# **Politics Polarized** around **BJP**

he results of Bihar assembly elections have given one more characteristic to today's politics. And that is Indian politics is revolving around only BJP. Once a party which was mocked as permanent opposition has now become centre stage of politics. Bihar elections and the by elections in several states have given ultimate success to BJP. Once Indian politics was running around Congress and BJP has undoubtedly taken that position of Congress, but much stronger. When Congress was at considered as Indian politics, all other parties like Praja Samajwadi party, Communists, Bhartiya Jansangha were coming together to defeat Congress and were never succeed in their aim. The same is happening in case of BJP now. But there is big difference between Congress success and BJP's climbing to top position. BJP is much more stronger than Congress. Prime minister and senior leader Narendra Modi has made the difference. Indira Gandhi was sole responsible for Congress success and she did not allow another Indira Gandhi in the party. This means, she never allowed any other leader to reach to her level. The same may be said about Modi. As Indira Gandhi was able to take Congress to power single handedly, Modi has same Karishma but much more than Indira. Both the leaders are excellent at oratory and Indira used to mesmerize people with attractive slogans like Garibi Hatao. Modi has same characteristics but to superlative degree. Modi has shown that, he is possessing the same quality to make politics around him or his party BJP but to a larger extent than Indira Gandhi. This is guided democracy. The leader shows the way and people follow him. Modi's success can be compared to Dr. Sukarno in Indonesia who was so influential in politics that, entire nation would follow his footsteps. India is going through now the phase of guided democracy. There is immense unemployment in the country. Inflation has touched the sky. Onion prices are fluctuating. Corona lockdown has brought down economy to ground zero. Many factories have been closed and everybody has seen the plight of migrants going to their native villages on foot. S anger against Modi scheme benefits h men and if some of they blame village c Nobody blames M Rajiv Gandhi once one rupee granted paisa reach to th has changed this s one rupee goes in beneficiary and the difference for BJF introspect about th only criticizing I
