Subject: Clarification on an unusual price and trading volume movement

Dear Sir/Ma'am,

The Board of Directors (“**Board**”) of the Company has noted an unusual price movement in the trading price and the huge fluctuations in trading volume of the shares of the Company. The Board would like to clarify that said movement in price and trading volume is not the result of any business operations/functions of Company and that the said movement in price and trading volume is independent of any sort of business operations the Company is engaged in.

It may be noted that the Company is not having any sort of control on the said price and trading movements. The Company has always made an effort to enquire about sudden changes in share prices of the Company and having made such enquiry with respect to the Company as is reasonable in the circumstances, the Board confirms that it is not aware of any reasons for these price and volume movements or of any such information that needs to be disclosed.

Kindly take the above on record.

Thanking You,

Yours Faithfully,
For Jump Networks Limited
