Commenting on the results and performance, Mrs. Shobhana Bhartia, Chairperson, Hindustan Media Ventures Limited said:

"Weak macroeconomic trends of previous quarter continued into second quarter. Concerns around GST and impact of RERA were reflected in muted advertising spends across sectors. The organization wide cost management initiatives however have held us in good stead and we have been able to maintain margins despite lack of revenue growth.

We expect business sentiments to improve in second half of the year paving way for growth and therefore continue to invest behind Hindi business and in expanding our footprint in our key geographies." 

Advertising volumes have seen strong decline; market share maintained and yields improved

Lower raw material cost despite increase in print orders due to tight control on pagination and subdued newsprint price

Restructuring benefits realized leading to decrease in all indirect costs
