# Business Verticals

## Specialty Packaging

---

**Estimated Global Market:  
30 US \$ Billion**

---

Currently accounting for the bulk of our products, the Specialty Packaging division caters to a wide array of industries, from food and pharma to chemicals, cement and more – to transport and store materials.

## Advanced Composites

---

**Estimated Global Market:  
36.5 US \$ Billion**

---

The Advanced Composites division focuses on creating high-tech solutions for specialized applications. This division creates solutions for hazardous waste management, asbestos removal, fire-retardant applications etc.

## Water Conservation

---

**Estimated Global Market:  
2.5 US \$ Billion**

---

The Water Conservation portfolio, as the name suggests, focuses on creating solutions for the storage, transport and distribution of water. These products – like pond liners and flexible tanks – are marketed under the Jalasanchay brand.

## Agro Polymers

---

**Estimated Global Market:  
4 US \$ Billion**

---

Products manufactured by the Agro Polymer division are marketed under the Krishirakshak name. These focus primarily on crop protection and de-risking the farmer from the weather. Typical applications include Mulch Films, Crop Covers and flexible pipes.

efficient crop protection  
technology

## Operating Highlights

- **Growth in Exports by 39%** Driven primarily by Contribution from the new Food & Pharma Grade Facility, and shift in product mix towards high margin contributors.
- **Banking Tie-up for funding of pond liners to farmers** A tie-up arrangement with multiple lenders like Bank of Maharashtra, Axis Bank and ICICI Bank for Construction of Farm Ponds that would help farmers enhance their crop yields.
- **Launch of Avana Website and Impact Videos** <https://www.emmbiavana.com> is a B2C website that wishes to address how wealth creation, and social responsibility go hand-in-hand. This is also a mode of communicating to the millennials who wish to work in a Company that is positively impacting the society and help increasing income levels in Rural India.
