Dear Sir/Madam,

We are pleased to announce that Company has received the approval (inspection from 15th April to 19th April, 2024) from the Columbian Drug Regulatory Authority - **INVIMA** (INVIMA is the National Institute for the surveillance of Drugs and Food designated by the Columbian Ministry of the Social Protection) for **Amritsar unit-1 block W1** for below mentioned categories having capacity of 100,000 Vials & 100,000 Amp. per day:

S.No	Dosage Form	Production line
Small Volume Parentals	Liquid solutions	Ampoule
Small Volume Parentals	Liquid solutions, emulsions and Lyphollized for injections	Vial

Approval from Colombia's INVIMA will accelerate growth in Colombia, by registering our product and getting regular supplies. Presently we are exporting against permit of permitted quantity. This will open new market for us. The registered products of Colombia are saleable in Argentina, Dominican Republic, Costa Rica, Ecuador, El Salvador, Guatemala, Mexico, Panama, Paraguay, Peru, Uruguay, Bolivia, Cuba, Chile, Honduras, Nicaragua. This will give an opportunity to register and sell about 10 niche products and 100 general products. The success is reinforcing our commitment to high regulatory standards and expected to aid revenue growth in the coming quarters through this approval.

The above is for your information and dissemination to the stakeholders.

Thanking You,

For Kwality Pharmaceuticals Limited
