LIMITED REVIEW REPORT ON THE UNAUDITED QUARTERLY FINANCIAL RESULTS

OF

GONTERMANN PEIPERS (INDIA) LIMITED

FOR THE QUARTER ENDED JUNE 30TH,2018

To
The Board of Directors
Gontermann Peipers (India) Limited
Diamond Harbour Road, PO Pailan
Kolkata – 700 104.

REPORT ON LIMITED REVIEW

1. Independent Auditor's Report on the Standalone Financial results

We have reviewed the accompanying statement of unaudited financial results of Gontermann Peipers (India) Limited (CIN: L27106WB1966PLC101410) ("the Company"),for the quarter ended June 30th,2018('the Statement'), being submitted by the company pursuant to the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015, read with SEBI Circular No.CIR/CFD/FAC/62/2016 dated July 5, 2016.

2. Management's Responsibility for the Financial Results

The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other accounting principles generally accepted in India, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016 is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the statement based on our review.

3. Auditor's Responsibility

We conducted our review in accordance with Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by The Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Basis for Qualified Limited Review Report

The company is in continuous default in repayment of principal and interest on Term Loans, Working Capital Term Loans (WCTL), Funded Interest Term Loans (FITL), and Working Capital Loans (Cash Credit) of all the Banks. During the quarter, the company has not provided interest expense on all borrowings on monthly basis, as per interest rates and other terms and conditions as provided in the corporate debt restructuring sanction.

The outstanding liabilities of the company have been substantially restructured under the aegis of CDR Scheme, effective from 01st January 2012 and which extends till financial year 2021. We need to highlight the position relating to (i) increase in working capital borrowings from CDR lenders on account of conversion and utilization of non-fund based limits into fund based limits and temporary overdraft facilities (short term working capital facilities) (ii) continuous defaults made by the company in repayment of principal and interest to the CDR lender banks resulting the account becoming NPA. For status of defaults in repayment of principal and payment of interest as existing on the last day of the quarter, we have not received any balance confirmation as on the reporting date from the lender banks as a result of which the exact liability could not be ascertained. The company has written back interest provided for after the NPA date amounting to Rs 1476.28 lacs during 2017-18.

The write-back and non-provision of interest on the various loans outstanding to the lender banks from the NPA date has resulted in an under-provision of interest to the tune of Rs 3730.87 lacs in respect of financial years 2015-16 (Rs 467.90 lacs) , 2016-17(Rs 1008.38 lacs) ,2017-18 (Rs 1732.37 lacs) and 2018-19 upto 30.06.2018 (Rs 522.02 lacs).

Had the impact of 'Basis of Qualified Limited Review Report' above been considered and not considering the impact of the points mentioned under the head "Emphasis of Matter", the Total Comprehensive loss for the quarter would have been Rs.1293.69 lakhs as against the reported Loss of Rs. 771.67 lakhs.

5. Emphasis of Matter

Without qualifying our Limited Review Report, we draw attention to the following:

- a. Non-deposition and substantial delay in deposition of Statutory liabilities with Government exchequer within stipulated time (Total undisputed outstanding statutory dues as on 30th June 2018 are Rs 1767.09 Lakhs including interest & penalties). This includes dues in respect of PF contribution including interest and penalty thereon to the tune of Rs 60.74 lakhs for the current quarter and a cumulative liability of Rs 728.86 lakhs as on 30th June, 2018.
- b. The company has not complied with the provisions of Rule 7 (2)(ii) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules 2014 as salary was paid to whole- time director of the Company without taking approval of Central Government as the Company has defaulted in payment of loans and interest thereon and the company has not taken any efforts to recover the same or apply for condonation of the violation.
- c. In spite of non-receipt of confirmation from debtors and non-recovery of any amount for a long period of time, the company has not made any additional provision during the quarter under review. As a result, the exact amount of non-provision is not ascertainable.
- d. The carrying cost of the tangible/ intangible assets as per books of accounts has not been subjected to impairment in accordance with Ind-AS36 "Impairment of Assets" as no estimate of recoverable amount has been made by the Management. The company has not renewed the All Risk Industrial Policy (last year's Sum Insured Rs 66723.43 lakhs premium Rs 18.28 lakhs including tax) as a result of which it has exposed itself to a tremendous risk, the quantum of which is not readily ascertainable.
- e. The company's manufacturing activity has been stopped due to disconnection of electricity by West Bengal State Electricity Distribution Company Limited w.e.f 15.05.2017 for non-payment of dues. The claim of disputed electricity amount is subjudice and the company has moved the Honorable High Court, Calcutta against the disconnection.
- f. The company has incurred a net loss of Rs. 771.67 Lacs during the quarter and as of that date, the company's accumulated losses amount to Rs. 19357.86 Lacs. The complete erosion of net worth of the company on the reporting date and factors like the heavy negative operating cash flows in the current quarter and past years, cancellation of term loan by the CDR lenders, continuous defaults in repayment of interest and principal on borrowings, inability to pay creditors, wages and salaries within due dates and non-deposition and substantial delay of deposition of statutory liability, indicates the existence of material uncertainty that may cast a significant doubt on the company's ability to continue as a going concern. However, management's perspective of improved performance/financial position is largely dependent on business restructuring and

arranging for infusion of funds, which would allow it to restore normalcy of business operations.

6. Based on our review conducted as above, except for the possible effects of our observations described in the Basis of Qualified Limited Report in paragraph 4 above and read with our comments described in "Emphasis of Matter" in paragraph 5 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the applicable Indian Accounting Standards specified under Section 133 of the Companies Act 2013, read with rule 7 of the Companies (Accounts) Rules 2014 and other recognized accounting practices and principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016 including the manner in which it is disclosed, or that it contains any material misstatement.
