Members who have casted their votes by remote e-voting prior to the AGM may attend the AGM but shall not be entitled to cast their vote again. The instructions for e- voting are annexed to the Notice.

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING ARE AS UNDER: -

The remote e-voting period begins on Monday, 25th September 2023 at 09:00 A.M. and ends on Wednesday, 27th September, 2023 at 05:00 P.M. The remote e-voting module shall be disabled by NSDL for voting thereafter.

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of “Two Steps” which are mentioned below:

Step 1: Log-in to NSDL e-Voting system at <https://www.evoting.nsdl.com/>

Step 2: Cast your vote electronically on NSDL e-Voting system.

Details on Step 1 is mentioned below:

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholders’ section.
3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e., IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL e-services after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e., Cast your vote electronically.

4. Your User ID details are given below:

Manner of holding shares i.e., Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID

	For example, if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example, if your Beneficiary ID is 12***** then your user ID is 12*****

- a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
- b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
- c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e., a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8-digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, please follow steps mentioned below in process for those shareholders whose email ids are not registered.

6. If you are unable to retrieve or have not received the “Initial password” or have forgotten your password:
 - a) Click on “[Forgot User Details/Password?](#)”(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) [Physical User Reset Password?](#)” (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to “Terms and Conditions” by selecting on the check box.
8. Now, you will have to click on “Login” button.
9. After you click on the “Login” button, home page of e-Voting will open.

Details on Step 2 is given below:

How to cast your vote electronically on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see the home page of e-Voting. Click on e-Voting. Then, click on Active Voting Cycles.
2. After click on Active Voting Cycles, you will be able to see all the companies “EVEN” in which you are holding shares and whose voting cycle is in active status.
3. Select “EVEN” of company for which you wish to cast your vote.
4. Now you are ready for e-Voting as the Voting page opens.

5. Cast your vote by selecting appropriate options i.e., assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on “Submit” and also “Confirm” when prompted.
6. Upon confirmation, the message “Vote cast successfully” will be displayed.
7. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.

8. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Dynamic Portfolio Management and Services Limited ('the Company') is a non- deposit-taking Non- Banking Financial Company (NBFC-ND) registered with the Reserve Bank of India (RBI). The Company has a diversified lending portfolio across different sectors.

India has a diversified financial sector undergoing rapid expansion with many new entities entering the market along with the existing financial services firms. The sector comprises commercial banks, insurance companies, NBFCs, housing finance companies, co-operatives, pension funds, mutual funds and other smaller financial entities. The RBI's continued focus on financial inclusion has expanded the target market to semi-urban and rural areas. NBFCs, especially those catering to the urban and rural poor namely Non-Banking Financial Company Micro Finance Institutions (NBFC-MFIs) and asset finance companies, have a complementary role in the financial inclusion agenda of the country. After the COVID-19 impact gradually tapers off, the financial services sector is poised to grow eventually on the back of strong fundamentals, adequate liquidity in the economy, significant government and regulatory support, and the increasing pace of digital adoption. In fact, digital transactions will play a larger role in the financial eco-system than hitherto witnessed.

Over the past few years, NBFCs have undergone a significant transformation and today they form an important component of India's financial system. Playing a critical role in the development of infrastructure, transport and employment generation, NBFCs are changing the business loan landscape in the country. Most NBFCs, leverage alternative and tech-driven credit appraisal methodologies to assess the credit worthiness of prospective borrowers.

This difference in approach allows them to meet loan requirements of individuals and businesses left traditionally underserved by banks. With the introduction of e-KYC, making borrowing an instant and hassle-free experience, NBFCs are already offering the right financial products to consumers and small businesses in a customised manner. The use of technology to optimise business processes also keeps cost overheads to a minimum, enabling credit to be availed at highly competitive interest rates.

Opportunities

➤ *Shift of savings to financial instruments*

The shift of savings to financial instruments from physical assets and bank deposits has been largely on account of high inflation and high interest rate scenario over the period. Tax policy has been used to provide incentives and promote savings in financial assets and encouraging long-term savings. The Government of India's (GOI) efforts to increase banking penetration through its Jan Dhan Yojna and the integration of PAN and Aadhar are expected to further enhance the savings in financial assets. The number of digital transactions in India have already increased manifold over the past two years and the access to investments via digital channels is expected to accelerate in the coming years. The strong flow of funds from Foreign Institutional Investors (FIIs),

Domestic Institutional Investors (DIIs) and retail investors into equity markets, mutual funds and insurance are expected to continue in the longrun.

➤ ***Growth of digital financial services***

The financial services sector is witnessing growing digitisation. The digitisation efforts have seen accelerated growth in financial services sector, and it is set to grow significantly, in the coming years, according to the RBI. The financial sector is leveraging digitisation to increase internal efficiencies, provide value-added customer services, minimise risk and support India's expanding economy.

➤ ***Artificial Intelligence***

Financial institutions are looking at artificial intelligence (AI) solutions to deliver superior customer experiences, reduce costs and unlock new revenue streams. According to the NASSCOM-CMR survey (Artificial Intelligence for Banking, Financial Services and Insurance Sector, 2018) adoption of AI in the country's financial services sector will help financial institutions to offer enhanced customer experience, followed by automation of backend business processes, and effective compliance and risk management. Data analytics, block-chain, and artificial intelligence are also expected to provide financial institutions considerable leverage over the traditional banking systems.

Challenges

Competitive rivalry between big players is intense in the industry

- Financial services companies often compete on the basis of offering lower financing rates, higher deposit rates and investment services;
- Stringent regulatory norms prevent new entrants;
- Customers prefer to invest their money with a reputed financial services company offering a wide range of services;
- Low bargaining power of suppliers as the industry is highly regulated by RBI;
- Medium bargaining power of customers. Although customers do not have much bargaining power, they can easily switch to another company based on the terms and quality of services provided.

Initiatives launched by RBI to support NBFCs

MEASURES	RBI GUIDELINES	IMPACT
Increasing exposure limit	The RBI increased the counterparty exposure limit of banks to a single NBFC to 20% of Tier-I capital from 15%.	While the measure was intended to encourage banks to lend more to NBFCs, banks have been largely cautious and have refrained from making the best use of higher limits. Many banks are still below the former limit.
Priority sector classification	Loans given by banks to NBFCs for lending to agriculture, micro and small enterprises, and housing to be classified as Priority Sector Lending (PSL)	The measure has benefited some of the larger NBFCs and specialised NBFCs. However, it has not directly addressed the refinancing challenges of the NBFC sector.
Easing of risk-weightage norms for banks	The RBI has allowed banks to risk-weight their exposures to NBFCs based on the respective credit rating.	The move is likely to expand flow of credit to better-rated NBFCs.
Partial credit guarantee	GOI has created a mechanism whereby it will provide partial credit guarantee to banks for the purchase of NBFC assets. The guarantee will be provided on one time basis for six months for a Public Sector bank's first loss of up to 10%.	The measure is in the initial stages of implementation. Market participants are confident that the guarantee is adequate to cover typical losses. This could help some of the large and mid-sized NBFCs with their liquidity needs for about six months.

Co-origination model	The RBI released guidelines on co- origination of loans by banks and non-deposit taking NBFCs in the priority sector. NBFCs must take a minimum exposure of 20% with the remaining contribution by the participating bank.	There are obvious benefits from this arrangement in terms of the liquidity support, especially for struggling NBFCs. The NBFCs are also likely to benefit from the risk sharing model and will be able to target a new customer base.
Securitisation	The RBI guidelines on securitisation allow NBFCs to securitise their loans with original maturity of more than 5 years.	NBFCs would benefit from the liquidity generated by securitisation of assets to address problems arising from asset liability mismatch.

Union Budget 2023-24 highlights:

- Per capita income has more than doubled to ₹1.97 lakh in around nine years.
- Indian economy has increased in size from being 10th to 5th largest in the world in the past nine years.
- EPFO membership has more than doubled to 27 crores.
- 7,400 crore digital payments of ₹126 lakh crore has taken place through UPI in 2022.
- 11.7 crore household toilets constructed under Swachh Bharat Mission.
- 9.6 crore LPG connections provided under Ujjwala.
- 220 crore covid vaccination of 102 crore persons.
- 47.8 crore PM Jan Dhan bank accounts.
- Insurance cover for 44.6 crore persons under PM Suraksha Bima and PM Jeevan Jyoti Yojana.
- Cash transfer of ₹2.2 lakh crore to over 11.4 crore farmers under PM Kisan Samman Nidhi.

Internal Control Systems and their adequacy

Given the magnitude and nature of its business, the Company has maintained sound and commercial practice with an effective internal control system. The system ensures that all transactions are authorized, recorded and reported correctly to safeguard the assets of the Company and protect them from any loss due to unauthorized use or disposition. The adequate internal information system is in place to ensure proper information flow for the decision-making process. The Company also has well-established processes and clearly defined roles and responsibilities for people at various levels. The control mechanism also involves well-documented policies, authorization guidelines commensurate with the level of responsibility and standard operating procedures specific to the respective businesses, adherence to which is strictly ensured. Internal audit is carried out frequently to create awareness and to take corrective actions on the respective units or areas, which need rectification.

Outlook, risks and concerns

India has a huge proportion of un-banked and under-banked consumers and businesses. Hence, there is a lot of potential for NBFCs, which can still be tapped for future growth. The NBFCs and HFCs are being recognised as being vital for the growth of Indian economy. NBFCs are here to stay and play an important role in economic growth and financial inclusion. As India's economy grows, the requirement for credit will rise more than proportionately. We need both banks and NBFCs to rise to the occasion and power the economy with free-flowing credit lines. NBFCs with robust business models, strong liquidity mechanisms and governance & risk management standards are poised to reap the benefit of the market opportunity. NBFCs that are well-prepared with their business continuity and contingency plans can quickly bounce back in the post COVID-19 era. With proper planning and strategic initiatives, NBFCs can limit and overcome the impact of this disruption.

Human Resources

The Company regards its human resources as amongst its most valuable assets and proactively reviews policies and processes by creating a work environment that encourages initiative, provides challenges and opportunities and recognizes the performance and potential of its employees attracting and retaining the best manpower available by providing a high degree of motivation.

Your Company believes in trust, transparency & teamwork to improve employees' productivity at all levels.

INDEPENDENT AUDITOR'S REPORT

To
The Members
M/s DYNAMIC PORTFOLIO MANAGEMENT & SERVICES LTD

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying Financial Statements of **M/s DYNAMIC PORTFOLIO MANAGEMENT & SERVICES LTD**, which comprise the Balance Sheet as at **31st March 2023**, the Statement of Profit & Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the period then ended and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023, and its loss, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. However, there are no key audit matters to be reported separately for the current period.

Information Other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the audit of Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i)

planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal & Regulatory requirements

- 1) As required by the Companies (Auditor's Report) Order, 2020 issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, and on the basis of such checks of the books and records of the company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure –A, a statement to the matter specified in paragraph 3 and 4 of the said order, to the extent applicable.

ANNEXURE – B, TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF “M/s DYNAMIC PORTFOLIO MANAGEMENT & SERVICES LTD”.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

"We have audited the internal financial controls over financial reporting of “**DYNAMIC PORTFOLIO MANAGEMENT & SERVICES LTD**” as of 31st March 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date."

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting of the company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2023, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Pursuant to the announcement of Scale Based Regulation (SBR): As per the Revised Regulatory Framework for NBFCs on 22 October 2021 to be effective from 01 October 2022, Dynamic Portfolio Management & Services Ltd is classified under category of Base Layer i.e. NBFC-BL.

NOTE -1 : SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Preparation of Financial Statements and Measurement

These financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS), on going concern basis following accrual system of accounting, and the provisions of the Companies Act, 2013 ("the Act") (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The assets and liabilities have been measured at historical cost or at amortized cost or at **fair value at the** end of each reporting period. The Company has assumed 12 months for the purpose of current and non-current classification of assets and liabilities.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

The functional Currency of the company in Indian rupee (INR).

2. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Company are segregated.

3. Use of estimates and judgments

In preparation of the financial statements, the Management is required to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities including contingent liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience & other relevant factors and are reviewed on an ongoing basis. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

4. Cash and Cash Equivalents

Cash comprises all highly liquid financial instruments, which are readily convertible into known cash and demand deposits, The Company considers cash equivalents as all short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

5. Property, Plant and Equipment (PPE) and Depreciation

Property, Plant and Equipment are stated at cost comprising of purchase price and any initial directly attributable cost of bringing the asset to its working condition for its intended use, less accumulated depreciation (other than freehold land) and impairment loss, if any.

Depreciation is provided for Property, plant and equipment on straight line basis so as to expense the cost less residual value over their estimated useful lives based on technical evaluation. The estimated useful lives and residual values are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Depreciation on additions to/deductions from PPE during the year is charged on pro-rata basis from/up to the month in which the asset is available for use/disposed.

An item of PPE is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the derecognition of an item of PPE is determined as the difference between the net disposal proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

6. Impairment of Assets

An asset is treated as impaired when the carrying amount of asset exceeds its recoverable value. The Company assesses at each Balance Sheet date whether there is an indication that an asset may be impaired.

7. Provisions and Contingent Liabilities

Provisions are recognized when the Company has a present legal or constructive obligation as a result of a past event, if it is probable that the Company will be required

to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Where it is not probable that an outflow of economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as contingent liability in notes to accounts, unless the probability of outflow of economic benefits is remote.

8. Employee benefits

Short-term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the related service is rendered.

Long-term employee benefits are recognized as an expense in the Statement of Profit and Loss for the year in which the employees have rendered services.

9. Recognition of Revenue and Expenditure

Interest on financial assets is recognized on accrual basis in accordance with the terms of the respective contract, taking into consideration the proportion of time and the applicable interest rate. Revenue from trading in securities is accounted on settlement date basis. All the expenses are accounted for on accrual basis.

10. Income Taxes

Income Tax expense comprises of current and deferred tax. It is recognized in Statement of Profit and Loss, except when it relates to an item that is recognized in OCI or directly in equity, in which case, tax is also recognized in OCI or directly in equity.

Current Taxes

Current tax is the expected tax payable on taxable income for the year, using, tax rates enacted or substantively enacted and as applicable at the reporting date, and any adjustments to tax payable in respect of Previous Years.

Current tax assets and liabilities are offset when there is a legally enforceable right to set off the Recognized amounts and there is an intention to settle the asset and liability on a net basis.

Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and Liabilities in the financial statements and the corresponding tax bases used in the computation of taxable income. Deferred tax is measured at the tax rates based on the laws that have been enacted or substantively enacted by the reporting date, based on the expected manner of realization or settlement of the carrying amount of assets / liabilities. Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against liabilities, and they relate to income taxes levied by the same tax authority.

A deferred tax liability is recognized for all taxable temporary differences. A deferred tax asset is recognized for all deductible temporary differences to the extent that it is probable that future taxable profits will be available against which the deductible temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

11. Dividends

Final dividends are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Board of Directors of the Company. However, there's no dividend declared by the company during the year.

12. Inventories

Inventories which are consisting of share are valued as under:-
