## Update on pledging of BCCL shares

- **Why** did we borrow against Bajaj Consumer shares?
- **How much** did we borrow and how much is still outstanding?
- **When** will the shares be unpledged?
- **How** will the shares be unpledged?

# What makes BCCL the “crown jewel” of Bajaj Group?

- **Strong brand:** Bajaj Almond Drops
- **Profitability:** Most profitable hair oil brand over a sustained time period
- **Consumer facing:** Only Bajaj Group business with direct consumer access
- **Deep distribution:** Highest distributed hair oil brand in the country reaching 4 million outlets
- **Debt Free** with strong cash flows
- **Consistent shareholder value creation** with great future value creation potential
- **Capable, pedigreed and experienced** management team
- **Corporate governance:** High level of disclosures to investors, almost NYSE compliant
- **Independent** from all other group companies

Values of BCCL completely aligned with those of the Bajaj Group

# The Growth story

# Delivered consistent, profitable growth for more than a decade

# Blip in our performance over last 3 years

# We were investing in the future over last 3 years

- We readied ourselves for the future by getting our processes right – both customer facing and back-end
- Made significant investments in sales and supply chain automation
- Improved the consumer facing functions i.e. Marketing & R&D by bringing in top notch talent from outside and engaging world-class agencies to strengthen our equity
- Invested in getting better and smarter – capability building for our resources across functions
- Continued focus on cost excellence to sustain our profitability levels

# Why are we bullish on the Hair Oil category?

# Hair Oils – large, thriving and here to stay...

- **Indian in nature** : Part of the legacy handed over from one generation to another;
- **Large in size:** 2<sup>nd</sup> largest personal care category in India at Rs.13,223 crores\*
- **Growing fast:** Grew 17.1% by value and 8.7% by Volume in FY 19
- **Deeply penetrated:** 89% of all Indian Households(rich and poor) use Hair Oils;
- **Penetration levels similar** across SEC A/B/C Households and rural and urban
- **Consolidated:** Top 10 Brands account for 75.2% of the total branded hair oil market with only 3 Indian companies actively focused on this space
- **Bajaj growing share:** Market share (in THO\*\*) has risen from 4.4% in '07 to 9.6% in '19

\* As Per Nielsen

# The Way forward...

# Our growth strategy going forward....

- **Focus strongly on the Hair Oil Category** – Aim to hit 20% share in 5-6 Years
- **Micro Segmentation** – Look at **key states in great depth** and design and activate the **ideal assortment and marketing mix** in each state/cluster
- **Start small, scale fast** – Start with maximizing hair oils in **one state** – re-apply key learnings to **build a repeatable model** across other states
- Continued **focus on Cost excellence** – deliver **sustained profitability** along with **accelerated growth** by keeping a tight leash on Employee Costs, Overheads and RM/PM
- Undertake a **Multi-year Transformational Program** focused on building an organization geared to **succeed in the long-term**

# In summary ...

- Bajaj Consumer Care is back on its growth trajectory in FY 19
- We have been investing to be future-ready in the last 3 years
- Hair oils is a large, deeply penetrated, thriving category
- Bajaj will accelerate growth by focusing its energies on hair oils - become #1 or a strong #2 across states
- Our ambition is to double our market share and quadruple our profits over the next 5-6 years

# Focus for next 5 years..

**THANK YOU**
