5. Corporate Members intending to send their authorized representative(s) to attend the meeting pursuant to Section 113 of the Companies Act, 2013 are requested to send to the Company, a Certified True Copy of the relevant Board Resolution together with their respective specimen signatures authorizing their representative(s) to attend and vote on their behalf to the scrutinizer by email to csjigartrivedi@gmail.com.
6. The Register of Members and Share Transfer Books of the Company shall remain closed from Thursday 21st September, 2023 to Wednesday 27th September, 2023 (both days inclusive) for the purpose of Annual General Meeting (AGM).
7. The Register of Directors and Key Managerial Personnel and their share holding, maintained under Section 170 of the Companies Act, 2013 will be available for inspection by the Members at the Annual General Meeting.
8. A person can be an authorized representative of more than one Body Corporate. In such a case, he is treated as more than one Member present in person for the purpose of the quorum.
9. In Compliance with MCA Circulars dated 8th April 2020, 13th April 2020 and 05th May 2020 and SEBI Circular dated 12th May, 2020, Members may kindly note that

sending of Physical Copies of Annual Report to Members have been dispensed with and is being sent through electronic mode to those members whose e-mail addresses are registered with the Company or Depositories. Members may also note that the Notice of the 53rd Annual General Meeting and the Annual Report will be available on the Company's website www.premiersyntheticsltd.com and can also be accessed from the website of the Stock Exchange i.e. BSE Limited at www.bseindia.com and disseminated on the website of CDSL at www.evotingindia.com.

10. Pursuant to the MCA Circulars and SEBI Circular, owing to the difficulties involved in dispatching of physical copies of the Notice of the 53rd AGM and the Annual Report for the year ended 31st March, 2023 including therein the Audited Financial Statements for the Financial Year 2022-2023, are being sent only by email to the Members. Therefore, those Members, whose email address is not registered with the Company or with their respective Depository Participant/s, and who wish to receive the Notice of the 53rd AGM and the Annual Report for the Financial Year 2022-2023 and all other communication sent by the Company, from time to time, can get their email address registered by following the steps as given below:-
- a. For Members holding shares in physical form, please send scan copy of a signed request letter mentioning your Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to Company email id [:premiersynthetics@gmail.com](mailto:premiersynthetics@gmail.com).
 - b. For the Members holding shares in demat form, please update your email address through your respective Depository Participant/s.

If you have any queries or issues regarding attending AGM & e-Voting from the CDSL e-Voting System, you can write an email to helpdesk.evoting@cdslindia.com or contact at 022-23058738 and 022-23058542/43.

All grievances connected with the facility for voting by electronic means may be addressed to Mr. Rakesh Dalvi, Sr. Manager, (CDSL), Central Depository Services (India) Limited, A Wing, 25th Floor, Marathon Futurex, Mafatlal Mill Compounds, N M Joshi Marg, Lower Parel (East), Mumbai - 400013 or send an email to helpdesk.evoting@cdslindia.com or call on 022-23058542/43.

11. In case of joint holder attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
12. Members holding shares in dematerialized mode are requested to intimate all changes pertaining to their bank details, NECS, mandates, nominations, power of attorney, change of address/name, PAN details, etc to their Depository Participant only and not to the Company's Registrars and Transfer Agents. Changes intimated to the Depository Participant will then be automatically reflected in the records of the Registrars and

Transfer Agents which will help the Company and its Registrars and Transfer Agents to provide efficient and better service to the Members.

13. In accordance with the amendments to Regulation 40 of the Listing Regulations, Securities and Exchange Board of India (SEBI), decided that requests for effecting transfer of listed securities shall not be processed unless the securities are held in dematerialized form with a Depository (National Securities Depository Limited or Central Depository Services (India) Limited). Members holding shares in Physical Form are requested to consider converting their holding to dematerialized form in order to eliminate all risks associated with physical shares. Members can contact the Registrar and Share Transfer Agent (RTA) in this regard. Members holding shares in electronic form are requested to intimate immediately any change in their address or bank mandates to their Depository Participants with whom they are maintaining their Demat accounts.
14. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their Demat accounts. Members holding shares in Physical Form can submit their PAN details to the Company.
15. Additional Information required to be furnished under Regulation 36 (3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 and Secretarial Standards-2 with respect of the Director(s)/Manager seeking appointment/re-appointment at the AGM has been furnished and forms a part of the notice. The director(s)/manager have furnished the requisite consents/declarations for their appointment/re-appointment.
16. We will be publishing a Public Notice by way of advertisement in Free Press Gujarat and Lokmitra Newspaper (English edition and Gujarati edition respectively) with the suitable details of the ensuing Annual General Meeting.
17. M/s. Jigar Trivedi & Co., Company Secretaries, (COP No.18483) Ahmedabad, has been appointed as the Scrutinizer to scrutinize the remote e-Voting process and casting vote through the e-Voting system during the meeting in a fair and transparent manner.
18. The Scrutinizer shall after the conclusion of e-Voting at the 53rd AGM, first download the votes cast at the AGM and thereafter unblock the votes cast through remote e-Voting and shall make a consolidated scrutinizer's report of the total votes cast in favour or against, invalid votes, if any, and whether the resolution has been carried or not, and such Report shall then be sent to the Chairman or a person authorized by him, within 48 (forty eight) hours from the conclusion of the 53rd AGM, who shall then countersign and declare the result of the voting forthwith.
19. The Results declared along with the report of the Scrutinizer shall be placed on the website of the Company at www.premiersyntheticsltd.com and on the website of CDSL at www.evotingindia.com immediately after the declaration of results by the Chairman

or a person authorized by him. The results shall also be immediately forwarded to the BSE Limited, Mumbai.

20. Instructions for attending the AGM through E-Voting are as under:

- (i) The voting period begins on 24/09/2023 (09:00 A.M.) and ends on 26/09/2023 (05:00 P.M.). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 20/09/2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 January 25, 2022 has mandated listed Companies to issue securities in dematerialised form only while processing service requests pertaining to viz. issue of duplicate securities certificate, claim from unclaimed suspense account, renewal/ exchange of securities certificate, endorsement, sub-division/ splitting of securities certificate, consolidation of securities certificates/folios, transmission and transposition. Accordingly, Members are requested to make service requests by submitting duly filled and signed Form ISR-4, the format of which is available on the website link of Company's RTA at: <https://www.skylinerta.com/> and on Company's website link at: <https://premiersyntheticsltd.com/letter-to-shareholder.php>

- (iv) In terms of SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. MAJOR EVENTS OCCURRED DURING THE YEAR AND SUBSEQUENT TO THE DATE OF FINANCIAL STATEMENT

* As Indian cotton prices continue to be costlier against the international market, Cotton Yarn exports have taken a major hit to touch historic lows with 59% decline in the first half of FY 2023 as compared to the year ago period. Raw cotton exports declined 73% during the same period, according to data provided by Cotton Textile Export Promotion Council (Texprocil).

In the first six months of the current FY, India's cotton yarn exports decreased by 59% while raw cotton exports plunged by 73%. Low cotton production in the 2021-22 season pushed Indian cotton prices up 140% and Indian cotton prices remained 20-25% higher than international prices.

The data released by the Cotton Textile Export Promotion Council (Texprocil) for the first six months of current financial year suggests that India's cotton yarn decreased to 28.5 Crores kg. from 69.5 crores kg. recorded in last financial year. In September this year, cotton yarn exports stood at only 3 crore kg., a decrease of 76% compared to the September 2021 figure.

However, the new season seems promising with preliminary estimates suggesting that at least 3.5 crore candy will be produced. Jayesh Patel, Vice-President of Spinners' Association Gujarat (SAG), said: "Spinning mills had cut down production to lower losses and the demand is still low." Patel added: "However we have seen some orders coming in for cotton yarn exports as cotton prices have come down to around Rs.65,000 per candy. In the coming months the prices will go down further."

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNING AND OUTGO

The Information under Section 134 (3) (m) of the Companies Act, 2013 read with Rule 8 (3) of the Companies (Accounts) Rules, 2014 for the year ended on 31st March, 2023 is given below

and forms the part of the Boards Report.

A. CONSERVATION OF ENERGY:

The Company continues to meet the growing energy demand, while working towards minimizing the environmental footprint of its ongoing operations, as well as future projects. The Company is continually exploring new ways to make its operations more efficient by putting technology to use for direct energy savings and increasing renewable energy sources.

- **Improving efficiency of electricity use**

Lighting: Due to its nature of operations, the share of lighting in electricity use is relatively high. It is important to re-examine whether the light source is utilized in the most efficient way and take electricity saving measures.

Electric motor: The textile industry uses a vast number of relatively small electric motors. While a conventional machine was driven by a single motor with the generated mechanical power transmitted to various parts of the machine in a collective manner, many modern machines utilize multiple motors with a control board controlling the movement of each motor, which is directly coupled to a machine part to drive it independently from others.

Electric heating: In the textile industry, electric heating has largely been replaced by other methods (steam, gas heating, or direct or indirect fired heating) for some time in order to achieve cost reductions

- **Non-conventional sources of energy**

The different alternative renewable sources of energy are biomass, tidal energy, geothermal energy, solar energy and wind energy. The technology is easy and straightforward to control, with nearly very little maintenance cost. There will not be any drawback of air pollution.

- **The Capital investment on energy conservation equipment**

During the year under review, Company has not incurred any capital expenditure on energy conservation equipment.

B. TECHNOLOGY ABSORPTION:

- **Efforts, in brief, made towards technology absorption, adaptation & innovation:**

The Company is taking necessary steps to replace certain existing equipment's by installing new equipments having better technology. In addition to this, the company has installed plant for re-processing for its waste material.

- **Benefit derived as a result of above efforts:**

The benefits of technology upgraded equipments will be visible in future working. Further, the Company has imported machinery spare parts to maintain the products quality and life of machine.

- **Expenditure incurred on Research and Development:**

During the year under review, Company has not incurred any Expenditure on Research and Development.

C. FOREIGN EXCHANGE EARNINGS AND OUTGO:

During the year under review, the Company has foreign exchange outgo as mentioned below:-

Particulars	(Rs. In Lakhs)	
	2022-23	2021-22
Foreign Exchange Earned	NIL	NIL
Foreign Exchange Used	0.31	19.03

INTERNAL CONTROL SYSTEMS AND ITS ADEQUACY:

The Company has an effective internal control and risk mitigation system, which is reviewed and constantly updated. In accordance with the provisions of Section 152 and other applicable provisions, if any, of the Companies Act, 2013, read with the Companies (Appointment and Qualification of Directors) Rules, 2014 (including any statutory modification(s) or re-enactment(s) thereof for the time being in force), Mr. Gautamchand Surana (DIN: 00955362) Director, is liable to retire by rotation at the ensuing Annual General Meeting (AGM) and being eligible have offered himself for re-appointment.

CHANGE IN NATURE OF BUSINESS:

During the year under review, your Company has not changed its nature of business. The Board is of the opinion that the existing operations of Yarn Manufacturing will not result in improved working since the products of the Company are mainly used by the Textile denim manufacturers and the present market conditions of Textile Denim Manufacturers are not good. In addition to this, the Company’s plant is of old technology which results in higher cost of production in comparison to new technology plants. The cost of production is also higher due to higher rate of electricity in comparison to Electricity rate in the State of Maharashtra for textile units at present and also higher cost of manpower. In these circumstances, the Board is of the view that Company should dispose off existing movable assets and should develop the existing land of the

Company for commercial / industrial / residential purpose since the location of the land is very near to Ahmedabad. The company had also added three object clauses to the main object clause for the same.

DISCLOSURES WITH RESPECT TO DEMAT SUSPENSE ACCOUNT / UNCLAIMED SUSPENSE ACCOUNT

During the years under review, no shares were held in demat suspense account or unclaimed suspense account of the Company.

INSURANCE

The Company has taken all the necessary steps to insure its properties and insurable interest, as deemed appropriate and as required under the various legislative enactments. There were no major incidents or accidents to warrant insurance claims during the year under review.

SYSTEM DRIVEN DISCLOSURES (SDD) UNDER SEBI (SAST) REGULATIONS, 2011

Pursuant to the provisions of SEBI circular dated December 01, 2015, December 21, 2016, September 09, 2020, October 28, 2022, January 25, 2023 and March 16, 2023 with reference to Regulation 3(5) and 3(6) of SEBI (PIT) Regulations, 2015 which inter alia required (System Driven Disclosures) SDD to be maintained by the company. In this regard, Company has installed SDD software dated 11th November, 2022 and is maintaining the same on regular basis as and when any such events occur as per the provisions of SEBI (PIT) Regulations, 2015

INITIATIVE

Your Directors would like to draw your attention to Section 20 of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014, as may be amended from time, which permits paperless compliances and also service of notice / documents (including annual report) through electronic mode to its members. To support this green initiative of the Central Government in full measure, we hereby once again appeal to all those members who have not registered their e-mail addresses so far are requested to register their e-mail address in respect of electronic holdings with their concerned depository participants and / or with the Company.

DETAILS OF APPLICATION MADE OR PROCEEDING PENDING UNDER INSOLVENCY AND BANKRUPTCY CODE 2016:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

(a) INDUSTRY STRUCTURE AND DEVELOPMENTS

The Textile industry is one of the oldest business options in India since the ancient age. Different types of textile fibers are produced in India, among which cotton, jute, silk and wool are the major ones. Both skilled laborers and unskilled officials are needed to run this business smoothly. Thus, the textile industry serves as the platform offering a huge number of employment opportunities to eligible people in India. The products of the Indian textile industry with the traditional designs and textures are very popular all over the world. People associated with this industry hope to see a great comeback in 2022, overcoming the setback during the past 2 years due to the pandemic situation.

(Source: <https://fashinza.com/fabric/guide/an-overview-of-indias-textile-industry-in-2022/>)

(b) COTTON YARN INDUSTRY AND EXPORT

Narendra Goenka, the chairman of the Apparel Export Promotion Council has confirmed this speedy growth of the Textile Industry in India after the pandemic situation. A Comprehensive Economic Partnership Agreement is signed between India and the United Arab Emirates in February 2022, in terms of the exports of textiles and jewelry. The textile units based in Noida and Tirupur have taken the responsibility of meeting the export demands, which will start from May 2022. So, these units will increase their manpower up to 30%, due to which more skilled people will get employment there.

The technical matters of the textile industry have improved a lot in recent years. However, the Indian textile industry still needs to progress in the research and development of designs. The quality of raw materials also needs to be upgraded for the production of the best quality garments. Now, the textile industry contributes 5% to the GDP from domestic trade and 7% from foreign exports. However, these values are expected to increase this year, making this industry one of the leaders in the Indian economy.

(c) OPPORTUNITIES AND THREATS

1) Opportunities in Cotton Yarn Segment:

India is now recognized as the largest producer of cotton and jute garments in the world. There is tough competition from China, Bangladesh, Pakistan, and Vietnam for exporting textile products in the global market. However, the Indian textile industry still manages for a comeback even after the decline of the business in 2020 – 21. Since the textile industry not only comprises large textile mills and high-end garment boutiques, self-employed artisans from rural areas are also promoted through government schemes, like MGNREGA. Many rural cooperatives and NGOs are also providing support to people working on a small-scale for the textile industry.

All garment manufacturing units are returning to the normal state though at a slow pace at present. The Indian textile industry is aiming to export products worth \$40 to \$100 billion within 2027. These garment units are fast expanding in size and investments, to meet the bulk orders pouring in from various foreign countries in the west. The promotion of this industry through several government schemes has been the greatest in the last three decades. The apparel industry is progressing fast with the manufacturing of more varieties of products. This textile business is also spreading in more countries across the world, leading to more earning of foreign money.

2) Threats in Cotton Yarn Segment:

In the last financial year, the pandemic was still at a great height that eventually led to the closure of several manufacturing units in the Textile Industry. These factory owners were forced to close due to the shortage of manpower. The lack of funds to buy raw materials for production was another drawback in this industry. According to the government rules, all textile factories had to work with only 50% manpower. Thus, these Companies could not meet the deadlines of bulk orders, though such orders were rare to receive at that time. The Indian government imposed new GST with higher rates on industries. So, the textile industry now finds it harder to pay the taxes on their sales. Therefore, business owners are quite agitated due to its negative impact. Political tensions or militant activities in some places hinder the smooth operations of the textile industry there. Many textile companies face severe labor shortages and a lack of regular transportation if their factories are located in remote places.

The government provides financial support only to small and medium-scale companies. Hence, many business owners do not strive for further growth of their textile companies to keep on receiving those benefits. Cotton textile is the major player in the Indian textile industry. The price of cotton has risen too much now, which is a major setback for textile industry owners. They find it hard to maintain their supply chain due to this price hike.

The inflation in the Indian economy results in frequent demands among laborers for salary hikes. Thus, industry owners do not find the means to expand their business and compete with global textile leaders from other countries.

Common laborers do not have the skills to produce the best textile designs. They are not formally trained in textile manufacturing and learn only while working here. This practice has a negative effect on the quality of end products manufactured by these textile companies.

Many textile business owners lack updated knowledge of the modern trend. Hence, they cannot produce stylish products that will satisfy global customers.

The high cost of power in India is another hindrance to textile production. Most modern machines are power-driven, which raises the overall production costs for business owners. Unfavorable government policies in India also obstructed the growth of the textile industry. But other countries provide more support to their textile businesses. Thus, the textiles of India cannot compete with them in the global market.

Financial Results:

The Company's financial performance for the year ended March 31, 2023 is summarized below:

Particulars	Year Ended 31 st March, 2023	Year Ended 31 st March, 2022

(d) SEGEMENT-WISE OR PRODUCT-WISE PERFORMANCE

The Company operates in only Single segment; hence segment-wise performance is not applicable.

(e) OUTLOOK

Indian government has taken a series of positive steps to support the textile industry in this country. The Union Ministry of Textiles is more active in developing the textile industry, by constant coordination with business owners of this sector. The Union Budget for 2022 – 23 also announced some benefits that can help in the growth of the Indian textile industry.

(f) RISKS AND CONCERNS

While the overall economy is relatively strong and is outperforming major economies, the textile sector is a notable exception and orders suggest the downturn will continue well into 2023, raising the risk of layoffs in an industry that employs more than 45 million people.

Exports, which constitute about 22% of the industry, have fallen for five months in a row-declining over 15% year-on-year in November to \$3.1 billion. Domestic sales are sluggish despite strong growth in the overall economy because of high costs and cheap imported garments, manufacturers say.

(g) INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Pursuant to the provisions of section 134(5) (e) Companies Act, 2013, every listed company has to lay down Internal Financial Controls and ensure that these are adequate and are operating effectively. Internal Finance Controls means the policies and procedures adopted by the company for ensuring the following:

- Orderly and efficient conduct of its business
- Adherence to company's policies
- Safeguarding of its assets
- Prevention and detection of frauds and errors
- Accuracy and completeness of the accounting records and timely preparation of reliable financial information

The Company has adequate and suitable internal control systems that are continuously monitored and updated to ensure that its assets are safeguarded. These systems also ensure that established regulations are complied with and pending issues are addressed promptly. The adequacy of the internal control systems are audited by the internal auditors and the reports are reviewed quarterly by the Audit Committee.

Based on the report of Internal Audit, the Committee makes note of the audit observations and undertakes corrective actions, where necessary. It maintains a constant dialogue with the statutory and internal auditors to ensure that internal control systems are operating effectively.

(h) MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/ INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

During the Financial Year 2022-23 there is no material developments in the area of Human Resources/Industrial Relations front as well as no change in increase/decrease in number of people employed.

Opinion

We have audited the accompanying Ind As Financial Statements of **PREMIER SYNTHETICS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), and the Statement of Changes in Equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023, and its profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis Report, Board's Report including Annexures to Board's Report, and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. The above mentioned reports are expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If based on work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance including other Comprehensive Income, cash flows and Changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current year and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor’s Report) Order, 2020 (“the Order”) issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the “Annexure A”, a statement on the matters specified in paragraphs 3 and 4 of the

Annexure – B to Independent Auditors’ Report – 31st March 2023

(Referred to in our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

Opinion

We have audited the internal financial controls over financial reporting of **Premier Synthetics Limited** as at 31 March 2023 in conjunction with our audit of the Financial Statements of the Company for the year ended as on 31st March 2023.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under section 143(10) of the Companies Act 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (a) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and
- (c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

“1” SIGNIFICANT ACCOUNTING POLICES:

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2023

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

COMPANY INFORMATION / OVERVIEW

Premier Synthetics Limited (the “Company”) is a public limited company domiciled in India. The Company was incorporated on 09th October, 1970 under the provisions of the Company’s Act, 1956. The Company’s registered office is at Surana House, B/h. Klassic Chambers, Near Swastik Char Rasta, Navrangpura, Ahmedabad-380009. The shares of the company are listed on BSE Limited (BSE). The Company is engaged in the business of manufacturing of Cotton Yarn.

STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as “Ind AS”) prescribed under section 133 of the Companies Act, 2013 (“the Act”) read with the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment Rules issued thereafter.

The financial statements have also been prepared in accordance with the relevant presentation requirements of the Companies Act, 2013.

The financial statements were authorised for issue by the Company's Board of Directors on 29th May, 2023.

BASIS OF PREPARATION OF FINANCIAL STATEMENTS

These financial statements have been prepared on historical cost basis except for certain financial instruments and defined benefit plans which are measured at fair value or amortized cost at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle. Based on the nature of the products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard require a change in accounting policy hitherto in use.

These Financial Statements are presented in thousands rupee (₹), which is also the Company’s functional currency and all values are rounded to the nearest rupees, except when otherwise indicated.

The Company follows the mercantile system of accounting and recognizes incomes and expenditures on accrual basis. The accounts are prepared on historical cost basis, as a going concern, and are consistent with accounting principles generally accepted in India.

The statement of cash flows has been prepared under indirect method.

USE OF ESTIMATES

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed below. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

PROPERTY, PLANT & EQUIPMENT

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred. Major shut-down and overhaul expenditure is capitalized as the activity undertaken improves the economic benefits expected to arise from the asset.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

Property, plant and equipment except freehold land held for use in the production, supply or administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any.

Advances paid towards the acquisition of Property, Plant & Equipment outstanding at each reporting date is classified as Capital advances under Other Non –Current Assets and assets which are not ready for intended use as on the date of Balance sheet are disclosed as “Capital Work in Progress.”

Depreciation on Property, Plant & Equipment is charged on Straight Line Method. Depreciations are charged over the estimated useful lives of the assets as specified in Schedule II of the Companies Act, 2013. Depreciation in respect of additions to/and deletion from assets has been charged on pro-rata basis from/till the date they are put to commercial use.

IMPAIRMENT OF ASSETS

Assessment for impairment is done at each Balance Sheet date as to whether there is any indication that a non-financial asset may be impaired. Impairment loss, if any, is provided to the extent, the carrying amount of non- financial assets or cash generating units exceed their recoverable amount.

Recoverable amount is higher of an asset's or cash generating unit's fair value less cost of disposal and its value in use. Value in use is the net present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life.

Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased, basis the assessment a reversal of an impairment loss of an asset is recognised in the Statement of Profit and Loss.

FOREIGN CURRENCY TRANSACTIONS

Initial Recognition:

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Subsequent Recognition:

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined. All monetary assets and liabilities in foreign currency are reinstated at the end of accounting period. Exchange differences on reinstatement of all monetary items are recognised in the Statement of Profit and Loss.

INVENTORIES

Inventories are valued at lower of cost and net realizable value. Cost of inventories comprises of purchase cost and other costs incurred in bringing the inventory to present location and condition which includes appropriate share of overheads. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks (other than deposits pledged with government authorities and margin money deposits) with an original maturity of three months or less.

CASH FLOW STATEMENT

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

PROVISION, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions: Provisions are recognised when there is a present obligation as result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date and are not discounted to its present value.

Contingent Liabilities : Contingent liabilities are not provided for in the books but are disclosed by way of notes in the financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent Assets: Contingent Assets are neither recognized nor disclosed in the financial statements.

RELATED PARTY TRANSACTIONS

Related party transactions are transfer of resources or obligations between related parties, regardless of whether a price is charged. Parties are considered to be related, if one party has the ability, directly or indirectly, to control the other party or exercise significant influence over the other party in making financial or operating decisions. Parties are considered to be related if they are subject to common control or common significant influence.

REVENUE RECOGNITION

Revenue is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment. The Company is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks. However, Goods and Services tax (GST) are not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

The specific recognition criterion from various stream of revenue is described below:

Sale of Goods:

Revenue from sales is recognised when the substantial risks and rewards of ownership of goods are transferred to the buyer and the collection of the resulting receivables is reasonably expected. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Rendering of Services:

Revenue from services rendered is recognised when the work is performed and as per the terms of agreement.

Interest income:

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

Interest income is accrued on a time basis. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

TAXATION

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the relevant prevailing tax laws.

Deferred tax is recognised for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognised and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. At each Balance Sheet date, the Company re-assesses unrecognized deferred tax assets, if any.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

EARNINGS PER SHARE (EPS)

The earnings considered in ascertaining the Company's earnings per share comprise the net profit after tax (and include post tax effect of any extraordinary items.) The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises of the weighted average number of shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises of the weighted average shares considered for deriving basic earning per share, and also the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

EMPLOYEE BENEFITS

Staff benefits arising out of retirement/death comprising contributions to Provident Fund, Gratuity Scheme and other post separation benefits are accounted for on the basis of the schemes or by an independent actuarial valuation at the year-end as the case may be.

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

BORROWING COST

Borrowing costs that are attributable to the acquisition or construction of qualifying assets (assets which require substantial period of time to get ready for its intended use) are capitalized as part of the cost of that asset. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

FINANCIAL ASSETS

Initial recognition and measurement

All financial assets are initially recognized when the Company becomes a party to the contractual provisions of the instrument. All financial assets are initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

❖ Classification

For the purpose of subsequent measurement, the Company classifies financial assets in following categories:

- **Financial assets at amortized cost**
Financial assets at amortized cost are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses, if any. Interest income and impairment are recognized in the Statement of Profit and Loss.
- **Financial assets at fair value through other comprehensive income (FVTOCI)**
These assets are subsequently measured at fair value through other comprehensive income (OCI). Changes in fair values are recognized in OCI and on de-recognition, cumulative gain or loss previously recognized in OCI is reclassified to the Statement of Profit and Loss. Interest income calculated using EIR and impairment loss, if any, are recognized in the Statement of Profit and Loss.
- **Financial assets at fair value through profit or loss (FVTPL)**
These assets are subsequently measured at fair value. Net gains and losses, including any interest income, are recognized in the Statement of Profit and Loss.

Financial assets are not reclassified subsequent to their recognition except if and in the period the Company changes its business model for managing for financial assets.

De-recognition

The Company de-recognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not de-recognised.

Any gain or loss on de-recognition is recognised in the Statement of Profit and Loss.

Impairment of financial assets

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, lease receivable, trade receivable other contractual rights to receive cash or other financial assets. For trade receivable, the Company measures the loss allowance at an amount equal to life time expected credit losses. Further, for the measuring life time expected credit losses allowance for trade receivable the Company has used a practical expedient as permitted under Indian AS 109. This expected credit loss allowance is computed based on

provisions, matrix which takes into account historical credit loss experience and adjusted for forward looking information.

FINANCIAL LIABILITIES

Initial recognition and measurement

All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial liabilities are initially measured at amortized cost unless at initial recognition, they are classified as fair value through profit or loss. In case of trade payables they are initially recognize at fair value and subsequently, these liabilities are held at amortized cost, using the Effective interest method.

Classification and subsequent measurement

Financial liabilities are classified as measured at amortized cost or FVTPL.

A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in the Statement of Profit and Loss.

Financial liabilities other than classified as FVTPL, are subsequently measured at amortized cost using the effective interest method. Interest expense is recognised in Statement of Profit and Loss. Any gain or loss on de-recognition is also recognised in the Statement of Profit and Loss.

De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on subsequently different terms, or the terms of an existing liability are subsequently modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of the new liability. The difference in the respective carrying amount is recognize in the Statement of Profit & Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the assets and settle the liabilities simultaneously.

The management assessed that fair value of cash and short-term deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

i) Long-term fixed-rate receivables/borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, individual creditworthiness of the customer and the risk characteristics of the financed project. Based on this evaluation, allowances are taken into account for the expected losses of these receivables.

ii) Fair values of the Company's interest-bearing borrowings and loans are determined by using DCF method using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period. The own non- performance risk as at March 31, 2023 was assessed to be

iii) The fair values of the unquoted equity shares, if any have been estimated using a discounted cash flow model. The valuation requires management to make certain assumptions about the model inputs, including forecast cash flows, discount rate, credit risk and volatility, the probabilities of the various estimates within the range can be reasonably assessed and are used in management's estimate of fair value for these unquoted equity investments.

"32" Financial Risk Management

The Company's principal financial liabilities, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include loans, trade and other receivables, and cash and short-term deposits that derive directly from its operations.

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk, foreign currency risk and interest rate risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The primary market risk to the Company is foreign exchange risk. The Company uses foreign currency borrowings to mitigate foreign exchange related risk exposures.

The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counter party to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counter parties, taking into account their financial position, past experience and other factors.

Bank Deposits

The company maintains its cash and cash equivalents and bank deposits with reputed and highly rated bank. Hence, there is no significant credit risk on such deposits.

Investments

The Company limits its exposure to credit risk by generally investing in liquid securities and only with counterparties that have a good credit rating. The company does not expect any losses from non- performance by these counter-parties, and does not have any significant concentration of exposures to specific industry sectors.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk through credit limits with banks.

The Company's corporate treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management.

The working capital position of the Company is given below :

Particulars	For the year ended March 31,	
	2023	31, 2022
Cash and Cash equivalents	437.21	16,565.40
Total	437.21	16,565.40

The table below provides details regarding the contractual maturities of significant financial liabilities as at March 31, 2023 and March 31, 2022.

Particulars	As at	Less than 1	1-2 years	More than 2
		year		years
Borrowings	March 31,2023	70,844.94	-	95,000.00
	March 31,2022	106,162.43	-	95,000.00
Trade Payables	March 31,2023	9,871.62	-	-
	March 31,2022	10,538.40	-	-

	March 31,2022	-	-	-

Foreign Currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. Foreign Exchange risks arise from recognised assets and liabilities, when they are denominated in a currency other than functional currency of the company. To a limited extent, the company imports certain spare parts used in manufacturing and therefore is exposed to foreign exchange risks arising from various currency exposures., primarily with respect to Euro. Company's exposure to foreign currency risk is very limited and Company always ensures that the such exposure is within the approved limit for which company does not require to hedge through derivatives and therefore foreign currency risk is negligible.

Foreign currency sensitivity analysis

As the Foreign Currency risk is negligible and therefore foreign currency sensitivity analysis would not affect the operations of the Company.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates and investments.

Interest rate sensitivity analysis

If interest rates had been 1% higher and all other variables were held constant, the company's profit for the year ended would have impacted in the following manner:

Particulars	For the year ended March 31,	
	2023	2022
Increase / (decrease) in the Profit for the year	(311.99)	(71.10)

If interest rates were 1% lower, the company's profit would have increased by the equivalent amount as shown in the above table.

"33" Capital management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Company monitors the return on capital. The Company's objective when managing capital is to maintain an optimal structure so as to maximize shareholder value.

The capital structure is as follows :

Particulars	March 31, 2023	March 31, 2022
Total equity attributable to the equity share holders of the company	282,560.11	349,105.57
As percentage of total capital	72.96%	71.78%
Current borrowings	70,844.94	106,162.43
Non-current borrowings	33,853.32	31,067.59
Total borrowings	104,698.26	137,230.02
As a percentage of total capital	27.04%	28.22%
Total capital (borrowings and equity)	387,258.37	486,335.59

The Company is predominantly debt financed which is evident from the capital structure table.
