Further, the discussion following here in reflects the perceptions on major issues as on date and the opinions expressed here are subject to change without notice. The Company under takes no obligation to publicly update or revise any of the opinions or forwardlooking statements expressed in this section, consequent to new information, future events or otherwise.

Incorporated in 1986, IOLCP is one of the leading Pharmaceuticals company and is a significant player in the field of specialty chemicals with world class facilities

We, at IOLCP, believe values bring character to any organization that help leaders to guide teams for a culture of excellence through continuous improvements.

Catering to the top-tier players across diverse important industries like pharmaceuticals, ink industry, flexible packaging, adhesives, surface coatings, flavours, paints & lamination and essences etc.

Captive co-generation unit with capacity of 17 MW to meet power and steam requirements

To be amongst the most admired companies in APIs, Intermediates and Specialty Chemicals globally.

Mission

To provide top quality products in APIs, Intermediates and Specialty Chemicals through continuous innovation and cutting-edge technology with due regards to safety and environment.

Team size of 2,300+ employees

Largest producer of
Ibuprofen and the only
company worldwide being
backward integrated with

~35% Global share

Largest producer of Ethyl
Acetate at Single Location
in India

2nd Largest producer of Iso Butyl Benzene (IBB) with ~30% Global share

Over 20 products are commercialised with 12 products in pipeline

Debt free company,
No debt raised since 2017

Spread over a sprawling campus of over 111 acres

Zero Discharge Effluent
Treatment Plant

Customer base across 80 countries

Credit Rating: A+, outlook; stable (Care Ratings
Limited)

Allopurinol				
Minoxidil				
Mesalazine				
Ketoconazole				
Sacubitril				
Edoxaban				
Losartan Potassium				

IOLCP first commenced manufacturing Ethyl Acetate in 1996, with a starting capacity of 3000 tonnes per annum. Today, the Company has grown this business to become the largest single location plant in India, with a production capacity of 100,000 tonnes per annum.

India's second largest manufacturer for Iso Butyl Benzene (IBB) with ~30% global share

IBB, MCA and Acetyl
Chloride are key
starting materials for
Ibuprofen

Captive consumption of Mono Chloro Acetic Acid with 7,200 TPA capacity

Asia's first continuous
dual technology (green
chemistry) plant for
MCA and Acetyl
Chloride

Product application across diversified industries

Food Processing

Flexible Packaging

Pharma

Chemical Intermediate

Textiles

Ink

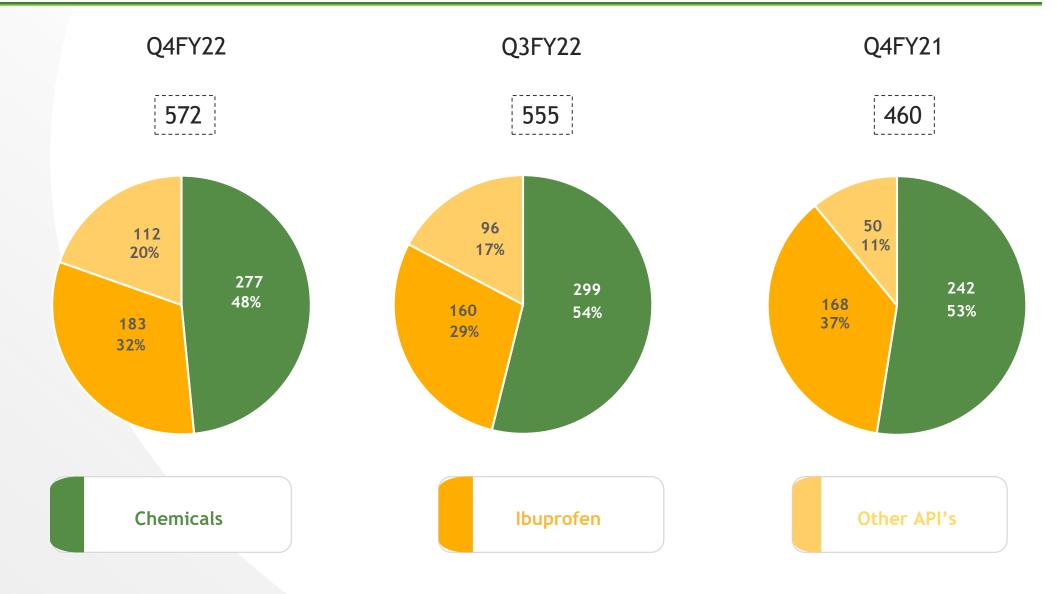

Paints

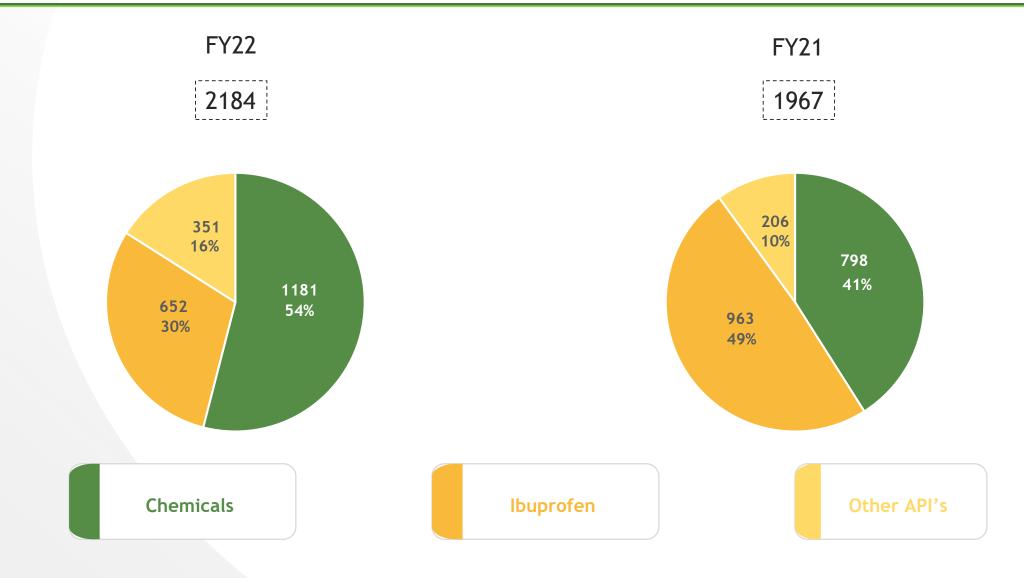

Pesticides

Manufacturing Facility spread across over 111 acres with GMP approved guidelines

API manufactured in batch manner and intermediates & Specialty chemicals in continuous product delivery manner based on DCS technology

Dedicated blocks involved in manufacturing of APIs

Facility is coupled with ISO class-8 HVAC system, PSA Nitrogen & Purified water along with 127 MTPH steam generation capacity with multiple boilers

Manufacturing facilities involves - Reactions, Filteration, Centrifugation, Drying, Blending & Sieving, Micronization operation

Four stage treatment zero discharge ETP, solvent recovery plants & EHS cell as a part of the facility

Dedicated decentralized utilities from -20 to 275 deg.C temp and dedicated cogeneration plant of 17MW

Research & Development

24*7 R&D Facility

Working on generic molecules with latest equipment & techniques for process development

DSIR approved facility for research & development

In-house development of multi step products

Our Core Sustainability Pillars

- Strive to minimize the adverse impact on environment, health and Safety by upgrading technology, optimum utilization of resources and minimizing effluent / waste generation.
- Complying with the applicable statutory and legal requirements and providing safe working environment / work place by imparting training to all employees.
- Spread awareness about the EMS and Process Safety and necessary PPE.

Environment
