"With our brand presence in around 450 Multi Brand Outlets and e-commerce platform, domestic business is growing at double digit and with introduction of GST we see this as a high potential market which is currently dominated by unorganized players.

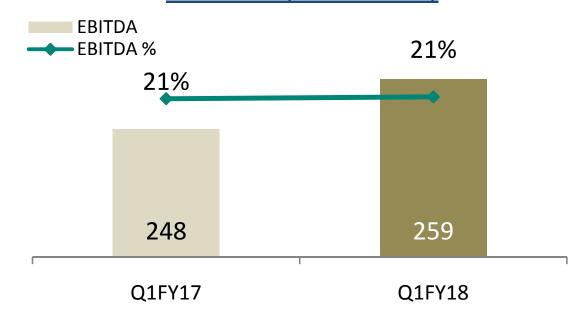

Also our unceasing efforts in creating value for our stakeholders, we have been continuously improving our return ratios through deleveraging the balance sheet. Our enhanced focus on marketing, design and product innovation and to withstand current headwinds, we are relentlessly working and committed towards achieving our targets."
