For more information on updating the email and Mobile details for securities held in electronic mode, please reach out to the respective DP(s), where the DEMAT Account is being held.

We urge Members to support this Green Initiative effort of the Company and get their email ID registered.

6. In accordance with the provisions of the MCA and SEBI Circulars, the AGM Notice along with the Annual Report are being sent through email only to Members whose email IDs are registered with KFinTech; National Securities Depository Limited (“NSDL”) and/or Central Depository Services (India) Limited (“CDSL”) (collectively referred to as Depositories or NSDL/CDSL).
7. The AGM Notice and the Annual Report are available on the Company’s website: www.ravindraenergy.com, the website of KFinTech <https://evoting.kfintech.com> and also on the website of BSE Limited www.bseindia.com.
8. Members of the Company under the category of Institutional Investors are encouraged to attend and vote at the AGM.
9. The Company has provided the facility to the Members to exercise their right to vote by electronic means both through remote e-voting and e-voting during the AGM. The instructions for remote e-voting is given in the subsequent paragraphs. Such remote e-voting facility is in addition to the voting that will take place at the e-AGM being held through VC/OAVM. The instructions for e-voting at the e-AGM (Insta Poll) is given in the subsequent paragraphs.

10. Members joining the meeting through VC/OAVM, who have not already cast their vote by means of remote e-voting, shall be able to exercise their right to vote through e-voting at the e-AGM. The Members who have cast their vote by remote e-voting prior to the e-AGM may also join the e-AGM through VC/OAVM but shall not be entitled to cast their vote again.
11. The Company has appointed Mr. Ramnath Sadekar - Advocate, as the Scrutiniser to scrutinise the remote e-voting and the Insta Poll process in a fair and transparent manner.
12. Since the AGM is being held through VC/OAVM as per the MCA Circulars, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be made available for the e-AGM and hence the Proxy Form, Attendance Slip and the Route Map are not annexed to this Notice.
13. Corporate Members intending to authorise their representatives to attend the meeting pursuant to Section 113 of the Act, are requested to email certified copy of the board/governing body resolution/authorisation etc., authorising their representatives to attend and vote on their behalf. The documents shall be emailed to secretarial@ravindraenergy.com and a copy marked to evoting@kfintech.com with the subject line "Ravindra Energy Limited."
14. In case of joint holders attending the meeting, only such joint holder who is higher in the order of names will be entitled to vote.
15. The Register of Members and Share Transfer books will remain closed from Saturday, September 9, 2023 to Saturday, September 16, 2023 (both days inclusive).
16. A statement pursuant to Section 102(1) of the Companies Act, 2013 relating to certain ordinary business and the special businesses to be transacted at the e-AGM is annexed hereto. Special businesses which are considered to be unavoidable by the Board, are being transacted at this e-AGM. All documents referred to in the accompanying Notice and the Explanatory Statement shall be available for inspection electronically. Members seeking to inspect such documents can send an email to secretarial@ravindraenergy.com.
17. The details of the Directors seeking appointment/re-appointment at the e-AGM are provided in **Annexure-A** as annexed to this Notice. The Company has received the requisite consents/declarations for the appointment/re-appointment under the Companies Act, 2013 and the Rules made thereunder.
18. Members who hold shares in dematerialized form and want to provide/change/correct the bank account details should send the same immediately to their concerned Depository Participant and not to the Company. Members are also requested to give the MICR Code of their bank to their Depository Participants. The Company will not entertain any direct request from such Members for change of address, transposition of names, deletion of name of deceased joint holder and change in the bank account details.
19. Members who are holding shares in physical form are advised to submit particulars of their bank account, viz. name and address of the branch of the bank, MICR code of the branch, type of account and account number to our Registrar and Share Transfer Agent, KFin Technologies Limited (Unit: Ravindra Energy Limited), Selenium Tower B, 31-32, Financial District, Nanakramguda, Gachibowli, Hyderabad - 500 032.
20. Members who are holding shares in physical form in identical order of names in more than one folio are requested to send to the Company or its Registrar and Share Transfer Agent the details of such folios together with the share certificates for consolidating their holding in one folio. The share certificates will be returned to the Members after making requisite changes, thereon. Members are requested to use the Share Transfer Form SH-4 for this purpose.
21. In accordance with the proviso to Regulation 40(1) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, effective from April 1, 2019, transfer of securities of the Company shall not be processed unless the securities are held in the dematerialized form with the depository, except in case of request received for transmission or transposition of securities. Accordingly, shareholders holding equity shares in physical form are urged to have their shares dematerialized so as to be able to freely transfer them and participate in corporate actions.
22. SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form, are therefore requested to submit the PAN to their Depository Participants (DPs) with whom they are maintaining their demat account(s). Members holding shares in physical form can submit their PAN details to KFinTech.

Further, SEBI has mandated to update PAN and Bank particulars with the RTAs, to exercise enhanced due diligence to streamline and strengthen the procedures and processes with regard to handling and maintenance of records, transfer of securities and payment of dividend / interest / redemption by the RTAs, Issuer Companies and Bankers to Issue.

Accordingly, the shareholders whose ledger folios do not have or having incomplete details with regard to PAN and Bank particulars are requested to compulsorily furnish the details to the RTA for registration in the folio. As per the records with RTA, your folio needs to be updated with the PAN / complete Bank details so that the investments held by you will be fully protected with proper KYC compliance.
23. Non-resident Indian shareholders are requested to inform about the following immediately to the Company or

KFinTech or the concerned Depository Participant, as the case may be:-

- a. the change in the residential status on return to India for permanent settlement, and
 - b. the particulars of the NRE account with a Bank in India, if not furnished earlier.
24. Members holding shares in single name and physical form are advised to make nomination in respect of their shareholding in the Company. The Nomination Form SH-13 prescribed by the Government can be obtained from the Registrar and Share Transfer Agent or the Secretarial Department of the Company at its registered office.
25. The following documents will be available for inspection by the Members electronically. Members seeking to inspect such documents can send an email to secretarial@ravindraenergy.com.
- a. Register of Directors and Key Managerial Personnel and their shareholding;
 - b. The Register of Contracts or Arrangements in which the Directors are interested, maintained under the Companies Act, 2013; and
 - c. All other documents referred to in the accompanying notice.
26. In case of any queries regarding the Annual Report, the Members may write to secretarial@ravindraenergy.com to receive an email response.
27. In compliance with the provisions of Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 the Company is pleased to provide the facility of voting through electronic means (remote e-voting) to its members provided by KFinTech. Members of the Company can transact all the items of business with the facility of voting through electronic means.
- Further, the facility of electronic voting system will also be made available during the Meeting ("Insta Poll") and members attending the Meeting who have not cast their vote(s) by remote e-voting will be able to vote at the Meeting through Insta Poll.
28. The remote e-voting shall commence at 9:00 AM on Wednesday, September 13, 2023 and will end at 5:00 PM on Friday, September 15, 2023. The facility for remote evoting shall forthwith be blocked at the end of the period of remote e-voting.
29. Voting rights shall be reckoned on the paid-up value of shares registered in the name of the member/beneficial owner (in case of electronic shareholding) as on the cut-off date i.e. September 9, 2023.
30. A person, whose name is recorded in the register of members or in the register of beneficial owners

maintained by the depositories as on the cut-off date, only shall be entitled to avail the facility of remote e-voting as well as voting at the meeting.

II) Login method for e-voting for Members other than Individual's Members holding shares in demat mode and Members holding securities in physical mode.

- (A) Members whose email IDs are registered with the Company / Depository Participants(s), will receive an email from KFinTech which will include details of e-voting Event Number (EVEN), USER ID and password.

They will have to follow the following process:

- i. Launch internet browser by typing the URL: <https://emeetings.kfintech.com/>
- ii. Enter the login credentials (i.e. User ID and password). In case of physical folio, User ID will be EVEN (E-Voting Event Number) xxxx, followed by folio number. In case of Demat account, User ID will be your DP ID and Client ID. However, if a member is registered with KFinTech for e-voting, they can use their existing User ID and password for casting the vote.

- iii. After entering these details appropriately, click on "LOGIN".
- iv. Members will now reach password change Menu wherein they are required to mandatorily change the password. The new password shall comprise of minimum 8 characters with at least one upper case (A- Z), one lower case (a-z), one numeric value (0-9) and a special character (@,#,\$, etc.). The system will prompt the Member to change their password and update their contact details viz. mobile number, email ID etc. on first login. Members may also enter a secret question and answer of their choice to retrieve their password in case they forget it. It is strongly recommended that Members do not share their password with any other person and that they take utmost care to keep their password confidential.
- v. Members would need to login again with the new credentials.
- vi. On successful login, the system will prompt the Member to select the "EVENT" i.e., "Ravindra Energy Limited - AGM" and click on "Submit"

vii. On the voting page, enter the number of shares (which represents the number of votes) as on the Cut-off Date under “FOR/AGAINST” or alternatively, a Member may partially enter any number in “FOR” and partially “AGAINST” but the total number in “FOR/ AGAINST” taken together shall not exceed the total shareholding as mentioned herein above. A Member may also choose the option ABSTAIN. If a Member does not indicate either “FOR” or “AGAINST” it will be treated as “ABSTAIN” and the shares held will not be counted under either head.

viii. Members holding multiple folios / demat accounts shall choose the voting process separately for each folio / demat account.

ix. Voting has to be done for each item of the notice separately. In case a Member does not desire to cast their vote on any specific item, it will be treated as abstained.

x. A Member may then cast their vote by selecting an appropriate option and click on “Submit”.

xi. A confirmation box will be displayed. Click “OK” to confirm else “CANCEL” to modify. Once a Member has voted on the resolution (s), they will not be allowed to modify their vote. During the voting period, Members can login any number of times till they have voted on the Resolution(s).

(B) Members whose email IDs are not registered with the Company/Depository Participants(s), and consequently the Annual Report, Notice of AGM and e-voting instructions cannot be serviced, will have to follow the following process:

Management Discussion and Analysis

A) INDUSTRY STRUCTURE AND DEVELOPMENT

The total installed solar capacity in India stood at 66 GW, an increase of 24% compared to the last year. With this increase, installed solar accounted for 16% of the total installed capacity in India. In terms of solar market segmentation, ground mounted/utility scale projects account for 76% of increase in installed capacity and rooftop solar account for around 17%.

Source: CEA, MERCOS India Research and Ravindra Energy Limited

i) Solar rooftop is gaining steam but solar pumps continue to underperform

In calendar year 2022, a total of 2.6 GW capacity was added in rooftop segment with a significant uptick in residential rooftop segment. If we exclude the COVID years, this is a two fold increase in annual installation. We believe the pace of growth is likely to increase in the current year as the module prices have softened.

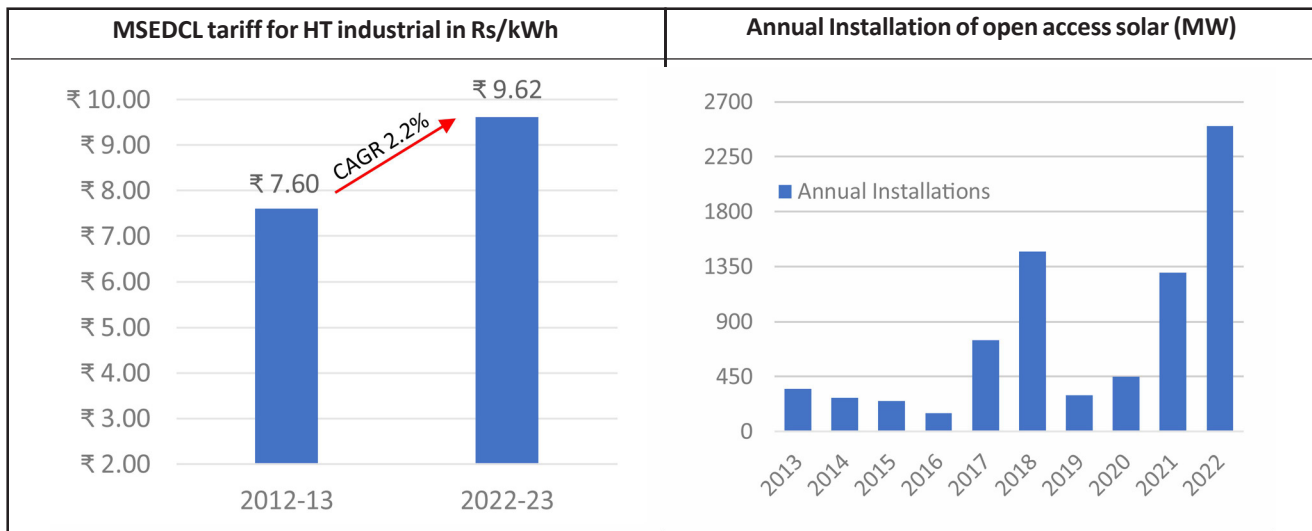

Source: Bridge to India

A total of 4.5 lakh solar pumps have been installed as on date. Of this, 2.44 lakh pumps have been installed under PM KUSUM scheme against target of 9.5 lakh pumps. While the installation in last year was one of the highest, far from the target. The sector is expected to underperform due to lack of low cost financing available for farmers and significant delays in payments to implementing agencies.

ii) Open Access in ground mounted has witnessed significant growth

In calendar year 2022, a total of 2.2 GW of solar open access projects were installed. This was highest annual installation till date. The total cumulative capacity has exceeded 7 GW. This growth in an open access solar Growth is

being driven by three reasons: 1) Savings compared to DISCOM power (savings of upto 20%); 2) hedge against inflation in power costs- in Maharashtra the base industrial tariff has increased at CAGR of 2.2% over 10 years; and 3) ESG targets such as net zero.

B) OPPORTUNITIES AND THREATS

i) Opportunities:

Over the next 3-4 years, we believe that the solar power capacity addition, especially in utility scale and open access, will accelerate. This is because of two reasons- 1) electricity demand is expected to grow at significant pace and 2) significant addition in thermal capacity is unlikely.

Central Electricity Authority (CEA) expects demand by the Financial Year 2027 to be in the range of 1,887-2,047 BU (mid – 1,967), i.e. a CAGR of 7.4%.

Similarly, CEA estimates peak capacity demand rising to 280 GW as against 203 GW in the Financial Year 2022, a CAGR of 6.6%.

Source: CEA and Ravindra Energy Limited

The increased demand will need to be met through addition of renewable energy capacity. Only 25 GW of thermal capacity additions are expected in next 5 years based on the current project status. New thermal capacity addition is likely to be muted due to higher lead time, lack of project finance for such projects and uncertainty on coal availability.

We believe that India will need to add another 100 GW of renewable energy capacity in next five years with solar capacity addition being the main contributor.

Source: CEA, MoP, and Ravindra Energy Limited

ii) Challenges and Threats:

While the opportunity is large, there are various challenges that can derail the potential growth story:

a) Policy uncertainty on module imports is a major concern

On March 10, 2023, the Government of India amended the ALMM rules thereby allowing imported modules to be used in projects commissioned before 31st March 2024. As a result the prices of solar modules dropped by more than 30%. However, there is no visibility as on date on whether any further extension will be granted. As a result, there is a significant uncertainty on the module prices post 31st March, 2024.

b) Regulatory challenges

- Budget allocation by government towards procurement: With the government trying to balance various priorities of a developing economy, the actual allocation to various pump schemes might be far lower than the target.
- Regulatory framework for implementation of rooftop: Most of the state electricity distribution companies tend to discourage installation of rooftop. They view it as a threat to their revenue. The customer who are willing and capable of installing rooftop solar, typically are the customers who contribute most to the revenue of these companies.
- Lack of financing: Most of the NBFCs and banks do not finance rooftop projects against power purchase agreements. Similarly, the banks have limited risk appetite on securitizing receivables of distribution companies or state government departments on pump procurement tenders.
- Lack of coordination between various implementing agencies: Most of the government installation programs have atleast 3 agencies involved. As a result, the actual implementation lacks far behind the target.

C. SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The details of project implementation and business development is given in the Directors' Report under the head Projects. The segment-wise performance is as under –

Standalone			Consolidated		
(Amount in Mn)			(Amount in Mn)		
Particulars of Revenue	2022-23	2021-22	Particulars of Revenue	2022-23	2021-22
Contract Revenue- Solar Projects	257.92	705.28	Traded Coal	-	183.70
Sale of Electricity	9.00	8.31	Contract Revenue- Solar Projects	236.88	700.17

			Traded Sugar	1790.83	6339.64
Total	282.22	728.89	Total	2526.33	7649.98

D. OUTLOOK

Your Company is currently developing renewable energy parks to cater to growing demand of open access customers. We are also expecting increased activity in the rooftop segment in Maharashtra and Karnataka. On the pump business, we are expecting EESL to issue a new tender for financial year 2023-24. We believe that the long-term outlook for your Company is positive.

E. RISKS AND CONCERNS

We believe the following are the key risks to the Company's business:

- Concentration of tenders in short period: If the procurement tenders are concentrated in a short period, we will not be able to participate in all tenders. Further, it will also increase the working capital requirement of the business.
- Delay in payment by government agencies: If the payment from government agencies are delayed, it will reduce our ability to execute. Further, it will also impact the profitability of the business.
- Increasing competition: We believe that increasing competition might result in unviable bids thereby reducing our ability to leverage on the potential opportunity size.
- Default by off-takers: As we are also operating several assets under long term power purchase agreements, any default by off-takers will result in a significant loss.
- Lack of water for cleaning: Some of the projects are located in drought areas. As a result, there is a risk that in some years we might not be able to regularly clean the modules thereby reducing the potential generation.
- Dependence on weather for generation: The projects will always be exposed to this risk. Any significant changes in weather patterns can result in significant loss of generation.
- Lack of financing: The Company's ability to grow business is also dependent to timely availability of inexpensive finance.

The Company has constituted Risks Management Committee, to monitor and review risk. Risk Management Policy has been framed and the Company is committed to managing the risk in accordance with the process set out in the policy to benefit the Company.

F. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The compliance certification from Whole-Time Director and the Chief Financial Officer provided in this Annual Report confirms the adequacy of our internal control system and procedure. The Audit Committee in every meeting evaluates internal financial controls and risk management systems.

G. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) and comply with the accounting standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014.

PROJECTS

The Company has undertaken various projects relating to Solar Photo Voltaic (PV) Power Pumping Systems, Roof Top Solar Projects and Ground-Mount Solar Power Projects, at various locations in the state of Karnataka, Maharashtra and Rajasthan.

The Company has commissioned 13.9 MWp grid connected solar (photovoltaic) power generation facilities at the Project Site situated at Kumbhari Village, District Sholapur, State Maharashtra, through its Subsidiary Companies. The projects are housed under SPVs, REL Kumbhari Solar Project 1 Private Limited; REL Kumbhari Solar Project 2 Private Limited; REL Kumbhari Solar Project 3 Private Limited and REL Kumbhari Solar Project 4 Private Limited. The Company plans to install another 14 MWp solar generation facilities at the same project location.

The Company has also obtained connectivity approval for a 80MW project in Wardha in Maharashtra and another 50 MW solar-wind hybrid project in North Karnataka. The projects are likely to get commissioned in September 2024.

The Company has set up an SPV, Prerak Greentech Solar Private Limited, with Aright Green Enterprises LLP and Tan Surya Urja LLP for developing a 400 MWac solar park in Rajasthan. The proposed solar park will be connected to Central Transmission Utility's grid. The project is scheduled to commission in January 2025.

REL Power Trading LLP a Wholly-Owned Subsidiary of the Company had obtained a Category 'V' licence for inter-state trading in electricity in Pan India from Central Electricity Regulatory Commission and has started trading operations from June 2023.

Details of all the projects of the Company have been provided in the Corporate Governance Report forming part of this Annual Report.

CONVERSION OF WARRANTS

The Board of Directors of the Company with an intention to augment funds, to meet the funding requirements of the Company, had issued 2 crore warrants of the face value of Rs. 51/- each, on preferential basis, during the financial year 2021-22.

ORDERS PASSED BY THE TRIBUNALS AND COURTS

The Company is a partner in 15 Limited Liability Partnerships (LLPs) which are engaged into the business of ground mount

solar power generation, having aggregate capacity of 34 MW.

The said LLPs had entered into Power Purchase Agreement (PPA) with Electricity Supply Companies (ESCOMS), at a tariff of Rs. 8.40/- per unit of power supply. However, due to delay in commissioning of the projects, the Karnataka Electricity Regulatory Commission (KERC) reduced the tariff rates to Rs. 4.36 per unit of power supply, without considering the extension of time granted by ESCOMs under the PPA.

The aggrieved LLPs had filed appeal before the Hon'ble Appellate Tribunal for Electricity, at Delhi to set aside the orders passed by the KERC reducing the tariff rates.

Taking into consideration the merits of the case, the Hon'ble Appellate Tribunal for Electricity, allowed the appeal and set aside the orders passed by the KERC in case of 14 LLPs during the financial year 2021-22 and 1 LLP during the financial year 2022-23.

In view of the said judgments, the tariff rates in respect of the said LLPs has been restored to Rs 8.40 per unit effective from the date of commissioning and the revenue realization of the LLPs stands increased to that extent.

Report on Corporate Governance

The essence of Corporate Governance is about maintaining the right balance between economic, social, individual and community goals. At Ravindra Energy Limited, good corporate governance is a way of life and the way we do our business, encompassing every day's activities and is enshrined as a part of our way of working. The Company is focused on enhancement of long-term value creation for all stakeholders without compromising on integrity, societal obligations, environment and regulatory compliances. Our actions are governed by our values and principles, which are reinforced at all levels of the organisation. These principles have been and will continue to be our guiding force in future.

For your Company, good corporate governance is a synonym for sound management, transparency and adequate disclosure, encompassing good corporate practices, procedures, standards and implicit rules which propel a company to take sound decisions. The cardinal principles such as independence, accountability, responsibility, transparency, trusteeship and disclosure serve as means for implementing the philosophy of Corporate Governance.

This philosophy is reflected and practised through the REL Code of Conduct, the Code of Conduct for Prevention of Insider Trading and Code of Corporate Disclosure Practices. Further, these codes allow the Board to make decisions that are independent of the management. The Company is committed to focus its energies and resources in creating and positively leveraging shareholders' wealth and, at the same time, safeguarding the interests of all stakeholders. This is our path to sustainable and profitable existence and growth.

The Company has adopted Governance Guidelines to cover aspects related to composition and role of the Board, Chairman and Directors, Board diversity, Director's term, retirement age and committees of the Board. It also covers aspects relating to nomination, appointment, induction of Directors, Director's remuneration, subsidiary oversight, Board effectiveness review.

The Company is in compliance with the requirements stipulated under Regulation 17 to 27 read with Schedule V and clauses (b) to (i) and (t) of sub-regulation (2) of Regulation 46 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations), as amended from time to time, including relaxations granted by the Ministry of Corporate Affairs (MCA) and Securities and Exchange Board of India (SEBI) from time to time on account of the COVID-19 pandemic with regard to corporate governance.

BOARD OF DIRECTORS

Board Leadership: We believe that an enlightened Board consciously creates a culture of leadership to provide a long-term vision and policy approach to improve the quality of governance. The Board's actions and decisions are aligned with the Company's best interests. The Board is committed to the

goal of sustainably elevating the Company's value creation. The Company has defined guidelines and an established framework for the meetings of the Board and its Committees. These guidelines seek to systematise the decision making process at the meetings of the Board and its Committees in an informed and efficient manner.

A) Composition of the Board

- i) As on March 31, 2023 the Company has maintained an optimum combination of Executive and Non-Executive Directors. The Board comprised of nine directors out of which two were Executive Directors, two Non-Executive Director and five Independent Directors. The composition of the Board includes two women Directors, one Executive and one Independent. The Chairperson of the Board is an Executive Director and is one of the promoters of the Company. The Directors bring in a wide range of skills and experience to the Board. The composition of the Board is in conformity with Regulation 17 of the SEBI Listing Regulations read with Section 149 of the Companies Act, 2013 (the Act). This optimum combination of the Board consciously creates a culture of leadership to provide a long-term vision and policy approach to improve the quality of governance.
- ii) None of the Directors on the Board holds directorships in more than ten public Companies. None of the Independent Directors serves as an independent director on more than seven listed entities. Necessary disclosures regarding Committee positions in other public companies as on March 31, 2023 have been made by the Directors. None of the Directors as on March 31, 2023 were related to each other except Mr. Narendra Murkumbi - Non-Executive Director who is the son of Mrs. Vidya Murkumbi – Executive Chairperson.

B) Board Meetings and Procedure

The internal guidelines for Board / Board Committee meetings facilitate the decision-making process at the meetings of the Board / Committees in an informed and efficient manner.

Board Meetings are governed by structured agenda. All major agenda items are backed by comprehensive background information to enable the Board to take

informed decisions. The Company Secretary in consultation with the Senior Management prepares the detailed agenda for the meetings.

Agenda papers and Notes on Agenda are circulated to the Directors, in advance, in the defined agenda format. All material information is being circulated along with agenda papers for facilitating meaningful and focused discussions at the meeting. Where it is not practicable to attach any document to the agenda, the same is tabled before the meeting with specific reference to this effect in the agenda. In special and exceptional circumstances, additional or supplementary item(s) on the agenda are permitted. In order to transact some urgent business, which may come up after circulation of agenda papers, the same is placed before the Board by way of Table agenda or Chairman's agenda. Frequent and detailed deliberation on the agenda provides the strategic roadmap for the future growth of the Company.

Detailed presentations are made at the Board / Committee meetings covering finance, major business segments and operations of the Company, global business environment, all business areas of the Company including business opportunities, business strategy and the risk management practices before taking on record the quarterly / half yearly / annual financial results of the Company.

The required information as enumerated in Part A of Schedule II to SEBI Listing Regulations is made available to the Board of Directors for discussions and consideration at every Board Meeting. The Board periodically reviews compliance reports of all laws applicable to the Company as required under Regulation 17(3) of the SEBI Listing Regulations. The important decisions taken at the Board / Committee meetings are communicated to departments concerned promptly. Action taken report on the decisions taken at the meeting(s) is placed at the immediately succeeding meeting of the Board / Committee for noting by the Board / Committee.

Minimum 4 (four) pre-scheduled Board meetings are held every year. Apart from the above, additional Board meetings are convened by giving appropriate notice to address the specific needs of the Company. In case of business exigencies or urgency of matters, resolutions are also passed by way of circulation.

During the year under review, five Board Meetings were held and the gap between two meetings did not exceed 120 days. The said meetings were held on May 21, 2022, June 17, 2022, August 9, 2022, November 3, 2022 and February 1, 2023. The necessary quorum was present for all the meetings. One separate meeting of Independent Directors was also held on March 27, 2023 which was attended by all the Independent Directors.

The Companies Act, 2013 read with the relevant rules made thereunder, now facilitates the participation of a

Director in Board/Committee Meetings through video conferencing or other audio-visual mode. Accordingly, the option to participate in the Meeting through video conferencing was made available for the Directors except in respect of such Meetings/Items which are not permitted to be transacted through video conferencing.

During the year, the Board of Directors accepted all recommendations of the Committees of the Board, which were statutory in nature and required to be recommended by the Committee and approved by the Board of Directors. Hence, the Company is in compliance of condition of Clause 10(j) of Schedule V of the SEBI Listing Regulations.

Independent Auditor's Report

To the Members of

RAVINDRA ENERGY LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Ind AS financial statements of **RAVINDRA ENERGY LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2023, and the Statement of Profit and Loss, including Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended and Notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Ind AS financial statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the Standalone Ind AS financial statements as a whole. and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

- i) The Scheme of Amalgamation of Agri Venture Trading and Investment Private Limited into Ravindra Energy Limited has been sanctioned by the Hon'ble National

Company Law Tribunal, Bench at Bengaluru, vide its Order dated January 5, 2022. A Certified True Copy of the said Order has been filed with the Registrar of Companies, Bengaluru on January 20, 2022. The Hon'ble National Company Law Tribunal, Mumbai Bench, has also sanctioned the said Scheme of Amalgamation vide its Order dated March 24, 2023. However, the Certified True Copy of the said Order is yet to be filed with the Registrar of Companies, Maharashtra at Mumbai. Pursuant to the said Scheme the date of filing shall be the Effective Date of Amalgamation.

In view of the above Scheme of Amalgamation by the respective NCLTs, the Company will be absorbing the carried forward losses of AVTIPL as on 31st March, 2023 of ₹ 609.81 Mn from the Effective Date. Consequently, post-merger Other Equity of the Company shall get reduced to that extent.

- ii) Provision for Impairment loss of ₹ 9.69 Mn on Inter Corporate Deposit given to its Associate company REL Marinetek Infra Private Limited has been provided and the balance of ₹ 14.40 Mn is receivable and the same has been considered good.
- iii) Provision for Impairment loss on principal portion of the Inter Corporate Deposit amount of ₹ 182.11 Mn is made by the Company on its wholly owned overseas subsidiary Renuka Energy Resource Holdings (FZE).
- iv) Pursuant to the approval of the Board of Directors of the Company in its meeting held on May 21, 2022 and as approved by the shareholders of the Company in the Annual General Meeting of the Company held on August 11, 2022, the Company has completed the divestment by way of sale of its stake held in REL Rural Warehousing Limited, a Wholly-Owned Subsidiary of the Company to the promoters of the Company on September 29, 2022.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report but does not include the Standalone Ind AS financial statements and our auditor's report thereon. Our opinion on the Standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud

may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of

sub-section (11) of section 143 of the Act, we give in the “Annexure A” a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.

Annexure 'A' to the Auditors' Report

The Annexure referred to in our report to the members of Ravindra Energy Limited for the year ended March 31, 2023. We report that:

- i) a) A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant & Equipment.
B) The Company has maintained proper records showing full particulars of Intangible Assets.
- b) According to the information and explanations given to us, Property, Plant and Equipment have been physically verified by the management during the year periodically which in our opinion is reasonable, having regard to the size of the Company and nature of its assets. No material discrepancies were noticed on such physical verification.
- c) The Company does not have any immovable properties.
- d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) and Intangible assets during the year.
- e) According to the information and explanations given to us, there are no proceedings which has been initiated or pending against the Company for holding any benami property under Benami Transactions (Prohibition) Act, 1988. Hence, reporting whether the Company has appropriately disclosed in the financial statements or not does not arise.
- ii) a) With regard to inventory, physical verification has been conducted by the management at reasonable intervals and no significant material discrepancies were noticed on the physical verification of stocks and the differences between the book stocks and the physical stocks have been properly dealt with in the books of account.
b) The Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Hence, commenting on whether the quarterly returns or statements filed by the company with the banks or financial institutions are in agreement with the books of account of the Company or not does not arise.
- iii) The Company has made investments in, provided guarantee and granted loans or advances during the year;
a) The Company has provided loans, advances in the nature of loans and has extended guarantee to its subsidiaries, associates and Limited Liability Partnerships
A) The aggregate amount of loan given by the Company to its subsidiaries, associates and Limited Liability Partnerships during the year is ₹ 43,42,32,650 and the balance outstanding at the balance sheet date with respect to such loans is ₹ 58,51,61,979. The aggregate amount of guarantee given to subsidiaries and other related parties is ₹ 32,29,00,000 and balance outstanding at the balance sheet date with respect to such guarantee is ₹ 112,05,09,492.
B) There is no loan given by the Company to parties other than subsidiaries, associates and Limited Liability Partnerships during the year.
- b) The investments made, terms and conditions of the grant of all loans and advances in the nature of loans are not prejudicial to the Interest of the Company.
- c) The principal amount is repayable on demand and there is no repayment schedule. Hence, we have no comments to make on the regularity of repayment. The terms of interest are stipulated on such loans and advances and the Company is regular in receipt of interest except in one case.
- d) In respect of the said loans and advances, since it is repayable on demand, in our opinion reporting on overdue principal amount for more than ninety days does not arise and the interest receivable on such loans and advances overdue for more than ninety days is ₹ 10,58,851. As per the information and explanation given to us the Company is taking reasonable steps for the recovery of overdue interest.
- e) Since the terms of repayment on loans and advances are not stipulated, reporting on renewal, fresh loan granted to settle overdues and other information required under this para of the Order does not apply.
- f) The Company has granted loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment aggregating to ₹ 43,42,32,650 which is 100% of the total loans granted. The aggregate amount of loans granted to Promoters is NIL and to related parties is ₹ 43,42,32,650 as defined in clause (76) of section 2 of the Companies Act, 2013.
- iv) In respect of the loans, investments, guarantees, and security, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013.
- v) According to the information and explanations given to us, the Company has not accepted any deposits, hence reporting on this clause of the order is not applicable.

- vi) The Central Government has prescribed maintenance of cost records u/s. 148(1) of the Companies Act, 2013 for some products of the Company. We have broadly reviewed these records of the Company and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not carried out a detailed examination of such records.
- vii) a) According to the information and explanations given to us and as per books and records examined by us, there are no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income

Tax, Sales Tax, Service Tax, Goods and Services Tax, Duty of Custom, Duty of Excise, Value Added Tax, Cess and any other Statutory Dues with appropriate authorities outstanding as at March 31, 2023 for a period exceeding six months from the date they became payable.

- c) As per information and explanations given to us and on the basis of our examinations of books and records, there were no whistle-blower complaints received during the year by the Company.
- xii) This is not a Nidhi Company, hence reporting under this clause does not apply.
- xiii) As per information and explanations given to us and on the basis of our examinations of books and records, all

the transactions with the related parties are in compliance with Section 177 and 188 of Companies Act, 2013 wherever applicable and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.

- xiv) a) The Company has an Internal Audit system which is commensurate with the size and nature of its business.
- b) The reports of the Internal Auditor for the period under audit has been considered.
- xv) The Company has not entered into any non-cash transactions with directors or persons connected with them and hence reporting on this clause is not applicable.
- xvi) The Company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934. Further, reporting on sub clause (b) to (d) does not apply.
- xvii) The Company has not incurred cash losses in the financial year and in the immediately preceding financial year.

xviii) There has been no resignation of the statutory auditors during the year.

xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, as per our knowledge of the Board of Directors and management plans, we are of the opinion no material uncertainty exists as on the date of the audit report that Company may not be capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

xx) Since the Company does not come within the purview of Section 135 of the Companies Act 2013, reporting under this clause is not applicable.

(xxi) Being reporting on Standalone Company, this clause does not apply.

Annexure 'B' to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Ravindra Energy Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit

opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Accounts forming part of the Financial Statements For the year ended March 31, 2023

Note - 1 -

A. Corporate information

Ravindra Energy Limited ("the Company") is a public company incorporated and domiciled in India. The Company's shares are listed on the Bombay Stock Exchange Limited. The registered office of the company is located at BC 105, Havelock Road, Camp, Belagavi - 590001.

The Company is principally engaged in Selling Solar Pumps, Setting up of Solar Generation Power Plant (Ground Mount & Rooftop) & Generation and Sale of Power.

B. Significant Accounting Policies

i. Basis of Preparation

The accompanying financial statements have been presented for the year ended March 31, 2023 along with comparative information for the year ended March 31, 2022. These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) on going concern basis under the historical cost convention on the accrual basis of accounting and the relevant provisions prescribed in the Companies Act 2013, besides the pronouncements/guidelines of the Institute of Chartered Accountants of India and of the Securities and Exchange Board of India. The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The accounting policies have been consistently applied by the Company except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

ii. Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which such changes are made.

iii. Property, Plant and Equipment

Property, plant and equipment (Tangible and Intangible) are stated at cost less accumulated depreciation. Cost comprises the purchase price and any cost attributable to bringing the asset to the location and condition necessary for its intended use. The Company carried out fair valuation of Freehold land, buildings and plant and machinery (PPE). However, it was determined that fair value does not differ materially from the carrying value of assets. Accordingly, the Company has not revalued the PPE as at March 31, 2023.

Capital work in progress is stated at cost.

In case of revaluation, surplus is recorded in OCI and credited to the asset revaluation reserve in equity. However, to the extent that it reverses a revaluation deficit of the same asset previously recognised in statement of profit or loss, the increase is recognised in statement of profit and loss. A revaluation deficit is recognised in the statement of profit and loss, except to the extent that it offsets an existing surplus on the same asset recognised in the asset revaluation reserve.

An annual transfer from the asset revaluation reserve to retained earnings is made for the difference between depreciation based on the revalued carrying amount of the asset and depreciation based on the asset's original cost. Additionally, accumulated depreciation as at the revaluation date is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset. Upon disposal, any revaluation reserve relating to the particular asset being sold is transferred directly to retained earnings.

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Category	Useful life
Buildings	5-60 Years
Plant and Equipment's	5-40 Years
Furniture and Fixtures	1-10 Years
Vehicles	7-8 Years
Office Equipment's	1-10 Years

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

iv. Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

v. Depreciation & Amortization

Depreciation on PPE bought/sold during the year is charged on straight line method as per the useful life in Schedule II of Companies Act, 2013 depending upon the financial year in which the assets are installed/sold.

With respect to the plant and machinery generating renewable energy, the useful life of the asset is determined in accordance with KERC/CERC guidelines.

The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern.

vi. Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as non-current investments. Current investments are carried at lower of cost or fair value / market value determined on an individual investment basis. Non-current investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments. Profit/loss on sale of investments is computed with reference to their average cost.

vii. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of

interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

viii. Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- a. **Finished goods and work in progress:** cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on first in, first out basis.
- b. **Traded goods:** cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

ix. Foreign Currency Transactions

Functional Currency : The functional currency of the Company is the Indian rupee. These financial statements presented in Indian rupees (rounded off to millions, one million equals ten lakhs).

Initial Recognition: Transactions in foreign currencies are initially recorded by the Company at functional currency rates at the date the transaction.

Conversion: Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency rates of exchange at the reporting date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in Other Comprehensive Income (OCI) or profit or loss are also recognised in OCI or profit or loss, respectively).

Exchange Differences: Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the period or reported in previous financial statements, are recognized as income or as expenses in the period in which they arise.

x. Revenue Recognition

Ind AS 115 supersedes Ind AS 11 Construction Contracts and Ind AS 18 Revenue and it applies, with limited exceptions, to all revenue arising from contracts with customers. Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognized at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

Ind AS 115 requires entities to exercise judgment, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The standard also specifies the accounting for the incremental costs of obtaining a contract and the costs directly related to fulfilling a contract. In addition, the standard requires extensive disclosures.

The Company adopted Ind AS 115 using the modified retrospective method of adoption with the date of initial application of 1 April 2018. Under this method, the standard can be applied either to all contracts at the date of initial application or only to contracts that are not completed at this date. The Company elected to apply the standard to all contracts as at 1 April 2018.

The cumulative effect of initially applying Ind AS 115 is recognized at the date of initial application as an adjustment to the opening balance of retained earnings for the year ended March 31, 2019.

xi. Income Tax

Tax expenses comprise both current and deferred taxes.

The current tax is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss due to the effect of items of income or expense that are taxable or deductible in other years and items that are not taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period. Current income tax relating to items recognised outside profit or loss is recognised either in other comprehensive income or in equity.

Deferred Tax: Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is reasonably certain that taxable profits will be available against which those deductible temporary differences can be utilized. The carrying amount of deferred tax assets is reviewed at the

end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be utilized. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

xii. Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

xiii. Retirement and Other Employee Benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense in the statement of profit and loss.

Provisions for liabilities in respect of leave encashment benefits and gratuity are made based on actuarial valuation made by an independent actuary as on the balance sheet date. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a

corresponding debit or credit to retained earnings through OCI in the period in which they occur.

Re-measurements are not reclassified to profit or loss in subsequent periods.

xiv. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares outstanding during the period are adjusted for events of bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

xv. Impairment of Assets

As at each Balance Sheet date, the carrying amount of assets is tested for impairment so as to determine the provision for impairment loss, if any, required or the reversal, if any, required of impairment loss recognized in previous periods. Impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.

xvi. Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts

and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

xvii. Current versus Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- a. Expected to be realised or intended to be sold or consumed in normal operating cycle
- b. Held primarily for the purpose of trading, or
- c. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- a. It is expected to be settled in normal operating cycle
- b. It is held primarily for the purpose of trading, or
- c. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

10. Ministry of Corporate Affairs (“MCA”) through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases which replaces the existing lease standard, Ind AS 17 Leases, and other interpretations.

Transition to Ind AS 116 - Leases - effective April 1, 2019, the Company has adopted Ind AS 116, 'Leases'. Ind AS 116 introduces a single lease accounting model and requires a lessee to recognise Right-of-Use assets and lease liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. The company has used the 'modified retrospective approach' from transition from previous standard -Ind AS 17, and consecutively comparatives for previous periods have been retrospectively adjusted. On transition, the company records the lease liability at the present value of future lease payments discounted using the incremental borrowing rate and has also chosen the practical expedient provided in the standard to measure the right-of-use at the same value as the lease liability. The effect of Ind AS 116 on profit for current year is not material.

11. During the year, the company has received its Share of Profits from its Subsidiary LLPs. This income is recognised as and when the right to receive is established
12. During the previous year ended March 31, 2022, the company has allotted 200,00,000 (Two Crore) Warrants of the face value of Rs. 51/- (Rupees Fifty-One only) each at par, for cash, for an aggregate amount of Rs. 1,020.00 Mn, in dematerialised form, out of which the company has received Rs.752.25 Mn towards subscription amount. During the year ended March 31,2023 the company has further received Rs. 42.84 Mn towards subscrption amount. The Company has converted the Warrants into 32,00,000 equity shares at a premium of Rs. 131.20 Mn during the current year.
13. During the year, the company has provided for Impairment Loss on the principal portion of the Inter Corporate Deposit amount of Rs.182.11 Mn given to its foreign subsidiary Renuka Energy Resource Holdings (FZE). Further Impairment loss of Rs.9.69 Mn on Inter Corporate Deposit given to its Associate company REL Marinetek Infra Private Limited has been provided and the balance of Rs.14.40 Mn is receivable and the same has been considered good.

During the previous year ended March 31, 2022, the company has provided for Impairment Loss on Investment of Rs.1,431.10 Mn and provided for Impairment Loss on the principal portion of the Inter Corporate Deposit amount of Rs.367.66 Mn given to its foreign subsidiary Renuka Energy Resource Holdings (FZE). Balance of Rs.34.23 Mn is receivable towards interest and the same has been considered good.

14. The Scheme of Amalgamation of Agri Venture Trading and Investment Private Limited into Ravindra Energy Limited has been sanctioned by the Hon’ble National Company Law Tribunal, Bench at Bengaluru, vide its Order dated January 5, 2022.

A Certified True Copy of the said Order has been filed with the Registrar of Companies, Bengaluru on 20th January 2022. The Hon'ble National Company Law Tribunal, Mumbai Bench, has also sanctioned the said Scheme of Amalgamation vide its Order dated March 24, 2023. However, the Certified True Copy of the said Order is yet to be filed with the Registrar of Companies, Maharashtra at Mumbai. Pursuant to the said Scheme the date of filing shall be the Effective Date of Amalgamation.

In view of the above Scheme of Amalgamation by the respective NCLTs, the Company will be absorbing the carried forward losses of AVTIPL as on 31st March, 2023 of Rs. 609.81 Mn from the Effective Date. Consequently, post-merger Other Equity of the Company shall get reduced to that extent..

15. Pursuant to the approval of the Board of Directors of the Company in its meeting held on May 21, 2022 and as approved by the shareholders of the Company in the Annual General Meeting of the Company held on August 11, 2022, the Company has completed the divestment by way of sale of its stake held in REL Rural Warehousing Limited, a Wholly-Owned Subsidiary of the Company to the promoters of the Company on September 29, 2022.

Independent Auditors' Report

To the Members of

RAVINDRA ENERGY LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated Ind AS financial statements of **RAVINDRA ENERGY LIMITED** (hereinafter referred to as the 'Holding Company') and its subsidiaries and its associate (Holding Company, its subsidiaries and its associate together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2023, and the Consolidated statement of Profit and Loss including Other Comprehensive Income, the consolidated statement of changes in equity and the Consolidated cash flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their Consolidated state of affairs of the Group as at March 31, 2023, of Consolidated profit including other comprehensive income, Consolidated changes in equity and its Consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the

consolidated financial statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

- i) Provision for Impairment loss of ₹ 9.69 Mn on Inter Corporate Deposit given to its Associate company REL Marinetek Infra Private Limited has been provided and the balance of ₹ 14.40 Mn is receivable and the same has been considered good.

Other Information

The Group's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report but does not include the Consolidated Ind AS financial statements and our auditor's report thereon. Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. There are no such other information to be reported

Responsibility of Management and Those Charged with Governance for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated changes in equity, consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind

AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the

audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Ind AS financial statements, including the disclosures, and whether the Consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the Ind AS financial statements of such entities included in the Consolidated Ind AS financial statements of which we are the independent auditors. For the other entities included in the Consolidated Ind AS financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of ten subsidiary, eighteen LLPs and one associate company included in the Consolidated Ind AS financial statements, whose Ind AS financial statements reflect total assets of Rs. 4,308.34 Mn as at March 31, 2023, total revenues of Rs. 2,576.92 Mn, total comprehensive income (comprising of net profit and other comprehensive income) of Rs.243.06 Mn and net cash flows of Rs. (39.38) Mn for the year ended on that date, as considered in the Consolidated Ind AS financial statements. These Ind AS financial statements and other financial information have been audited by other auditors whose reports have been furnished to us and our opinion on such Ind AS financial statements is based solely on the report of such other auditors. Our report is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated Ind AS financial statements;
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept by the Group so far as it appears from our examination of those books and the reports of the other auditors;
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements;

Annexure ‘A’ to the Auditors’ Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2023, we have audited the internal financial controls over financial reporting of Ravindra Energy Limited (“the Holding Company”) and its subsidiary companies which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for

ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in other matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company and its subsidiaries incorporated in India, internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted

accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the the Institute of Chartered Accountants of India".

Consolidated Notes to Accounts forming part of the Financial Statements for the year ended March 31, 2023

NOTE - 1 - Significant Accounting Policies

a. Basis of Presentation:

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 read with section 133 of the Companies Act, 2013 with effect from April 01, 2017. The consolidated financial statements of the Company, have been prepared and presented in accordance with Ind AS.

The accompanying consolidated financial statements comprise the Consolidated accounts of Renuka Energy Resource Holdings, FZE, Agri Venture Trading and Investment Private Limited, Rhibhu Rooftop Solutions Limited, Ravindra Energy KNSP1 Private Limited, Prerak Greentech Solar Private Limited, REL Kumbhari Solar Project 1 Private Limited, REL Kumbhari Solar Project 2 Private Limited, REL Kumbhari Solar Project 3 Private Limited, REL Kumbhari Solar Project 4 Private Limited, REL Kumbhari Solar Project 5 Private Limited, REL Marinetek Infra Private Limited (Associate Company), Bannura Solar Power Project LLP, Basaragi KM Solar Power Project LLP, Chikkanandi Solar Power Project LLP, Hukkeri Solar Power Project LLP, Hunsankodilli Solar Power Project LLP, Kulagoda Solar Power Project LLP, Madamageri Solar Power Project LLP, Marakka Solar Power Project LLP, Shivapur Solar Power Project LLP, Tavalgeri Solar power Project LLP, Yarganvi Solar Power Project LLP, Chikkahalli Solar Power Project LLP, Kurugunda Solar Power Project LLP, Chennamanagathihalli Solar Power Project LLP, Hirehalli Solar Power Project LLP, Ravindra Energy GSE Renewables LLP, Ravindra Energy MHSP LLP and REL Power Trading LLP.

b. Use of Estimates:

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which such changes are made.

c. Property, plant and equipment:

Property, plant and equipment (Tangible and Intangible) are stated at cost less accumulated depreciation. Cost comprises the purchase price and any cost attributable to bringing the asset to the location and condition necessary for its intended use. The Company carried out fair valuation of Freehold land, buildings and plant and machinery (PPE). However, it was determined that fair value does not differ materially from the carrying value of assets. Accordingly, the Company has not revalued the PPE as at March 31, 2023.

Capital work in progress is stated at cost.

In case of revaluation, surplus is recorded in OCI and credited to the asset revaluation reserve in equity. However, to the extent that it reverses a revaluation deficit of the same asset previously recognised in statement of profit or loss, the increase is recognised in statement of profit and loss. A revaluation deficit is recognised in the statement of profit and loss, except to the extent that it offsets an existing surplus on the same asset recognised in the asset revaluation reserve.

An annual transfer from the asset revaluation reserve to retained earnings is made for the difference between depreciation based on the revalued carrying amount of the asset and depreciation based on the asset's original cost. Additionally, accumulated depreciation as at the revaluation date is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset. Upon disposal, any revaluation reserve relating to the particular asset being sold is transferred directly to retained earnings.

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Category	Useful life
Buildings	5-60 Years
Plant and Equipment's	5-40 Years
Furniture and Fixtures	1-10 Years
Vehicles	7-8 Years
Office Equipment's	1-10 Years

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

d. Intangible assets:

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

e. Depreciation & Amortization:

Depreciation on PPE bought/sold during the year is charged on straight line method as per the useful life in Schedule II of Companies Act, 2013 depending upon the financial year in which the assets are installed/sold.

With respect to the plant and machinery generating renewable energy, the useful life of the asset is determined in accordance with KERC/CERC guidelines.

The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern.

f. Inventories:

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- i. Finished goods and work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on first in, first out basis.
- ii. Traded goods: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs

of completion and the estimated costs necessary to make the sale.

g. Investments:

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as non-current investments. Current investments are carried at lower of cost or fair value / market value determined on an individual investment basis. Non-current investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments. Profit/loss on sale of investments is computed with reference to their average cost.

h. Borrowing costs:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

i. Foreign currency transactions:

Functional Currency

The functional currency of the Company is the Indian rupee. These financial statements presented in Indian rupees (rounded off to millions, one million equals ten lakhs).

Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are reported using the closing rate at the date of the Balance Sheet. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction and investments in foreign companies are recorded at the exchange rates prevailing on the date of making the investments.

Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the period or reported in previous financial statements, are recognized as income or as expenses in the period in which they arise.

Translation of financial statements of foreign subsidiaries

The consolidated financial statements are presented in Indian Rupees, which is the functional currency of the parent company, being the currency of the primary economic environment in which it operates.

In the consolidated financial statements, the separate financial statements of the subsidiary, originally presented in a currency different from the Group's presentation currency, have been converted into Indian Rupees. Assets and liabilities have been translated into Indian Rupees at the closing rate at the balance sheet date. Income and expenses have been converted into the Group's presentation currency at the average rates over the reporting period. The resulting translation adjustments are recorded under the foreign currency translation reserve in Reserves & Surplus under Shareholders funds.

The functional currency of subsidiary Renuka Energy Resource Holdings, FZE is UAE Dirham ('AED')

j. Revenue recognition:

Ind AS 115 supersedes Ind AS 11 Construction Contracts and Ind AS 18 Revenue and it applies, with limited exceptions, to all revenue arising from contracts with customers. Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognized at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

Ind AS 115 requires entities to exercise judgment, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The standard also specifies the accounting for the incremental costs of obtaining a contract and the costs directly related to fulfilling a contract. In addition, the standard requires extensive disclosures.

The Company adopted Ind AS 115 using the modified retrospective method of adoption with the date of initial application of 1 April 2018. Under this method, the standard can be applied either to all contracts at the date of initial application or only to contracts that are not completed at this date. The Company elected to apply the standard to all contracts as at 1 April 2018.

The cumulative effect of initially applying Ind AS 115 is recognized at the date of initial application as an adjustment to the opening balance of retained earnings for the year ended March 31, 2019.

k. Retirement and other employee benefits:

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the

provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense in the statement of profit and loss.

Provisions for liabilities in respect of leave encashment benefits and gratuity are made based on actuarial valuation made by an independent actuary as on the balance sheet date. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur.

Re-measurements are not reclassified to profit or loss in subsequent periods.

l. Income Tax:

Tax expenses comprise both current and deferred taxes.

The current tax is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss due to the effect of items of income or expense that are taxable or deductible in other years and items that are not taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period. Current income tax relating to items recognised outside profit or loss is recognised either in other comprehensive income or in equity.

Deferred tax:

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is reasonably certain that taxable profits will be available against which those deductible temporary differences can be utilized. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be utilized. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of

deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

m. Provisions and Contingent liabilities:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

n. Earnings per share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares outstanding during the period are adjusted for events of bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

o. Impairment of assets:

As at each Balance Sheet date, the carrying amount of assets is tested for impairment so as to determine the provision for impairment loss, if any, required or the reversal, if any, required of impairment loss recognized in previous periods. Impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.

p. Leases:

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

q. Current versus non-current classification:

The Company presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is treated as current when it is:

- a. Expected to be realised or intended to be sold or consumed in normal operating cycle
- b. Held primarily for the purpose of trading, or
- c. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- a. It is expected to be settled in normal operating cycle
- b. It is held primarily for the purpose of trading, or
- c. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

- During the previous year ended March 31, 2022, exceptional item in the Statement of Profit & Loss of Rs.40.51 Mn comprise Rs. 75.13 Mn of loss incurred towards the project discarded and Rs.34.63 Mn of profit on sale of land which was meant for the discarded project
- Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases which replaces the existing lease standard, Ind AS 17 Leases, and other interpretations.
Transition to Ind AS 116 - Leases - effective April 1, 2019, the Company has adopted Ind AS 116, 'Leases'. Ind AS 116 introduces a single lease accounting model and requires a lessee to recognise Right-of-Use assets and lease liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. The company has used the 'modified retrospective approach' from transition from previous standard -Ind AS 17, and consecutively comparatives for previous periods have been retrospectively adjusted. On transition, the company records the lease liability at the present value of future lease payments discounted using the incremental borrowing rate and has also chosen the practical expedient provided in the standard to measure the right-of-use at the same value as the lease liability. The effect of Ind AS 116 on profit for current year is not material.
- During the previous year ended March 31, 2022, the company has allotted 200,00,000 (Two Crore) Warrants of the face value of Rs. 51/- (Rupees Fifty-One only) each at par, for cash, for an aggregate amount of Rs. 1,020.00 Mn, in dematerialised form, out of which the company has received Rs.752.25 Mn towards subscription amount. During the year ended March 31,2023 the Company has converted the Warrants into 32,00,000 equity shares at a premium of Rs. 131.20 Mn. Further the company has also received Rs.42.84 Mn towards subscription amount.
- Pursuant to the approval of the Board of Directors of the Company in its meeting held on May 21, 2022 and as approved by the shareholders of the Company in the Annual General Meeting of the Company held on August 11, 2022, the Company has completed the divestment by way of sale of its stake held in REL Rural Warehousing Limited, a Wholly-Owned Subsidiary of the Company to the promoters of the Company on September 29, 2022.
