Gross Margin improvement to 62.5% led by easing of supply side constraints. This has led to highest ever EBITDA and PBT Margin for any quarter at 33.9% and 25.7% respectively.

Volume growth was marginally lower YoY due to unseasonal cyclone and heavy rains in certain key states. Company has forayed into new **States/UT namely New Delhi & Uttar Pradesh** with 5 branches.

As on 30 June 2023, company has Cash & Cash Equivalents to the tune of Rs 700+ mn, thereby continuing to be debt free.

Company has initiated the process of appointment of RB Kabra & Co **LLP as statutory auditors** for approval at the upcoming AGM.

RB Kabra & Co LLP is now in partnership with Ecovis, which is a European global consulting firm with core competencies in tax, audit and legal.

Business Model & Our Edge

Business Model

The company imports raw materials from several countries. The raw materials are then processed and white glue is manufactured in their plant at Santej. The finished product is then packaged into different sizes starting from 500 gm upto 70 kgs. The products are then sold through a mix of Distributors and Consignee & Sales Agents into the retail market (sold to dealers).

At a team level, the company has zonal managers, area managers, sales executives and business development executives. The whole chain works cohesively towards the visibility, promotions, training of carpenters, use and applications, resolving customer issues, sales orders and processing, and other related activities.

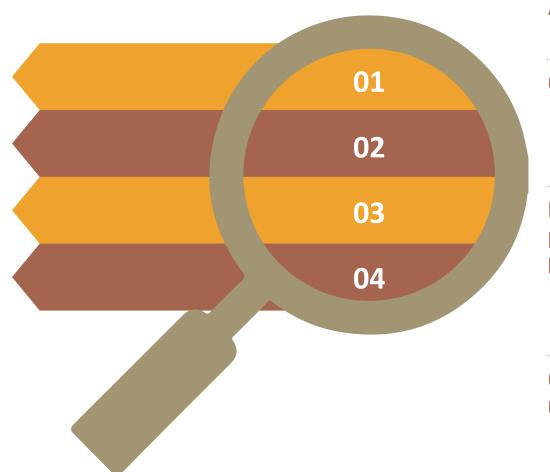

The company also has an efficient carpenter reward model system which is a loyalty program for carpenters. On every bucket / drums purchased by carpenters, their receive certain amount of points, which are then recorded by downloading and logging into the app designed by the company. Post a certain threshold, the carpenters can then redeem these points in return for gifts in several forms / modes of awards.

The company has a well established and customised ERP software, which integrates its sales, purchases, distributor and consignee agent ordering, billing inventory, receivables as well as the carpenter loyalty programme.
