Subject: Commissioning of 2 MW Solar Project

Dear Investors,

We are pleased to update you that, we have successfully commissioned 2 MW of Captive Solar projects. This is estimated to take care the electricity requirement for 3,000 MT of production (10% of present capacity). Further 8 MW installations are planned during FY 2024-25. These installations will help us in achieving decarbonization goals, reduce the electricity costs and also hedge against future power tariff escalations. Presently we are spending around 8% on power costs and with completion of 10 MW installations, it is estimated to bring down these costs to 6% (at PBDIT levels).

Disclaimer:

The aforesaid information is a management's estimates on savings based on the supplier data of solar power generation & historical power consumption for production. As such the members and investors are advised to take note of it before any decision of investments.

Thanking you,
Yours faithfully,

For Synergy Green Industries Ltd.

Subject: Land Acquisition for Expansion Project

Dear Investors,

We are pleased to update you on finalization of land acquisition deal at MIDC Kagal, Kolhapur (which is 5 Km from present facilities). Land transfer formalities are estimated to take around 2 to 3 months period. This land acquisition will help us in expanding the foundry capacity from 30,000 MT/Annum to 45,000 MT/Annum and also to establish the In-House Machining facilities.

Disclaimer:

The aforesaid information is based on signing the agreement to acquire land and final transfer of same is subject to all statutory agencies approval. As such the members and investors are advised to take note of it before any decision of investments.

Thanking you,
Yours faithfully,

For Synergy Green Industries Ltd.
