#### **Demolition at Kangana's bungalow** illegal, smacks of malice: Bombay HC 'Victory of democracy', says Bollywood star antithesis of the rule of law," demolition following it on 9th September 2020 are actuated by malafides, and

Mumbai, Nov 27 /-/ The Bombay High Court today held that demolition carried out by the Brihanmumbai Municipal Corporation (BMC) at actor Kangana Ranaut's bungalow here was illegal and smacked of malicious intent.

The court appointed an assessor to evaluate the damage caused so as to decide Ranaut's claim for compensation. The High Court also came down heavily on Shiv Sena MP Sanjay Raut over his tirade against Ranaut. The Bollywood actor termed the decision as a "victory of the democracy". But in the ruling, the bench of ruling, the bench of Justices S J Kathawalla and R I Chagla also advised Ranaut to observe restraint while expressing herself. She moved the HC on the same day, seeking to declare the action illegal. The High Court stayed the BMC's action but by then a part of Ranaut's bungalow had already been pulled

down. Following Ranaut's tweet, Sanjay Raut had threatened to teach her a sson. Soon thereafter the BMC issued a stop- work notice under section 354 A of the Municipal Corporation Act. It rejected

Ranaut's reply and next day part of the bungalow was demolished. The photos from the site, documents on record and the chain of events showed that the BMC's action was " p r e d e t e r m i n e d , " "malafide," (with dubious intentions) and in breach of

These observations were made in the judgement by which the apex court extended the interim bail granted to which the apex court extended the interim bail granted io TV anchor Arnab Goswami and two others in a 2018 abetment to suicide case. The apex court also said that it was the duty of the courts to ensure that the criminal law does not become a weapon for the selective harassment of titzens. In a 55 page judgement, a bench of Justices D Y Chandrachud and Indira Banerjee deal with various aspects including the importance of human liberty and the role of the court and said that their doors cannot be closed for those oppressed by state actions. The doors of this court cannot be closed to a citzen who is able to establish prima facie that the instrumentality of the state is being weaponised for using the force of criminal law, 'said Justice Chandrachu, who wrote the vendict. Deprivation of liberty even for a single day is one day too many. We must always be mindful of the deeper systemic implications of our decisions, he said. Highlighting legal dogma that ball is rule and jall is an exception, the bench hoped that the courts will exhibit acute awareness to the need to expand the footprint of liberty and use the approach adopted by the apex court as a decision-making yardstick for future cases involving the grant of ball. Liberty across human eras is as tenuous as tenuous can be. Liberty survives by the vigilance of her citizens, on the cacophony of the media and in the dusty corridors of courts alive to the rule of (and not by) law. Yet,
