Dear Sir/ Madam,

**Sub: Intimation**

As the novel Coronavirus (COVID-19) outbreak continues to spread rapidly across the world, at Tata Metaliks, our first and foremost priority is the health and safety of our employees and the communities in which we operate. We aim to run our operations safely and efficiently so that we can continue to service our customers to the extent practical. We also remain focused on conserving cash and ensuring we have adequate liquidity.

Keeping in mind the above, the practical constraints of continuing operations and dispatches and the safety & health of our employees & other stakeholders, the Company has suspended its production of Pig Iron and DI Pipes at its plant in Kharagpur, West Bengal till the situation improves.

The overall adverse impact on the operations of the Company due to suspension and expected financial impact, is not immediately ascertainable at this stage. The Company is closely monitoring the situation and taking appropriate actions as per the directions issued by the regulatory authorities from time to time keeping in view the interests of the Company, health and safety of employees and other stakeholders. The Company will resume its operations as soon as the situation improves and permits.

This disclosure is being made in compliance with Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Yours faithfully,

For **Tata Metaliks Limited**
