BANK BRANCHES

Message from **MD & CEO**

Dear Shareholders,

It gives me great pleasure to present to you the Annual Report of Tamilnad Mercantile Bank Ltd. for the year 2022-23. As the MD & CEO of the Bank, I am happy to say that the Bank has continued to progress and grow over the past year, despite the many challenges posed by the pandemic and the overall economic environment.

As a bank, we stand for integrity, transparency, and customer-centricity. These values have been at the core of our operations since inception, and we have strived to maintain them in all our interactions with our customers and stakeholders.

We believe that banking is not just about transactions, but about building relationships with our customers, understanding their needs, and providing them with the best solutions that meet their financial objectives. With this approach, we have been able to build a loyal customer base that trusts us for their financial requirements.

I state with great pride that during the FY 22-23, the bank entered the listed community with our maiden IPO being accepted by the market.

Over the past year, the Bank has continued to focus on expanding its reach and increasing its customer base. We have opened new branches in strategic locations across the country, and have also strengthened our digital capabilities to provide our customers with a seamless and convenient banking experience. We have also introduced new products and services that cater to the evolving expectation of our customers, and have ensured that our offerings are competitively priced.

In addition to our focus on customer service, we have also been committed to strengthening our risk management processes and improving our operational efficiencies. We believe that a strong risk management framework is essential for ensuring the safety and soundness of the Bank, and we have implemented various measures to identify and mitigate potential risks.

We have also invested in technology and automation to streamline our processes and reduce operational costs. This has not only helped us to improve our efficiency, but has also enabled us to provide our customers with faster and more reliable services.

At Tamilnad Mercantile Bank Ltd., we understand that our success is closely linked to the success of our customers, and we are committed to be along with them in their journey towards financial prosperity. To this end, we have continued to focus on financial inclusion, and have implemented various initiatives to bring banking services to the unbanked and underbanked segments of the population.

We have also been actively involved in various CSR initiatives, and have contributed to the development of the communities in which we operate. We believe that it is our responsibility as a socially conscious organization to give back to the society and contribute towards its progress and development.

Looking ahead, we remain optimistic about the future of the Bank. We believe that our focus on customer service, strong risk management framework, and commitment to innovation and technology will continue to drive our growth and success in the years to come.

With restrictions imposed by the regulator with regard opening of branches removed, we are poised to take advantage of the improving economy and new opportunities. The bank has established MSME-hubs in various centres, which will accelerate our growth.

As we move forward, we are confident that with the support of our shareholders, customers, and stakeholders, we will be able to achieve our goals and continue to make a positive impact on the lives of people.

I would like to express my sincere gratitude to all our stakeholders for their unwavering support and faith in us. We remain committed to delivering value to all our stakeholders, and look forward to your continued support in our journey towards excellence.

Thank you.

Sincerely,

Shri. S. Krishnan

KEY STRENGTHS

STRONG LEGACY, LOYAL CUSTOMER BASE AND FOCUS ON IMPROVING SERVICING FRAMEWORK

We have established ourselves as a well-recognized scheduled commercial bank having a strong network of branches, ATMs and CRMs across several states of India including Tamil Nadu being our home state, Maharashtra, Gujarat, Karnataka, and Andhra Pradesh, which has enabled us to maintain a strong customer base. We have consistently worked towards developing long-term relationships with our customers based on our knowledge of local needs and our experience in the sector, amongst other things.

We have also received several awards in recognition of our operations which was instrumental to the creation of loyal customer base over the years.

ADVANCES WITH FOCUS ON MSME, AGRICULTURAL AND RETAIL SEGMENTS

We have traditionally focused on small ticket size loan products to MSME customers, agricultural and retail customers for our growth. Our advances portfolio consists of a wide basket of retail finance and small ticket size MSME finance products. Our focus is on understanding the needs and expectation of our customers, particularly in the RAM space and adopting strategies to target these customer segments for our growth. We have dedicated marketing managers and agri-officers across our regional offices who specifically focus on growing the network of our existing MSME and agricultural customers. We leverage our presence in semi-urban and rural regions where we are located to attract more customers in the RAM segment. We have dedicated branches at Thoothukudi and Chennai in Tamil Nadu, and at Surat, Gujarat to cater to the requirements of MSME customers in these regions. Further, these dedicated branches act as facilitators for our MSME customers with a focus on improving our loan processing timelines and faster disbursals to benefit our MSME customers.

We have structured loan products available to meet the financial requirements of our MSME customers, which aids in growing our MSME customer base across all places where we are currently present. These products include "TMB-Traders & Services", "TMB – MSME Credit", "TMB Vehicle Finance (for commercial purposes)", "TMB-Rice Mill", "TMB-Dhall Mill", "TMB-Pharma and Health Care", "TMB-Micro Entrepreneurs under Pradhan Mantri MUDRA Yojna ("PMMY")", "TMB Vyapari" and TMB Rental-100" (for business purposes).

TMB GREEN INITIATIVES

Tamilnad Mercantile Bank Ltd. (TMB) is a leading private sector bank in India that has always been committed to sustainability and environmental protection. TMB understands the importance of reducing its carbon footprint and has taken several initiatives towards achieving this goal.

TMB has focused on reducing its energy consumption through various measures such as energy-efficient lighting, HVAC systems, and building automation systems. The bank has implemented energy audits to identify areas where energy consumption can be reduced and has taken steps to optimize its energy usage. To showcase its commitment to clean energy, this bank is installing solar panels in our branches, ATMs and administrative office.

TMB has also implemented various measures towards reducing paper consumption. The bank has introduced e-statements, e-receipts, and e-invoicing, which has not only reduced paper usage but has also made it more convenient for customers to access their account information and transaction records. In addition to this, TMB has also implemented a paper recycling program, which has helped to reduce its environmental impact.

2. Process and procedures followed for discharging its functions
3. Effectiveness of suggestions and recommendations received
4. Size, structure and expertise of the Committee
5. Conduct of its meetings and procedures followed in this regard

A separate peer review exercise was carried out to evaluate the performance of MD & CEO. The performance evaluation of the Chairman of the Board was not carried out, as we don't have a permanent Part Time Non – Executive Chairman.

Further, the Independent Directors, at their exclusive meeting held during the year on 16.03.2023, reviewed the performance of the Board, Non- executive Directors and other items as stipulated under the Listing Regulations.

The performance evaluation of the Independent Directors was carried out by the entire Board, without the participation of Independent Director being evaluated,

29. BANK'S POLICY ON DIRECTORS' APPOINTMENT AND REMUNERATION

The Bank has a Board approved Nomination and Remuneration Policy for appointment of Directors and Senior executives of the Bank.

The Bank has also Board approved compensation policy which deals with the compensation & benefits of the Managing Director & CEO and senior executive of the Bank.

As a Banking company, the Bank is required to have not less than fifty-one percent of its Directors, fulfilling the specified eligibility criteria referred to in Section 10A(2) of Banking Regulation Act, 1949. Further, for determining the independence of directors, the Bank strictly follows the criteria as laid down in sub-section (6) of Section 149 of the Companies Act, 2013.

The remuneration of the MD & CEO is recommended by the Nomination & Remuneration Committee (NRC) to the Board for approval after considering the factors prescribed under the Compensation Policy. The Board considers the recommendations of NRC and approves the remuneration, modifications, subject to shareholders' and regulatory approvals.

Pursuant to the recommendation made by the Nomination and Remuneration Committee and the approval of Board of Directors, the Reserve Bank of India has approved the remuneration payable to MD & CEO vide its letter dated 18.08.2022 and the same was approved by the Shareholders through Postal Ballot on 30.11.2022.

FORM NO. MR-3

SECRETARIAL AUDIT REPORT

FINANCIAL YEAR ENDED 31ST MARCH, 2023

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014

To,
The Members,
Tamilnad Mercantile Bank Limited
57, Victoria Extension Road
Thoothukudi – 628002

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Tamilnad Mercantile Bank Limited (hereinafter called the "Bank"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on my verification of Tamilnad Mercantile Bank Limited books, papers, minute books, forms and returns filed and other records maintained by the Bank and also the information provided by the Bank, its officers, agents and authorized representatives during the conduct of secretarial audit, *(including the Court Orders and without expressing any opinion on subject matter of pending litigation or matter covered in order of the Hon'ble Court)* we hereby report that in our opinion, the Bank has, during the audit period covering the financial year ended on 31st March, 2023 complied with the statutory provisions listed here under and also that the Bank has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Bank for the financial year ended on 31st March, 2023 according to the provisions of:

1. The Companies Act, 2013 (the Act) and the rules made there under;
2. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder to the extent applicable;
3. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings.

The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):

- a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018
- d. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- e. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

In relation to the other laws we have relied on the representation made by the Bank's Audit's Officers for systems and mechanism formed by the Bank for compliances under applicable Acts, Laws and Regulations as applicable to the Bank.

- a. Banking regulation Act, 1949 read with rules made thereunder;
- b. Reserve Bank of India, 1934 read with circulars, notifications & rules made thereunder;
- c. Securitization and reconstruction of Financial Assets and enforcement of Security Interest Act, 2002;
- d. The Bankers Book Evidence Act, 1891;
- e. Banking Companies Rules, 1949;
- f. Prevention of Money Laundering Act, 2002 read with rules made thereunder;
- g. Information Technology Act, 2000 and;
- h. The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

I have also examined compliance with the applicable clauses of Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review the Bank has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observation:

- a. It is observed that the Bank has not appointed part time Non- Executive Chairperson (PTC) in compliance with Section 10B of Banking Regulation Act 1949.

Initially on 20.11.2020, the Bank had sent the proposal for appointment of Mr. A. Niranjana Sankar, Director, as part time non-executive Chairman of the Bank, which was declined by Reserve Bank of India vide their letter dated 30th April 2021 advising the Bank to send the proposal for appointment of an independent part-time Chairman.

Subsequently on 05.08.2021, the Bank had sent the revised proposal for appointment of Mr.B.Prabaharan, Independent Director, as part time non-executive Chairman of the Bank, which was declined by Reserve Bank of India vide their letter dated 11th November 2021 stating that the Fit and Proper Criteria was not satisfied.

Again on 20.08.2022, the Bank has sent its proposal to RBI for appointment of Mr.B.Vijayadurai, Independent Director, as part time non-executive Chairman of the Bank. However, the same was declined by Reserve Bank of India vide their letter DOR.GOV.No. S3893/08.55.001/2022-23 dated September 19, 2022, quoting that the same has not been found "Fit & Proper".

On 08.02.2023, RBI advised the Bank to submit the fresh proposal for appointment of PTC within three months from the date of receipt of the letter and in response bank had requested RBI to permit till the completion of next AGM for submission of fresh proposal for PTC. Till date no response has been received from RBI.

- a. The Bank convened 98th, 99th and 100th Annual General Meetings for the financial year ended 31st March 2020, 31st March 2021 and 31st March 2022 respectively on 9th June 2022 pursuant to the directions of the Hon'ble High Court of Madras dated 22nd April 2022. As per the said order, "The petitioner-bank is at liberty to conduct the Annual General Meetings in accordance with law, adopting the guidelines formulated by the Ministry of Corporate Affairs, Government of India."
- b. It is observed that Directorate of Enforcement (DoE) had concluded that, M/s. Southern Agrifurance Industries Private Limited., (in which Mr. MGM Maran, who was the Past Chairman of Tamilnad Mercantile Bank, was also the Director/Shareholder) had made some foreign outward remittances, which were not bona-fide and were made with the objective to siphon-off funds from India in the name of ODI and that such remittances have been wrongly made under Automatic route, instead of Approval route, by not disclosing true and complete facts to the AD Bank. Hence DoE had held that the company has acquired and continue to hold, own, possess such foreign securities, foreign exchange in contravention of Section 4 of FEMA. Subsequently, during the period under review, DoE, vide their order dated 30th March 2022, had ordered the seizure of all their Indian assets, including the shares held by Mr. MGM Maran in Tamilnad Mercantile Bank. As per the above order and subsequent provisional attachment order No. 07/2022 dated 23.12.2022 issued by DoE, the Bank had made "Encumbrance" on these shares in the name of "The Enforcement Directorate, Government of India".
- c. It is observed that a penalty of ₹22,900/- (Rupees Twenty Two Thousand Nine Hundred Only) was levied by Reserve Bank of India-Chennai for detection of Counterfeit notes. The same was duly paid by the Bank.
- d. Further, a penalty subject to ₹10,70,000/- (Rupees Ten Lakh Seventy Thousand Only) was levied by Reserve Bank of India for Non-Replenishment of Automated Teller Machine(ATM). The same was duly paid by the Bank.
- e. Wherever notice was received by the bank from RBI or wherever clarification were sought, the Bank had duly replied to them within timeline and the same was placed before the board.

Subject to Para (a) to (d), I further report that

The Board of Directors of the Bank is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The subsequent changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act/RBI directives.

Adequate notice is given to all directors to schedule the Board Meetings, Agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. The Minutes of the Meetings have recorded the discussions, observations, directions and resolutions of the Board/Committees of the Board. All decisions were carried out with unanimous approval of the Board and there was no instance of dissent voting by any member during the period under review.

I have examined the systems and processes of the Bank in place to ensure the compliance with general laws like Labour Laws, Employees Provident Funds Act, Employees State Insurance Act, considering and relying upon representations made by the Bank and its Officers for systems and mechanisms formed by the Bank for compliance under these laws and other applicable sector specific Acts, Laws, Rules and Regulations applicable to the Bank and its observance by them.

I further report that there are adequate systems and processes in the Bank commensurate with the size and operations of the Bank to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, there were no instances of:

- I. Redemption / buy-back of securities.
- II. Major decisions taken by the Members in pursuance to Section 180 of the Companies Act, 2013.
- III. Merger / amalgamation / reconstruction etc.
- IV. Foreign technical collaborations.

During the period under review the Bank has made Initial Public Offering of upto 15,840,000 Equity Shares of Face Value of ₹10 each. The equity shares of the Bank (BSE Scrip Code: 543596 & NSE Symbol: TMB) are listed on September 15, 2022, in both the exchanges (BSE & NSE).

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A. INDUSTRY STRUCTURE AND DEVELOPMENTS.

GLOBAL ECONOMY

The global economy was impacted by successive waves of the COVID-19 pandemic by early 2022. The recovery of the same aided by the large policy stimulus and expanding coverage of vaccination, was jolted by the war in Ukraine. The gains achieved through concerted fiscal and monetary policy interventions during the pandemic period (2020 and 2021) were undermined by the impact of the war. Inflation grew from ~2% to ~9% across US and EU between 2017-2022, as a result of the monetary & fiscal stimulus during the pandemic. In response, central banks have aggressively hiked interest rates by +450 bps and +350 bps in US and ECB respectively to counter the effect of higher inflation. A generalized surge in global inflation triggered monetary policy actions by central banks in the form of successive interest rate increases and the pulling back of liquidity, leading to tightening of financial conditions and together with other factors. This had a toll on growth, which slowed from 6.2 per cent in 2021 to 3.4 percent in 2022, according to the International Monetary Fund.

However, due to the various actions including stimulus given by Central Banks across the world, Global inflation is expected to fall from 8.7% in 2022 to 7% in 2023 and <5% in 2024, still above pre-pandemic levels.

Overall, the prospects for the global economy continue to be shadowed by high inflation, the adverse effects of geo-economic fragmentation operating through restrictions on movements of trade, labour, capital and diffusion of technology and potential amplification of financial sector vulnerabilities.

DOMESTIC ECONOMY

A sustained recovery in discretionary spending, particularly in contact intensive services, restoration of consumer confidence, high festival season spending after two consecutive years of COVID-19 induced isolation and the Government's thrust on capex, provided impetus to the growth momentum. In the second half of the year, however, the pace of year-on-year growth moderated because of unfavorable base effects, weakening private consumption demand caused by high inflation, slowdown in export growth and sustained input cost pressures. Agriculture and allied activities were resilient in 2022-23, with gross value added (GVA) registering a growth of 3.3 per cent. In the industrial sector, manufacturing activity withstood global spillovers, while electricity generation exhibited robust growth, and mining recorded steady activity. Sustained momentum was seen in construction activity, while infrastructure and capital goods production

benefitted from the government-led investment in infrastructure. India is well placed to capture shift in trade flows (estimated at ~\$4.6 Tn) resulting from global supply chain disruptions backed by attractive government incentives.

Inflation reached a peak of 7.8 per cent in April 2022, which was moderated by supply management measures by the government and successive hikes in the policy repo rate by the Reserve Bank. Overall, headline inflation increased to 6.7 per cent in 2022-23 from 5.5 per cent in 2021-22.

The revised GDP growth for 2023-24 projected at 6.5% reflects the impact of the developmental measures taken by the Government.

Indian Banks are shielded from the volatility witnessed by International financial markets due to a diversified deposit & asset base, better risk management and tighter regulations. Equity markets in India, however, gained marginally, despite portfolio outflows and forex market pressures, reflecting India's growth resilience and rising investment in the market by resident entities.

India's merchandise exports touched US\$ 450.4 billion during 2022- 23, which is 6.7 per cent above the previous year's record level. India witnessed a transition from net importer to exporter in areas such as mobile phones and toys and registered a 10-fold increase in exports of defense goods in a short span, leveraging on policies such as 'Make in India' and 'AatmaNirbhar Bharat'.

Domestic economic activity exhibited resilience in the second half of the year under review, amidst accentuating global headwinds. Investment activity was robust while private consumption growth moderated. On the supply side, services sector was the main driver, with elevated input cost pressures dragging down the manufacturing sector.

Going ahead, the economic activity would be supported by improving rural demand, the Government's thrust on infrastructure spending, revival in corporate investment, healthy bank credit, and moderating commodity prices.

BANKING SECTOR

During the year, the banking system continued the efforts to augment capital and improve asset quality. Fresh lending gained momentum during 2022-23, resulting in double-digit credit growth encompassing all major sectors. The asset quality of scheduled commercial banks (SCBs) continued to improve, with gross non-performing assets (GNPA) ratio and net non-performing assets (NNPA) ratio declining and the quarterly slippage ratio cooling off. The provisioning coverage ratio (PCR) also steadily increased. Net interest margin (NIM) witnessed an improvement, reflecting the higher degree of transmission of monetary policy to lending rates than to deposit rates in the rising interest rate cycle. Consequently, profit after tax (PAT) registered strong growth. Return on equity (RoE) and return on assets (RoA) for SCBs improved further during the year.

Transactions routed through digital modes recorded a marked expansion in 2022-23 over and above the strong growth witnessed a year ago. In 2022-23, total digital payments recorded growth of 57.8 per cent and 19.2 per cent in volume and value terms, respectively, on top of growth of 63.8 per cent and 23.1 per cent, respectively, in the previous year. India outpaced other

nations to emerge as the largest player in real-time transactions at the global level, with a 46 per cent share in 2022. The strong penetration and growth in Unified Payments Interface (UPI) were buoyed by rapid merchant onboarding, growing digital awareness and policy thrust on continuous enhancements in the scope and reach of payment systems. India has also focused on increasing its banking sector reach, like the PMJDY and Post payment banks. Schemes like these coupled with major banking sector reforms like digital payments, neo-banking, a rise of Indian NBFCs and fintech, significantly enhanced India's financial inclusion and helped fuel the credit cycle in the country.

D. OUTLOOK

Enhanced spending on infrastructure, speedy implementation of projects and continuation of reforms are expected to provide further impetus to growth in the banking sector. All these factors suggest that India's banking sector is poised for robust growth as rapidly growing businesses will turn to banks for their credit needs. The advancement in technology has brought mobile and internet banking services to the fore. The banking sector is laying greater emphasis on providing improved services to their clients and upgrading their technology infrastructure to enhance customer's overall experience as well as give banks a competitive edge.

The future state of the Indian Banking lies in the modernization of the core banking system. Introduction of new, better and agile technologies is carving out new paths of growth and optimization.

Banking will be more lifestyle oriented and banks will look to extend their core systems to kick-start growth by launching new products, build digital experiences, and augment operational efficiency by leveraging the likes of AI, machine learning and cloud technologies. These would include themes like digital on boarding and quick loan disbursals.

Artificial Intelligence, Machine learning and Deep-learning will be employed as decision - making tools to judge the behavioral aspects of customers.

Block chain technology will enable revisiting of processes, procedures and internal controls, to create an effective and robust sustainable structure. Adoption of block chain will be gradual and steady, as waves of technological and institutional changes gain momentum.

Gradual transition to "Transaction based lending" based on "cash flows" of the borrower as against "Asset Based Lending" for the large borrowers will emerge with lesser reliance on "Cash Credit System" as a credit delivery mechanism.

Green and Sustainable Banking with an endeavor to allocate resources towards avenues that lead to Environment, Social, and Governance objectives, in line with international standards.

The following are the strategies Bank will adopt to grow its business

- In order to attain the vision of making your Bank the 'most preferred digital Bank', a five-year strategy plan was laid out during the year.
- The Bank will embark into a Technology, Digital and HR transformation besides Business Process Re-engineering (BPR).
- With a clear vision which strives for deeper and more profitable customer relationships and operational excellence to streamline the organization, your Bank is all set to move towards an ever-improving P&L and Balance Sheet
- The insurance partners have been extending their support by deploying man power at the Regions/branches for training the staff members to cross-sell as well as source business along with the staff members.

- A global management consulting firm has been engaged for Business process re-engineering in MSME sector.
- Exploring to have tie-up with fintech companies for increasing the non-interest income.
- Introducing the end-to-end loan digitization.
- Use of Data Mining, Artificial Intelligence (AI), Machine learning and other evolving technological tools will help in not only retaining the customers but also to widen the client base.
- On the credit front, a lot is expected to be done for improving the Credit Appraisal Standards, Monitoring Mechanism and Risk Management Strategies.
- The credit delivery system may undergo a change with transition towards Transaction based lending, based primarily on “Cash flows, as against “collateral based landing”.
- Green and sustainable banking shall be an integral part of future banking scenario with an aim to allocate resources towards avenues that lead to environmental, social and governance objectives, in line with the emerging opportunities.

E. RISKS AND CONCERNS.

The Risk Management philosophy of your Bank is to accept risk as an essential aspect of business and take necessary steps to manage and mitigate the risk. Your Bank seeks to build business which expands but always within the overview of the risk management principles. As with all banks in the banking system, your Bank is exposed to various risks that are inherent to any banking business. The major risks are credit risk, market risk including interest rate risk and liquidity risk, Operational risk, Reputational and strategic risks. Your Bank has put in place a very responsive risk management framework. The Bank has robust risk management policies, well laid out procedures, processes and methodologies to manage the risks envisaged.

The overall responsibility for establishing a strong risk management framework lies with the Board of Directors. The Risk Management Committee (RMC) of the Board oversees the implementation of various measures for efficient risk management with the support of the Executive Level Committees.

Risk Management Department is headed by the Chief Risk Officer, who is responsible for the risk management functions of your Bank. An independent risk governance structure has been put in place, duly ensuring independence of risk measurement, monitoring and control functions. The bank has a well-articulated risk appetite statement and activities of the bank are structured to fall in line with the risk appetite, which is defined.

Your Bank has an internal rating mechanism, which forms the basis for risk linked pricing framework. The bank also has a scoring structure for the retail loans. The loan policy of the Bank ensures that the underwriting standards are maintained, on line and off line monitoring methods are devised to strengthen supervision of credit and whenever weaknesses are perceived, risk mitigation measures are implemented. The Bank has also EWS system, which is an automated environment for early detection of frauds.

The Bank has exposures in RAM segment i.e. Retail, Agriculture and MSME. The bank has been traditionally strong in these areas and proposes to build on the expertise it has gained over the years for further growth in these segments. Retail has a specific focus of home loans and the Bank intends to increase the exposure in this portfolio. Your Bank is active in lending for two-wheelers and four wheelers and will continue to expand in this segment. The risk management structure for identifying, measuring, monitoring, controlling and mitigating the risks for these portfolios are well entrenched.

With regard to industry exposure, in addition to good underwriting skills strengthened by established appraisal norms, there are also mechanism of capping various exposures on the basis of the borrower group, industry, credit rating grades and geography, amongst others. Further major sectors are also monitored by having caps in place. Concentration risk is tracked by putting proper limits.

Credit risk management is practiced in your Bank, through its various policies, risk assessing tools and risk mitigating measures, which forms the base for good credit growth coupled with asset quality.

Your Bank has put in place proper framework for market risk management. The Bank has a conservative approach to investment and mainly invests in Government securities. In case of investing in bonds of corporate entities, the Bank ensures that the external rating of the entities are investment grade only.

The forex activities are mainly trade finance oriented, purchasing, discounting and negotiating bills drawn on various currencies on account of our customers. The Bank has put in limits with regard to its foreign currency position like Net Overnight Open position, Currency wise aggregate gap limits etc., so that the fluctuations of foreign currencies does not lead to any substantial loss to the Bank. Counterparty limits for exposures with banks are also in place to ensure that the Bank not enter into any high exposures with banks.

The Bank also understands that the Operational risk is one the major risks faced by banks and there is a need to have bank wide structure in place to identify, monitor and mitigate this risk. The Bank conducts Risk and control Self-assessment (RCSA) on its products and processes to understand the control deficiencies, if any, and take steps to address the same. Further, the Bank is laying great emphasis on training and educating its staff on all banking matters especially in various types of products and processes so that errors can be minimized. System based checks are also in place to ensure that the mistakes can be prevented. Your bank is taking all the steps necessary to ensure that the impact of operational risk is reduced

F. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY.

INSPECTION AND AUDIT

Inspection and Audit independently evaluates the adequacy, completeness, operational effectiveness and efficiency of all internal controls, risk management/governance systems and processes of the Bank. The Audit Committee of the Board provides direction and reviews the adequacy of internal audit function, including its reporting structure, staffing, coverage and frequency of audits. The Head of Inspection Department is designated as the "Internal Auditor" of the Bank and reports directly to Managing Director & CEO. An executive level committee named

the “Audit Committee of Executives” headed by the Managing Director & CEO oversees the audit and inspection functions and reviews the audit procedures and methodologies, effectiveness of audit systems, progress in completion of audits, risk rating of branches, and significant audit findings. The Risk Based Internal Audit Policy, Credit Audit Policy, Management Audit Policy, Concurrent Audit Policy and Information System Audit Policy which serve as the basic guidance documents for internal Audit function, were subjected to annual review during the year. The review covered appropriate modifications and refinements based on regulatory guidelines, changes in internal rules and guidelines, directions of the Audit Committee of the Board and the Board of Directors. The review and modifications ensured that the audit systems and procedures are contemporary and continue to be an effective tool for monitoring control and compliance in the Bank. Inspection & Audit is responsible for self-assessment of the Bank’s internal financial controls by testing and validating the effectiveness of controls on an ongoing basis. The major audits undertaken by the Bank during the financial year are

RISK BASED INTERNAL AUDIT

Our Bank has leveraged on Risk Based Internal Audit (RBIA) as a tool to assess the risks in its processes, operations and effectiveness of related controls. Risk Based Internal Audit conducted at branches focus on evaluating the branches based on the level of inherent business risks and control risks. 536 Risk Based Internal Audits were conducted during the financial year 2022-23.

INFORMATION SYSTEM AUDIT

Information System Audit collects and evaluates the evidence to determine whether the information system safeguards assets, maintains data integrity and availability, achieves organizational goals effectively and consumes resources efficiently. It focuses on the risks that are relevant to information assets and assesses the adequacy of controls implemented for mitigating the risks. All critical IT infrastructures in the Bank are subjected to Information System Audit by information systems professionals from reputed CERT-IN empaneled external audit firms and Certified Information System Auditors (CISA) of the Bank. Critical Information Systems are subjected to Vulnerability Assessment & Penetration Testing (VAPT) every quarter. In addition to this, Information System Audit covering physical security of IT systems and business continuity procedures is conducted at branches/offices. During the financial year 2022-23, Information System Audit was conducted in 557 branches/offices.

The feedback from management audit is relied upon by the auditee units to improve the processes, procedures and systems in place in such offices. During the financial year 2022-23, Management Audit was conducted in 18 offices.

OFFSITE AUDIT

Offsite audit is a forward looking diagnostic tool to identify gaps in the systems and procedures of the Bank. The revenue audit in the Bank is undertaken through Offsite Audit. Your Bank leverages Audit Command Language (ACL) tool for generating and analyzing exceptions while conducting offsite audits.

CONCURRENT AUDIT

Our Bank is increasingly relying on 'Concurrent Audit' as an early warning system to ensure near real-time detection of irregularities and lapses and is also used as a tool to prevent frauds. Your Bank has implemented the revised Concurrent Audit framework, duly approved by the Audit Committee of the Board, as per RBI circular dated September 18, 2019, with effect from April 1, 2020. During the year under review, Concurrent Audit was in place in 200 branches and 20 offices, covering 68.23% of total advances and 72.11% of total deposits of our Bank. The offices covered under the Concurrent Audit include all the Regional offices, Central Processing Centre, Chennai Service branch, International Banking Division, Treasury Department, DPS Cell, ATM Cell, Accounts Department, Information Technology Department, Establishment Department, Planning Development & Resources Mobilisation Department, and Branches where RBIA risk rating is assessed as "High". Concurrent Audit is also conducted in all the currency chests as required by the Reserve Bank of India. 210 External Auditors / Audit Firms were engaged for concurrent audit assignments during the period.

CREDIT AUDIT

In our Bank, verification of account operations, end-use, stock, documents, etc. of big borrowal accounts are carried out periodically at post-sanction level and referred as Credit Audit. During the financial year 2022-23, 252 Credit Audits were conducted.

OUTSOURCE AUDIT

A Comprehensive Risk Based Due Diligence of Partners/Service providers is conducted to ensure that they are financially stable, comply with all regulatory norms, and have all the required information security controls in place to safeguard the interests of all the stakeholders of the Bank. During the financial year 2022-23, 20 outsourced agencies were audited.

The Inspection Department is manned by appropriately qualified personnel and has a staff strength of 36 officers (as on March 31, 2023) with expertise and exposure in all activities of the Bank, such as branch operations, credit sanction, credit monitoring, clearing operations, information technology, risk management and treasury operations.

LOANS:

The Bank offers various loan products to cater to the credit requirements of different types of borrowers. Branches and Regional Offices source credit proposals which comply with the scheme norms and policy guidelines stipulated by the Bank. Preliminary scrutiny is carried out by Branches / RMs through inspection of the business unit, market enquiries and discussions with the customer. After preliminary scrutiny and collection of all the documents mandated by the Bank, the credit proposal is sent to the respective sanctioning authority. A comprehensive assessment of the credit proposal is carried out by sanctioning authority such as verification of Bureau records, CFR check, financial and commercial viability, ascertaining managerial competence and creditworthiness etc. Internal rating of the credit proposal is also carried out and it is ensured that the rating is above the threshold grade / score fixed by the Bank. The

bank also obtains the services of empaneled advocates and valuers to ensure that the property offered as security to the Bank is marketable and can be enforced by the bank in case of need.

While sanctioning the credit proposal, the sanctioning authority stipulates suitable covenants (pre disbursal and post disbursal) which shall be complied with by the borrower. The post disbursal covenants are monitored by the Credit Monitoring Department for timely compliance. In addition, the Credit Monitoring Department tracks the performance of the loan account based on the transaction-based behaviour and early warning signals observed. The property / other securities charged to the bank will be released after closure of the loan.

DEPOSITS:

The deposit lifecycle begins with sourcing of customers through branches/ offices or walk-in customers. The requisite KYC checks and other information of customers are collected and reviewed to ensure compliance with extant regulations. KYC complied customers can open deposits either through digital channels such as mobile banking/ internet banking or through submission of application form in the branches. Deposit receipt is provided to the customer who opens Fixed Deposits and the details can also be viewed through the digital channels, irrespective of the mode of opening. Upon maturity, fixed deposits are either closed and the proceeds transferred to the operative account or renewed. Customers can also open operative accounts such as Savings Bank or Current Account. The customers would be provided with various facilities such as cheque books and debit cards for operative accounts. The accounts can be closed by the customer upon submission of a request.

PRINCIPLE 9 – BUSINESSES SHOULD ENGAGE WITH AND PROVIDE VALUE TO THEIR CONSUMERS IN A RESPONSIBLE MANNER

ESSENTIAL INDICATORS

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.

A dedicated customer service cell is functioning in the Operations and Services Department. We are having a dedicated all India toll-free customer helpline for the use of customers to enquire about the products and services. Customers can also register their grievances and get spontaneous assistance through toll-free number 1800-425-0-426 during the bank working hours. We have a dedicated phone number for customer care / help, 9842-461-461. It also includes SMS based customer help line. Customers can seek help by sending an SMS with the text, HELP. We are also having two dedicated e-mails for the use of customers to register their grievances and complaints – customerservice@tmbank.in and complaints@tmbank.in. Customers can also register their enquiries / feedback / complaints / grievances through our banks website www.tmb.in. The customer will receive instant acknowledgement to their e-mail ID for the suggestions / feedback / complaints / grievances registered by them.

We are maintaining a centralized registry for recording all the complaints received through letters, mail, Banking Ombudsman and other regulators. The Branches, Regional Offices and Customer Service Cell can access the record/retrieve the details through exclusive login ID and password provided to them for login into complaint portal. We are also having Online Dispute Resolution System (ODRS) for registering the complaints related to the digital transactions (ATM, UPI, ECOMM, POS, and other IT related complaints). The complaint number and status of the complaint will be popped up to the customers through SMS to their registered mobile number from the ODRS.

We are conducting Standing Committee on Customer Service at all our branches every month. During the meeting, the feedback / suggestions given by the customers are collected through MIS portal and the feasible suggestions are implemented and placed before the Stakeholders Relationship and Capital Planning Committee of the Board.

Incorporated in these financial statements are the returns of Head Office, 21 branches, Integrated Treasury & International Banking Division audited by us and 509 branches audited by statutory branch auditors located across India. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements read with notes thereon, give the information required by the Banking Regulation Act, 1949 as well as the Companies Act, 2013 ('the Act'), as amended and circulars and guidelines issued by the Reserve Bank of India ('RBI'), in the manner so required for the banking companies and are in conformity with the accounting principles generally accepted in India including the Accounting Standards prescribed under section 133 of the Act read with Companies (Accounting Standards) Rules, 2021, give a true and fair of the state of affairs of the Bank as at March 31, 2023, and its profit, and its cash flows for the year ended on that date.

BASIS FOR OPINION

2. We conducted our audit of the Bank including its branches in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act read with Companies (Accounting Standards) Rules, 2021, provisions of section 29 of the Banking Regulation Act,

1949, circulars and guidelines issued by RBI from time to time and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

BASIS FOR OPINION

3. Key audit matters are those matters that, in our professional judgement, and based on the consideration of the reports of the statutory branch auditors as referred to paragraph xx below, were of most significance in our audit of the financial statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.
4. We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

A	<p>Identification of Non-performing advances (NPA) and provisioning on advances:</p> <p>Advances include Bills purchased and discounted, Cash credits, Overdrafts, Loans repayable on demand and Term loans. These are further categorised as secured by Tangible assets (including advances against Book Debts), covered by Bank/ Government Guarantees and Unsecured advances.</p> <p>The Reserve Bank of India ('RBI') has prescribed the 'Prudential Norms on Income Recognition, Asset Classification and Provisioning' in respect of advances for banks ('IRACP Norms').</p> <p>The identification of performing and non-performing advances (including advances restructured under applicable IRACP Norms) involves establishment of proper mechanism and the Bank is required to apply significant degree of judgement to</p>	<p>Our approach and procedures for auditing the classification of advances, identification of non-performing advances, income recognition, and provision on advances included the following steps:</p> <ol style="list-style-type: none"> 1. We examined and assessed the bank's accounting policies for identifying non-performing assets (NPAs) and making provisions, ensuring compliance with the IRACP norms prescribed by the Reserve Bank of India (RBI). 2. We reviewed and tested the design and effectiveness of key controls, including system-based automated controls, for identifying and provisioning NPA accounts, based on the extant guidelines on IRACP laid down by the RBI. 3. We conducted additional procedures to identify NPAs, which included:

Testing exception reports generated by the bank's application systems where advances are recorded. b. Analyzing accounts reported by the bank and other banks as Special Mention Accounts (SMA) in RBI's central repository of information on large credits (CRILC) to identify potential stress. c. Reviewing borrower account statements, drawing power calculations, security details, and other relevant information based on quantitative and qualitative risk factors. d. Examining minutes of management committee and credit committee meetings, and conducting inquiries with the credit and risk departments to identify indicators of stress or default events in loan accounts or products. e. Considering audit reports and memorandum of changes issued by statutory branch auditors. f. Reviewing internal audit, systems audit, credit audit, and concurrent audit reports in accordance with the bank's policies and procedures. g. Analyzing the RBI Annual Financial Inspection report on the bank, the bank's responses to observations, and other communications with the RBI throughout the year. h. Examining a sample of advances, including stressed or restructured advances, to assess compliance with the RBI's Master Circulars/Guidelines. i. Conducting branch visits and examining documentation and records related to advances.

	KEY AUDIT MATTER	HOW THE KEY AUDIT MATTER WAS ADDRESSED
		<p>For identified non-performing advances, we conducted sample-based testing of asset classification dates, reversal of unrealized interest, valuation of available security, and provisioning as per the IRACP norms. We recalculated the provision for NPAs on these samples, considering key factors, and compared our findings with the management's measurements.</p>
B	<p>Information Technology ("IT") Systems and Controls</p> <p>The Bank highly relies on information systems, including automated controls, for its key financial accounting and reporting processes. However, this dependence poses a risk that deficiencies in the IT control environment could lead to significant misstatements in the financial accounting and reporting records.</p> <p>Given the Bank's use of multiple systems for overall financial reporting and the high volume of daily transactions recorded across various locations, protecting the integrity of the Bank's systems and data has become increasingly challenging. Cybersecurity risks have emerged as a significant concern in recent periods.</p> <p>Considering the pervasive and intricate nature of the IT environment, as well as its critical role in ensuring accurate and timely financial reporting, we have identified this area as a Key Audit Matter.</p>	<p>As part of our audit procedures for reviewing the Bank's IT systems and related controls for financial reporting, we undertook the following actions:</p> <ul style="list-style-type: none"> - We conducted testing to evaluate the design and effectiveness of the Bank's IT access controls over critical information systems used for financial reporting. - We performed sample testing of IT general controls, including logical access, change management, and aspects of IT operational controls. This involved reviewing and authorizing access requests to systems and inspecting requests for changes to systems for approval and authorization. We also considered the control environment related to interfaces, configuration, and other application layer controls that were identified as crucial for our audit. - We examined the Bank's controls pertaining to the prevention of unauthorized opening and operations in internal/office accounts. - Furthermore, we tested the design and operating effectiveness of specific automated controls that were identified as key internal financial controls for financial reporting. Whenever deficiencies were identified, we sought explanations regarding compensating controls or performed alternative audit procedures. Additionally, we took into account any changes made to the IT landscape during the audit period that had a significant impact on financial reporting and conducted testing accordingly.

C	<p>Evaluation of litigations included in Contingent Liabilities.</p> <p>Significant judgements and estimates for NPA identification and provisioning could give rise to material misstatements on:</p> <p>Considerable management judgment is necessary to determine the existence of obligations and whether provisions should be recognized on the reporting date, in accordance with the accounting criteria specified in Accounting Standard 29 - Provisions, Contingent Liabilities, and Contingent Assets (AS 29), or whether they should be disclosed as contingent liabilities. Additionally, significant judgments are involved in measuring such obligations, with the following being the most significant:</p> <ul style="list-style-type: none"> • Assessment of liability: Determining whether the likelihood of outflows related to identified material matters is probable and can be reliably estimated requires judgment. • Adequacy of provisions: The appropriateness of assumptions and judgments utilized in estimating significant provisions is a key consideration. • Adequacy of disclosures: Ensuring that provisions for liabilities and charges, as well as contingent liabilities, are appropriately disclosed. <p>The Bank's assessment is informed by factual information, their own judgment, experience, and advice from legal and independent tax consultants, as deemed necessary.</p> <p>Given that the assessment of these ongoing litigations entails a significant level of judgment in interpreting the law, we have identified this as a key audit matter.</p>	<p>Our Audit procedures with respect to this matter included:</p> <p>Testing the design and operating effectiveness of the Bank's key controls over the estimation, monitoring and disclosure of provisions and contingent liabilities.</p> <p>Our substantive audit procedures included and were not limited to the following:</p> <ul style="list-style-type: none"> • Obtaining an understanding of internal controls relevant to the identification of litigations and legal cases to be reported; • Obtained list of cases/matters in respect of which litigations were outstanding as at reporting date; • Examining recent orders and/or communication received from various tax authorities/judicial forums and follow up action thereon; • Evaluating the merit of the subject matter under consideration with reference to the grounds presented therein and available independent legal/tax advice including opinion of the Bank's tax consultants; • Review and analysis of evaluation of the contentions of the Bank through discussions, collection of details of the subject matter under consideration, the likely outcome and consequent potential outflows on those issues; • Verification of disclosures related to significant litigations, taxation matters and Employee benefits liabilities in the financial statements.

EMPHASIS OF MATTER

5. We draw attention to
 - a. Note No.4.i. of the accompanying financial statements which describes the uncertainties due to the outbreak of novel coronavirus (COVID 19). In view of these uncertainties, the impact on the Bank's financial statements is significantly dependent on future developments.
 - b. Note No.14.i. of the accompanying financial statements where the Bank, as required under law, has pre-deposited the penalty before the Appellate Tribunal amounting to Rs.16.99 crores levied by Directorate of Enforcement, for recording share transfers during 2007, 2011 and 2012, in violation of the regulation 4 of Foreign Exchange Management (Transfer or Issue of security by a person resident outside India) Regulations,2000.,

Our opinion is not modified in respect of the above matters.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND THE AUDITOR'S REPORT THEREON

6. The Bank's Board of Directors are responsible for other information. The other information comprises the Corporate Overview, Directors' Report including annexures to Directors' Report, Management Discussion and Analysis, Basel III – Pillar 3 disclosures and Corporate Governance report included in the Annual Report, but does not include the financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the Financial Statements does not cover the other information and Pillar 3 disclosure under the Basel III Disclosure and we do not express any form of assurance/ conclusion thereon

In connection with our Audit of the Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Other Information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance..

We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT & THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

7. The Bank's Board of Directors is responsible for the matters stated in Section 134(5) of the Act, with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act read with read with Companies (Accounting Standards) Rules, 2021 in so far as they apply to the Bank and

provision of Sec.29 of the Banking Regulation Act 1949 and circulars and guidelines issued by the RBI from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Bank's financial reporting process.

AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF THE FINANCIAL STATEMENTS

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the Bank to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit of the financial information of the Bank and such branches included in the financial statements, of which we are the independent auditors. For the other branches included in the financial statements, which have been audited by statutory branch auditors, such branch auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our Audit work and evaluating the results of our work; and (ii) to evaluate the effect of identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year ended March 31, 2023 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

OTHER MATTERS

9. We did not audit the financial statements/information of 509 branches included in the financial statements of the bank whose financial statements/financial information reflect total assets of ₹44,387.62 Crores as at March 31, 2023 and the total revenue of ₹2,894.77 Crores for the year ended on that date, as considered in the financial statements. These branches cover 80.88% of Advances, 77.22% of Deposits and 74.44% of Non-Performing assets as at March 31, 2023 and 61.46% of revenue for the year ended March 31, 2023. The Financial Statements/Information of these branches have been audited by the branch auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of branches, is solely based on the report of such branch auditors.

Our report is not modified in respect of these matters.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

10. The Balance Sheet and the Profit and Loss Account have been drawn up in accordance with the provisions of Section 29 of the Banking Regulation Act, 1949 and Accounting Standards as per section 133 of the Act read with Companies (Accounting Standards) Rules, 2021. Being a Banking Company, the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of the powers conferred by subsection (11) of section 143 of the Companies Act, 2013, is not applicable.

 - The returns received from the offices and branches of the Bank have been found adequate for the purposes of our audit; and
 - The Profit and Loss account shows a true balance of profit for the year then ended.
12. Further, as required by Section 143 (3) of the Act, we report to the extent applicable that:
- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - In our opinion, proper books of accounts as required by law have been kept by the Bank so far as it appears from our examination of those books and proper returns adequate for the purpose of our audit have been received from branches not visited by us.
 - The reports on the accounts of the branches audited by branch auditors of the bank under section 143(8) of the Companies Act, 2013 have been sent to us and have been properly dealt with by us in preparing this report.
 - The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts and with the audited returns from the branches.
 - In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with read with Companies (Accounting Standards) Rules, 2021 to the extent they are not inconsistent with the Accounting Policies prescribed by the Reserve Bank of India.
 - On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Companies Act.

- g. With respect to adequacy of the Internal Financials controls over Financial Reporting of the Bank and the operating effectiveness of such controls, refer to our separate report in Annexure – I, and
- h. The entity being a banking company as defined under Banking Regulation Act, 1949, the remuneration to its directors during the year ended March 31, 2023 has been paid/ provided by the Bank in accordance with the provisions of Section 35B(1) of the Banking Regulation Act, 1949
- i. With respect to other matters to be included in the Auditors report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:
- i. The Bank has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note No. 15.13 to the financial statements;
 - ii. The Bank has made provision as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including forward derivative contracts – Refer Schedule 12 to the financial statements.
 - iii. There has been delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Bank and the details are disclosed in its financial statements – Refer Note No. 14.j. to the financial statements.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the Notes to the Accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Bank to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Bank (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, other than as disclosed in the Notes to the Accounts, no funds have been received by the Bank from any person(s) or entity(ies), including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Bank shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate beneficiaries; and
 - (c) Based on the audit procedures that have been considered reasonable and appropriate by us in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) above, contain any material misstatement.

- v. The dividend paid by the Bank during the year is in compliance with section 123 of the Companies Act 2013.
- vi. As stated in Note No. 15.16 to the financial statements, the Board of Directors of the Company have declared and paid dividend during the financial year and the same is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.

ANNEXURE - I TO THE AUDITORS' REPORT

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

(Referred to in paragraph 10 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls over financial reporting of Tamilnad Mercantile Bank Limited ("the Bank") as of March 31, 2023 in conjunction with our audit of the financial statements of the Bank for the year ended on that date which includes internal financial controls over financial reporting of the Bank's branches.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS:

The Bank's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Bank's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Banking Regulation Act, 1949 and the circulars and guidelines issued by the Reserve Bank of India.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Bank's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (the "ICAI") and the Standards on Auditing (SAs) issued by the ICAI, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an

understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal financial controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the branch auditors, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Bank's internal financial controls over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Bank's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A Bank's internal financial controls over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Bank are being made only in accordance with authorisations of management and directors of the Bank; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Bank's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the branch auditors referred

to in the Other Matters paragraph below, the Bank has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the criteria for internal control over financial reporting established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

OTHER MATTERS

Our aforesaid report insofar as it relates to the operating effectiveness of internal financial controls over financial reporting of 509 branches is based on the corresponding reports of the respective branch auditors of those branches.

Our opinion is not modified in respect of this matter.

TAMILNAD MERCANTILE BANK LIMITED

57, V.E. ROAD, THOOTHUKUDI-628002

SCHEDULES FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2023.**SCHEDULE-17: SIGNIFICANT ACCOUNTING POLICIES****I. GENERAL****OVERVIEW**

Tamilnad Mercantile Bank Limited (TMB or the Bank), incorporated in Thoothukudi, India is a publicly held Banking Company governed by the Banking Regulation Act, 1949 and is engaged in providing a wide range of banking & financial services involving retail, corporate banking and para-banking activities in addition to treasury and foreign exchange business.

BASIS OF PREPARATION

The financial statements have been prepared in accordance with requirements prescribed under the Third Schedule of the Banking Regulation Act, 1949. The accounting and reporting policies used in the preparation of these financial statements conform to Generally Accepted Accounting Principles in India (Indian GAAP), the guidelines issued by Reserve Bank of India (RBI) from time to time and the Accounting Standards notified under Section 133 of the Companies Act, 2013 read together with paragraph 7 of the Companies (Accounts) Rules, 2014 to the extent applicable and practices generally prevalent in the banking industry in India. The Bank follows the historical cost convention and the accrual method of accounting, except where specifically stated and it conforms to the guidelines issued by RBI for banks.

USE OF ESTIMATES

The preparation of financial statements requires management to make estimates and assumptions that are considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates & assumptions used in the preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. The impact of any revision in these estimates is recognised prospectively from the period of change.

2. REVENUE REGOGNITION

Income and expenditure is generally accounted on accrual basis except in the following cases:.

- a. In the case of NPAs, income is recognized on realization basis, in terms of guidelines of Reserve Bank of India. Where recovery is not adequate to upgrade the NPA accounts by way of regularization, such recovery is being appropriated towards interest in the first instance and towards the principal / book values thereafter, except in the case of suit filed accounts. In case of Non-performing investments (NPIs), the same accounting treatment as above is followed except otherwise agreed.
- b. Dividend Income is recognised when right to receive the dividend is established.
- c. Income from sale of mutual fund products, locker rent, insurance claims, commission on LCs, income on auxiliary services and other services, overdue charges on bills and commission on Government business are accounted on cash / realization basis.
- d. Income related to credit card is accounted on the basis of the bills raised.
- e. In the case of suit filed accounts, legal expenses are charged to the profit and loss account. Similarly, at the time of recovery of legal expenses, in respect of such suit filed accounts, the amount recovered is accounted as income.
- f. Funded Interest on Standard Restructured Advances and Interest on FITL are accounted as per the guidelines of Reserve Bank of India.

3. INVESTMENTS

Investments are accounted for in accordance with the extant RBI guidelines on investment classification and valuation.

Classification:

Classification of investments has been made as per the guidelines of Reserve Bank of India.

- a. The entire investment portfolio of the Bank is classified under three categories viz. "Held to Maturity", "Available for sale" and "Held for Trading". Securities that are held principally for resale within 90 days from the date of purchase are classified under the HFT Category. Investments that the company intends to hold till maturity are classified under the HTM category or as per RBI guidelines. Securities which are not classified in the above categories are classified under the AFS category.
- b. Transfer between the categories – Reclassification of investments from one category to other, if done, is in accordance with RBI guidelines. Transfer of script from AFS / HFT Category to HTM category is made at book value or market value, whichever is lower.
- c. In case of transfer of securities from HTM to AFS / HFT category, the investments held under HTM at a discount are transferred to AFS / HFT category at the acquisition price and investments placed in the HTM category at a premium are transferred to AFS / HFT at amortized cost.

- d. Transfer of investments from AFS to HFT or vice versa is done at the book value. Depreciation carried if any on such investments is also transferred from one category to another.
- e. The investments are classified for the purpose of Balance Sheet under five groups viz. (i) Government securities, (ii) Other approved securities, (iii) Shares, (iv) Debentures and Bonds and (v) Others.

Cost of Acquisition:

Brokerage / commission received on subscriptions is reduced from the cost. Brokerage, commission, securities transaction tax, stamp duty etc. paid in connection with acquisition of investments are expensed upfront and excluded from cost. Broken period interest paid / received on debt instruments is treated as interest expense / income and is excluded from cost / sale consideration.

Valuation:

Valuation of investments is done as follows:

- a. Investments held under "Held to Maturity" are valued at cost price. Wherever the cost price is more than the face value, the premium paid is amortized over the remaining period of maturity and the amortisation expenses is accounted on quarterly basis as per policy. In terms of the instructions of RBI, the excess of acquisition cost over face value of securities kept under "Held to Maturity" category is amortized up to the date of maturity and the amount amortized is deducted in Profit & Loss account Schedule 13 – Interest Earned, under item II – Income on Investments.

Profit on sale of securities under "Held to Maturity" category is initially taken to Profit & Loss account and then appropriated to Capital Reserve Account. The amount so appropriated would be net of taxes and the amount required to be transferred to statutory reserves. If there is a loss it is charged to Profit & Loss account.

- b. Investments classified under "Available for Sale" category are marked to market on quarterly basis. Shares held under "Available for sale" are marked to market on weekly basis. Scrip wise appreciation / depreciation is segregated group-wise. The Net Depreciation category wise is charged to Profit & Loss account. The Net Appreciation in any category is ignored.
- c. Investments classified under "Held for Trading" category except shares are marked to market scrip-wise on daily basis. Shares held under "Held for Trading" are marked to market on weekly basis. The net depreciation group wise is charged to Profit and Loss account and the net appreciation is ignored.
- d. Investments received in lieu of restructured advances are valued in accordance with RBI guidelines.
- e. Investments are valued periodically as per RBI guidelines as follows:
 - i. Central / State Government Securities are valued as per rates published by the Financial Benchmark India Pvt. Ltd. (FBIL).
 - ii. Debenture and Bonds have been valued with appropriate mark up over the YTM rates for Central Government Securities declared by FIMMDA/FBIL.
 - iii. Quoted shares are valued at market rates quoted on NSE / BSE.

- iv. Unquoted shares are valued at book value ascertained from the latest available Balance Sheet and in case the latest Balance Sheet is not available, the same is valued at Re.1 per company.
- v. Preference shares are valued at YTM, if dividend is received regularly. Where dividend is in arrears, appropriate depreciation is provided based on the number of years for which dividend is in arrears as per RBI guidelines.
- vi. Mutual Fund units are valued at market rates / NAV / Repurchase price as applicable.
- vii. Treasury bills, certificate of deposits and commercial papers are valued at carrying cost.
- viii. Zero Coupon Bonds are valued in the books at carrying cost. In the absence of market value, the ZCBs are marked to market with reference to the present value of the ZCB.
- ix. Provisions for Non performing investments are made as per RBI prudential norms. *
(* Prudential norms: Securities guaranteed by the State Government where the principal / interest is due but not paid for a period of more than 90 days are treated as non performing investments and appropriate provision is made and interest in respect of such investments is recognized as income only on cash basis.

Repurchase (REPO) transactions:

Repo and reverse Repo transactions are accounted in accordance with the extant RBI guidelines. Securities purchased / sold under Liquidity Adjustment Facility (LAF) with RBI are debited / credited to Investment account and reversed on maturity of the transaction. Interest expended / earned thereon is accounted for as expenditure / revenue.

4. ADVANCES & PROVISIONS

Classification:

Advances are classified into Standard, Sub-standard, Doubtful and Loss Assets and provisions for possible losses on such advances are made as per prudential norms / directions of the Board of Directors/directions issued by Reserve Bank of India from time to time.

In case of loan accounts classified as NPA, such accounts may be reclassified as Standard Asset if it confirms to the guidelines prescribed by RBI

Provisioning, Write Off & Recovery:

- a. With regard to the Standard Advances, Provisions are made as per extant RBI guidelines. In addition to the specific provision made towards identified NPAs, the bank also holds floating provision. Provisioning on categorized assets are made as follows:

ASSET CLASSIFICATION	PROVISIONING
Sub-standard	Secured 25%
	Unsecured 25%
Doubtful 1	Secured 25%
	Unsecured 100%
Doubtful 2	Secured 40%
	Unsecured 100%
Doubtful 3	100% on outstanding
Loss	100% on outstanding
NCLT referred loans	As per RBI instruction

- b. Education loans were provided at 100% in respect of NPA asset classification.
- c. Reserve Bank of India has given methodology to arrive at Unhedged Foreign Currency Exposure (UFCE) and for introduction of incremental provision and capital requirements. Accordingly, the incremental provisioning for UFCE is made as per RBI extant guidelines.
- d. Advances disclosed are net of provisioning made for non performing assets and floating provisions, provisioning on diminution in fair value of assets on restructured accounts.
- e. In terms of RBI guidelines, the NPAs are written-off in accordance with the Bank's policy. Amounts recovered against bad debts written-off are recognised in the profit and loss account.

5. FIXED ASSETS & DEPRECIATION

Fixed Assets:

Fixed assets are stated at cost less accumulated depreciation and impairment, if any. Cost includes incidental expenditure incurred on the assets before they are ready for intended use and Taxes and duties to the extent not eligible for input credits if any.

Computer Software is capitalised along with computer hardware and included under other fixed assets.

Carrying amount of fixed assets is reviewed at each balance sheet date for indication of impairment. Impairment loss if any, is recognised in the Profit and Loss Account to the extent the carrying amount of an asset exceeds its estimated recoverable value.

Depreciation:

Depreciation on fixed assets is provided over the estimated useful life of fixed assets on a straight-line basis, in accordance with estimated useful lives as specified in Schedule II to the Companies Act, 2013, and reckoning the residual value at 5% of the original cost of the asset except for the following:

CLASS OF ASSET	RATES OF DEPRECIATION PER ANNUM
Computer Hardware & Software	33.33%

In case of Assets purchased / sold during the year, depreciation is provided on a pro-rata basis for the actual number of days the asset has been capitalized.

Expenditure during construction / capital works pending completion is shown at cost.

6. FOREIGN CURRENCY TRANSACTION

Monetary Assets and Liabilities, Forward Exchange Contracts, Guarantees, Letters of Credit, Acceptances, Endorsements and other obligations are evaluated at the closing spot rates/ forward rates as published by the FEDAI and in accordance with Accounting Standard 11.

Income and expenditure items are translated at the exchange rates ruling on the respective dates of the transaction.

Gain or loss on evaluation of outstanding monetary assets/liabilities and Foreign Exchange Contracts are taken to Profit and Loss Account.

7. EMPLOYEE BENEFITS

The bank is following Accounting Standard 15 (Revised 2005) "Employee Benefits" as under:

- In respect of contributory plans viz-Provident Fund and Contributory Pension Scheme, the bank pays fixed contribution at pre-determined rates to a separate entity, which invests in permitted securities. The obligation of the bank is limited to such fixed contribution.
- In respect of Defined Benefit Plans, viz. Gratuity and pension as well as for leave encashment, provision has been made based on actuarial valuation as per the guidelines.
- The summarized position of Post-employment benefits and long term employee benefits have been recognized in the profit and loss account and balance sheet, as required in accordance with the Accounting Standard-15.
- The actuarial gain/loss is recognized in the profit and loss account.

8. SEGMENT REPORTING

As per RBI guidelines on enhancement of disclosures relating to segment reporting under AS-17, the reportable segments have been divided into treasury, corporate/wholesale, retail banking operations.

- The Bank recognizes the Business Segment as the Primary Reporting Segment and Geographical Segment as the Secondary Reporting Segment, in accordance with the RBI guidelines and in compliance with the Accounting Standard 17.
- Business Segment is classified into (i) Treasury (ii) Corporate and Wholesale Banking (iii) Retail Banking and (iv) Other Banking Operations.
- Geographical Segment consists only of the Domestic Segment since the Bank does not have any foreign branches.

9. LEASES

Leases where the lessor effectively retains substantially all risks and benefits of ownership are classified as Operating Leases. Operating Lease payments are recognized as an expense in the profit and loss account on a straight line basis over the lease term in accordance with AS19 Leases.

10. EARNINGS PER SHARE

The bank reports basic and diluted earnings per share in accordance with applicable AS-20. For the year under reference, both Basic and diluted earning per share being the same, is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding for the period

11. TAXES ON INCOME

- a. Income tax expense is the aggregate amount of current tax and deferred tax. Current taxes are determined in accordance with the provisions of tax laws prevailing in India. Deferred tax adjustments comprise changes in the deferred tax assets or liabilities during the period and Deferred Tax is determined in terms of AS-22 issued by ICAI.
- b. Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantially enacted prior to the balance sheet date. Deferred tax assets and liabilities are recognized on a prudent basis for future tax consequences of timing differences by adoption of Profit and Loss approach with their respective tax bases. The impact of changes in the deferred tax assets and liabilities is recognized in the profit and loss account.
- c. Deferred tax assets are recognized at each reporting date, based upon management's judgment as to whether realization is considered reasonably certain. Deferred tax assets are recognized on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax assets can be realized against future profits.
- d. No withdrawal is made from the Special Reserve created and maintained under the provisions of Section 36(1)(viii) of the Income Tax Act, 1961.

12. IMPAIRMENT OF ASSETS

Impairment losses, if any, on fixed assets are recognized in accordance with the AS-28 - 'impairment of assets' and charged to profit and loss account.

13. NET PROFIT

The net profit is arrived at after provisions for:.

- a. direct taxes;
- b. possible losses on standard assets, restructured advances, NPAs and other contingencies;
- c. depreciation/diminution on investments ;
- d. employee retirement benefits and
- e. Other usual and necessary provisions.

14. CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash in hand, Balance with RBI, Balance with other Banks and Money at Call at Short Notice including cash in ATM, Coin Vending Machine and Cash Deposit Machine.

15. CASH FLOW STATEMENT

The Bank has adopted the respective Accounting Standard prescribed under Companies (Accounting Standard) Rules, 2006 and follows indirect method.

16. INTANGIBLE ASSETS

The Bank has adopted the respective Accounting Standard prescribed under Companies (Accounting Standard) Rules, 2006 and follows indirect method.

17. CONTINGENCIES

Loss, if any from contingencies arising from claims, litigation, assessment, fines, penalties etc are recorded when it is probable that a liability has been incurred and the amount can be reasonably estimated.

The Bank does not recognize a contingent liability but discloses its existence in the financial statements. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

b) Liquidity coverage ratio (LCR):

Quantitative information on Liquidity Coverage Ratio (LCR) for the year ended March 31, 2023 is given below:

The Liquidity Coverage Ratio (LCR) is one of the Basel Committee's key reforms to develop a more resilient banking sector. The objective of the LCR is to promote the short-term resilience of the liquidity risk profile of banks by ensuring that banks have an adequate stock of unencumbered high-quality liquid assets (HQLA) that can be converted easily and immediately into cash to meet their liquidity needs for a 30 calendar days liquidity stress scenario. The LCR is expected to improve the banking sector's ability to absorb shocks arising from financial and economic stress, whatever the source, thus reducing the risk of spillover from the financial sector to the real economy. The LCR is calculated by dividing a bank's stock of HQLA by its total net cash outflows over a 30-days stress period. HQLA of bank is in the form of Government Securities and highly marketable and liquid securities / bonds.

The Bank has been maintaining HQLA mainly in the form of SLR investments over and above the mandatory requirements. The guidelines for LCR were effective January 1, 2015, with the minimum requirement at 60%, which would rise in equal annual steps to reach 100% on January 1, 2019. In order to accommodate the burden on banks cash flows on account of the Covid19 pandemic, RBI had permitted the banks to maintain LCR as under: vide their circular Ref DOR.BP.BC.No.65/21.04.098/2019-20 dated 17.04.2020.

DATE	LCR TO BE MAINTAINED
17.04.2020 to 30.09.2020	80%
01.10.2020 to 31.03.2021	90%
01.04.2021 onwards	100%

The present requirement, as on March 31, 2023 is 100%. Bank prepares daily Liquidity Coverage Ratio statement to assess the liquidity needs of the Bank on an ongoing basis. A number of data points are used in calculating the average figures in the template since January 01, 2017 and a simple average is calculated on daily observations over the previous quarter. Bank has been publishing information on LCR in annual financial statements under Notes to Accounts. LCR related information based on simple averages of daily observations for the year ended March 2023 is furnished below:

III) QUALITATIVE DISCLOSURE ABOUT LCR:

The main drivers of LCR Results:

The bank is having an adequate stock of unencumbered high-quality liquid assets (HQLA) that can be converted easily and immediately in markets into cash to meet liquidity needs for a 30 calendar days under liquidity stress scenario.

The net cash outflows for the next 30 days has been calculated after deducting the cash inflows from the outflows for the period. The inflows and outflows have been calculated based on RBI prescribed haircuts and run-off factors.

The Bank's LCR has been more than the minimum regulatory requirement for all the dates from April'22 to March'23. LCR of the bank for the Annual Financial Year 2022-23 stood at 211.65%.

Composition of HQLA:

The Level 1 Assets of our bank comprises of Cash in hand & Cash at ATM, Excess CRR and SLR, MSF & FALLCR are as per permitted extent. Level 1 asset is the main driver of HQLA, contributing around 98.02% in the total HQLA of the Bank.

Level 2A and Level 2B assets are well within the regulatory cap of 40% and 15% of the stock of HQLA respectively after the required haircut.

Corporate Bonds not issued by a Bank/Financial/NBFC which have been rated AA- or above by an Eligible Credit Rating Agency have been classified under Level 2A assets. Similarly Bonds not issued by a Bank/FI/NBFC which have been rated not lower than BBB- have been classified under level 2B Assets.

Outflows & Inflows:

Deposits are the main source of funds for the Bank.

Currency mismatch in LCR:

LCR is expected to be met and reported in a single currency. The bank is not having significant liabilities and HQLAs in any foreign currency.

Description of the degree of centralization of liquidity management and interaction between the group's units:

The Bank does not belong to any group and does not have any associate, subsidiaries, joint venture, etc.

C) Net Stable Funding Ratio (NSFR):

The RBI guidelines stipulated the implementation of NSFR effective from 1st October 2021 at a consolidated level with disclosure from quarter ended December 2021. Accordingly, the bank is computing the Consolidated NSFR. The NSFR is defined as the amount of Available Stable Funding relative to the amount of Required Stable Funding. Net Stable Funding is a liquidity measure which is the indication of the long term liquidity health of the Bank is measured as under.

$$\text{NSFR} = \frac{\text{Available Stable Funding (ASF)}}{\text{Required Stable Funding (RSF)}} \geq 100\%$$

Available stable funding (ASF) is measured based on the broad characteristics of relative stability of funding sources, including contractual maturity of its liabilities and the differences in the tendency of different types of funding providers to withdraw their funding. Required Stable Funding (RSF) is a function of the liquidity characteristics and residual maturities of the various

assets held by the bank including Off-Balance Sheet (OBS) exposures. The result should minimum of 100% to ensure liquidity comfort.

The table given below sets out the un-weighted and weighted value of the NSFR components as on 31st March 2023 based on audited financials. At a consolidated level, the NSFR of the bank comes out to 168.87% as on 31st March 2023 against the requirement of 100% as per RBI guidelines.

i) COVID -19

COVID-19 pandemic has and had an extraordinary impact on macroeconomic conditions in India and around the world during the past two years. The impact of COVID-19, including changes in customer behaviour and pandemic fears, as well as restrictions on business and Individual activities, had led to volatility in global and Indian financial markets and a decrease in global and local economic activities. The revival of economic activity has since improved supported by relaxation of restrictions due to administration of the COVID vaccines to a large population in the country. The extent to which any new wave of COVID-19 pandemic will impact the Bank results will depend on ongoing as well as future developments, including, among other things, any new information concerning the severity of the COVID-19 pandemic, and any action to contain its spread or mitigate its impact whether government-mandated or elected by us. On a prudent basis, the Bank holds a provision of ₹300 crores as at 31st March, 2023 against the potential impact of COVID-19 & other uncertainties (previous year 31.3.2022: Rs.250 crores).

i) Penalty levied by Directorate of Enforcement

The Bank had received a show-cause notice dated 17.12.2014 from the office of the Special Director, Directorate of Enforcement, Chennai, which was simultaneously issued to 26 persons/entities, including Standard Chartered Bank (SCB) and SCB's Head of operations, in connection with the alleged violation in transfer of shares on 13.05.2007, 26.12.2011 and 11.06.2012.

Subsequently, after considering all our submissions/written replies/responses/personal hearing, the Directorate of Enforcement had levied a penalty of ₹16.99 Crores on our bank, vide its order dated 14.08.2020.

In the meantime, on 27.01.2021, the Deputy legal advisor of the Directorate of Enforcement has filed an appeal before the appellate tribunal for foreign exchange, New Delhi with a prayer for confiscation of shares/de-nova proceedings. We understand from the other notice (previous Director) that they have also gone for appeal against the order of DoE. Considering the situation, our Bank has also filed an appeal before the Appellate Tribunal, New Delhi on 04.11.2022.

On 05.12.2022, the Appellate Tribunal was not inclined to hear the main issue in the absence of pre-deposit of the penalty amount before the Tribunal, as required under law. We have therefore agreed to deposit the amount of penalty and the penalty was deposited on 16.12.2022.

The Bank has paid the above penalty amount on 16.12.2022 and the bank is having necessary provision.

TABLE DF-2-CAPITAL ADEQUACY

QUALITATIVE DISCLOSURES

A. A SUMMARY DISCUSSION OF THE BANK'S APPROACH TO ASSESSING THE ADEQUACY OF ITS CAPITAL TO SUPPORT CURRENT AND FUTURE ACTIVITIES.

The Bank is following standardized approach, Standardized Duration approach and Basic Indicator approach for measurement of capital charge in respect of credit risk, market risk and operational risk respectively.

The computation of Capital for credit risk under Standardized Approach is done granularly borrower & account wise based on the data captured through Core Banking Solution. Bank is also taking efforts on an ongoing basis for the accuracy of the data. The various aspects of NCAF norms are imparted to field level staff regularly through circulars and letters for continuous purification of data and to ensure accurate computation of Risk Weight and Capital Charge. The Bank has used the credit risk mitigation in computation of capital for credit risk, as prescribed in the RBI guidelines under Standardized Approach.

The capital for credit risk on Loans and Advances, market risk and operational risk as per the prescribed approaches are being computed at the bank's Head Office and aggregated to arrive at the position of bank's CRAR. The bank has followed the RBI guidelines in force, to arrive at the eligible capital funds, for computing CRAR.

Besides computing CRAR under the Pillar I requirement, the Bank also periodically undertakes stress testing in various risk areas to assess the impact of stressed scenario or plausible events on asset quality, liquidity, profitability and capital adequacy.

The bank conducts Internal Capital Adequacy Assessment Process (ICAAP) on an annual basis to assess the sufficiency of its capital funds to cover the risks specified under Pillar - II of Basel guidelines. The adequacy of Bank's capital funds to meet the future business growth is also assessed in the ICAAP document, which is approved by the Board. While the surplus CRAR available at present acts as a buffer to support the future activities, the headroom available for the bank for mobilizing Tier 1 and Tier 2 capital (subject to approval by the competent authorities) is also assessed to meet the required CRAR against future activities.

The Bank is having high quality Common Equity Tier 1 capital, as the entire components of CET1 capital comprises of Paid up Capital, Reserves & Surplus and retained earnings.

MINIMUM CAPITAL REQUIREMENTS UNDER BASEL-III:

Under the Basel III Capital Regulations, Banks are required to maintain a minimum Pillar 1 Capital (Tier-I + Tier-II) to Risk-weighted Assets Ratio (CRAR) of 9% on an on-going basis. Besides this minimum capital requirement, Basel III also provides for creation of capital conservation buffer (CCB). The CCB requirements were implemented from 31st March 2016 in phases and final tranche 0.625% was fully implemented from October 1, 2021 to the extent of 2.50% (total CCB) of Risk Weighted Assets.

The total regulatory capital funds under Basel-III norms consist of the sum of the following categories and banks are required to maintain 11.50% of Risk Weighted Assets (9% + 2.50%) from October 2021.

- **Tier 1 Capital comprises of:-**
 - Common Equity Tier 1 capital (with a minimum of 5.50%)
 - Additional Tier 1 capital (1.50%)
 - Total Tier 1 capital of minimum 7%
- **Tier 2 Capital (2%)**
 - Total Tier 1 + Tier 2 should be more than 9%
- **Capital Conservation Buffer (CCB) (with a minimum of 2.50%)**
 - Total capital including CCB should be 11.50%

In line with the RBI guidelines for implementing the New Capital Adequacy Frame Work under Basel III, the bank has successfully migrated to Basel III since April 01, 2013.

2. RISK EXPOSURE AND ASSESSMENT

Risk is an integral part of banking business in an ever dynamic environment, which is undergoing radical changes both on the technology front and product offerings. The main risks faced by the bank are credit risk, market risk and operational risk. The bank aims to achieve an optimum balance between risk and return to maximize shareholder value. The relevant information on the various categories of risks faced by the bank is given in the ensuing sections. This information is intended to give market participants a better idea on the risk profile and risk management practices of the bank.

The Bank has a comprehensive risk management system in order to address various risks and has set up an Integrated Risk Management Department (RMD), which is independent of operational departments. Bank has a Risk Management Committee of Board functioning at apex level for formulating, implementing and reviewing bank's risk management measures pertaining to credit, market and operational risks. Apart from the Risk Management Committee of the Board

at apex level, the Bank has a strong Bank-wide risk management structure comprising of Risk Management Committee of Executives (RMCE) and Asset Liability Management Committee (ALCO) at senior management level.

The Bank has formulated the required policies such as Loan Policy, Credit Risk Management Policy, Credit Risk Mitigation Techniques & Collateral Management Policy, ALM Policy, Operational Risk Management Policy, Investment Policy, Foreign Exchange Risk Management Policy, Policy guidelines for Hedging Foreign Currency Exposure, Market Risk Management Policy, Concurrent Audit Policy, Inspection Policy, IS Audit Policy, KYC policy, Credit Audit Policy, Stock Audit Policy, Outsourcing Policy, IT Business Continuity and Disaster Recovery Plan (IT BC-DRP), Risk Based Internal Audit Policy, Stress Testing Policy, Disclosure Policy, ICAAP Policy, Model Risk Policy etc., for mitigating the risks in various areas and monitoring the same. The bank continues to focus on refining and improving its risk measurement and management systems.

TABLE DF-3- CREDIT RISK: GENERAL DISCLOSURES

QUALITATIVE DISCLOSURES

A. CREDIT RISK

Credit risk is the possibility of losses associated with diminution in the credit quality of borrowers or counter-parties. In a Bank's portfolio, Credit Risk arises mostly from lending activities of the Bank, as a borrower is unable to meet his financial obligations to the lender. It emanates from potential changes in the credit quality / worthiness of the borrowers or counter-parties.

CREDIT RATING & APPRAISAL PROCESS

The Bank has well-structured internal credit rating framework and well-established standardized credit appraisal / approval processes. Credit Rating is a decision-enabling tool that helps the bank to take a view on acceptability or otherwise of any credit proposal. In order to widen the scope and coverage further and to strengthen the credit risk management practices, the bank has developed risk sensitive in-house rating models.

The parameters in internal rating take into consideration, the quantitative and qualitative issues relating to management risk, business risk, industry risk, financial risk, credit discipline and also risk mitigation, based on the collaterals available.

Credit rating, as a concept, has been well internalized within the Bank. The rating of eligible borrower is reviewed at least once in a year. The Bank uses the credit ratings for deciding the interest rates on borrowal accounts. The advantage of credit rating is that it enables to rank different proposals and to do meaningful comparison.

With the view to migrate to advanced approaches in credit risk, the Bank has implemented the system driven rating using web based rating model solutions (RAM CRRM & CRESS) acquired from M/s. Crisil Risk & Infrastructure solutions Ltd.

The bank follows a well-defined multi layered discretionary power structure for sanction of loans. New Business Group (NBG) has been constituted at HO for considering in-principle approval for taking up fresh credit proposals above a specified cut-off.

CREDIT RISK MANAGEMENT POLICIES:

The Bank has put in place a well-structured Credit Risk Management Policy duly approved by the Bank's Board. The Policy document defines organization structure, roles & responsibilities and the processes whereby the Credit Risks carried out by the Bank can be identified, quantified & managed within the framework that the Bank considers consistent with its mandate and risk tolerance.

Credit Risk is monitored on a bank-wide basis and compliance with the risk limits approved by Board/Risk Management Committee of Board is ensured.

The Bank has taken earnest steps to put in place best credit risk management practices in the bank. In addition to Credit Risk Management Policy, the bank has also framed Board approved Loan Policy, Investment Policy, etc., which form integral part in monitoring Credit risk in the bank. Besides, the bank has framed a policy on Credit Risk Mitigation Techniques & Collateral Management which lays down the details of securities (both Primary and Collateral) normally accepted by the Bank and administration of such securities to protect the interest of the Bank. These securities act as mitigation against the credit risk to which the bank is exposed.

CLASSIFICATION OF NON-PERFORMING ASSETS:

The Bank follows the prudential guidelines issued by the RBI on classification of non-performing assets as under,

- i. interest and/or installment of principal remain overdue for a period of more than 90 days in respect of a term loan.
- ii. the account remains 'out of order' if the outstanding balance remains continuously in excess of sanctioned limits/DP for more than 90 days in respect of Overdraft/Cash Credit (OD/CC).
- iii. the bill remains overdue for a period of more than 90 days in the case of bills purchased and discounted.
- iv. the installment of principal or interest thereon remains overdue for two crop seasons for short duration crop.
- v. the installment of principal or interest thereon remains overdue for one crop season for long duration crops.
- vi. in respect of derivative transactions, the overdue receivables representing positive mark-to-market value of a derivative contract, if these remain unpaid for a period of 90 days from the specified due date for payment.
- vii. an account where the regular/adhoc credit limits have not been reviewed / renewed within 180 days from the due date/date of adhoc sanction will be treated as NPA.

Where the interest charged during any quarter is not serviced fully within 90 days from the end of the quarter, the account is classified as non-performing. A non-performing asset ceases to generate income for the bank.

CREDIT RISK: DISCLOSURES FOR PORTFOLIOS SUBJECT TO THE STANDARDISED APPROACH

QUALITATIVE DISCLOSURES

A. GENERAL PRINCIPLE

In accordance with RBI guidelines, the Bank has adopted Standardized Approach of the New Capital Adequacy Framework (NCAF) for computation of capital for Credit Risk with effect from 31.03.2009. Bank has assigned risk weights to different assets classified as prescribed by the RBI for computation of capital.

EXTERNAL CREDIT RATINGS

Rating of borrowers by External Credit Rating Agencies (ECRA) assume importance in the light of guideline for implementation of the New Capital Adequacy Framework (Basel-II). Exposures on Corporate / PSEs / Primary Dealers are assigned with risk weights based on the external ratings. For this purpose, the Reserve Bank of India has permitted Banks to use the rating of the six domestic ECRA's namely (a) Credit Analysis and Research Ltd., (CARE), (b) CRISIL Ratings Ltd., (c) India Ratings and Research P Ltd., (Formerly Fitch India) (d) ICRA Ltd., (e) ACUTE Ratings and Research Limited (Formerly SMERA Ratings Ltd) and (f) INFOMERICS Valuation and Rating Pvt Ltd., (INFOMERICS). Bank is also using the ratings of international credit rating agencies such as (a) Fitch (b) Moody's and (c) Standard & Poor's for assigning risk weights to claims for capital adequacy purposes where the exposure can be specified as international exposure. In consideration of the above guidelines, the bank accepts the ratings assigned by all these ECRA's.

The bank has well-structured internal credit rating mechanism to evaluate the credit risk associated with a borrower and accordingly the systems are in place for taking credit decisions with regard to acceptability of proposals, and level of exposures and pricing.

In case of bank's investment in particular issues of Corporate / PSEs, the issue specific rating of the approved ECRA's are reckoned and accordingly the risk weights applied after a corresponding mapping to rating scale is provided.

With regard to the coverage of exposures by external ratings as relevant for capital computation under Standardized Approach, the process is being popularized among the borrowers so as to take the benefit of capital relief available for better rating of customers.

The bank follows a well-defined multi layered discretionary power structure for sanction of loans. New Business Group (NBG) has been constituted at HO for considering in-principle approval for taking up fresh credit proposals above a specified cut-off.

- Rating assigned by one rating agency can be used for all the types of claims on the borrowing entity.
- Long term ratings are used for facilities with contractual maturity of one year & above.
- Short term ratings are generally applied for facilities with contractual maturity of less than one year.

QUANTITATIVE DISCLOSURES:

For exposure amounts after risk mitigation subject to the standardized approach, amount of a bank's outstanding (rated and unrated) as on 31.03.2023 in the following three major risk buckets as well as those that are deducted as per risk mitigation are given below:-

(₹ in millions)

TABLE DF – 5**CREDIT RISK MITIGATION: DISCLOSURE FOR STANDARDISED APPROACHES****QUALITATIVE DISCLOSURES****POLICY ON CREDIT RISK MITIGATION UNDER STANDARDIZED APPROACH**

As advised by RBI, the Bank has adopted the comprehensive approach relating to credit risk mitigation under Standardized Approach, which allows fuller offset of securities (primary and collateral) against exposures, by effectively reducing the exposure amount by the value ascribed to the securities. Thus the eligible financial collaterals are fully used to reduce the credit exposure in computation of credit risk capital. In doing so, the bank has recognized specific securities namely (a) bank's own deposits (b) Gold/Ornaments (c) Life Insurance Policies (d) Government Securities (e) NSC/KVP etc and (f) Units of Mutual Funds, in line with the RBI guidelines on the subject.

Besides, other approved forms of credit risk mitigation are "On Balance Sheet netting" and availability of "Eligible Guarantees". On balance sheet nettings has been reckoned to the extent of the deposits available against the loans /advances of the borrower (to the extent of exposure) as per the RBI guidelines. Further, in computation of credit risk capital, the types of guarantees recognized for taking mitigation, in line with RBI guidelines are (a) Central Government Guarantee (0%) (b) Credit Risk Guarantee Fund Trust for Low Income Housing (CRGFTLIH) (0%) (c) CGTMSE (0%) (d) State Government (20%) (e) ECGC (20%) and (f) Bank Guarantee in the form of bills purchased / discounted under Letter of credit (20%). The Bank has ensured compliance of legal certainty as prescribed by the RBI in the matter of credit risk mitigation.

CONCENTRATION RISK IN CREDIT RISK MITIGATION:

All types of securities eligible for mitigation are easily realizable financial securities. As such, presently no limit/ceiling has been prescribed to address the concentration risk in credit risk mitigants recognized by the Bank.

MARKET RISK IN TRADING BOOK

QUALITATIVE DISCLOSURES

A. MARKET RISK:

Market Risk is defined as the possibility of loss to a bank in on-balance sheet and off-balance sheet positions caused by the changes / movements in the market variables such as interest rates, foreign currency exchange rates, equity prices and commodity prices. Bank's exposure to market risk arises from domestic investments (interest related instruments and equities) in trading book (both AFS and HFT categories), the Foreign exchange positions (including open position in precious metals) and trading related derivatives. The objective of the market risk management is to minimize the impact of losses on earnings and equity capital arising from market risk.

POLICIES FOR MANAGEMENT OF MARKET RISK

The bank has put in place Board approved Asset Liability Management (ALM) policy, Investment Policy and Market Risk Management Policy for effective management of market risk in the bank. The policy sets various risk limits for effective management of market risk and ensuring that the operations are in line with Bank's expectation of return to market risk through proper Asset Liability Management. The policy also deals with the reporting framework for effective monitoring of market risk.

The ALM policy specifically deals with liquidity risk management and interest rate risk management framework. As envisaged in the policy, Liquidity risk is managed through the mismatch analysis, based on residual maturity / behavioral pattern of assets and liabilities, on a daily basis based on best available data coverage, as prescribed by the RBI. The bank has put in place mechanism of short-term dynamic liquidity management and contingent funding plan. Prudential (tolerance) limits are prescribed for different residual maturity time buckets for efficient asset liability management. Liquidity profile of the bank is evaluated through various liquidity ratios. The bank has also drawn various contingent measures to deal with any kind of stress on liquidity position. Bank ensures adequate liquidity managed on a real time basis by Domestic Treasury through systematic and stable funds planning.

Interest Rate Risk is managed through use of GAP analysis of rate sensitive assets and liabilities and monitored through prudential (tolerance) limits prescribed. The bank has also put in place Duration Gap Analysis framework for management of interest rate risk. The bank estimates Earnings at Risk (EaR) and Modified Duration Gap (DGAP) periodically against adverse movement in interest rate (as prescribed in the Policy) for assessing the impact on Net Interest Income (NII) and Economic Value of Equity (EVE) with a view to optimize shareholder value.

The Asset-Liability Management Committee (ALCO) /Risk Management Committee of Board (RMCB) monitors adherence of prudential limits fixed by the bank and determines the strategy in the light of the market condition (current and expected) as articulated in the ALM policy.

QUANTITATIVE DISCLOSURES:

b) In line with the RBI's guidelines, the bank has computed capital for market risk as per Standardized Duration Approach (SDA) framework for maintaining capital.

The Capital requirements for market risk in trading Book as on 31.03.2023.

TABLE DF - 8 OPERATIONAL RISK

QUALITATIVE DISCLOSURES**A. OPERATIONAL RISK:**

Operational Risk is the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events. Operational risk includes legal risk but excludes strategic and reputation risks.

POLICIES ON MANAGEMENT OF OPERATIONAL RISK

The Bank has framed Operational Risk Management Policy duly approved by the Bank's Board. Other policies adopted by the Board which deal with management of Operational risk are (a) Information Systems Security Policy (b) Foreign Exchange Risk Management Policy (c) Policy document on Know Your Customers (KYC) and Anti Money Laundering (AML) Procedures (d) Fraud Risk Management Policy (e) IT Business Continuity and Disaster Recovery Plan (IT BC-DRP).

The Operational Risk Management Policy adopted by the Bank outlines organization structure and detail processes for management of operational risk. The basic objective of the policy is to closely integrate operational risk management system into the day-to-day risk management processes of the bank by clearly assigning roles for effectively identifying, assessing, monitoring and controlling / mitigating operational risk and by timely reporting of operational risk exposures, including material operational losses. Operational risks in the Bank are managed through comprehensive and well-articulated internal control frameworks.

QUANTITATIVE DISCLOSURES:

b) In line with the final guidelines issued by RBI, the Bank has adopted the Basic Indicator Approach for computing capital for Operational Risk. As per the guidelines, the capital charge for Operational Risk is equal to the 15% of the previous three years (2020-21, 2021-22 & 2022-23) average positive annual Gross income as defined by RBI. As per such estimate, the capital requirement for operational risk as on 31.03.2023 is ₹3929.11 mn.

TABLE DF - 9

INTEREST RATE RISK IN THE BANKING BOOK (IRRBB)

QUALITATIVE DISCLOSURES

A. INTEREST RATE RISK IN THE BANKING BOOK

Interest Rate Risk is the risk where changes in the market interest rates might affect a bank's financial condition. Changes in interest rates affect both the current earnings (earnings perspective) as also the net worth of the Bank (economic value perspective). The risk from earnings perspective can be measured as impact in the Net Interest Income (NII) or Net Interest Margin (NIM). Similarly, the risk from economic value perspective can be measured as drop in the Economic value of Equity (EVE).

The Bank identifies the risks associated with the changing interest rates on its on-balance sheet and off-balance sheet exposures in the banking book from a short term (Earning perspective) and long term (Economic value perspective).

The impact on income (Earning perspective) is measured by using Earnings at Risk (EaR) with the assumption that the re-pricing dates of assets and liabilities are evenly spread across the respective time buckets and the change in interest rate is uniform across the maturity spectrum. The prudential limit on EaR will be 10% of the previous year Net Interest Income (NII). For the calculation of impact on earnings, the Traditional Gap is taken from the Rate Sensitivity Statement and based on the remaining period from the mid point of a particular bucket the impact for change in interest rates upto 100 bps is arrived at. The same is reported to ALCO/Risk Management Committee of Board (RMCB) periodically along with the Rate Sensitivity statement on monthly basis.

The Bank has adopted Traditional Gap Analysis combined with Duration Gap Analysis for assessing the impact (as a percentage) on the Economic value of Equity (Economic Value Perspective) by applying a notional interest rate shock of 200bps. As per the Guidelines on Banks' Asset Liability Management Framework-Interest Rate Risk issued by the RBI (DBOD.No.BP.BC.59/21.04.098/2010-11 dated 04.11.2010), the Bank calculates Modified Duration Gap (DGAP) & the impact on the Economic Value of equity (EVE). Assets and Liabilities are grouped as per Interest Rate Sensitivity Statement & bucket wise Modified Duration is computed for these groups of Assets and Liabilities using account level coupon and yield as per yield curves suggested by RBI, actual Re-price date of the individual account is considered for bucketing, Weighted average Modified duration is calculated at account level by using "Market value", the yield is taken as per the internal rating and external rating mapping at account level, Modified duration is calculated individually for each forward and swap contracts. For investment portfolio, the Modified Duration of individual items are computed and taken. The DGAP is calculated by the Bank once in a month and is reported to ALCO/ Risk Management Committee of Board (RMCB).

The Asset-Liability Management Committee (ALCO) / Risk Management Committee of Board (RMCB) monitors adherence of prudential limits fixed by the bank and determines the strategy in the light of market conditions (current and expected).

QUANTITATIVE DISCLOSURES:

The increase or decrease in earnings and economic value for upward and downward rate shocks based on the assets and liabilities outstanding as on 31.03.2023 are as follows.

1. The impact of change in Interest Rate i.e Earnings at Risk for increasing 100 Basis points interest rate shock is ₹872.40 mn (4.81 % of previous year Net Interest Income).
2. Change in Market Value of Equity for 200 basis points interest rate shock is ₹5875.24 mn (8.48% of Net worth)

TABLE DF - 10
GENERAL DISCLOSURES FOR EXPOSURES RELATED TO
COUNTERPARTY CREDIT RISK

Counterparty Credit Risk (CCR) is the risk that a counter party to a transaction could default before the final settlement of the transaction cash flows. Unlike a firm's exposure to credit risk through a loan, where the exposure to credit risk is unilateral and only the lending bank faces the risk of loss, CCR creates a bilateral risk of loss to either party.

Counterparty credit risk in case of derivative contracts arises from the forward contracts. The subsequent credit risk exposures depend on the value of underlying market factors (e.g., interest rates and foreign exchange rates), which can be volatile and uncertain in nature. The Bank does not enter into derivative transactions other than forward contracts.
