BUSINESS STRATEGY & OUTLOOK

Business Strategy & Outlook

Increasing Sales Of Licensed Brands In Existing Markets

- Grow branded jewellery sales through Disney and Hallmark licensing agreements, leading to increased customer wallet share and market penetration
- Expand new established brands like Disney Treasures and Disney Jewels in the existing markets

Expanding Licensed Brand Sales In New Geographies

- Introduce wide range of Enchanted Disney Fine Jewelry in new markets where there is strong Disney brand recognition
- Launch Hallmark Diamonds in new markets

Continued Focus on New Product Development and Innovation

- Expand gold Jewellery portfolio in Middle East by introducing new technologies including 3D printing
- Introduce new product categories including wedding bands in the US and then replicate across other geographies

Inorganic Growth To Accelerate Growth in New Products & New Markets

- Aggressively pursue suitable acquisitions, new brand licenses for product expansion and geographical expansion opportunities
- Leverage strong balance sheet position for faster growth

India Brand Strategy

- Strategic investment in joint venture(JV) with Bennett, Coleman and Company Limited(BCCL) to promote brand IRASVA owned by the JV
- BCCL has committed Rs 3500 Mn of advertising spends in exchange of 49% equity in the joint venture

Playbook of Strong Strategies

Increase the awareness of our brands

We intend to increasingly invest in and evolve marketing programs through a variety of media designed to build awareness of our brands

Keep renewing and enhancing our product offerings

RGL's product development strategy is to accelerate the introduction of new design collections, and/or expand certain existing collections annually, all of which are intended to appeal to existing and new customers.

Strengthen our competitive position in key markets

While we enjoy a strong reputation and large customer base, it encounters significant competition. By focusing on enhanced product development, the Company's objective is to become a supplier of choice to its key customers.

Cultivate an efficient operating Model

The Company is focused on improving its business operations through new systems, more effective processes and cost restraint, to drive margin growth.

Create an agile organization to Succeed

Ability to quickly respond to changing customer requirements is the key to success. The management strives to motivate and develop employees with core competencies needed to achieve its objectives.

Improve operating margins

RGL's long-term objective is to improve gross margins, realising greater efficiencies in its product supply chain and adjusting selling prices when appropriate. These efforts are intended to generate a higher rate of operating earnings growth relative to sales growth

Improve inventory, other asset productivity and cash flow

RGL's long-term objective is to maintain inventory growth at a rate less than sales growth, with greater focus on efficiencies in product sourcing and manufacturing while optimising store inventory levels within India

Strengthen employee engagement and building capabilities

Our team is key to accomplishing the company's transformation goals. RGL has hired and promoted several executives to fill key leadership roles, and is investing in building e-commerce, analytics and innovation capabilities.

Acquisitions

RGL plans to actively consider further acquisitions of brands or distribution companies in areas where it believes geographic, demographic and market conditions are favourable for its core business and where the target business is complementary to existing business.

Organic & Inorganic Growth

Vogue DMCC

- Renaissance Jewellery DMCC acquired Vogue DMCC in 2016.
- Vogue DMCC specialises in manufacturing and wholesaling of plain gold jewellery in the Middle East.
- Renaissance leveraged the Vogue DMCC distribution network to expand sales of Renaissance products in the GCC markets.

Jay Gems Inc

- Renaissance acquired Jay Gems Inc in 2018 for USD 25.62 million
- Jay Gems has been in existence for 25 years, focused on diamond jewellery, and generated revenues of USD 79.5 Mn in 2017
- Jay Gems has the exclusive “Enchanted Disney Fine Jewelry” license.
- The acquisition expands Renaissance global product offerings.
- Licensed Jewelry will help improve margins of the Consolidated company.
- ROE and ROCE for the license business is higher than the other businesses.

IRASVA

- A subsidiary of Renaissance has made a strategic investment in a joint venture with Bennett, Coleman and Company Limited to launch a consumer jewellery brand “IRASVA” in India.
- The first IRASVA retail store opened in Mumbai in May 2019.

Entry into Branded Jewellery Through Acquisition of Jay Gems

- Branded jewellery is the fastest growing segment of the jewellery business.
- This growth is predicated due to De Beers reducing marketing spends on Generic diamond jewellery
- Renaissance acquired Jay Gems INC in FY 2018-19. Jay Gems has the exclusive license to 'Enchanted Disney Fine Jewellery' which features Disney Princess inspired engagement rings and fashion fine jewellery.
- Enchanted Disney Fine Jewellery is a top performing brand at Zales Jewelers.
- Disney is the biggest licensing company in the world (with USD 57 billion in sales – 2017) including USD 5.5 billion for the Disney Princess brand
- The acquisition will be accretive due to staggered purchase consideration, synergies and focus on higher margin categories.

Global Expansion of Branded Jewellery Products

- To capitalise on the international appeal of the Disney brand, Renaissance has acquired exclusive licenses for the Middle East, China, India, South Africa, the Philippines, Malaysia and Singapore.
- Due to the success of the 'Enchanted Disney Fine Jewelry', Renaissance has the opportunity to create jewellery for additional Disney license properties including Mickey and Minnie, Star Wars and other Disney I.P.
- Marketing of the licensed brands is magnified by the high profile of continued Disney global film launches, including Aladdin and Frozen 2 in 2019

IRASVA

- Verigold Jewellery DMCC will make a strategic investment of Rs. 200 Mn in a joint venture with Bennett, Coleman and Company Limited.
- A joint venture to launch a retail jewellery brand in India
- Renaissance Global upon conversion of the Debenture will own 51% of the joint venture
- Bennett, Coleman and Company Limited has an advertisement spend commitment of Rs 3500 Mn over a period of 5 years
- The first “IRASVA” store opened in May 2019 and the company plans to expand to 25 stores in India in the next five years
- We will be strategic with the scale up of IRASVA and will monitor its profitability closely.
- We will be able to leverage global design bank as well as Enchanted Disney Fine Jewelry.

IRASVA

- Irasva's gold and diamond jewellery celebrates the modern woman's love for self and love of expression
- 'Irasva' is a combination of "ira" meaning enjoyment and "sva" meaning self in Hindi.
- The Irasva brand invites women to indulge in self love.
- Irasva jewellery inspires every woman to create, feel beautiful and express herself in every moment
- Irasva is a every day fine jewellery brand for the self-assured modern woman

Geographical Diversification Through Entry Into New Markets

Robust Sales Growth & Geographical Diversification Achieved Over FY16 to FY20 Driven by Entry in GCC Market

- Over the years, Renaissance has strategically reduced its dependence on the US market and diversified into key jewellery markets across Middle East, Asia Pacific and Europe
- In addition to having a direct marketing presence through own subsidiaries in USA, UK and Middle East, Renaissance has also diversified its manufacturing base across India and Dubai
- The acquisition of a manufacturing facility in Dubai has eased entry into the Gulf Cooperation Council (GCC) markets

Renaissance has continually pursued geographical diversification

- In FY 2011, 85% of its revenues from the US but in FY 2020, US revenue share was reduced to 58%
- The Vogue acquisition helped to substantially increase the contribution from the Middle East from 8% in FY2016 to 30% in FY2020

Financial Strength Driving Business Growth (Consolidated)

Balance Sheet Discipline : Low Leverage & Efficient Working Capital Management

- The Gems & Jewellery export sector in India, has been negatively affected by capital mismanagement and highly leveraged balance sheets
- In contrast, Renaissance has steadily grown its business with a highly disciplined approach based on prudent capital allocation and efficient working capital management
- Inventory days have been reduced by close monitoring and optimization of the entire cycle from orders to delivery till the receipt of money
- The recent acquisition of Jay Gems Inc was funded through internal accruals. The Debt\Equity ratio is at) 0.52 for FY20. **Our goal is to bring the Net Debt\Equity down to 0.5**

Limited Exposure to Currency & Commodity Fluctuations

Business Offers Significant Natural Hedge Leading to Limited Exposure to Currency & Commodity Risk

The Company's functional Currency is USD since majority of the business transactions are undertaken in USD currency

- Operating margins have been largely stable despite currency & commodity price volatilities
- Majority of the sales are in USD currency while few sales in European market are in their local currency
- Globally, sales are on MRP basis, leading to limited exposure to commodity prices & inventory price risk
- All the raw material purchases including gems, diamonds and gold, even in India, are in USD currency
- The incremental sales take into account the currency and commodity price at the time of order confirmation from customer
- A small portion of manufacturing expenses in India are booked in INR, for which commensurate hedging is undertaken
- Majority of the loans are under PSFC & PCFC are also in USD

Healthy EBITDA Growth & Stable EBITDA Margin over Last 5 Years
