Silicon Rental Solutions @ Glance

Silicon Rental Solutions Limited (Silicon, The Company), a trailblazing name in Indian IT rentals since its establishment in 1993, initially specialized in the sales and services of IT equipment. Over the years, the company has evolved and expanded its services, with an unwavering commitment to customizing rental schemes that offer undeniable advantages to its clients. They take pride in being a one-stop shop for all IT rentals needs.

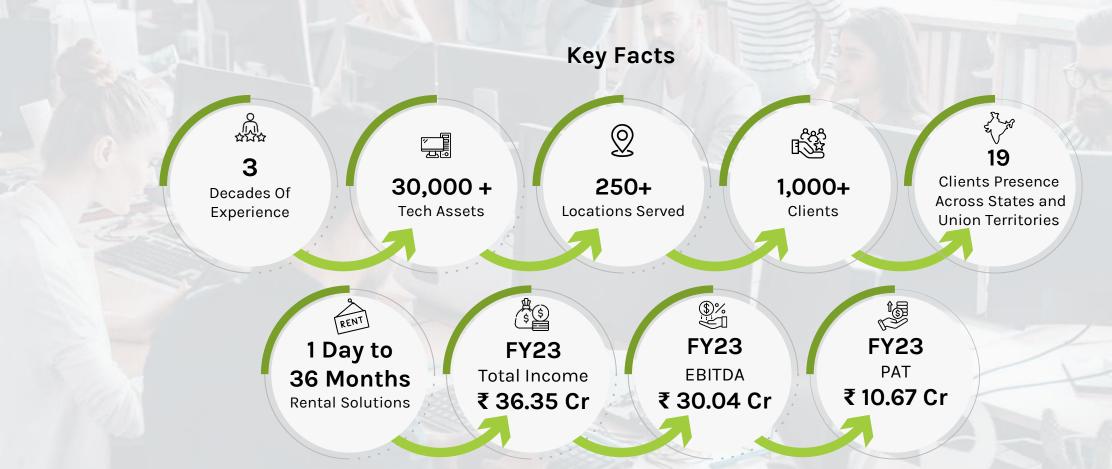

The company's extensive product portfolio is designed to evolve with the ever-changing demands of its clients, ensuring businesses flourish with optimal efficiency and performance. The company consistently enhances its offerings, solidifying its role as a trusted partner. With a skilled team of engineers ensuring equipment support and maintenance, and a commitment to scheduling visits within 24-48 hours, in alignment with the client's specified Turnaround Time (TAT).

The company sources the majority of its products from all major brands like HP, Dell, Lenovo, Apple, Asus, Intel, AMD, Gigaby te, Sonicwall, Dlink, Cisco, etc.

Vision

To emerge as an IT equipment outsourcing company by offering technical expertise and comprehensive solutions and adhering to the interests of organizations. They are dedicated to offering their customers cutting-edge technologies and technical support. In addition to renting IT equipment, they offer installation and deployment assistance to effectively support their customers' IT infrastructure. Their skilled technical team is prepared to deliver the most suitable solutions to meet their customers' needs.
