Management Perspective

Commenting on the results, **Mr. Partha DeSarkar, CEO, Hinduja Global Solutions Limited** said:

“Revenues for the first quarter of FY2016 grew by almost 11%. Our profitability has been below expectations due to lower than anticipated volumes in some geographies and increased cost of operation.

We believe these volume fluctuations are short-term and expect volumes to improve over the rest of the year along with increase in profitability. We have introduced cost containment measures to further strengthen our profitability.”

Business Highlights for the Quarter

- In end-June, HGS signed definitive agreements to acquire a significant part of Mphasis Group's BPM business in India. HGS has recently received approval for the acquisition from the Competition Commission of India (CCI) and the transaction is expected to be closed in the quarter ending 30th September 2015.
- **HGS US** continued build a strong pipeline with a good mix of both new business from existing clients as well as new client wins
- **HGS Canada's** performance remained soft due to seasonal reduction in volumes from telecom clients and minimum wage increase. Volumes across clients may improve for the remaining part of the fiscal year.
- **HGS UK** continues to gain strong traction with clients. Won two significant contracts in the public sector
- **HGS Philippines** commissioned two new centers in Manila and Iloilo. It also received new lines of business from two existing healthcare clients and is expected to start service support in Q2 FY2016.
- **HGS EBOS** business added two new clients during the quarter and continues to generate strong traction
- **India Domestic** business continued to perform in line with management's expectations
- HGS UK won seven awards at the Contact Center World Awards EMEA, including in the Best Large Contact Center, Best in Customer Service and Best Outsourcing Partnership categories
- As of June 30, 2015, HGS had 172 active clients (excluding payroll processing clients)
- As of June 30, 2015, contribution from Healthcare vertical is 41%, Telecom & Technology 25%, Consumer Electronics 13%, BFS 7%, Media 5%, Chemicals & Biotech 2% and 7% from other verticals.
