Industry Overview for Affordable Housing

700,000+
slum
dwelling
families in
500 Slums in
Ahmedabad

- 80 lakh houses to be completed in FY23 under PM Awas Yojana scheme with an allocation of INR 48,000 crore
- Since May 2017, the Gujarat Real Estate Regulatory Authority (GRERA) has approved a total of 9,301 real estate projects with an investment potential of INR 2.65 lakh crore, while 2,072 are in the affordable housing category. The affordable sector will add 2.12 lakh housing units, worth INR 43,155 crore, in the state. (Source- www.gujrera.gujarat.gov.in)
- The two main drivers of Affordable Housing are improved affordability, through reduced mortgage rates and Government support, through various schemes and tax incentives.
- Policy support from the government is seen fueling the attraction for affordable homes in India in 2021.
- In addition to government subsidies, record low home loan interest rates too, have been a great driver of home sales in the country. Expect to see more intense activity in the housing market in 2022 especially in the affordable homes segment as various deadlines to avail of the government subsidies near the end.
- Total latent demand for housing of 10 Mn+ per year with steady income growth at 9-10% CAGR to improve affordability.
