Chairman's Message

Dear Shareholders,

Dear Shareholder's

The logistics industry plays a pivotal role in driving economic growth by facilitating the movement of goods and services. In FY 2022-2023, the logistics sector in India witnessed significant growth despite challenges posed by the pandemic and global economic fluctuations. The industry benefited from rising e-commerce trends, increasing trade volumes, and the government's focus on infrastructure development. As a leading player in the sector, Ritco Logistics continued to capitalize on these opportunities, I present to you the 22nd Annual Report of your company and I am pleased to present that your company, RITCO LOGISTICS LIMITED continues to strive for growth with the economy on upswing post pandemic your Company has achieved robust growth year on year.

Ritco Logistics have achieved commendable financial results in FY 2022-2023. Total revenue for the year stood at INR 751 crore, representing a Y-o-Y growth of 26%. This growth was primarily driven by increased demand for logistics services and successful execution of strategic contracts. Operating profit increased to INR 33.87 crore, with a healthy operating margin of 52%, showcasing the company's operational efficiency.

Further I would like to share some Operational Highlights:

- 1. Expansion of Network:** Ritco Logistics expanded its network across various regions, enhancing its reach and strengthening its presence in key markets. This expansion allowed the company to offer its services to a broader customer base and optimize operations.
- 2. Technological Advancements:** The company continued to invest in cutting-edge technologies to improve operational efficiencies, track shipments in real-time, and provide superior customer experiences. Implementation of automation and digital solutions contributed to streamlining processes and reducing operational costs.
- 3. Focus on Sustainability:** Ritco Logistics maintained its commitment to sustainability by adopting environmentally friendly practices. The company optimized transportation routes to reduce emissions, encouraged eco-friendly packaging, and invested in fuel-efficient vehicles.
- 4. Customer-Centric Approach:** Ritco Logistics emphasized a customer-centric approach, tailoring solutions to meet the specific needs of clients. The company's dedication to customer satisfaction resulted in increased customer retention and garnered positive feedback.

Despite the positive performance, Ritco Logistics faced several challenges during FY 2022-2023:

- 1. High Fuel Prices:** High fuel prices posed a significant challenge to cost management. To mitigate this risk, the company employed fuel hedging strategies and explored alternative fuel options to reduce dependency on conventional sources.

2. **Supply Chain Disruptions:** Ritco Logistics implemented agile supply chain management practices, collaborated with alternate suppliers, and leveraged technology to mitigate disruptions and maintain operational continuity.

3. **Regulatory Compliance:** Adherence to changing regulatory norms and compliance requirements added complexity to the business environment. The company invested in robust compliance frameworks, conducted regular audits, and appointed dedicated teams to ensure adherence to all applicable regulations.

Ritco Logistics is optimistic about the future and is strategically positioned to capitalize on emerging opportunities. The company aims to focus on the following key areas:

1. **Technology Integration:** Continued investment in advanced technologies to enhance operational efficiency, improve visibility, and deliver exceptional customer experiences.

2. **Diversification:** Exploring new markets and verticals to diversify revenue streams and reduce dependency on specific industries.

3. **Eco-friendly Initiatives:** Reinforcing commitment to sustainability by implementing eco-friendly practices and leveraging green technologies.

4. **Talent Development:** Fostering a culture of learning and development to equip employees with skills for the future and nurture leadership talent within the organization.

FY 2022-2023 was a year of growth and resilience for Ritco Logistics Limited. The company's robust financial performance, combined with strategic initiatives and customer-centric approach, positions it for a promising future. With a clear focus on technology, sustainability, and talent development, Ritco Logistics is well-prepared to tackle challenges and leverage opportunities in the dynamic logistics industry.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT,

2013.

ITEM NO. 3

The provisions of the Companies Act, 2013 with respect to appointment and tenure of the Independent Directors have come into force with effect from April 1, 2014 which requires every Public Company fulfilling the prescribed criteria as laid down in Rule 4 of Companies (Appointment and Qualification of Directors) Rules, 2014 to appoint an Independent Director on its Board and the Independent Director shall not be included in the total number of directors for retirement by rotation.

Accordingly, in terms of provisions of Sections 149, 150, 152, Schedule IV of the Companies Act, 2013 read with Companies (Appointment and Qualification of Directors) Rules, 2014, the Board of Directors of the Company recommended on the suggestion of the Nomination and Remuneration Committee of the Company and subject to approval of the Shareholders of the Company, Mr. Sourabh Ajmera (DIN: 06876514) as an Additional and Non-Executive Independent Director of the Company within the meaning of Section 2(47) read with Section 149(6) of the Companies Act, 2013 for a term of 5 consecutive years commencing from May 22nd, 2023.

A brief profile of Mr. Sourabh Ajmera (DIN: 06876514), including nature of his expertise, is provided below;

Profile of Independent Director

In the opinion of the Board, Mr. Sourabh Ajmera (DIN: 06876514), who was appointed as an Additional Director (Non-executive Independent Director) of the Company with effect from May 22, 2023 , fulfils the conditions specified under Section 149(6) and Schedule IV of the Companies Act 2013 and is Independent of the management. Considering his vast experience in Audit, Finance, Accounts, Taxation, his presence on the Board will be of immense value to the Company.

Further, as the roles and responsibilities of Independent Directors have undergone significant changes demanding greater involvement in the supervision of the Company, it is proposed that the Mr. Sourabh Ajmera be paid the sitting fees, within the limits prescribed under the Act and Rules thereunder and as approved by the Board of Directors of the Company, for attending the meeting(s) of the Board or any Committee thereof and reimbursement of any expenses for participation in the board and other meetings.

Further, as stipulated under Secretarial Standard-2, brief profile of Mr. Sourabh Jain is provided below in Table A:

Accordingly, the Board recommends the resolution set forth in Item No. 3 to be passed as Special Resolution by the Members of the Company.

ITEM NO. 4

The provisions of the Companies Act, 2013 with respect to appointment and tenure of the Independent Directors have come into force with effect from April 1, 2014 which requires every Public Company fulfilling the prescribed criteria as laid down in Rule 4 of Companies (Appointment and Qualification of Directors) Rules, 2014 to appoint an Independent Director on its Board and the Independent Director shall not be included in the total number of directors for retirement by rotation.

Accordingly, in terms of provisions of Sections 149, 150, 152, Schedule IV of the Companies Act, 2013 read with Companies (Appointment and Qualification of Directors) Rules, 2014, the Board of Directors of the Company recommended on the suggestion of the Nomination and Remuneration Committee of the Company and subject to approval of the Shareholders of the Company, Mr. Vikram Suri, as an Non-Executive Independent Director of the Company within the meaning of Section 2(47) read with Section 149(6) of the Companies Act, 2013 for another term of 5 consecutive years commencing from 24th December 2023.

A brief profile of Mr. Vikram Suri (DIN: 08312681), including nature of his expertise, is provided below;

Profile of Independent Director

In the opinion of the Board, Mr. Vikram Suri (DIN: 08312681), who was appointed as an Non-Executive Independent Director of the Company with effect from December 24, 2018 for a period of 5 years, fulfils the conditions specified under Section 149(6) and Schedule IV of the Companies Act 2013 and is Independent of the management. Considering his vast experience as a finance professional, his presence on the Board will be of immense value to the Company.

Further, as the roles and responsibilities of Independent Directors have undergone significant changes demanding greater involvement in the supervision of the Company, it is proposed that the Mr. Vikram Suri be paid the sitting fees, within the limits prescribed under the Act and Rules thereunder and as approved by the Board of Directors of the Company, for attending the meeting(s) of the Board or any Committee thereof and reimbursement of any expenses for participation in the board and other meetings.

Further, as stipulated under Secretarial Standard-2, brief profile of Mr. Vikram Suri is provided below in Table A:

Annexure I

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2023

(Form MR-3)

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

Ritco Logistics Limited

508, 5th Floor, Jyoti Shikhar Tower,

District Centre, Janakpuri, Delhi- 110058

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s Ritco Logistics Limited having CIN: L60221DL2001PLC112167 (hereinafter called the Company)** Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2023 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2023 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

- (v) The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') viz.: -
- (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 as;
 - (c) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
 - (d) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (e) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - (f) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder;

The Company have not, Issue and Listing of Debt Securities, Buy-Back of Equity Shares, and therefore the following regulations are not applicable: -

- (a) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- (b) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Redeemable Preference Shares) Regulations, 2013
- (c) The Securities and Exchange Board of India (Buy-Back of Securities) Regulations, 2018; and
- (d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018.

(vi) Other laws applicable as per the representations made by the management;

- Carriage by Road Act 2007,
- Motor Transport Workers Act, 1961
- Motor Vehicles Act, 1988
- The Petroleum Act 1934
- Consumer Protection Act 1986
- The Legal Metrology Act, 2009
- Food Safety and Standard Act, 2006

Employment and labour Laws

GST Act

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreements entered into by the Company with BSE Limited and National Stock Exchange.

During the period under review, as per the explanations and representations received from the Management, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that based on the information provided and representation made by the Company and on the basis of Compliance report taken on record by the Board, in my opinion adequate systems and processes exist in the Company to monitor and ensure Compliance with Other laws applicable, rules, regulations and guidelines.

We further report that The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were in general, carried out in compliance with the provisions of the Act.

In general, adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and wherever shorter notices were given, the same was given with the consent of all the Directors and such meeting were held with the participation of Independent Director/s and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the Minutes of the Meetings recorded, the decisions of the Board were unanimous and no dissenting views have been recorded.

We further report that as per the information provided, there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with other applicable laws, rules, regulations and guidelines.

Information given to the Board:

The Company provides the information as set out in Regulation 17(7) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 to the Board and Board Committees to the extent it is applicable and relevant. Such information is submitted either as part of agenda papers in advance of the meeting or by way of presentations and disclosures during the meeting

Post Meeting Mechanism:

The Important decisions taken at the Board / Board Committee Meetings are communicated to the concerned departments

Familiarisation Programme for Directors:

The newly appointed Director is explained in detail the compliance required under the provisions of the Companies Act, 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other relevant regulations and his / her affirmation is taken with respect to the same. The details of the familiarisation programmes undertaken by the Company are provided in the website of the Company at the weblink: <http://www.ritcologistics.com>

Independent Directors:

The Non-Executive Independent Directors fulfil the conditions of the independence specified in Section 149(6) of the Companies Act, 2013 and the rules made thereunder, meet with the requirement of Regulation 25 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and are independent of the Management. A formal letter of appointment as provided in the Companies Act, 2013 and the Regulations has been issued to each Independent Director and placed on the website of the Company <http://www.ritcologistics.com>.

* During the period under review, none of the independent directors had resigned however CA Ranu Jain has tendered his resignation with effect from 10th August 2023 due to his preoccupation with other assignments

3. Code of Conduct:

The Board of Directors has adopted the Code of Conduct for Board Members and Senior Management Personnel of the Company. The said Code has been communicated to the Directors and the Senior Managers from whom the necessary affirmation has been received with regard to the compliance of the Code. A declaration in this regard by the Managing Director is furnished at the end of the report. The Code has been placed on the Company's website <http://www.ritcologistics.com>. Code of Conduct for Directors also contains their duties approved by the Board to be in line with the provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the same has been placed on the Company's website at the link: <http://www.ritcologistics.com>

4. Committees of The Board**1. Audit Committee:**

A qualified and independent Audit Committee, meeting the requirements of Regulation 18 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Section 177 of the Companies Act, 2013, has been constituted.

Audit Committee comprises (i) Mr. Vikram Suri, Chairman (ii) CA Ranu Jain, Non-Executive Independent Directors and one Non-Executive (iii) Mrs. Roma Wadhwa. Members of the Audit Committee have considerable experience and expertise in the field of Industrial, Financial and Corporate Business Management.

Ms. Gitika Arora, Company Secretary & Compliance Officer acts as the Secretary to the Audit Committee.

Statutory, Internal and Cost Auditors, Key Managerial Personnel and Senior Executives attend the meetings to answer the queries raised by the Committee.

During the Financial Year 2022-23, Seven Audit Committee Meetings were held:
Dates on which they were held: i) 10/05/2022, ii) 30/05/2022, iii) 12/08/2022, iv) 22/08/2022, v) 14/11/2022, vi) 10/12/2022, vii) 06/02/2023

The necessary quorum was present at all these Meetings.

Broad terms of reference of the Audit Committee are as under:

- i) the recommendation for appointment, remuneration and terms of appointment of auditors of the company;
- ii) review and monitor the auditor's independence and performance, and effectiveness of audit process;
- iii) examination of the financial statement and the auditors' report thereon;
- iv) approval or any subsequent modification of transactions of the company with related parties;
- v) scrutiny of inter-corporate loans and investments;
- vi) valuation of undertakings or assets of the company, wherever it is necessary;
- vii) evaluation of internal financial controls and risk management systems;
- viii) monitoring the end use of funds raised through public offers and related matters.
 - The Audit Committee also reviews the following information as and when required:
 - Management Discussion & Analysis of financial condition and results of operations
 - Statement of significant Related Party Transactions (as defined by the Audit Committee)
 - Management letters / letters of internal control weaknesses issued by the Statutory Auditors

vii) Registrars and Share Transfer Agent :

Link Intime India Pvt. Ltd
Noble Heights, 1st Floor, Plot NH 2,

C-1 Block LSC, Near Savitri Market
Janakpuri, New Delhi - 110058
Tel No.: 011-41410592

- viii) **Share Transfer System:** Transfer of shares of a listed Company can only be affected in dematerialized form in terms of SEBI (LODR) Regulations, 2015. Shareholders holding shares in the certificate form are therefore requested to dematerialize their shares in their own interest. The Company obtains, through its Registrars and Share Transfer Agent, from a Practising Company Secretary annually a certificate of compliance with the Share Transfers, Transmissions and Issue of Duplicate Share Certificates formalities as required under Regulation 40(9) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and files through electronic filing a copy of the said Certificate with the Stock Exchange.
- ix) a) Shareholding pattern as on 31st March, 2023:

S. No.	Category	No. of shares	% of holding
1	Promoter & Promoter Group	17876618	73.0355
2	Public	6600000	26.9645

- b) Reconciliation of Share Capital Audit Report: As stipulated by SEBI, a qualified Practising Chartered Accountant carries out Secretarial Audit to reconcile the total admitted capital with National Securities Depository Ltd., (NSDL) and Central Depository Services (India) Ltd., (CDSL) and the total issued and listed capital. This audit is carried out on quarterly basis and the report thereon is submitted to the Stock Exchange where the Company's shares are listed. The audit confirms that the total Listed and Paid-up Capital is in agreement with the aggregate of the total number of shares in dematerialised form (held with NSDL and CDSL).

B) DISCRETIONARY REQUIREMENTS:

The Company has complied with the following non-mandatory / discretionary requirements of Regulation 27(1) of SEBI (Listing Obligations and Disclosure Requirements) Regulations:

i) Reporting of Internal Auditor

Internal Auditors directly report to the Audit Committee.

ii) Audit qualification

The Financial Statements of the Company are free from any qualification by the Auditors.

The other non-mandatory / discretionary requirements will be adopted as and when considered necessary.

Management Discussion and Analysis Report

Ritco Logistics Limited

2022-2023

1. Overview

- Brief introduction of the company's business model and operations.

At Ritco, we define excellence through our unparalleled Logistics Services. Our journey commenced in 1996 as a modest provider of contract logistics, catering to a select group of businesses with a compact team. With a wealth of experience spanning over 25 years, we have forged a robust clientele by delivering logistics services of global standards. Our commitment to innovation within the logistics realm remains unwavering, as we continually introduce and implement groundbreaking concepts while tailoring solutions to our clients' unique needs. Our dedicated professionals are ceaselessly innovating and enhancing operational efficiencies.

Our accomplished team encompasses over 1000 experts spanning various in-house verticals. Holding the ISO 9001:2000 certification and registration within Dun and Bradstreet's global commercial database, our credibility is unquestionable. We've set benchmarks in the logistics landscape over the past decades, consistently incorporating state-of-the-art technology to uphold our promise of delivering top-notch logistic services.

As a comprehensive supply chain solution provider, we extend an array of services, including land-based logistics, warehousing, and value-added solutions across India. Our offerings encompass a holistic, integrated freight transportation service, encompassing bulk load, dedicated load (round trip), full truck load (FTL), and less than truck load (LTL), managed through our own fleets or via independent third-party operators. We also provide ancillary services such as warehousing and value-added services. Our technology-enabled logistics and distribution solutions are meticulously crafted to cater primarily to corporate clientele.

Central to our competitive edge is our "3PL" business model, which, combined with a strategic blend of essential assets like fleets and warehouses, fuels our operational prowess. This asset-light "3PL" model not only provides flexibility but also empowers us to meet diverse supply chain requirements with finesse. Beyond our core supply chain solutions, a fraction of our revenue streams from fleet rental services, offering small retail customers the option to rent our fleet on a need basis.

- Key highlights of the financial year under review.

The period of financial year under review 2022 to 2023 marked a notable year of expansion for the company, characterized by a continuation of the consistent and profitable performance that the company has maintained over the past five years, achieving a Compound Annual Growth Rate (CAGR) of 19.9% during this time frame.

The present yearly advancements in key benchmarks are outlined as follows:

- Revenue Growth: 27.9%
- Operating Profit Margin: 29.2%
- Net Profit Margin: 56.25%
- Year-on-Year EPS Growth: 51.9%

- Market and industry overview and trends impacting the logistics sector.

The Indian logistics sector is a key driver of the country's economy, facilitating the movement of goods and services across various industries. The sector is expected to grow at a CAGR of 9.5% to reach \$330 billion by 2025.

The growth of the Indian logistics sector is being driven by a number of factors, including:

- The rise of e-commerce: The growth of e-commerce is leading to a surge in demand for logistics services. E-commerce companies need to ensure that their products are delivered to customers quickly and efficiently, and they are turning to logistics providers to help them do this.
- The growth of manufacturing: The Indian manufacturing sector is growing rapidly, and this is also driving demand for logistics services. Manufacturers need to be able to move their goods quickly and cost-effectively to their customers, and they are turning to logistics providers to help them do this.
- The growth of infrastructure: The Indian government is investing heavily in infrastructure, such as roads, railways, and ports. This is making it easier and cheaper to move goods around the country, which is in turn boosting the logistics sector.

The Indian logistics sector is facing a number of challenges, including:

- High logistics costs: India's logistics costs are higher than the global average, which makes it difficult for Indian businesses to compete in the global market.
- Inefficient infrastructure: India's infrastructure is not as developed as the infrastructure in developed countries. This can lead to delays and disruptions in the logistics process.
- Lack of skilled manpower: There is a shortage of skilled manpower in the Indian logistics sector. This can make it difficult for logistics providers to meet the growing demand for their services.

Despite these challenges, the Indian logistics sector is poised for growth. The government is taking steps to address the challenges facing the sector, such as by investing in infrastructure and developing skills training programs. The growth of e-commerce and manufacturing is also expected to boost the sector in the coming years.

Here are some of the key trends that are impacting the Indian logistics sector:

- **Digitization:** The logistics sector is being rapidly digitized, with the use of technology to improve efficiency and visibility. This includes the use of GPS tracking, blockchain, and artificial intelligence.
- **Sustainability:** There is a growing focus on sustainability in the logistics sector, with companies looking to reduce their environmental impact. This includes the use of renewable energy, energy-efficient vehicles, and green packaging.
- **Regionalization:** The Indian logistics sector is becoming more regionalized, with companies focusing on serving specific regions or industries. This is due to the vast size of India and the different needs of different regions.
- **Globalization:** The Indian logistics sector is becoming more globalized, with companies looking to expand their operations to other countries. This is due to the growing demand for Indian goods and services around the world.

These trends are expected to continue to impact the Indian logistics sector in the coming years, driving growth and innovation in the sector.

2. **Financial Performance Review**

- Analyzing the financial performance of Ritco Logistics Limited encompasses an exploration of its revenue, profitability, and margins.

During the year 2023, Ritco Logistics Limited showcased its adeptness in manoeuvring through a dynamic market landscape by upholding a consistent financial performance. The company accomplished a noteworthy total revenue of INR 751 Crores, signifying a remarkable growth of 27.9% in comparison to the preceding year. This upsurge in revenue can be attributed to amplified demand for logistics services, the successful execution of strategic contracts, and the continual expansion of the company's service area and warehouse network. These expansions have led to optimized delivery times for our clientele. Moreover, the company remained steadfast in its pursuit of operational efficiency, leading to a significant increase of 27.9% Year on Year in the Operational Profit Margin. Additionally, the Net Profit Margin escalated by over 56% when contrasted with the previous year, highlighting a pronounced focus on enhancing profitability.

The Management expresses its contentment with this performance, as it has resulted in an amplified value for all stakeholders. The company's upward trajectory in growth remains a central concern for the Management, reflecting their dedication to fostering continued expansion.

- Analysis of key financial ratios (e.g., debt-to-equity ratio, interest coverage ratio) and their implications.

The key financial ratios, such as the debt-to-equity ratio, interest coverage ratio, and debt service coverage ratio, provides valuable insights into Ritco Logistics Limited's financial health and its ability to manage its financial obligations effectively. These ratios offer a comprehensive view of the company's leverage, solvency, and its capacity to meet its interest and debt repayment commitments.

	2023	2022
Debt equity ratio	1.380	1.390
Debt service coverage ratio	1.810	1.700
Interest service coverage ratio	2.990	3.320

Overall, the analysis of these financial ratios indicates that Ritco Logistics Limited has made progress in its financial management, with improvements in its ability to cover debt service obligations. However, a slightly reduced interest coverage ratio might warrant monitoring to ensure that the company's profitability remains adequate to sustain its interest payments.

- Comparison of current financials with the previous year's performance and industry benchmarks.

Revenue:

The Revenue of Ritco Logistics has been growing consistently year on year and characterized by a continuation of the consistent and profitable performance that the company has maintained over the past five years, achieving a Compound Annual Growth Rate (CAGR) of 19.9% during this time frame

Net Profit:

The Net Profit of the company has been consistently increasing with exception of the COVID-19 period of the financial years 2020 and 2021.

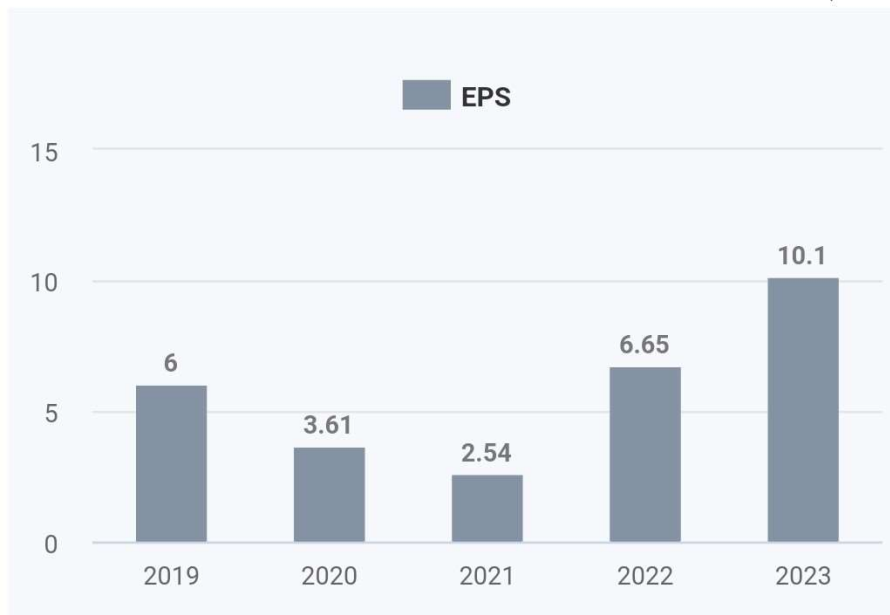

(Rs. Cr)

EPS (Earning Per Share):

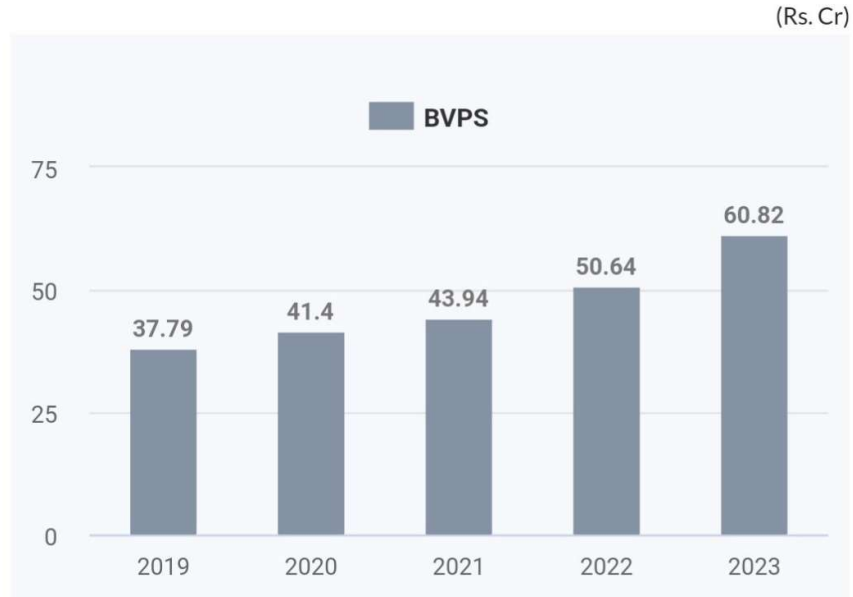

The EPS of the company has been consistently increasing with exception of the COVID-19 period of the financial years 2020 and 2021.

(Rs. Cr)

BVPS (Book Value Per Share):

The Company Book Value is the intrinsic value of the company and that the consistent performance of the company has steadily increased the value of the stakeholders.

ROE (Return on Equity):

Return on equity, which is a measure of how much net income a company generates relative to its shareholders' equity. The ROE of the company has been consistently increasing with exception of the COVID-19 period of the financial years 2020 and 2021.

3. Capital Structure and Funding

- Ritco has issued equity shares through IPO in 2019 and has since maintained the same capital, further as it has a strong market presence and that has always supported us in availability of working capital through banking channels and the company has always optimised the use of funds basis the needs of operation thus keeping our debt cost flexible and optimised

4. Outlook and Future Strategies

- Management's outlook for the upcoming financial year and beyond is to maintain the growth rates the company has been able to achieve in the past couple of years while keeping its focus on the changing trends of the industry.
- As the company has initiated its direction towards technological integration and it has invested in the company Logro Sourcing Private Limited that is working on a unique tech driven model of logistics aggregator thus integrating the long history of the company with current and fast emerging technologies allowing us to offer products in new spaces.

5. Corporate Governance and Sustainability

- At Ritco we believe in following best corporate governance practices and compliance with regulatory requirements and has established the code of conduct.
- Apart from the statutory CSR activities the company runs various programs for its employees and partner drivers, such as:

Health and Safety

Ritco's CSR programs are primarily focused on our truck drivers' Health & Safety. Our company organises special safety campaigns to spread awareness regarding the road safety rules, common causes of road accidents and the tips & tricks to driving safely.

Medical Camps

Ritco regularly organizes multiple medical Camps in collaboration with well-trained doctors. Our doctors:

- Conduct extensive medical screening of our drivers.
- Review the individual case history
- Appropriately inform the drivers about their medical issues.
- Put special focus on the education of AIDS
- Give convenient counselling sessions for the drivers.

6. Conclusion

- Ritco always aims to be a customer oriented, multi-technology, specialized transport system in the Indian Market. It is our commitment to achieve excellence in all aspects of activity as well as pursue value-based policies to satisfy the aspirations of society, customers, vendors, employees and shareholders.

Forward Looking Statements

This report contains forward looking statements based on certain assumptions and expectations of future events.

The Company cannot guarantee that these assumptions and expectations are accurate or will be realised. The Company's actual results, performance or achievements could thus differ materially from those projected in any such forward looking statements. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements, on the basis of any subsequent developments, information or events.

Independent Auditor's Report on Audit of Quarterly and Annual Consolidated financial Results of Ritco Logistics Limited ("the Company") pursuant to the Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, as amended

To
**The Board of Directors of
RITCO LOGISTICS LIMITED**

Opinion

We have audited the accompanying Statement of Annual Consolidated Financial Results for the Quarter/Year ended 31st March, 2023 of **RITCO LOGISTICS LIMITED** ('the Parent') which includes its subsidiaries (the Parent and its subsidiaries together referred as "the Group") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('the Listing Regulations'), including relevant circulars issued by SEBI from time to time.

In our opinion and to the best of our information and according to the explanations given to us the Statement:

- i. Includes the results of the following entities: -
 - I. Logro Sourcing Private Limited
 - II. Trucksup Solutions Private Limited (Wholly Owned Subsidiary of Logro Sourcing Private Limited)
- ii. presents Consolidated Financial results in accordance with the requirements of Regulation 33 of the Listing Regulations and
- iii. gives a true and fair view in conformity with the applicable Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued there under, and other accounting principles generally accepted in India, of the net profit after tax and other comprehensive income and other financial information of the Company for the quarter ended 31st March, 2023 and for the year ended 31st March 2023.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Statement section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Statement

This Statement is the responsibility of the Parent's Board of Directors and has been approved by them for the issuance. The Statement has been compiled from the related audited consolidated interim financial information for the quarter and year ended 31st March 2023. This responsibility includes the preparation and presentation of the Statement that give a true and fair view of the consolidated net profit and consolidated other comprehensive loss and other financial information of the Group in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards, prescribed under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulations 33 of the Listing Regulations.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the respective financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Parent, as aforesaid.

In preparing the Statement, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Statement

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

As part of an audit in accordance with the Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has in place adequate internal financial controls with reference to Consolidated Financial Statements and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
- Perform procedures in accordance with the Circular No. CIR/CFD/CMDI/44/2019 dated 29th March, 2019 issued by the SEBI under Regulation 33(8) of the Listing Regulations to the extent applicable.

- Obtain sufficient appropriate audit evidence regarding the standalone/consolidated financial statements/financial results/financial information of the entities within the Group to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Statement of which we are the independent auditors. For the other entities included in the Statement, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Statement may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Statement.

We communicate with those charged with governance of the Parent and such other entities included in the Statement of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMDI/44/2019 dated 29th March, 2019 issued by the SEBI under Regulation 33(8) of the Listing Regulations to the extent applicable.

Other Matters:

- i. We have audited the Financial Statements of Subsidiaries included in the Consolidated Financial Statements; whose Financial Statements include total assets of Rs. 0.71 Lakhs and net assets of Rs. (41.85) Lakhs as at March 31, 2023 and total revenues of Nil for the year ended on that date. Audit Reports of the Subsidiaries has been furnished to the Parent Company's Management and for our conclusion on the Statement, in so far relates to the amount and disclosure included in respect of Subsidiary, is based on the report of the Subsidiaries.
- ii. We have not audited the financials statements of Subsidiaries for last financial year as they were not the subsidiaries of the Company and hence the same was audited by other auditor.

Our opinion is not modified in respect of these matters.

1 Corporate information

Ritco Logistics Limited is a public company domiciled in India and incorporated and established on August 23, 2001 under the provisions of the Companies Act, 1956. The company is engaged in Transportation activities. The Company got listed with BSE Limited on SME platform on February 07, 2019 and migrated to main board of BSE and NSE on April 12, 2022.

2 Basis of preparation

a) Statement of compliance:

These financial statements have been prepared on a going concern basis following the accrual basis of accounting in accordance with the Generally accepted Accounting Principles (GAAP) in India (Indian Accounting standards referred to as "IndAS") as specified under the section 133 of the Companies Act, 2013 read with Rule 3 of Companies (Indian Accounting Standard) Rules, 2015 and relevant amendments rules issued there after.

The financial statements were authorised for issue by the Board of Director on May 22, 2023.

Functional and presentation currency

These financial statements are presented in Indian Rupees, which is the Company's functional currency. All amounts have been rounded-off to the nearest lakhs (₹), as per the requirements of Schedule III of the Act, unless otherwise stated.

b) Basis of measurement:

The financial statements have been prepared on a historical cost convention, except for certain financial assets and financial liabilities that are measured at fair value as required under relevant IndAS.

c) Significant accounting judgements, estimates and assumptions

The preparation of the company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

d) Critical accounting estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the company. Such changes are reflected in the assumptions when they occur.

i. Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

ii. Employee benefit plans

The cost of the defined benefit gratuity plan, other post-employment benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

iii. Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal, contractor and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgement and the use of estimates regarding the outcome of future events.

iv. Property Plant and Equipment

Useful lives and residual values are determined by the management at the time the asset is acquired and reviewed at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the asset.

3 Significant accounting policies

3.1 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- ▶ Expected to be realised or intended to be sold or consumed in normal operating cycle
 - ▶ Held primarily for the purpose of trading
 - ▶ Expected to be realised within twelve months after the reporting period, or
 - ▶ Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- All other assets are classified as non-current.

A liability is current when:

- ▶ It is expected to be settled in normal operating cycle
- ▶ It is held primarily for the purpose of trading
- ▶ It is due to be settled within twelve months after the reporting period, or
- ▶ There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Schedules forming part of the consolidated financial statements

The operating cycle is the time between the acquisition of assets and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

3.2 Property, Plant & Equipments

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company.

All other repair and maintenance costs are recognized in statement of profit or loss as incurred.

Subsequent measurement (depreciation and useful lives)

Property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment losses, if any.

Depreciation on property, plant and equipment has been provided using straight line method using rates determined based on management's assessment of useful economic lives of the asset.

Followings are the estimated useful lives of various category of assets based on management's assessment of useful economics live of the assets.

Office Building	60 Years
Furniture & Fixture	10 Years
Vehicles (Four Wheeler)	10 Years
Vehicles (Two Wheeler)	10 Years
Office Equipment	5 Years
Computers	3 Years
Truck & Trailors	8 Years

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Derecognition:

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is de-recognized.

3.3 Impairment of non-financial assets

At each reporting date, the Company reviews the carrying amounts of its non-financial assets to determine whether there is any indication of impairment. If any such indication of impairment exists, then the asset's recoverable amount is estimated. For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or cash generating units (CGUs).

The recoverable amount of an asset or CGU is the greater of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU. An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss.

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

3.4 Provisions, Contingent Liabilities And Contingent Assets

Provisions:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

When the Company expects some or all of a provision to be reimbursed, reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost in respective expense.

Contingent Liabilities and Contingent Assets

Contingent liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

3.5 Income tax

Current tax:

Provision for current tax is made as per the provisions of the Income Tax Act, 1961.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax:

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.

3.6 Employee Benefits

Short-term Employee Benefits:

Employee benefit liabilities such as salaries, wages and bonus, etc. that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at an undiscounted amount expected to be paid when the liabilities are settled.

Post-employment benefit plans:

Defined Contribution Plans:

State governed Provident Fund Scheme and Employees State Insurance Scheme are defined contribution plans. The contribution paid / payable under the schemes is recognised during the period in which the employees render the related services.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan.

The Company's gratuity scheme is a defined benefit plan. Currently, the Company's gratuity scheme is unfunded. The Company recognises the defined benefit liability in Balance sheet. The present value of the obligation under such defined benefit plan and the related current service cost and, where applicable past service cost are determined based on an actuarial valuation done using the Projected Unit Credit Method by an independent actuary, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligations are measured at the present value of the estimated future cash flows.

Re-measurements, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) is reflected immediately in Other Comprehensive Income in the Statement of Profit and loss. All other expenses related to defined benefit plans are recognised in Statement of Profit and Loss as employee benefit expenses. Re-measurements recognised in Other Comprehensive Income will not be reclassified to Statement of Profit and Loss hence it is treated as part of retained earnings in the Statement of Changes In Equity.

3.7 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ▶ In the principal market for the asset or liability, or
 - ▶ In the absence of a principal market, in the most advantageous market for the asset or liability
- The principal or the most advantageous market must be accessible to/ by the Company.

Fair value hierarchy

All financial instruments for which fair value is recognised or disclosed are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole;

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which the lowest level input that has a significant effect on the fair value measurement are observable, either directly or indirectly.

Level 3: Valuation techniques for which the lowest level input which has a significant effect on the fair value measurement is not based on observable market data.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

3.8 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- ▶ **Debt instruments at amortised cost** - The Company has cash & cash equivalents, loans and trade receivables classified within this category.
- ▶ **Debt instruments at fair value through other comprehensive income (FVTOCI)** - The Company does not have any financial asset classified in this category.
- ▶ **Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)** - The Company does not have any financial asset classified in this category as on 31st March 2023.
- ▶ **Equity instruments measured at fair value through other comprehensive income (FVTOCI)** - The Company does not have any financial asset classified in this category.

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation and losses arising from impairment are recognised in the Statement of Profit & Loss. The amortised cost of the financial asset is also adjusted for loss allowance, if any.

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). Company has not designated any such debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit & Loss.

Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset. Any gain or loss on derecognition is recognised in the Statement of Profit and Loss.

Impairment of financial assets

In accordance with IndAS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

Financial assets that are debt instruments, and are measured at amortised cost e.g. Loans and trade receivables.

The company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables that do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

b) Financial liabilities

Initial recognition and measurement

All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

All financial liabilities are initially measured at fair value deducted by, in the case of financial liabilities not recorded at fair value through profit or loss, transaction costs that are attributable to the liability.

Schedules forming part of the consolidated financial statements

Subsequent measurement

Financial liabilities are classified as measured at amortised cost using the effective interest method. The Company's financial liabilities include trade payables, borrowings and other financial liabilities.

Under the effective interest method, the future cash payments are exactly discounted to the initial recognition value using the effective interest rate. The cumulative amortization using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial liability over the relevant period of the financial liability to arrive at the amortized cost at each reporting date. The corresponding effect of the amortization under effective interest method is recognized as expense over the relevant period of the financial liability in the Statement of Profit and Loss.

Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the Derecognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid is recognized in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount presented in the Balance Sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

3.9 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

3.10 Revenue Recognition

The Company recognises revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

A 5-step approach is used to recognise revenue as below:

Step 1: Identify the contract(s) with a customer

Step 2: Identify the performance obligation in contract

Step 3: Determine the transaction price

Step 4: Allocate the transaction price to the performance obligations in the contract

Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

Freight services

Revenue from services rendered is recognised in proportion to the stage of completion of the transaction at the reporting date when the outcome of the transaction can be estimated reliably.

Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government which are levied on services such as Goods and service tax

Interest income

Interest income on financial asset is recognised using the effective interest rate (EIR) method.

3.11 Earnings per share

Basic earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of equity shares.

3.12 Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

3.13 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The board of directors of the Company has been identified as being the chief operating decision maker by the Management of the company.

3.14 Foreign currency transactions

Transactions in foreign currencies are recorded by the Company entities at their respective functional currency at the exchange rates prevailing at the date of the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currency are translated to the functional currency at the exchange rates prevailing at the reporting date.

Non Monetary asset and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction

Exchange differences arising on settlement or translation of monetary items are recognised in the statement of profit and loss with the exception that the exchange differences on foreign currency borrowings included in the borrowing cost when they are regarded as an adjustment to interest costs on those foreign currency borrowings;

3.15 Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets up to the assets are substantially ready for their intended use. The loan origination costs directly attributable to the acquisition of borrowings (e.g. loan processing fee, upfront fee) are amortised in the year in which they occur

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

a) Description of the type of the plan

Defined Contribution Plans

Contribution to defined contribution plans, recognised as expense for the year is as under:

Particulars	As at March, 2023
Employer's Contribution to Provident Fund	65.46
Employer's Contribution to ESIC	14.77

Defined Benefit Plan - Gratuity

The Company operates gratuity plan wherein every employee is entitled to the benefit equivalent to 15 days of total basic salary last drawn for each completed year of service. Gratuity is payable to all eligible employees of the Company on retirement, separation, death or permanent disablement, in terms of the provisions of the Payment of Gratuity Act, 1972.

Post-Employment Benefits plan defined in a(ii) and a(iii) above typically expose the Company to actuarial risks such as: Salary increase, Discount rate, Morality and Disability and withdrawals

- a) Salary Increases :- Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
- b) Discount Rate :- Reduction in discount rate in subsequent valuations can increase the plan's liability.
- c) Mortality & disability :- Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
- d) Withdrawals :- Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

b) The following tables set out the status of the gratuity plan, unavailed leave and amounts recognized in the Company's financial statements.

i) Change in benefit obligations

Particulars	As at 31st March 2023

40 Financial risk management objectives and policies

The Company's principal financial liabilities comprise borrowings, security deposits, trade and other payables, etc. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade receivable, security deposit, cash and cash equivalents, etc. that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The management oversees the management of these risks. The management is responsible for formulating an appropriate financial risk governance framework for the Company and periodically reviewing the same. The management ensures that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The management reviews and agrees policies for managing each of these risks, which are summarised below.

(a) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: interest rate risk, foreign currency risk and Equity price risk.

(i) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Since the Company has borrowings, therefore Company is exposed to such risk.

(ii) Foreign Currency Risk

The Indian Rupee is the Company's most significant currency. As a consequence, the Company's results are presented in Indian Rupee and exposures are managed against Indian Rupee accordingly.

(iii) Equity Price Risk

The Company's does not have investment in shares hence the company is not exposed to such risk.

(b) Credit Risk

The maximum exposure to credit risks is represented by the total carrying amount of these financial assets in the balance sheet

Particulars	As at 31st March 2023
Trade receivables	24,243.03
Other financial assets	5,309.70

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations.

Credit risk arises mainly from loans, trade receivables and financial assets. The Company maintains a defined credit policy and monitors the exposures to these credit risks on an ongoing basis. None of the trade receivables are credit impaired as on reporting date.

On adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain. Based on internal assessment which is driven by the historical experience/ current facts available in relation to default and delays in collection thereof, the expected credit loss for trade receivables is not significant.

The carrying amount of financial assets represents the maximum credit exposure. The Company monitors credit risk very closely both in domestic and export market. The Management impact analysis shows credit risk and impact assessment as low.

The Company's exposure to credit risk for trade receivables are as follows:

Particulars	As at 31st March 2023
Carrying Amount	
1-30 days past due	7,027.21
31 to 90 days past due	11,895.86
More than 90 days past due	5,319.96
Total	24,243.03

(c) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The following are the contractual maturities of the financial liabilities, including estimated interest payments as at 31st March 2023:

Particulars	Carrying amount	Contractual Cash Flows		
		0-1 year	1-5 years	>5 years
Borrowings	20,595.32	18,907.37	1,687.95	-
Trade Payables	399.13	399.13	-	-
Other Financial Liabilities	31.23	31.23	-	-
Total	21,025.68	19,337.73	1,687.95	-

41 Capital management

The management policy is to maintain a strong capital base so as to maintain investor and creditor confidence and to sustain future development of the business. The Company's management monitor the return on capital employed.

Company's Gearing ratio

Particulars	As at 31st March 2023
Total Liabilities	21,604.89
Less: Cash and Cash Equivalents	281.76
Net Debt	21,323.13
Total Equity	14,858.43
Gearing Ratio	1.44

42 Additional Regulatory information

a. Ratio

Ratio	Numerator	Denominator	As at 31st March 2023
Current Ratio (In times)	Total current assets	Total current assets	1.49
Debt Equity Ratio (In times)	Debt consists of borrowings and lease liabilities.	Total equity	1.39
Debt service coverage ratio (in times)	Earning for Debt Service = Net Profit before taxes + Depreciation and Amortization + Interest	Debt service = Interest and lease payments + Principal repayments	2.08
Return on equity ratio (in %)	Profit for the year less Preference dividend (if any)	Average total equity	0.16
Trade receivables turnover ratio (in times)	Revenue from operations	Average trade receivables	3.10
Trade payables turnover ratio (in times)	Cost of equipment and software licences + Other expenses	Average trade payables	168.0
Net capital turnover ratio (in times)	Revenue from operations	Average working capital (i.e. Total current assets less Total current liabilities)	7.78
Net profit ratio (in %)	Profit for the year	Revenue from operations	0.03
Return on capital employed (in %)	Profit before tax and finance costs	Capital employed = Net worth + Lease liabilities + Deferred tax liabilities	0.33
Return on investment (in %)	Income generated from invested funds	Average invested funds in treasury investments	0.04

Since consolidation is done for the first time for March, 2023. Therefore ratio's for March 2022 not calculated.

Independent Auditor's Report on Audit of Quarterly and Annual Standalone financial Results of Ritco logistics Limited ("the Company") pursuant to the Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 as amended

To
**The Board of Directors of
RITCO LOGISTICS LIMITED**
Opinion

We have audited the accompanying "Statement of Audited Standalone Financial Results ('the Statement') of **RITCO LOGISTICS LIMITED** ('the Company') for the quarter ended 31st March, 2023 and for the year ended 31st March, 2023, attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('the Listing Regulations'), including relevant circulars issued by SEBI from time to time.

In our opinion and to the best of our information and according to the explanations given to us the Statement:

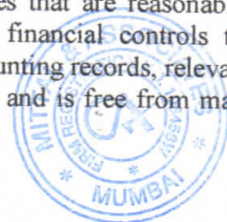

- i. presents Standalone Financial results in accordance with the requirements of Regulation 33 of the Listing Regulations and
- ii. gives a true and fair view in conformity with the recognition and measurement principles laid down in the Indian Accounting Standards ('Ind AS') and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information of the Company for the quarter ended 31st March, 2023 and for the year ended 31st March 2023.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Statement section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Statement

This Statement has been prepared on the basis of the annual audited Standalone Financial Statements and has been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit/loss and other comprehensive income and other financial information of the Company in accordance with the accounting principles generally accepted in India, including Ind AS prescribed under Section 133 of the Act, read with relevant rules issued there under and other accounting principles generally accepted in India, and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Statement

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

As part of an audit in accordance with the Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has in place adequate internal financial controls with reference to Standalone Financial Statements and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Statement may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Statement.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

RITCO LOGISTICS LIMITED

CIN: L60221DL2001PLC112167

Schedules forming part of the standalone financial statements

1 Corporate information

Ritco Logistics Limited is a public company domiciled in India and incorporated and established on August 23, 2001 under the provisions of the Companies Act, 1956. The company is engaged in Transportation activities. The Company got listed with BSE Limited on SME platform on February 07, 2019 and migrated to main board of BSE and NSE on April 12, 2022.

2 Basis of preparation

a) Statement of compliance:

These financial statements have been prepared on a going concern basis following the accrual basis of accounting in accordance with the Generally accepted Accounting Principles (GAAP) in India (Indian Accounting standards referred to as "IndAS") as specified under the section 133 of the Companies Act, 2013 read with Rule 3 of Companies (Indian Accounting Standard) Rules, 2015 and relevant amendments rules issued there after.

The financial statements were authorised for issue by the Board of Director on May 22, 2023.

Functional and presentation currency

These financial statements are presented in Indian Rupees, which is the Company's functional currency. All amounts have been rounded-off to the nearest lakhs (₹), as per the requirements of Schedule III of the Act, unless otherwise stated.

b) Basis of measurement:

The financial statements have been prepared on a historical cost convention, except for certain financial assets and financial liabilities that are measured at fair value as required under relevant IndAS.

c) Significant accounting judgements, estimates and assumptions

The preparation of the company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

d) Critical accounting estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the company. Such changes are reflected in the assumptions when they occur.

i. Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

ii. Employee benefit plans

The cost of the defined benefit gratuity plan, other post-employment benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

iii. Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal, contractor and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgement and the use of estimates regarding the outcome of future events.

iv. Property Plant and Equipment

Useful lives and residual values are determined by the management at the time the asset is acquired and reviewed at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the asset.

3 Significant accounting policies

3.1 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- ▶ Expected to be realised or intended to be sold or consumed in normal operating cycle
 - ▶ Held primarily for the purpose of trading
 - ▶ Expected to be realised within twelve months after the reporting period, or
 - ▶ Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- All other assets are classified as non-current.

RITCO LOGISTICS LIMITED

CIN: L60221DL2001PLC112167

Schedules forming part of the standalone financial statements

A liability is current when:

- ▶ It is expected to be settled in normal operating cycle
- ▶ It is held primarily for the purpose of trading
- ▶ It is due to be settled within twelve months after the reporting period, or
- ▶ There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

3.2 Property, Plant & Equipments

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company.

All other repair and maintenance costs are recognized in statement of profit or loss as incurred.

Subsequent measurement (depreciation and useful lives)

Property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment losses, if any.

Depreciation on property, plant and equipment has been provided using straight line method using rates determined based on management's assessment of useful economic lives of the asset.

Followings are the estimated useful lives of various category of assets based on management's assessment of useful economics live of the assets.

Office Building	60 Years
Furniture & Fixture	10 Years
Vehicles (Four Wheeler)	10 Years
Vehicles (Two Wheeler)	10 Years
Office Equipment	5 Years
Computers	3 Years
Truck & Trailors	8 Years

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Derecognition:

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is de-recognized.

3.3 Impairment of non-financial assets

At each reporting date, the Company reviews the carrying amounts of its non-financial assets to determine whether there is any indication of impairment. If any such indication of impairment exists, then the asset's recoverable amount is estimated. For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or cash generating units (CGUs).

The recoverable amount of an asset or CGU is the greater of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU. An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss.

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

3.4 Provisions, Contingent Liabilities And Contingent Assets

Provisions:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

When the Company expects some or all of a provision to be reimbursed, reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost in respective expense.

Contingent Liabilities and Contingent Assets

Contingent liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

3.5 Income tax

Current tax:

Provision for current tax is made as per the provisions of the Income Tax Act, 1961.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax:

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.

3.6 Employee Benefits

Short-term Employee Benefits:

Employee benefit liabilities such as salaries, wages and bonus, etc. that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at an undiscounted amount expected to be paid when the liabilities are settled.

Post-employment benefit plans:

Defined Contribution Plans:

State governed Provident Fund Scheme and Employees State Insurance Scheme are defined contribution plans. The contribution paid / payable under the schemes is recognised during the period in which the employees render the related services.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan.

The Company's gratuity scheme is a defined benefit plan. Currently, the Company's gratuity scheme is unfunded. The Company recognises the defined benefit liability in Balance sheet. The present value of the obligation under such defined benefit plan and the related current service cost and, where applicable past service cost are determined based on an actuarial valuation done using the Projected Unit Credit Method by an independent actuary, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligations are measured at the present value of the estimated future cash flows.

Re-measurements, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) is reflected immediately in Other Comprehensive Income in the Statement of Profit and loss. All other expenses related to defined benefit plans are recognised in Statement of Profit and Loss as employee benefit expenses. Re-measurements recognised in Other Comprehensive Income will not be reclassified to Statement of Profit and Loss hence it is treated as part of retained earnings in the Statement of Changes In Equity.

3.7 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ▶ In the principal market for the asset or liability, or
 - ▶ In the absence of a principal market, in the most advantageous market for the asset or liability
- The principal or the most advantageous market must be accessible to/ by the Company.

Fair value hierarchy

All financial instruments for which fair value is recognised or disclosed are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole;

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which the lowest level input that has a significant effect on the fair value measurement are observable, either directly or indirectly.

Level 3: Valuation techniques for which the lowest level input which has a significant effect on the fair value measurement is not based on observable market data.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

3.8 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- ▶ **Debt instruments at amortised cost** - The Company has cash & cash equivalents, loans and trade receivables classified within this category.
- ▶ **Debt instruments at fair value through other comprehensive income (FVTOCI)** - The Company does not have any financial asset classified in this category.
- ▶ **Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)** - The Company does not have any financial asset classified in this category as on 31st March 2023.
- ▶ **Equity instruments measured at fair value through other comprehensive income (FVTOCI)** - The Company does not have any financial asset classified in this category.

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.
- After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation and losses arising from impairment are recognised in the Statement of Profit & Loss. The amortised cost of the financial asset is also adjusted for loss allowance, if any.

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). Company has not designated any such debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit & Loss.

Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset. Any gain or loss on derecognition is recognised in the Statement of Profit and Loss.

RITCO LOGISTICS LIMITED

CIN: L60221DL2001PLC112167

Schedules forming part of the standalone financial statements

Impairment of financial assets

In accordance with IndAS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

Financial assets that are debt instruments, and are measured at amortised cost e.g. Loans and trade receivables.

The company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables that do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

b) Financial liabilities

Initial recognition and measurement

All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

All financial liabilities are initially measured at fair value deducted by, in the case of financial liabilities not recorded at fair value through profit or loss, transaction costs that are attributable to the liability.

Subsequent measurement

Financial liabilities are classified as measured at amortised cost using the effective interest method. The Company's financial liabilities include trade payables, borrowings and other financial liabilities.

Under the effective interest method, the future cash payments are exactly discounted to the initial recognition value using the effective interest rate. The cumulative amortization using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial liability over the relevant period of the financial liability to arrive at the amortized cost at each reporting date. The corresponding effect of the amortization under effective interest method is recognized as expense over the relevant period of the financial liability in the Statement of Profit and Loss.

Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the Derecognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid is recognized in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount presented in the Balance Sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

3.9 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

3.10 Revenue Recognition

The Company recognises revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

A 5-step approach is used to recognise revenue as below:

Step 1: Identify the contract(s) with a customer

Step 2: Identify the performance obligation in contract

Step 3: Determine the transaction price

Step 4: Allocate the transaction price to the performance obligations in the contract

Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

Freight services

Revenue from services rendered is recognised in proportion to the stage of completion of the transaction at the reporting date when the outcome of the transaction can be estimated reliably.

Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government which are levied on services such as Goods and service tax

Interest income

Interest income on financial asset is recognised using the effective interest rate (EIR) method.

3.11 Earnings per share

Basic earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of equity shares.

3.12 Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

3.13 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The board of directors of the Company has been identified as being the chief operating decision maker by the Management of the company.

RITCO LOGISTICS LIMITED

CIN: L60221DL2001PLC112167

Schedules forming part of the standalone financial statements

3.14 Foreign currency transactions

Transactions in foreign currencies are recorded by the Company entities at their respective functional currency at the exchange rates prevailing at the date of the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currency are translated to the functional currency at the exchange rates prevailing at the reporting date.

Non Monetary asset and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction

Exchange differences arising on settlement or translation of monetary items are recognised in the statement of profit and loss with the exception that the exchange differences on foreign currency borrowings included in the borrowing cost when they are regarded as an adjustment to interest costs on those foreign currency borrowings;

3.15 Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets up to the assets are substantially ready for their intended use. The loan origination costs directly attributable to the acquisition of borrowings (e.g. loan processing fee, upfront fee) are amortised in the year in which they occur

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

a) Description of the type of the plan

Defined Contributions Plan

Contribution to defined contribution plans, recognised as expense for the year is as under:

Particulars	As at March, 2023	As at March, 2022
Employer's Contribution to Provident Fund	65.46	22.99
Employer's Contribution to ESIC	14.77	2.55

Defined Benefit Plan - Gratuity

The Company operates gratuity plan wherein every employee is entitled to the benefit equivalent to 15 days of total basic salary last drawn for each completed year of service. Gratuity is payable to all eligible employees of the Company on retirement, separation, death or permanent disablement, in terms of the provisions of the Payment of Gratuity Act, 1972.

Post-Employment Benefits plan defined in a(ii) and a(iii) above typically expose the Company to actuarial risks such as: Salary increase, Discount rate, Morality and Disability and withdrawals

- Salary Increases :- Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
- Discount Rate :- Reduction in discount rate in subsequent valuations can increase the plan's liability.
- Mortality & disability :- Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
- Withdrawals :- Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

b) The following tables set out the status of the gratuity plan, unavailed leave and amounts recognized in the Company's financial statements.

i) Change in benefit obligations	As at 31st March. 2023	As at 31st March. 2022
Present value of obligation as at beginning of the year	90.05	88.63
Interest Cost	6.15	6.49
Current Service Cost	20.20	19.28
Benefits paid	(4.75)	(2.24)
Actuarial (Gain)/Loss on obligation	(27.68)	(22.12)
Present value of obligation as at the end of the year	83.96	90.05

ii) Fair Value of Plan Assets

- -

iii) Net Assets/(Liability) (ii-i) (83.96) (90.05)

iv) Amount recognised in Statement of Profit and Loss	Year ended 31st March 2023	Year ended 31st March 2022
Service cost	20.20	19.28
Net Interest cost	6.15	6.49
Actuarial (gain) /loss for the year	-	-
Expense recognized in the Income Statement	26.35	25.77

v) Amount recognised in Other Comprehensive Income (OCI)	Year ended 31st March 2023	Year ended 31st March 2022
Actuarial (Gain)/Loss for the year on Projected Benefit Obligation	(27.68)	(22.12)
Expense recognized in the Income Statement	(27.68)	(22.12)

vi) Principal Actuarial Assumptions	As at 31st March. 2023	As at 31st March. 2022
i) Discount rate (p.a.)	7.50%	7.25%
ii) Future salary increase (p.a.)	5.00%	5.00%

vii) Demographic Assumptions	As at 31st March. 2023	As at 31st March. 2022
i) Retirement age	60 years	60 years
ii) Mortality rates inclusive of provision for disability	IALM 2012-14	IALM 2012-14
iii) Withdrawal Rate	5.00%	5.00%

viii) Expected contributions for the next annual reporting period	Year ended 31st March 2023	Year ended 31st March 2022
Expected expense for the next annual reporting period	9.85	11.91

ix) Sensitivity Analysis of the Defined Benefit Obligation	Year ended 31st March 2023	Year ended 31st March 2022
Impact of the change in discount rate		
Present value of obligation as at the end of the period	83.96	90.05
Impact due to increase of 1.00%	76.82	82.21
Impact due to decrease of 1.00%	92.33	99.21
Impact of the change in salary increase		
Present value of obligation as at the end of the period	83.96	90.05
Impact due to increase of 1.00%	92.46	99.33
Impact due to decrease of 1.00%	76.60	81.98

Sensitivities due to mortality & withdrawals are not material & hence impact of change not calculated.

Sensitivities as to rate of inflation, rate of increase of pensions in payment & life expectancy are not applicable being a lump sum benefit on retirement.

x) Maturity Profile of Defined Benefit Obligation	As at 31st March. 2023
01 Apr 2023 to 31 Mar 2024	8.96
01 Apr 2024 to 31 Mar 2025	1.42
01 Apr 2025 to 31 Mar 2026	2.20
01 Apr 2026 to 31 Mar 2027	1.84
01 Apr 2027 to 31 Mar 2028	2.12
01 Apr 2028 Onwards	67.42

Maturity Profile of Defined Benefit Obligation	As at 31st March. 2022
01 Apr 2021 to 31 Mar 2022	6.94

	-	-	-

There were no transfers between Level 1 and Level 2 fair value measurements, and no transfers into and out of Level 3 fair value measurements.

40 Financial risk management objectives and policies

The Company's principal financial liabilities comprise borrowings, security deposits, trade and other payables, etc. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade receivable, security deposit, cash and cash equivalents, etc. that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The management oversees the management of these risks. The management is responsible for formulating an appropriate financial risk governance framework for the Company and periodically reviewing the same. The management ensures that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The management reviews and agrees policies for managing each of these risks, which are summarised below.

(a) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: interest rate risk, foreign currency risk and Equity price risk.

(i) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Since the Company has borrowings, therefore Company is exposed to such risk.

(ii) Foreign Currency Risk

The Indian Rupee is the Company's most significant currency. As a consequence, the Company's results are presented in Indian Rupee and exposures are managed against Indian Rupee accordingly.

(iii) Equity Price Risk

The Company's does not have investment in shares hence the company is not exposed to such risk.

(b) Credit Risk

The maximum exposure to credit risks is represented by the total carrying amount of these financial assets in the balance sheet

Particulars	As at 31st March. 2023	As at 31st March. 2022
Trade receivables	24,243.03	20,021.96
Other financial assets	5,309.70	3,513.65

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations.

Credit risk arises mainly from loans, trade receivables and financial assets. The Company maintains a defined credit policy and monitors the exposures to these credit risks on an ongoing basis. None of the trade receivables are credit impaired as on reporting date.

On adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain. Based on internal assessment which is driven by the historical experience/ current facts available in relation to default and delays in collection thereof, the expected credit loss for trade receivables is not significant.

The carrying amount of financial assets represents the maximum credit exposure. The Company monitors credit risk very closely both in domestic and export market. The Management impact analysis shows credit risk and impact assessment as low.

The Company's exposure to credit risk for trade receivables are as follows:

Particulars	As at 31st March. 2023	As at 31st March. 2022
Carrying Amount		
1-30 days past due	7,027.21	5,863.36
31 to 90 days past due	11,895.86	10,400.94
More than 90 days past due	5,319.96	3,757.67
Total	24,243.03	20,021.96

(c) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The following are the contractual maturities of the financial liabilities, including estimated interest payments as at 31st March 2023:

Particulars	Carrying amount	Contractual Cash Flows			
		0-1 year	1-5 years	>5 years	Total
Borrowings	20,560.23	18,872.28	1,687.95	-	20,560.23
Trade Payables	399.13	399.13	-	-	399.13
Other Financial Liabilities	31.23	31.23	-	-	31.23
Total	20,990.59	19,302.64	1,687.95	-	20,990.59

The following are the contractual maturities of the financial liabilities, including estimated interest payments as at 31st March 2022:

Particulars	Carrying amount	Contractual Cash Flows			
		0-1 year	1-5 years	>5 years	Total
Borrowings	17,238.88	16,270.41	968.48	-	17,238.88
Trade Payables	339.35	339.35	-	-	339.35
Other Financial Liabilities	22.52	22.52	-	-	22.52
Total	17,600.75	16,632.28	968.48	-	17,600.75

41 Capital management

The management policy is to maintain a strong capital base so as to maintain investor and creditor confidence and to sustain future development of the business. The Company's management monitor the return on capital employed.

Company's Gearing ratio

Particulars	As at 31st March. 2023	As at 31st March. 2022
Total Liabilities	21,561.22	17,889.79
Less: Cash and Cash Equivalents	281.00	2,509.31
Net Debt	21,280.22	15,380.48
Total Equity	14,886.25	12,394.39
Gearing Ratio	1.43	1.24

42 Additional Regulatory information

a. Ratio

Ratio	Numerator	Denominator	As at 31st March. 2023	As at 31st March. 2022	Change in Ratio
Current Ratio (In times)	Total current assets	Total current assets	1.49	1.66	-9.85%
Debt Equity Ratio (In times)	Debt consists of borrowings and lease liabilities.	Total equity	1.39	1.39	-0.25%
Debt service coverage ratio (in times)	Earning for Debt Service = Net Profit before taxes + Depreciation and Amortization + Interest	Debt service = Interest and lease payments + Principal repayments	2.10	1.70	23.55%
Return on equity ratio (in %)	Profit for the year less Preference dividend (if any)	Average total equity	18%	14%	28.74%
Trade receivables turnover ratio (in times)	Revenue from operations	Average trade receivables	3.39	3.20	6.18%
Trade payables turnover ratio (in times)	Cost of equipment and software licences + Other expenses	Average trade payables	181.7	177.9	2.13%
Net capital turnover ratio (in times)	Revenue from operations	Average working capital (i.e. Total current assets less Total current liabilities)	7.2	6.16	17.44%
Net profit ratio (in %)	Profit for the year	Revenue from operations	3.29%	2.74%	19.91%
Return on capital employed (in %)	Profit before tax and finance costs	Capital employed = Net worth + Lease liabilities + Deferred tax liabilities	36.84%	28.54%	29.08%
Return on investment (in %)	Income generated from invested funds	Average invested funds in treasury investments	1.67%	7.77%	-78.57%

Explanation for the changes in ratio exceeding more than 25% :

Ratio	Explanation
Return on Investment (in %)	There is increase in Turnover of the company, resulting in increase in the profitability. Hence unfavourable changes in the ratio.
Return on Equity	There is increase in Turnover of the company, resulting in increase in the profitability. Hence favourable changes in the ratio.
Return on Capital Employed	There is increase in Turnover of the company, resulting in increase in the profitability. Hence favourable changes in the ratio.
