SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, circular no. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January, 15 2021 followed by SEBI circular no. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May, 13 2022 and SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 05, 2023 (collectively "SEBI Circulars"), have further allowed the Companies to conduct their Annual General Meeting (AGM), through Video Conferencing (VC) or any Other Audio Visual Means (OAVM), subject to compliance of various conditions mentioned therein. In compliance with the aforesaid MCA Circulars and SEBI Circulars and the applicable provisions of Companies Act, 2013 and rules made there under, and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is convening its 35th AGM through VC/OAVM, without the physical presence of the Members at a common venue. The Company has availed the facility of Central Depository Services (India) Limited [CDSL] for convening the 35thAGM through VC/OAVM, a detailed process in which the members can attend the AGM through VC/OAVM has been enumerated in Note number 30 of this Notice.
2. The attendance of the Members attending the Annual General Meeting through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013 (the Act).
3. In accordance with the Secretarial Standard-2 on General Meetings issued by the Institute of Company Secretaries of India ("ICSI") read with Clarification/ Guidance on applicability of Secretarial Standards - 1 and 2 dated 15thApril, 2020 issued by the ICSI, the proceedings of the AGM shall be deemed to be conducted at the Registered Office of the Company which shall be the deemed venue of the AGM. Since the AGM will be held through VC/OAVM, the route map is not annexed in this Notice.
4. In compliance with above MCA and SEBI Circulars have granted relaxations to the companies in view of the prevailing situation and owing to the difficulties involved in dispatching physical copies of the financial statements (including Board's Report, Auditor's Report or other documents required to be attached therewith) for the Financial Year ended 31st March, 2023 pursuant to Section 136 of the Act and Notice calling the Annual General Meeting pursuant to Section 101 of the Act read with the Rules framed there under, such statements including the Notice of AGM are being sent **only in electronic mode**, to those Members whose e-mail addresses are registered with the Company or the Registrar and Share Transfer Agent or Depository Participant/ Depository as on the cut-off date i.e. Friday, 18thAugust, 2023.

Members are requested to register/update their email addresses, in respect of electronic holdings with the Depository through the concerned Depository Participants and in respect of physical holdings with Registrar and Share Transfer Agent by following due procedure.

5. For Members who have not registered their e-mail address and those members who have become the members of the Company after Friday, 18th August,2023 being the cut-off date for sending soft copy of the Notice of 35thAnnual General Meeting and Annual Report for the financial year 2022-2023, in Portable Document Format (PDF), will also be available on the Company's website www.pacetroneix.com, website of CDSL i.e. www.evotingindia.com and on website of stock exchange viz. www.bseindia.com.
6. Pursuant to the provisions of the Companies Act, 2013, a Member entitled to attend and vote at the Annual General Meeting is entitled to appoint a Proxy to attend and vote on his/her behalf and the Proxy need not be a Member of the Company. Since the 35thAnnual General Meeting of the Company will be convened through VC/OAVM, where there will be no physical attendance of members, the requirement of appointment of proxies pursuant to the provisions of Section 105 of the Act has been dispensed. Accordingly, attendance slip and proxy form will not be annexed to this Notice.

7. Pursuant to the provisions of Sections 112 and 113 of the Act, body corporate/institutional members can authorize their representatives to attend the AGM through VC/OAVM and cast their votes through e-voting. Provided a certified copy (PDF) of the Board Resolution/authorization letter authorizing such representative to attend the Annual General Meeting of the Company through VC/ OAVM on its behalf and to vote through remote e-voting shall be sent to the Scrutinizer through the registered email address of the member(s) at shraddhajain2204@gmail.com with a copy marked to the Company at investors.spl@gmail.com.
8. Pursuant to provisions of Section 91 of the Companies Act, 2013, the Register of Members and Share Transfer Book of the Company will remain closed during the period from Saturday, 09th Day of September, 2023 to Friday, 15th Day of September, 2023 (both days inclusive) for the purpose of 35th Annual General Meeting.
9. M/s. S. R. Naredi & Co., Chartered Accountants, were appointed as Statutory Auditors of the Company at the 33rd Annual General Meeting held on 29th September, 2021 to hold office till the conclusion of the 38th Annual General Meeting to be held in the calendar year 2026. Pursuant to the Notification issued by the Ministry of Corporate Affairs on 7th May, 2018 amending section 139 of the Act and the Rules framed there under, the mandatory requirement for ratification of appointment of Auditors by the Members at every Annual General Meeting has been omitted, and hence the Company is not proposing an item on ratification of appointment of Auditors at this Annual General Meeting.
10. **Dematerialization of physical shares:** On and from 1st April, 2019, requests for effecting transfer of securities are not processed unless the securities are held in the dematerialized form. In addition to that, as per the recent amendments to SEBI - LODR Regulations effective from January 24, 2022 and SEBI's Circular SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022, it has been mandated that listed companies shall henceforth issue the securities in dematerialized form only while processing the service requests for

 - (c) Renewal/ Exchange of securities certificate;
 - (d) Endorsement;
 - (e) Sub-division/ Splitting of securities certificate;
 - (f) Consolidation of securities certificates/folios;
 - (g) Transmission, and
 - (h) Transposition.

Accordingly, Shareholders are requested to make service requests by submitting a duly filled and signed Form ISR – 4, the format of which is available on the Company's website. Members holding equity shares of the Company in physical form are requested to kindly get their equity shares converted into demat/electronic form to get inherent benefits of dematerialization and also considering that physical transfer of equity shares/ issuance of equity shares in physical form have been disallowed by SEBI. In accordance with the said Circular, our RTA shall verify and process the service requests and thereafter issue a 'Letter of confirmation' in lieu of physical securities certificate(s), to the securities holder/ claimant. Such 'Letter of Confirmation' shall be valid for a period of 120 days from the date of its issuance, within which the securities holder/ claimant shall make a request to the Depository Participant for dematerializing the said securities.

11. Members, who hold shares in multiple Demat accounts and those who hold shares in physical form in multiple folios in identical names or joint holding in the same order of names, are advised to consolidate their holdings in single Demat account/ Folio. In case of joint holders attending the meeting, only such joint holder who is higher in the order of names will be entitled to vote.
12. SEBI vide. SEBI Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2021/655 dated 3rd November 2021, Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2021/687 dated 14th December 2021 and SEBI/HO/MIRSD/MIRSD-PoD-1/P/CIR/2023/37 dated 16th March 2023, has made it mandatory for all shareholders holding shares in physical form to furnish PAN, KYC and Nomination details to the Company / RTA:

- a) PAN
- b) Contact details, Postal address with PIN Code, Mobile number, E-mail address

In compliance with the provisions of Section 108 of the Act and Rule 20 of the Companies (Management and Administration) Rules, 2014 and any amendments thereto, Secretarial Standard on General Meetings ("SS-2"), Regulation 44 of the SEBI Listing Regulations and relevant MCA Circulars, the facility for remote e-voting and e-voting in respect of the businesses to be transacted at the AGM is being provided by the Company through Central Depository Services (India) Limited ("CDSL"). Necessary arrangements have been made by the Company with CDSL to facilitate remote e-voting and e-voting during the AGM.
30. **THE INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER**

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Tuesday, 12th September, 2023 from 09:00 A.M. and ends on Thursday 14th, September, 2023 at 05:00 P.M. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Friday, 08th September, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDLs given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL Depository	<p>1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. GLOBAL MARKET

The global market for medical device companies is definitely a promising one. As advancements in technology and healthcare continue to evolve, the demand for innovative medical devices is on the rise.

In recent years, the medical device industry has experienced significant growth, driven by factors such as an aging population, increased prevalence of chronic diseases, and a growing focus on personalized medicine. This has created a vast market with ample opportunities for companies to make their mark.

Additionally, emerging markets, such as India, are also contributing to the growth of the medical equipment industry. These regions are witnessing an increase in healthcare spending and infrastructure development, creating a demand for modern medical equipment.

India is the 4th largest Asian medical devices market after Japan, China, and South Korea, and among the top 20 medical devices markets globally.

To increase export of medical devices in the country, the Ministry of Health and Family Welfare (MOHFW) and Central Drugs Standard Control Organisation (CDSCO) implemented the following initiatives:

The medical devices industry in India consists of large multinationals as well as small and medium enterprises (SMEs) growing at an unprecedented scale.

The medical devices market in India has the potential to increase at a 37% CAGR and reach \$50 bn by 2025. The current market size of the medical devices industry in India is estimated at nearly \$11 bn.

According to the World Health Organization, an estimated 17.9 million people die due to cardiovascular diseases worldwide, each year. This represents 31% of global deaths, which are majorly due to heart attack and stroke. Thus, the growing burden of cardiovascular diseases globally, along with the technological advancements in the development of novel pacemakers, is expected to drive the cardiac pacemakers market growth over the forecast period.

Furthermore, Indian pacemaker market was valued at USD 223.55 million in 2018 and is expected to attain USD 437.56 million by 2026, at a CAGR of 8.9%.

GROWTH DRIVERS / OPPORTUNITIES

The opportunity in the global market for pacemakers is tremendous and promising. With the increasing prevalence of cardiac diseases and the growing geriatric population worldwide, the demand for pacemakers is expected to rise in the coming years.

The Company is one among the Corporates which is operating in global market for Pacemaker. Pacemakers are medical devices that are used to impart electrical pulses to the heart, so as to ensure normal heart rate. Pacemakers are used to treat patients who are suffering from heart conditions, such as heart failure and arrhythmias. These devices are implanted under patient's chest by cardiologist to deal with various indications and used for the treatment of heart medical complications/conditions.

The cardiac pacemaker market is being aided by the growing pacemaker market, which reached a volume of about 1.27 million units in 2020. The pacemaker industry is further expected to grow at a CAGR of 2% in the forecast period of 2022-2027 to reach a volume of approximately 1.44 million units by 2026.

Cardiac Pacemaker Market in India is expected to grow at a healthy rate as people are becoming more aware and cardiac pacemakers are also becoming more user friendly with added features. Also, cardiac pacemakers have become more affordable helping the market to grow even further.

The Pacemaker market is driven by the factors, such as the increase in prevalence of cardiovascular diseases, the prevalence of heart disease, Aging Population, changing demographics i.e. as more people reach close to sixty years of age they are likely to develop some heart complications thus increasing the demand for cardiac pacemakers, technological developments in pacemakers that minimize the chances of heart failure, and improved efficiency of devices. Additionally, assistance from government bodies, favourable reimbursement Policies, increased government expenditure for research and development, is expected to enhance the market potential in several countries. Therefore, such initiatives from the government are expected to help the market and the patients in their treatment which will drive the Pacemakers market growth also.

Further, compared to other western countries penetration of cardiac pacemaker is less in India-hence, providing ample opportunities for growth for the manufacturers.

The Government of India has allocated Rs. 89,155 crore in union budget for the pharmaceutical and healthcare sector under the Union Budget 2023-2024. 'Atma Nirbhar' Bharat mission is providing an impetus to India's vision of becoming a global manufacturing hub for medical devices. Recent initiatives for instance, The Production Linked Incentive Scheme (PLI) and Promotion of Medical Devices Parks Scheme are a testimony to this.

RESTRAINTS, THREATS, RISK AND CONCERNS:

The medical device industry market is very dynamic and the key drivers impacting this sector are healthcare expenditure, technological development, aging population, and chronic diseases. Further emerging trends that impact the medical device industry include the changing medical technology landscape, software as a differentiator in medical devices, as well as design and manufacturing of patient portable or smaller devices. Stringent government rules and regulations for the development & manufacture of medical devices could hinder the growth of the market.

The healthcare supplies industry continues to face significant challenges both in India and internationally with the volume and complexity of change having greatly intensified the implication of risk. Regulatory risks, which are an inherent threat in the industry, are compounded by evolving regulations, new legislation and increased enforcement. To provide affordable healthcare, the Company will fully cooperate and partner with the Government on efforts focused towards ensuring access and increasing affordability of medicines while maintaining strong commitment on quality.

Impact of COVID-19 in the industry

Medical device manufacturers have not escaped the pandemic's impact, the COVID-19 pandemic had severely affected patients suffering from cardiovascular disease and has led to a slowdown in the growth of the cardiovascular market. The spread of COVID-19 had triggered a humongous economic impact on the healthcare and medical device industry. Also, Due to the high rate of infection and the lack of treatment, many countries are suffering and continue to carry a heavy burden on both their economies and health care systems. Many countries had previously closed down and stopped trading with other countries, using travel restrictions, etc., which has led to a slowdown in the markets for large companies around the world.

However, COVID-19 has also changed the scenario of doing business. It has opened massive opportunities for the healthcare sector in tele-consultation, AI-based diagnostics and remote healthcare management. The Healthcare sector has become more focused on innovation and technology over the past two years of change. 80 per cent of healthcare systems are aiming to increase their investment in digital healthcare tools in the coming five years.

RISK FACTORS:

Risks associated with pacemaker system implant include, but are not limited to, infection at the surgical site and/or sensitivity to the device material, failure to deliver on time due to various factors.

Though it is not possible to completely eliminate various risks associated with the business of the Company, efforts are made to minimize the impact of such risks on the operations of the Company. The Company has put in place various internal controls for different activities so as to minimize the impact of various risks.

The following broad categories of risks to the business objectives are:-

1. Political and Economic Risk

The Company continuously evaluates the political and economic scenario across the globe.

2. Compliance Risks

Medical Device industry is one of the most dynamic industries across the globe. Changes in regulations by leading regulatory bodies to ensure the quality of the products have compelled the medical device companies to modify their compliance practices. The Company is committed to compliance.

3. Operational Risks

Inherent risks to business operations such as production capacities, quality assurance, customer demands, material availability, human safety and skilled manpower. Operational risks are assessed primarily in terms of process design and its effectiveness.

4. New product risk:

New product development and launch involves substantial expenditure, which may not be recovered due to several factors including development uncertainties, increased competition, regulatory delays lower than anticipated price realizations, delay in market launch and marketing failure.

In highly regulated business, the requirement to obtain regulatory approval based on a product's safety, efficacy and quality before it can be marketed for an indication in a particular country, as well as to maintain and comply with licenses and other regulations relating to its manufacture and marketing, are particularly important. The submission of an application to regulatory authorities (which vary, with different requirements, in each region or country) may or may not lead to the grant of marketing approval.

SEGMENT- WISE OR PRODUCT WISE PERFORMANCE:

The Company is engaged in only one segment i.e. manufacturing of pacemakers. Company has generated revenue of Rs. 2019.35 Lakhs during the financial year. However, the Company is continuously striving to improve its operational functionality and spread its geographical operational area.

OUTLOOK

The global pacemakers market is being driven by an aging population and rising incidences of cardiac ailments, as well as technological advancements in the healthcare sector. Furthermore, the government is shaping the global pacemakers sector by taking fruitful steps and increasing reimbursement policies on a global scale.

Overall, the evolving landscape of cardiovascular diseases, coupled with technological advancements and expanding markets, presents a significant professional opportunity for Pacemaker manufacturers in the global market. By continuously innovating, focusing on emerging economies, and building strategic partnerships, companies can position themselves at the forefront of cardiac treatment, driving growth and contributing to the overall well-being of patients worldwide.

Currently, Majority of the players operating in the Indian market are foreign companies. Stiff competition exists among these players. Your Company is looking forward to cover major Indian market in coming years. Further, the Company is serving to other Countries also and panning to reach far beyond Indian boundaries. This will also help our nation to save crucial foreign exchange.

Your Company will remain focused on its agenda of superior revenue growth, cost consciousness and improving the overall margin profile of the Company simultaneously focusing on the welfare of the society being its most concerned responsibility.

We have already reached a milestone of over 1,00,500 implants in India and beyond. This has been truly possible through the continued commitment to Research and Development and a vision to serve our people.

The Prime Minister's 'vocal for local' mantra has also brought out the significance for our local brands to have a global presence. India is the biggest and the fastest-growing market in the world for the majority of the product categories. With a more than 30 years of experience, we continue to aspire with great zeal and vigour to realize our PM's mission of "Make in India" and "Self Reliance".

The Government of India is taking supportive measures such as promoting indigenous manufacturing of high-tech medical devices, production-linked incentive schemes (PLIs) on medical devices, boosting new medical devices park, etc., to boost overall growth of the domestic medical devices market in India.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The company has proper internal control system which provides adequate safeguards and effective monitoring of the transactions. The Company has comprehensive internal financial controls system for all major processes including financial statements to ensure reliability of reporting. The Company has appointed an internal auditor which carries out audit throughout the year. The Audit Committee of the Company regularly reviews the reports of the internal auditor and recommends actions for further improvement of the internal controls. The statutory auditors while conducting the statutory audit, review and evaluate the internal controls and their observations are discussed with the Audit committee of the Board. The system also helps management to have timely data on various operational parameters for effective review. It also ensures proper safeguarding of assets across the Company and its economical use. The internal financial controls system of the Company is commensurate with the size, scale and complexity of its operations. The system and controls are periodically reviewed and modified based on the requirement.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

During the year 2022-23, the Company has generated operational revenue of Rs. 2019.35 Lakhs during the financial year against the revenue of Rs. 902.65 Lakhs in the Previous Financial Year. The Company's has earned a profit of Rs. 324.76 Lakhs as compared to profit of Rs. 65.20 Lakhs in previous Financial Year. The overall performance of the Company in the current year is increased as compared to the performance of the Company in Previous Year. The Company is highly working on its commitments and growth. The Company's management is making regular efforts for improving operating efficiencies and increases its performance.

HUMAN RESOURCES / INDUSTRIAL RELATIONS

The human resource plays a vital role in the growth and success of an organization. The Company has maintained cordial and harmonious relations with employees across various locations. The Company has built a competent team to handle challenging assignments. As on 31st March, 2023, there were 59 permanent employees on the roll of the Company. Independent Auditor's Report On Standalone Financial Statement

To The Members Of Shree Pacetronix Limited

Report on the Audit of the Standalone Financial

Statements Opinion

We have audited the accompanying standalone financial statements of **SHREE PACETRONIX LIMITED** (herein after referred to as the "Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (herein after referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("IndAS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA")s specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report and Shareholder's Information, but does not include the financial statements, and our auditor's report thereon. The company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained

during the course of our audit or otherwise appears to be materially misstated.

Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as

a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of SHREE PACETRONIX LIMITED of even date)

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

We have audited the internal financial controls with reference to standalone financial statements of **SHREE PACETRONIX LIMITED** (the “Company”) as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls with reference to standalone financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financials Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the

company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of an authorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were generally operating effectively as at March 31, 2023, based on the criteria for internal financial control with reference to standalone financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

procedures carried on, by us and as per the information and explanation given to us, the company has not granted any loans to subsidiaries.

- (b) In our opinion, the investments made and the terms and conditions of the grant of loans, during the year are, prima facie, not prejudicial to the Company's interest.
- (c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are generally been regular as per stipulation.
- (d) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- (e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the over dues of existing loans given to the same parties.
- (f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3 (iii) (f) is not applicable.

The Company has not made investments in Firms and Limited Liability Partnerships during the year. Further the Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to Companies, Firms, Limited Liability Partnerships or any other parties.

- iv. The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3 (v) of the Order is not applicable.
- vi. The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.
- vii. In respect of statutory dues:
 - a. In our opinion, the Company has generally being regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable except:-

Name of Statute	Amount
MP Professional Tax Act,1995	1,69,388/-
MP Professional Tax Act,1995	5,000/-

- b. Details of statutory dues referred to in sub-clause(a) above which have not been deposited as on March 31,2023 on account of disputes are given below:

Nature of the statute	Nature of dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount
Central Sales Tax Act,1956	Sales Tax	Joint Commissioner of State Tax	A.Y. 2014-15	76,923/-
Value Added Tax Act	Value Added Tax	State Tax Additional Commissioner (Appeal)	A.Y.2014-15	5,57,602/-
Goods and Service Tax Act,2017	Goods and Service Tax	Court	F.Y.2022-23	20,00,000/-

- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961(43of 1961).
- ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in payment of interest thereon to any lender.
- (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has taken term loan during the year and the same has been applied for the purpose for which it was obtained.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary.
- (f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiary as defined under Companies Act,2013 and hence reporting on clause3(ix)(f) of the Order is not applicable.
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause3 (x) (a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause3(x)(b)of the Order is not applicable.

- xi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) The Company has not received the whistle blower complaints during the year (and upto the date of this report).
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion the Company has an internal audit system commensurate with the size and the nature of its business.
- (b) We have considered , the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause3 (xvi) (a),(b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d)of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the

date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. In our opinion and according to the information and explanations given to us, the provisions of sections 135 of the Companies Act, 2013 are not applicable to the company. Accordingly, clause 3(xx)(a) and 3(xx)(b) of the order are not applicable for the year.

Notes to Standalone Financial Statements for the year ended 31st March 2023

1) Corporate information

Shree Pacetronix Limited (CIN: L33112MP1988PLC004317) (“the Company”) is a listed public company domiciled in India and is incorporated under the provisions of the Companies Act, 1956. Its shares are listed on Bombay Stock Exchange in India. The registered office of the company is located at Plot no. 15, Sector – II, Industrial Area Pithampur, Dist. Dhar, Madhya Pradesh, 454775.

The Company is mainly engaged in the business of Manufacturing of Pacemaker (“**Life Saving Devices**”).

The Board of Directors approved the standalone financial statements for the year ended March 31, 2023 and authorised for issue on May 30, 2023.

2) Basis of preparation

The financial statements of the Company as at and for the year ended 31st March, 2022 have been prepared and presented in accordance with Indian Accounting Standards (“Ind AS”) notified under Section 133 of the Companies Act, 2013 (“the Act”) read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and presentation requirements of Division II of Schedule III to the Companies Act, 2013, guidelines issued by the Securities and Exchange Board of India (SEBI) and other relevant provisions of the Act and accounting principles generally accepted in India.

These financial statements have been prepared by the Company as a going concern on the basis of relevant Ind AS.

These standalone financial statements have been prepared on historical cost and on accrual basis except for the following assets and liabilities which have been measured at fair value:

- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments),
- Net defined benefit liability (refer accounting policy regarding employee benefit)

These standalone financial statements have been prepared in Indian Rupee (₹) which is the functional currency of the Company. All amounts have been rounded to the nearest hundred (₹ 00), except when otherwise indicated.

Current and non-current classification

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Act and Ind AS 1 - Presentation of Financial Statements.

Assets:

An asset is classified as current when it satisfies any of the following criteria:

- a) it is expected to be realised in, or is intended for sale or consumption in the Company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is expected to be realised within twelve months after the reporting date; or
- d) it is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities:

A liability is classified as current when it satisfies any of the following criteria:

- a) It is expected to be settled in the Company's normal operating cycle;
- b) It is held primarily for the purpose of being traded;
- c) It is due to be settled within twelve months after the reporting date; or
- d) The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current assets and liabilities include the current portion of assets and liabilities, respectively. All other assets and liabilities are classified as non-current. Deferred tax assets and liabilities are always disclosed as non-current.

3) Significant Accounting Judgements, Estimates And Assumptions

The preparation of the standalone financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require an adjustment to the carrying amount of assets or liabilities in future periods. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be prudent and reasonable under the circumstances existing when the standalone financial statements were prepared. The estimates and underlying assumptions are reviewed on an ongoing basis by management at each reporting date. Revision to accounting estimates is recognized in the year in which the estimates are revised and in any future year affected. Difference between actual results and estimates are recognized in the periods in which the results are known/ materialized.

Following are the critical judgments and estimates

3.1 Judgements

i) Leases

Ind AS 116 - *Leases* requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

ii) Income Taxes

Significant judgments are involved in determining the provision for income taxes including judgment on whether tax positions are probable of being sustained in tax assessments. A tax assessment can involve complex issues, which can only be resolved over extended time periods. The recognition of taxes that are subject to certain legal or economic limits or uncertainties is assessed individually by management based on the specific facts and circumstances. In assessing the reliability of deferred tax assets, management considers whether some portion or all of the deferred tax assets will not be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the company will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realisable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

iii) Research & Development Expenditure

Management monitors progress of internal research & development projects. Development costs are recognized as an asset when all the criteria are met whereas research cost is expenses as and when incurred. Management also monitors whether the recognition requirements for development costs continue to be met. This is necessary due to inherent uncertainty in the economic success of any product development.

iv) Provisions & Contingent Liabilities

The Company exercises judgment in measuring and recognizing provisions and the exposures to contingent liabilities related to pending litigation or other outstanding claims subject to negotiated settlement, mediation, government regulation, as well as other contingent liabilities. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is

no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

3.2 Estimates

i) Useful lives of property plant & equipment and intangible assets

Property, plant and equipment, and intangibles assets represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

ii) Accounting for defined benefit plans

In accounting for post-retirement benefits, several statistical and other factors that attempt to anticipate future events are used to calculate plan expenses and liabilities. These factors include expected return on plan assets, discount rate assumptions and rate of future compensation increases. To estimate these factors, actuarial consultants also use estimates such as withdrawal, turnover, and mortality rates which require significant judgment. The actuarial assumptions used by the Company may differ materially from actual results in future periods due to changing market and economic conditions, regulatory events, judicial rulings, higher or lower withdrawal rates, or longer or shorter participant life spans.

iii) Impairment of non financial assets

An impairment loss is recognized for the amount by which an asset's or cash-generating unit's carrying amount exceeds its recoverable amount. The recoverable amount of an asset or cash generating unit's is the higher of the asset's fair value less cost to sell and value in use. In assessing the value in use the estimated future cash flows are discounted to their present value using pre tax discount rate that reflects current market assessments of the time value of the money and risks specific to the asset. In determining fair value less cost to sell, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

iv) Fair value of Financial Instruments

Management uses valuation techniques in measuring the fair value of financial instruments where active market quotes are not available. Details of the assumptions used are given in the notes regarding financial assets and liabilities. In applying the valuation techniques, management makes maximum use of market inputs and uses estimates and assumptions that are, as far as possible, consistent with observable data that market participants would use in pricing the instrument. Where applicable data is not observable, management uses its best estimate about the assumptions that market participants would make. These estimates may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

4. Accounting Policies

a) Property Plant & Equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the Management. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The Company depreciates property, plant and equipment over their estimated useful lives using the written down value method.

Advances paid towards the acquisition of property, plant and equipment outstanding at each reporting date is disclosed as capital advance under non-current assets. Capital work-in-progress included in non-current assets comprises of direct costs, related incidental expenses and attributable interest. Capital work-in-progress are not depreciated as these assets are not yet available for use.

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end. The useful lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

An item of property, plant and equipment, is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the profit or loss.

b) Intangible Assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

Expenditure pertaining to research is recognized on statement of profit and loss as and when incurred by the entity. Development cost charged to Statement of profit and loss unless product's technological and commercial feasibility has been established and the company has sufficient resources to complete the development and to use and sell the asset in which case such expenditure is capitalized.

The Company amortizes intangible assets with a finite useful life using the straight-line method over the following useful lives:

Type of asset	Useful lives
Technological Know-how	10 Years
Product Related Technology	10 Years

The amortization period and the amortization method for intangible assets with a finite useful life are reviewed at each reporting date.

Derecognition

Intangible assets are de-recognised either on their disposal or where no future economic benefits are expected from their use. Losses arising on such de-recognition are recorded in the profit or loss and are measured as the difference between the net disposal proceeds, if any, and the carrying amount of respective intangible assets as at the date of de-recognition

c) Impairment of Non Financial Assets

The company assesses, at each reporting date to determine that whether there is a indication that asset may be impaired based on internal & external factors. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. The recoverable amount of an asset or cash generating unit's is the higher of the asset's fair value less cost to sell and value in use. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

d) Borrowings Costs

Borrowing costs consists of interest, ancillary costs and other costs in connection with the borrowing of funds. Borrowing costs attributable to acquisition and/or construction of qualifying assets are capitalized as a part of the cost of such assets; up to the date such assets are ready for their intended use. Other borrowing costs are charged to the profit or loss.

e) Foreign currency transactions and balances

Transactions in foreign currencies are translated to the functional currency of the Company at exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary items denominated in foreign currency at prevailing reporting date exchange rates are recognized in profit or loss. Non-monetary items are measured at historical cost (translated using the exchange rates at the transaction date), except for non-monetary items measured at fair value which are translated using the exchange rates at the date when fair value was determined.

f) Inventories

Inventories are valued at the lower of cost and net realizable value. Inventories consist of raw materials, sub-assemblies and components, work-in-progress and finished goods and are measured at the lower of cost and net realizable value. The cost of all categories of inventories is based on the weighted average method. Cost includes expenditures incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition. In the case of finished goods and work-in-progress, cost includes an appropriate proportion of overheads based on normal operating capacity.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses. The factors that the Company considers in determining the provision for slow moving, obsolete and other non-saleable inventory include estimated shelf life, planned product discontinuances, aging of inventory and introduction of competitive new products, to the extent each of these factors impact the Company's business and markets. The Company considers all these factors and adjusts the inventory provision to reflect its actual experience on a periodic basis.

g) Revenue Recognition

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

The majority of customer contracts that the Company enters into consist of a single performance obligation for the delivery of “**Life Saving Devices**”. The Company recognizes revenue from product sales when control of the product transfers, generally upon shipment or delivery, to the customer, or in certain cases, upon the corresponding sales by customer to a third party.

Revenues are recorded in the amount of consideration to which the Company expects to be entitled in exchange for performance obligations upon transfer of control to the customer and is measured at the amount of transaction price received or receivable (net of variable consideration) like returns, Goods and Services Tax (GST), discounts, allowances, incentives and other related charges.

Contracts for the sale of goods provide customers with a right to replacement, return defective / damaged products and discount and rebates on sales. The rights to replacement return and discount and rebates on sales give rise to variable consideration.

These are generally accounted for as variable consideration estimated in the same period the related sales occur. The methodology and assumptions used to estimate rebates and returns are monitored and adjusted regularly in the light of contractual and legal obligations, historical trends, past experience and projected market conditions. The revenue for such variable consideration is included in the Company’s estimate of the transaction price only if it is highly probable that a significant reversal of revenue will not occur once any uncertainty is resolved. In making this assessment the Company considers its historical record of performance on similar contracts.

Other Income

Other Income is comprised primarily of interest income. Interest income is recognized on accrual basis.

h) Employee Benefit Expenses**(i) Short-term employee benefits:**

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages etc., and the expected cost of ex-gratia are recognized in the period in which the employee renders the related service. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) Defined Contribution Plan

Retirement benefits in the form of provident fund are defined contribution scheme. The Company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. The Company does not have any obligation other than the contribution made

(iii) Defined Benefit Plans

Post retirement benefit plan such as gratuity plan, which requires contributions to be made to a separately administered fund. The benefit plan surplus or deficit on the balance sheet comprises the total for each of the fair value of the plan assets less the present value of the defined liabilities.

In accordance with Indian law, the company deposited in a scheme of gratuity which is a defined benefit plan. The gratuity plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days' salary payable for each completed year of services. Vesting occurs upon completion of five continuous years of services.

Liability in respect of compensated absences becoming due or expected to be availed within one year from the reporting date is recognized on the basis of undiscounted value of estimated amount required to be paid or estimated value of benefit expected to be availed by the employees. There is no Liability in respect of compensated absences becoming due or expected to be availed more than one year after the reporting date.

i) Taxes

Income tax expense comprises of current tax expense and deferred tax expense/benefit. Current and deferred taxes are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity. In such cases, the income tax expense is also recognized in the other comprehensive income or directly in the equity as applicable.

Current income taxes

Current income tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the applicable income tax law. The current tax is calculated using tax rates that have been enacted or substantively enacted, at the reporting date, and any adjustment to tax payable in respect of previous years. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred Taxes

Deferred tax is recognized in respect of temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Deferred income taxes are not provided on the undistributed earnings of subsidiary where it is expected that the earnings of the subsidiary will not be distributed in the foreseeable future. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or inequity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be recovered or settled.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to offset current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

j) Segment Reporting

The Company is engaged in the business of “**Life Saving Devices**”. The Chief Operating Decision Maker review the operating results of the Company as a whole for purposes of making decisions about resources to be allocated and assess its performance. The entire operations are classified as a single segment, namely “Life Saving Devices”.

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

k) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as lessee

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- i. the contract involves the use of an identified asset
- ii. the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- iii. the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset (“ROU”) and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense.

l) Cash & cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank including fixed deposit with original maturity period of three months or less and short-term highly liquid investments with an original maturity of three months or less.

m) Provisions

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognized for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expense.

Post sales replacement

The company provides its customers with replacement of implant device at nominal cost during the lifecycle of product. The company estimates such costs based on historical experience and estimates reviewed on a periodic basis for any material changes in assumptions and likelihood of occurrence.

n) Contingencies

Contingent liabilities are recognized when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

o) Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit attributable to equity shareholders and the weighted average number of shares outstanding are adjusted for the effect of all dilutive potential equity shares. The number of equity shares is the aggregate of the weighted average number of equity shares and the weighted average number of equity shares which are to be issued in the conversion of all dilutive potential equity shares into equity shares.

p) Financial Instruments**i) Recognition & Initial Measurement**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables are initially recognized when they are originated at transaction price. All other financial assets and financial liabilities are initially recognized when the Company becomes a party to the contractual provisions of the instruments.

Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

ii) Classification and subsequent measurement

Financial Assets

On initial recognition, a financial asset is classified as measured at: amortized cost, Fair value through other comprehensive income ('FVOCI') or Fair value through profit and loss ('FVTPL').

Financial Assets at amortized cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless they are measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in statement of profit and loss.

Financial Liabilities

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in the statement of profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in the statement of profit or loss. Any gain or loss on de recognition is also recognized in the statement of profit or loss.

iii) De-recognition

- **Financial Assets**

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

- **Financial Liabilities**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

iv) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

v) Impairment of financial assets

Impairment of financial assets In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortized cost e.g., loans, debt securities ,deposits, trade receivables and bank balance ;
- b) Financial assets that are measured at FVTOCI ;
- c) Lease receivables under Ind AS 116 ;
- d) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115.

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables
- All lease receivables resulting from transactions within the scope of Ind AS 116

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss.

However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument.

The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.ECL is the difference between all contractual

cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR.

When estimating the net cash flows, an entity is required to consider:

- a. All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.
- b. Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms, as a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observe default rates are updated and changes in the forward looking estimates are analyzed. ECL impairment loss allowance (or reversal) recognized during the period is recognized as (income) / expense in the statement of profit and loss (P&L).

Financial assets measured as at amortized cost, contractual revenue receivables and lease receivables: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount. For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

The Company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

vi) Investment in subsidiaries

Investment in subsidiaries is carried at cost less impairment loss (if any) as per the Ind as 27- 'Separate Financial Statements'.

- **Impairment of investments:**

The Company reviews its carrying value of investments carried at cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted in the statement of profit and loss.

vii) Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received net of direct issue cost.

q) Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

**Ind AS 12-IncomeTaxes-**

This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and off setting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 01, 2023. The Company has evaluated the amendment and there is no impact on its standalone financial statement.

Ind AS 1-Presentation of Financial Statements-

This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 01, 2023. The Company has evaluated the amendment and the impact of the amendment is insignificant in the standalone financial statements.

Ind AS 8-Accounting Policies, Changes in Accounting Estimates and Errors-

This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its standalone financial statements.

The Company's exposure to credit risk with regards to trade and other receivables is influenced mainly by the individual characteristics of each customer and there is no significant concentration of risk related to industry segments. The granting of credit is controlled by well-established criteria that are reviewed on a regular basis. The maximum exposure to credit risk at the reporting date is the carrying amount of each trade receivable.

The credit policy requires each new customer to be analyzed individually for credit worthiness before delivery and payment terms are offered.

Other receivables consist primarily of security deposits, loans to employees and other receivables. The risk of default is assessed as low.

The credit risk surrounding loans receivable is assessed as low risk.

Credit risk on cash and cash equivalents is assessed as low risk as the Company deposits cash surpluses with financial institutions of high quality and standing.

Liquidity Risk

The Company actively monitors its cash flows to ensure there is sufficient cash available to meet its working capital requirements. Due to the dynamic nature of the underlying businesses, the Company maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's cash and cash equivalents on the basis of expected cash flow.

The Company's current trade and other payables are all due within one year.

The table below summarizes the maturity profile of the Company's financial liabilities as at 31 March 2023 based on contractual undiscounted payments.

Particulars	(Rs. In Lakhs)				
	Less than one year	1-2 Years	2-4 Years	>4 Years	Total

Short Term borrowings	162.89	0.00	0.00	0.00	162.89
Others	73.40	2.06	2.25	1.48	79.19

Interest Rate Risk

The Company is exposed to interest rate risk on its cash and cash equivalents, long-term loans and borrowings, which can have an impact on the cash flows of these instruments. The exposure to interest rate risk is managed through the Company's Board by using counterparties that offers the best rates which enables the Company to maximize returns whilst minimizing risk.

Independent Auditors' Report on Consolidated Financial Statements**To the Members of Shree Pacetronix Limited****Report on the Audit of the Consolidated Financial Statements****Opinion**

We have audited the consolidated financial statements of Shree Pacetronix Limited (hereinafter referred to as “the Holding Company”) and its subsidiary (Holding Company and its subsidiary together referred to as “the Group”), which comprise the consolidated balance sheet as at 31 March 2023, and the consolidated statement of profit and loss (including other comprehensive income), consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (“Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2023, of its consolidated profit, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters (‘KAM’) are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	<p>Revenue recognition</p> <p>The Company recognises revenue from the sales of implant devices to Hospitals and customers. The Company recognises revenue from product sales when control of the product transfers, generally upon shipment or delivery to a customer. The Company records product sales net of estimated incentives/discounts, returns, rebates and other related charges. The actual point in time when revenue is recognised varies depending on the specific terms and conditions of the sales contracts entered with customers.</p> <p>Further, the Company has a large number of customers operating in various geographies and sales contracts with customers have a variety of different terms relating to the recognition of revenue, and price adjustments.</p> <p>We identified recognition of revenue from operations as a key audit matter because: Accrual towards rebates, discounts, returns and allowances is complex and requires significant judgments and estimates in relation to contractual agreements/commercial terms across various geographies. Any change in these estimates can have a significant financial impact.</p>	<p>Principal Audit Procedures Performed</p> <p>Our audit included, but was not limited to, the following procedures:</p> <ul style="list-style-type: none"> a) Obtained an understanding of the management's process for revenue recognition (from sale to customers), judgments in estimation and accounting treatment of discount schemes, returns, rebates and regulatory compliance requirements; b) Evaluated the design and tested the operating effectiveness of the Company's internal controls, including general IT controls, key IT application controls exercised by the management, over recognition of revenue and measurement of various discount schemes, returns and rebates; c) Performed substantive testing by selecting samples of revenue transactions pertaining to sale of products during the year, and verified the underlying supporting documents including contracts, agreements, sales invoices and dispatch/shipping documents; d) Performed cut-off testing procedures by testing samples of revenue transactions recorded during the year in specific periods before and after year end to conclude there has not been overstatement/ understatement of revenue recorded for the year; e) Obtained management workings for amounts recognised towards discount schemes, returns and rebates during the year and as at year end. On a sample basis, tested the underlying calculations for amounts recorded as accruals and provisions towards the aforementioned obligations, as per the terms of related schemes, contracts and regulations, and traced the underlying data to source documents; f) Evaluated historical accuracy of the

		<p>Company's estimates of year-end accruals pertaining to aforesaid arrangements made in the previous years to identify any management bias;</p>
<p>2</p>	<p>Recoverability of investments in subsidiaries:</p> <p>The Company has investments of ₹80,00,000 in subsidiary being carried at cost in accordance with Ind AS 27 'Separate Financial Statements'. The Company assesses the recoverable amounts of each investment when impairment indicators exist by comparing the fair value (less costs of disposal) and carrying amount of that investment as on the reporting date.</p> <p>Management's assessment of whether there are impairment indications and estimate of the recoverable amounts of the identified investments determined through market observable inputs requires significant judgment in carrying out the impairment assessment. The key assumptions used in management's assessment of the recoverable amounts include, but are not limited to, projections of future cash flows, growth rates, estimated future operating and capital expenditure. Changes to these assumptions could lead to material changes in estimated recoverable amounts, resulting in either impairment or reversals of impairment taken in prior years.</p> <p>Considering the materiality and the inherent subjectivity which involves significant management judgment in predicting future cash flow projections, recoverability of investments in subsidiaries has been considered to be a key audit matter for the current period audit.</p>	<p>Our audit included, but was not limited to, the following procedures:</p> <ol style="list-style-type: none"> a. Obtained an understanding of the management's process for identification of impairment indicators and tested the design and operating effectiveness of internal controls over such identification and impairment measurement through fair valuation of identified investments; b. Reconciled the cash flows to the business plans approved by the respective Board of Directors of the identified investee companies; c. Evaluated and challenged management's assumptions such as implied growth rates during explicit period, terminal growth rate, and targeting savings for their appropriateness based on our understanding of the business of the respective investee companies, past results and external factors such as industry trends and forecasts, d. Obtained and evaluated sensitivity analysis performed by the management on key assumptions of implied growth rates during explicit period, terminal growth rates and discount rates; e. Tested the mathematical accuracy of the management computations with regard to cash flows and sensitivity analysis; f. Performed independent sensitivity analysis of aforesaid key assumptions to assess the effect of reasonably possible variations on the current estimated recoverable amount for each of the identified investments to evaluate sufficiency of headroom

		between recoverable value and carrying amount; and g. Evaluated the adequacy of disclosures given in the standalone financial statements, including disclosure of significant assumptions, judgements and sensitivity analysis performed, in accordance with applicable accounting standards. Based on the audit procedures performed, we determined that the management's assertion on the recoverability of investments in subsidiary is appropriate in the context of the standalone financial statements taken as a whole.

Other Information

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the financial statements and our auditor's report thereon. The Holding Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Management's and Board of Directors' Responsibilities for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/ loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

The respective Management and Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of each Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are responsible for overseeing the financial reporting process of each Company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on the internal financial controls with reference to the consolidated financial statements and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's

report. However, no future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entity included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- A. As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - c. The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

- d. In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
- e. On the basis of the written representations received from the directors of the Holding Company as on 31 March 2023 taken on record by the Board of Directors of the Holding Company and on the basis of written representations received by the management from directors of its subsidiary which is incorporated in India, as on 31 March 2023, none of the directors of the Group companies incorporated in India is disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiary company incorporated in India and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the Requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

The remuneration paid to any director by the Holding Company and its subsidiary companies, is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

- B. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated Ind AS financial statements disclose the impact of pending litigations on the consolidated financial position of the Group.
 - ii. The Group did not have any long-term contracts including derivative contracts during the year ended 31 March 2023.
 - iii. There has been no delay in transferring amounts to the Investor Education and Protection Fund by the Holding Company and its subsidiary company incorporated in India during the year ended 31 March 2023.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the note 2.24 to the Standalone Financial Statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (d)(i) and (d)(ii) contain any material mis-statement.
- v. No dividend declared or paid during the year by the Holding Company and its subsidiary company incorporated in India
- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of accounts in accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023

Annexure A to the Independent Auditors' Report on the consolidated financial statements of Shree Pacetronix Limited for the year ended 31 March 2023

Report on the internal financial controls with reference to the aforesaid consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

(Referred to in paragraph A (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

In conjunction with our audit of the consolidated financial statements of Shree Pacetronix Limited (hereinafter referred to as "the Holding Company") as of and for the year ended 31 March 2022, we have audited the internal financial controls with reference to the consolidated financial statements of the Holding Company and such company incorporated in India under the Companies Act, 2013 which is its subsidiary company, as of that date.

In our opinion, the Holding Company and such company incorporated in India which is its subsidiary company, have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were generally operating effectively as at 31 March 2023, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The respective Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and *zaif* such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company's internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED MARCH 31, 2023**1) Corporate information**

Shree Pacetronix Limited (CIN: L33112MP1988PLC004317) (“the holding Company”) is a listed public company domiciled in India and is incorporated under the provisions of the Companies Act, 1956. Its shares are listed on Bombay Stock Exchange in India. The registered office of the company is located at Plot no. 15, Sector – II, Pithampur, Dist. Dhar, Madhya Pradesh, 454775. The Consolidated Financial Statements comprises of Financial Statements of Shree Pacetronix Limited and its subsidiary Shree Coratomic Limited, (the Company and its subsidiaries together referred to as “the Group”)

The Company is mainly engaged in the business of Manufacturing of Pacemaker (“**Life Saving Devices**”).

The Board of Directors approved the standalone financial statements for the year ended March 31, 2023 and authorised for issue on May 30, 2023.

2) Basis of preparation

The consolidated financial statements of the Group as at and for the year ended 31st March, 2022 have been prepared and presented in accordance with Indian Accounting Standards (“Ind AS”) notified under Section 133 of the Companies Act, 2013 (“the Act”) read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and presentation requirements of Division II of Schedule III to the Companies Act, 2013, guidelines issued by the Securities and Exchange Board of India (SEBI) and other relevant provisions of the Act and accounting principles generally accepted in India.

These consolidated financial statements have been prepared by the Group as a going concern on the basis of relevant IndAS.

These consolidated financial statements have been prepared on historical cost and on accrual basis except for the following assets and liabilities which have been measured at fair value:

- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments),
- Net defined benefit liability (refer accounting policy regarding employee benefit)

These consolidated financial statements have been prepared in Indian Rupee (₹) which is the functional currency of the Group. All amounts have been rounded to the nearest hundred (₹ 00), except when otherwise indicated.

Current and non-current classification

The Group presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is treated as current when it is:

Assets:

An asset is classified as current when it satisfies any of the following criteria:

- a) it is expected to be realised in, or is intended for sale or consumption in, normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is expected to be realised within twelve months after the reporting date; or
- d) it is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities:

A liability is classified as current when it satisfies any of the following criteria:

- a) it is expected to be settled in normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is due to be settled within twelve months after the reporting date; or
- d) the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Group classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as noncurrent assets and liabilities.

Principles of Consolidation

The consolidated financial statements comprise the financial statements of the Group as at 31 March 2022. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns

Details of Group's components at the end of the year considered in preparation of the consolidated financial statements are as under:

Name of the Component	Country of Incorporation	% voting power held as at 31.03.2023	% voting power held as at 31.03.2022
Shree Coratomic Limited	India	99.91%	99.91%

The re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances.

Consolidation procedures:

- a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries.
- b) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.
- c) Eliminate in full intra group assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the Group (profits or losses resulting from intra group transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intra group transactions.
Profit or loss and each component of other comprehensive income ('OCI') are attributed to the equity holders of the parent of the Group and to the non-controlling interests, if any.

The profit and other comprehensive income attributable to non-controlling interest of subsidiaries are shown separately in the consolidated profit or loss and consolidated statement of changes in equity.

3) Significant Accounting Judgments, Estimates And Assumptions

The preparation of the consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require an adjustment to the carrying amount of assets or liabilities in future periods. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be prudent and reasonable under the circumstances existing when the standalone financial statements were prepared. The estimates and underlying assumptions are reviewed on an ongoing basis by management at each reporting date. Revision to accounting estimates is recognised in the year in which the estimates are revised and in any future year affected. Difference between actual results and estimates are recognised in the periods in which the results are known/ materialised.

Following are the critical judgments and estimates

3.1 Judgements

i) Leases

Ind AS 116 -Leases requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Group makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Group considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Group operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

ii) Income Taxes

The tax jurisdictions for the Group is India, though the Group file its tax returns in India. Significant judgements are involved in determining the provision for income taxes including judgement on whether tax positions are probable of being sustained in tax assessments. A tax assessment can involve complex issues, which can only be resolved over extended time periods. The recognition of taxes that are subject to certain legal or economic limits or uncertainties is assessed individually by management based on the specific facts and circumstances. In assessing the realisability of deferred tax assets, management considers whether some portion or all of the deferred tax assets will not be realised. The ultimate realisation of deferred tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the company will realise the benefits of those deductible differences. The amount of the deferred income tax assets considered realisable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

iii) Research & Development Expenditure

Management monitors progress of internal research & development projects Development costs are recognised as an asset when all the criteria are met whereas research cost is expenses as and when incurred. Management also monitors whether the recognition requirements for development costs continue to be met. This is necessary due to inherent uncertainty in the economic success of any product development.

iv) Provisions & Contingent Liabilities

The Group exercises judgement in measuring and recognising provisions and the exposures to contingent liabilities related to pending litigation or other outstanding claims subject to negotiated settlement, mediation, government regulation, as well as other contingent liabilities. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

v) Business Combination

The Group uses the acquisition method of accounting to account for business combinations. The acquisition date is the date on which control is transferred to the acquirer. Judgement is applied in determining the acquisition date, determining whether control is transferred from one party to another and whether acquisition constitute a business or asset acquisition. Control exists when the Group is exposed to, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns through power over the entity. In assessing control, potential voting rights are considered only if the rights are substantive.

3.2 Estimates

i) Useful lives of property plant & equipment and intangible assets

Property, plant and equipment, and intangibles assets represent a significant proportion of the asset base of the Group. The charge in respect of periodic depreciation is derived after determining an estimate of an

asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Group's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

ii) Accounting for defined benefit plans

In accounting for post-retirement benefits, several statistical and other factors that attempt to anticipate future events are used to calculate plan expenses and liabilities. These factors include expected return on plan assets, discount rate assumptions and rate of future compensation increases. To estimate these factors, actuarial consultants also use estimates such as withdrawal, turnover, and mortality rates which require significant judgement. The actuarial assumptions used by the Group may differ materially from actual results in future periods due to changing market and economic conditions, regulatory events, judicial rulings, higher or lower withdrawal rates, or longer or shorter participant life spans.

iii) Impairment of non financial assets

An impairment loss is recognised for the amount by which an asset's or cash-generating unit's carrying amount exceeds its recoverable amount. The recoverable amount of an asset or cash generating unit's is the higher of the asset's fair value less cost to sell and value in use. In assessing the value in use the estimated future cash flows are discounted to their present value using pre tax discount rate that reflects current market assessments of the time value of the money and risks specific to the asset. In determining fair value less cost to sell, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

iv) Fair value of Financial Instruments

Management uses valuation techniques in measuring the fair value of financial instruments where active market quotes are not available. Details of the assumptions used are given in the notes regarding financial assets and liabilities. In applying the valuation techniques, management makes maximum use of market inputs and uses estimates and assumptions that are, as far as possible, consistent with observable data that market participants would use in pricing the instrument. Where applicable data is not observable, management uses its best estimate about the assumptions that market participants would make. These estimates may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

4) Accounting Policies

a) Property Plant & Equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the Management. The charge in respect of periodic depreciation is derived at after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The Group depreciates property, plant and equipment over their estimated useful lives using the written down value method.

Advances paid towards the acquisition of property, plant and equipment outstanding at each reporting date is disclosed as capital advance under non-current assets. Capital work-in-progress included in non-current assets comprises of direct costs, related incidental expenses and attributable interest. Capital work-in-progress are not depreciated as these assets are not yet available for use.

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end. The useful lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

An item of property, plant and equipment, is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the profit or loss.

b) Intangible Assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight line basis, from the date that

they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

Expenditure pertaining to research is recognized on statement of profit and loss as and when incurred by the entity. Development cost charged to Statement of profit and loss unless product's technological and commercial feasibility has been established and the Group has sufficient resources to complete the development and to use and sell the asset in which case such expenditure is capitalised.

The Group amortises intangible assets with a finite useful life using the straight-line method over the following useful lives:

Type of asset	Useful lives
Technological Know-how	10 Years
Product Related Technology	10 Years
Technological Purchase	-

The amortisation period and the amortisation method for intangible assets with a finite useful life are reviewed at each reporting date.

Dereognition

Intangible assets are de-recognised either on their disposal or where no future economic benefits are expected from their use. Losses arising on such de-recognition are recorded in the profit or loss and are measured as the difference between the net disposal proceeds, if any, and the carrying amount of respective intangible assets as at the date of de-recognition

c) Impairment of Non Financial Assets

The Group assesses, at each reporting date to determine that whether there is a indication that asset may be impaired based on internal & external factors. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. The recoverable amount of an asset or cash generating unit's is the higher of the asset's fair value less cost to sell and value in use. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

d) Borrowings Costs

Borrowing costs consists of interest, ancillary costs and other costs in connection with the borrowing of funds. Borrowing costs attributable to acquisition and/or construction of qualifying assets are capitalised as a part of the cost of such assets; up to the date such assets are ready for their intended use. Other borrowing costs are charged to the profit or loss.

e) Foreign currency transactions and balances

Transactions in foreign currencies are translated to the functional currency of the Group at exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary items denominated in foreign currency at prevailing reporting date exchange rates are recognised in profit or loss. Non-monetary items are measured at historical cost (translated using the exchange rates at the transaction date), except for non-monetary items measured at fair value which are translated using the exchange rates at the date when fair value was determined.

f) Inventories

Inventories are valued at the lower of cost and net realisable value. Inventories consist of raw materials, sub-assemblies and components, work-in-progress and finished goods and are measured at the lower of cost and net realisable value. The cost of all categories of inventories is based on the weighted average method. Cost includes expenditures incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition. In the case of finished goods and work-in-progress, cost includes an appropriate proportion of overheads based on normal operating capacity.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses. The factors that the Group considers in determining the provision for slow moving, obsolete and other non-saleable inventory include estimated shelf life, planned product discontinuances, aging of inventory and introduction of competitive new products, to the extent each of these factors impact the Group's business and markets. The Group considers all these factors and adjusts the inventory provision to reflect its actual experience on a periodic basis.

g) Revenue Recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services.

The majority of customer contracts that the Group enters into consist of a single performance obligation for the delivery of "**Life Saving Devices**". The Group recognises revenue from product sales when control of the product transfers, generally upon shipment or delivery, to the customer, or in certain cases, upon the corresponding sales by customer to a third party.

Revenues are recorded in the amount of consideration to which the Group expects to be entitled in exchange for performance obligations upon transfer of control to the customer and is measured at the amount of transaction price received or receivable (net of variable consideration) like returns, Goods and Services Tax (GST), discounts, allowances, incentives and other related charges.

Contracts for the sale of goods provide customers with a right to replacement, return defective / damaged products and discount and rebates on sales. The rights to replacement return and discount and rebates on sales give rise to variable consideration.

These are generally accounted for as variable consideration estimated in the same period the related sales occur. The methodology and assumptions used to estimate rebates and returns are monitored and adjusted regularly in the light of contractual and legal obligations, historical trends, past experience and projected market conditions. The revenue for such variable consideration is included in the Group's estimate of the transaction price only if it is highly probable that a significant reversal of revenue will not occur once any uncertainty is resolved. In making this assessment the Group considers its historical record of performance on similar contracts.

Other Income

Other Income is comprised primarily of interest income. Interest income is recognized on accrual basis.

h) Employee Benefit Expenses

(i) Short-term employee benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages etc., and the expected cost of ex-gratia are recognised in the period in which the employee renders the related service. A liability is recognised for the amount expected to be paid if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) Defined Contribution Plan

Retirement benefits in the form of provident fund are a defined contribution scheme. The Company recognises contribution payable to the provident fund scheme as expenditure, when an employee renders the related service. The Company does not have any obligation other than the contribution made

(iii) Defined Benefit Plans

Post retirement benefit plan such as gratuity plan, which requires contributions to be made to a separately administered fund. The benefit plan surplus or deficit on the balance sheet comprises the total for each of the fair value of the plan assets less the present value of the defined liabilities. In accordance with Indian law, the company deposited in a scheme of gratuity which is a defined benefit plan. The gratuity plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days' salary payable for each completed year of services. Vesting occurs upon completion of five continuous years of services.

Liability in respect of compensated absences becoming due or expected to be availed within one year from the reporting date is recognised on the basis of undiscounted value of estimated amount required to be paid or estimated value of benefit expected to be availed by the employees. There is no Liability in respect of compensated absences becoming due or expected to be availed more than one year after the reporting date.

i) Taxes

Income tax expense comprises of current tax expense and deferred tax expense/benefit. Current and deferred taxes are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity. In such cases, the income tax expense is also recognised in the other comprehensive income or directly in the equity as applicable.

Current income taxes

Current income tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the applicable income tax law. The current tax is calculated using tax rates that have been enacted or substantively enacted, at the reporting date, and any adjustment to tax payable in respect of previous years. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Deferred Taxes

Deferred tax is recognised in respect of temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Deferred income taxes are not provided on the undistributed earnings of subsidiary where it is expected that the earnings of the subsidiary will not be distributed in the foreseeable future. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in OCI or inequity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be recovered or settled. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to offset current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

j) Segment Reporting

The Company is engaged in the business of “**Life Saving Devices**”. The Chief Operating Decision Maker review the operating results of the Company as a whole for purposes of making decisions about resources to be allocated and assess its performance. The entire operations are classified as a single segment, namely “**Life Saving Devices**”.

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

k) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

“The Holding Company” as lessee

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- i. the contract involves the use of an identified asset
- ii. the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- iii. the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognises the lease payments as an operating expense.

l) Cash & cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank including fixed deposit with original maturity period of three months or less and short-term highly liquid investments with an original maturity of three months or less.

m) Provisions

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Post sales replacement

The Group provides its customers with replacement of "**Life Saving Devices**" at nominal cost during the lifecycle of product. The company estimates such costs based on historical experience and estimates reviewed on a periodic basis for any material changes in assumptions and likelihood of occurrence.

n) Contingencies

Contingent liabilities are recognised when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

o) Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit attributable to equity shareholders and the weighted average number of shares outstanding are adjusted for the effect of all dilutive potential equity shares. The number of equity shares is the aggregate of the weighted average number of equity shares and the weighted average number of equity shares which are to be issued in the conversion of all dilutive potential equity shares into equity shares.

p) Financial Instruments**i) Recognition & Initial Measurement**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables are initially recognised when they are originated at transaction price. All other financial assets and financial liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instruments.

Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

ii) Classification and subsequent measurement**Financial Assets**

On initial recognition, a financial asset is classified as measured at: amortised cost, Fair value through other comprehensive income ('FVOCI') or Fair value through profit and loss ('FVTPL').

Financial Assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in statement of profit and loss.

• Financial Liabilities

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in the statement of profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in the statement of profit or loss. Any gain or loss on derecognition is also recognised in the statement of profit or loss.

iii) De-recognition**• Financial Assets**

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Group enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

• Financial Liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

iv) Off-setting of financial instruments

Financial assets and financial liabilities are off set and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

v) Impairment of financial assets

Impairment of financial assets In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance
- b) Financial assets that are measured at FVTOCI
- c) Lease receivables under Ind AS 116 ;
- d) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115.

The Group follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables
- All lease receivables resulting from transactions within the scope of Ind AS 116

The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss.

However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument.

The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR.

When estimating the net cash flows, an entity is required to consider:

- a. All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.
- b. Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms, as a practical expedient, the Group uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every

reporting date, the historical observed default rates are updated and changes in the forward looking estimates are analysed. ECL impairment loss allowance (or reversal) recognized during the period is recognized as (income) / expense in the statement of profit and loss (P&L).

- c. Financial assets measured as at amortised cost, contractual revenue receivables and lease receivables: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Group does not reduce impairment allowance from the gross carrying amount. For assessing increase in credit risk and impairment loss, the Group combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.
- The Group does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

v) Investment in subsidiaries

Investment in subsidiaries is carried at cost less impairment loss (if any) as per the Ind as 27- 'Separate Financial Statements' .

- **Impairment of investments:**

The Group reviews its carrying value of investments carried at cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted in the statement of profit and loss.

vi) Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the Group after deducting all of its liabilities. Equity instruments issued by the Group are recognised at the proceeds received net of direct issue cost.

q) Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

Ind AS 12-IncomeTaxes-

This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and off setting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Group has evaluated the amendment and there is no impact on its standalone financial statement.

Ind AS 1-Presentation of Financial Statements-

This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Group has evaluated the amendment and the impact of the amendment is insignificant in the standalone financial statements.

Ind AS 8-Accounting Policies, Changes in Accounting Estimates and Errors-

This amendment has introduced a definition of "accounting estimates" and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Group has evaluated the amendment and there is no impact on its standalone financial statements.

35. FINANCIAL RISK MANAGEMENT

Credit risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk primarily relates to trade and other receivables, long-term loans, cash and cash equivalents.

The Company's exposure to credit risk with regards to trade and other receivables is influenced mainly by the individual characteristics of each customer and there is no significant concentration of risk related to industry segments. The granting of credit is controlled by well-established criteria that are reviewed on a regular basis. The maximum exposure to credit risk at the reporting date is the carrying amount of each trade receivable.

The credit policy requires each new customer to be analyzed individually for credit worthiness before delivery and payment terms are offered.

Other receivables consist primarily of security deposits, loans to employees and other receivables. The risk of default is assessed as low.

The credit risk surrounding loans receivable is assessed as low risk.

Credit risk on cash and cash equivalents is assessed as low risk as the Company deposits cash surpluses with financial institutions of high quality and standing.

Liquidity Risk

The Company actively monitors its cash flows to ensure there is sufficient cash available to meet its working capital requirements. Due to the dynamic nature of the underlying businesses, the Company maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's cash and cash equivalents on the basis of expected cash flow.

The Company's current trade and other payables are all due within one year.

The table below summarizes the maturity profile of the Company's financial liabilities as at 31 March 2023 based on contractual undiscounted payments.
