Partnership with Havells for Kitchen Appliances

22nd September 2023:

Inflame Appliances Ltd had in previous updates indicated the discussion in progress with 2-3 new customers for supply of kitchen appliances as well introduction of OTGs (Oven Toaster Grills).

In line with this we are happy to share the **company has been approved as a supplier and entered into an understanding with Havells for the supply of Chimneys and OTGs**. The models have also been finalised and we expect business to commence from October 2023.

The approval by Havells further confirms our capabilities in the Indian market and continues to cement our position as a leading quality supplier and manufacturer of kitchen appliances in India, and becoming the partner of choice for leading brands in our focus category, furthering the nation's "Made in India" objective.

With our Hyderabad facility now operational, we will have a combined capacity across our Hyderabad and Panchkula units to manufacture 600,000 units of Chimneys, 120,000 units of Hobs and 300,000 units of Gas stoves, which makes us the largest outsourced manufacturer in India for kitchen appliances with the widest product range. A facility in North India and now South India enables us to service customers more efficiently.

About Inflame Appliances Ltd

Setup in 2017, Inflame Appliances Ltd today is amongst the Top 3 manufacturers of Kitchen Appliances in India engaged in the manufacturing of Electrical Chimneys, Range Hoods, Built in Hobs, LPG Gas stoves, Cooktop and OTGs (Oven Toaster Grill). The company has more than 30+ kitchen chimney models and services 18+ states.

The company has 2 facilities – one each at Panchkula, Haryana and Hyderabad, Telangana (currently under setup). Once the Hyderabad facility is fully functional, the company will have combined capacity in India to manufacture 600,000 units of Chimneys, 120,000 units of Hobs and 300,000 units of Gas stoves. This makes Inflame Appliances the largest kitchen appliances manufacturer in India under one roof with the widest product range. The company is currently in the process of introducing OTGs (Oven Toaster Grills).

The company is also moving towards achieving 100% in-house manufacturing with less than 1% rejection rate. It is also moving towards adoption of 100% environmental friendly and recycled packaging.

We are a one stop kitchen appliance manufacturer for our partner brands.
