NOTES:

GENERAL INSTRUCTIONS FOR ACCESSING AND PARTICIPATING IN THE 89th AGM THROUGH VC/OAVM FACILITY AND VOTING THROUGH ELECTRONIC MEANS INCLUDING REMOTE E-VOTING:

In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs (“MCA”) has vide its circular nos. 14/2020, 17/2020, 20/2020, 02/2021 02/2022 dated April 8, 2020, April 13, 2020, May 5, 2020, December 14, 2021, January 13, 2021 May 05/2022 and subsequent circulars issued in this regard, the latest being 10/2022 dated December 28, 2022 respectively (“MCA Circulars”), permitted the holding of AGM through Video Conferencing (‘VC’) / Other Audio Visual Means (‘OAVM’) facility without the physical presence of the Members at a common venue. In compliance with the provisions of the Act, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (‘SEBI Listing Regulations’) and MCA Circulars, 89th AGM of the Company is being held through VC/OAVM facility.

The registered office of the Company shall be deemed to be the venue for the AGM.

The relevant details, pursuant to Regulations 26(4) and 36(3) of the SEBI Listing Regulations and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Director seeking re-appointment at this AGM are also annexed to this Notice.

The AGM is being held pursuant to the MCA Circulars through VC/OAVM facility, therefore physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxy/proxies by the Members will not be available for the AGM and hence, the Proxy Form and Attendance Slip and route map of the venue of AGM are not annexed to this Notice.

However, Corporate Members intending to authorize their representatives to attend & vote at the AGM through VC / OAVM facility on its behalf are requested to send duly certified copy of the relevant Board resolution. The said resolution/ authorization shall be sent to the Scrutinizer by email through its registered email address to sunil.jain.sk@gmail.com with a copy marked to cs@sirshadilal.com.

1. Members attending the AGM through VC / OAVM facility

shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.

- During the AGM, Members may access the scanned copy of Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of contracts or arrangements in which Directors are interested under Section 189 of the Act.
 - Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended) and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Ltd (NSDL) for facilitating voting through electronic means, as the authorized e-Voting’s agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by NSDL.
 - The Members can join the AGM in the VC/OAVM mode 30 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairman of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
 - In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020 and circular no. 20/2020 dated May 5, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.sirshadilal.com. This can also be accessed from the website of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of NSDL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
 - The Instructions to Shareholders for Remote e-Voting and e-Voting during AGM and for joining Meeting through VC/OAVM is mentioned at Point No. B hereinafter.
 - The Instructions for Shareholders Attending the AGM Through VC/OAVM & E-Voting during Meeting is mentioned at Point no. C hereinafter.
 - The process for those shareholders whose email addresses are not registered with the depositories and for obtaining login credentials for e-voting for the resolutions proposed in this notice is mentioned at Point no. D hereinafter.
- B. THE INSTRUCTIONS TO SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:**
- The voting period begins on Friday, September 22, 2023 at 09:00

CONTD.....

AM (IST) and ends on Sunday, September 24, 2023 at 05:00 PM (IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Monday, September 18, 2023, may cast their vote electronically. The e-voting module shall be disabled by NSDL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/ retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

DIVIDEND

In view of the Current year loss and carry forward losses, the Company does not have any divisible profits available for payment of dividend to equity shareholders. The Directors have therefore not recommended payment of any dividend for the year ended March 31, 2023. Dividend Distribution Policy of the Company has been hosted on the website of the Company i.e., www.sirshadilal.com.

FINANCE

Due to increase in Sugar cane prices, the Sugar Mills in Uttar Pradesh

suffered heavy Losses. However, The Company is regularly paying its debts as a result of which Company Interest Cost is decreasing, which is viewed favourably by the Bankers. The Banks, however, continue to be cautious in increasing their exposure to the sugar industry, keeping in view the risk of Government intervention in the form of raw material pricing.

INDIAN ACCOUNTING STANDARDS

Pursuant to notification dated February 16,2015 issued by the Ministry of Corporate affairs, the Company has adopted the Indian Accounting Standards ("Ind As") notified under the Companies (Indian Accounting Standards) Rules, 2015 as applicable to it with effect from April 01,2017 with the transition date April 01, 2016. Accordingly, the Financial Statements have been prepared in compliance with Ind AS and the comparative information of the previous years has been provided as per the prescribed requirements.

CREDIT RATING

The rating of the company for the financial year 2022-23 was B+ and the company had assigned the work of credit rating to Informerics Rating & Research Pvt Ltd. and the same is awaited for the Financial Year 2023-24. This reflects improvement in the business risk profile which is expected to remain steady with moderate growth over the medium term. The rating however remains constrained on account of working capital intensive operation with significant accumulated losses and a high degree of regulatory risk in sugar industry.

Material changes and commitments affecting the financial position between end of the financial year and date of the report

There have been no material changes or commitments made which affect the financial position of the Company between end of the financial year and date of the report.

COMPANY OPERATIONS:

The operating performance of the sugar unit for crushing season 2022-23, as compared to the previous crushing season 2021-22, is as under:

	Particulars	2022-23	2021-22
i)	Gross working days	194	190
ii)	Cane crushed (lakh/qtls.)	99.83	107.51
iii)	Average cane crush (qtls./day)	51460	56582
iv)	Manufacturing losses (%)	2.07	3.56

vii)	Downtime (%)	11.24	6.74
viii)	Sugar production (lakh/qtls)	10.13	10.35

The Company cane crush was 99.83 Lakhs qtrs. The Recovery during the period was 10.15% (C Heavy Moasses). The recovery % cane was higher mainly due to higher pol in cane which resulted from improved varietal mix and implementation of other cane development activities.

CANE DEVELOPMENT

a) Due to vigorous efforts made by the management in the area

of sugarcane development, the area under cultivation of high sugar varieties of cane increased to 100% in season 2022-23 & maintains 100% in the season 2023-24. In addition, the management focused on execution of both extensive and intensive cane development activities comprising of appropriate usage of insecticides, pesticides and optimum use of fertilizers. It is expected that we will achieve, the Pol % cane 12.50% in next crushing season 2023-24. It will be 0.29% more as compared to Season 2022-23 (12.21%)

- b) The management is also making efforts to increase the supply of cane at factory gate from 70% in crushing season 2022-23 to about 72% in crushing season 2023-24.
- c) Extraneous materials such as trashes, green tops, diseased cane, mud with cane supplies has been found 2.96% against target of 2.20% for the Crushing season 2022-23. Further the management plans to reduce extraneous matter upto 2.60% in coming crushing season 2023-24.
- d) The Company has undertaken vigorous cane development activities by encouraging high yielding variety cane i.e. Co 15023, Co 118. This has resulted in the improvement in the pol% cane from 12.21% to 12.50%. The recovery in the Sugar has found 10.15% as production of C-heavy molasses during the season 2022-23. It is expected that we will achieve recovery to 10.50% in the next season 2023-24.

DISTILLERY UNIT (SHAMLI DISTILLERY AND CHEMICAL WORKS) :

INDUSTRY PROFILE:

Government policy continues to focus on increasing the percentage of mixing ethanol with petrol. Consequently, the demand for ethanol continues to increase, which has a positive effect on the financial performance of the distilleries like yours, which are focused on production of industrial alcohol

COMPANY OPERATIONS:

I) OPERATING PERFORMANCE:

The operating performance for the financial year 2022-23 as compared to the previous financial year 2021-22 is as under:

	Particulars	2021-22	2022-23
i)	Gross working days (days)	157.00	234.50
ii)	Production – RS (lakh/ltrs)	119.38	205.60

The Percentage increase in median remuneration of Employees in the financial year is NIL

iii) Total No. of permanent employees as on 31.03.2023 was 698.

iv) The Explanation on the relationship between average increase in remuneration and Company Performance—The average increase in remuneration cannot be compared with the revenue/profit of the Company, as the Company has accumulated losses, but it takes into account the inflation rate in the market, and package offered by other Companies of Industry.

v) Comparison of remuneration of Key Managerial Personnel against the performance of the Company:

The average increase in remuneration cannot be compared with the revenue/profit of the Company as the Company is incurring losses in past years, but it takes into account the inflation rate in the market as well as keeping in view remuneration package offered by the other corporate houses of the industry and increase in the responsibility.

vi) Variation in the market capitalisation of the Company, price earnings ratio as at the closing date of the current financial year and previous financial year:

Particulars	2022-23	2021-22	2020-21
Market Capitalisation (Rs. in Lacs)	9922.50	8974.88	1866.37
Price Earnings Ratio	-3.35	-5.43	-1.31

CONTD.....

- vii) Price increase over decrease in the market quotations of the shares of the Company in Comparison to the rate at which the company came out with the last public offer in case of listed companies, and in case of unlisted companies, the variations in the net worth of the company as at the close of the current financial year and previous financial year.

Particulars	31.03.2023	Public Offer (Buy Back) EGM 27th May, 1999 in Rs	% Change
Market Price (BSE) in Rs.	189	40	372.50

- viii) Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration:

NO such differentiation was followed in giving the increment during the last financial year. The average increment in salary was on the basis of individual performance.

- ix) The Key parameters for any variable component of remuneration availed by the directors:

The Members had, at the AGM of the Company held on 30th September, 2002 approved payment of commission to the non- Executive Directors within the ceiling of 1% of the net profits of the Company as computed under the applicable provisions of the Act. In case of profit the said commission is decided each year by the Board of Directors. The Company has accumulated losses; hence no such commission is paid during the year.

- x) The ratio of the remuneration of the highest paid director to that of the employees who are not directors but receive remuneration in excess of the highest paid director during the year:

The highest paid Director is the Joint Managing Director. No employee has received remuneration in excess of the Joint Managing Director.

Affirmation that the remuneration is as per the Remuneration Policy of the Company.

The Company's Remuneration Policy is based on the principle of internal equity, competence and experience of the employee and industry standards. Through its compensation programme, the Company endeavours to attract, retain, develop and motivate a high performance workforce and engaged workforce. The Company follows a compensation of Salary and perquisites on the basis of individual performance through annual appraisal process and business performance. The Company affirms remuneration is as per the Remuneration Policy of the Company.

11. OTHER DISCLOSURES:

A. RELATED PARTY TRANSACTIONS

There are no transactions of the company of material nature with promoters, Directors, management, subsidiaries or relatives etc. which would have potential conflict with the interests of the company at large. Attention of members is drawn to the related party transaction with the related party in the main Directors report and note no. 50 in the financial statement.

B. DISCLOSURE OF ACCOUNTING TREATMENT IN PREPARATION OF FINANCIAL STATEMENTS

In the preparation of the financial statements, the Company has followed with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. Accounting entries passed on the exercise of the judgment by the management are correct and reasonable.

C. RISK MANAGEMENT

To comply with the requirement of Companies Act 2013 and Regulation 21 of SEBI (LODR) Regulations, 2015, the Board of Directors have approved the Risk Management Policy and constituted a risk management Committee to monitor the implementation thereof. Salient features of the Risk Management Policy are as under:

- (i) Risk management is an intrinsic part of the strategic management of the Company.
- (ii) Risk management process comprises of – identification of risks, analyzing the same, deciding on the transfer or retention thereof and initiation of actions to mitigate the risks.
- (iii) Risks faced by the Company are classified into External and Internal risks.
- (iv) The external risks cover the political environment risks, government policies related risks, technological and product obsolescence risks.
- (v) The Internal risks cover the operating risks, financial risks, human risks, system risk, and credit risk.

CONTD.....

RISKS IDENTIFICATION:

The Board of Directors has identified following risks to the Company:

EXTERNAL RISKS OR UNCONTROLLABLE RISKS

- (a) Raw Material Risk
- (b) Sugar Price Risk
- (c) Regulatory Risk
- (d) Cyclical Risk
- (a) RAW MATERIAL RISK

Sugarcane is the principal raw material used for the production of Sugar. Business depends on the availability of Sugarcane and any shortage thereof adversely affects operations. A variety of factors beyond the Company's control may contribute to a shortage of Sugarcane in any given harvest period. Some of the main factors that could contribute to a shortage of Sugarcane are set forth below:

- i) Cane cultivation area and availability of irrigation facility.
- ii) Availability of higher yielding crop.
- iii) Diversion from cane production to other cash crops.
- iv) Diversion of Sugarcane to other industries like khandsari or gur and to neighboring factories etc.
- v) Adverse weather conditions, crop disease.
- vi) Cane procurement price declared by the state government and / or central government.
- vii) Cane price payment delays to the growers.

RISK MITIGATION

The risk can be mitigated by steps such as government encouragement for promotion of various irrigation schemes (lift irrigation, drip irrigation, improved canal system etc.), cane development schemes, improved infrastructure for road and communication, provision of better quality and higher yielding seeds as well as fertilizers and pesticides, prompt clearance of cane dues of farmers and steps to improve their goodwill by adoption of social development measures. As regard cane procurement price by the state Govt. and / or central Govt., this is a systems risk which cannot be alleviated unless the Sugar cane price has linkage with the Sugar price on the basis of established and recognized formula and the Govt. announces subsidy and relief to the Sugar industry to facilitate timely cane price payment to the growers so that there is no fear among the growers either for cultivation /agitation or for-diversion of the cane from area.

(B) SUGAR PRICE RISK

The price of Sugar has a significant impact on Company's profits. Like other agricultural commodities, Sugar is subject to price fluctuations resulting from availability and price of raw material, weather, natural disasters, domestic and foreign trade policies, shift in supply and demand and other factors beyond the Company's control. Additionally, 15% to 30% of the total global Sugar production is traded on commodity exchanges which are speculative in nature and can adversely affect the global Sugar prices and in turn the price of Sugar in domestic market.

RISK MITIGATION

The Company is unable to mitigate this risk because it does not have control on the market forces and the regulatory prices. However,

Sugar price can be improved to some extent by producing bolder grain of Sugar. Further, there appears to be a realization by the government that a reasonable level of Sugar price is necessary for survival of both the farmers and the Sugar industry.

REGULATORY RISKS

I) ENVIRONMENTAL RISK

The Industry & Company is subject to environmental regulations which are becoming more and more stringent and the Company may be exposed to liability as a result of handling of hazardous materials. Recently, the Central Pollution Control Board (CPCB) has directed the State Pollution Control Board to ensure zero liquid discharge in Sugar plants and distilleries. It involves installation of advance process technology with multi pressure distillation and integrated evaporator and incineration system in distillery unit. In the Sugar plants, the CPCB has directed to reduce waste water generation to 40 liters per ton of cane crush and installation of cooling tower. CPCB has also revised waste water generation to 200 liters for Sugar unit per ton. The regulations of pollution control have become extremely stringent along with time bound implementation plan and non-compliance includes non-renewal of the Annual factory license especially in distillery unit. It involves potential cost for installation of pollution control system in distillery and Sugar plants.

RISK MITIGATION

The only way to mitigate this risk is to follow the instructions of pollution control Board. However, the cost of installation of pollution control system is very high. Making huge investment in such systems raises the cost of production resulting in substantially reduced margin on sales. Moreover, borrowings from banks for investing in these equipment's is very difficult due to accumulated losses and negative net worth still being faced by the Company due to financial crisis faced by the Sugar industry in recent years. The Company is however continuing to take all measures to comply with the pollution control guidelines of the CPCB in both Sugar plant and distillery. In distillery unit, the Company, while expanding its capacity from 70 klpd to 100 klpd in the year 2021-22 had installed Incineration Boiler.

GOVERNMENT POLICY RELATED RISKS

The Sugar industry is highly regulated and hence the Company operates in a highly regulated environment. Central and State Government policies and regulations are such as:

- i) State Advised Price (SAP) and Fair Remuneration Price (FRP) for Sugarcane.
- ii) Control on sale of molasses
- iii) High weightage of Sugar in wholesale price index vis-à-vis with other commodities

These affect the agricultural sector and related industries and affect our operations and our profitability. Ethanol business is highly dependent on government policy. Sugarcane price is controlled both by the State and Central Governments.

RISK MITIGATION

This is a systematic risk which cannot be alleviated unless the Sugar cane price has linkage with the Sugar price on the basis of established and recognized formula. The government should revise minimum support price of Sugar as it revises for other crops like wheat paddy etc.

D. CYCLICAL RISK

Being an agro based industry, the production and realization is very much dependent on the monsoon and other environmental factors which are cyclic in nature. At the same time switchover of the farmers from Sugarcane to some other cash crops for better realization badly affect the industry.

RISK MITIGATION

Although the Company has no control over the monsoon and other environmental factors, the results can be better if proper irrigation arrangements are made for the farmers which can be facilitated through state Govt. agencies.

2. CONTROLLABLE RISKS: THESE RISKS INCLUDE:

1. Productivity risks
2. Drawal rate risks
3. Management bandwidth risks

Apart from the external reasons, there are risks associated with operational limitations i.e. old plant & machinery and no cogeneration facility, low recovery in comparison to the central and eastern region Sugar mills and higher conversion cost due to higher wage bill and higher maintenance cost.

RISK MITIGATION

1. Selection of appropriate machinery and maintenance of the same is critical for continuous operations during the crushing season. The Company has consistently operated at an optimum capacity of around 90% to 95% in most of the years.
2. For mitigating the poor drawal risk, Company is focusing on stable crushing rate and improving cane price payments.
However, it is getting constrained in its all out efforts due to accumulated losses and negative net worth.
3. With its respected track record in the industry and professional work practices, the Company is able to hire and retain appropriate talent.
4. The key recommendations of the Rangrajan Committee on Sugar decontrol have garnered positive responses and are in line with industry expectations. The government has already implanted a number of steps barring the cane pricing policy. The linkage of the Sugarcane price with Sugar realization will bring in structural changes in the industry.
5. The Company is working as various options for taking up small projects in Sugar unit, for improvement of Sugar quality, saving in steam & bagasse consumption, Sugar cane development and improvement in processes efficiency, which can be taken up in phases over a period for 2 to 3 years. The Company had already expanded the capacity of its distillery unit from 70KL per day to 100KL per day.

3. FINANCE RISK:

The industry is highly dependent on timely availability of working capital as well as long term finance at competitive rate of interest for day to day operation, timely cane payment, cane development as well as modernization, technology development, expansion of Sugar and distillery and installation of pollution control systems.

Further there is also physical risk associated with the assets of the Company due to loss by fire, riot, strikes, malicious damages, thunderstorm, flood, theft, burglary, earthquake etc.

RISK MITIGATION

The lenders have generally been reluctant to take additional financial exposure in the Company mainly due to its low rating and due to negative net worth. The Company has been working on improving its operational and financial performance. The rating of the company for the financial year 2022-23 was B+ and the company had assigned the work of credit rating to Informerics Rating & Research Pvt. Ltd. and the same is awaited for the Financial Year 2023-24.

The Company has taken appropriate insurance policies for all its assets and against all standard risks except earthquakes.

4. HUMAN RESOURCES RISK

The Company's plants are located in Semi-rural area. This creates a challenge firstly in recruiting high level professional skills and secondly in retaining them.

RISK MITIGATION

Company has developed appropriate human resources policies to attract skills and to retain them. Continuous learning represents the cornerstone of the Company's human resource policy. The Company has adopted a progressive human resource policy to meet the aspirations of employees. It organizes training programmes and motivates its employees to attain greater efficiency and competence leading to effective retention. Value-centric management helps enhance loyalty. The Company provides various compensation packages and performance-based incentives. The Company is committed to provide equal employment opportunities and working conditions for attracting and retaining best available talent ensuring cosmopolitan workforce and does not make any discrimination on any basis.

5. INTERNAL FINANCIAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company's Internal Control System is aimed at proper utilization and safeguarding of the Company's resources and promoting operational efficiency. The Internal audit function, which is an important tool of Internal control process, is managed Internally by an in house Internal audit department. The Internal audit process reviews the in-system checks, covering significant operational areas regularly. The Company's Audit Committee is responsible for reviewing the audit report submitted by the Internal Auditor department. Suggestions for improvements are considered and the Audit Committee follows up on the implementation of corrective actions. The Audit Committee also invites the statutory and Internal Auditors for regular meetings to ascertain their views on the adequacy of Internal Control Systems. The Audit Committee keeps the Board of Directors informed of its observations from time to time.

THE PRIME RESPONSIBILITIES OF THE INTERNAL AUDIT DEPARTMENT ARE:

1. Coordination with various departments for planning and executing audit work, discussion of draft audit reports with the auditee, obtain their comments on each observation, placing the audit report to the Audit Committee and following up on the implementation of decisions taken by the Committee.
2. Presenting a detailed audit programme for next year to the Audit Committee for approval at the beginning of the year.
3. Conducting regular audits as per the scope and timeline approved by the Audit Committee.

CONTD.....

4. Carrying on special investigations as per the request of management and submission of the report to the management and the Audit Committee.

D) WHISTLE BLOWER POLICY / VIGIL MECHANISM

A Vigilance Committee has been constituted by the Board of Directors as per statutory provisions of section 177(9) & (10) of the Companies Act, 2013 and Regulation 22 of SEBI (LODR) Regulations, 2015, of the Listing Agreement i.e. every listed company or such class or classes of Companies, as may be prescribed, to establish a vigil mechanism and formulate a whistle blower policy for Directors and employees to report genuine concerns in such manner as may be prescribed, to report concerns about unethical behavior, actual or suspected fraud or violation of the company's Code of Conduct or ethics policy which is applicable from 1st October, 2014.

The vigil mechanism under sub-section (9) of Section 177 of the Companies Act, 2013, shall provide adequate safeguards against victimization of persons who use such mechanism and make provision for direct access to the Chairman of the Audit Committee in appropriate or exceptional cases, provided that the details of establishment of such mechanism shall be disclosed by the company on its website and in the Board's report.

E) THERE HAVE BEEN NO INSTANCES OF NON-COMPLIANCE, PENALTIES, STRICTURES IMPOSED ON THE COMPANY BY STOCK EXCHANGE OR SEBI OR ANY STATUTORY AUTHORITY ON ANY MATTER RELATED TO CAPITAL MARKETS DURING THE LAST THREE YEARS.

F. LISTING AGREEMENT/ (LODR) COMPLIANCE:

The Company has fully complied with all the mandatory requirement of SEBI(LODR) Regulations 2015 of the Stock Exchange. The Company has submitted the quarterly compliance status report to the BSE Limited within the prescribed time limit.

F. Adoption of non-mandatory requirements of SEBI (LODR) Regulations, 2015 is being reviewed by the Board from time to time. The Company has adopted non-mandatory requirement of Regulation 15 of SEBI (LODR) Regulations, 2015 viz. (i) Remuneration Committee of the Board which has been constituted to recommend / review the remuneration package for the Executive Directors (ii) Nomination Committee to consider proposals for searching, evaluating and recommending appropriate Independent Directors and Non-Executive Directors to the Board, based on an objective and transparent set of guidelines.

B. SUBSIDIARIES:

The Company does not have any subsidiary.

12. MEANS OF COMMUNICATION:

Newspaper publications: The Company's Quarterly Half yearly/ Annual Financial results are normally published in the "Financial Express in English and "Jansatta" in Hindi, Newspapers. The abstract of Quarterly/Half Yearly/Annual Financial results of the Company are regularly submitted to the BSE Limited, where the shares of the Company are listed.

Website: The Company's financial results are also displayed on the Company's website – www.sirshadilal.com. As per the requirements

of Regulation 29(1)(a) of the SEBI (LODR) Regulation, 2015, all the data related to Quarterly financial results, Shareholding pattern etc. is posted on LISTING BSE and also on the Company's website. The website also provides the basic information about the Company e.g. details of its business, financial information, compliance with Corporate Governance, contact information of the designated officials of the company who are responsible for assisting and handling investor grievances.

The information provided on the website is being updated regularly. In pursuance of circular bearing no.17/2012 dated 21.04.2012 and 18/2012 dated 29.04.2012 issued by the Ministry, various notices/ documents (including notice calling Annual General Meeting, audited financial statements, Directors' report, Auditors' report, etc.) are being sent to the shareholders through electronic mode to the registered e-mail addresses of the shareholders.

MANAGEMENT DISCUSSION&ANALYSISANOVERVIEW

Company's operations are broadly divided into two business segments i.e. "Sugar" and "Alcohol." The by-product molasses is used in the distilleries for manufacture of alcohol & ethanol. The segment-wise performance has already been reported vide note no. 51 of notes attached to the Annual accounts under report.

Segment-wise detailed management discussion and analysis is stated below:

SEGMENT SUGAR (UNIT – UPPER DOAB SUGAR MILLS)

In the crushing season 2022-23, Sugar unit started crushing on 01.11.2022 and closed on 13.05.2023. The factory crushed 99.83 lac/ quintals of cane at an average recovery of 10.15% producing 10.13 lac / quintals of Sugar in 194 days of working.

The last crushing season 2021-22, Sugar unit started crushing on 08.11.2021 and closed on 16.05.2022. The factory crushed 107.51 lac/ quintals of cane at an average recovery of 9.63% producing 10.35 lac / quintals of Sugar in 190 days of working.

The average cost of cane for the financial year 2022-23 was Rs. 359.96 per quintal as against Rs. 354.17 per quintal for the financial year 2021-22. The average Sugar realization during the financial year 2022-23 was Rs. 3428.10 per quintal as against Rs. 3319.86 per quintal during the financial year 2021-22

SEGMENT ALCOHOL (UNIT SHAMLI DISTILLERY & CHEMICAL WORKS)

During the financial year 2022-23, the distillery produced 205.60lac/ BL of Rectified Spirit (RS) (last year 119.38 lac / BL).During the year 2022-23, fermentation efficiency was 88.85% (last year 89.05), distillation efficiency was 98.03 % (last year 98.57 %). During the year 2022-23, the recovery from C Heavy Molasses was 23.07 AL/ quintal and from B Heavy Molasses 25.10 AL/ quintal (last year 24.11 AL/ quintal).

During the year 2022-23 Distillery unit incurred loss of Rs. 294.47 lacs. (last year profit Rs. 498.46 lacs).

SUGAR PRODUCTION AND CONSUMPTION:

OPPORTUNITIES AND THREATS SUGAR PRICE:

Global sugar industry overview

The global sugar market size reached 177.3 million tonnes in 2022 and is anticipated to reach 196 million tonnes by 2028, exhibiting a

growth rate (CAGR) of 1.64% during 2023-2028. Global production of sugar reached 177.3 million tonnes against 173.5 million tonnes in the previous season. Exports are projected higher as the drop in India is more than offset by higher exports from Brazil and Thailand. During the year under review, the global sugar consumption was estimated at 175.7 million tonnes, as compared to 173.8 million tonnes in 2021-22 on account of growth in markets like China, Indonesia and Russia. Stocks are estimated lower as growth in global consumption exceeds the rise in production. Higher exports from Brazil and Thailand are expected to offset the decline in India. Stocks are expected to remain at a low level as growth in global consumption surpasses production growth. This would lead to a global surplus of 1.6 million tonnes as compared to deficit of 0.3 million tonnes last year

CANE PRICE:

The cane price during the crushing season 2022-23 was Rs 350 per quintal.

OUTLOOK AND CHALLENGES BEFORE THE SUGAR INDUSTRY:

India began the sugar season 2022-23 (October to September) with an opening inventory of around 7.0 MMT (Metric Million Tonnes), restated from 5.5 MMT by Government of India. Sugar production for the current season is estimated at 32.8 MMT, around 3.0 MMT lower than the previous season's production of 35.8 MMT. Current year's production estimate is net of sugar sacrifice of around 4.0 MMT towards Ethanol (last year 3.4 MMT).

Maharashtra, Uttar Pradesh (UP) and Karnataka as usual remains the three largest sugar producing states and are expected to produce ~10.5 MMT, 10.5 MMT and 5.8 MMT of sugar in the ongoing season in comparison to the previous season's production of 13.7 MMT, 10.2 MMT and 6.2 MMT respectively.

The reason for lower production in Maharashtra is owing to higher ratoon crop and uneven distribution of rainfall resulting in lower production. Uttar Pradesh is expected to produce marginally higher sugar than last year on account of higher acreage and better yield.

In Karnataka likewise Maharashtra, lower yield led to lower production. Sugar exports in the current season is expected to be around 6.1 MMT as compared to 11.1 MMT in previous season.

The domestic demand for sugar is expected to be around 28.0 MMT as compared to 27.4 MMT in the previous season. The demand of 28.0 MMT will be a new record for the Indian sugar industry. As a result, the carry forward stock of sugar in the country as on 30th September 2023, is expected to be around 5.7 MMT or around two and half months of consumption.

Domestic sugar prices for UP based millers ranged between R33.00 and R36.00 per kg through the course of the year.

There is worry on monsoon as El Nino fear is looming large across the Indian sub-continent and according to India Meteorological Department (IMD), major region that may get impacted are Maharashtra and partly Karnataka.

However, there is enough availability for domestic consumption post sacrifice for Ethanol which would still warrant the country to export the surplus of sugar in order to maintain the inventory at similar levels.

The Government continued with most of the policies in the current sugar season related to sugar and ethanol that had been announced in the previous years with the objective to support sugar realisations and to ensure that farmers are paid on time.

The following policies were sustained:

SUGAR

- Fair & Remunerative Price (FRP) of sugarcane for the sugar season 2022-23 was revised to R305 per quintal from R290 per quintal in the previous season (linked to a basic recovery of 10.25%).
- State Advised Price (SAP) of sugarcane for the state of Uttar Pradesh for the sugar season 2022-23 was kept same at R350 per quintal (for early maturing variety of sugarcane).
- Central Government announced export quota of 61 Lakh tonnes for the sugar season 2022-23 based on expected production (net of sugar sacrifice for Ethanol) after considering minimum closing inventory of 2.5 months of consumption.
- Duty structure on export and import of sugar remained same as per last year.
- Along with MSP, stock holding limits on mills in the form of maximum monthly sale quotas continued. The policy interventions by the Government have been supportive keeping in mind the health of the sugar sector. Still some measures are of importance to enable the industry to become self-sufficient.
- Increase the Minimum Selling Price (MSP) of sugar (which is a part of policy) to H38 per kg to cover all India average production cost of sugar.

ETHANOL

Ethanol prices are announced annually by the Central Government based on a formula, which factors in the price of sugar and FRP of sugarcane to calculate ethanol procurement prices. Ethanol prices are delinked from crude or petrol prices. Ethanol prices for the supply period from December 2022 to October 2023 were increased to R65.61, R60.73 and R49.41 per BL for ethanol produced from direct cane juice/sugar syrup, B-heavy molasses and C-heavy molasses routes respectively compared to R63.45, R59.08, R46.66 per BL in the previous period (December 2021 to November 2022).

- The pricing methodology for ethanol remained unchanged.
- A lower GST of 5% on ethanol.
- The Oil marketing companies announced differential prices for ethanol produced from damaged/surplus food grains. For the supply period from December 2022 to October 2023 price for ethanol from damaged food grains was raised to R55.54 per BL from R52.92 per BL and price of ethanol from FCI surplus rice was increased to R58.50 per BL from R56.87 per BL in the previous period (December 2021 to November 2022).
- Soft loans are encouraged through banks for Commissioning new distillery capacities or augmentation of existing capacities, which could facilitate higher ethanol production and reduce the sugar surplus through the diversion of B-heavy molasses and direct cane juice/sugar syrup to ethanol as well as for production of Ethanol from damaged/surplus foodgrains.
- In order to increase ethanol blending percentage, more and

CONTD.....

more Ethanol is required to be produced by Sacrificing sugar. To achieve higher sacrifice of sugar, syrup/juice-based Ethanol capacities needs to be Created which requires higher capital investment. For that Ethanol prices to be set right to have desired

level of returns on investment.

INDEPENDENT AUDITORS' REPORT

TO
THE MEMBERS OF
SIR SHADI LAL ENTERPRISES LIMITED

Report on the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Sir Shadi Lal Enterprises Limited (“the Company”) which comprises the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (here in after referred to as “the standalone financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and the loss, and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and informing our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our audit report.

Sr.No	Key Audit Matters	Auditor’s Response
	<p>The net worth of the company has since been eroded on account of operational losses, incurred by the company up to the F.Y. 2014-15, which was basically on account of low recovery of sugar from sugarcane. Whereas on account of improvement in the sugar manufacturing unit, during the season 2015-16, the recovery has substantially improved with the result that the company has earned profit during the year 2016-17. The company has also reported profit during the year ending on 31.03.2020 Rs.384.91 Lakhs as compared to loss Rs. 1410.62 Lakhs during the year ending on 31.03.2021. The company is continuously striving for improvement in the operational efficiencies in other parameters. The company continue to operate at optimum levels and expects improvement in the operational efficiency in form of improvement in sugar recovery, increase of production of alcohol through using B heavy molasses, reduction of over heads, finance and other cost. The Government has taken different measures to improve the financial health of Sugar industry to fix obligation for export of sugar (MIEQ-minimum indicative export quota) to reduce sugar availability, fixation of minimum support price(MSP) for sugar. Also, the Government has put a great thrust on promoting ethanol production and has planned to increase the ethanol blending in petrol upto 20 % by 2025. Ethanol will turn around the economic dynamics of the sugar industry positively. All these measures are expected to turnaround the operations of sugar industry on sustainable basis. As such the company will remain as a going concern and is likely to pay it’s liabilities including cane dues from expected generation of cash flow. However the accumulated losses of the company as at 31.03.2023 were Rs.16084.21 Lakhs (excluding revaluation reserve) as against the paid up capital of Rs. 525.00 Lakhs.</p>	<p>Material Uncertainty relating to Going Concern:</p> <p>Attention is invited to note no-55 of the financial statement wherein it is explained that the company has significant losses which has resulted in erosion of net worth of the company as on 31.03.2023.</p> <p>The reason for improvement explained by the company in the said note -55 that it will continue as a going concern and it will likely to pay its liabilities from expected generation of cash flow, are in our opinion uncertain.</p>

CONTD.....

Emphasis of Matter

1. The Company has not maintained accounts on “Accrual Basis” to the extent:
 - i) of Rs.16033.08 Lacs in respect of interest on late payment of cane price, which have not been provided as Stated by the Company in Note No. 35 of the aforesaid Standalone Financial Statements.
 - ii) As stated in Note No. 36 of the aforesaid Standalone Financial Statements in respect of liability, not determined by the Company, towards bonus relating to financial year 2014-15 in accordance with revised Bonus Notification dated 1st January, 2016.
2. As Stated in Note No. 37 to the Standalone Financial Statements, the management has decided not to make any further provision this year for Deferred Tax Assets. The management in view of current year loss and accumulated losses and in absence of virtual certainty about future profitability, has decided not to account for the effect of Deferred Taxation for this year, and continuing to carry forward the Deferred Tax Assets Rs.6881.11 lakhs already accounted for in earlier years.

Other Matter

- (i) The Audited Financial Statements for the year ended March 31, 2022 have not been audited by us but audited by the previous auditors who expressed unmodified opinion vide their Auditor’s Report dated 30.05.2022.

Our opinion on the Statement is not modified in respect of this matter.

Other Information

The Company’s Board of Directors is responsible for the other information. This Comprises the information included in the Director’s report, but does not include the financial statements and our auditor’s report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated if based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the standalone financial statements

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, specified under section 133 of the Act read with the Companies(Indian Accounting

Standards)Rules,2015,as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of accounting policies; adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company’s financial reporting process.

Auditor’s Responsibilities for the Audit of standalone financial statement

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt

on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section(11) of section 143 of the companies Act, we give in the "Annexure A" a Statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- i. In respect of the Company’s Property, Plant and Equipment:
 - a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment on the basis of available information.
 - b) The Company’s programme of physical verification of all its property, plant and equipment once in three years, is in our opinion, reasonable having regard to the size of the Company and the nature of its property, plant and equipment. Pursuant to such a programme, a physical verification of property, plant and equipment has been carried out during the year and discrepancies noticed between the book record and physical inventory have been properly accounted for in the books of account.
 - c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are stated to be held in the name of the company, except in the following cases. The original Title Deeds were not produced to us for our verification and we were told that the same are deposited as security with the Bank.

Title Deeds of Immovable property not held in name of the Company.

Relevant line item in the Balance Sheet	Area (in Sqm)	Reason for not being held in the name of the company
Land	2050 & 6150	Lease agreement with Shivalya Thakur -dwara jasanwala on 10.04.1943 for 58 years. Matter is pending in the court.
Land	820	Lease agreement with puran chand & others with company on 25.08.1944 till 30.06.2002.
Land	20707.25	Lease Agreement with SS Light Railway Co. Court order in the company's favour.

Remark:- The value of above land has been taken nil in the books of company.

- d) The company has revalued its Freehold land during the earlier year by a registered valuer. As explained to us that the company has a programme of revaluation of land once in three years.
- e) As explained to us that the company does not have any

- Benami Property, therefore no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made there under;
- ii) a) During the year, the inventories have been physically verified by the internal auditor on a random basis except material sent for job work and lying with third parties. No discrepancies of 10% or more in the aggregate for each class of inventory were noticed. In our opinion, the frequency of verification is reasonable. The discrepancies noticed on physical verification between the physical stocks and the book records were not material, however, the discrepancies noticed have been properly accounted for in the books of account.
- b) Reconciliation of stock statements with stock details submitted to banks were produced to us by the management and were relied upon by us. No material discrepancies were noticed. Refer note no. 44 of the Standalone Annual Financial statements of the company.
- iii) The Company has not made investment in, provided any guarantee or security or granted any loans and advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnership or any other parties. Accordingly, the provisions of clause 3 (iii) (a) to (c) of the Order are not applicable to the Company and hence not commented upon.
- iv) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 with respect to loans, investments, guarantees, and securities.
- v) According to the information and explanations given to us, the Company has not accepted any deposit or seemed to be deposit from the public during the year, therefore, the provisions of clause (v) of paragraph 3 of the Order, is not applicable to the Company.
- vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules 2014 prescribed by the Central Government under Section 148 (1) (d) of the Companies Act, 2013 and are of the opinion that, prima facie, the prescribed accounts and cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii) a) According to the information & explanations given to us and on the basis of our examination of the records of the Company, there is no undisputed amounts payable in respect of provident fund, employees’ State insurance, income-tax, value added tax, wealth-tax, Goods and service-tax, customs duty, excise duty, cess and other material statutory dues were outstanding, at the year end, for a period of more than six months from the date of becoming payable.
- b) According to the records of the Company and the information and explanations given to us, there are no

- amounts in respect of income-tax, value added tax, sales tax, wealth-tax, Goods and service-tax, customs duty, excise duty and cess, which have not been deposited with the appropriate authorities on account of any dispute, other than mentioned in 'Annexure-1' to this report.
- c) Except Goods & Service Tax, the Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employee's State Insurance, Income Tax, Excise Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.
- viii) There were no transactions relating to previously unrecorded income that have been surrendered are disclosed as income during the year in the tax assessments under the Income Tax Act 1961 (143 of 1961).
- ix) a) Based on our audit procedure and according to the information and explanation given to us, we are of the opinion that the company has not defaulted in repayment of dues to banks/lenders during the year.
- b) The company has not been declared willful defaulter by any bank or financial institution or Government or any government authority.
- c) The company has taken term loan during the year and utilized the same for the purpose for which it has been taken.
- d) On and overall examination of the financial statement of the company funds raised on short term basis have prime facie, not been used during the year for long term purposes by the company.
- e) The company does not have any subsidiaries/Joint ventures. Hence reporting under clause-3 (ix) (e) of the order is not applicable.
- f) The company does not have any subsidiaries/Joint ventures or associate companies, hence reporting under clause-3(ix) (f) of the order is not applicable.
- x a) The Company has not raised money by way of initial public offer or further public offer (including debt instrument) during the year, and hence reporting under clause-3(x)(a) of the order is not applicable.
- b) During the year the company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) and hence reporting under clause-3(x)(b) of the order is not applicable.
- xi a) According to the information and explanation given to us no fraud by the company and no material fraud on the company has been noticed or reported during the year.

ANNEXURE 'B' TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SIR SHADI LAL ENTERPRISES LIMITED** ("the Company") as of March 31, 2023 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended March 31, 2023

Note No.1: Corporate Information

Sir Shadi Lal Enterprises Limited (“the Company”) is a company limited by shares, incorporated and domiciled in India. The Company’s equity shares are listed at one recognised stock exchanges in India (BSE). The registered office of the company is situated at Upper Doab Sugar Mills, Shamli, Muzaffarnagar, U.P. 247776. The Company is engaged in diversified businesses mainly categorised into two segments – Sugar business and Distillery business. Sugar businesses primarily comprise manufacture of sugar. Distillery business primarily comprises manufacture of Spirit, Alcohol and Ethanol.

Note No.2: Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of preparation and presentation

(a) Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] (as amended from time to time) and other relevant provisions of the Act.

(b) Historical cost convention

The financial statements have been prepared on a historical cost basis except for certain assets and liabilities that are measured at fair values or revalued amount at the end of each reporting period, as explained in the respective accounting policies described in subsequent paragraphs.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except such as net realisable value in Ind AS 2 Inventories or value in use in Ind AS 36 Impairment of Assets. Land is carried in the balance sheet on the basis of revaluation model. Land is measured at fair value. The financial statements are prepared in INR and all values are rounded off to the nearest Lakhs except when stated otherwise.

(c) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. Refer note-51 for segment information presented.

(d) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, rebates, other similar allowances and goods and services tax. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company’s activities as described below.

(i) Recognising revenue from major business activities

a) Sale of goods

Revenue from the sale of goods is recognised when the goods are delivered and titles have passed, at which time all the following conditions are satisfied:

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the Company; and
- the costs incurred or to be incurred in respect of the transaction can be measured reliably.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended March 31, 2023

2.2 Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

2.3 Impairment of non-financial assets

Non-financial assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

2.4 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

All other borrowing costs are expensed in the period in which they are incurred. Borrowing costs consist of interest and other cost that an entity incurs in connection with borrowing of funds.

2.5 Income tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

a) Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

b) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences, the carry forward of unused tax credits and unused tax losses to the extent that it is probable that taxable profits will be available against which those deductible temporary differences, the carry forward of unused tax credits and unused tax losses can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

c) Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

2.6 Property, plant and equipment

Property, plant and equipment are tangible items that are held for use in the production or supply for goods and services, or for administrative purposes and are expected to be used during more than one period. The cost of an item of property, plant and equipment

NOTES TO THE FINANCIAL STATEMENTS

For the year ended March 31, 2023

shall be recognised as an asset if and only if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Freehold land is carried at revalued amount. A revaluation surplus is recorded in OCI and credited to the assets revaluation surplus in other equity. Upon disposal any revaluation reserve relating to the particular land being sold is transferred directly to retained earning. Revaluation of freehold land will be conducted once in three years. All other items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes expenditure and borrowing cost that is directly attributable to the acquisition of the items including borrowing costs. Subsequent costs are included in the asset’s carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The revaluation will be conducted every three year by the company.

Expenditure during construction period incurred on the projects under implementation are treated as pre- operative expenses pending allocation to the assets, and are included under “Capital Work-in-Progress”. These expenses are apportioned to fixed assets on commencement of commercial production. Capital Work-in-Progress is stated at the amount incurred up to the date of Balance Sheet.

“Each part of item of property, plant and equipment, if significant in relation to the total cost of the item, is depreciated separately. Further, parts of plant and equipment that are technically advised to be replaced at prescribed intervals/period of operation, insurance spares and cost of inspection/overhauling are depreciated separately based on their specific useful life provided these are of significant amounts commensurate with the size of the Company and scale of its operations. The carrying amount of any equipment / inspection / overhauling accounted for as separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.”

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2016 (transition date) measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation methods, estimated useful lives and residual value

Depreciation commences when the assets are available for their intended use. Depreciation on Fixed Assets is provided on the written down value method in accordance with Schedule II of the Companies Act, 2013 and adopted useful life as stated in Schedule II along with residual value of 5% of the cost of assets except, fixed assets individually costing upto Rs. 5000 is being fully depreciated in the year of purchase.

Intangible Assets are recognized as specified in the applicable Accounting Standard and are amortized in 36 Months.

The estimated useful life, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

2.7 Intangible assets

Intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses.

Amortisation is recognised on a straight-line basis over their estimated useful life. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Estimated useful lives of the intangible assets are as follows:

Assets	Estimated useful life
Computer software	36 months

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, is recognised in profit or loss when the asset is derecognised.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of intangible assets recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

2.8 Inventory Valuation

- a) Raw materials and stores & spares are valued at average cost.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended March 31, 2023

- b) Work-in-Progress is valued at estimated cost.
- c) Finished stocks are valued at "Lower of Cost and net Realisable Value" as prescribed by Indian Accounting Standard-2 issued by the Institute of Chartered Accountants of India except that the by product of Molasses and Bagasse has been valued at net realisable value because their cost price is not ascertainable.

2.9 Provisions, contingent liabilities and contingent assets

- a) Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When the effect of the time value of money is material, provision is measured at the present value of cash flows estimated to settle the present obligation. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.
- b) A contingent liability is not recognised in the financial statements, however, is disclosed, unless the possibility of an outflow of resources embodying economic benefits is remote. It becomes probable that an outflow of future economic benefits will be required for an item dealt with as a contingent liability, a provision is recognised in the standalone financial statements of the period (except in the extremely rare circumstances where no reliable estimate can be made).
- c) A contingent liability is not recognised in the financial statements, however, is disclosed, where an inflow of economic benefits is probable. When the realisation of income is virtually certain, then the asset is no longer a contingent asset, and is recognised as an asset.
- d) Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

2.10 Employee Benefits

a) Short term employee benefits:

All employee benefits falling due wholly within twelve months of rendering the services are classified as short term employee benefits, which include benefits like salaries, wages, short term compensated absences and performance incentives and are recognized as expenditure at the undiscounted value in the period in which the employee renders the related service.

b) Post-employment benefits :

Contributions to defined contribution schemes such as Provident Fund, Pension Fund etc. are recognized as expenses in the period in which the employee renders the related service in respect of certain employees, Provident Fund contributions are made to a Trust administered by the Company. The interest rate payable to the members of the Trust shall not be lower than the statutory rate of interest declared by the Central Government under the Employees Provident Funds and Miscellaneous Provisions Act, 1952 and shortfall, if any, shall be made good by the Company.

- c) In Govt. administered fund, company has no further obligations beyond its monthly contributions.
- d) The Company is also contributing to superannuation fund for certain key managerial personnel, at pre determined rates to the Superannuation Fund Trust, which is recognised as expenses in the period in which employee renders the related service, and there are no other obligations with regard to superannuation fund of key managerial personnel.
- e) Defined benefit plans - gratuity: Gratuity liability is covered under the gratuity-cum-insurance policy of Life Insurance Corporation of India (LIC). The present value of the obligation is determined based on an actuarial valuation, using the projected unit credit method. Actuarial gains and losses in respect of post-employment and other long-term benefits are charged to the Other Comprehensive Income. The amount funded by the trust administered by the Company under the aforesaid Policy, is reduced from the gross obligation under the defined benefit plan, to recognise the obligation on a net basis.

2.11 Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability to the gross carrying amount of a financial liability.

2.12 Current and non-current classification:

The Company presents assets and liabilities in the balance sheet based on current/non-current classification

CONTD.....

NOTES TO THE FINANCIAL STATEMENTS

For the year ended March 31, 2023

- a) An asset is treated as current when it is:
 - a) Expected to be realised or intended to be sold or consumed in normal operating cycle,
 - b) Held primarily for the purpose of trading,
 - c) Expected to be realised within twelve months after the reporting period,
 - d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period, or
 - e) Carrying current portion of non-current financial assets.
- b) Liability is current when:
 - a) It is expected to be settled in normal operating cycle,
 - b) It is held primarily for the purpose of trading,
 - c) It is due to be settled within twelve months after the reporting period,
 - d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period, or
 - e) It includes current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

2.13 Operating cycle :

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, 12 months has been considered by the Company for the purpose of current, non-current classification of assets and liabilities.

2.14 Government grants :

Subsidy related to Sugar Cane purchased are recognised, where there is a reasonable assurance that grant will be received & all attached condition will be complied. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset. The benefit of a loan at a below market rate of interest or loan with interest subvention is treated as a government grant, measured as a difference between proceeds received and the fair value of the loan based on prevailing market interest rates.

2.15 Compensation :

Compensation to employees under Voluntary Retirement Scheme is charged to statement of profit and loss account in the year of accrual.

2.16 Impairment of Assets :

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

2.17 Investment :

Unquoted Investments are Stated at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

2.18 Earning per share :

Basic EPS is calculated by dividing the net profit or loss for the year attributable to equity share holders by the weighted average number of equity share outstanding during the year.

2.19 Cash and Cash Equivalent

Cash and cash equivalents includes cash in hand and deposits maturing within twelve months from the date of acquisition and which one subject to an insignificant risk of change in value.

This is a defined benefit plan and statutory liability of the Company. The Company has to pay the Gratuity to the employees as per the provisions of The Payment of Gratuity Act, 1972 irrespective of the availability of the funds with the Gratuity Fund.

The Gratuity Liability is computed on actuarial valuation basis done at year end using the Project Unit Credit Method is provided for in the books of account and is based on a detailed working done by a certified Actuary. Past service cost is recognised immediately to the extent that the benefits are already vested.

The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.

Company manages Gratuity obligation through Trust. Company arranges the fund based on the actuarial valuation and requirement of the Trust.

The expected contributions for Defined Benefit Plan for the next financial year will be in line with FY 2022-23

These gratuity plan typically expose the Company to actuarial risks such as: investment risk, interest risk, longevity risk and salary risk.

The Company remains committed to fund all gratuity payments falling due and shall strive to gradually reduce the deficit in funding of its obligation in the coming years.

The Company expects to contribute Rs.223.45 Lakhs to the defined benefit plan relating to gratuity during the next financial year.

The weighted average duration of the defined gratuity obligation as at 31 March 2023 is 10 years (31 March 2022, 7.18 years)

NOTES TO THE FINANCIAL STATEMENTS

For the year ended March 31, 2023

The expected maturity analysis of un-discounted defined benefit obligation as at 31 March 2023 is as follows :

	(Rs. in Lakhs)				
	Less than a year	Between 1-4 years	Between 4-9 years	Over 9 years	Total
Defined benefit obligation (Gratuity)	223.45	771.04	630.19	626.22	2250.90

Interest risk

A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan debt investments.

Longevity risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

c) Estimated amount of contracts remaining to be executed on capital account and not provided for Rs.5.00 Lakhs against which advance has been paid Rs.5.00 Lakhs.(Previous year Rs. 58.01 Lakhs).		

NOTE :- The above amount in-respect of contingent liabilities represents best estimates arrived at on the basis of available information as the actual liability can not be predicted accurately and Company has relied upon expert legal advise against the such disputed liabilities .

- 35 The interest aggregating to Rs.607.19 Lakhs on delayed payment of sugar cane price for sugar seasons 2011-12 to 2014-15 is due for payment in view of the Supreme Court's order no.35113/2017 dated 23.04.2018.The company is contemplating to file a review petition against above mentioned order of Supreme Court. Therefore, no provision has been made for the above mentioned liability of Rs. 607.19 Lakhs and also for Rs. 15425.89 Lakhs relating to the subsequent financial years 2015-16 to 22-23; to that extent the accounts are not maintained on accrual basis.
- 36 The Central Govt. Ministry of Law & Justice, have issued Notification No.6/2016 dated 1.1.2016 regarding payment of bonus (Amendment Act 2015) in terms of which the ceiling for payment of bonus has been revised w.e.f. 1st April, 2014. Certain High Courts have stayed the implementation of revision of Bonus from retrospective effect. ISMA has also filed writ against implementation of the order with regard to its retrospective effect from 1st April, 2014 and the matter is subjudice. Therefore the Company has not made provision for this liability for the year ending on 31.03.2015.
- 37 In view of accumulated losses, and uncertainty of future profitability the Board have decided not to make any further provision for Deferred Tax Assets, though not in line with India Accounting Standard-12.
- 38 In absence of balance confirmations from certain creditors, included in Trade payable and other payable, other current liabilities, other non-current & current financial assets, Trade Receivables, the Auditors have relied upon the figures appearing in the books of the Company.
- 39 Interest subvention @ 50 % of rate charged by lenders (subject to maximum of 6 %) by Government of India on loans of Rs. 1640.50 Lakhs availed from banks for distilleries under the "Scheme for extending financial assistance to sugar mills for enhancement and augmentation of ethanol production capacity". Finance cost shown in note no. 31 is net of interest subvention.
- 40 Employees benefit expenses for the year March 31, 2023 includes Rs.714.50 Lakhs being arrears of wages upto 31.12.2022 payable towards revision of wages of employees covered under wage board with retrospective effect from October 01,2018, pursuant to notification no. 2156780/2022/Shrum-2 dated August 03,2022 for sugar and with retrospective effect from 1, September 2016 pursuant to notification 472/36-2-2022-105/2009 dated 15.06.2022 for distillery. NOTES TO THE FINANCIAL STATEMENTS

For the year ended March 31, 2023

Note No. 52. Financial Risk Management

The Company's activities expose it to credit risk, liquidity risk and market risk. This note explains the sources of risks which the entity is exposed to and how it mitigates that risk.

A. Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. Company is exposed to credit risk from trade receivables and deposits with banks. To manage this, Company periodically assesses the financial reliability of customers, taking into account factors such as credit track record in the market and past dealings with the Company for extension of credit to customers. Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. Concentrations of credit risk are limited as a result of the Company's large and diverse customer base. Company has also taken advances and security deposits from its customers/agents, which mitigate the credit risk to an extent. The ageing of trade receivable is given below:

	Up to 12 months	More than 12 months	Total Amount (Rs.in Lakhs)
As at 31st March , 2023	779.56	34.14	813.70

Company considers factors such as track record, size of the institution, market reputation and service standards to select the banks with which term deposits are maintained. Term deposits are maintained with banks with which Company has also availed borrowings.

B Liquidity risk :

Liquidity risk is the risk that a company may encounter difficulties in meeting its obligations associated with financial liabilities that are settled by delivering cash or other financial assets. The Group monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs. The table below provides undiscounted cash flows towards financial liabilities into relevant maturity based on the remaining period at the balance sheet to the contractual maturity date.

C. Fair value of financial assets and financial liabilities

Financial instruments measured at fair value can be divided into three levels for determining and disclosing the fair value of financial instruments by valuation technique.

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2 – Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices);

Level 3 – Inputs for the asset or liability that are not based on observable market data.

Following methods and assumptions are used to estimate the fair values:-

- Fair value of cash and short-term deposits, trade and other short-term receivables, trade payables, other current liabilities and short-term borrowings carried at amortised cost is not materially different from its carrying cost largely due to short-term maturities of these financial assets and liabilities.
- Financial instruments with fixed and variable interest rate fall within level 2 of the fair value hierarchy and are evaluated by Company based on parameters such as interest rate, credit rating or assessed credit worthiness.
- Non-listed shares and other securities fall within level 3 of the fair value hierarchy. Valuation is based on the net asset method.
- Fair value of the borrowing items fall within level 2 of the fair value hierarchy and is calculated on the basis of discounted future cash flows.
- Ind AS 101 allow Company to fair value Property, Plant and Equipment on transition. Company has valued property, plant and equipment as deemed cost.
 - Set out below is a comparison by class of the carrying amounts and fair value of the Company's financial instruments that are recognised in the financial statements:

NOTE NO.54. MARKET RISK

The Company is exposed to the risk of movements in interest rates, inventory price that affects its assets, liabilities and future transactions.

CONTID.....

NOTES TO THE FINANCIAL STATEMENTS
For the year ended March 31, 2022

i) Interest rate risk

Fluctuation in fair value or future cash flows of a financial instrument because of changes in market interest rates gives rise to interest rate risk. The Company's borrowings are linked to base rates of the banks. With all other variables held constant, the following table demonstrates the impact of change in interest rate on borrowing cost on floating rate portion of loans.

(Rs.in Lakhs)

Particulars	As at 31st, March 2023	As at 31st, March 2022
Total debt as at the end of the year	9188.18	14519.87
Average annual utilisation of debts at floating rate of interest (%)	97%	97%
Average availment of borrowings at floating rate of interest	8912.53	7708.67
Impact of 1% interest rate variation	89.13	77.09

ii) Inventory price risk

The Company is exposed to the movement in price of principal finished product i.e. sugar. Prices of the sugar cane is fixed by government. Generally, sugar production is carried out during sugar cane harvesting period from November to April. Sugar is sold throughout the year which exposes the sugar inventory to the movement in the price. Company monitors the sugar prices on daily basis and formulates the sales strategy to achieve maximum realisation. The sensitivity analysis of the change in sugar price on the inventory as at year end, other factors remaining constant is given in table below:

(Rs.in Lakhs)

Particulars	As at 31st, March 2023	As at 31st, March 2022
Sugar inventory held (Qtl. In Lakhs)	1.97	3.89
Impact of sugar price variation by Rs. 100/Qtl.	196.71	389.00

iii) Regulatory risk

Sugar industry is regulated both by central government as well as state government. Central and State governments policies and regulations affects the Sugar industry and the Company's operations and profitability. Distillery business is also dependent on the Government policy. However, with the removal of major regulatory control on sugar sales by the Central Government, the regulatory risks are moderated by not eliminated.

iv) Commodity price risk

Sugar prices are market driven and sugar industry being cyclical in nature, realizations get adversely affected during downturn Higher cane price or higher production than the demand ultimately affect profitability. The Company has mitigated this risk by well integrated business model by diversifying into co-generation and distillation, thereby utilizing the by products.

NOTE NO. 55.

"The net worth of the company has since been eroded on account of operational losses, incurred by the company upto the F.Y. 2014-15, which was basically on account of low recovery of sugar from sugarcane. Whereas on account of improvement in the sugar manufacturing unit, during the season 2015-16, the recovery has substantially improved with the result that the company has earned profit during the year 2016-17. The company has also reported profit during the year ending on 31.03.2020 Rs.384.91 Lakhs as compare to loss Rs. 1410.62 Lakhs during the year ending on 31.03.2021. The company is continuously striving for improvement in the operational efficiencies in other parameters. The company continue to operate at optimum levels and expects improvement in the operational efficiency in form of improvement in sugar recovery, increase of production of alcohol through using B heavy molasses, reduction of over heads, finance and other cost. The Government has taken different measures to improve the financial health of Sugar industry to fix obligation for export of sugar (MIEQ-minimum indicative export quota) to reduce sugar availability, fixation of minimum support price(MSP) for sugar. Also, the Government has put a great thrust on promoting ethanol production and has planned to increase the ethanol blending in petrol upto 20 % by 2025. Ethanol will turn around the economic dynamics of the sugar industry positively. All these measures are expected to turnaround the operations of sugar industry on sustainable basis. As such the company will remain as a going concern and is likely to pay it's liabilities including cane dues from expected generation of cash flow. However the accumulated losses of the company as at 31.03.2023 were Rs.16084.21 Lakhs (excluding revaluation reserve) as against the paid up capital of Rs. 525.00 Lakhs.
