Growth In The Automobiles Sector

Source: SIAM

Key Market Growth Drivers

- The enforcement of BS-VI standards of safety and emission is anticipated to help the export market expand during the forecast period for the benefit of auto component players in India.
- o Foreign players prefer India because it is a cost-effective location for manufacturing, which bodes well for the auto ancillary market.
- o India is poised to emerge as an outsourcing hub
- o The demand for automobile to remain upbeat with rising per capita income
- o Improvement in road infrastructure and national connectivity would drive the demand for the automobile sector.
- o The old vehicle scrappage policy 2021 will further provide impetus to automobile demand.
- As auto ancillary is directly linked to the automobile industry, it will witness a sharp rise in demand.

NDR AUTO IS SET TO GET BENEFITED FROM THIS

NDR Auto is a key supplier of metal structures and frames of car seats to Bharat Seats Limited.

Bharat Seat is a supplier of complete seating systems under one roof catering to the four-wheeler, two-wheeler and surface transport segments.

The key customer of Bharat Seats is Maruti Suzuki driving the demand for its product.

As NDR Auto Component is supplying the seating component to Bharat Seats, the demand for the product is indirectly driven by production volume of Maruti Suzuki.

The trend for the past few years for Maruti Suzuki volume sales is given below which clearly
