. The amount recognised as revenue are net of taxes and duties.
- B) Interest income is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable.

EXPO GAS CONTAINERS LTD

1.4 Employee Benefit Expenses:-

The Company pays gratuity to the employees who have completed five years of service at the time of retirement / resignation. The gratuity is paid @15 days basic salary for every completed year of service as per the Payment of Gratuity Act, 1972. The liability in respect of gratuity and other post employment benefits is calculated using the Projected Unit Credit (PUC) Method and spread over the period during which the benefit is expected to be derived from employees services.

The Company has the policy of accounting gratuity and leave encashment liability on cash basis till earlier years. From the year 2021-22 the Company has started provision of gratuity and leave encashment to meet all the disclosures and reporting obligations as per Ind AS-19.

Remeasurement of gains and losses arising from adjustments and changes in actuarial assumptions are recognised in the period in which they occur in Other Comprehensive Income.

1.5 Depreciation:-

- A) Depreciation on Fixed assets has been provided on Straight Line Method (SLM) based on the useful life and in the manner specified in the Schedule II of the Companies Act, 2013. Depreciation on addition/ deletion during the year is provided for on pro rata basis. The estimated useful life of fixed assets is as follows:

Asset Class	Years
Factory Shed	25
Furniture & Fixtures	10
Vehicles	10
Spares, Tools & Dies	25
Plant & Machinery	25
Electrical Installation	25
Office Equipment	25
Computers	3

1.6 Fixed Assets:-

All Fixed assets are stated at cost of acquisition less accumulated depreciation. Costs include all expenses incurred to bring the asset to its present location and condition. On transition to Ind AS, the Company has elected to continue with value of all of its fixed asset as at 1st April, 2017.

1.7 Inventories:-

Stores and components	-	At cost
Raw material	-	At cost
Work in Progress	-	At Estimated cost.
Scrap	-	At realizable value.

EXPO GAS CONTAINERS LTD

1.8 Income Tax:-

The Current year has been determined on the basis of Minimum Alternate Tax (MAT) liability under section 115 JB of the Income Tax Act, 1961 & as per normal provisions of Income Tax Act whichever is higher.

Deferred Tax reflect the current period timing differences between taxable income and accounting for the period and reversal of timing differences of earlier period. Deferred Tax Assets are recognized only to the extent that there is certainty that sufficient future income will be available to realize the same.

Deferred tax assets and liabilities are measured using the tax rates and tax law that have been enacted or substantively enacted by the Balance Sheet date.

1.9 Impairment of Assets

In accordance with IND AS 36 on 'Impairment of Assets', where there is an indication of impairment of the Company's assets related to cash generating units, the carrying amounts of such assets related to cash generating units, the carrying amounts of such assets are reviewed at each Balance Sheet date to determine whether there is any impairment. The recoverable amount of such assets is estimated as the higher of its net selling price and its value in use. An impairment loss is realizable whenever the carrying amount of such assets exceeds its recoverable amount. Impairment loss is recognized in Profit & Loss account, if at the Balance Sheet date there is an indication that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to the extent of the carrying value of the asset that would have been determined (net of amortization/depreciation) had no impairment loss been recognized.

1.9 Earnings per share

In determining the earning per share, the company considers the net profit after tax and post tax effect of any extra ordinary/exceptional item is shown separately. The number of shares considered in computing basic earning per share is the weighted average number of shares outstanding during the year.

1.10 Provisions and Contingent Liabilities

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. A disclosure for a Contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote no provision or disclosure is made. A contingent asset is neither recognised nor disclosed in the financial statements.

EXPO GAS CONTAINERS LTD

1.11 Investments

Long-term investments and current maturities of long-term investments are stated at cost, less provision for other than temporary diminution in value.

1.12 Lease

Assets taken on lease by the Company in its capacity as lessee, where the Company has substantially all the risks and rewards of ownership are classified as finance lease. Such a lease is capitalised at the inception of the lease at lower of the fair value or the present value of the minimum lease payments and a liability is recognised for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor, are recognised as operating leases. Lease rentals under operating leases are recognised in the statement of profit and loss on a straight-line basis.

1.13 Intangible Assets

The company does not have any intangible asset.

1.14 Foreign Exchange Transactionns

Income and expense in foreign currencies are converted at exchange rates prevailing on the date of the transaction.
